270.07 POWER TO ABATE.

Subdivision 1. The commissioner of revenue shall prescribe the form of all blanks and books required under this chapter. He shall hear and determine all matters of grievance relating to taxation. Except as otherwise provided by law, he shall have power to grant such reduction or abatement of assessed valuations or taxes and of any costs, penalties or interest thereon as he may deem just and equitable, and to order the refundment, in whole or in part, of any taxes, costs, penalties or interest thereon which have been erroneously or unjustly paid. Application therefor shall be submitted with a statement of facts in the case and the favorable recommendation of the county board or of the board of abatement of any city where any such board exists, and the county auditor of the county wherein such tax was levied or paid. In the case of gross earnings taxes the

application may be made directly to the commissioner without the favorable action of the county board and county auditor, and the commissioner shall direct that any gross earnings taxes which may have been erroneously or unjustly paid shall be applied against unpaid taxes due from the applicant for such refundment. No reduction, abatement, or refundment of any special assessments made or levied by any municipality for local improvements shall be made unless it is also approved by the board of review or similar taxing authority of such municipality. The commissioner may refer any question that may arise in reference to the true construction of this chapter to the attorney general, and his decision thereon shall be in force and effect until annulled by the judgment of a court of competent jurisdiction. The commissioner shall forward to the county auditor a copy of the order by him made in all cases in which the approval of the county board is required. The commissioner may by written order abate, reduce, or refund any penalty or interest imposed by any law relating to taxation, if in his opinion the failure to timely pay the tax or failure to timely file the return is due to reasonable cause. Such order shall, in the case of real and personal property taxes, be made only on application and approval as provided in this section; in the case of all other taxes, such order shall be made on application of the taxpayer to the commissioner and, if the order is for an abatement, reduction or refund of over \$5,000, it shall be valid only if approved in writing by the attorney general.

An appeal may not be taken to the tax court from any order of the commissioner of revenue made in the exercise of the discretionary authority granted to him in this subdivision in response to a taxpayer's application for an abatement, reduction or refund of taxes, assessed valuations, costs, penalties or interest.

Subd. 1a. The commissioner shall examine all applications submitted to him by a county board pursuant to section 375.192, subdivision 3. If the applicant has previously submitted a claim for property tax relief pursuant to chapter 290A based on the property taxes payable prior to receiving the abatement, the commissioner may approve the application in an amount reduced by the relief provided pursuant to chapter 290A.

An appeal may be taken to the tax court from an order of the commissioner made pursuant to this subdivision.

Subd. 2. The commissioner of revenue, on application of the county auditor with the approval of the county board, may order the correction of any administrative and clerical errors in the assessment, levy and extension of ad valorem taxes other than valuation.

Subd. 3. Notwithstanding any other provision of law the commissioner of revenue may,

(a) based upon the administrative costs of processing, determine minimum standards for the determination of additional tax for which an order shall be issued, and

(b) based upon collection costs as compared to the amount of tax involved, determine minimum standards of collection, and

(c) based upon the administrative costs of processing, determine the minimum amount of refunds for which an order shall be issued and refund made where no claim therefor has been filed, and

(d) may cancel any amounts below these minimum standards determined under (a) and (b) hereof.

Subd. 4. If the commissioner of revenue receives a remittance erroneously made payable to him and he had knowledge that the proper payee is a state or local official of this state, he may endorse such remittance to the proper state or local official. The commissioner of revenue is also authorized to return a remittance if the records indicate that it has been erroneously submitted.

Subd. 5. Notwithstanding any other provision of law to the contrary, in the case of an overpayment of any tax collected by the commissioner of revenue, the commissioner may credit the amount of such overpayment against any uncontested delinquent tax liability on the part of the taxpayer who made the overpayment. An overpayment may be credited under this subdivision only if the uncontested delinquent liability has been assessed within ten years of the date on which the overpayment is credited. However, this limitation shall not be applicable if the delinquent liability has been entered into judgment or if legal action is pending for collection of the liability or for renewal of the judgment. An amount paid as tax shall constitute an overpayment even if in fact there was no tax liability with respect to which such amount was paid.

(3) 33 1/3 percent of the percentage which the number of revenue ton miles of passengers, mail, express and freight flown by the airline company within this state during the preceding calendar year is of the total number of such miles flown by it within and without this state during the preceding calendar year.

Subd. 2. The method prescribed by subdivision 1 shall be presumed to determine fairly and correctly the value of the flight property of an airline allocable to this state. Any airline aggrieved by the valuation of the flight property or the application to its case of the apportionment methods prescribed by subdivision 1, may petition the commissioner for determination of the valuation or the apportionment thereof to this state by the use of some other method. Thereupon, if the commissioner finds that the application of the methods prescribed by subdivision 1 will be unjust to the airline, he may allow the use of the methods so petitioned for by the airline, or may determine the valuation or apportionment thereof by other methods if satisfied that such other methods will fairly reflect such valuation or apportionment thereof.

Subd. 3. The flight property of every airline company shall be assessed at 33 1/3 percent of the value thereof apportioned to this state under subdivision 1.

Subd. 2. In case of appeal from the assessment and levy of the tax, the airline company shall currently pay when due that portion of the tax which is admitted to be due. If the final determination of the litigation should result in sustaining the assessment and levy or in the finding that the amount paid by the airline company is insufficient, the difference between the amount paid and the amount which should have been paid shall be decreed delinquent taxes subject to interest, as hereinabove provided. If the final determination of the tax court or the supreme court shall result in increasing any assessment above that which was made final by the order of the commissioner from which the appeal is taken, then the taxes on such increased assessment shall be delinquent 30 days after notice of the amount of the increased tax shall have been given to the airline company by the commissioner.

270.11 POWERS; MEETINGS.

Subdivision 1. To act as state board of equalization. The commissioner of revenue shall have and exercise all the rights, powers and authority by law vested in the state board of equalization, which board of equalization is hereby continued, with full power and authority to review, modify, and revise all of the acts and proceedings of the commissioner in so far as they relate to the equalization and valuation of property assessed for taxation, as prescribed by section 270.12, which state board of equalization shall meet on August 15 of each year during its existence.

Subd. 2. County assessor's reports of assessment filed with commissioner. The commissioner of revenue may require the assessor of each county in the state to file with him, on or before August 1, each year, complete abstracts of all real and personal property in the county, as equalized by the county board of equalization, and itemized by assessment districts, accompanied by a printed or typewritten copy of the proceedings of the county board of equalization, and it shall be the duty of the county assessor to so report to the commissioner of revenue.

The final abstract of assessments after adjustments by the state board of equalization and inclusion of any omitted property shall be submitted to the commissioner of revenue on or before January 1 of each calendar year.

Subd. 3. Special assessors, deputies; reassessments. The commissioner of revenue shall appoint a special assessor and deputies under him and cause to be made, in any year, a reassessment of all or any real and personal property, or either, in any assessment district, when in his judgment such reassessment is desirable or necessary, to the end that any and all property in such district shall be assessed equitably as compared with like property in the county wherein such district is situated.

Subd. 4. **Omitted property.** The commissioner of revenue shall require the county auditor to carefully place upon the assessment rolls omitted property which may be discovered to have escaped assessment and taxation in previous years.

Subd. 5. **Examination of complaints; proceedings.** The commissioner of revenue shall receive complaints and carefully examine into all cases where it is alleged that property subject to taxation has not been assessed or has been fraudulently or for any reason improperly or unequally assessed, or the law in any manner evaded or violated, and cause to be instituted such proceedings as will remedy improper or negligent administration of the taxing of the state.

Subd. 6. **Change of assessed valuations.** The commissioner of revenue shall raise or lower the assessed valuation of any real or personal property, including the power to raise or lower the assessed valuation of the real or personal property of any individual, copartnership, company, association, or corporation; provided, that before any such assessment against the property of any individual, copartnership, company, association, or corporation is so raised, notice of his intention to raise such assessed valuation and of the time and place at which a hearing thereon will be held shall be given to such person, by mail, addressed to him at his place of residence as the same appears upon the assessment book, at least five days before the day of such hearing.

All relevant and material evidence concerning the assessed valuation of the real or personal property shall be submitted at the hearing, and the hearing shall not be a "contested case" within the meaning of section 14.02, subdivision 3. The person notified of the hearing, or any other person having an interest in the property, may present evidence and argument bearing upon the assessed valuation of the property.

Subd. 7. **Appearances before the commissioner.** A property owner, other than a public utility, mining company or the metropolitan airport commission for which the original assessments are determined by the commissioner of revenue, may not appear before the commissioner for the purposes provided in subdivisions 5 or 6 unless a timely appearance in person, by counsel, or by written communication has been made before the county board of equalization as provided in section 274.13, to appeal the assessment of the property, or that he can establish that he did not receive notice of his market value at least five days before the local board of review meeting.

270.12 STATE BOARD OF EQUALIZATION; DUTIES.

Subdivision 1. The commissioner of revenue shall constitute the state board of equalization. The board may adjourn from day to day and employ necessary clerical assistance.

