340.11 LICENSES.

Subdivision 1. **Prohibitions.** It shall be unlawful for any person, directly or indirectly, upon any pretense or by any device, to manufacture, import, sell, exchange, barter, dispose of, or keep for sale any intoxicating liquor without first having obtained a license therefor. Sales, however, may be made without a license, as authorized by subdivision 15. Nothing herein shall prohibit the natural fermentation of fruit juices in the home for family use, or by an institution of higher education for scientific, experimental or educational purposes only.

Subd. 2. **Wholesalers' and manufacturers' licenses.** Manufacturers' and wholesalers' licenses shall be issued by the commissioner of public safety.

A manufacturer's or wholesaler's license shall include the right to import. The business of manufacturer and wholesaler may be combined and carried on under one license issued therefor.

Subd. 3. **Common carrier licenses.** The commissioner of public safety may license a person certificated by either the state of Minnesota or the United States of America, or an agency thereof, as a common carrier engaged in the business of transporting persons for hire in interstate or intrastate commerce to sell intoxicating liquor, but no such license shall be issued unless such common carrier serves meals or lunches in the place where such intoxicating liquor is to be sold. A person applying for such a license shall pay the commissioner of public safety a fee of \$100 per annum. The expiration date of each license issued shall be determined by the commissioner of public safety. A duplicate of each license shall be posted in each place where intoxicating liquor is sold by such person and shall be obtained from the commissioner of public safety upon the payment of a \$10 fee for each duplicate. A licensee under this provision may serve intoxicating liquor only to a bona fide passenger thereof who is actually being transported in interstate or intrastate commerce.

Subd. 3a. **Lake Superior tour boats.** Notwithstanding any law to the contrary, the commissioner of public safety may license any person regularly engaged, on an annual or seasonal basis, in the business of offering tours by boat upon Lake Superior and adjacent bays to sell intoxicating liquor at on-sale each day of the week for consumption upon the boats. The license shall authorize the on-sale of intoxicating liquor both while the boats are underway or in use or attached to a dock or other mooring. No license shall be issued unless each boat used in the tour business regularly sells meals in the place where intoxicating liquor is sold.

All sales of intoxicating liquor made upon the boats while they are attached to a dock or other mooring shall be subject to any restrictions on liquor sales prescribed by the governing body of the city where the boats are attached, or of the county when they are attached outside a city, and any governing body may prohibit liquor sales within its jurisdiction, but no governing body may require any additional license, or require any fee or occupation tax, for the sales; provided, that any city in which a boat licensed pursuant to this subdivision is moored continually for a period of at least three consecutive months may require a boat to obtain a license to sell intoxicating liquor at on-sale during the time it is so continually moored, and may charge a fee for such a license not to exceed one-half the fee charged for a comparable all-year on-sale license. Any license issued by a city pursuant to this subdivision shall be in addition to the number authorized by subdivision 5a.

A license shall be displayed at all times in the area of each boat where intoxicating liquor is sold. In the event that a person applying for a license operates more than one boat, a duplicate copy of the license shall be obtained from the commissioner and displayed on each boat. The cost for each license and each duplicate copy of a license shall be \$1,000 annually payable to the commissioner upon application for a license or duplicate. No more than three licenses or duplicate copies shall be issued for boats providing tours originating in any one licensing jurisdiction.

The person applying for a license or duplicate copy hereunder shall provide a bond in the same manner and amount and meeting the same requirements as that required of common carriers under section 340.12.

Subd. 4. **Off-sale licenses.** "Off-sale" licenses issued by any municipality shall not be effective until approved, together with the bond, by the commissioner of public safety, but no fee shall be payable to such commissioner for such approval.

Subd. 5. **On-sale licenses.** "On-sale" licenses shall be granted and the annual license fee therefor shall be fixed in advance at a specified sum for the year by the respective municipalities authorized to issue licenses, and each municipality may revoke a license issued by it for cause. A municipality issuing an "on-sale" license shall within ten days after such issuance submit to the commissioner of public safety the full name and address of each person granted a license, and other information, including the trade name, the effective license date, the date of expiration and any change of address, transfer, cancellation or the revocation of such license by the municipality during the license period. No "on-sale" license shall be issued contrary to any of the provisions of the intoxicating liquor act.

Subd. 5a. **Number of on-sale licenses.** Except as provided in subdivision 18, or as otherwise provided by law, no on-sale licenses shall be issued in any city in excess of the following limitations, which shall apply equally to all cities regardless of whether a municipal liquor store is maintained:

(a) In cities of the first class, one license may be issued for every 1,500 population, up to a maximum of 200 licenses.

(b) In cities of the second class, not more than 18 licenses may be issued, plus one additional license for every 2,500 population in excess of 45,000.

(c) In cities of the third class, not more than 12 licenses may be issued.

(d) In cities of the fourth class, including those cities whose acts of incorporation are repealed by Laws 1973, Chapter 123, Article V, Section 5, not more than seven licenses may be issued.

(e) In statutory cities of 5,000 to 10,000 population, not more than six licenses may be issued.

(f) In statutory cities of 2,500 to 5,000 population, not more than five licenses may be issued.

(g) In statutory cities of 500 to 2,500 population, not more than four licenses may be issued.

(h) In statutory cities of under 500 population, not more than three licenses may be issued.

For purposes of this subdivision the term "statutory city" does not include those cities whose acts of incorporation are repealed by Laws 1973, Chapter 123, Article V, Section 5.

For purposes of this subdivision, population shall be determined by the most recent federal decennial census or by any special census taken pursuant to law.

This subdivision shall not be construed to increase or decrease the number of on-sale licenses which may be issued in any municipality.

Subd. 6. MS 1974 [Repealed, 1975 c 345 s 7]

Subd. 7. MS 1974 [Repealed, 1975 c 345 s 7]

Subd. 7a. **Annexation or consolidation.** Except for the limitations on ownership of licenses imposed by section 340.13, subdivision 3, a license validly issued within the number prescribed by this section shall not be subsequently rendered invalid or illegal by reason of any consolidation or annexation of territory to a city, and may thereafter continue to remain in effect and be renewed. Any such license which is located in territory which is annexed to or consolidated with a municipality which operates a municipal liquor store may thereafter continue in effect and be renewed, and the provisions, including restrictions and limitations, set forth in subdivision 5a and section 340.353, subdivision 5, shall not apply to the issuance or renewal of such licenses.

Subd. 8. **Additional on-sale licenses; St. Louis county.** In St. Louis county, if the commissioner of public safety also approves, the governing body in cities of the third class may grant 15 "on-sale" licenses and in cities of the fourth class, including those cities whose acts of incorporation are repealed by Laws 1973, Chapter 123, Article 5, Section 5, may issue nine "on-sale" licenses and in statutory cities having a population of more than 2,500, and less than 5,000, six "on-sale" licenses. For purposes of this subdivision the term "statutory city" does not include those cities and boroughs whose acts of incorporation are repealed by Laws 1973, Chapter 123, Article 5, Section 5. This section shall not be construed to increase or decrease the number of "on-sale" licenses that may be issued in any municipality.

Subd. 9. MS 1949 [Repealed, 1953 c 695 s 3]

Subd. 9. **On-sale licenses; certain airports.** An on-sale license may be issued for the sale of intoxicating liquors in hotels, restaurants, and establishments for the sale of on-sale liquors in major airports operated by public corporations organized and existing under sections 473.601 to 473.679, which are operated by such public corporations as terminals for regular, scheduled air passenger service where the lands or any part thereof constituting the same have been detached from cities under and pursuant to sections 473.625 to 473.631.

