246.01 POWERS AND DUTIES.

The commissioner of human services is hereby specifically constituted the guardian of both the estate and person of all feeble-minded persons or persons having epilepsy, the guardianship of whom has heretofore been vested in the state board of control or in the director of social welfare whether by operation of law or by an order of court without any further act or proceeding, and all the powers and duties vested in or imposed upon the state board of control or the director of social welfare, with reference to mental testing of persons mentally deficient or persons having epilepsy, and with reference to the institutions of the state of Minnesota except correctional facilities administered and managed by the commissioner of corrections, are hereby transferred to, vested in, and imposed upon the commissioner of human services, and in relation thereto he is hereby charged with and shall have the exclusive power of administration and management of all of the following state institutions: The schools and hospitals for the mentally retarded and persons having epilepsy, state hospitals for the mentally ill, and the state hospital for inebriates. He shall have power and authority to determine all matters relating to the unified and continuous development of all of the foregoing institutions and of such other institutions, the supervision of which may, from time to time, be vested in him. It is intended that there be vested in him all of the powers, functions, and authority heretofore vested in the state board of control relative to such state institutions. He

MINNESOTA STATUTES 1984

shall have the power and authority to accept, in behalf of the state, contributions and gifts of money and personal property for the use and benefit of the inmates of the public institutions under his control, and all moneys and securities so received shall be deposited in the state treasury subject to the order of the commissioner of human services. If the gift or contribution is designated by the donor for a certain institution or purpose, the commissioner of human services shall expend or use the same as nearly as may be in accordance with the conditions of the gift or contribution, compatible with the best interests of the inmates and the state. The commissioner of human services is hereby constituted the "state agency" as defined by the social security act of the United States and the laws of this state for all purposes relating to mental health and mental hygiene.

For the purpose of carrying out his duties, the commissioner of human services shall accept from mentally deficient wards for whom he is specifically appointed guardian a signed application for his consent to the marriage of said ward. Upon receipt of such application he shall promptly conduct such investigation as he deems proper and determine if the contemplated marriage is for the best interest of the ward and the public. A signed copy of the commissioner's determination shall be mailed to the ward and to the clerk of the district court of the county where the application for such marriage license was made.

There is hereby appropriated to such persons or institutions as are entitled to such sums as are provided for in this section, from the fund or account in the state treasury to which the money was credited, an amount sufficient to make such payment.

246.012 MEASURE OF SERVICE.

The measure of services hereinafter set forth are established and prescribed as the goal of the state of Minnesota, in its care and treatment of the mentally ill people of the state.

History: 1949 c 512 s 1

246.013 MENTALLY ILL; CARE, TREATMENT.

Within the limits of the appropriations for the commissioner of human services, he is directed, in the performance of the duties imposed upon him by the laws of this state, to bring to the measure prescribed by section 246.012, the care and treatment of the mentally ill as speedily as is possible, and to thereafter, subject to the paramount authority of the legislature with respect to appropriations, maintain said standards in the care and treatment of the mentally ill.

History: 1949 c 512 s 2; 1953 c 724 s 1; 1967 c 839 s 3; 1984 c 654 art 5 s 58

246.014 SERVICES.

The measure of services established and prescribed by section 246.012, are:

(1) There shall be served in state hospitals a single standard of food for patients and employees alike, which is nutritious and palatable together with special diets as prescribed by the medical staff thereof. There shall be a chief dietitian in the department of human services and at least one dietitian at each state hospital. There shall be adequate staff and equipment for processing, preparation, distribution and serving of food.

246.016 OFFICE OF COMMISSIONER OF MENTAL HEALTH AND MENTAL HOSPITALS ABOLISHED.

The office of the commissioner of mental health and mental hospitals is hereby abolished.

History: 1953 c 608 s 1

246.017 MEDICAL POLICY DIRECTIONAL COMMITTEE ON MENTAL HEALTH.

Subdivision 1. **System of records and statistics.** The commissioner of human services shall cause to be devised, installed and operated an adequate system of records and statistics which shall consist of all basic record forms including patient personal records and medical record forms and the manner of their use shall be precisely uniform throughout all hospitals for the mentally ill.

Subd. 2. **Membership, duties, meetings.** The commissioner of human services may appoint a medical policy directional task force on mental health including members who are experts in their fields of medicine, mental health, mental retardation, or related sciences. Members shall also be selected from social service, rehabilitation, volunteer services, nursing, hospital administration or related fields. Not more than one member shall be selected from any one field of medicine or related sciences which shall include the field of psychiatry, neurology, physiology, biochemistry, internal medicine, pediatrics, pharmacology, and psychology. The task force shall expire, and the terms, compensation, and removal of members shall be as provided in section 15.059.

The commissioner of human services shall appoint, and unless otherwise established by law, set the salary of a licensed physician to serve as medical director to assist him in establishing and maintaining the medical policies of the department of human services. The commissioner may place the medical director's position in the unclassified service if the position meets the criteria of section 43A.08, subdivision 1a.

246.02 EXECUTIVE OFFICERS.

Subdivision 1. The commissioner of human services shall appoint a chief executive officer for each institution under his exclusive control and may remove

him for misconduct, incompetency, or neglect of official duty. No such removal shall be made except upon written charges and opportunity to be heard. Every such executive officer shall have the qualifications and perform the duties now or hereafter required by law, or by rules prescribed by the commissioner of human services. He may appoint an acting chief executive officer during such interim period as is necessary to select and appoint a chief executive officer. In case of an apparent conflict between the powers conferred by law upon any executive officer of a state institution and those conferred by this chapter upon the commissioner of human services, it shall be conclusively presumed that the power belongs to the latter. When a chief executive officer is required to live on the institution grounds, he is entitled to residence and maintenance in addition to his salary.

