The authority may enter into an agreement with any county in which a project is to be situated, under which the increment of taxable value of property to be created by the project, over and above the taxable value of the project site as last finally determined before the project was undertaken, may be excluded from the taxable value of property on which the mill rate of taxes is computed in every subsequent year, for so long as may be agreed, but the aggregate mill rate of taxes levied by the county and all other taxing districts on other properties in each such year shall be spread also on the incremental taxable value of the project, and the tax resulting therefrom, when collected, shall be remitted to the authority, and may be pledged, together with charges or special assessments, to pay or guarantee the payment of its bonds, or may be used by the authority for the purposes stated in section 362A.01, subdivision 2.