Subd. 2. The board shall meet annually on August 15 at the office of the commissioner of revenue and examine and compare the returns of the assessment of the property in the several counties, and equalize the same so that all the taxable property in the state shall be assessed at its market value, subject to the following rules:

(1) The board shall add to the aggregate valuation of the real property of every county, which the board believes to be valued below its market value in money, such percent as will bring the same to its market value in money;

(2) The board shall deduct from the aggregate valuation of the real property of every county, which the board believes to be valued above its market value in money, such percent as will reduce the same to its market value in money;

(3) If the board believes the valuation of the real property of any town or district in any county, or the valuation of the real property of any county not in towns or cities, should be raised or reduced, without raising or reducing the other real property of such county, or without raising or reducing it in the same ratio, the board may add to, or take from, the valuation of any one or more of such towns or cities, or of the property not in towns or cities, such percent as the board believes will raise or reduce the same to its market value in money;

(4) The board shall add to the aggregate valuation of any class of personal property of any county, town, or city, which the board believes to be valued below the market value thereof, such percent as will raise the same to its market value in money;

(5) The board shall take from the aggregate valuation of any class of personal property in any county, town or city, which the board believes to be valued above the market value thereof, such percent as will reduce the same to its market value in money;

(6) The board shall not reduce the aggregate valuation of all the property of the state, as returned by the several county auditors, more than one percent on the whole valuation thereof; and

(7) When it would be of assistance in equalizing values the board may require any county auditor to furnish statements showing assessments of real and personal property of any individuals, firms, or corporations within the county. The board shall consider and equalize such assessments and may increase the assessment of individuals, firms, or corporations above the amount returned by the county board of equalization when it shall appear to be undervalued, first giving notice to such persons of the intention of the board so to do, which notice shall fix a time and place of hearing. The board shall not decrease any such assessment below the valuation placed by the county board of equalization.

Subd. 3. For taxes levied in 1980 and 1981, when a taxing jurisdiction lies in two or more counties, and the sales ratio studies prepared by the department of revenue show that the average level of assessment in the several portions of the district in the different counties differs by more than 20 percent, the board shall order that the levy of the taxing jurisdiction be apportioned among the portions in the different counties in the same proportion as the adjusted assessed value as determined by the equalization aid review committee in each portion is to the total adjusted assessed value, as determined by the equalization aid review committee, of the taxing jurisdiction; if the studies show that the level differs by more than five percent, the board may order the apportionment of the levy. For taxes levied in 1982 and thereafter, if the studies show that the level differs by more than five percent, the board shall order the apportionment of the levy.

For the purposes of this section, the average level of assessment in a taxing jurisdiction or portion thereof shall be the aggregate assessment sales ratio. Assessed values as determined by the equalization aid review committee shall be the values as determined for the year preceding the year in which the levy to be apportioned is levied.

Actions pursuant to this subdivision shall be commenced subsequent to the annual meeting on August 15 of the state board of equalization, but notice of the action shall be given to the affected jurisdiction and the appropriate county auditors by the following November 15.

Apportionment of a levy pursuant to this subdivision shall be considered as a remedy to be taken after equalization pursuant to subdivision 2, and when equalization within the jurisdiction would disturb equalization within other jurisdictions of which the several portions of the jurisdiction in question are a part.

270.13 RECORD OF PROCEEDINGS CHANGING ASSESSED VALUATION; DUTIES OF COUNTY AUDITOR.

A record of all proceedings of the commissioner of revenue affecting any change in the assessed valuation of any property, as revised by the state board of equalization, shall be kept by the commissioner of revenue and a copy thereof, duly certified, shall be mailed each year to the auditor of each county wherein such property is situated, on or before November 15 or 30 days after submission of the abstract required by section 270.11, subdivision 2, whichever is later. The county auditor shall add to or deduct from such tract or lot, or portion thereof, of any real property in his county the required percent or amount, or both, on the valuation thereof as it stood after equalized by the county board, adding in each case a fractional sum of 50 cents or more, and deducting in each case any fractional sum of less than 50 cents, so that no valuation of any separate tract or lot shall contain any fraction of a dollar; and add to, or deduct from, the several classes of personal property in his county the required percent or amount, or both, on the valuation thereof as it stood after equalized by the county board, adding or deducting in manner aforesaid any fractional sum so that no valuation of any separate class of personal property shall contain a fraction of a dollar, and add to or deduct from assessments of individuals, copartnerships, associations, or corporations, as they stood after equalization by the county board, the required amounts to agree with the assessments as returned by the commissioner of revenue.

270.16 PROPERTY OMITTED OR UNDERVALUED; REASSESSMENT.

Subdivision 1. When it shall be made to appear to the commissioner of revenue, by complaint or by the finding of a court or of the legislature, or either body of the legislature, or any committee of the legislature, or any city council or county board, that any considerable amount of property has been improperly

omitted from the tax list or assessment roll of any district or county for any year, or, if assessed, that the same has been undervalued or overvalued, as compared with like property in the same county or in the state so that the assessment for such year in such district or county is grossly unfair and inequitable, whether or not the same has been equalized by the county board of equalization or the commissioner of revenue, the commissioner of revenue shall examine into the facts in the matter and, if satisfied therefrom that it would be for the best interests of the state that a reassessment of such property be made, he shall appoint a special assessor and such deputy assessors as may be necessary and cause a reassessment to be made of all or any of the real and personal property, or either, in any such district or county as he may deem best, to the end that all property in such district or county shall be assessed equitably as compared with like property in such district or county.

Subd. 2. When an assessor has failed to properly appraise at least one-quarter of the parcels of property in a district or county as provided in section 273.01, the commissioner of revenue shall appoint a special assessor and deputy assessor as necessary and cause a reappraisal to be made of the property due for reassessment in accordance with law.

270.17 QUALIFICATION OF ASSESSORS; REASSESSMENT, HOW MADE.

Every special assessor and deputy appointed under the provisions of section 270.16 shall subscribe and file with the commissioner of revenue his oath to faithfully and fairly perform the duties of his office. Such special assessor, assisted by his deputies, shall thereupon proceed to carefully examine and reassess the property so to be reassessed and prepare duplicate lists of such reassessment in such form as the commissioner of revenue may prescribe, showing the property or person so reassessed, the amount of the original assessment thereof made in such year, and opposite the same the reassessment so made by such special assessor. He shall file both copies of such list with the commissioner of revenue; and the commissioner of revenue shall thereupon examine, equalize, and correct such reassessment so as to substantially conform with the assessment of like property throughout the state and transmit to the auditor of the county wherein such reassessment was so made one copy of such reassessment by him so corrected and equalized. Such list shall for all purposes supersede and be in place of the original assessment made for such year upon such property and the county auditor, upon receipt thereof, shall extend and levy against such property so reassessed the taxes thereon for such year according to such reassessment in the same manner as though such list was the original assessment list of such property. Any person feeling himself aggrieved by an assessment so made against him, or upon any property at that time owned by him, may appeal therefrom to the district court of the county in which such assessment is made. To render the appeal effective for any purpose, the appellant shall file a notice of the appeal with the auditor of such county within 30 days after the making of the assessment, which notice shall specify the ground upon which the appeal was taken, and no other or different service shall be required to perfect it. Upon the filing of the notice the county auditor shall make and file in the office of the clerk of the district court a certified copy of the notice and of the particular assessment appealed from and notify the county attorney of such county of the pendency of the appeal. Thereupon the district court shall be deemed to have acquired jurisdiction of the matter and proceed to hear and determine it in like manner as other tax matters are tried and determined in the district courts of this state. The county attorney of such county shall appear for and defend the interests of the state in such matter.

Any city, town, school district, or county (all of which governmental subdivisions shall be embraced in the word "municipality" as used hereinafter) may appear at and become a party to any proceedings before the commissioner of revenue held for the purpose of equalizing or assessing any real or personal property in such municipality, or reducing the assessed valuation of any such property. For that purpose any such municipality may employ counsel and disburse money for other expenses in connection with such proceedings, on duly itemized, verified claims, which shall be audited and allowed as now provided by law for the allowance of claims against a municipality. It shall be the duty of the commissioner of revenue, at the time of such hearing, to grant the municipality, at its request, such further reasonable time as may be necessary for such municipality to prepare for further hearing. Before granting any reduction in assessed valuation exceeding \$50,000, it shall be the duty of the commissioner of revenue, when any taxpayer or property owner has applied for a reduction of the assessed valuation of any real or personal property in an amount exceeding \$50,000, to give written notice to the officials of the municipality wherein such property is located and to permit such municipality to have reasonable opportunity to be heard at any proceedings concerning such reduction.

270.20 HEARINGS, REQUEST FOR, NOTICE OF, PREPARATION FOR.

Any such municipality may, at any time within ten days after the final adjournment of the county board of equalization of the county in which such municipality is located or within ten days after the filing with the auditor of such

county of any order of the commissioner of revenue reducing the assessed valuation of any property in such municipality, file a written request with the commissioner of revenue for a hearing upon the equalization or assessment of any property within such municipality, specifying the property and the name and address of the owner thereof, as they appear from the assessment books. The commissioner of revenue shall thereupon order a hearing thereon and mail a notice stating the time and place of such hearing to the municipality and to the owner of such property. It shall be the duty of the commissioner of revenue, at the time of such hearing, to grant the municipality, at its request, such further reasonable time as may be necessary for such municipality to prepare for further hearing.