Subd. 2. The commissioner of human services shall act with the advice of the medical policy directional committee on mental health in the appointment and removal of the chief executive officers of the following institutions: Anoka State Hospital, Ah-Gwah-Ching Nursing Home, Fergus Falls State Hospital, Moose Lake State Hospital, Oak Terrace Nursing Home, Rochester State Hospital, St. Peter State Hospital, Willmar State Hospital, Faribault State Hospital, Cambridge State Hospital, and Brainerd State Hospital.

Subd. 3. [Repealed, 1973 c 540 s 5]

Subd. 4. Within the limits of appropriations available and with the advice of the medical policy directional committee, the commissioner shall set the salary of the individual officers named in subdivision 2 according to standards of training and experience established by him. He may not reduce the salary of any officers incumbent at the time of the passage of this subdivision. In addition to his salary, each officer named in subdivision 2 is entitled to reimbursement for all expenses necessarily incurred by him in the performance of his duties.

246.022 STATE HOSPITAL PLANNING COMMITTEES.

Subdivision 1. **Appointment.** The commissioner may appoint for each state hospital a hospital planning committee that includes, but is not limited to, the chief executive officer of each state institution appointed pursuant to section 246.02, representatives of the professional staff and human services technicians and of other staff as the chief executive officer deems appropriate, representatives of the patients served in the institution, and representatives of the counties served by the institution.

Subd. 2. **Duties of committee.** The hospital planning committee of each state institution may present recommendations on such matters as:

(a) Setting measurable goals and objectives for the management and service programs of the institution;

(b) Identifying the capital, staff and financial resources needed to attain the goals and objectives established; and

(c) Adopting a method, approved by the commissioner, whereby the degree of attainment of the established goals and objectives may be evaluated.

Subd. 3. **Commissioner's responsibility.** Within the appropriations available, the commissioner of human services shall provide technical assistance to each hospital planning committee in the performance of its duties.

Subd. 4. **Biennial plan.** Each hospital planning committee shall submit to the commissioner a biennial report to be included in the report to the governor and legislature prepared pursuant to section 246.06. The commissioner shall establish

schedules for submission of hospital planning committee plans so that each plan is substantially reflected in the biennial estimates prepared pursuant to section 246.12.

History: 1980 c 614 s 127; 1984 c 654 art 5 s 58

246.023 INTERAGENCY BOARD.

Subdivision 1. Legislative policy. It is recognized that closure and consolidation of state hospitals have negative economic effects upon public employees and communities. It is the policy of the state that deinstitutionalization policies shall be carried out in a manner that ensures fair and equitable arrangements to protect the interests of employees and communities affected by deinstitutionalization of state hospitals.

Subd. 2. Interagency board. There is established an interagency board to be known as the institutional care and economic impact planning board. The board shall consist of the following members: the commissioners of human services, administration, employee relations, economic security, energy and economic development; the director of the state planning agency; and other appropriate agency heads. The board shall be directed by the director of the state planning agency with assistance from the commissioner of human services in consultation with the other agency heads.

Subd. 3. Study. A comprehensive study shall be conducted by the interagency board to provide information on topics to include, but not be limited to, the following:

(1) projected displacement of state hospital employees because of deinstitutionalization by number, location, and job classification;

(2) the extent to which displacement can be mitigated through attrition, retirement, retraining, and transfer;

(3) the development of cooperative arrangements between the state and local units of government in the carrying out of these goals;

(4) the necessary changes in the biennial budget to effect any fiscal and policy recommendations of the plan;

(5) the necessary interagency agreements among and between appropriate departments and agencies as needed to effect the recommendations contained in the plan; and

(6) the energy efficiency of all state hospital buildings.

Notwithstanding the provisions of sections 13.43 and 13.46, the state planning agency shall, for purposes of the study required by this subdivision, have access to private personnel data and private client data as necessary to carry out the mandates of Laws 1984, chapter 654, until June 30, 1985.

Subd. 4. Plan. The board shall develop a plan. The plan shall include proposals which protect the general interests of employees and communities affected by the deinstitutionalization of state hospitals, including proposals that attempt to preserve employment rights and benefits, provide training and retraining of employees and, to the extent possible, promote the employment of these employees. In addition, the plan shall propose specific methods for assuring minimal impact on the economic life of communities affected by the deinstitutionalization of state hospitals. The plan shall provide specific direction with respect to the following:

(1) retention of collective bargaining agreements including seniority, vacation, health insurance and other contractual benefits, and pension rights;

(2) maximum utilization of state hospital employees in the provision of noninstitutional services to the mentally retarded;

(3) negotiated agreements with exclusive representatives addressing job security issues, where deinstitutionalization causes displacement of employees;

(4) development of noninstitutional, state-operated or nonstate-operated services for the mentally retarded, including community-based intermediate care facilities for the mentally retarded, supported living arrangements, semi-independent living arrangements, day activity services, and other services;

(5) methods for ensuring that staff displaced by termination of programs at state hospitals are utilized to provide needed services within the continuum of care for individuals;

(6) alternative use of state hospital facilities made available by program closures;

(7) community retraining options for displaced personnel;

(8) methods for involving the following groups in the planning process: parents and guardians of hospital residents, community business and economic leaders, advocates, community providers, units of local government, and affected exclusive representatives; and

(9) preparation of an economic impact statement and alternative economic development strategies for each state hospital region likely to be affected by program reductions in the regional state facility.