Subd. 10. **On-sale licenses; counties.** (1) On-sale licenses may be issued for the sale of intoxicating liquors by any county herein provided for.

(2) A county board may issue an "on-sale" license for the sale of intoxicating liquors within the unorganized or unincorporated area of the county, to a restaurant or to a club, with the approval of the commissioner of public safety. No license may be issued or renewed under this clause until the county board has secured a written statement of the sheriff concerning the applicant. The statement must include a recital that to the best of his knowledge the applicant has not, within five years before the date of application, violated any law relating to the sale of non-intoxicating malt liquor or intoxicating liquors and that in his judgment the applicant will comply with the laws and regulations relating to the conduct of the business if the license is issued or renewed. Before issuing or renewing a license, the county board shall consider the statement of the sheriff, the character and reputation of the applicant, the nature of the business to be conducted, the type of premises, and the propriety of the location of the business.

All licenses issued pursuant to this clause are subject to the appropriate provisions of the intoxicating liquor act except as otherwise provided herein. The license fee for an on-sale license issued pursuant to this section or pursuant to any other law governing the issuance of a license by a county shall be fixed by the county board. The fee must be in an amount competitive with similar licensing fees in comparable areas where intoxicating liquor is sold at on-sale. If the licensed premises to which a license issued pursuant to this section or any other law governing the issuance of a license by a county is located in a town, an additional license fee may be set by the town board in an amount not to exceed 20 percent of the county license fee. No premises located in a town may be licensed by the county board unless a resolution of the town board of supervisors indicating its support for the granting of the license is filed with the application for the license. If the town board of supervisors refuses or fails to adopt a resolution indicating its opposition within 30 days after receiving notice of the application, it shall be presumed that it supports the application, and the premises may be licensed.

No license may be issued by a county board pursuant to this section to a person who directly or indirectly has been issued an intoxicating liquor license by the county board or by the governing body of any city located within the county. Nothing in this paragraph shall be construed to prohibit the re-issuance of an intoxicating liquor license already issued pursuant to law as of June 5, 1975.

Subd. 10a. **Off-sale licenses; certain counties.** (1) Off-sale licenses may be issued for the sale of intoxicating liquors by certain counties herein provided for.

(2) A county board of any county containing unorganized area may issue an off-sale liquor license within any unorganized area of the county to an exclusive liquor store with the approval of the commissioner of public safety.

All licenses issued pursuant to this clause shall be governed by the appropriate provisions of the intoxicating liquor act except as otherwise provided herein. The license fee for an off-sale license issued pursuant to this section shall be fixed by the county board in an amount not to exceed \$500.

Subd. 10b. **Off-sale licenses; towns.** The town board of any town exercising powers pursuant to section 368.01, subdivision 1, may issue off-sale licenses for the sale of intoxicating liquor to exclusive liquor stores with the approval of the commissioner of public safety. Licenses issued under this subdivision shall be governed by the appropriate provisions of the intoxicating liquor act except as provided otherwise by this subdivision. The fee for a license shall be fixed by the board in an amount not to exceed \$500.

Subd. 11. **On-sale licenses, including hotels, clubs, restaurants, and on-sale exclusive liquor stores.** "On-sale" licenses may be issued by municipalities for the

sale of intoxicating liquors in hotels, clubs, restaurants and establishments for the sale of "on-sale" liquors exclusively within the number authorized by this section. In addition to the number of licenses authorized by this section, an "on-sale" license may be issued, if approved by the commissioner of public safety, to a bona fide club which has been in existence for 15 years or more or to a congressionally chartered veterans' organization which has been in existence for five years. The club or veterans' organization must be incorporated in order to be eligible to apply for a license, and the license issued must be for the sale of intoxicating liquors to members and bona fide guests only. The license fee for an "on-sale" license issued by a municipality pursuant to this subdivision shall be in an amount determined by the governing body thereof subject to the following limitations: up to \$300 for a veterans organization or fraternal club with a membership of 200 or less; up to \$500 for a veterans organization or fraternal club with a membership of between 201 and 500; up to \$650 for a veterans organization or fraternal club with a membership of between 501 and 1,000; up to \$800 for a veterans organization or fraternal club with a membership of between 1,001 and 2,000; up to \$1,000 for a veterans organization or fraternal club with a membership between 2,000 and 4,000; up to \$2,000 for a veterans organization or fraternal club with a membership of between 4,001 and 6,000; and up to \$3,000 for a veterans organization or fraternal club with a membership of more than 6,000. For purposes of the maximum license fee which may be imposed by a municipality pursuant to this subdivision, "fraternal club" means a club which serves only members and their guests and which uses any profits derived from these sales principally for sponsoring activities beneficial to the community and not for the benefit of any individual. Except in cities of the first, second, and third class, a license may be issued jointly to congressionally chartered veterans' organizations that otherwise qualify under this subdivision.

Subd. 11a. **On-sale licenses to certain sports commissions.** Notwithstanding any law or municipal charter provision to the contrary, on-sale licenses for the sale of intoxicating liquor may be issued to establishments located on lands owned by the commission created in sections 473.551 to 473.595 and which are used primarily for sports and recreational purposes upon payment of the regular on-sale license fee therefor to the municipality wherein the licensed premises are located. Such licenses shall authorize the sale of intoxicating liquor to club members and guests only.

Subd. 11b. **On-sale licenses to certain nonprofit corporations.** "On-sale" licenses for the sale of intoxicating liquor may, in the discretion of the municipality, be issued in a city of the first class to a nonprofit corporation which was organized prior to January 1, 1972 to promote, stimulate, and support community education, appreciation and development of the theater and cultural arts through dramatic performances and other means and which has operated a repertory theater in the city since at least January 1, 1972. The licenses may be issued notwithstanding any limitations imposed by law, charter or ordinance relating to liquor patrol limits, zoning, or school or church distance limitations. The licenses shall be in excess of any limitations imposed by subdivision 5a. The licenses may authorize sales on all days of the week. All other laws, charter provisions, or ordinances relating to the licensing and regulation of on-sale liquor establishments, including the granting, renewal, suspension or revocation of licenses shall apply. A license issued pursuant to this subdivision shall authorize the sale of intoxicating liquor only to holders of tickets to dramatic performances presented by the nonprofit corporation and members of the nonprofit corporation and their guests.

Subd. 11c. **Sale of liquor at sports or convention facilities.** The governing body of any municipality as defined in section 340.07, subdivision 11, may by ordinance authorize any holder of an on-sale intoxicating liquor license issued by

the municipality or by an adjacent municipality to dispense intoxicating liquor at any convention, banquet, conference, meeting or social affair conducted on the premises of a sports or convention facility owned by the municipality or instrumentality thereof having independent policymaking and appropriating authority, and located within the municipality. The licensee must be engaged to dispense intoxicating liquor at such an event held by a person or organization permitted to use the premises, and may dispense intoxicating liquor only to persons attending the event. The licensee shall not dispense intoxicating liquor to any person attending or participating in any amateur athletic event held on the premises. The dispensing of intoxicating liquor shall be subject to all laws and ordinances governing the dispensing of intoxicating liquor as are not inconsistent herewith. All dispensing of intoxicating liquor shall be in accordance with terms and conditions prescribed by the municipality, and such terms and conditions may limit the dispensing of intoxicating liquor to designated areas of the facility. The municipality may fix and assess a fee to be paid to the municipality by an on-sale licensee for each occasion where the licensee is engaged to dispense intoxicating liquor. The authority granted by this subdivision shall not be construed as counting as an additional on-sale intoxicating liquor license for purposes of determining the number of liquor licenses permitted to be issued under the provisions of section 340.11.