History: 1931 c 304 s 2; 1973 c 582 s 3 (2372-2)

270.21 WITNESSES SUMMONED.

Upon any such hearing the commissioner of revenue shall, upon the request of such municipality or any party to such proceedings, issue subpoenas and summon witnesses to appear and give testimony, and to produce books, records, papers, and documents. For the purpose of preparing for and participating in such hearing the municipality shall have access to, and use of, all the data, records, and files of the commissioner of revenue pertaining to the property in question. Upon demand of any party a record shall be kept by the commissioner of revenue of all evidence offered or received upon such hearing, the cost thereof to be paid by the party making such demand.

History: 1931 c 304 s 3; 1973 c 582 s 3 (2372-3)

270.22 FINDINGS OF FACT.

The commissioner of revenue shall determine the controversy upon the evidence produced at such hearing and shall make and file written findings of fact and his order determining the controversy. In the equalization and determination of valuations, the findings and values as given by the assessor of the local assessment district shall be considered as prima facie correct. Copies of such order and findings shall be mailed to all parties appearing at such hearing, and to the auditor of the county in which the property is located. Any municipality which has appeared in such proceedings, and which is aggrieved by the order of the commissioner of revenue reducing the assessed valuation of any such property, or failing to increase such assessed valuation, may have the order of the commissioner of revenue reviewed by appeal to the supreme court, on either of the following grounds: (a) that the determination of the commissioner of revenue was not in accordance with the laws relating to the assessment of property, or that the commissioner of revenue committed any other error of law; (b) that the findings of fact and determination of value were unwarranted by or were contrary to the weight of the evidence.

Any owner of property who has appeared in such proceedings and who is aggrieved by the order of the commissioner of revenue raising the assessed valuation of any such property, or failing to reduce such assessed valuation, may have the order of the commissioner of revenue reviewed on appeal to the supreme court in like manner and upon the same grounds as hereinabove provided for review on the appeal of any municipality, as hereinafter provided.

History: 1931 c 304 s 4; 1973 c 582 s 3 (2372-4)

270.23 NOTICE OF APPEAL.

To secure such review, the municipality shall, within 30 days after mailing of notice of such determination by the commissioner of revenue, serve upon the

commissioner of revenue a notice of appeal to the supreme court from the order of the commissioner of revenue and file the original thereof, with proof of service, with the clerk of the supreme court, paying the filing fee provided by law for appeals in civil actions. The filing of such notice of appeal shall vest the supreme court with jurisdiction thereof and such appeal shall be heard and disposed of as in the case of appeals from civil actions from the district court. Records and briefs shall be served and filed as provided by law or rule of court in such appeals.

The supreme court shall reverse or affirm the order of the commissioner of revenue or remand the cause to the commissioner of revenue for a new hearing or further proceedings or for other disposition thereof, with such directions as the court may deem proper.

270.24 APPEAL NOT TO STAY COLLECTION.

The institution of any such appeal from the order of the commissioner of revenue shall not operate to stay in any way proceedings for the assessment or collection of taxes against the property involved therein. Notwithstanding such appeal, the commissioner of revenue shall file with the auditor of the county in which such property is situated his order confirming, increasing, decreasing, or determining the assessed value thereof, and the county auditor shall extend and levy against such property, or the owner thereof, the taxes thereupon for such year according to such assessment, and all subsequent proceedings for the determination of the taxes and the collection thereof shall be taken as if no appeal from such order were pending. When the matter is finally determined on review a properly authenticated copy of the findings, order, or judgment shall be filed with the auditor of the county in which the land or property referred to in the proceedings is situated. If such order or judgment lowers the taxable valuation of the land or property referred to in the proceedings, the commissioner of revenue, upon petition of the owner, approved by the county board, shall abate so much of the taxes against such property as is attributable to the excessive valuation thereof. If such tax has been paid, the county auditor, upon petition of the owner, approved by the county board and the commissioner of revenue, shall refund so much of such payment as is attributable to such excess valuation. Upon such refund being made the county auditor shall charge the same to the state and the various governmental subdivisions thereof that participated in such excessive payment, in proportion to their respective shares therein, and deduct the same in the next tax apportionment.

History: 1931 c 304 s 7; 1973 c 582 s 3 (2372-7)

270.25 SHALL BE EXTENDED AS ADDITIONAL TAXES.

If such final order and judgment result in raising the valuation of the property affected by the proceedings, the county officers shall, for the next ensuing year, in addition to the regular taxes levied for such ensuing year, levy, extend, and spread against such property, if real property, or against the owner thereof, if personal property, a tax equal to the difference between the taxes actually levied and extended against such property, or owner, for the year in question and the taxes which should have been levied or extended against such property, or owner, at the increased valuation as finally determined.

History: 1931 c 304 s 8 (2372-8)

270.26 PROCEEDINGS TO DETERMINE ASSESSED VALUATION.

The proceedings provided hereby are for the purpose of determining the assessed valuation upon the basis of which taxes are spread against property, or

the owner thereof, in the first instance. The order of the commissioner of revenue, or the final order for judgment of the supreme court thereon, shall not be a bar to any defense against such taxes interposed at the time of the proceedings for judgment thereon, and all defenses which may be set up against the proceedings for judgment upon such taxes under existing laws may be asserted notwithstanding the determination of the commissioner of revenue or the supreme court hereunder. In the event that taxes are levied or extended pending review of the order of the commissioner of revenue by the supreme court, as hereinbefore provided, a judgment entered upon such taxes in the tax delinquency proceedings shall not be a bar to the spreading of further taxes against such property for such year, in the event the assessed valuation of such property is raised as herein provided. In the proceedings for the collection of any taxes which include an additional levy because of the raising of the assessed valuation of any property hereunder the owner may answer separately to the proceedings to obtain judgment for such excess levy.

History: 1931 c 304 s 9; 1973 c 582 s 3 (2372-9)

270.27 DUE DATE ON SATURDAY, SUNDAY OR HOLIDAY.

When the last day prescribed by law for the payment of any tax to or the filing of any return, statement or document with the commissioner of revenue or the department of revenue falls on Saturday, Sunday or a legal holiday, the performance of such act shall be considered timely if it is performed on the next succeeding day which is not a Saturday, Sunday or legal holiday. For purposes of this section, the last day for the performance of the prescribed act shall be determined by including any authorized extension of time; the term "legal holiday" shall mean any day made a holiday in Minnesota by section 645.44, subdivision 5 or by the laws of the United States.

MINNESOTA TREE GROWTH TAX LAW

270.31 CITATION.

Sections 270.31 to 270.39 may be cited as the "Minnesota tree growth tax law."

History: 1957 c 639 s 1

270.32 PUBLIC POLICY.

The present general system of ad valorem taxes in the state of Minnesota as applied to forest lands does not provide an equitable basis of taxation and has resulted in inadequate taxes on some lands and excessive tax forfeiture on other lands.

Therefore it is the declared public policy of this state that the public interest would be best served by encouraging private forest landowners to retain and improve their holdings of forest lands upon the tax rolls of the state and to promote better forest management of such lands by appropriate tax measures, therefore, sections 270.31 to 270.39 are enacted for the purpose of permitting privately owned lands generally suitable for the planting, culture and growth of continuous forest products to be taxed on the basis of the annual increase in value in accordance with the following provisions.

History: 1957 c 639 s 2

270.33 DEFINITIONS.

Subdivision 1. Unless the language or context clearly indicates that a different meaning is intended, the following words, terms and phrases for the purposes of sections 270.31 to 270.39 shall be given meanings as follows:

Subd. 2. Forest type means a stand of trees characterized by the predominance of one or more key species, which make up 50 percent or more of the sawlog volume in sawlog stands; of cordwood in pole-timber stands; or of the number of trees in seedling and sapling stands.

Subd. 3. Spruce fir type means a mixed hardwood and coniferous stand of trees with white spruce and balsam-fir the most common species.

Subd. 4. Swamp spruce type means a stand of trees in which swamp conifers predominate with black spruce the most common.

Subd. 5. Other swamp conifers type means a stand of trees in which conifers predominate with tamarack or cedar the most common.

Subd. 6. Jack pine type means a stand of trees in which pine species predominate with jack pine the most common.

Subd. 7. White and Norway pine type means a stand of trees in which pine species predominate with white or Norway pine the most common.

Subd. 8. Aspen-Birch type means a stand of trees in which a mixture of trembling or large-tooth aspen and paper birch predominates.

Subd. 9. Upland hardwood type means a stand of trees in which northern hardwood species (sugar and red maple, yellow birch, basswood and oak) predominate.

Subd. 10. Lowland hardwood type means a stand of trees on poorly drained land in which the bottomland hardwood, such as ash, elm and Balm of Gilead predominate.

Subd. 11. Stagnant spruce swamp type means a stand in which spruce predominates, but which will not produce standard pulpwood in 100 years, although it will produce Christmas trees of commercial value.

Subd. 12. Commercial forest type means any forest type which has three cords or more of standard pulpwood or sawlogs per acre or 500 stems or more of commercial tree species per acre.

Subd. 13. Temporarily non-productive type means land capable of producing a commercial forest type but does not at present meet the standards of subdivision 11.