Subd. 5. Report; implementation. The interagency board shall complete both the study required under subdivision 3 and the plan required under subdivision 4, on or before January 31, 1985, and shall present them to the legislative commission on long-term health care before February 1, 1985. Board members shall, to the extent possible, propose legislation for program implementation based upon the plan including, if appropriate, pilot demonstration projects.

246.025 [Repealed, 1965 c 45 s 73]

246.0251 HOSPITAL ADMINISTRATOR.

Notwithstanding any provision of law to the contrary, the commissioner of human services may appoint a hospital administrator at any state hospital. Such hospital administrator shall be a graduate of an accredited college giving a course leading to a degree in hospital administration and the commissioner of human services, by rule or regulation, shall designate such colleges which in his opinion give an accredited course in hospital administration. The provisions of this section shall not apply to any chief executive officer now appointed to that position who on the effective date of this section is neither a physician and surgeon nor a graduate of a college giving a degree in hospital administration. In addition to a hospital administrator, the commissioner of human services may appoint a licensed doctor of medicine as chief of the medical staff and he shall be in charge of all medical care, treatment, rehabilitation and research.

History: 1963 c 764 s 10; 1984 c 654 art 5 s 58

246.03 OFFICIAL BONDS.

The commissioner of human services shall require his officers and employees, and those of the several institutions under his control, who may be charged with any money or property belonging to the state, to give bond to the state, properly conditioned, in such sum and with such sureties as he shall approve.

History: RL s 1868; 1984 c 654 art 5 s 58 (4408)

246.04 BOOKS AND ACCOUNTS.

The commissioner of human services shall keep at his office a proper and complete system of books and accounts with each institution, showing every expenditure authorized and made therefor. Such books shall contain a separate account of each extraordinary or special appropriation made by the legislature, with every item of expenditure therefrom.

History: RL s 1872; 1984 c 654 art 5 s 58 (4412)

246.05 DISSEMINATION OF INFORMATION.

The commissioner of human services may, from time to time, publish and distribute scientific, educational, and statistical articles, bulletins, and reports concerning clinical, research and other studies conducted in the department of human services in the fields of mental or nervous diseases, mental deficiency, or epilepsy.

History: RL s 1874; 1949 c 262 s 1; 1984 c 654 art 5 s 58 (4414)

246.06 REPORTS.

On or before November 15 in each even-numbered year, the commissioner of human services shall make a report to the governor and legislature covering the biennial period ending June 30th preceding, therein giving his observations and conclusions respecting each institution under his control. This report shall contain the reports of the executive officers of the institutions, a statement of the visitations thereto, and when and by whom made, the name and salary of every employee of the commissioner, and of every officer and employee of the several institutions. Such report shall be published under the direction of the commissioner of administration and paid for out of the appropriation for public printing. The commissioner of human services shall make such other reports to the governor as he may from time to time require, or as the commissioner may deem necessary, relating to the condition and wants of the several institutions.

History: RL s 1875; 1984 c 654 art 5 s 58 (4415)

246.07 DAILY RECORDS.

The commissioner of human services shall require the proper officer of each of the institutions to keep, in a book prepared for that purpose, a daily record of the time and number of hours of service of each employee; the monthly payroll shall be made from such time book, and accord therewith. When an appropriation is based on the number of inmates in, or persons at, an institution, the commissioner shall require a daily record to be kept of the persons actually residing at and domiciled in such institution.

History: RL s 1876; 1984 c 654 art 5 s 58 (4416)

246.08 INSPECTIONS; INVESTIGATIONS; WITNESSES; CONTEMPT.

At least once each year and in addition as frequently as he deems necessary, the commissioner of human services, or his designated representative, shall visit and inspect each institution, and investigate its financial condition and management, and the care being provided for the inmates thereof. He shall have power to summon and compel the attendance of witnesses; to examine them under oath, and order the production of all books, property, and papers material to such investigation. Witnesses other than those in the employ of the state shall receive the same fees as in civil cases in the district court. The claim that any testimony or evidence sought to be elicited or produced may tend to criminate the persons giving or producing it, or

to expose him to public ignominy, shall not excuse him, but no person shall be prosecuted or subjected to any penalty or forfeiture for or on account of any matter or thing concerning which he may be so required to testify or produce evidence; provided, that he shall not be exempted from prosecution and punishment for perjury committed in so testifying. The commissioner of human services shall cause the testimony so taken to be transcribed and filed with him as soon as practicable and when so filed it shall be open to public inspection. Every person failing or refusing to obey any order of the commissioner of human services issued under this section, or to give or produce evidence when so requested, shall be reported by him to the district court and dealt with as for a contempt of court.

246.11 INSPECTION.

The commissioner of human services, upon stated visits to any institution, shall inspect every part thereof, the general and special dietary, and the stores and methods of supply; and, so far as practicable, shall see all inmates of the charitable institutions, especially those admitted since the preceding visit, and shall give such as desire it suitable opportunity to converse with him privately. He may examine under oath the officers, attendants, guards, and other employees in order to determine their fitness for their duties.

