(b) A candidate for a nonpartisan office, for which one or two candidates filed, dies or withdraws after the last day for filing for that office.

Subd. 2. **Partisan office; nomination by party committee.** A vacancy in nomination of a major political party may be filled by filing a nomination certificate not later than four days before the general election with the same official who received the affidavits of candidacy for that office.

The nomination certificate shall be prepared under the direction of and executed by the chairman and secretary of the proper committee of that political party. The chairman and secretary when filing the certificate shall attach an affidavit stating that the newly nominated candidate has been selected by that committee and that the individuals signing the certificate and making the affidavit are the chairman and secretary of the committee.

Subd. 3. **Partisan office; nomination of next highest candidate.** If there is no committee to fill a vacancy in nomination of a major political party as provided in subdivision 2, the vacancy shall be filled by the candidate who received the next highest number of votes at the primary for that office among candidates of that party. If a vacancy in nomination occurs in a nonpartisan office, the unnominated candidate who received the next highest number of votes at the primary for the office shall fill the vacancy.

Subd. 4. **Partisan or nonpartisan office; filling vacancy by nominating petitions.** If a vacancy in nomination cannot be filled pursuant to subdivision 2 or 3, the vacancy may be filled by nominating petition in the manner provided in sections 204B.06 to 204B.09. The petition shall be filed within one week after the vacancy in nomination occurs, but not later than four calendar days before the election.

204B.14 ELECTION PRECINCTS.

Subdivision 1. **Boundaries.** The governing body of each municipality shall establish the boundaries of the election precincts in the municipality. The governing body of a county shall establish the boundaries of precincts in unorganized territory in the county. Except as provided in subdivision 3, a governing body may change the boundaries of any election precinct which it has established.

Subd. 2. **Separate precincts; requirements.** The following shall constitute at least one election precinct:

(a) Each city ward; and

(b) Each town and each statutory city, unless a town and statutory city are combined for election purposes. Notwithstanding any law to the contrary, each town and each statutory city located within the metropolitan area as defined in section 473.121, subdivision 2 shall constitute at least one election precinct.

Subd. 3. **Boundary changes; prohibitions; exception.** During the period from January 1 in any year ending in seven to January 1 in any year ending in two, no changes may be made in the boundaries of any election precinct except as provided in this subdivision. If a city annexes an unincorporated area located in the same county as the city and adjacent to the corporate boundary, the annexed area may be included in an election precinct immediately adjacent to it.

A municipality or county may establish new election precincts lying entirely within the boundaries of any existing precinct and shall assign names to the new precincts which include the name of the former precinct.

During a year ending in one, the council of each home rule charter city which elects councilmen by wards and which has a city election in the year ending in one or which has a general city election before March 15 in a year ending in two may change precinct boundaries for the purpose of reapportioning wards. As soon as possible after legislative apportionment, and prior to the next election, cities shall rearrange the precincts so that no precinct lies in more than one legislative district.

Subd. 4. **Boundary change procedure.** Any change in the boundary of an election precinct shall be adopted at least 90 days before the date of the next election, and shall not take effect until notice of the change has been posted in the office of the municipal clerk or county auditor for at least 60 days. The municipal clerk or county auditor shall notify each affected registered voter of the change in election precinct boundaries at least 30 days prior to the first election held after the change takes effect.

Subd. 5. **Precinct boundaries; description; maps.** Each municipal clerk shall prepare and file with the county auditor of each county in which the municipality is located, with the secretary of state and with the commissioner of energy, planning and development maps showing the correct boundaries of each election precinct in the municipality. At least 30 days before any change in an election precinct or in a corporate boundary becomes effective, the municipal clerk

shall prepare maps showing the new boundaries of the precincts and shall forward copies of these maps to the secretary of state, the appropriate county auditors and the commissioner of energy, planning and development. The clerk shall retain copies of the precinct maps for public inspection. The county auditor shall prepare and file precinct boundary maps for precincts in unorganized territories in the same manner as provided for precincts in municipalities. For every election held in the municipality the election judges shall be furnished precinct maps as provided in section 201.061, subdivision 6.

Subd. 6. **Precinct boundaries to follow physical features.** The boundaries of election precincts shall follow visible, clearly recognizable physical features. If it is not possible to establish the boundary between any two adjacent precincts along such features, the boundary around the two precincts combined shall be established to comply with the provisions of this subdivision. The maps required by subdivision 5 shall clearly indicate which boundaries do not follow visible, clearly recognizable physical features.

For the purposes of this subdivision, "visible, clearly recognizable physical feature" means a street, road, boulevard, parkway, river, stream, shoreline, drainage ditch, railway right-of-way, or any other line which is clearly visible from the ground. A street or other roadway which has been platted but not graded is not a visible, clearly recognizable physical feature for the purposes of this subdivision.

