Subd. 3. **Sale or exchange of stock.** In carrying out the provisions of sections 89.35 to 89.39, the commissioner may sell to or exchange surplus tree planting stock and seed with other states or the federal government for the following purposes:

- (1) to acquire tree planting stock of a species which is in short supply in the commissioner's inventory;
- (2) to acquire tree planting stock of a species not grown by the commissioner;
- (3) to acquire tree planting stock genetically superior to that grown by the commissioner; and
- (4) to utilize tree planting stock or seed not needed for the reforestation program in the state.

The commissioner's authority to acquire tree planting stock under this subdivision is limited to not more than five tree species per year. The minimum quantity he may acquire of any species is 20,000 trees.
