475.54 Maturities; redemption.

475.54 Maturities; redemption.

[For text of subd 1, see M.S.1974]

Subd. 2. A serial maturity schedule conforming to subdivision 1 may be established for each new issue of obligations of a municipality, or the governing body may in its discretion adjust such schedule so that the combined maturities of the new issue and any other designated issue or issues will conform to subdivision 1, provided that all such issues are general obligations or all are payable from a common fund. Notwithstanding the provisions of any other general or special law, any school district having an outstanding state loan or loans, if it issues and sells bonds on the public market for any purpose other than refunding such loans, or refunding outstanding bonds as provided in this subdivision shall adjust the schedule of the maturities thereof so that the total amount of principal and interest to become due on these bonds and on all other bonds of the school district, during each of the 30 fiscal or calendar years next following, will be as nearly equal as practicable, provided that the annual amounts of maturing principal may be fixed at multiples of \$5,000. A school district which has an outstanding state loan or loans may refund outstanding bonds, provided that the school loan committee established in section 124.41 approves such refunding. The committee shall approve refunding outstanding bonds only if such refunding results in lower annual debt service payments than the district made prior to the refunding.