Subd. 7. **Application to municipalities.** Notwithstanding the provisions of section 410.21, or any other law, ordinance or charter to the contrary, the provisions of subdivisions 1, 3 and 6 apply to all municipalities.

The polling place for a precinct in a municipality shall be located within the boundaries of the precinct or within 1500 feet of one of those boundaries unless a single polling place is designated for a city pursuant to subdivision 2. The polling place for a precinct in unorganized territory may be located outside the precinct at a place which is convenient to the voters of the precinct.

Subd. 2. **Single polling place permitted.** The governing body of any city of the third or fourth class having more than one precinct or of any city with territory in more than one county may by ordinance or resolution designate a single, centrally located polling place where all the voters of the city shall cast their ballots. A single board of election judges may be appointed to serve at this polling place. The number of election judges appointed shall be determined by considering the number of voters in the entire city as if they were voters in a single precinct. Separate ballot boxes shall be provided and separate returns made for each precinct in the city.

Subd. 3. **Designation effective until changed.** The designation of a polling place pursuant to this section shall remain effective until a different polling place is designated for that precinct. No designation of a new or different polling place shall become effective less than 30 days prior to an election.

Subd. 4. **Prohibited locations.** No polling place shall be designated in any place where intoxicating liquors or non-intoxicating malt beverages are served or in any adjoining room. No polling place shall be designated in any place in which substantial compliance with the requirements of this chapter cannot be attained.

(a) At least one set of doors shall have a minimum width of 31 inches if the doors must be used to enter or leave the polling place.

(b) Any curb adjacent to the main entrance to a polling place shall have curb cuts or temporary ramps.

(c) At least one set of stairs shall have a temporary handrail and ramp if stairs must be used to enter or leave the polling place.

(d) No barrier in the polling place shall impede the path of the physically handicapped to the voting booth.

A governing body shall designate as polling places only those places which meet the standards prescribed in this subdivision unless no available place within a precinct can be made accessible.

History: 1981 c 29 art 4 s 16

204B.17 CHANGE OF POLLING PLACE BY ELECTION JUDGES.

When a designated polling place does not comply with the requirements of this chapter the election judges of that precinct, on or before the opening of the polls on election day and upon approval by the municipal clerk in municipalities or the county auditor in unorganized territory, shall procure a polling place which is as near the designated polling place as possible and which does comply with those requirements.

When a new polling place is procured by the election judges, they shall meet on election day at the original polling place where they shall fill any vacancies in their number, publicly announce the change in polling place to the voters who are present and post a notice of the change in a conspicuous place. Upon completing these duties the election judges shall adjourn to the new polling place, where they shall post a similar notice of the change in polling place. The election judges shall certify to the appropriate governing body the expenses incurred because of the change. These expenses shall be paid as part of the expenses of the election.

204B.18 POLLING PLACES; EQUIPMENT.

The booth shall be provided with a door or curtain and shall be constructed so that a voter is free from observation while marking ballots. During the hours of voting, the booths shall be provided with instructions, a pencil, and other supplies needed to mark the ballots. All ballot boxes, voting booths and election judges shall be in open public view in the polling place.

Subd. 2. **Ballot boxes.** Each polling place shall be provided with one ballot box for each kind of ballot to be cast at the election. The boxes shall be substantially the same color as the ballots to be deposited in them. Each box shall be of sufficient size and shall have a sufficient opening to receive and contain all the ballots likely to be deposited in it.

History: 1981 c 29 art 4 s 18

204B.19 ELECTION JUDGES; QUALIFICATIONS.

Subdivision 1. **Individuals qualified to be election judges.** Any individual who is eligible to vote in an election precinct is qualified to be appointed as an election judge for that precinct subject to the provisions of this section. If an insufficient number of eligible voters maintaining residence in any precinct are willing and qualified to be appointed election judges for that precinct, the appointing authority may appoint as an election judge for that precinct any qualified individual who is eligible to vote in the territory under the jurisdiction of the authority which established the precinct.

Subd. 2. **Individuals not qualified to be election judges.** No individual shall be appointed as an election judge for any precinct if that individual:

- (a) Any town clerk, town treasurer or member of a town board; and
- (b) Any city clerk or member of the city council of any statutory city.

Subd. 4. **Additional qualifications permitted; examination.** The appointing authority may establish additional qualifications which are not inconsistent with the provisions of this section and which relate to the ability of an individual to perform the duties of an election judge. The appointing authority may examine any individual who seeks appointment as an election judge to determine whether the individual meets any qualification established under this section.
