[1905 c 18 s 2] (1510)

465.28 LANDS; HOW ACQUIRED. The city council may acquire in the name of the city by grant, dedication, purchase, or devise the lands and the rights necessary to carry out such improvements.

[1905 c 18 s 3] (1511)

[1905 c 18 s 4] (1512)

465.30 ORDINANCE; APPRAISERS. The city council shall by ordinance determine and declare as nearly as may be the cost of such improvements, exclusive of damages to property, and appoint five appraisers, who shall be disinterested freeholders and qualified voters of the county, and none of whom shall be residents of the town or ward or wards of the city in which the property so designated is situated, to view the premises and appraise the damages which may be occasioned by the taking of private property or otherwise in making such improvement, and to assess special benefits resulting therefrom. These appraisers shall be notified as soon as practicable by the city clerk to attend, at a time fixed by him, for the purpose of qualifying and entering upon their duties. When a vacancy may occur among these appraisers by neglect or refusal of any of them to act or otherwise, such vacancy shall be filled by the city council.

[1905 c 18 s 5] (1513)

465.31 OATH. The appraisers shall be sworn to discharge their duty as appraisers in the matter with impartiality and fidelity; and to make due return of their acts to the city council.

[1905 c 18 s 6] (1514)

465.32 NOTICE OF MEETING. The appraisers shall give notice of their meeting by publication in the official newspaper of the city, once a week for six consecutive weeks, which last publication shall be at least ten days before the day of such meeting, which notice shall name the stream to be diverted, the point of diversion, the general course of the new channel and the height to which it is proposed to raise or maintain any lake, the location of proposed bridges, culverts, or tunnels, the estimated cost of construction, and contain a description of the lands designated by the city council to be taken for right of way and for flowage purposes, and give notice that a plan of the improvement has been filed in the office of the city clerk, and that the appraisers will meet at a place and time designated in the notice, and thence proceed to view the premises and appraise the damages for property to be taken, or which may be damaged by the diversion of water or otherwise by such improvement, and to assess benefits in the manner hereinafter specified. If any portion of such stream or of the lands to be taken is outside of the county containing such city, then the notice shall be published for a like time in some newspaper in such outside county.

[1905 c 18 s 7] (1515)

465.34 MEETING OF APPRAISERS; DAMAGES AND BENEFITS. At the time and place mentioned in the notice, the appraisers shall meet and thence proceed to view the premises, and hear any evidence or proof offered by the parties interested and may adjourn from time to time for the purpose aforesaid. When their view and hearing shall be concluded they shall determine the amount of damages, if any, suffered by each piece or parcel of land affected by the improvement. They shall determine the amount of special benefits, if any, occurring by reason of diversion of water, drainage, or otherwise, to each piece or parcel of land wherever situate and whether contiguous to the improvement or not. If the damages exceed the benefits to any particular piece, the excess shall be awarded as damages. If the benefits exceed the damages to any particular piece, the difference shall be assessed as benefits, but the total assessment for benefits shall not be greater than the aggregate net award of damages added to the estimated cost of construction; and in every case the benefits assessed upon the several parcels shall be in proportion to the actual benefits received, and no assessment upon any particular piece shall exceed the amount of actual special benefits after deducting the damages, if any.

[1905 c 18 s 9] (1517)

465.35 BUILDINGS. If there be any buildings standing, in whole or in part, upon any parcel of the land to be taken, the appraisers shall, in such case, determine the amount of damages which should be paid to the owners thereof, in case such building, or so much as may be necessary, should be taken, and shall appraise and determine the amount of damages to be paid such owners in case they shall elect to remove such buildings.

[1905 c 18 s 10] (1518)

465.36 DIFFERENT OWNERS OR INTERESTS. If the land and buildings belong to different persons or if the land be subject to lease, mortgage, or judgment, or if there be any estate less than an estate in fee, the injury or damage done to such person, or interests, respectively, may be awarded to them separately by the appraisers. Neither such award of the appraisers, nor the confirmation thereof by the city council, shall be deemed to require the payment of such damages to the person or persons named in such award, in case it shall transpire that such persons are not entitled to receive the same.

