Subdivision 1. Qualification of counties. One or more contiguous counties, having an aggregate population of 30,000 or more persons or comprising all the counties within a region designated pursuant to sections 462.381 to 462.396 or chapter 473B, situated within the same region designated pursuant to sections 462.381 to 462.396, or chapter 473B, may qualify for a grant as provided in section 401.01 by the enactment of appropriate resolutions creating and establishing a corrections advisory board and providing for the preparation of a comprehensive plan for the development, implementation and operation of the correctional services described in section 401.01, including the assumption of those correctional services other than the operation of state institutions presently provided in such counties by the department of corrections, and providing for centralized administration and control of those correctional services described in section 401.01.

Where counties combine as authorized in this section, they shall comply with the provisions of section 471.59.

Subd. 2. Planning counties; how designated; travel expenses of corrections advisory board members. To assist counties which have complied with the provisions of subdivision 1 and require financial aid to defray all or a part of the expenses incurred by corrections advisory board members in discharging their official duties pursuant to section 401.08, the commissioner may designate counties as "planning counties", and, upon receipt of resolutions by the governing boards of the counties certifying the need for and inability to pay the expenses described in this subdivision, advance to the counties an amount not to exceed five percent of the maximum quarterly subsidy for which the counties are eligible. The expenses described in this subdivision shall be paid in the same manner and amount as for state employees.

[1975 c 304 s 8]

401.04 Acquisition of property; selection of administrative structure; employees.

Any county or group of counties electing to come within the provisions of sections 401.01 to 401.16 may (a) acquire by any lawful means, including purchase, lease or transfer of custodial control, the lands, buildings and equipment necessary and incident to the accomplishment of the purposes of sections 401.01 to 401.16, (b) determine and establish the administrative structure best suited to the efficient administration and delivery of the correctional services described in section 401.01, and (c) employ a director and such other officers, employees and agents as deemed necessary to carry out the provisions of sections 401.01 to 401.16. To the extent that participating counties shall assume and take over state correctional services presently provided in such counties, employment shall be given to those state officers, employees and agents thus displaced; if hired by a county, such employment shall, to the extent possible and notwithstanding the provisions of any other law or ordinance to the contrary, be deemed a transfer in grade with all of the benefits enjoyed by such officer, employee or agent while in the service of the state.

[1975 c 304 s 9]

401.08 Corrections advisory board; members; duties.

division 1 shall consist of at least 18 but not more than 20 members, who shall be representative of law enforcement, prosecution, the judiciary, education, corrections, ethnic minorities, the social services, and the lay citizen, and shall be appointed as follows:

(1) the law enforcement representation shall consist of a sheriff, and a chief of police (selected by the chiefs of police of the county), or their respective designees;

(2) the prosecution representative shall be either the county attorney or his designee;

(3) the judiciary representatives shall be designated by the chief judge of each district and county court district, and shall include judges representative of courts having felony, misdemeanor and juvenile jurisdiction respectively;

(4) education shall be represented by an academic administrator appointed by the chairman of the board of county commissioners with the advice and consent of the members of the board;

(5) the director of a county welfare board or his designee;

(6) the public defender or his designee;

(7) with the advice and consent of the other members of the county board, the chairman shall appoint the following additional members of the corrections advisory board:

(a) one parole or probation officer;

(b) one correctional administrator;

(c) a representative from a social service agency, public or private;

(d) an ex-offender;

(e) a licensed medical doctor or other representative of the health care professions;

(f) at least four, but no more than six citizens, provided, however, that if the ethnic minorities resident in the county exceed the percentage of ethnic minorities in the state population, at least two of the citizen members shall be members of an ethnic minority group.

If two or more counties have combined to participate in the subsidy authorized by this chapter, the commissioner of corrections may increase the size of the community corrections advisory board to include one county board member from each participating county.

Subd. 2. Members of the corrections advisory board appointed by the chairman of the board of county commissioners shall serve for terms of two years from and after the date of their appointment, and shall, subject to the approval of the county board or county boards of commissioners of the participating counties, remain in office until their successors are duly appointed. The other members of the corrections advisory board shall hold office at the pleasure of the appointing authority. The board may elect its own officers.

Subd. 3. Where two or more counties combine to come within the provisions of sections 401.01 to 401.16 the joint corrections advisory board shall contain representation as provided in subdivision 1, but the members comprising the board may come from each of the participating counties as may be determined by agreement of the counties.

Subd. 4. The corrections advisory board provided in sections 401.01 to 401.16 shall actively participate in the formulation of the comprehensive plan for the development, implementation and operation of the correctional program and services described in section 401.01, and shall make a formal recommendation to the county board or joint board at least annually concerning the comprehensive plan and its implementation during the ensuing year.

Subd. 5. If a corrections advisory board carries out its duties through the implementation of a committee structure, the composition of each committee or subgroup shall generally reflect the membership of the entire board. All proceedings of the corrections advisory board and any committee or other subgroup of the board shall be open to the public; and all votes taken of members of the board shall be

recorded and shall become matters of public record.

Subd. 6. The corrections advisory board shall promulgate and implement rules concerning attendance of members at board meetings.

