488.03 M.S. 1957 [Repealed, 1959 c 660 s 22]

488.03 **ESTABLISHMENT, ORGANIZATION, AND DISSOLUTION.** Subdivision 1. Each municipal court, however established, existing in any city is confirmed and each municipal court is continued with the jurisdiction and powers stated in the municipal court act and subject to all its provisions.

Subd. 2. Any municipal court hereafter created is established under the municipal court act with the jurisdiction and powers stated therein and subject to all its provisions.

Subd. 3. A municipal court is established in each city without a municipal court which is a county seat or which has 1,000 or more inhabitants, but no municipal court so established is organized until the governing body of the city so determines by a resolution adopted by a four-fifths majority of its members. The resolution shall also provide for a suitable place for the session of the court, the number of judges and sufficient appropriations for the operation of the court. The governing body of any city may, after said court has been organized, by resolution create the office of special municipal judge with the same power and authority as if such action had been taken when said court was originally organized. The resolution shall be adopted by a four-fifths majority of the entire governing body.

Subd. 4. The governing body of the city in which a municipal court is organized may by a resolution adopted by four-fifths of the entire governing body, submit the question of the dissolution of the court to the electorate of the city at the next special or general election to be held not less than 30 days after the adoption of the resolution. If the majority of the electorate voting at the election vote for the dissolution of the court, the court shall be dissolved and terminated upon expiration of the terms of office of the judges of the court, and thereupon all the records of the court shall be filed with the clerk of the district court in that district, and all proceedings pending in the municipal court may be maintained in the district court as

though originally commenced therein by judgments theretofore docketed in the municipal court shall not be docketed in the district court except upon application of the judgment creditor and payment of the required fee for such docketing. The district court may transfer any pending action to another court within the county having jurisdiction thereof, but no party shall be deprived of the right to appeal in any matter wherein that right could have been maintained had the municipal court not been dissolved. Appeals in all pending matters may be effected by filing notice of appeal with the clerk of said district court.

Subd. 3. The municipal court may hear, try, and determine any action at law in which the amount in controversy does not exceed the sum of \$1,000 exclusive of interest and costs. (2) Any ordinance, charter provision, rule, or regulation of the city in which the court is situated or of any other city in the county of the court's jurisdiction, if no municipal court has been organized at such place.

(b) The municipal court has jurisdiction to conduct preliminary hearings and to exercise all judicial powers incident to preliminary hearing proceedings on the charge of violation of any criminal law committed within a county of the court's jurisdiction.

(c) The jurisdiction of a municipal court is exclusive to hear, try, and determine a violation of a criminal law, or ordinance, charter provision, or rule, or regulation of the city in which the court is situated. Its jurisdiction is likewise exclusive to conduct preliminary hearings and to exercise all judicial powers incident to preliminary hearings on a charge of violating a criminal law which violation is committed within the city in which the court is situated.

If there is a deficiency of persons on the list, the said mayor and city clerk, or in the absence or disability of either, the officer authorized to perform his duties, meeting with the judge or judges of the municipal court may select from the qualified electors of the city, additional persons to cover the deficiency and certify and deliver to the clerk a supplementary list which shall thereafter stand as a part of the original list. The officer making the service shall return the venire to the court before the opening thereof, specifying who was summoned and the manner in which each was notified. No person shall be drawn as a juror more than once in two years, nor shall any juror be required to serve more than 15 days and until completion of the case on which he is sitting.

Any juror regularly summoned who actually attends at the time named in such summons is entitled to per diem and mileage whether or not sworn as a juror.

Subd. 8. Whenever a petit jury is desired by a party to a proceeding in municipal court, and such jury is permitted by law, such party shall request such jury, in writing, when the case is set for trial and pay the fees prescribed by the municipal court act.

If any such persons are excused or challenged, the names of other persons may be drawn in their place until there are a sufficient number of jurors qualified to sit.

Pleading, practice, procedure, and the forms thereof in civil actions in a municipal court are governed by the rules for municipal courts promulgated from time to time by the supreme court of this state under Laws 1947, Chapter 498, or by the statutes governing the district court of this state insofar as the rules promulgated by the supreme court or the provision of the municipal court act do not contain any applicable provision. Any provision of the municipal court act inconsistent with a rule of the supreme court heretofore or hereafter promulgated is superseded thereby.