Subd. 12. On-sale-off-sale and combination on-sale and off-sale licenses. A city of the fourth class, or a statutory city of 10,000 inhabitants or less, may issue an "on-sale" license and an "off-sale" license to the same licensee or, in lieu of issuing an "off-sale" and an "on-sale" license separately to such licensee, may issue a combination "off-sale" and "on-sale" license. Whenever the population of a city of the fourth class, or a statutory city, is reported by a federal census to have increased in population to more than 10,000 inhabitants, such city, may continue to issue an "off-sale" license to an "on-sale" licensee or a combination license in lieu of a separate "off-sale" license and a separate "on-sale" license in the same manner as it issued the same prior to such increase in population.

Subd. 13. Off-sale licenses; number. "Off-sale" licenses may be granted in accordance with the following:

(1) In cities of the first class not more than one "off-sale" license for each 5,000 inhabitants thereof; such a license may be issued only to the proprietor of a drug store, or a general food store, or an exclusive liquor store.

(2) In all cities other than cities of the first class, the number of "off-sale" licenses to be issued shall be determined by the governing body thereof. In such cities, an "off-sale" license shall be issued only to a proprietor of a drug store or an exclusive liquor store except as otherwise provided in this section.

Subd. 14. License fees. The license fees to be paid before the issuance of licenses shall be as provided in clauses (a), (b), (c), (d).

(a) Except as provided in clauses (b), (c), and (d), any manufacturer shall pay to the state annually a license fee of \$7,500, and a fee of \$3,000 for each duplicate thereof.

(b) Any manufacturer of wines containing not more than 25 percent of alcohol by volume shall pay to the state annually a fee of \$500.

(c) Except as provided in clauses (a), (b), (d), any wholesaler shall pay to the state annually a license fee of \$7,500, and a fee of \$3,000 for each duplicate thereof.

(d) Any wholesaler of wines containing not more than 25 percent of alcohol by volume shall pay to the state annually a fee of \$750.

(e) The maximum license fee for an "off-sale" license in the cities of the first class shall be the sum of which, together with any occupation tax that may be

imposed by a municipality issuing said "off-sale" license, will not exceed the sum of \$1,000 annually; in all cities of over 10,000 population, except cities of the first class, the maximum license fee for an "off-sale" license shall be \$200; in all cities with a population between 5,000 and 10,000 the maximum license fee shall be \$150; in all cities of 5,000 population or less, the maximum license fee shall be \$100. All such license fees for "off-sale" licenses shall be payable to the municipalities issuing the license. Where such licenses shall be issued for less than one year, a fee may be a pro rata share of the annual license fee.

Subd. 15. MS 1957 [Repealed, 1959 c 686 s 14; Ex1959 c 75 s 1]

Subd. 15. **Licenses not required.** It is lawful for a brewer to sell intoxicating malt beverages to his employee or to a former employee who is retired because of age or physical disability. Such beverages shall be sold for consumption off the premises only, and the amount sold to any one person in any one week shall not exceed 768 fluid ounces. The requirements of law relating to minimum prices for the sale of intoxicating malt beverages shall not apply to sales made under this subdivision, nor shall any license be required for the making of such sales. It is also lawful for a collector of commemorative bottles, as these terms are defined in section 340.44, to sell commemorative bottles to another collector without obtaining a license.

Subd. 16. **Expiration date.** All intoxicating liquor licenses issued by a municipality other than a city of the first class, except manufacturers' and wholesalers' licenses, shall expire on the same date.

Subd. 17. **Municipal restrictions.** Any local authority shall have power to impose further restrictions and regulations upon the sale and possession of intoxicating liquor within its limits.

Subd. 18. **Additional licenses; referendum.** The governing body of any city, including statutory cities and cities issuing "on-sale" licenses pursuant to section 340.353 may issue "on-sale" licenses in excess of the number authorized by this section, upon authorization by the voters of the municipality voting at a special election called for such purpose or at the general election in the municipality. Such governing body may by majority vote direct that either of the following questions be placed on the ballot at a special election called for such purposes or at a general election of the city: "Shall the city council be allowed to issue "on-sale" licenses for the sale of intoxicating liquor at retail in excess of the number now permitted by law?", or: "Shall the city council be allowed to issue "on-sale" licenses for the sale of intoxicating liquor at retail in addition to the number now permitted by law?" If a majority of voters voting on the question at such election vote in the affirmative, the governing body may issue "on-sale" licenses in such number as shall be determined by the referendum.

Subd. 19. **Reissuance of licenses, certain cities.** The governing body of any city in which real property or the buildings thereon have been taken for a public purpose by negotiation or eminent domain proceedings, and such property was actually and lawfully used for the sale of intoxicating liquors immediately prior to such taking, and in which city there is any territory in which sales of intoxicating liquors have been prohibited by city charter, or law of this state, is hereby authorized and empowered, by a majority vote of the governing body therefor, in addition to the number of licenses issued in such prohibited territory, to reissue such license at any location, including hotels, in said city, which location shall be subject to all limitations, now prescribed by any law of this state. Provided further that any change of location due to a taking after July 1, 1972, must be accomplished by July 1, 1976, but all licenses issued, renewed, reissued, transferred, relocated pursuant to this section or any other similar provision of state law, may continue to be renewed, reissued, transferred or relocated pursuant to the terms thereof.

Subd. 20. **On-sale wine licenses.** (a) "On-sale wine licenses" shall mean licenses authorizing the sale of wine not exceeding 14 percent alcohol by volume, for consumption on the licensed premises only, in conjunction with the sale of food.

(b) For purposes of this subdivision "restaurant" shall mean an establishment, under the control of a single proprietor or manager, having appropriate facilities for serving meals, and where, in consideration of payment therefor, meals are regularly served at tables to the general public, and which employs an adequate staff to provide the usual and suitable service to its guests.

(c) Any municipality which maintains a municipal liquor store or any municipality or county authorized to issue "on-sale" licenses for the sale of intoxicating liquor may issue on-sale wine licenses to any restaurant having facilities for seating not fewer than 25 guests at one time. The licenses shall be in addition to the number of on-sale licenses for the sale of intoxicating liquor authorized by the intoxicating liquors act. The fee for on-sale wine licenses shall be set by the issuing authority, but shall not exceed one-half of the license fee charged by the issuing authority for an on-sale license, or \$2,000, whichever is less. Licenses issued pursuant to this subdivision shall not be effective until approved by the commissioner. The licenses shall authorize the sale of wine as herein provided on all days of the week unless the issuing authority restricts the license's authorization to the sale of wine on all days other than Sunday.

Subd. 21. **Liability insurance.** Every person licensed to sell at retail intoxicating liquor or non-intoxicating malt liquor at on-sale or off-sale shall, after March 1, 1983, demonstrate proof of financial responsibility with regard to liability imposed by section 340.95, to the commissioner of public safety as a condition of the issuance or renewal of his license, provided this subdivision does not apply to non-intoxicating malt liquor licensees with sales of less than \$10,000 of non-intoxicating malt liquor per year, nor to holders of on-sale wine licenses under subdivision 20, with sales of less than \$10,000 of wine per year. Proof of financial responsibility may be given by filing:

(a) A certificate that there is in effect an insurance policy or pool providing the following minimum coverages;

(1) \$50,000 because of bodily injury to any one person in any one occurrence, and, subject to the limit for one person, in the amount of \$100,000 because of bodily injury to two or more persons in any one occurrence, and in the amount of \$10,000 because of injury to or destruction of property of others in any one occurrence.

