274.01 BOARD OF REVIEW.

Subdivision 1. (a) The town board of each town, the council or other governing body of each city, except in cities whose charters provide for a board of equalization, shall be a board of review. The county assessor shall fix a day and time when each of such boards and the board of equalization of any city whose charter provides for a board of equalization shall meet in the several assessment districts of the county, and shall on or before April 1st of each year give written notice thereof to the clerk. Such meetings notwithstanding the provisions of any charter to the contrary shall be held between April 1st and June 30th in each year, and the clerk shall give published and posted notice of such meeting at least ten days prior to the date fixed. Such board shall meet at the office of the clerk to review the assessment and classification of property in such town or district, and immediately proceed to examine and see that all taxable property in the town or district has been properly placed upon the list, and duly valued by the assessor. In case any property, real or personal shall have been omitted, the board shall place it upon the list with its market value, and correct the assessment so that each tract or lot of real property, and each article, parcel, or class of personal property, shall be entered on the assessment list at its market value; but no assessment of the property of any person shall be raised until he has been duly notified of the intent of the board so to do. On application of any person feeling aggrieved, the board shall review the assessment or classification or both, and correct it as shall appear just. A majority of the members may act at such meeting, and adjourn from day to day until they finish the hearing of all cases presented. The assessor shall attend, with his assessment books and papers, and take part in the proceedings, but shall not vote. The county assessor, or an assistant delegated by him shall attend such meetings. The board shall list separately, on a form appended to the assessment book, all omitted property added to the list by the board and all items of property increased or decreased, with the market value of each item of property, added or changed by the board, placed opposite such item. The county assessor shall enter all changes made by the board in the assessment book.

(b) If a person fails to appear in person, by counsel, or by written communication before the board after being duly notified of the board's intent to raise the assessment of his property, or if a person feeling aggrieved by an assessment or classification fails to apply for a review of the assessment or classification, he may not appear before the county board of equalization for a review of his assessment or classification, except when an assessment was made subsequent to the meeting of the board, as provided in section 273.01, or that he can establish that he did not receive notice of his market value at least five days before the local board of review meeting.

The board of review, and the board of equalization of any city, unless a longer period is approved by the commissioner of revenue, shall complete its work

MINNESOTA STATUTES 1982

and adjourn within 20 days from the time of convening specified in the notice of the clerk and no action taken subsequent to such date shall be valid. All complaints in reference to any assessment or classification made after the meeting of such board, shall be heard and determined by the county board of equalization. Any non-resident may, at any time, before the meeting of the board of review file written objections to his assessment or classification with the county assessor and if any such objections are filed they shall be presented to the board of review at its meeting by the county assessor for its consideration.

Subd. 2. The council or other governing body of any city, including cities whose charters provide for a board of equalization, may appoint a special board of review to which it may delegate all of the powers and duties specified in subdivision 1. The special board of review shall serve at the direction and discretion of the appointing body, subject to the restrictions imposed by law on the appointing body. The appointing body shall determine the number of members to be appointed thereto, the compensation and expenses to be paid, and the term of office of each member. At least one member of the special board of review shall be an appraiser, realtor or other person familiar with property valuations in the assessment district.

274.03 NOTICE OF MEETING.

He shall also foot the total amounts of the several columns under the respective headings. On or before the first Monday of May he shall return to the county auditor his assessment books, and deliver therewith the lists and statements of all persons assessed, all of which shall be preserved in the office of the auditor. 274.07 LIST BY PERSON SICK OR ABSENT.

If any person required to list property for taxation is prevented by sickness or absence from giving to the assessor such statement, such person, or his agent

having charge of such property, may, at any time before the extension of taxes thereon by the county auditor, make and deliver a statement of the same, as required by this chapter, to the auditor, who shall make an entry thereof, and correct the corresponding items in the return made by the assessor, as the case may require; but no such statement shall be received from any person who refused or neglected to make oath to his statement when required by the assessor; nor from any person, unless he makes and files therewith an affidavit that he was absent from his town or district without design to avoid the listing of his property, or was prevented by sickness from giving to the assessor the required statement when called on for that purpose.

274.08 CORRECTION OF BOOKS.

The county auditor shall carefully examine the assessment books returned to him. If any property has been omitted, he shall enter the same upon the proper list, and forthwith notify the assessor making such omission, who shall immediately ascertain the value thereof and correct his original return. In case of the inability or neglect of the assessor to perform this duty, the auditor shall ascertain the value of such property and make the necessary corrections.

History: *RL s 852 (2042)*

274.09 CORRECTION OF FALSE LISTS AND RETURNS.

If the county auditor has reason to believe or is informed that any person has given to the assessor a false statement of his personal property, or that the assessor has not returned the full amount of all property required to be listed in his town or district, or has omitted, or made an erroneous return of, any property subject to taxation, he shall proceed, at any time before the final settlement with the county treasurer, to correct the return of the assessor, and to charge the owners of such property on the tax lists with the proper amount of taxes. For such purpose the county auditor may issue compulsory process, require the attendance of any person whom he may suppose to have a knowledge of the property, or its value, and may examine such person, on oath, in relation to such statement or return. In all such cases, before making the entry on the tax list, the county auditor shall notify the person required to list that he may have an opportunity to show that his statement or the return of the assessor is correct; and the county auditor shall file in his office a statement of the facts or evidence upon which he made such corrections. In no case shall the county auditor reduce the amount returned by the assessor without the written consent of the commissioner of revenue, on a statement of the case submitted by the county auditor or the party aggrieved.