History: *RL s 1879; 1984 c 654 art 5 s 58 (4423)*

246.12 BIENNIAL ESTIMATES; SUGGESTIONS FOR LEGISLATION.

The commissioner of human services shall prepare, for the use of the legislature, biennial estimates of appropriations necessary or expedient to be made for the support of the several institutions and for extraordinary and special expenditures for buildings and other improvements. He shall, in connection therewith, make suggestions relative to legislation for the benefit of the institutions, or for improving the condition of the dependent, defective, or criminal classes. He shall report the estimates and suggestions to the legislature on or before November 15 in each even numbered year. The commissioner of human services on request shall appear before any legislative committee and furnish any required information in regard to the condition of any such institution.

246.13 RECORD OF PATIENTS; DEPARTMENT OF HUMAN SERVICES.

The commissioner of human services shall keep in his office, accessible only by his consent or on the order of a judge or court of record, a record showing the residence, sex, age, nativity, occupation, civil condition, and date of entrance or commitment of every person or patient, in the institutions under his exclusive control, the date of discharge and whether such discharge was final, the condition of such person when he left the institution, and the date and cause of all deaths. The record shall state every transfer from one institution to another, naming each. This information shall be furnished to the commissioner of human services by each institution, with such other obtainable facts as he may from time to time require. The chief executive officer of each such institution, within ten days after the commitment or entrance thereto of a person or patient, shall cause a true copy of his

entrance record to be forwarded to the commissioner of human services. When a patient leaves, is discharged or transferred, or dies in any institution, the chief executive officer, or other person in charge shall inform the commissioner of human services within ten days thereafter on forms by him furnished.

The commissioner of human services may authorize the superintendent of any state institution for the mentally ill, mentally retarded or persons having epilepsy, to release to public or private medical personnel, hospitals, clinics, county welfare boards or other specifically designated interested persons or agencies any information regarding any patient thereat, if, in the opinion of the commissioner, it will be for the benefit of the patient.

246.15 MONEY OF INMATES OF PUBLIC WELFARE INSTITUTIONS.

Subdivision 1. The chief executive officer of each institution under the jurisdiction of the commissioner of human services shall have the care and custody of all moneys belonging to inmates thereof which may come into his hands, keep accurate accounts thereof, and pay them out under rules and regulations prescribed by law or by the commissioner of human services, taking vouchers therefor. He shall give such additional bond as the commissioner may require, conditioned to safely keep and account for such funds. All such moneys received by any officer or employee shall be paid to the chief executive officer forthwith. Every such executive officer, at the close of each month, or oftener if required by the commissioner, shall forward to the commissioner a statement of the amount of all moneys so received and the names of the inmates from whom received, accompanied by his check for the amount, payable to the state treasurer. On receipt of such statement, the commissioner shall transmit the same to the commissioner of finance, together with such check, who shall deliver the same to the state treasurer. Upon the payment of such check, the amount shall be credited to a fund to be known as "Inmates Fund," for the institution from which the same was received. All such funds shall be paid out by the state treasurer upon vouchers duly approved by the commissioner of human services as in other cases. The commissioner may permit a contingent fund to remain in the hands of the executive officer of any such institution from which necessary expenditure may from time to time be made.

Subd. 2. Any moneys in the inmates fund provided for in this section, belonging to inmates of state institutions under the jurisdiction of the commissioner of corrections shall forthwith be transferred by the commissioner of human services to the correctional inmates fund created by section 241.08.

246.16 UNCLAIMED MONEY OR PERSONAL PROPERTY OF INMATES.

Subdivision 1. **Unclaimed money.** When there has heretofore accumulated or shall hereafter accumulate in the hands of the superintendent of any state institution under the jurisdiction of the commissioner of human services money belonging to inmates of such institution who have died therein, or disappeared therefrom, and for which money there is no claimant or person entitled thereto known to the superintendent, such money may, at the discretion of such superintendent, to be expended under his direction for the amusement, entertainment, and general benefit of the inmates of such institution. No money shall be so used until it shall have remained unclaimed for at least five years. If, at any time after the expiration of the five years, the legal heirs of the inmate shall appear and make proper proof of such heirship, they shall be entitled to receive from the state treasurer such sum of money as shall have been expended by the superintendent belonging to the inmate.

Subd. 2. **Unclaimed personal property.** When any inmate of a state institution under the jurisdiction of the commissioner of human services has died or disappeared therefrom, or hereafter shall die or disappear therefrom leaving in the custody of the superintendent thereof personal property, exclusive of money, which remains unclaimed for a period of two years, and there is no person entitled thereto known to the superintendent, the superintendent or his agent may sell such property at public auction. Notice of such sale shall be published for two consecutive weeks in a legal newspaper in the county wherein the institution is located and shall state the time and place of such sale. The proceeds of the sale, after deduction of the costs of publication and auction, may be expended, at the discretion of the superintendent, for the entertainment and benefit of the inmates of such institution. Any inmate, his heirs or his representatives, may file with, and make proof of ownership to, the superintendent of the institution disposing of such personal property within four years after such sale, and, upon proof satisfactory to such superintendent, he shall certify for payment to the state treasurer the amount received by the sale of such property. No suit shall be brought for damages consequent to the disposal of personal property or use of money in accordance with this section against the state or any official, employee, or agent thereof.

