## 137.31 UNIVERSITY OF MINNESOTA

Subd. 4. **Replacement contracts.** If a procurement contract designated for the set aside program cannot be awarded to a small business under the conditions prescribed in subdivisions 1 to 3, the award shall be placed in accordance with the regular procurement policies of the university. In this event, the university shall designate as a replacement a procurement contract of comparable value to be included in the university set aside program during that fiscal year if practicable.

Subd. 5. **Publicity.** The regents and the administration of the University of Minnesota shall publicize the provisions of the university small business set aside program, attempt to locate small businesses able to perform set aside procurement contracts, and encourage participation by small businesses in the University of Minnesota small business set aside program.

Subd. 6. **Annual report.** The University of Minnesota shall submit an annual report as provided in section 3.195, to the governor and the legislature, with a copy to the commissioner of economic development, indicating the progress being made toward the objectives and goals of this section. The report shall include the following information:

(a) The total dollar value and number of procurement contracts identified and set aside during this period and the percentage of total value of university procurements that this figure reflects;

(b) The number of small businesses identified by and responding to the university set aside program, the total dollar value and number of procurement contracts actually awarded to small businesses with appropriate designation as to the total number and value of procurement contracts awarded to each small business, and the total number of small businesses that were awarded procurement contracts;

(c) The total dollar value and number of procurement contracts awarded to small businesses owned and operated by economically or socially disadvantaged persons with appropriate designation as to the total number and value of procurement contracts awarded to each small business, and the percentages of the total value of university procurements the figures of total dollar value and the number of procurement contracts reflect; and

(d) The number of procurement contracts which were designated and set aside pursuant to this section but which were not awarded to a small business, the estimated total dollar value of these awards, the lowest offer or bid on each of these awards made by the small business and the price at which these contracts were awarded pursuant to regular procurement procedures.
