171.12 FILING.

Subdivision 1. **Licenses filed in alphabetical order.** The department shall file every application for a license received by it and shall maintain suitable indices containing, in alphabetical order:

- (1) All applications denied, and on each thereof the reason for such denial;
- (2) All applications granted; and
- (3) The name of every person whose license has been suspended or revoked by the department, and after each such name the reasons for such action.

Subd. 2. **Accident reports and abstracts of court records of conviction filed.** The department shall file all accident reports and abstracts of court records of convictions received by it under the laws of this state and its political subdivi-

sions, and in connection therewith maintain convenient records or make suitable notations in order that an individual record of each licensee showing the convictions of such licensee and the traffic accidents in which he has been involved shall be readily ascertainable and available for the consideration of the department upon any application for renewal of license and the revocation, suspension, or limitation of licenses. No record shall be maintained of a conviction of any Minnesota resident for an offense committed while operating a vehicle as a chauffeur in any other state or Canadian province unless such state or province is one with which Minnesota engages in reciprocal reporting of convictions.

Subd. 3. **Applications and records, when destroyed.** The department may cause the application for drivers' licenses and instruction permits, and records in connection therewith, to be destroyed immediately after the period for which issued, except that the driver's record pertaining to revocations, suspensions, convictions, and accidents shall be cumulative and kept for a period of at least five years.

171.13 EXAMINATION.

Subdivision 1. **Applicants.** Except as otherwise provided in this section, the commissioner shall examine each applicant for a driver's license by such agency as he directs. This examination shall include a test of applicant's eyesight; his ability to read and understand highway signs regulating, warning, and directing traffic; his knowledge of traffic laws; an actual demonstration of ability to exercise ordinary and reasonable control in the operation of a motor vehicle; and any other physical and mental examinations as the commissioner finds necessary to determine the applicant's fitness to operate a motor vehicle safely upon the highways, provided, further however, no driver's license shall be denied an applicant on the exclusive grounds that the applicant's eyesight is deficient in color perception. Provided, however, that war veterans operating motor vehicles especially equipped for handicapped persons, shall, if otherwise entitled to a license, be granted such license. The commissioner shall make provision for giving these examinations either in the county where the applicant resides or at a place adjacent thereto reasonably convenient to the applicant.

Subd. 2. **Examination upon renewal.** A driver's license shall be issued upon renewal when the applicant has passed an examination consisting of a screening of the applicant's eyesight. Screening of eyesight required by this subdivision shall not be construed as the practice of optometry as defined in section 148.56.

Subd. 3. **Examination of licensed driver.** The commissioner may require an examination by such agency as he directs of any licensed driver, to determine incompetency, physical or mental disability or disease, or any other condition which might affect the driver from exercising reasonable and ordinary control over a motor vehicle, but no examination shall be required only for the reason that any licensed driver has attained a certain age. If as a result of the examination the commissioner believes that the driver is an unsafe person to operate a motor vehicle upon the public highways, he may cancel the driver's license of the person. The commissioner shall give the person written notice of the cancellation.

Subd. 4. **Penalty; failure to submit to examination.** If a licensee does not submit to any examination required under the provisions of subdivision 3, the commissioner may cancel the driver's license of the licensee. If such license is canceled, the licensee shall immediately surrender to the department all driver's license certificates in his possession.

Subd. 5. **Fee for vehicle endorsement.** Any person applying to secure a motorcycle or school bus vehicle endorsement on his driver's license shall pay a \$2.50 examination fee at the place of application.

171.14 CANCELLATION.

The commissioner shall have authority to cancel any driver's license upon determination that the licensee was not entitled to the issuance thereof hereunder, or that the licensee failed to give the required or correct information in his application, or committed any fraud or deceit in making such application. The commissioner may also cancel the driver's license of any person who, at the time of the cancellation, would not have been entitled to receive a license under the provisions of section 171.04. Upon cancellation the licensee shall immediately surrender the license so canceled to the department.