274.10 PROPERTY OMITTED OR UNDERVALUED.

Subdivision 1. **Examiner; appointment, duties.** When it shall be made to appear to the governor by verified complaint, or by the finding of a court or of the legislature, or any committee thereof, that any considerable amount of property in any county has been improperly omitted from the tax lists and assessment roll of such county for any year; or, if assessed, that the same has been grossly undervalued by the assessor or other county officials, whether or not such assessment has been reviewed by the county board of equalization, he shall appoint, in writing, some competent citizen of the state, not a resident of such county, as examiner, to ascertain the character, location, value, and ownership of the real and personal property in such county so omitted or undervalued, who, before entering upon his duties, shall take an oath faithfully to perform such

duties. Such person shall forthwith examine the subject, and prepare a report, in duplicate, attaching thereto a list showing the character, location, ownership, and valuation of all such property, with the year or years for which the same, or any part thereof, has been omitted or undervalued. Such list shall also show opposite each piece or parcel of land or item of personal property undervalued, the amount of the assessment, and the actual and market value thereof at the time the same should have been assessed, and the difference between the assessed and the actual value thereof as so found. On or before January first, in the year in which any such assessment is to be made, he shall file one duplicate report and list with the auditor of such county, and the other with the commissioner of finance. Such lists shall be verified substantially, as follows:

"I,, do solemnly swear that I have personally examined the real and personal property in the foregoing list described, and that the same is a correct and full list of all the real and personal property subject to taxation in said county, and omitted from taxation for the years therein stated, or, if assessed for said years, grossly undervalued, so far as I have been able to ascertain the same, and that the character, location, ownership, and valuation thereof as set down in the proper column, opposite the several kinds and pieces of property, are just and true, to the best of my knowledge and belief."

Subd. 2. **Deputies; appointment, duties.** Such examiner, when necessary to enable him properly to perform his duties within the time prescribed by law, with the approval of the governor, may appoint one or more well-qualified citizens of the state as deputies to assist him in the performance of his duties. These deputies shall perform such duties as shall be assigned them by the examiner, first taking an oath faithfully to perform such duties.

Subd. 3. **Compensation of examiner and deputies.** Such examiner shall receive for his services \$3, and each of his deputies \$2, for every day in which they are necessarily employed in the performance of their duties, and their necessary expenses. Upon the approval by the governor, such compensation and expenses shall be paid out of the general fund in the state treasury. The respective counties shall reimburse the state therefor two years after the same are incurred. The state auditor shall notify the auditor of such county of the amount thereof, whereupon the county auditor shall levy a tax on the taxable property in his county sufficient to pay the same, and, when collected, the proceeds thereof shall be forthwith paid into the state treasury in the same manner as other state taxes.

The taxes upon all property named in the list of the examiner appointed as provided in section 274.10, and found to have been omitted from or undervalued in the tax list for any year, shall be a lien upon all the real property owned in such county by any person named in such duplicate list as the owner thereof, from the time when such list shall be filed with the county auditor until the same are paid, and may be satisfied out of the sale of any property in such county owned by any person so assessed.

He shall also make

the necessary corrections in any assessment theretofore made so as to make the same correspond with the market value of the property as returned in such list, and correct his returns accordingly. The auditor shall proceed thereon as provided by sections 273.02 and 274.09. When the auditor shall find from any such list that any property has been omitted from or undervalued in the lists of any prior year or years, he shall forthwith enter the same on the assessment and tax books for the year or years in which the same was omitted or undervalued, and shall assess such omitted and undervalued property at the valuation and amounts so shown, and extend the arrearages of taxes on such property accruing against the same upon the tax list for the current year, and collect the same as other taxes. Any assessor or county auditor who shall neglect to perform any duty required by this section shall be guilty of a misdemeanor; and, in addition to the usual penalty, shall be liable on his official bond for all taxes on any and all property named in such examiner's list.