[1905 c 18 s 11] (1519)

465.37 REPORT. The appraisers having ascertained and appraised the damages and assessed the benefits, as aforesaid, shall make and file with the city clerk a written report of their action in the premises, embracing a schedule and appraisal of the damages awarded and benefits assessed, with descriptions of the lands, and the names of the owners, if known to them, and a statement of the costs of the proceeding.

[1905 c 18 s 12] (1520)

465.38 NOTICE OF APPRAISEMENT; CONFIRMATION OR ANNULMENT. Upon such report being filed, the city clerk shall give notice that such appraisal has been returned and that the same will be considered by the city council at a meeting thereof to be named in the notice, which notice shall contain the schedule of damages awarded and benefits assessed and be published in the official newspaper of the city once a week for two consecutive weeks, and the last publication shall be at least ten days before such meeting. Any person interested in any building standing in whole or in part upon any land required to be taken by such improvement shall, on or before the time specified for the meeting in such notice, notify the city council in writing of his election to remove such building, if he so elect. The city council, upon the day

fixed for the consideration of such report, or at any subsequent meeting to which the same may stand over or be referred, shall have power in their discretion to confirm, revise, or annul the appraisalment and assessment, giving due consideration to any objections interposed by parties interested in the manner hereinafter specified; provided that the city council shall not have the power to reduce the amount of any award nor increase any assessment. In case the appraisalment and assessment is annulled, the city council may thereupon appoint new appraisers, who shall proceed in like manner as in case of the first appraisalment, and upon the coming in of their report, the city council shall proceed in a like manner and with the same powers as in the case of the first appraisalment.

[1905 c 18 s 13] (1521)

465.39 AWARD; APPEAL. If not annulled or set aside, such award shall be final and a charge upon the city, for the payment of which the credit of the city shall be pledged. Such assessments shall be and remain a lien and charge upon the respective lands until paid. The award shall be paid to the persons entitled thereto or deposited and set apart in the treasury of the city for the use of the persons entitled thereto within six months after the confirmation of the appraisalment and award. In case any appeal shall be taken from the order confirming the appraisalment and assessment, as hereinafter provided, the time for payment of the awards shall be extended until and including 60 days after the final determination of all appeals taken in the proceedings, and in case of any change in the awards or assessment upon appeal, the city council may, by resolution duly adopted, at any time within 60 days after the determination of all appeals, set aside the entire proceeding. Any awards so set aside shall not be paid, and the proceedings as to the tracts for which the awards are so set aside shall be deemed abandoned. Any awards not so set aside shall be a charge upon the city, for the payment of which the credit of the city shall be pledged. All awards shall bear interest at the rate of six percent per annum from the time of the filing of the original appraisers' report, and all subsequent awards and awards upon appeals shall be made as of the day and date of filing of such original reports.

[1905 c 18 s 14] (1522)

465.40 VESTURE OF TITLE. Upon the conclusion of the proceedings and the payment of the awards, the several tracts of land shall be deemed to be taken and appropriated for the purposes of sections 465.26 to 465.48, and the title thereto shall vest in the city. In case the city council shall in any case be unable to determine to whom the damages should in any particular case be paid, or in case of adverse claim in relation thereto, or in case of the legal disability of any person interested, the city council shall, and in any and every case the city council may in its discretion deposit the amount of damages with the district court of the county in which such city is situate, for the use of the parties entitled thereto, and the court shall, upon the application of any person interested, and upon such notice as the court shall prescribe, determine who is entitled to the award, and shall order the same paid accordingly. Any such deposit shall have the same effect as the payment to the proper persons.

[1905 c 18 s 15] (1523)

465.41 REMOVAL OF BUILDINGS. In case any owner of buildings, as aforesaid, shall have elected to remove his buildings he shall remove them within 30 days from the confirmation of the report or within such further time as the city council may allow for the purpose and shall be entitled to the payment of the amount of damages awarded in such case in case of removal. When such person shall not have elected to remove such buildings, or shall have neglected (after having elected) to remove the same within the time above specified, such buildings, or so much thereof as may be necessary, upon paying or depositing the damages awarded for such taking in manner aforesaid, may be taken and appropriated, sold, or disposed of as the city council shall elect.