171.15 NONRESIDENT'S DRIVING PRIVILEGE.

Subdivision 1. The privilege of driving a motor vehicle on the highways of this state given to a nonresident hereunder shall be subject to the suspension or revocation by the commissioner in like manner and for like cause as a driver's license issued hereunder may be suspended or revoked.

The commissioner is further authorized, upon receiving a record of conviction in this state of a nonresident driver of a motor vehicle of any offense under the motor vehicle laws of this state, to forward a certified copy of such record to the motor vehicle administrator in the state wherein the person so convicted is a resident.

Subd. 2. A nonresident's revoked or suspended driving privilege shall be reinstated automatically in the following circumstances:

(1) The nonresident's home state has, as a consequence of the acts leading to suspension or revocation of the nonresident's driving privilege, suspended or revoked the nonresident's driver's license; and

(2) The suspension period of the nonresident's driver's license has expired, or a new driver's license has been issued to the nonresident by the nonresident's home state.

For the purposes of this subdivision, the nonresident's "home state" means the state where the nonresident is a resident.

171.16 COURT MAY RECOMMEND SUSPENSION.

Subdivision 1. **Courts to report to commissioner.** Every court, including district, municipal, and justice of the peace courts, having jurisdiction over offenses committed under any law of this state or ordinance of a political subdivision regulating the operation of motor vehicles, shall forward to the department, within ten days, a record of the conviction of any person in the court for a violation of any such laws or ordinances, except parking violations and except defective vehicle equipment or vehicle size or weight violations committed by a licensed chauffeur while driving a vehicle for which a chauffeur's license is required.

Subd. 2. **Commissioner shall suspend.** The court may recommend the suspension of the driver's license of the person so convicted, and the commissioner shall suspend such license as recommended by the court, without a hearing as provided herein.

Subd. 3. **Suspension for failure to pay fine.** When any court reports to the commissioner that a person: (1) has been convicted of violating a law of this state or an ordinance of a political subdivision which regulates the operation or parking of motor vehicles, (2) has been sentenced to the payment of a fine only, and (3) has refused or failed to comply with that sentence notwithstanding the fact that the court has determined that the person has the ability to pay the fine, the commissioner shall suspend the driver's license of such person for 30 days for a refusal or failure to pay or until notified by the court that the fine has been paid.

Subd. 4. [Repealed, 1973 c 698 s 8]

Subd. 5. **Juvenile court.** When any judge of a juvenile court, or any of its duly authorized agents, shall determine formally or informally that any person under the age of 18 years has violated any of the provisions of any law of this state, or ordinances of political subdivisions thereof, regulating the operation of motor vehicles on streets and highways, except parking violations, such judge, or duly authorized agent, shall immediately report such determination to the department and may recommend the suspension of the driver's license of such person, and the commissioner is hereby authorized to suspend such license, without a hearing.

(5) Perjury or the making of a false affidavit or statement to the department under any law relating to the ownership or operation of a motor vehicle;

(6) Except as this section otherwise provides, conviction, plea of guilty, or forfeiture of bail not vacated, upon three charges of violating, within a period of 12 months any of the provisions of chapter 169, or of the rules, regulations, or municipal ordinances enacted in conformance therewith for which the accused may be punished upon conviction by imprisonment;

(7) Conviction of an offense in another state which, if committed in this state, would be grounds for the revocation of the driver's license.

When any judge of a juvenile court, or any of its duly authorized agents, shall determine, formally or informally, that any person under the age of 18 years has committed any offense defined in this section, such judge, or duly authorized agent, shall immediately report such determination to the department, and the commissioner shall immediately revoke the license of that person.

Upon revoking the license of any person, as hereinbefore in this chapter authorized, the department shall immediately notify the licensee, in writing, by

depositing in the United States post-office a notice addressed to the licensee at his last known address, with postage prepaid thereon.