Subd. 2. The defeated party in an action wherein the title to land is involved, and which has been determined against him, may secure a second trial thereof in the district court by:

(1) Depositing with the clerk, within 24 hours after notice of the judgment, the amount of all costs and disbursements included therein;

(2) Serving notice upon the adverse party, within 48 hours, that he will apply to the court, on the first day of the next term occurring more than four days thereafter, for an order transferring the case to the district court for such trial, and fixing the amount of the bond hereinafter mentioned; the names of his proposed sureties shall be inserted in such notice;

(3) Giving bond to the adverse party, in such amount and with such sureties as the court shall fix and approve, conditioned for the payment to him or his assigns of all costs and disbursements which he shall recover upon such second trial and of all rents, profits, and damages accruing or resulting to him during the pendency of the action, and to abide by any order the court may make therein.

Upon filing of such bond, duly approved, within five days after the amount thereof is so fixed, the court shall cause the case to be forthwith certified and transmitted to the clerk of the district court, with all the papers on file therein.

Upon service of the notice herein provided for, all proceedings under the judgment shall be stayed until otherwise ordered.

Subd. 3. No judgment of a municipal court shall be a lien upon the real estate until a transcript thereof is filed and docketed with the clerk of the district court. If no execution thereon be outstanding, the judgment creditor may cause such transcript to be docketed in the same county, and thereafter execution may issue from either court. The clerk with whom the transcript is so filed may issue transcripts to be filed and docketed in other counties, as in the case of a judgment originally rendered in his court. When docketed as herein provided, the judgment

shall have the same force and effect, in all respects, as a judgment of the district court.

Subd. 4. Writs of replevin, attachment, and execution may be issued in accordance with the practice and procedure for such writs in district court, but a judge rather than a sheriff or police officer shall approve all bonds requiring approval.

Subd. 5. When a writ of execution has been delivered to an officer for enforcement, any person indebted to the judgment debtor may pay the amount of such debt, or so much thereof as may satisfy the execution, to the officer holding the writ and the receipt of that officer reciting the facts is a sufficient discharge and satisfaction of so much of said debt as is so paid.

Subd. 6. Proceedings against garnishees may be instituted in the same manner as in the district court of the state. The garnishment summons may be served either by an officer or any person not a party to the action, at any place within the state of Minnesota, and the service shall in all cases be personal. The disclosure of the garnishee shall be made and all further proceedings had in the same manner as if the proceedings were in the district court, but the summons shall require disclosure within ten days after service, and service upon the defendant shall be made not later than ten days after the service on the garnishee.

488.17 PLEADING, PRACTICE, AND PROCEDURE IN CRIMINAL AND RELATED PROCEEDINGS. Subdivision 1. Except as otherwise provided in the municipal court act, pleading, practice, procedure, and the forms of actions charging violations of a criminal law or a municipal ordinance, charter provision, rule, or regulation are governed by the pleading, practice, procedure, and the forms of actions in similar matters in the district court.

Subd. 2. The judges of the municipal courts of the state when assembled pursuant to section 488.18 may adopt rules governing pleading, practice, procedure, and forms in actions charging violation of a criminal law or municipal ordinance, charter provision, rule, or regulation which are not inconsistent with the provisions of the municipal court act or any other law of the state. Such rules shall apply in each municipal court.

Subd. 3. Complaints charging violation of a criminal law or a municipal ordinance, charter provision, rule, or regulation shall be sworn to before any judge of the court and shall be filed with the clerk. Provided, however, the clerk and deputy clerks of court may also perform such duties when the offense alleged to have been committed is a violation of a petty misdemeanor law of this state or of a municipal ordinance which is punishable, upon conviction, by a sentence to the payment of a fine only.

Subd. 4. Where alleged offenders are in custody and brought before the court or the clerk without process, the clerk shall enter upon the records of the court a brief statement of the offense with which the defendant is charged, which shall stand in place of a complaint unless the court shall direct a formal complaint to be made.

Subd. 5. The plea of the defendant shall be "guilty" or "not guilty." In case of a failure to plead, the clerk shall enter a plea of "not guilty." Former acquittal or conviction for the same offense may be proved under a plea of "not guilty."

Subd. 6. The judge of a municipal court may issue warrants. Provided, however, the clerk and deputy clerks of court may also perform such duties when the offense alleged to have been committed is a violation of a petty misdemeanor law of this state or of a municipal ordinance which is punishable, upon conviction, by a sentence to the payment of a fine only.