[1975 c 304 s 10]

401.10 Corrections equalization formula.

To determine the amount to be paid participating counties the commissioner of corrections will apply the following formula:

(1) All 87 counties will be scored in accordance with a formula involving four factors:

- (a) per capita income;
- (b) per capita taxable value;
- (c) per capita expenditure per 1,000 population for correctional purposes, and;
- (d) percent of county population aged six through 30 years of age according to the most recent federal census, and, in the intervening years between the taking of the federal census, according to the state demographer.

"Per capita expenditure per 1,000 population" for each county is to be determined by multiplying the number of persons convicted of a felony under supervision in each county at the end of the current year by \$350. To the product thus obtained will be added:

- (i) the number of presentence investigations completed in that county for the current year multiplied by \$50;
- (ii) the annual cost to the county for county probation officers' salaries for the current year; and
- (iii) 33 1/3 percent of such annual cost for probation officers' salaries.

The total figure obtained by adding the foregoing items is then divided by the total county population according to the most recent federal census, or, during the intervening years between federal censuses, according to the state demographer.

(2) The percent of county population aged six through 30 years shall be determined according to the most recent federal census, or, during the intervening years between federal censuses, according to the state demographer.

(3) Each county is then scored as follows:

- (a) Each county's per capita income is divided into the 87 county average;
- (b) Each county's per capita taxable value is divided into the 87 county average;
- (c) Each county's per capita expenditure for correctional purposes is divided by the 87 county average;
- (d) Each county's percent of county population aged six through 30 is divided by the 87 county average.

(4) The scores given each county on each of the foregoing four factors are then totaled and divided by four.

(5) The quotient thus obtained then becomes the computation factor for the county. This computation factor is then multiplied by a "dollar value", as fixed by the appropriation pursuant to sections 401.01 to 401.16, times the total county population. The resulting product is the amount of subsidy to which the county is eligible under sections 401.01 to 401.16. Notwithstanding any law to the contrary, the commissioner of corrections, after notifying the committees on finance of the senate and appropriations of the house of representatives, may, at the end of any fiscal year, transfer any unobligated funds in any appropriation to the department of corrections to the appropriation under sections 401.01 to 401.16, which appropriation shall not cancel but is reapportioned for the purposes of sections 401.01 to 401.16.

[1975 c 304 s 11]

401.11 Items included in plan pursuant to regulation.

The comprehensive plan submitted to the commissioner for his approval shall

401.11 COMMUNITY CORRECTIONS

include those items prescribed by regulation of the commissioner, which may require the inclusion of the following: (a) the manner in which presentence and post-sentence investigations and reports for the district courts and social history reports for the juvenile courts will be made; (b) the manner in which probation and parole services to the courts and persons under jurisdiction of the commissioner of corrections and the Minnesota corrections authority will be provided; (c) a program for the detention, supervision and treatment of persons under pre-trial detention or under commitment; (d) delivery of other correctional services defined in section 401.01; (e) proposals for new programs, which proposals must demonstrate a need for the program, its purpose, objective, administrative structure, staffing pattern, staff training, financing, evaluation process, degree of community involvement, client participation and duration of program.

In addition to the foregoing requirements made by this section, each participating county or group of counties shall be required to develop and implement a procedure for the review of grant applications made to the corrections advisory board and for the manner in which corrections advisory board action shall be taken thereon. A description of this procedure shall be made available to members of the public upon request.

[1975 c 304 s 12]

401.14 Payment of subsidy.

Subdivision 1. Upon compliance by a county or group of counties with the prerequisites for participation in the subsidy prescribed by sections 401.01 to 401.16, and approval of the comprehensive plan by the commissioner, the commissioner shall determine whether funds exist for the payment of the subsidy and proceed to pay same in accordance with applicable rules and regulations.

Subd. 2. Based upon the comprehensive plan as approved, the commissioner may estimate the amount to be expended in furnishing the required correctional services during each calendar quarter and cause the estimated amount to be remitted to the counties entitled thereto in the manner provided in section 401.15, subdivision 1.

[1975 c 304 s 13]

401.15 Procedure for determination and payment of amount; biennial review.

Subdivision 1. On or before the end of each calendar quarter, participating counties which have received the payments authorized by section 401.14 shall submit to the commissioner certified statements detailing the amounts expended and costs incurred in furnishing the correctional services provided in sections 401.01 to 401.16. Upon receipt of certified statements, the commissioner shall, in the manner provided in sections 401.10 and 401.12, determine the amount each participating county is entitled to receive, making any adjustments necessary to rectify any disparity between the amounts received pursuant to the estimate provided in section 401.14 and the amounts actually expended. If the amount received pursuant to the estimate is greater than the amount actually expended during the quarter, the commissioner may withhold the difference from any subsequent quarterly payments made pursuant to section 401.14. Upon certification by the commissioner of the amount a participating county is entitled to receive under the provisions of section 401.14 or of this subdivision the commissioner of finance shall thereupon issue a state warrant to the chief fiscal officer of each participating county for the amount due together with a copy of the certificate prepared by the commissioner.