[1905 c 18 s 16] (1524)

465.42 APPEAL; OBJECTIONS; NOTICE; RECORD. Any person whose property is proposed to be taken or interfered with or assessed under any provisions of sections 465.26 to 465.48, or who claims to be damaged by the improvement, and who

deems that there is any irregularity in the proceedings of the city council, or action of the appraisers, by reason of which the award of the appraisers ought not to be confirmed, or who is dissatisfied with the amount of damages awarded to him for the taking of, or interference with his property, or the assessment thereon, may, at any time before the time specified for the consideration of the award and assessment by the city council, file with the city clerk in writing his objections to such confirmation, setting forth therein specifically the particular irregularities complained of, and the particular objection to the award or assessment, and containing a description of the property in which he is interested, affected by such proceedings and his interest therein, and if, notwithstanding such objections, the city council shall confirm the award or assessment, such persons so objecting shall have the right to appeal from such order of confirmation of the city council to the district court of the county in which the city is situate within 20 days after such order. Such appeal shall be made by serving a written notice of appeal upon the city clerk, which shall specify the property of the appellant affected by such award or improvement, and refer to the objection filed, as aforesaid, thereupon the city clerk, at the expense of the appellant, shall make out and transmit to the clerk of the district court a copy of the record of the entire proceedings and of the award of the appraisers as confirmed by the city council, and of the order of the city council confirming the same, and of the objections filed by the appellant, as aforesaid, and of the notice of appeal, all certified by the city clerk to be true copies, within ten days after the taking of such appeal. If more than one appeal be taken in the same proceeding, it shall not be necessary that the city clerk in appeals subsequent to the first shall send up anything but a certified copy of the appellant's objections. There shall be no pleading on any appeal, but the court shall determine in the first instance whether there was in the proceedings any such irregularity or omission of duty prejudicial to the appellant and specified in his written objection that as to him the award or assessment of the appraisers ought not to stand, and whether the appraisers had jurisdiction to take action in the premises.

465.43 HEARING; APPRAISERS; AWARD; APPEAL TO SUPREME COURT.

The case may be brought on for hearing on eight days' notice, at any general or special term of the court, and the judgment of the court shall be to confirm or annul the proceedings, only so far as the proceedings affect the property of the appellant proposed to be taken or damaged or assessed, and described in the written objection. In case the amount of damages or benefits assessed is complained of by such appellant, the court shall, if the proceedings be confirmed in other respects, appoint three disinterested freeholders, residents of the county, appraisers, to reappraise the damages, and reassess benefits as to the property of appellant. The parties to such appeal shall be heard by the court upon the appointment of such appraisers, and the court shall fix the time and place of meeting of such appraisers, they shall be sworn to the faithful discharge of their duties as such appraisers, and shall proceed to view the premises and to hear the parties interested, with their allegations and proofs pertinent to the question of the amount of damages or benefits, and proceed in all other material respects as are provided in sections 465.26 to 465.48 for the government of appraisers appointed by the city council. They shall, after the hearing and view of the premises, make a report to the court of their award of damages and assessments of benefits in respect to the property of such appellant. The appellant shall, within five days of notice of filing the award, file his written election to remove the buildings if he so elect. Such election shall not affect his right to a review. The award shall be final unless set aside by the court. The motion to set aside shall be made within 15 days. In case such report is set aside, the court may, in its discretion, recommit the same to the same appraisers, or appoint new appraisers, as it shall deem best; the court shall allow to the appraisers a reasonable compensation for their services, and make such awards of costs on such appeal, including the compensation of such appraisers, as it shall deem just in the premises, and enforce the same by execution. In case the court shall be of the opinion that such appeal was frivolous or vexatious, it may adjudge double costs against such appellant. An appeal may be taken to the supreme court of the state from any final decision of the district court in the proceedings.

[1905 c 18 s 18] (1526)

465.44 TIME OF PAYMENT. In case of any appeal the time for making payment of awards shall be extended as to all tracts embraced in the proceeding to 60 days after final determination of all appeals.