Subd. 7. Any judge may set the amount of bail for any violation of a law of this state or a municipal ordinance, charter provision, rule, or regulation for which bail is allowed under the laws of the state. A bail bond in such amount may be posted or the person to give bail, in lieu of bail bond, may deposit with the clerk a sum of money equal to the amount of the bail so fixed.

Subd. 8. The clerk shall keep minutes of preliminary hearings on indictable offenses and make proper return to the court before which the person charged with the offense may be bound to appear.

Subd. 9. Violations of a municipal ordinance, charter, rule, or regulation of

a city, and misdemeanors occurring within the boundaries thereof, shall be prosecuted by the city attorney of the place where the violation occurred. All other offenses shall be prosecuted by the county attorney of the county in which the violation occurred, except that in counties containing a city of the first class, misdemeanors shall be prosecuted by the city attorney of the place where the court is situated. If a change of venue is effected in any such misdemeanor case, the city attorney of the place where the court from which such action was moved is situated, shall continue the prosecution in the court to which such venue was changed.

Any other proper business pertaining to such municipal courts may also be transacted. Any city of this state, however organized, may appropriate through its governing body, out of its general fund, money to pay the actual and necessary expenses of such judges in attending such assembly.

Subd. 2. In forcible entry and unlawful detainer actions, the municipal court shall be governed by Minnesota Statutes, Sections 566.01 to 566.16. The forms therein prescribed with appropriate modifications may be used.

Subd. 3. Whenever a duly verified complaint in an action of forcible entry or unlawful detainer shows one of the causes of action set forth in Minnesota Statutes, Section 566.03, and on the return day of the summons the defendant does not appear, the judge, upon proof of the due service of summons, shall enter an order adjudging the defendant to be in default, and thereafter the clerk shall enter judgment for the plaintiff without the introduction of evidence.

488.31 JOINT MUNICIPAL COURTS; DEFINITIONS. Subdivision 1. For purposes of sections 488.31 to 488.37, the terms defined in this section have the meanings ascribed to them.

Subd. 2. "Municipality" means any city except a city of the first class.

Subd. 3. "Municipal court" means a court organized and operated pursuant to the municipal court act.

Subd. 4. "Joint municipal court" means a court organized and operated by two or more municipalities as provided in sections 488.31 to 488.37.

[Ex1961 c 32 s 1; 1973 c 123 art 5 s 7]

488.32 ESTABLISHMENT; AGREEMENT; NAME; WITHDRAWAL; DISSOLUTION. Subdivision 1. If two or more municipalities have a combined population of 1,000 or more or if one is a county seat, a joint municipal court is established in such municipalities with jurisdiction coextensive with and limited to the county or counties in which such municipalities are located; but no joint municipal court so established is organized until such municipalities enter into an agreement approved by a four-fifths vote of each governing body. If a municipal court has been organized in any municipality entering into such an agreement, the agreement may provide that the existing municipal court shall be the joint municipal court and in that event the judge or judges of the existing court shall continue to serve as judges of the joint municipal court until the expiration of their terms of office and until their successors are elected and qualified as provided in section 488.35, subdivision 1. If the agreement does not so provide, the agreement and the jurisdiction of the joint municipal court shall not become effective in any municipality having an existing municipal court until the expiration of the term of office of the judge or judges of that court. Upon expiration of the term of office of the incumbent judge or judges of the existing municipal court, the court is abolished and its functions, powers and duties, and pending cases are transferred to the joint municipal court.

Subd. 2. The name of such court shall be the "Municipal Court of.....," inserting the names of the municipalities participating in the agreement.

Subd. 3. The term of the agreement shall be indefinite subject to the right of withdrawal as provided in subdivision 4 or dissolution of the court as provided in subdivision 6. The agreement may be altered from time to time consistent with sections 488.31 to 488.37.

Subd. 4. No municipality shall withdraw from a joint municipal court agreement if such withdrawal terminates the court, but otherwise any municipality participating in such an agreement may withdraw therefrom at any time. No withdrawal shall become effective until the expiration of the term of the judge or judges

in office at the time of the withdrawal. At that time the joint municipal court shall cease to have jurisdiction over cases thereafter arising in any municipality withdrawing from the agreement.

Subd. 5. If all but one of the municipalities participating in a joint municipal court agreement withdraw therefrom, the court shall continue to exist as the municipal court in the remaining municipality as though organized therein under the municipal court act, and shall be subject to all of the provisions of that act. The location of the court shall be changed, if necessary, to the remaining municipality.