246.17 [Repealed, 1953 c 341 s 1]

246.18 DISPOSAL OF FUNDS.

Every officer and employee of the several institutions under the jurisdiction of the commissioner of human services shall pay to the accounting officer thereof any

funds in his hands belonging to the institution. Every accounting officer, at the close of each month or oftener, shall forward to the commissioner of human services a statement of the amount and sources of all moneys received. On receipt of such statement, the commissioner shall transmit the same to the commissioner of finance, who shall deliver to the state treasurer a draft upon the accounting officer for the same specifying the funds to which it is to be credited. Upon payment of such draft, the amount shall be so credited.

246.20 [Repealed, 1973 c 400 s 2]

246.21 CONTINGENT FUND.

The commissioner of human services may permit a contingent fund to remain in the hands of the accounting officer of any such institution from which expenditures may be made in case of actual emergency requiring immediate payment to prevent loss or danger to the institution or its inmates and for the purpose of paying freight, purchasing produce, livestock and other commodities requiring a cash settlement, and for the purpose of discounting bills incurred, but in all cases subject to revision by the commissioner of human services. An itemized statement of every expenditure made during the month from such fund shall be submitted to the commissioner under rules established by him. If necessary, the commissioner shall make proper requisition upon the commissioner of finance for a warrant upon the state treasurer to secure the contingent fund for each institution.

246.22 [Repealed, 1961 c 750 s 28]

246.23 PERSONS ADMISSIBLE TO INSTITUTIONS.

No person who has not a settlement in a county, as defined in section 256D.18, shall be admitted to a hospital for the mentally ill, the school for the deaf, the Minnesota braille and sightsaving school, the schools and hospitals for the mentally retarded and persons having epilepsy, or the Owatonna state school, except that the commissioner of human services may authorize admission thereto when the residence cannot be ascertained, or when the circumstances in his judgment make it advisable. When application is made to a judge of probate for admission to any of the institutions above named for admission thereto, if he finds that the person for whom application is made has not such residence, or that his residence cannot be ascertained, he shall so report to the commissioner; and he may recommend that such person be admitted notwithstanding, giving his reasons therefor. The commissioner of human services shall thereupon investigate the question of residence and, if he finds that such person has not such residence and has a legal residence in another state or country, he may cause him to be returned thereto at the expense of this state. When the overseer of a county poorhouse believes an inmate thereof not to

have a residence in the state, but to have a residence elsewhere, he shall so notify the commissioner of human services who shall thereupon proceed in the manner above provided; except that, if deemed impracticable to return such person to the state of his residence, he may so certify and such person shall thereafter be a charge upon the county, town or city in which he has longest resided within the preceding year.

246.28 DIAGNOSTIC TESTS AND X-RAY EXAMINATIONS; REPORT.

The physical examination shall include a standard intradermal tuberculin test, a chest X-ray when the test is positive and additional special diagnostic tests for the detection of the presence of tuberculosis as shall be set up in regulations of the state commissioner of health in cooperation with the commissioner of human services. The examination shall be made by a licensed physician and surgeon, who shall

report in writing to the superintendent of the institution in which the employment is contemplated on a form set up by the department of human services in cooperation with the state commissioner of health showing the presence or absence of tuberculosis infection and disease based upon the examination.

246.33 CEMETERY.

Subdivision 1. The commissioner of human services may establish and maintain a cemetery for the burial of any patient, inmate or person admitted to any state institution under his control upon the public grounds of such institution in the manner set forth in the following subdivisions.

Subd. 2. The land shall be surveyed and a plat thereof made.

Subd. 3. A stone or other monument shall be established to mark each corner of such cemetery, and its location shown on the plat.

Subd. 4. The cemetery shall be platted into lots, which shall be numbered; it shall have streets and walks, and the same shall be shown on the plat. All containing graves shall be indicated by an appropriate marker of permanent nature for identification purposes.

Subd. 5. The surveyor shall certify as to the correctness of the plat by his endorsement thereon.

Subd. 6. The plat with the surveyor's endorsement thereon shall be filed for record with the county recorder in the county wherein the cemetery is located. A copy of the plat shall be kept in the office of the superintendent of the institution, together with a register showing the name of the persons buried in the cemetery and the lot in which they are buried.

History: 1949 c 155 s 1; 1976 c 181 s 2; 1984 c 654 art 5 s 58.

246.34 REBURIAL.

Subdivision 1. The commissioner of human services may remove the body of any person now buried in a cemetery situated upon the land belonging to the state for public institution purposes and rebury it in a cemetery created under the provisions of section 246.33, by complying with the provisions set forth in the following subdivisions of this section.

Subd. 2. The commissioner shall petition the district court of the county wherein the present cemetery is situated setting forth the reasons for such removal, the place to which the body is to be removed, and praying for an order of the court

authorizing such removal. Upon the presentation of such petition, the court shall make its order setting the time, which shall not be less than 60 days from the date of the order, and the place for hearing the same. The commissioner shall serve the nearest relative or, if the commissioner cannot locate any relative, some friend of the person whose body is to be removed by mailing to him a copy of the petition and court's order 30 days before the date of hearing and file his affidavit of mailing with the clerk of district court. If the commissioner is unable to locate a relative or friend, he shall make his affidavit to that effect and file the same with the clerk of district court.

Subd. 3. Upon the hearing of such petition, if the court determines that it is for the best interests of the public, the relatives and friends that such body be removed and that the same will be conducted in a manner commensurate with the methods commonly employed for the reburial of the dead in the community, the court shall make its order authorizing such removal, setting forth the time within which such removal shall be accomplished and the place to which the body is to be removed. Upon completion of such removal, the director shall cause the name of the person so removed to be entered in the register, together with the number of the lot in the cemetery and file an affidavit thereof with the clerk of district court.