Subd. 14. Permanently non-productive type means land such as muskeg, marsh and rock outcrops, which is unsuitable for growing a commercial forest type.

Subd. 15. Average annual growth rate means the estimated average amount of commercial forest product one acre of land will grow in one year.

Subd. 16. Stumpage value means the monetary value placed on standing timber before it is cut expressed in terms of dollars per cord or dollars per thousand board feet. Conversion from board feet to cords for the purposes of sections 270.31 to 270.39 shall be two and one-fourth per thousand board feet.

Subd. 17. Value of the annual growth means the average annual growth rate per acre for a type multiplied by the weighted average of the stumpage values of all species in the type. The proportions of the various species making up the type to be used in computing the weighted average of the stumpage values of all species in the type shall be determined with reference to the most recent official forest survey report for the county in which the land is located.

Subd. 18. Governmental subdivision shall mean a government lot or a sixteenth of a section commonly known as a forty..

270.34 AVERAGE ANNUAL GROWTH RATES, DETERMINATION.

The average annual growth rates to be used in determining taxes applicable to property in each county under sections 270.31 to 270.39 shall be established by the county board of each county desiring to use the provisions of sections 270.31 to 270.39. The rates shall be established with due regard for the studies of average annual growth rates made by the division of lands and forestry for the state of Minnesota and the north central forest experiment station of the United States department of agriculture. The rates may be determined by each participating county after the passage of sections 270.31 to 270.39 and when determined and certified by the county board to the county auditor, shall remain in effect in each county without change until the calendar year 1966. In the calendar year 1966 and at the end of each ten-year period thereafter, the county board shall review and set such rates for the following ten-year period in the same manner, provided, however, that any mathematical or clerical errors in such rates may be corrected by the county board as soon as such error is discovered. Rates shall be certified by the county board to the county auditor and shall take effect with the calendar year following that in which the error is corrected. Any person aggrieved by a change of rate determination of the county board hereunder may appeal to the county board for readjustment. In the event of disagreement, the aggrieved person may test the correctness of the new rate or rates by applying directly to the commissioner of revenue within one year of such change in accordance with the provisions of section 270.07 and the commissioner shall have the power to grant the changes of any rate or rates as he may deem just and equitable and to order the refund in whole or in part of any taxes, costs, penalties or interest thereon which have been erroneously or unjustly paid since the changed rate. In the event of any change in rates on appeal from the determination by the county board, the rate as so changed shall remain in effect until the next revision period.

270.35 STUMPAGE VALUE, USE IN COMPUTING TAX.

The stumpage value for each species to be used in computing the tax in any county shall be computed in each even numbered year and shall be the average sale price received by the state upon all of its sales of sound standing timber of the species during the previous two calendar years. In the event there have been no sales of the species or products within the county within the previous two calendar years, or less than 500 cords of the various products have been sold which is insufficient to estimate a fair and equitable stumpage price for the various products grown, the commissioner of natural resources shall set a stumpage price for such species, with the right of appeal by any aggrieved persons to the commissioner of revenue as set forth in section 270.34 in the event any such person deems himself to be aggrieved by such determination.

270.36 COMPUTATION OF TAX.

Subdivision 1. After the county board has determined the average annual growth rates in accordance with section 270.34, they shall make an order and cause a resolution regarding such order to be published in the minutes of the county board meeting. The county board shall file the order with the county recorder. Thereafter the county auditor shall compute the values of the annual growth of the types of timber growing in the county as defined in section 270.33, subdivision 17, and shall post a tabulation of the values in his office and prepare copies of the same for dissemination to all persons who may request them.

Subd. 2. The forest lands made subject to taxation under sections 270.31 to 270.39 shall be taxed at the following rates:

1. Lands growing commercial forest type shall be taxed each year in the amount of 30 percent of the value of the estimated average annual growth as determined in accordance with sections 270.31 to 270.39.

2. Temporarily non-productive forest type shall be taxed five cents per acre per year, providing the owner complies with his agreement for reforestation within the time specified in the agreement. In the event of non-compliance, the land shall thereafter be subject to a 15 cents per acre per year tax.

3. Permanently non-productive lands shall be subject to a five cents per acre tax per year.

4. Lands described in this section and used for administrative or management purposes, such as roads, logging camps or worksites, and other harvest of timber, or for free public recreation shall be classified the same as adjoining lands under the tree growth tax law.

5. Camp buildings or any temporary buildings shall be taxed as personal property and taxed and classed for the purpose of taxation as class 3.

270.37 TAX CREDIT.

Subdivision 1. For each acre of land which shall have been planted and maintained with a minimum of 500 trees of commercial species, the owner may be allowed a credit against his taxes on other lands within the same governmental subdivision on which the planting is made in the amount of 50 cents per acre per year. An application for such credit must accompany the annual report to the county board required by section 270.38, subdivision 3, and shall be handled in the same manner as other reclassification provided in said subdivision. The credit shall in no event exceed the amount of the tax due upon the land in such governmental subdivision. When the plantation is ten years old, the plantation shall be classified as a commercial forest type and taxed as such and the credit against tax set forth above shall cease.

Subd. 2. This section shall not apply to lands devoted to growing trees for ornamental purposes. In the event any such trees are severed, all credits received shall be repaid plus triple the tax as would otherwise have applied.

History: 1957 c 639 s 7; 1959 c 441 s 3

270.38 APPLICATION TO COME UNDER TREE GROWTH TAX LAW.

Subdivision 1. Any owner of forest lands desiring to place any governmental subdivision or portion thereof containing not less than five acres of forest land owned by him under the provisions of sections 270.31 to 270.39, shall make application in triplicate to the county board of the county in which the land is located upon a form prescribed by the commissioner of revenue specifying the legal description or list of descriptions of the land desired to be taxed under sections 270.31 to 270.39 and listing the number of acres of each forest type and the dominant species of each type in each such governmental subdivision or portion thereof. The application shall contain the statement signed and sworn to by the applicant that "while the land is under the tree growth tax law it will be used exclusively for the growing of continuous forest crops in accordance with sustained yield practice and will be open to use by the public for hunting and fishing except within one-fourth mile of a permanent dwelling or during periods of high fire hazard as determined by the commissioner of natural resources." The application shall be accompanied by a forest type map and a statement concerning the owner's intentions with regard to reforestation of any temporarily non-productive

tive land. If a tract under the tree growth tax law has any acreage devoted to administrative or management purposes, such as roads, logging camps, free public recreational areas, as shown on the map accompanying the application, the lands so used shall be classified the same as adjoining lands under this law.

Subd. 2. Within 90 days after the filing of any application the county board shall make an order approving or disapproving the application and file the order with the county auditor. The county board may appoint and set the salary of a qualified investigator to examine and review the applications and report his findings for their guidance. The application together with the county board's order approving the application or applications shall constitute the agreement herein referred to. The agreement shall be deemed a covenant running with the land and shall be recorded in the office of the county recorder by the county auditor within ten days after the approval thereof. The expense of such recording shall be paid by the owner. In the event an application is approved, the land shall be deemed subject to sections 270.31 to 270.39 beginning with the calendar year next succeeding the one in which the agreement is recorded with the county recorder. If no action is taken by the county board within 90 days after the filing of the application, the applicant may submit the application to the commissioner of revenue, who shall act on the application with all the powers of the county board relative to such application. An agreement may be amended or cancelled without formal hearing by mutual agreement between the land owner and the county board or by the following procedures in the absence of mutual agreement. In the event the county board wishes to amend or cancel an agreement, it may do so after a hearing held by the county board, notice of which shall have been sent by certified mail to the last owner of record at least 30 days prior to the hearing. Failure of the owner to object to such amendment or cancellation shall be deemed to be agreement in the proposed amendment or cancellation. In the event the owner wishes to amend or cancel an agreement, he shall file an application with the county board. Within 90 days after the filing of an application for amendment or cancellation the county board shall make an order approving or disapproving such application and file the order with the county auditor. If no action is taken by the county board within 90 days of filing, the applicant may submit the application for amendment or cancellation to the commissioner of revenue who shall act on the application with all the powers of the county board relative to such application. Amendments or cancellations ordered by the county board over objections from the owner may be subject to review by the district court. Rejection by the county board of an application for amendment or cancellation may be subject to review by the district court. Amendments and cancellations of agreements shall be recorded in the office of the county recorder by the county auditor within ten days after action thereon by the county board, with the filing fee to be paid by the party originating the action, and changes shall become effective with the beginning of the calendar year next succeeding said recording.

Subd. 3. [Repealed, 1967 c 285 s 2]

Subd. 4. During the sixth year of each calendar decade in which any property is being taxed under sections 270.31 to 270.39, such lands so subject to taxation hereunder may be classified by the county board upon application of the owner with a proper showing of the reasons justifying such reclassification, or upon the initiative of the county board in cases where facts justifying such reclassification come to the attention of the county board.