(2) \$50,000 for loss of means of support of any one person in any one occurrence, and, subject to the limit for one person, \$100,000 for loss of means of support of two or more persons in any one occurrence; or

(b) A bond of a surety company with minimum coverages as provided in clause (a), or

(c) A certificate of the state treasurer that the licensee has deposited with him \$100,000 in cash or securities which may legally be purchased by savings banks or for trust funds having a market value of \$100,000.

This subdivision does not prohibit a local governing unit from requiring higher insurance or bond coverages, or a larger deposit of cash or securities than is required hereunder, as a condition of issuance or renewal of a retail intoxicating liquor or non-intoxicating malt liquor on-sale or off-sale license.

The commissioner of insurance shall advise licensees and municipalities subject to the financial responsibility requirements of this subdivision of those persons offering insurance coverage. The commissioner of insurance may, if

necessary, establish an assigned risk pool by rule adopted under the administrative procedure act, sections 14.01 to 14.70.

340.113 IMPORTERS OF INTOXICATING LIQUORS.

Subdivision 1. **Licenses.** No intoxicating liquor or ethyl alcohol shall be shipped into this state by any distiller, rectifier, winer, or wholesale distributor, or any other person, to any licensed Minnesota manufacturer or wholesale dealer unless and until such distiller, rectifier, winer, wholesale distributor, or such other person has secured a license from the commissioner of public safety permitting him so to do.

Subd. 2. **License, application, renewal.** Such licenses shall be issued by the commissioner of public safety for the term of one year, and must be renewed annually. Application for such a license shall be made to the commissioner of public safety. The form of application shall contain an agreement on the part of the applicant that he will observe all of the laws of this state relating to the importation and sale of intoxicating liquor, and such other information and statements as the commissioner of public safety may require. Any person who has violated any of the laws of this state relating to intoxicating liquor shall not be entitled to such a license. The fee for each annual license shall be \$300 which shall accompany the application for license.

Subd. 3. **Licenses revoked for cause.** Licenses may be revoked by the commissioner of public safety for cause. Causes for the revocation thereof shall be any violation by the licensee of any law of this state relating to intoxicating liquor, or other conduct which justifies the commissioner in the belief that the licensee has sought to avoid or evade compliance with such laws.

Subd. 4. **Fees paid into revenue fund.** All sums collected by the commissioner of public safety from license fees hereunder shall be paid into the general fund of the state.

Subd. 5. **Violation.** Any distiller, rectifier, winer, wholesale distributor, or other person who ships or causes to be shipped into this state any intoxicating liquor or ethyl alcohol, without having a license so to do, as herein provided, shall be guilty of a gross misdemeanor and punished as prescribed by law.

Subd. 6. **Malt beverages excluded.** Nothing in this section includes malt beverages regardless of alcoholic content.

340.114 UNLAWFUL DISCRIMINATION PROHIBITED.

Subdivision 1. All licensed importers shall offer for sale on an equal basis to all licensed wholesalers and manufacturers all intoxicating liquor brought into the state of Minnesota.

Subd. 2. Without limiting subdivision 1, the following shall be deemed failures to offer intoxicating liquor for sale on an equal basis and are unlawful:

(a) A refusal to sell any intoxicating liquor to a wholesaler or manufacturer, which is offered for sale to any other wholesaler or manufacturer, except when a wholesaler or manufacturer is in arrears on payments for past purchases from the importer who refuses to sell.

(b) A sale of any intoxicating liquor to any wholesaler or manufacturer at a price different from that offered to any other wholesaler or manufacturer, exclusive of shipping costs, except that quantity discounts based upon actual cost savings may be uniformly offered to all wholesalers and manufacturers.

(c) A sale of any intoxicating liquor to any wholesaler or manufacturer on terms of purchase different from those offered any other wholesaler or manufacturer, except that when the importer reasonably believes that a wholesaler or manufacturer will be unable to comply with the existing terms of credit, then other terms may be employed, including denial of credit.

(d) Any discrimination among wholesalers and manufacturers in satisfying their respective demands for any intoxicating liquor.

(e) A sale conditioned upon an agreement which restricts the wholesaler or manufacturer with respect to customers, area for distribution, or resale price, or which otherwise restrains the wholesaler or manufacturer from competing in trade and commerce.

(f) For purposes of this subdivision and subdivision 1 only, the term "intoxicating liquor" shall not include "pop wines" as the same are defined by regulation of the commissioner.

Subd. 3. No licensed importer or manufacturer shall offer or sell to any licensed wholesaler any intoxicating liquor at a bottle or case price which is higher than the lowest price at which such item of liquor is contemporaneously being sold by such importer or manufacturer to any wholesaler anywhere in any other state of the United States or in the District of Columbia or to any state or state agency which owns and operates retail liquor stores.

In determining the lowest price for which any item of liquor is being sold in any other state or in the District of Columbia, or to any state or state agency which owns and operates retail liquor stores, appropriate reductions shall be made to reflect all discounts, rebates, free goods, allowances and other inducements of any kind whatsoever offered or given to any such wholesaler, state, or state agency purchasing such item in such other state or in the District of Columbia; provided that nothing contained herein shall prevent differentials in price which make only due allowance for differences in state taxes and fees, and in the actual cost of delivery. As used in this subdivision, the term "state taxes or fees" shall mean the excise taxes imposed or the fees required by any state or the District of Columbia based upon a gallon of liquor.

Subd. 4. Nothing in this section shall apply to any wines or malt beverages regardless of alcoholic content.

History: 1973 c 664 s 2

340.115 INTOXICATING MALT BEVERAGES MADE OUTSIDE STATE; SHIPMENT INTO STATE.

All intoxicating malt beverages, manufactured outside the state of Minnesota, may be shipped into this state for sale only to licensed Minnesota wholesalers and shall be unloaded into such wholesaler's warehouse in Minnesota and said licensed wholesaler shall distribute said intoxicating malt beverages from such warehouse. Provided that the requirements of this section as to warehousing shall not apply to a wholesaler located in any adjoining state which permits Minnesota wholesale licensees to deliver intoxicating malt beverages to retailers without warehousing in that state.

340.119 BOTTLE CLUBS; PENALTY.

Subdivision 1. For the purposes of this section, a bottle club is a "club," as defined in section 340.07, subdivision 15, or an unincorporated society which, except for its lack of incorporation, otherwise meets the requirements of a club, as defined in such section and subdivision, and which is not licensed for the sale of intoxicating liquor, either "on-sale" or "off-sale," or both.

Subd. 2. A bottle club may allow members to bring and keep a personal supply of intoxicating liquors in lockers assigned to such members. A bottle club or any unincorporated society which shall have more than 50 members and which shall have, for more than a year, owned, hired, or leased space in a building of such extent and character as may be suitable and adequate for reasonable and comfortable accommodations for its members, may allow members to bring and keep a personal supply of intoxicating liquors in lockers assigned to such members. Every bottle, container, or other receptacle containing intoxicating liquor stored by members shall have attached to it a label signed by the member of the club. All liquor on the premises of the club shall be labeled as herein required, and any not being actually used or consumed by the owner thereof shall be kept in a locker designated to the use of such member. It shall be unlawful for any club member under 19 years of age to be assigned a locker for the storage of intoxicating liquor, or to consume or display or be permitted to consume or display intoxicating liquor on any premises owned or controlled by such private club.