274.13 COUNTY BOARD OF EQUALIZATION.

Subdivision 1. (a) The county commissioners, or a majority of them, with the county auditor, or, if he cannot be present, the deputy county auditor, or, if there be no such deputy, the clerk of the district court, shall form a board for the equalization of the assessment of the property of the county, including the property of all cities whose charters provide for a board of equalization. The board shall meet annually, on the date specified in section 274.14, at the office of the auditor and, each member having taken an oath fairly and impartially to perform his duties as such, shall examine and compare the returns of the assessment of property of the several towns or districts, and equalize the same so that each tract or lot of real property and each article or class of personal property shall be entered on the assessment list at its market value, subject to the following rules:

(1) The board shall raise the valuation of each tract or lot of real property which in its opinion is returned below its market value to such sum as is believed to be the market value thereof; first, giving notice of intention to do so to the person in whose name it is assessed, if a resident of the county, which notice shall fix a time and place when and where a hearing will be had;

(2) The board shall reduce the valuation of each tract or lot which in its opinion is returned above its market value to such sum as is believed to be the market value thereof;

(3) The board shall raise the valuation of each class of personal property which in its opinion is returned below its market value to such sum as is believed to be the market value thereof; and shall raise the aggregate value of the personal property of individuals, firms, or corporations, when it believes that such aggregate valuation, as returned, is less than the market value of the taxable personal property possessed by such individuals, firms, or corporations, to such sum as it believes to be the market value thereof; first giving notice to such persons of intention to do so, which notice shall fix a time and place when and where a hearing will be had;

(4) The board shall reduce the valuation of each class of personal property enumerated in section 273.49 which is returned above its market value to such sum as it believes to be the market value thereof; and, upon complaint of any party aggrieved, the board shall reduce the aggregate valuation of the personal property of such individual, or of any class of personal property for which he is assessed, which in its opinion has been assessed at too large a sum, to such sum as it believes was the market value of his personal property of such class;

(5) The board shall not reduce the aggregate value of all the property of its county, as submitted to the county board of equalization, with the additions made thereto by the auditor as in this chapter required, by more than one percent of the whole valuation thereof; but the board may raise the aggregate valuation of such real property, and of each class of personal property, of the county, or of any town or district thereof, when it believes the same is below the market value of the property, or class of property, to such aggregate amount as it believes to be the market value thereof;

(6) The board shall change the classification of any property which in its opinion is not properly classified;

(b) If a person, other than a public utility, mining company or the metropolitan airport commission for which the original assessments are determined by the commissioner of revenue, fails to appear in person, by counsel, or by written communication before the county board after being duly notified of the board's intent to raise the assessment of his property, or if a person fails to appeal a decision of the board of review as described in section 274.01 subsequent to his appearance before the local board, he may not appear before the commissioner of revenue as provided for in section 270.11, subdivisions 5 and 6, to contest the valuation.

Subd. 2. The board of equalization for any county as it is duly constituted, may appoint a special board of equalization to which it may delegate all of the powers and duties specified in subdivision 1. The special board of equalization shall serve at the direction and discretion of the appointing county board, subject to the restrictions imposed by law on the appointing board. The county auditor shall be a nonvoting member and serve as the recorder for the special board.

Subdivision 1. Each manufactured home constituting class 2a property shall be valued each year by the assessor and be assessed with reference to its value on January 2 of that year. Notice of the value shall be mailed to the person to be assessed at least ten days before the meeting of the local board of review or equalization. The notice shall contain the amount of valuation in terms of market value, the assessor's office address, and the date, place, and time set for the meeting of the local board of review or equalization and the county board of equalization.

due by applying the rate of levy of the preceding year and shall transmit a list of the taxes to the county treasurer not later than May 30.

Subd. 3. Not later than July 15 in the year of assessment the county treasurer shall mail to the taxpayer a statement of tax due on class 2a property. The taxes shall be due on the last day of August. Taxes remaining unpaid after the due date shall be deemed delinquent, and a penalty of eight percent shall be assessed and collected as part of the unpaid taxes. On September 30 the county treasurer shall make a list of taxes remaining unpaid and shall certify the list immediately to the clerk of district court, who shall issue warrants to the sheriff for collection.

Subd. 4. Any person who claims that his class 2a property has been unfairly or unequally assessed, or that such property has been assessed at a valuation greater than its real or actual value, or that the tax levied against the same is illegal, in whole or in part, or has been paid, or that the property is exempt from the tax so levied, may have the validity of his claim, defense or objection determined by the district court of the county in which the tax is levied or by the tax court by filing a petition for such determination, in the office of the clerk of the district court on or before the first day of September of the year in which such tax becomes payable. A petition for determination under this section may be transferred by the district court to the tax court.

Subd. 5. The right to continue prosecution of the petition shall be conditioned upon the payment of the tax when due unless the court permits the petitioner to continue prosecution of the petition without payment, or with a reduced payment, pursuant to section 277.011, subdivision 3. The petitioner, upon ten days notice to the county attorney and to the county auditor, given at least ten days prior to the last day of August, may apply to the court for permission to continue prosecution of the petition without payment or with a reduced payment.

Subd. 6. If the local board of review or equalization or the county board of equalization change the assessor's valuation of class 2a property, the change shall be transmitted to the county auditor, who shall immediately recompute the tax and advise the treasurer of the corrected tax. If the property is entitled to homestead classification and tax credit pursuant to section 273.13, subdivision 16, the auditor shall also take appropriate action to reflect the reduction in tax.

Subd. 7. The tax assessed on class 2a property shall be deemed to be a personal property tax and laws relating to assessment, review, and collection of personal property taxes shall be applicable to this tax, if not inconsistent with provisions in Laws 1975, Chapter 376.
