116E.01 POLICY. It is the policy of the state of Minnesota to encourage development of life values and a style of living which fosters the constructive use, rather than exploitation of natural resources and the environment, and to promote coordination among various groups and institutions developing and distributing environmental education materials, including but not limited to formal and nonformal education, pre-kindergarten, kindergarten through grade twelve, post-secondary, vocational, college and adult education. The state board shall consist of 6 members to be appointed by the governor with the advice and consent of the senate, and one member from each of the regional councils. The term of a member of a regional council shall begin on July 1 and shall extend for a four year term and until his successor is duly appointed and qualifies. A vacancy in the office of a member of any regional council shall be filled by the appointing authority, for the unexpired term.

Each task force shall select one of its members to serve on the metropolitan regional environmental education council. Members of the task forces shall be compensated and shall have terms similar to those of the regional environmental education councils. The foregoing task forces shall commence their functions on July 1, 1977; however, they may not select members for the state boards until July 1, 1978.

Subd. 2. **First board.** The first state environmental education board shall consist of (a) the following members to be appointed by the governor: (i) seven members whose term shall expire on July 1, 1975; (ii) six members whose term shall expire on July 1, 1976; and (b) the following members to be elected, one from each of the regional councils: (i) one member from each of six regional councils whose term shall expire July 1, 1975, and (ii) one member from each of six regional councils whose term shall expire on July 1, 1976. In the event that any regional council is unorganized, the governor may appoint one person from such unorganized region to serve on the state board.