Subd. 3. It is unlawful for any bottle club or for any business establishment, directly or indirectly, or upon any pretense or by any device, to allow the consumption or display of intoxicating liquor or the serving of any liquid for the purpose of mixing of intoxicating liquor without having first obtained a permit therefor. Such permit may be issued by the commissioner of public safety after approval by the governing body of the county or city, for a period of one year to expire on July 1, next following issuance of such license, upon the payment of \$150 and must be renewed annually on July 1. Application for such permit shall be made to the commissioner of public safety. There is hereby conferred upon the governing body of each county and city in the state the authority to impose, in addition to the fee provided by this subdivision, a local license fee not exceeding \$300 per year, which shall be payable to the county and city imposing the fee.

Subd. 4. No person shall consume or display, or allow consumption or display of intoxicating liquor on any premises of a bottle club or a business establishment between the hours of one a.m. and eight a.m.; or between the hours of one a.m. and three p.m. on Memorial Day; or between the hours of one a.m. and eight p.m. on any primary, special, or general election day held in the district in which the bottle club or business establishment is located.

Subd. 5. Any bottle club or business establishment allowing the consumption or display of intoxicating liquor shall be open for inspection at all times by the commissioner of public safety and his designated agents and other duly authorized peace officers. Refusal to permit the commissioner of public safety and his designated agents or other duly authorized peace officers to enter and inspect the premises shall be a violation.

Subd. 6. No permit required by this section shall be issued to any bottle club when a member of the board, management, executive committee, or other similar body chosen by its members or when the business establishment or the owner thereof holds a federal retail liquor dealer's special tax stamp for the sale of intoxicating liquors.

Subd. 7. This section has no application to any person or any premises licensed for the sale of intoxicating liquor under the intoxicating liquor act, but any such person or premises, being a business establishment, is eligible for a permit authorized by this section.

Subd. 8. A violation of this section is a misdemeanor, and any violation of subdivision 2 is grounds for the revocation of such permit.

Subd. 9. Intoxicating liquors sold, served, or displayed in the presence of anyone authorized to inspect the premises, as provided in this section, in violation of this subdivision, shall be subject to seizure for purposes of evidence and, contingent upon determination by a court, shall be disposed of as provided in section 340.63.

Subd. 10. Notwithstanding any other provision of law, the governing body of any city may issue a one-day intoxicating liquor consumption and display permit to any non-profit organization in conjunction with a social activity occurring within the city and sponsored by the organization. Not more than ten such licenses shall be issued in any city in any year. The fee for the license shall not exceed \$25. The permit shall allow the consumption or display of intoxicating liquor and the serving of liquids for the purpose of mixing with intoxicating liquor, but shall not allow the sale of intoxicating liquor. The permit shall be valid only for the day indicated on it. No permit issued pursuant to this subdivision shall be valid unless first approved by the commissioner of public safety.

340.12 APPLICATION FOR LICENSE.

Every person desiring a license from the commissioner of public safety, shall file with him a verified written application in the form prescribed by the commissioner. All applicants for manufacturer's and wholesaler's licenses to sell intoxicating liquor shall file with the commissioner of public safety a bond with corporate surety to be approved by the commissioner of public safety before granting the license or cash or United States government bonds in the sum of \$10,000, according to the character of the license, made payable to the state of Minnesota. All applicants for a license to sell intoxicating liquors on any railroad train or other common carrier shall file with the commissioner of public safety a bond with corporate surety to be approved by the commissioner of public safety before granting the license or cash or United States government bonds in the sum of \$1,000. All manufacturers and wholesalers of wines containing not more than 25 percent of alcohol by weight and manufacturers and wholesalers of beer containing more than 3.2 percent of alcohol by weight shall file with the commissioner of public safety a bond with corporate surety to be approved by the commissioner of public safety before granting the license or cash or United States government bonds in the sum of \$5,000.

Every person desiring a license from a local governing body shall file with the clerk of the municipality, or in the case of a public corporation organized and existing under sections 473.601 to 473.679, with the executive director thereof, a verified written application in the form prescribed by the commissioner with the additional information the local governing body requires. An applicant for an "off sale" license shall file with the clerk of the proper municipality a bond with corporate surety or cash or United States government bonds in a sum not less than \$1,000 and not more than \$3,000 as the local governing body of such municipality determines. The bond shall be approved by the local governing body and the commissioner of public safety.

An applicant for an "on sale" license shall file with the clerk of the proper municipality, or in the case of a public corporation organized and existing under sections 473.601 to 473.679, with the executive director thereof, a bond with corporate surety or cash or United States government bonds in a sum not less than \$3,000 nor more than \$5,000 as the local governing body of such municipality determines. The bond shall be approved by the local governing body.

A liability insurance policy required by section 340.11, subdivision 21 shall provide that it may not be canceled for any cause either by the insured or the insurance company without first giving ten days' notice to the municipality in writing of intention to cancel it, addressed to the city clerk of the municipality, or in the case of a public corporation organized and existing under sections 473.601 to 473.679, to the executive director thereof. The operation of an "off sale" or "on sale" business without having on file at all times with the municipality the liability insurance policy herein referred to shall be grounds for immediate revocation of the license.

Bonds of manufacturers, wholesalers, and common carriers shall run to the state of Minnesota. Bonds of "on sale" and "off sale" retail dealers shall run to the municipality in which the license is issued. The bonds shall be conditioned as follows:

As to manufacturers, wholesalers and common carriers:

(a) That the licensee will obey the law relating to the licensed business;

(b) That the licensee shall pay to the state when due all taxes, license fees, penalties and other charges payable by him under this act or any other law relating to the manufacture, distribution, or sale of intoxicating liquor;

(c) That in the event of any violation of the provisions of law, the bond shall be forfeited to the state of Minnesota as hereinafter provided.

As to "off sale" and "on sale" dealers:

- (a) That the licensee will obey the law relating to the licensed business;
- (b) That the licensee will pay to the municipality when due all taxes, license fees, penalties and other charges provided by law;
- (c) That in the event of any violation of the provisions of any law relating to the retail "off sale" and retail "on sale" of intoxicating liquor, the bond or policy shall be forfeited to the municipality in which the license was issued.

All bonds shall be for the benefit of the obligee and all persons suffering damages by reason of the breach of the conditions thereof. In the event of the forfeiture of any bond for violation of law, the district court of the county wherein the licensed business was carried on may forfeit the penal sum of the bond, or any part thereof, to the state or municipality named as obligee in the bond.

340.13 LICENSES; RESTRICTIONS.

Subdivision 1. Manufacturers' or wholesalers' interest in retail establishment. No manufacturer or wholesaler shall either directly or indirectly own or control or have any financial interest in any retail business selling intoxicating liquor, but this restriction shall not be construed to deny such person the right to use or have his property rented for such purposes in any case where the manufacturer or wholesaler was a bona fide owner of the premises prior to November 1, 1933 nor to prohibit a licensed manufacturer of wine containing not more than 25 percent of alcohol by volume nor less than 51 percent wine manufactured from Minnesota grown agricultural products from selling at off-sale wines manufactured or processed by that manufacturer at not more than one location in conjunction with a winery without procuring a retail off-sale license. No manufacturer or wholesaler shall exact or require, by contract, understanding, or otherwise any licensed retailer to handle or sell only the products of any particular manufacturer or wholesaler.

Subd. 2. Licenses in drug stores. No license shall be granted to any person who operates a drug store until such person shall have operated such store continuously for a period of two years, or shall have purchased a drug store that shall have been in continuous operation for two years or more.