Subd. 5. The owner of any timber lands made subject to sections 270.31 to 270.39 may at any time apply to withdraw any governmental subdivisions from taxation under sections 270.31 to 270.39. Such application made in writing and giving the reasons for withdrawal may be approved by the county board subject to

MINNESOTA STATUTES 1982

the payment of all back taxes and penalties on the basis of ad valorem taxes in the area giving due credit for taxes paid under sections 270.31 to 270.39; provided that after an agreement has been in effect for more than ten years, penalties and ad valorem taxes as above specified shall be assessed and the owner shall be required to pay such penalties and ad valorem taxes only for the ten years prior to the date of withdrawal from the agreement. If approved, the lands shall be deemed to be withdrawn from taxation under sections 270.31 to 270.39 and shall be returned to taxation under the general real property tax law beginning with the calendar year next immediately following the date upon which the withdrawal was approved by the county board.

Subd. 6. The county assessor or his duly authorized representative may enter and examine the forest lands brought under sections 270.31 to 270.39 for tax purposes and may examine into any information submitted by the owner in connection with any application to enter any governmental subdivision for purposes of taxation under sections 270.31 to 270.39 whereby the county board has been deceived, and in the event any wilful misrepresentation of facts is made in any such application under sections 270.31 to 270.39, the county shall be entitled to triple the amount of tree growth taxes which should have been paid for all previous years as well as the current year in which such misrepresentation is discovered. In the event that such examination indicates that any such lands should be reclassified, the county board shall reclassify such lands and make such reclassification effective with the year in which the agreement containing such misrepresentation became effective. If any owner shall fail to comply with the requirements of sections 270.31 to 270.39, the county board may withdraw the land of such owner from taxation under sections 270.31 to 270.39 after a hearing held by the county board, notice of which shall have been sent by registered mail to the last owner of record 30 days prior to the hearing, but such action may be subject to review by the district court. Any lands so withdrawn from under sections 270.31 to 270.39 shall be withdrawn from such taxes at the end of the calendar year in which the actual withdrawal is made and in the succeeding calendar year shall be returned to taxation under the general provisions of the Minnesota Statutes relating to the taxation of lands.

Subd. 7. If at any time the county board deems the lands entered under sections 270.31 to 270.39 more valuable for other purposes than the production of timber crops such lands may be removed from the provisions of sections 270.31 to 270.39 by joint agreement of the county board and the taxpayer. In the event of disagreement, such lands may be removed from under sections 270.31 to 270.39 by the county board upon the recommendation of a three member committee, one member each appointed by the county board, the taxpayer and the commissioner of revenue.

Subd. 8. All taxes imposed by sections 270.31 to 270.39 shall be a lien upon the land and all forest products growing thereon and severed therefrom until the tax is paid. The tax shall be annually extended by the county auditor and shall be collected and distributed in the manner provided by law for the collection and distribution of ad valorem taxes.

Subd. 9. In determining the assessed value of property within any taxing district the value of the surface of lands subject to the provisions of sections 270.31 to 270.39 therein, as determined by the county board under provisions of section 88.48, subdivision 3, shall, for all purposes except the levying of taxes on such lands, be deemed the market value thereof.

History: *1977 c 203 s 9*

270.66 RIGHT OF SETOFF.

Subdivision 1. **Certification by commissioner.** Upon certification by the commissioner of revenue to the commissioner of finance, or to any state agency described in subdivision 3 which disburses its own funds, within five years after the tax should have been paid or the return is filed, whichever is later, that a taxpayer has an uncontested delinquent tax liability owed to the commissioner of revenue, the commissioner of finance or the state agency shall apply to such delinquent tax liability funds sufficient to satisfy such unpaid tax liability from funds appropriated for payment of an obligation of the state or any of its agencies that are due and owing the taxpayer, provided however, that such credit shall not be made against any funds exempt under section 550.37 or those funds owed an individual taxpayer who receives assistance under the provisions of chapter 256.

Subd. 2. **Setoff satisfies state obligation.** All funds, whether general or dedicated, shall be subject to setoff in the manner herein provided. Transfer of funds as herein provided is payment of the obligation of the state or any of its agencies to such taxpayer and any actions for said funds, if any, shall be had against the department of revenue on the issue of such tax liability. Nothing in this section shall be construed to limit the previously existing right of the state or any of its agencies to setoff.

Subd. 3. **Agencies shall maintain records.** Notwithstanding any provision to the contrary, every person, organization, or corporation doing business (hereafter called vendor) with the state of Minnesota or any of its departments, agencies, or educational institutions including the University of Minnesota (all hereafter called agency) shall provide that agency with their social security number or Minnesota tax identification number. The agency shall maintain records of this information, and shall make these records available to the commissioner, upon his request, for the sole purpose of identifying people who have not filed state tax returns or who have not paid uncontested state tax liabilities (hereafter called delinquent taxpayer). When an agency is notified by the commissioner that a vendor is a delinquent taxpayer, payments shall not be made by the agency to the vendor until the commissioner notifies the agency that the vendor no longer is a delinquent taxpayer. Furthermore, if the vendor has an uncontested delinquent tax liability, the setoff provided in subdivision 1 may be implemented. The commissioner shall determine that a vendor no longer is a delinquent taxpayer when the vendor has filed all delinquent state tax returns, paid all uncontested state tax liabilities or entered into an agreement with the commissioner which provides for the payment of these liabilities. The commissioner may notify an agency concerning a vendor, notwithstanding the provisions of sections 290.61 or 297A.43.

270.67 AGREEMENTS REGARDING TAX LIABILITY OR EXTENSION OF PAYMENT OF TAX.

Subdivision 1. **Liability agreements.** The commissioner of revenue, or any officer or employee of the department of revenue authorized in writing by the commissioner, is authorized to enter into an agreement in writing with any taxpayer, or duly authorized agent or representative of the taxpayer, relating to the liability of the taxpayer in respect of any state tax administered by the commissioner for any taxable period ending prior to the date of the agreement. If the agreement is approved by the commissioner within the time stated in the agreement, or later agreed to, the agreement shall be final and conclusive; and, except upon a showing of fraud or malfeasance, or misrepresentation of a material fact, the case shall not be reopened as to the matters agreed upon, or the agreement modified, by any officer, employee, or agent of the state; and, in any suit, action, or proceeding, the agreement, or any determination, assessment, collection, pay-

ment, abatement, refund, or credit made in accordance with the agreement, shall not be annulled, modified, set aside, or disregarded.

Subd. 2. **Extension agreements.** When any portion of any tax payable to the commissioner of revenue together with interest and penalty thereon, if any, has not been paid six months from the date prescribed by law for its payment, the commissioner may extend the time for payment for a further period not to exceed 36 months. When the authority of this section is invoked, the extension shall be evidenced by written agreement signed by the taxpayer and the commissioner, stating the amount of the tax with penalty and interest, if any, and providing for the payment of the amount in regular weekly, semimonthly or monthly installments. The agreement shall contain a confession of judgment for the amount and for any unpaid portion thereof and shall provide that the commissioner may forthwith enter judgment against the taxpayer in the district court of the county of his residence as shown upon his tax return for the unpaid portion of the amount specified in the extension agreement. The principal sum specified in the agreement shall bear interest at the rate specified in section 270.75 on all unpaid portions thereof until the same has been fully paid or the unpaid portion thereof has been entered as a judgment. The judgment shall bear interest at the rate specified in section 270.75. If it appears to the commissioner that the tax reported by the taxpayer is in excess of the amount actually owing by the taxpayer, the extension agreement or the judgment entered pursuant thereto shall be corrected. If after making the extension agreement or entering judgment with respect thereto, the commissioner determines that the tax as reported by the taxpayer is less than the amount actually due, the commissioner shall assess a further tax in accordance with the provisions of law applicable to the tax. The authority granted to the commissioner by this section is in addition to any other authority granted to the commissioner by law to extend the time of payment or the time for filing a return and shall not be construed in limitation thereof.

270.68 LEGAL ACTION; CONFESSION OF JUDGMENT.

Subdivision 1. **Legal action.** In addition to all other methods authorized by law for the collection of tax, if any tax payable to the commissioner of revenue or to the department of revenue, including penalties and interest thereon, is not paid within 60 days after it is required by law to be paid, the commissioner of revenue may, within five years after the date the tax should have been paid or the return is filed, whichever is later, bring an action at law against the person liable for the payment or collection of the tax, in the name of the state, for the recovery of the tax and interest and penalties due in respect thereof. The action shall be brought in the district court of the judicial district in which lies the county of the residence or principal place of business within this state of the taxpayer, or, in the case of an estate or trust, of the place of its principal administration, and for this purpose the place named as such in the return, if any, made by the taxpayer shall be conclusive against the taxpayer in this matter. If no place is named in the return, the action may be commenced in Ramsey county. The action shall be commenced by filing with the clerk of the court a statement showing the name and address of the taxpayer, if known, an itemized summary of the taxable periods and the type of tax, the tax due and unpaid and the interest and penalties due with respect thereto under the provisions of law applicable to the tax, and shall contain a prayer that the court adjudge the taxpayer to be indebted on account of the taxes, interest, and penalties in the amount specified in the statement; a copy of the statement shall be furnished to the clerk therewith. The clerk shall mail a copy of the statement by certified mail to the taxpayer at the address given in the return, if any; and, if no address is given, then at his last known address, within five days

after the same is filed, except that, if the taxpayer's address is not known, notice to him shall be made by posting a copy of the statement for ten days in the place in the courthouse where public notices are regularly posted. The taxpayer shall, if he desires to litigate the claim, or any part thereof, file a verified answer with the clerk setting forth his objections to the claim, or any part thereof; the answer shall be filed on or before the 20th day after the date of mailing the statement; or, if notice has been given by posting, on or before the 20th day after the expiration of the period during which the notice was required to be posted. If no answer is filed within the specified time, the clerk, upon the filing of an affidavit of default, shall enter judgment for the state in the amount prayed for, plus costs of \$10. If an answer is filed, the issues raised shall stand for trial as soon as possible after the filing of the answer, and the court shall determine the issues and direct judgment accordingly; and, if the taxes, interest, or penalties are sustained to any extent over the amount rendered by the taxpayer, shall assess \$10 costs against the taxpayer. The court shall disregard all technicalities and matters of form not affecting the substantial merits. The commissioner may call upon the county attorney or the attorney general to conduct the proceedings on behalf of the state. Execution shall be issued upon the judgment at the request of the commissioner, and the execution shall, in all other respects, be governed by the laws applicable to executions issued on judgments. Only the homestead and household goods of the judgment debtor shall be exempt from seizure and sale upon the execution.