History: 1949 c 155 s 2; 1984 c 654 art 5 s 58

246.35 ABANDONMENT OF CEMETERY; COURT ORDER.

If the court makes its order under the provisions of section 246.34 authorizing the removal of bodies from a cemetery and the same is accomplished in accordance with such order and the commissioner files affidavits of such removal as hereinbefore provided, together with his affidavit that he has caused a thorough search to be made, and there are no more dead bodies remaining in such cemetery to the best of his knowledge, information and belief, the court may make its order authorizing the abandonment of such cemetery and thereby discontinue its use as such.

History: 1949 c 155 s 3

246.36 ACCEPTANCE OF VOLUNTARY, UNCOMPENSATED SERVICES.

For the purpose of carrying out his duties, the commissioner of human services shall have authority to accept uncompensated and voluntary services and to enter into contracts or agreements with private or public agencies, or persons, for uncompensated and voluntary services, as he may deem practicable. The volunteer agencies, organizations or persons who provide services to residents of state hospitals shall not be subject to the procurement requirements of chapters 16 and 16A. The agencies, organizations or persons may purchase supplies, services and equipment to be used in providing services to residents of state hospitals through the department of administration.

246.41 CONTRIBUTIONS FOR BENEFIT OF MENTALLY DEFICIENT PERSONS AND PERSONS HAVING EPILEPSY.

Subdivision 1. **Acceptance.** The commissioner of human services is authorized to accept, for and in behalf of the state, contributions of money for the use and benefit of mentally deficient persons and persons having epilepsy.

Subd. 2. **Special welfare fund.** Any money so received by the commissioner shall be deposited with the state treasurer in a special welfare fund, which fund is to be used by the commissioner of human services for the benefit of mentally deficient persons and persons having epilepsy within the state, including those within institutions. And, without excluding other possible uses, research relating to mentally deficient persons and persons having epilepsy shall be considered an appropriate use of such funds; but such funds shall not be used for any structures or installations which by their nature would require state expenditures for their operation or maintenance without specific legislative enactment therefor.

Subd. 3. **Appropriation.** There is hereby appropriated from the special welfare fund in the state treasury to such persons as are entitled thereto to carry out the provisions stated in this section.

246.44 PIPESTONE INDIAN SCHOOL, LEASE BY STATE.

The commissioner of human services is empowered to enter into a lease with the United States of America, or any authorized department or agency thereof or to acquire by gift, for use by the state for the purposes hereinafter set forth the institution owned by the federal government and known as the Pipestone Indian School of the Bureau of Indian Affairs located in Pipestone County. The lease or instrument of acquisition by gift, referred to above, shall not be effective until approved by the Executive Council.

History: 1953 c 727 s 1; 1984 c 654 art 5 s 58

246.45 PUBLIC INSTITUTION.

The institution referred to in section 246.44, if leased to or acquired by the state, shall be, for such period of time as it may be operated by the state, a state institution within the department of human services and subject to the control and supervision of the commissioner of human services.

History: 1953 c 727 s 2; 1984 c 654 art 5 s 58

246.46 NAME; CARE AND TREATMENT OF MENTALLY DEFICIENT PERSONS OR OF ALCOHOLICS.

The institution referred to in section 246.44, if leased to or acquired by the state, shall be used for the care and treatment of mentally deficient persons or of persons afflicted with alcoholism, as may be determined by the commissioner of human services with approval of the governor. Said institution shall be known by

such name, prefixed by the word "Pipestone" as the commissioner of human services, with approval of the governor, may determine.

246.50 CARE OF PATIENTS AT STATE HOSPITALS; DEFINITIONS.

Subdivision 1. For the purposes of sections 246.50 to 246.55, the terms set out in subdivisions 2 to 8 shall have the meanings ascribed to them.

Subd. 2. "Commissioner" means the commissioner of human services of the state of Minnesota.

Subd. 3. "State hospital" means a state hospital for the mentally ill or mentally deficient now existing or hereafter established.

Subd. 4. "Patient" means any person receiving care or treatment at a state hospital whether he entered such hospital voluntarily or under commitment.

Subd. 5. "Cost of care" means the commissioner's determination of the anticipated average per capita cost of all maintenance, treatment and expense, including depreciation of buildings and equipment, interest paid on bonds issued for capital improvements to state hospitals, and indirect costs related to the operation other than that paid from the Minnesota state building fund, at all of the state hospitals for the mentally ill or mentally retarded or chemically dependent during the current year for which billing is being made. The commissioner shall determine the anticipated average per capita cost. The commissioner may establish one all inclusive rate or separate rates for each patient disability group, and may establish separate charges for each hospital. "Cost of care" for outpatient or day-care patients shall be on a cost for service basis under a schedule the commissioner shall establish.

For purposes of this subdivision "resident patient" means a person who occupies a bed while housed in a hospital for observation, care, diagnosis, or treatment.

For purposes of this subdivision "outpatient" or "day-care" patient means a person who makes use of diagnostic, therapeutic, counseling, or other service in a state hospital facility or through state hospital personnel but does not occupy a hospital bed overnight.

For the purposes of collecting from the federal government for the care of those patients eligible for medical care under the social security act "cost of care" shall be determined as set forth in the rules and regulations of the Department of Health and Human Services or its successor agency.