Subd. 3. Limitations on a license issued to a person or place; penalty. No more than one off-sale intoxicating liquor license shall be directly or indirectly issued to any one person or for any one place in each municipality. It is a gross misdemeanor for any person, partnership, or corporation to knowingly have or possess a direct or indirect interest in more than one off-sale license in each municipality and upon conviction therefor the governing body of such municipality may immediately revoke all licenses in which such person, partnership or corporation has an interest. The term "interest" includes any pecuniary interest in the ownership, operation, management, or profits of a retail liquor establishment, but does not include: bona fide loans; bona fide rental agreements; bona fide open accounts or other obligations held with or without security arising out of the ordinary and regular course of business of selling or leasing merchandise, fixtures or supplies to such establishment; an interest in a corporation owning or operating a hotel but having at least 150 or more rental units holding a liquor license in conjunction therewith; or ten percent or less interest in any other corporation holding a license. A person who receives moneys from time to time directly or indirectly from a licensee, in the absence of a bona fide consideration

therefor and excluding bona fide gifts or donations, shall be deemed to have a pecuniary interest in such retail license. In determining "bona fides" the reasonable value of the goods or things received as consideration for any payment by the licensee and all other facts reasonably tending to prove or disprove the existence of any purposeful scheme or arrangement to evade the prohibitions of this subdivision shall be considered.

Subd. 4. Licenses prohibited in municipalities having municipal stores and limited to retailers. Except in the case of bona fide clubs and veterans' organizations, as authorized by the last paragraph of section 340.11, subdivision 11, no "on-sale" or "off-sale" license, other than a license issued pursuant to section 340.353, subdivision 5, shall be directly or indirectly issued in any city maintaining its own exclusive liquor store, nor shall such license be issued to a person who holds a manufacturer's or wholesaler's license issued pursuant to any provision of this chapter.

Subd. 5. Licenses limited to certain areas. No "on-sale" or "off-sale" license shall be effective beyond the compact and contiguous space named therein for which the same was granted.

Subd. 6. Licenses prohibited in certain areas. No license shall be issued for premises located within the areas restricted against commercial use through zoning ordinances or other proceedings or legal processes regularly had for that purpose, except that licenses may be issued for sale in restaurants in premises which have been restricted against commercial uses since the establishment of such restaurants therein; and no license shall be issued contrary to the provisions of any charter, ordinance, or any special law restricting areas within which intoxicating liquor may be sold. No license shall be issued for premises or places in which the sale or use thereof has been prohibited by the intoxicating liquor act.

Subd. 7. Licenses in connection with premises of another. No license shall be issued to any person in connection with the premises of another to whom no license could be issued under the provisions of the intoxicating liquor act; provided, that this provision shall not prevent the granting of a license to a proper lessee by reason of the fact that he shall lease premises of a minor, non-citizen, or a person who has been convicted of a crime other than a violation of the intoxicating liquor act.

Subd. 8. Off-sale licenses where non-intoxicating malt beverages are sold. No "off-sale" license shall be issued for any place where non-intoxicating malt beverages shall be sold for consumption on the premises. This subdivision shall not apply to those places where an "on-sale" and "off-sale" license or combination "off-sale" and "on-sale" licenses are specifically authorized by the intoxicating liquor act.

Subd. 9. Licenses transferable. A license shall be nontransferable without the consent of the authority issuing it.

Subd. 10. License posting. A license shall be posted in a conspicuous place in the premises for which it is issued.

Subd. 11. Federal permits as a condition to license. No license shall be effective until a permit shall be issued to the licensee under the laws of the United States, if such a permit be required under such laws.

Subd. 12. Licenses; persons eligible. No license shall be issued to other than a citizen of the United States 19 years of age or over who shall be of good moral character and repute, nor to any person who within five years prior to the application of such license has been convicted of any wilful violation of any law of the United States or the state of Minnesota or of any local ordinance with regard to the manufacture, sale, distribution, or possession for sale or distribution of intoxicating liquor, nor to any person whose license under the intoxicating liquor act shall be revoked for any wilful violation of any such laws or ordinances.

Subd. 13. **Licenses; legislative policy.** The legislature expressly reserves the right to limit or diminish the number of licenses, to limit the profits of any authorized manufacturer, wholesaler, or retailer as a condition to granting or continuing a license, and to regulate, limit, or prohibit the issuance or sale of capital stock in any licensee as a condition to granting a license.

Subd. 14. **Investigation of on-sale license applicants.** The city or county having jurisdiction over on-sale licenses to sell intoxicating liquor shall, upon initial application for an on-sale license or upon application for a transfer of an existing license, conduct a preliminary background and financial investigation of the applicant. The application shall be in the form prescribed by the bureau of criminal apprehension and with such additional information as the governing body of the city or county having jurisdiction over the license may require. If the governing body of the city or county having jurisdiction, or the bureau on its own initiative shall determine that a comprehensive background and investigation of the applicant is necessary, it may conduct the investigation itself or contract with the bureau for the investigation. In addition, an investigation may be required prior to renewal of an existing on-sale license when the governing body of the city or county deems it to be in the public interest to do so. No license shall be issued, transferred or renewed if the results of the investigation show, to the satisfaction of the governing body, that issuance, transfer or renewal would not be in the public interest. An investigation fee not to exceed \$500 shall be charged an applicant by the city or county if the investigation is conducted within the state, or the actual cost not to exceed \$10,000 if the investigation is required outside the state, shall be charged an applicant by the city or county.

340.133 RACIAL DISCRIMINATION BY CLUBS; ISSUANCE OF LICENSES.

Notwithstanding any provision of law to the contrary, no license for the on sale or off sale of intoxicating liquor or for the conduct of dances or other forms of entertainment shall be issued or renewed by a municipality to any club which discriminates against members or applicants for membership or guests of members upon the basis of race. No "on-sale" shall be made between the hours of one a.m. and eight o'clock a.m. on any weekday. No "off-sale" shall be made before eight o'clock a.m. or after ten o'clock p.m. of any day. However, in cities of the first class, and in all cities located within a radius of 15 miles of a city of the first class within the same county, "off-sale" may be made only until eight o'clock p.m. of any day except Friday and Saturday, on which days "off-sale" may be made until ten o'clock p.m. No "off-sale" shall be made on New Years Day, January 1; Independence Day, July 4; Thanksgiving Day; or Christmas Day, December 25; but on the evenings preceding such days, if the sale of liquor is not otherwise prohibited on such evenings, "off-sales" may be made until ten o'clock p.m., except that no "off-sale" shall be made on December 24 after eight o'clock p.m. It shall be beyond the power of any municipality of this state to authorize or permit the sale of intoxicating liquors when such sale is prohibited by this section, however, any municipality may further limit the hours of sale of intoxicating liquors, provided that such further restricted hours for "on-sale" shall apply to both intoxicating liquors and non-intoxicating malt liquors.

Subd. 1a. Persons denied access. No intoxicating liquor shall be sold, furnished, or delivered for any purpose to any minor or to any person obviously intoxicated or to any of the persons to whom sale is prohibited by statute.

No licensee shall keep, possess, or operate, or permit the keeping, possession, or operation of, on the licensed premises, or in any room adjoining the licensed premises, any slot machine, dice, or any gambling device or apparatus, nor permit any gambling therein, nor permit the licensed premises or any room in the same, or in any adjoining building, directly or indirectly under its control to be used as a resort for prostitutes or other disorderly persons, except that gambling devices may be kept or operated and raffles conducted on licensed premises and adjoining rooms when such activities are licensed by the local unit of government pursuant to section 349.26. No person under 18 years of age shall be employed in any rooms constituting the place in which intoxicating liquors are sold at retail "on-sale", except that persons under 18 years of age may be employed as musicians or to perform the duties of a busboy or dishwashing services in places defined as a restaurant or hotel or motel serving food in rooms in which intoxicating liquors are sold at retail "on-sale".

