402.062 PLANS.

Subdivision 1. The human services board, with the assistance of the advisory committee established in section 402.03, shall annually prepare a single plan and budget for the development, implementation, coordination and operation of services delivered or funded by the human services board. The plan shall be in a format developed by rule of the commissioner of energy, planning and development. Each affected state agency shall accept the plan of the human services board in lieu of separate plan requirements for individual programs. To support the development of the budget and to provide standardized information to affected state agencies, each human services board shall adopt a standard chart of accounts to be developed by rule by the commissioner of public welfare with the approval of the commissioners of health and corrections.