Subd. 6. "Relatives" means the spouse, and parents of a patient, in that order of liability for cost of care.

Subd. 7. "Patient's county" means the county of the patient's legal settlement for poor relief purposes at the time of commitment or voluntary admission to a state hospital, or if he has no such legal settlement in this state, it means the county of commitment, except that where a patient with no such legal settlement is committed while serving a sentence at a penal institution, it means the county from which he was sentenced.

Subd. 8. "County welfare board" means the welfare board of the patient's county as defined in subdivision 7 and of the county of commitment, and any other

county welfare board possessing information regarding, or requested by the commissioner to investigate, the financial circumstances of a patient or his relatives.

History: 1959 c 578 s 1; 1967 c 386 s 1; 1969 c 205 s 1; 1971 c 637 s 1-4; 1973 c 235 s 1; 1982 c 641 art 1 s 4,5; 1984 c 534 s 12; 1984 c 654 art 5 s 58

246.51 PAYMENT FOR CARE AND TREATMENT; DETERMINATION.

Subdivision 1. **Procedures.** The commissioner shall make investigation as necessary to determine, and as circumstances require redetermine, what part of the cost of care, if any, the patient is able to pay. If the patient is unable to pay the full cost of care the commissioner shall make a determination as to the ability of the relatives to pay. The patient or relatives or both shall provide the commissioner documents and proofs necessary to determine their ability to pay. Failure to provide the commissioner with sufficient information to determine ability to pay may make the patient or relatives, both, liable for the full per capita cost of care until the time when sufficient information is provided. No parent shall be liable for the cost of care given a patient at a state hospital after the patient has reached the age of 18 years. The commissioner's determination shall be conclusive in any action to enforce payment of the cost of care unless appealed from as provided in section 246.55. All money received shall be paid to the state treasurer and placed in the general fund of the state and a separate account kept of it. Responsibility under this section shall not apply to those relatives having gross earnings of less than \$11,000 per year.

Subd. 2. **Rules.** The commissioner shall adopt, pursuant to the administrative procedure act, rules establishing uniform standards for determination of patient liability and relative, guardian or conservator responsibility for care provided at state hospitals. These rules shall have the force and effect of law.

History: 1959 c 578 s 2; 1969 c 399 s 1; 1971 c 637 s 5; 1973 c 35 s 46; 1973 c 138 s 1; 1973 c 235 s 2; 1973 c 725 s 45; 1977 c 331 s 1; 1982 c 641 art 1 s 6

246.511 RELATIVE RESPONSIBILITY.

In no case, shall a patient's relatives, pursuant to the commissioner's authority under section 246.51, be ordered to pay more than ten percent of the cost of care, unless they reside outside the state. Parents of children in state hospitals shall have their responsibility to pay determined according to section 252.27, subdivision 2. The commissioner may accept voluntary payments in excess of ten percent. The commissioner may require full payment of the full per capita cost of care in state hospitals for patients whose parent, parents, spouse, guardian or conservator do not reside in Minnesota.

History: 1Sp1981 c 2 s 17; 1982 c 641 art 1 s 7; 1984 c 530 s 1

246.52 PAYMENT FOR CARE; ORDER; ACTION.

The commissioner shall issue an order to the patient or the guardian of his estate, if there be one, and relatives determined able to pay requiring them to pay monthly to the state of Minnesota the amounts so determined the total of which shall not exceed the full cost of care. Such order shall specifically state the commissioner's determination and shall be conclusive unless appealed from as herein provided. When a patient or relative fails to pay the amount due hereunder the attorney general, upon request of the commissioner, may institute, or direct the appropriate county attorney to institute, civil action to recover such amount.

History: 1959 c 578 s 3

246.53 CLAIM AGAINST ESTATE OF DECEASED PATIENT.

Subdivision 1. **Patient's estate.** Upon the death of a patient, or a former patient, the total cost of care given the patient, less the amount actually paid toward the cost of care by the patient and the patient's relatives, shall be filed by the commissioner as a claim against the estate of the patient with the court having jurisdiction to probate the estate and all proceeds collected by the state in the case shall be divided between the state and county in proportion to the cost of care each has borne.

Subd. 2. **Preferred status.** An estate claim in subdivision 1 shall be considered an expense of the last illness for purposes of section 524.3-805.

If the commissioner of human services determines that the property or estate of any patient is not more than needed to care for and maintain the spouse and minor or dependent children of a deceased patient, the commissioner has the power to compromise the claim of the state in a manner deemed just and proper.

Subd. 3. **Exception from statute of limitations.** Any statute of limitations which limits the commissioner in recovering the cost of care obligation incurred by a patient or former patient shall not apply to any claim against an estate made hereunder to recover cost of care.

History: 1959 c 578 s 4; 1969 c 205 s 2; 1981 c 31 s 5; 1982 c 641 art 1 s 8; 1984 c 654 art 5 s 58

246.54 LIABILITY OF COUNTY; REIMBURSEMENT.

The patient's county shall pay to the state of Minnesota a portion of the cost of care provided in a state hospital to a patient legally settled in that county. A county's payment shall be made from the county's own sources of revenue and payments shall be paid as follows: payments to the state from the county shall equal ten percent of the per capita rate, as determined by the commissioner, for each day, or the portion thereof, that the patient spends at a state hospital. If payments received by the state under sections 246.50 to 246.53 exceed 90 percent of the per capita rate, the county shall be responsible for paying the state only the remaining amount. The county shall not be entitled to reimbursement from the patient, the patient's estate, or from the patient's relatives, except as provided in section 246.53. No such payments shall be made for any patient who was last committed prior to July 1, 1947.