Subd. 2. Appeals. Either party to an action or a judgment for the recovery of any taxes, interest, or penalties under subdivision 1 may remove the judgment to the supreme court by appeal, as provided for appeals in civil cases.

Subd. 3. Tax presumed valid. The tax, as assessed by the commissioner, with any penalties included therein, shall be presumed to be valid and correctly determined and assessed, and the burden shall be upon the taxpayer to show its incorrectness or invalidity. The statement filed by the commissioner with the clerk of court, as provided in subdivision 1, or any other certificate by the commissioner of the amount of the tax and penalties as determined or assessed by him, shall be admissible in evidence and shall establish prima facie the facts set forth therein.

Subd. 4. Confession of judgment. (a) The commissioner may, within 3-1/2 years after any return or report is filed, notwithstanding section 541.09, enter judgment on any confession of judgment contained in the return or report after ten days notice served upon the taxpayer by mail at the address shown in his return or report. The judgment shall be entered by the clerk of court of any county upon the filing of a photocopy or similar reproduction of that part of the return or report containing the confession of judgment along with a statement of the commissioner or his agent that the tax has not been paid.

(b) Notwithstanding any other provision of the law to the contrary, the commissioner may, within five years after a written agreement is signed by the taxpayer and the commissioner under the provisions of section 270.67, subdivision 2, enter judgment on the confession of judgment contained within the agreement after ten days notice served upon the taxpayer at the address shown in the agreement. Such judgment shall be entered by the clerk of court of any county upon the filing of the agreement or a certified copy thereof along with a statement of the commissioner or his agent that the tax has not been paid.

270.69 LIEN FOR TAXES.

Subdivision 1. Creation of lien. The tax imposed by any chapter administered by the commissioner of revenue, and interest and penalties imposed with respect thereto, shall become a lien upon all the property within this state, both

real and personal, of the person liable for the payment or collection of the tax, except his homestead, from and after the filing by the commissioner of a notice of lien in the office of the county recorder of the county in which the property is situated, or in the case of personal property belonging to an individual who is not a resident of this state, or which is a corporation, partnership, or other organization, in the office of the secretary of state.

Subd. 2. **Indexing of liens.** The indexing of liens filed pursuant to this section and, notwithstanding section 386.77, the fees charged for such filing and indexing, shall be as prescribed in sections 272.483 and 272.484.

Subd. 3. **Exempt property.** The lien imposed on personal property by this section, even though properly filed, shall not be valid as against a purchaser with respect to tangible personal property purchased at retail or as against the personal property listed as exempt in sections 550.37, 550.38, and 550.39.

Subd. 4. **Period of limitations.** The lien imposed by this section shall, notwithstanding any other provision of law to the contrary, be valid and enforceable for ten years from the date of filing the notice of lien, which must be filed by the commissioner within five years after the tax should have been paid or the return is filed, whichever is later.

Subd. 5. **Priority of lien.** Only for the purpose of determining the order of priority of the lien imposed by this section and a federal tax lien, the lien imposed by this section shall arise at the time the state tax assessment is made.

Subd. 6. **Enforceability of lien.** The lien imposed by this section shall be enforceable by levy as authorized in section 270.70, or by judgment lien foreclosure as authorized in chapter 550.

Subd. 7. **Notice of mortgage foreclosure or contract termination.** If a lien has been filed by the commissioner of revenue against real property pursuant to this section, and, subsequent to the recording of the lien, a mortgage foreclosure upon the real property is commenced under chapter 580, or a termination of contract of sale of the real property is commenced under section 559.21, notice of the mortgage foreclosure or termination of contract of sale shall be mailed to the commissioner not less than 25 days prior to the foreclosure or termination.

History: 1982 c 523 art 2 s 8

270.70 LEVY AND DISTRAINT.

Subdivision 1. **Authority of commissioner.** If any tax payable to the commissioner of revenue or to the department of revenue is not paid when due, such tax may be collected by the commissioner of revenue within five years after the tax should have been paid or the return is filed, whichever is later, by a levy upon all property and rights to property of the person liable for the payment or collection of such tax (except that which is exempt from execution pursuant to section 550.37) or property on which there is a lien provided in section 270.69. For this purpose, the term "tax" shall include any penalty, interest and costs properly payable. The term "levy" includes the power of distraint and seizure by any means.

Subd. 2. **Notice and demand; jeopardy collection.** Before a levy is made, notice and demand for payment of the amount due shall be given to the person liable for the payment or collection of the tax at least ten days prior to the levy. If the commissioner has reason to believe that collection of the tax is in jeopardy, notice and demand for immediate payment of the tax may be made by the commissioner. If the tax is not paid, the commissioner may proceed to collect by levy without regard to the ten day period provided herein.

Subd. 3. **Manner of execution and sale.** In making the execution of the levy and in collecting the taxes due, the commissioner shall have all of the powers

provided in chapter 550 and in any other law for purposes of effecting an execution against property in this state. The sale of property levied upon, and the time and manner of redemption therefrom, shall, to the extent not provided in sections 270.701 to 270.709, be governed by chapter 550. The seal of the court, subscribed by the clerk, as provided in section 550.04, shall not be required. The levy for collection of taxes may be made whether or not the commissioner has commenced a legal action for collection of such taxes.

Subd. 4. Stay of sale. (a) Where a jeopardy assessment or any other assessment has been made by the commissioner, the property seized for collection of the tax shall not be sold until the time has expired for filing an appeal of the assessment with the tax court pursuant to chapter 271. If an appeal has been filed, no sale shall be made unless the taxes remain unpaid for a period of more than 30 days after final determination of the appeal by the tax court or by the appropriate judicial forum.

(b) Notwithstanding clause (a), seized property may be sold if

(i) the taxpayer consents in writing to the sale, or

(ii) the commissioner determines that the property is perishable or may become greatly reduced in price or value by keeping, or that such property cannot be kept without great expense.

Subd. 5. Probate court jurisdiction. Where a levy has been made to collect taxes pursuant to this section and the property seized is properly included in a formal proceeding commenced under sections 524.3-401 to 524.3-505 and maintained under full supervision of the court, such property shall not be sold until the probate proceedings are completed or until the court so orders.

Subd. 6. Bond or security to release seizure. The property seized shall be returned by the commissioner if the owner gives a surety bond equal to the appraised value of his interest in the property, as determined by the commissioner, or deposits with the commissioner security in such form and amount as he deems necessary to insure payment of the liability, but not more than twice the liability.

Subd. 7. Injunction. Notwithstanding any other provision to the contrary, if a levy or sale pursuant to this section would irreparably injure rights in property which the court determines to be superior to rights of the state in such property, the district court may grant an injunction to prohibit the enforcement of such levy or to prohibit such sale.

Subd. 8. Surrender of property subject to levy. Any person who fails or refuses to surrender without reasonable cause any property or rights to property subject to levy, upon demand by the commissioner, shall be liable in his own person to the state of Minnesota in an amount equal to the value of the property or rights not so surrendered, but not exceeding the amount of taxes for the collection of which such levy has been made. Any amount recovered under this subdivision shall be credited against the tax liability for the collection of which such levy was made.

Subd. 9. Penalty. In addition to the personal liability imposed by subdivision 8, if any person required to surrender property or rights to property fails or refuses to surrender the property or rights to property without reasonable cause, such person shall be liable for a penalty equal to 25 percent of the amount recoverable under subdivision 8. No part of such penalty shall be credited against the tax liability for the collection of which such levy was made.

Subd. 10. Person defined. The term "person" as used in subdivision 8 includes an officer or employee of a corporation or a member or employee of a partnership who, as such officer, employee or member is under a duty to surrender the property or rights to property or to discharge the obligation.

Subd. 11. **Optional remedy.** Any action taken by the commissioner pursuant to this section shall not constitute an election by the state to pursue a remedy to the exclusion of any other remedy.

Subd. 12. **Equitable relief.** After the commissioner has seized the property of any person, that person may, upon giving 48 hours notice to the commissioner and to the court, bring a claim for equitable relief before the district court for the release of the property to the taxpayer upon such terms and conditions as the court may deem equitable.