The license is in addition to any others permitted in the city by other law or charter;

(4) Within 1,000 feet of any state hospital, training school, reformatory, prison, or other institution under the supervision and control, in whole or in part, of the commissioner of public welfare or the commissioner of corrections. (5) In any town or municipality in which a majority of votes at the last election at which the question of license was voted upon shall not have been in favor of license, or within one-half mile of any such municipality, except that any intoxicating liquor, manufactured within any such district, may be sold to be consumed outside of such district;

(6) At any place on the east side of the Mississippi River within one-tenth mile of the main building of the University of Minnesota unless the licensed establishment is on property owned or operated by a nonprofit corporation organized prior to January 1, 1940 for and by former students of the University of Minnesota; a license may be issued under this clause notwithstanding any local law to the contrary;

(7) Within 1,500 feet of any state university, except as hereinafter provided, or, when the place of sale is not within a municipality, within 1,500 feet of any public school outside of a municipality; within 1,500 feet at St. Cloud State University except for one wine and two off-sale licenses only, and within 1,200 feet at Winona State University, and at Southwest State University. In determining the distance, the measurement shall be along the most direct line from the nearest corner of the administration building of the university to the main entrance of the licensed premises; as to Mankato State University in the city of Mankato when the place of sale is within 1,500 feet as measured from the front door of the student union of the Highland campus;

Subd. 4. **Certain sales forbidden.** The retail sale for beverage purposes of ethyl alcohol or neutral spirits, or substitutes therefor, possessing the taste, aroma, and characteristics generally attributed to ethyl alcohol or neutral spirits, as such, is hereby prohibited. Nothing in this paragraph shall be construed to prohibit the manufacture or sale of other products obtained by the use of ethyl alcohol or neutral spirits as defined in U.S. Treasury Department, Bureau of Internal Revenue, Regulations 125, Article II, Standards of Identity for Distilled Spirits.

Subd. 5. **Sunday sales.** (a) Notwithstanding the provisions of subdivision 1, in any municipality established to which on sale licenses have been issued or hereafter may be issued for the sale of intoxicating liquors which are hotels or restaurants or clubs as defined in section 340.07, and which have facilities for serving not less than 30 guests at one time, may serve intoxicating liquors between the hours of 12 o'clock noon and 12 o'clock midnight on Sundays in conjunction with the serving of food. (b) It is unlawful for any such establishment, directly or indirectly, to sell or serve such intoxicating liquors as provided in paragraph (a) above, without having first obtained a special license from the municipality therefor. Such special license may be issued by the governing body of the municipality for a period of one year and for such a fee as it shall determine, but not exceeding \$200. The special license may be revoked by the governing body, for cause. The provisions of section 340.112 shall apply to such license. Application for the special license shall be made to the governing body of the municipality in the same manner as application for other licenses to sell intoxicating liquor are made.

(c) This subdivision shall not apply to any municipality until authorized by the voters of the municipality voting on the question at a special election called for such purpose or at the general election in the municipality, the election to be conducted in accordance with the applicable provisions of the Minnesota election law. Provided, however, that municipal voter approval shall not be required in the case of major airports operated by public corporations organized and existing under sections 473.601 to 473.679, which are operated by such public corporations as terminals for regular, scheduled air passenger service where the lands or any part thereof constituting the same have been detached from cities under and pursuant to sections 473.625 to 473.631, nor in the case of common carriers licensed under the provisions of sections 340.11, subdivision 3, and 340.12 and any license to sell intoxicating liquors on Sunday issued to a common carrier by the commissioner of public safety shall, in addition to all other license fees, require the payment to the commissioner of public safety of a fee of \$50 per annum plus a fee of \$5 for each duplicate of said license required to be posted in each place where intoxicating liquor is sold by said common carrier.

340.353 MUNICIPAL LIQUOR STORES; ESTABLISHMENT; OPERATION.

Subdivision 1. **Establishment.** In any city having a population of not more than 10,000, according to the most recent federal decennial census, the governing body may establish, own, and operate liquor stores for the dispensing of intoxicating liquor either "on-sale" or "off-sale" or both. Such liquor stores may also sell cigars, cigarettes, ice, all forms of tobacco, non-intoxicating malt beverages, and soft drinks at retail, and may offer recorded or live entertainment and make available coin-operated amusement devices.

Subd. 2. **Population change.** Any municipality in which an authorized liquor store has been established may continue to operate such municipal liquor store notwithstanding any subsequent change in population; provided, that within one year after the effective date of the census by which such municipality exceeds 10,000 in population, the question, "Shall the city continue to operate its municipal liquor store?" is submitted to the voters of the city at a general or special municipal election and a majority of the voters voting upon the question at the election vote in the affirmative upon the question. The notice of the election shall show that the question, "Shall the city continue to operate its municipal liquor store?" is to be submitted to the electors at the election.

Subd. 3. **Scope and application.** A city or statutory city which lawfully established a liquor store prior to July 1, 1967 may continue to own and operate such a liquor store.

Subd. 4. **Newly formed municipalities; municipal liquor stores; liquor licenses.** No statutory city shall establish or operate a municipal "on-sale" or "off-sale" liquor store nor issue an "on-sale" or "off-sale" liquor license until two years have expired from and after its incorporation. This provision shall not apply to a newly incorporated statutory city which had formerly been a town or is made up of a major geographic portion of what had formerly been a town, which town had the powers of a statutory city under Minnesota Statutes 1965, Section 368.01. Such a city may, upon its incorporation, authorize the establishment of municipal "on-sale" or "off-sale" liquor stores or the issuance of "on-sale" or "off-sale" liquor licenses. This subdivision is applicable to a statutory city incorporated after January 1, 1966.

Subd. 5. **Issuance of licenses to private persons.** Clause 1. Notwithstanding any provision of this chapter, which may indicate the contrary, any city owning and operating a municipal liquor store on the effective date of this act may, at the discretion of the governing body, issue "on-sale" liquor licenses to private persons for the operation of liquor stores in conjunction with any establishment defined in section 340.07 as a hotel or restaurant, and the requirements of those definitions relating to seating capacity and the number of guest rooms shall apply for purposes of this section. The city issuing any "on-sale" licenses pursuant to this subdivision may thereafter in connection with the operation of the municipal liquor store continue to engage in the sale of intoxicating liquor at either on-sale or off-sale, or both, or may resume operation of any municipal on-sale or off-sale store previously discontinued.

Clause 2. The number of "on-sale" licenses issued pursuant to this section by any municipality shall not exceed the number authorized by section 340.11, subdivision 5a; provided, that the provisions of section 340.11, subdivision 18, shall apply to any city issuing licenses pursuant to this section.

Clause 3. No city shall issue licenses as provided in this section until authorized by the voters of the city voting on the question at a special election called for such purpose, the election to be conducted in accordance with the applicable provisions of the Minnesota election law.

Subd. 6. **Municipalities; certain on-sale licenses.** Notwithstanding the provisions of subdivision 5, or any other law to the contrary, a city which did not permit any sale of intoxicating liquor within its boundaries as of June 30, 1969, or was incorporated after that date, may issue on-sale licenses for the sale of intoxicating liquor in accordance with the provisions of subdivision 5.