Subd. 6. By concurrent resolutions adopted by a four-fifths vote of the governing body of each municipality participating in a joint municipal court agreement, the question of dissolving the court may be submitted to the voters at an election held as provided in section 488.35, subdivision 1, or at a special election held at the same time in each municipality participating in the agreement. If a majority of the total vote cast upon the question in all participating municipalities is in favor of dissolution, the court is dissolved upon the expiration of the term of office of the incumbent judge or judges of the court, and court records and pending cases shall thereupon be disposed of as in the case of dissolution under the municipal court act.

[*Ex*1961 c 32 s 2]

488.33 CONTENT OF AGREEMENT. An agreement establishing a joint municipal court shall

(a) Designate the municipality in which the court is to be located and authorize the court to provide for court sessions in the other participating municipalities if sessions are to be held in more than one municipality;

(b) Specify the number of judges and provide for additional judges from time to time as the needs of the court may require;

(c) Provide suitable space and other facilities for operations of the court;

(d) Provide for the appointment and the bonds of court officers and other personnel except for the clerk and deputy clerk;

(e) Provide for the manner in which the expense of establishing and operating the court is to be apportioned and paid by the participating municipalities, including the compensation of the clerk, deputy clerk, and other court officers and personnel;

(f) Provide for disposition of the fees and other moneys collected by the court in civil actions and the fines, fees, and costs which would otherwise be paid to the individual municipalities participating in the agreement under the municipal court act;

(g) Provide for the distribution of any property acquired as a result of the agreement, and the return of any surplus funds in proportion to the contributions of the contracting parties upon withdrawal of any municipality from the agreement or dissolution of the court;

(h) Include such other provisions, not inconsistent with sections 488.31 to 488.37 and with the authority otherwise possessed by the court to make rules for its own operations, as may be necessary for establishment and operation of the court.

[*Ex*1961 c 32 s 3]

488.34 JUDGES. Subdivision 1. If a joint municipal court agreement provides for more than one judge, the judges shall be designated and the work of the court shall be assigned as provided in the municipal court act.

Subd. 2. Each judge shall be learned in the law and a resident of the county or counties in which the joint municipal court has jurisdiction.

[*Ex*1961 c 32 s 4]

If the participating municipalities hold their regular municipal elections at different times, each judge shall be elected on the first Tuesday after the first Monday in November in the even-numbered year.

Subd. 2. Affidavits or applications of candidacy for the office of judge shall be filed with the clerk of the municipality in which the court is located within the period and in the manner provided by law or charter for filing for office in that municipality. Immediately after the last day for filing, the clerk shall certify the names of all the candidates to the clerk of each municipality participating in the joint municipal court agreement, and the names shall be included on the regular municipal election ballot, or, if the election is held on the first Tuesday

after the first Monday in November as provided in subdivision 1, on a separate non-partisan ballot conforming to the ballot used at the regular municipal election. After the canvass of votes is completed, the results of the election for judge shall be certified to the clerk of the municipality in which the court is located. The clerk shall thereupon issue to each successful candidate a certificate of his election. No candidate for judge shall be deemed elected unless he receives a plurality of the total votes cast for the office in all municipalities participating in the joint municipal court agreement. When two judges are to be elected and one is not designated the special municipal judge or when more than two judges are to be elected the candidates, to a number equal to the number of judges to be elected, who receive the highest number of votes shall be deemed elected.

Subd. 3. Except as provided in subdivisions 1 and 2, all of the provisions of sections 205.01 to 205.17 relating to municipal elections shall apply to and govern the election of the judge or judges of a joint municipal court.

Subd. 4. Each judge shall serve for a term of six years beginning on the first Monday of the month next following his election and until his successor qualifies.

Subd. 5. When a joint municipal court is organized more than 90 days prior to the election at which the judge or judges are to be elected as provided in subdivision 1, or whenever there is a vacancy in the office of judge, the governor shall appoint a qualified person to serve until a successor is elected and qualified. The successor shall be elected for a six-year term at the next election which occurs as provided in subdivision 1 more than one year after such appointment.

[*Ex1961 c 32 s 5*]

[*Ex1961 c 32 s 6*]

488.37 APPLICATION OF MUNICIPAL COURT ACT. Except as otherwise provided in sections 488.31 to 488.37 all the provisions of the municipal court act shall apply to and govern the operations of a joint municipal court.
