#### **115.74 Water supply and wastewater treatment operators certification council.**

Subdivision 1. The board of water and wastewater treatment operators certification shall be composed of six members. The governor shall appoint four members as follows: A currently employed water supply system operator holding a valid certificate issued by the secretary; a currently employed wastewater treatment facility operator holding a valid certificate issued by the director; a university or college faculty member whose major field is related to water supply or wastewater collection and treatment; and a representative of the league of Minnesota municipalities. The remainder of the board shall be composed of the following persons: A representative of the state department of health who is either the director of the division of environmental health or a qualified member of his staff; the director of the Minnesota pollution control agency or a qualified member of his staff. In the case of the first board, the appointments of a water supply system operator and a wastewater treatment facility operator shall be made from currently employed operators holding valid certificates under the voluntary certification program administered by the state department of health and the Minnesota pollution control agency.

Subd. 2. Membership terms, compensation of members, removal of members, the filling of membership vacancies, and fiscal year and reporting requirements shall be as provided in sections 214.07 to 214.09.

Subd. 3. When new members are appointed to the board a chairman shall be elected at the next board meeting. The state department of health representative or other representative designated by the board shall serve as secretary of the board, except that the secretary shall be responsible for maintaining records relating to certification of water supply system operators and the
