168B.01 PURPOSE. Abandoned motor vehicles constitute a hazard to the health and welfare of the people of the state in that such vehicles can harbor noxious diseases, furnish shelter and breeding places for vermin, and present physical dangers to the safety and well being of children and other citizens. Abandoned motor vehicles and other scrap metals also constitute a blight on the landscape of the state and therefore a detriment to the environment. The abandonment and retirement of motor vehicles and other scrap metals constitutes a waste of a valuable source of useful metal. It is therefore in the public interest that the present accumulation of abandoned motor vehicles and other scrap metals be eliminated, that future abandonment of motor vehicles and other scrap metals be prevented, that the expansion of existing scrap recycling facilities be developed and that other acceptable and economically useful methods for the disposal of abandoned motor vehicles and other forms of scrap metal be developed.

[1971 c 734 s 5; 1973 c 649 s 2]

168B.06 NOTICE. Subdivision 1. When an abandoned motor vehicle does not fall within the provisions of section 168B.05, the unit of government taking it into custody shall give notice of the taking within ten days. The notice shall (a) set forth the date and place of the taking, the year, make, model and serial number of the abandoned motor vehicle if such information can be reasonably obtained and the place where the vehicle is being held, (b) inform the owner and any lienholders of their right to reclaim the vehicle under section 168B.07, and (c) state that failure of the owner or lienholders to exercise their right to reclaim the vehicle and contents shall be deemed a waiver by them of all right, title, and interest in the vehicle and contents and a consent to the sale of the vehicle and contents at a public auction pursuant to section 168B.08.

Subd. 2. The notice shall be sent by mail to the registered owner, if any, of the abandoned motor vehicle and to all readily identifiable lienholders of record. If it is impossible to determine with reasonable certainty the identity and address of the registered owner and all lienholders, the notice shall be published once in a newspaper of general circulation in the area where the motor vehicle was abandoned. Published notices may be grouped together for convenience and economy.

A contract that does so conform may be approved by the agency. Where a contract has been approved, the agency may reimburse the unit of government for the costs incurred under the contract that have not been reimbursed under section 168B.08. Subd. 4. The agency may demand that a unit of government contract for the disposal of abandoned motor vehicles and other scrap metal pursuant to the agency's plan for solid waste disposal. Where the unit of government fails to so contract within 180 days of the demand, the agency, through the department of administration and on behalf of such unit of government, may contract with any person duly licensed by the agency for such disposal.

Subd. 5. The agency may reimburse the government entities of Indian reservations for the costs associated with the inventory, collection, storage and transportation of abandoned motor vehicles and abandoned scrap metal which are voluntarily surrendered by their owners or which are otherwise lawfully acquired by the Indian reservation. Such reimbursement may be made for only those costs, and under the same conditions, for which a unit of government may be reimbursed under subdivisions 1 and 3.