171.18 SUSPENSION.

The commissioner shall have authority to and may suspend the license of any driver without preliminary hearing upon a showing by department records or other sufficient evidence that the licensee:

(1) Has committed an offense for which mandatory revocation of license is required upon conviction; or

(2) Has been convicted by a court of competent jurisdiction for violation of a provision of the highway traffic regulation act or an ordinance regulating traffic and where it appears from department records that the violation for which he was convicted contributed in causing an accident resulting in the death or personal injury of another, or serious property damage; or

(3) Is an habitually reckless or negligent driver of a motor vehicle; or

(4) Is an habitual violator of the traffic laws; or

(5) Is incompetent to drive a motor vehicle as determined and adjudged in a judicial proceeding; or

Provided, however, that any action taken by the commissioner under subparagraphs (2) and (5) shall conform to the recommendation of the court when made in connection with the prosecution of the licensee.

Upon suspending the license of any person, as hereinbefore in this section authorized, the department shall immediately notify the licensee, in writing, by depositing in the United States post office a notice addressed to the licensee at his last known address, with postage prepaid thereon, and the licensee's written request shall afford him an opportunity for a hearing within not to exceed 20 days after receipt of such request in the county wherein the licensee resides, unless the department and the licensee agree that such hearing may be held in some other county. Upon such hearing the commissioner, or his duly authorized agent, may administer oaths and issue subpoenas for the attendance of witnesses and the production of relevant books and papers, and may require a reexamination of the licensee. Upon such hearing the department shall either rescind its order of suspension or, good cause appearing therefor, may extend the suspension of such license or revoke such license. The department shall not suspend a license for a period of more than one year.

The petition shall be heard by the court without a jury and may be heard in or out of term. The commissioner may appear in person, or by his agents or representatives, and may present his evidence upon the hearing by affidavit by himself, his agents, or representatives. The petitioner may present his evidence by affidavit, except that the petitioner must be present in person at such hearing for the purpose of cross-examination. Upon demand for surrender of a license by the commissioner, the licensee shall immediately forward the license certificates to the department. If any person fails to return to the commissioner the license as provided herein, the commissioner shall forthwith direct any peace officer to serve the order of suspension or revocation of the driver's license and direct such person to surrender that license.

The commissioner may not require the licensee to complete such a course unless an approved driver improvement clinic is located within 35 miles of the licensee's residence. For purposes of this section "an approved driver improvement clinic" means a clinic whose curriculum and mode of instruction conform to standards promulgated by the commissioner.

In any case where a person's license has been suspended under section 171.18 or revoked under sections 169.121 or 171.17, if the driver's livelihood or attendance at a chemical dependency treatment or counseling program depends upon the use of his driver's license, the commissioner may at his own discretion and shall upon recommendation by the court excluding justices of the peace in which the driver was convicted, issue a limited license to the driver. The commissioner in issuing a limited license may impose such conditions and limitations as in his judgment are necessary to the interests of the public safety and welfare including re-examination as to the driver's qualifications. The license may be limited to the operation of particular vehicles, to particular classes and times of operation and to particular conditions of traffic.

The limited license issued by the commissioner shall clearly indicate the limitations imposed and the driver operating under the limited license shall have the license in his possession at all times when operating as a driver.

In determining whether to issue a limited license, the commissioner shall consider the number and the seriousness of prior convictions and the entire driving record of the driver and shall consider the number of miles driven by the driver annually.

Subd. 2. A limited license shall not be issued for a period of 60 days to an individual who has had his license or privilege revoked or suspended for commission of the following offenses:

The driver's license of any person who has been classified as legally blind shall be immediately cancelled.

Subd. 2. Any person who is notified that his driver's license may be cancelled because of a defect of visual acuity pursuant to the provisions of this section may demand and shall receive the standard visual acuity examination required of all driver's license applicants, or may be examined by a qualified physician of his choice.

Subd. 3. The results of any visual acuity examination administered because of information received pursuant to this section may be communicated by the commissioner to the department from which the person received a benefit. The information received by the commissioner pursuant to this section must not be divulged or otherwise made known in any manner except in connection with the cancellation of drivers' licenses, and then only to the person involved whose license is cancelled, and except for statistical purposes which do not reveal the identity of the individuals involved.