Subd. 7. **Referendum in certain cities.** In any city in which the report of the operations of a municipal liquor store has shown a net loss in any two of three consecutive years, or has shown that no contribution to other municipal funds has been made from the net income of the operation in any two of three consecutive years, the city council shall, not more than 45 days prior to the end of the fiscal year following the three-year period, hold a public hearing on the question of whether the city shall continue to operate a municipal liquor store. Two weeks notice, written in clear and easily understandable language, of the hearing shall be printed in the city's official newspaper. Following the hearing the city council may on its own motion or shall upon petition of five percent or more of the registered voters of the city, submit to the voters at a general or special municipal election the question of whether the city shall continue or discontinue municipal liquor store operations by a date which the city council shall designate. The date designated by the city council shall not be more than 30 months following the date of the election.

Subd. 8. **Financial responsibility.** Every municipal liquor store operated pursuant to subdivision 1 shall, prior to commencement or continuation of operation after March 1, 1983, demonstrate proof of financial responsibility by compliance with the requirements of section 340.11, subdivision 21.

NOTE: Subdivision 8 is effective March 1, 1983. See Laws 1982, Chapter 528, Section 9.

340.354 DECLARATION OF POLICY.

Public interest in the enforcement of the laws relating to sale of intoxicating liquor in municipalities operating stores for the sale of intoxicating liquor makes it necessary that measures be taken to encourage vigilance of governing bodies and inhabitants of such municipalities to insure that such enterprises are carried on in strict accordance with law. Imputing responsibility in proper cases to the municipality for unlawful acts of its employees, as responsibility is imputed to private employers in the same business, is proper. Summary suspension of the statutory right of such municipalities to operate such stores is a proper and effective measure to encourage such vigilance by penalizing failure to maintain it. The duration of any such suspension is properly a judicial question to be determined in the light of the circumstances of each case, and the judicial power should be used for enforcing any such suspension.

History: 1953 c 162 s 1

340.355 MUNICIPAL LIQUOR STORE; SUSPENSION OF OPERATION, PROCEDURE.

When a municipal officer or employee of a city is convicted of (1) selling intoxicating liquor or non-intoxicating malt liquor to an ineligible person, (2) selling intoxicating liquor or non-intoxicating malt liquor at a time when such sale is prohibited by law, (3) selling intoxicating liquor or non-intoxicating malt liquor for re-sale, (4) selling intoxicating liquor or non-intoxicating malt liquor on which the required state tax has not been paid, (5) selling intoxicating liquor for consumption off the premises for less than the price required by law, or (6) violating statutory restrictions on gambling and gambling devices and apparatus, and when the offense resulting in such conviction has occurred in an exclusive liquor store operated by the municipality, the court in which the conviction occurs shall mail to the state commissioner of public safety within ten days of the conviction a record of the conviction. The commissioner shall thereupon send notice of the conviction to the county attorney of the county in which the municipal liquor store is located. The county attorney promptly after receipt of the notice shall commence an action in the district court in the name of the state against the municipality to suspend the operation of the store as provided by this act. The complaint shall recite the facts of the conviction and shall include a prayer for judgment suspending operation of the store for a period not exceeding 30 days. A copy of the summons and complaint shall be mailed to the commissioner of public safety. The municipality shall have ten days within which to answer, setting forth such facts as are relevant to proof of the conviction and to the determination of the penalty to be imposed.

340.404 LICENSES; SUSPENSION, REVOCATION.

Subdivision 1. **To remain in effect.** Any license issued under the provisions of sections 340.401 to 340.407 and any license heretofore issued for the manufacture or sale at wholesale of intoxicating malt liquor shall remain in effect during the period for which such license was issued unless surrendered by the licensee or suspended or revoked by the commissioner in the manner provided therein.

Subd. 2. **Authority to suspend or revoke.** The commissioner is hereby authorized, after notice to the licensee and an opportunity to be heard, upon proof of willful violation by the licensee of any provisions of sections 340.401 to 340.407

or of any prior or subsequent violation of any law of this state relating to the manufacture or sale at wholesale of intoxicating malt liquor, to suspend for a period not exceeding 60 days or to revoke such license whether issued under the provisions thereof or issued prior to the passage thereof.

Subd. 3. Investigation; complaint; notice; hearing. It shall be the duty of the commissioner, upon receiving information of violation by any licensee of any provisions of sections 340.401 to 340.407 or of any prior or subsequent violation of any law of this state relating to the manufacture or sale at wholesale of intoxicating malt liquor, to make an immediate investigation thereof. If, after such investigation, the commissioner shall determine that there is probable cause to believe that the licensee has willfully violated the provisions of any law of this state relating to the manufacture or sale at wholesale of intoxicating malt liquor and that the violation is of such a nature as to warrant suspension or revocation of license, he shall make and file a complaint, in writing, which shall state the facts constituting the alleged violation of the law. A copy of the complaint, together with a notice of hearing thereon, shall be served upon the licensee in the manner provided by statute for the service of a summons in a civil action. The notice shall state the time of hearing which shall be not less than 20 days after the service of the notice. All hearings shall be open to the public and held at the office of the commissioner. For the purpose of conducting these hearings the commissioner is hereby authorized to subpoena witnesses and administer oaths.

Subd. 4. Findings of fact; order. After any hearing the commissioner shall make and file findings of fact as to each violation of law alleged in the complaint and his order dismissing the proceedings or suspending or revoking the license. The findings of fact and order of the commissioner shall be served upon the licensee in the manner provided by statute for the service of a summons in a civil action. If the order suspends or revokes the license, such suspension or revocation shall take effect and be in force and the right of the licensee to operate thereunder shall terminate ten days after the service of the order of the commissioner, except in the event of a stay on appeal as hereinafter provided.

Subd. 5. Suspension. When, in any proceedings under this section, the commissioner shall find that the licensee has violated any provision of any laws of this state relating to the manufacture or wholesale of intoxicating malt liquor but that the nature of such violation or the circumstances thereof are such that a suspension of the license would be adequate, he may, instead of revoking the license, suspend it for a period not exceeding 60 days. During the period of suspension the licensee shall exercise no rights under the license.

Subd. 6. Appeal to district court. Any licensee whose license is suspended or revoked by the commissioner may appeal from the order of suspension or revocation to the district court of the county in which the licensee maintains his principal place of business, which appeal shall be taken by service of written notice thereof upon the commissioner within ten days after service upon the licensee of the order of suspension or revocation appealed from and by filing with the clerk of the district court, within ten days after service, the notice of appeal with proof of service thereof upon the commissioner. The perfecting of an appeal operates to stay all proceedings until the final determination thereof. In the notice of appeal and in the proceedings upon appeal the commissioner shall be named as plaintiff and the licensee as defendant. Upon the appeal being perfected, the commissioner shall forthwith certify to the court the complete record in the proceedings and the court shall thereupon fix a time and place for hearing, due notice of which shall be given to the parties. Upon the appeal to the district court the hearing shall be de novo to the court without a jury and conducted in the manner provided by statute for the trial of a civil action. The court shall make its findings of fact and its order either dismissing the proceedings or suspending the license for a period not exceeding 60 days or revoking the license.

Subd. 7. **Appeal to supreme court.** Either party may appeal from the final judgment of the district court, or from any final order therein, in the same manner as in a civil action, within ten days after service of notice of the filing of such judgment or final order. No bond on appeal shall be required. The perfecting of an appeal to the supreme court operates to stay all proceedings until the final determination of the appeal. The commissioner shall not refuse to issue a license to any licensee during the time that an appeal from an order of suspension or revocation of license is pending.

Subd. 8. **License after revocation.** When any license has been revoked no license shall be issued to such person within one year from the date of such order of revocation or, in the event of an appeal, within one year from the date of the judgment or final order of the court affirming such order of revocation.
