3A.02 RETIREMENT ALLOWANCE.

Subdivision 1. **Qualifications.** Any former legislator:

(1) Who has served at least six full years, without regard to the application of section 3A.10, subdivision 2, or who has served during all or part of four

regular sessions as such member of the legislature, which service need not be continuous, but must have been after January 1, 1965 except as hereinafter provided; and

(2) Who attains the normal retirement age; and

(3) Who has retired as a member of the legislature; and

(4) Who has made all contributions provided for in sections 3A.01 to 3A.10, or who has made payments in lieu of all contributions provided for in sections 3A.01 to 3A.10 as provided for in subdivision 2; shall be entitled upon written application to the director to receive a retirement allowance monthly in an amount equal to five percent per year of service, not to exceed eight years of service, of that member's average monthly salary beginning with the first day of the month of receipt of such application and for the remainder of his life, provided he is not serving as a member of the legislature or as a constitutional officer or commissioner.

In addition to the amount provided above, the retired member who meets the qualifications of clauses (1), (2), (3) and (4) shall receive for every year of service over eight years a monthly allowance which equals two and one-half percent of the average monthly salary.

Notwithstanding clause (4), a member shall receive two and one-half percent of the average monthly salary for each year of service served after the beginning of the 1979 legislative session. Any member who has served during all or part of four regular sessions shall be deemed to have served eight years as a member of the legislature.

The retirement allowance shall cease with the last payment which had accrued to the retired legislator during his lifetime except that the surviving spouse, if any, shall be entitled to the retirement allowance for the calendar month in which the retired legislator died.

Effective for service rendered after the beginning of the 1981 legislative session, no member may accrue credit for more than 20 years service, nor shall member contributions thereafter be required for more than 20 years service.

For the purposes of this chapter the term salary shall not be deemed to include any additional payments provided by law for legislative leadership positions.

This subdivision is applicable to members of the legislature who terminate service after January 1, 1973, and to any widow or dependent child of any such member. Clauses (1) and (2) shall also be applicable to any former legislator who applies for a deferred annuity after June 5, 1975. Any former legislator who was in office on or after January 1, 1965, who had at least eight years of service but less than ten years of service as a member of the legislature, and who took a refund of his contributions, may upon application to the director repay to the director for credit to his account all refundments taken plus interest thereon at six percent per annum compounded annually. Upon repayment of the refundment, he shall then be entitled when otherwise qualified to a retirement allowance pursuant to subdivision 1, provided however that the retirement allowance shall be based on his salary at the time of his termination of service as a member of the legislature.

Subd. 1a. [Repealed, 1973 c 653 s 47]

Subd. 1b. **Reduced retirement allowance.** Upon separation from service after the beginning of the 1981 legislative session, a former member of the legislature who has attained the age of at least 60 years and who is otherwise qualified in accordance with subdivision 1 is entitled upon making written application on forms supplied by the director to a retirement allowance in an amount equal to the retirement allowance specified in subdivision 1 reduced by one-half of one

percent for each month that the former member of the legislature is under age 62.

Subd. 2. Payment for past service. Any member of the legislature who is a member on July 1, 1965 or thereafter, may, notwithstanding the provisions of subdivision 1, clause (1), receive credit for service rendered as a member of the legislature prior to July 1, 1965, and the pension based thereon provided that he pays to the director for credit to his account an amount equal to nine percent of all salary received by him for all periods of service rendered by him as a member of the legislature, even if such periods are not continuous and exceed ten years in duration. Such payment may be made at any time after the commencement of any regular session of the legislature of which he is a member.

Subd. 3. Appropriation. The amounts required for payment of retirement allowances provided by this section are appropriated annually to the director from the participation in the Minnesota post-retirement investment fund and shall be paid by him monthly to the recipients entitled thereto.

Subd. 4. Deferred annuities augmentation. The deferred annuity of any former legislator shall be augmented as provided herein. The required reserves applicable to the deferred annuity, determined as of the date the benefit begins to accrue using an appropriate mortality table and an interest assumption of five percent, shall be augmented from the first of the month following termination of service, or July 1, 1973, whichever is later, to the first day of the month in which the annuity begins to accrue, at the rate of five percent per annum compounded annually until January 1, 1981, and thereafter at the rate of three percent per annum compounded annually.

Subdivision 1. Percentage. Every member of the legislature shall contribute nine percent of his total salary, by payroll deduction, to be paid into the state treasury and deposited in the general fund. It shall be the duty of the director to record the periodic contributions of each member of the legislature and credit such contribution to the member's account.

Subd. 2. Refundment. (1) Any person who has made contributions pursuant to subdivision 1 who is no longer a member of the legislature and has less than eight years service as a member of the legislature and is not receiving, has not received, or is not entitled to receive any allowance or benefit under sections 3A.01 to 3A.10 is entitled to receive upon application to the director a refundment of all contributions credited to his account without interest thereon.

(2) The refundment of contributions as provided in clause (1) above terminates all rights of a former member of the legislature or his survivors under sections 3A.01 to 3A.10. Should the former member of the legislature again be a member of the legislature after having taken a refundment as provided above, he shall be considered a new member. However, such new member may reinstate the rights and credit for service forfeited, provided the new member repays all refundments taken plus interest thereon at six percent per annum compounded annually.

(3) No person shall be required to apply for or accept a refundment.

The augmentation provided in section 3A.02, subdivision 4, if applicable, shall be applied to the month of death. Upon the death of a former legislator receiving a retirement allowance, the surviving spouse shall be entitled to one-half of the amount of the allowance being paid to the legislator. Such benefit shall be paid during the lifetime of the surviving spouse, but shall cease and terminate upon the remarriage of the surviving spouse.