History: 1959 c 578 s 5; 1971 c 637 s 6; 1981 c 360 art 2 s 17

246.55 APPEAL FROM ORDER OF COMMISSIONER.

Any patient or relative aggrieved by an order of the commissioner under sections 246.50 to 246.55 may appeal from the order to the district court of the county in which he resides by serving notice of the appeal on the commissioner and filing the notice, with proof of service, in the office of the clerk of the district court of the county within 30 days from the date the order was mailed, or a later date not exceeding one year from the date of mailing as permitted by order of the court. The appeal may be brought on for hearing by the appellant or the commissioner upon ten days' written notice. It shall be tried to the court which shall hear evidence it deems necessary and by order affirm or modify the order of the commissioner. When any order or determination of the commissioner made under sections 246.50 to 246.55 is brought in question on appeal, the order or determination shall be determined de novo. Appeal from the order of the district court may be taken as in other civil cases.

246.56 PRE-VOCATIONAL TRAINING FOR MENTALLY ILL OR RETARDED PATIENTS; ADMINISTRATION.

Subdivision 1. The commissioner of human services is hereby authorized to establish, subject to the approval of the commissioner of education, within the state institutions for the mentally ill and mentally retarded, work activity programs for the manufacture, processing and repairing of goods, wares, and merchandise for the purpose of providing therapeutic work activities for patients and residents.

Subd. 2. The work activity programs authorized herein shall be planned and designed exclusively to provide therapeutic activities for handicapped workers whose physical or mental impairment is so severe as to make productive capacity inconsequential. The activities within this program shall conform to the rules and regulations relating to work activity centers promulgated by the United States Department of Labor. To accomplish the foregoing purpose the commissioner of human services shall have the power and authority to:

(a) use the diversified labor fund established by Laws 1945, Chapter 575, Section 19, to purchase equipment and remodel facilities of the institutions referred to in subdivision 1 to initiate the work activity program,

(b) formulate a system of records and accounts which shall at all times indicate the extent of purchases, sales, wages, and bidding practices and which shall be open to public inspection.

The commissioner of human services shall, subject to the approval of the commissioner of education, have the power and authority to:

(a) create a work activity center revolving fund for the purpose of receiving and expending moneys in the operation of the said programs,

(b) contract with public and private industries for the manufacture, repair, or assembling of work according to standard bidding practices,

(c) use the revenue from the operation of said programs to pay wages to patients and residents according to their productivity, purchase equipment and supplies and pay other expenses necessary to the operation of the said programs,

(d) establish an advisory committee consisting of representatives from the departments of health, education, and human services, labor and business groups, interested community agencies, including but not limited to the Minnesota Association of Rehabilitation Facilities, the Minnesota Association for Retarded Children, and the Minnesota Association for Mental Health, and the general public. This committee will act in an advisory capacity with respect to the scope of work activity programs, the nature of the goods to be produced and services to be performed in such programs,

(e) utilize all available vocational rehabilitation services and encourage the integration of the work activity program into existing vocational rehabilitation and community based programs, so that the work activity program will neither duplicate nor unfairly compete with existing public or private community programs.

246.57 SHARED SERVICE AGREEMENTS.

Subdivision 1. **Authorized.** The commissioner of human services, after consultation with the legislative advisory committee, may authorize any state hospital to enter into agreement with other governmental and nonprofit health service organizations for participation in shared service agreements that would be of mutual benefit to the state, the health service organizations involved, and the public. To the extent possible the commissioner shall anticipate the costs of these agreements by inclusion in the biennial budget request to the legislature. In addition, funding for shared

service agreements may be provided from the contingent appropriation for state institutions to the extent that such agreements result in costs not covered by other appropriations. No additional employees shall be added to the legislatively approved complement for any state hospital or state nursing home as a result of entering into any shared service agreement. The charges for the services shall be on an actual cost basis and all receipts shall be deposited in the general fund.

Subd. 2. **Reports.** The commissioner of human services shall report biennially to the legislature about the number of agreements approved for each hospital, the types of services provided, and the amounts collected.

Subd. 3. **Limited agreements.** Notwithstanding the provisions of subdivision 1, the commissioner of human services may authorize a state hospital or state nursing home to enter into agreements with other governmental or nonprofit organizations for participation in limited shared service agreements that would be of mutual benefit to the state, the organization involved, and the public.

The duration of limited agreements may not exceed three calendar years and the total dollar amount attributable to a limited agreement may not exceed \$100,000. Consultation with the legislative advisory committee is not required for agreements made pursuant to this subdivision. The charges for services must be on an actual cost basis and receipts are dedicated for the operations of the state hospitals or state nursing homes that provide the service, and are appropriated for that purpose.

246.60 CONSOLIDATION; EMPLOYEES.

When institutions under the control of the commissioner of human services or the commissioner of corrections are consolidated, the commissioner of employee relations and the commissioner of administration shall direct the department incor-

porating the consolidation and any other state department or agency, as necessary, to employ the affected employees at no loss in salary. The commissioner of employee relations shall temporarily suspend any rules or laws to accommodate these provisions. Any department or agency that employs an affected employee is authorized to temporarily exceed its approved complement. The commissioner of employee relations shall develop procedures to insure that moving expenses are reimbursed for those employees who relocate pursuant to the consolidation.