Subd. 13. **Levy and sale by sheriff.** If any tax payable to the commissioner of revenue or to the department of revenue is not paid as provided in subdivision 2, the commissioner may, within five years after the tax should have been paid or the return is filed, whichever is later, delegate the authority granted to him by subdivision 1, by means of issuing his warrant to the sheriff of any county of the state commanding him, as agent for the commissioner, to levy upon and sell the real and personal property of the person liable for the payment or collection of the tax and to levy upon the rights to property of that person within the county, or to levy upon and seize any property within the county on which there is a lien provided in section 270.69, and to return the warrant to the commissioner and pay to the commissioner the money collected by virtue thereof by a time to be therein specified not less than 60 days from the date of the warrant. The sheriff shall proceed thereunder to levy upon and seize any property of the person and to levy upon the rights to property of the person within the county (except his homestead or that property which is exempt from execution pursuant to section 550.37), or to levy upon and seize any property within the county on which there is a lien provided in section 270.69. For purposes of the preceding sentence, the term "tax" shall include any penalty, interest and costs properly payable. The sheriff shall then sell so much of the property levied upon as is required to satisfy the taxes, interest, and penalties, together with his costs; but the sales, and the time and manner of redemption therefrom, shall, to the extent not provided in sections 270.701 to 270.709, be governed by chapter 550. The proceeds of the sales, less the sheriff's costs, shall be turned over to the commissioner, who shall then apply the proceeds as provided in section 270.708.

Subd. 14. **Priority of levy.** A levy by the commissioner made pursuant to the provisions of this section upon a taxpayer's funds on deposit in a financial institution located in this state, shall have priority over any unexercised right of setoff of the financial institution to apply the levied funds toward the balance of an outstanding loan or loans owed by the taxpayer to the financial institution. A claim by the financial institution that it exercised its right to setoff prior to the levy by the commissioner must be substantiated by evidence of the date of the setoff, and shall be verified by the sworn statement of a responsible corporate officer of the financial institution. Furthermore, for purposes of determining the priority of any levy made under this section, the levy shall be treated as if it were an execution made pursuant to chapter 550.

Subd. 15. **Effect of honoring levy.** Any person in possession of (or obligated with respect to) property or rights to property subject to levy upon which a levy has been made who, upon demand by the commissioner, surrenders the property or rights to property (or who pays a liability under subdivision 8) shall be discharged from any obligation or liability to the person liable for the payment or collection of the delinquent tax with respect to the property or rights to property so surrendered or paid.

Subd. 16. **Notice of levy.** Notwithstanding any other provision of law to the contrary, the notice of any levy authorized by this section may be served by mail or by delivery by an employee or agent of the department of revenue.

270.701 SALE OF SEIZED PROPERTY.

Subdivision 1. **Notice of seizure.** As soon as practicable after seizure of property, notice in writing shall be given by the commissioner of revenue to the owner of the property (or, in the case of personal property, the possessor thereof), and shall be served in like manner as a summons in a civil action in the district court. If the owner cannot be readily located, or has no dwelling or place of business within this state, the notice may be mailed to his last known address. The notice shall specify the sum demanded and shall contain, in the case of personal property, an account of the property seized and, in the case of real property, a description with reasonable certainty of the property seized.

Subd. 2. **Notice of sale.** The commissioner shall as soon as practicable after the seizure of the property give notice of sale of the property to the owner, in the manner of service prescribed in subdivision 1. In the case of personal property, the notice shall be served at least 10 days prior to the sale. In the case of real property, the notice shall be served at least four weeks prior to the sale. The commissioner shall also cause public notice of each sale to be made. In the case of personal property, notice shall be posted at least 10 days prior to the sale at the post office nearest the place where the seizure is made, and in not less than two other public places. In the case of real property, six weeks' published notice shall be given prior to the sale, in a newspaper published or generally circulated in the county. The notice of sale provided in this subdivision shall specify the property to be sold, and the time, place, manner and conditions of the sale. Whenever levy is made without regard to the ten-day period provided in section 270.70, subdivision 2, public notice of sale of the property seized shall not be made within the ten-day period unless section 270.702 (relating to sale of perishable goods) is applicable.

Subd. 3. **Sale of indivisible property.** If any property liable to levy is not divisible, so as to enable the commissioner by sale of a part thereof to raise the whole amount of the tax and expenses, the whole of the property shall be sold.

Subd. 4. **Time and place of sale.** The time of sale shall be after the expiration of the notice periods prescribed in subdivision 2. The place of sale shall be within the county in which the property is seized, except by special order of the commissioner.

Subd. 5. **Manner and conditions of sale.** (a) Before the sale the commissioner shall determine a minimum price for which the property shall be sold, and if no person offers for the property at the sale the amount of the minimum price, the property shall be declared to be purchased at the minimum price for the state of Minnesota; otherwise the property shall be declared to be sold to the highest bidder. In determining the minimum price, the commissioner shall take into account the expense of making the levy and sale. The announcement of the minimum price determined by the commissioner may be delayed until the receipt of the highest bid.

(b) The sale shall not be conducted in any manner other than:

(i) by public auction, or

(ii) by public sale under sealed bids.

(c) In the case of seizure of several items of property, the items may be offered separately, in groups, or in the aggregate, and shall be sold under whichever method produces the highest aggregate amount.

(d) Payment in full shall be required at the time of acceptance of a bid, except that a part of the payment may be deferred by the commissioner for a period not to exceed 30 days.

(e) Other methods (including advertising) in addition to those prescribed in subdivision 2 may be used in giving notice of the sale.

(f) The commissioner may adjourn the sale from time to time for a period not to exceed 30 days.

(g) If payment in full is required at the time of acceptance of a bid and is not then and there paid, the commissioner shall forthwith proceed to again sell the property in the manner provided in this section. If the conditions of the sale permit part of the payment to be deferred, and if the part is not paid within the prescribed period, suit may be instituted against the purchaser for the purchase price or that part thereof as has not been paid, together with interest at the rate specified in section 549.09 from the date of the sale; or, in the discretion of the commissioner, the sale may be declared by the commissioner to be null and void for failure to make full payment of the purchase price and the property may again be advertised and sold as provided in this section. In the event of a readvertisement and sale, any new purchaser shall receive the property or rights to property free and clear of any claim or right of the former defaulting purchaser, of any nature whatsoever, and the amount paid upon the bid price by the defaulting purchaser shall be forfeited.

270.702 SALE OF PERISHABLE GOODS.

If the commissioner determines that any property seized is liable to perish or become greatly reduced in price or value by keeping, or that the property cannot be kept without great expense, he shall appraise the value of the property, and if the owner of the property can be readily found, the commissioner shall give the owner notice of the determination of the appraised value of the property. The property shall be returned to the owner if, within the time specified in the notice, the owner (a) pays to the commissioner an amount equal to the appraised value, or (b) gives bond in the form, with the sureties, and in the amount as the commissioner prescribes to pay the appraised amount at the time the commissioner determines to be appropriate in the circumstances. If the owner does not pay the amount or furnish the bond in accordance with this section, the commissioner shall as soon as practicable make public sale of the property in accordance with section 270.701.

270.703 REDEMPTION OF PROPERTY.

Subdivision 1. **Before sale.** Any person whose property has been levied upon shall have the right to pay the amount due, together with the expenses of the proceeding, if any, to the commissioner at any time prior to the sale thereof, and upon payment the commissioner shall restore the property to him, and all further proceedings in connection with the levy on the property shall cease from the time of payment.

Subd. 2. **Redemption of real estate after sale.** The owners of any real property sold as provided in this section, their heirs, executors, or administrators, or any person having any interest therein, or a lien thereon, or any person in their behalf, shall be permitted to redeem the property sold, or any particular tract of the property, at any time within 6 months, or in case the real property sold exceeds 10 acres in size, at any time within 12 months, after the sale thereof. The property or tract of property shall be permitted to be redeemed upon payment to the purchaser (or in case he cannot be found in the county in which the property to be redeemed is situated, then to the commissioner, for the use of the purchaser, his heirs, or assigns) of the amount paid by the purchaser together with interest at the rate specified in section 549.09 from the date of the sale.

Subd. 3. **Record.** When any lands sold are redeemed as provided in this section, the commissioner shall cause entry of the fact to be made upon the record required by section 270.706 and the entry shall be evidence of the redemption.

In the case of property sold as provided in section 270.701, the commissioner shall give to the purchaser a certificate of sale upon payment in full of the purchase price. In the case of real property the certificate shall set forth the real property purchased, for whose taxes the property was sold, the name of the purchaser, and the price paid. If real property is declared purchased by the state of Minnesota, the commissioner shall within ten days from the sale cause the certificate of sale to be duly recorded by the county recorder of the county in which the real property is located.

The certificate shall transfer to the purchaser all right, title, and interest of the party delinquent in and to the property sold.

(b) If the property consists of stocks, the certificate of sale shall be notice, when received, to any corporation, company, or association of the transfer, and shall be authority to the corporation, company, or association to record the transfer on its books and records in the same manner as if the stocks were transferred or assigned by the party holding the same, in lieu of any original or prior certificate, which shall be void, whether cancelled or not.

(c) If the subject of sale is securities or other evidences of debt, the certificate of sale shall be a good and valid receipt to the person holding the same, as against any person holding or claiming to hold possession of the securities or other evidences of debt.

(d) If the property consists of a motor vehicle, the certificate of sale shall be notice, when received, to the registrar of motor vehicles of this state of the transfer, and shall be authority to the registrar to record the transfer on his books and records in the same manner as if the certificate of title to the motor vehicle were transferred or assigned by the party holding the same, in lieu of any original or prior certificate, which shall be void, whether cancelled or not.

Subd. 2. **Real property.** In the case of the sale of real property pursuant to section 270.701, the certificate of sale given pursuant to section 270.704 shall be prima facie evidence of the facts therein stated, and shall be considered and operate as a conveyance of all the right, title, and interest the party delinquent had in and to the real property thus sold at the time the lien of the state of Minnesota attached thereto.

Subd. 3. **Junior encumbrances.** A certificate of sale of personal property or real property given pursuant to section 270.704 shall discharge the property from all liens, encumbrances, and titles over which the lien of the state of Minnesota with respect to which the levy was made had priority.

(a) First, against the expenses of the proceedings; then

(b) If the property seized and sold is subject to a tax administered by the commissioner of revenue which has not been paid, the amount remaining after applying clause (a) shall next be applied against the tax liability (and, if the tax was not previously assessed, it shall then be assessed); and

(c) The amount, if any, remaining after applying clauses (a) and (b) shall be applied against the tax liability in respect of which the levy was made or the sale was conducted.

270.709 AUTHORITY TO RELEASE LEVY AND RETURN PROPERTY.

Subdivision 1. **Release of levy.** It shall be lawful for the commissioner to release the levy upon all or part of the property or rights to property levied upon if the commissioner determines that the release will facilitate the collection of the liability, but the release shall not operate to prevent any subsequent levy.

Subd. 2. **Return of property.** If the commissioner determines that property has been wrongfully levied upon, it shall be lawful for the commissioner to return:

(a) The specific property levied upon, at any time;

(b) An amount of money equal to the amount of money levied upon, at any time before the expiration of nine months from the date of the levy; or

(c) An amount of money equal to the amount of money received by the state of Minnesota from a sale of the property, at any time before the expiration of nine months from the date of the sale.

For purposes of clause (c), if property is declared purchased by the state of Minnesota at a sale pursuant to section 270.701, subdivision 5 (relating to manner and conditions of sale), the state of Minnesota shall be treated as having received an amount of money equal to the minimum price determined pursuant to section 270.701, subdivision 5 or, if larger, the amount received by the state of Minnesota from the resale of the property.

270.71 ACQUISITION AND RESALE OF SEIZED PROPERTY.

For the purpose of enabling the commissioner of revenue to purchase or redeem seized property in which the state of Minnesota has an interest arising from a lien for unpaid taxes, there is appropriated to the commissioner an amount representing the cost of such purchases or redemptions. Seized property acquired by the state of Minnesota to satisfy unpaid taxes shall be resold by the commissioner. The commissioner shall preserve the value of seized property while it is under his control, including but not limited to the procurement of insurance. For the purpose of refunding the proceeds from the sale of levied or redeemed property which are in excess of the actual tax liability plus costs of acquiring the property, there is hereby created a levied and redeemed property refund account in the agency fund. All amounts deposited into this account are appropriated to the commissioner of revenue. The commissioner shall report quarterly on the status of this program to the chairmen of the house taxes and appropriations committees and senate taxes and tax laws and finance committees.

If any tax payable to the commissioner of revenue or to the department of revenue is not paid within the time specified by law for payment, the unpaid tax shall bear interest beginning February 1, 1982 at the rate of 20 percent per annum from the date such tax should have been paid until the date that the tax was paid, unless otherwise provided by law.

Subd. 2. When an extension of time has been granted by the commissioner, interest shall be paid beginning February 1, 1982 at the rate of 20 percent per annum from the date such payment should have been made, if no extension had been granted, until the date of payment of such tax.

Subd. 3. For taxable years beginning after December 31, 1981, the amount in lieu of interest shall be determined at the rate of 20 percent per annum. For taxable years beginning after December 31, 1982, the amount in lieu of interest for that taxable year shall be the amount determined in subdivision 5 for January 1 on which begins the taxable year or precedes the beginning of the taxable year.

Subd. 5. The rates of interest or amount in lieu of interest contained in subdivisions 1 to 4 shall be adjusted by the commissioner of revenue not later than October 15 of 1982 and any year thereafter if the adjusted prime rate charged by banks during September of that year, rounded to the nearest full percent, is at least a full percentage point more or less than the interest rate which is then in effect. The adjusted rate of interest or amount in lieu of interest shall be equal to the adjusted prime rate charged by banks, rounded to the nearest full percent, and shall become effective on January 1 of the immediately succeeding year except as provided in subdivision 4. For purposes of this subdivision, the term "adjusted prime rate charged by banks" means the average predominant prime rate quoted by commercial banks to large businesses, as determined by the Board of Governors of the Federal Reserve System.

270.84 ANNUAL VALUATION OF OPERATING PROPERTY.

Subdivision 1. The commissioner shall annually between April 30 and July 31 make a determination of the fair market value of the operating property of every railroad company doing business in this state as of January 2 of the year in which the valuation is made. In determining the fair market value of the portion of operating property within this state, the commissioner shall value the operating property as a unit, taking into consideration the value of the operating property of the entire system, and shall allocate to this state that part thereof which is a fair and reasonable proportion of said entire system valuation. If the commissioner uses original cost as a factor in determining the unit value of operating property, no depreciation or obsolescence allowance shall be permitted. However, if the commissioner uses replacement cost as a factor in determining the unit value of operating property, then a reasonable depreciation and obsolescence allowance may be used.

The commissioner shall give a report to the legislature in February 1980 and in February 1981 on the formula which he has used to determine the unit value of railroad operating property pursuant to Laws 1979, Chapter 303. This report shall also contain the valuation for payable 1980 and 1981 by company and the taxes payable in 1980 and 1981 by company based upon the valuation of operating property. The legislature may review the formula, the valuation, and the resulting taxes and may make changes in the formula that it deems necessary.

Subd. 2. After the commissioner has determined the fair market value of the operating property of each railroad company, he shall give notice by first class mail to the railroad company of the valuation.

Said conference shall be held no later than 30 days after mailing of the commissioner's valuation notice. At a reasonable time after such conference the commissioner shall make a final determination of the fair market value of the operating property of the railroad company and shall notify the company promptly thereof.

History: 1979 c 303 art 7 s 6

270.86 APPORTIONMENT OF VALUATION.

Upon determination by the commissioner of the fair market value of the operating property of each railroad company, he shall apportion such value to the respective counties and to the taxing districts therein in conformity with fair and reasonable rules and standards to be established by the commissioner pursuant to notice and hearing, except as provided in section 270.81. In establishing such rules and standards the commissioner may consider (a) the physical situs of all station houses, depots, docks, wharves, and other buildings and structures with an original cost in excess of \$10,000; (b) the proportion that the length and type of all the tracks used by the railroad in such county and taxing district bears to the length and type of all the track used in the state; and (c) other facts as will result in a fair and equitable apportionment of value.

History: 1979 c 303 art 7 s 7

270.87 CERTIFICATION TO COUNTY ASSESSORS.

When the commissioner has made his annual determination of the fair market value of the operating property of each company in each of the respective counties, and in the taxing districts therein, he shall certify the fair market value to the county assessor, which shall constitute the fair market value of the operating property of the railroad company in such county and the taxing districts therein upon which taxes shall be levied and collected in the same manner as on the commercial and industrial property of such county and the taxing districts therein.

Appeals by railroad companies under Laws 1979, Chapter 303 shall be taken against the commissioner and not against the county or taxing district to which payment is made. Upon the filing of any appeal by a railroad company, the commissioner shall give notice thereof by first class mail to each county which would be affected by the appeal.

270.90 PAYMENT OF TAXES IN 1979 AND 1980 ONLY.

For the years 1979 and 1980 only, after the commissioner has determined the market value of the operating property of each company under the provisions of sections 270.84 and 270.85, he shall compute the assessed value of the operating property by applying the classification percentage contained in section 273.13, subdivision 9. By March 1, 1980 and 1981, the commissioner shall compute the tax due from each company by applying the average statewide mill rate. The statement of taxes shall be sent to each company on or before April 1, 1980 and 1981, and shall indicate the assessed value of operating property, the mill rate applied in determining the taxes and the total amount of taxes due and payable. That amount shall be compared to the amount of gross earnings tax imposed under section 295.02. If the amount paid pursuant to section 295.02 is less than the amount computed in this section, the additional tax shall be payable to the commissioner and shall be deposited by him in the general fund of the state treasury. The provisions of section 279.01 pertaining to due dates and penalties for late payment of taxes for nonhomestead property shall be applicable to the taxes payable under this section. If the amount paid pursuant to section 295.02 exceeds the amount computed in this section, the commissioner shall refund the amount of excess within 60 days. The amounts necessary to make the refunds provided in this section are appropriated to the commissioner from the general fund in the state treasury.
