As used in the preceding sentence, the term "person" includes, but is not limited to, directors and officers of corporations or members of partnerships who, either individually or jointly with others, have the control, supervision or responsibility of filing returns and making payment of the amount of tax imposed by this chapter. "Person" shall also include any agent or consignee of any individual or organization enumerated in this subdivision.

Subd. 3. A "sale" and a "purchase" includes, but is not limited to, each of the following transactions:

(h) Notwithstanding subdivision 4, and section 297A.25, subdivision 1, clause (h), the sales of horses including claiming sales and fees paid for breeding a stallion to a mare. This clause applies to sales and fees with respect to a horse to be used for racing whose birth has been recorded by the Jockey Club or the United States Trotting Association or the American Quarter Horse Association but shall not apply with respect to the sale of a horse bred and born in the state of Minnesota.

Subd. 4. A "retail sale" or "sale at retail" means a sale for any purpose other than resale in the regular course of business. Property utilized by the owner only by leasing such property to others or by holding it in an effort to so lease it, and which is put to no use by the owner other than resale after such lease or effort to lease, shall be considered property purchased for resale. Sales of building materials, supplies and equipment to owners, contractors, subcontractors or builders for the erection of buildings or the alteration, repair or improvement of real property are "retail sales" or "sales at retail" in whatever quantity sold and whether or not for purpose of resale in the form of real property or otherwise. A sale of carpeting, linoleum, or other similar floor covering which includes installation of the carpeting, linoleum, or other similar floor covering is a contract for the improvement of real property. Aircraft and parts for the repair thereof purchased by a nonprofit, incorporated flying club or association utilized solely by the corporation by leasing such aircraft to shareholders of the corporation shall not be considered property purchased for resale. The leasing of the aircraft to the shareholders by the flying club or association shall not be considered a sale notwithstanding subdivision 3 if the tax imposed by this chapter was paid on the initial purchase as provided by this subdivision.

Leasing of aircraft utilized by a lessee for the purpose of leasing to others, whether or not the lessee also utilizes the aircraft for flight instruction where no separate charge is made for aircraft rental or for charter service, shall be considered a purchase for resale; provided, however, that a proportionate share of the lease payment reflecting use for flight instruction or charter service is subject to tax pursuant to section 297A.14.

Subd. 5. "Storage" includes any keeping or retention in Minnesota for any purpose except sale in the regular course of business or subsequent use solely outside Minnesota of tangible personal property.

Subd. 6. "Use" includes the exercise of any right or power over tangible personal property, or tickets or admissions to places of amusement or athletic events, purchased from a retailer incident to the ownership of any interest in that property, except that it does not include the sale of that property in the regular course of business.

Subd. 7. "Storage" and "use" do not include the keeping, retaining or exercising of any right or power over tangible personal property or tickets or admissions to places of amusement or athletic events shipped or brought into Minnesota for the purpose of subsequently being transported outside Minnesota and thereafter used solely outside Minnesota, except in the course of interstate commerce, or for the purpose of being processed, fabricated or manufactured into, attached to or incorporated into other tangible personal property to be transported outside Minnesota and not thereafter returned to a point within Minnesota, except in the course of interstate commerce.

Subd. 8. "Sales price" means the total consideration valued in money, for a retail sale whether paid in money or otherwise, excluding therefrom any amount allowed as credit for tangible personal property taken in trade for resale, without deduction for the cost of the property sold, cost of materials used, labor or service cost, interest, or discount allowed after the sale is consummated, the cost of transportation incurred prior to the time of sale, any amount for which credit is

given to the purchaser by the seller, or any other expense whatsoever. A deduction may be made for charges for services that are part of the sale, including charges up to 15 percent in lieu of tips, if the consideration for such charges is separately stated, but no deduction shall be allowed for charges for services that are part of a sale as defined in subdivision 3, clauses (b) to (f). A deduction may also be made for interest, financing, or carrying charges, charges for labor or services used in installing or applying the property sold or transportation charges if the transportation occurs after the retail sale of the property only if the consideration for such charges is separately stated. There shall not be included in "sales price" cash discounts allowed and taken on sales, the amount refunded either in cash or in credit for property returned by purchasers or the amount of any tax (not including, however, any manufacturers' or importers' excise tax) imposed by the United States upon or with respect to retail sales, whether imposed upon the retailer or the consumer.

Subd. 9. "Gross receipts" means the total amount received, in money or otherwise, for all sales at retail as measured by the sales price. Gross receipts from sales may, at the option of the taxpayer, be reported on the cash basis as the consideration is received or on the accrual basis as sales are made.

Subd. 10. "Retailer" includes every person engaged in making sales at retail as herein defined.

Subd. 11. "Tangible personal property" means corporeal personal property of any kind whatsoever, including property which is to become a fixture or which is to lose its identity by incorporation in or attachment to real property.

Subd. 12. "Commissioner" means the commissioner of revenue of the state of Minnesota.

Subd. 13. "Agricultural production, as used in section 297A.25, subdivision 1(h)", includes, but is not limited to, horticulture; floriculture; raising of pets, fur bearing animals, research animals and horses.

Subd. 14. "Handicapped" means a permanent and total disability as defined in section 273.13, subdivision 7.

Subd. 15. "Farm machinery" means new or used machinery, equipment, implements, accessories and contrivances used directly and principally in the production for sale, but not including the processing, of livestock, dairy animals, dairy products, poultry and poultry products, fruits, vegetables, forage, grains and bees and apiary products. "Farm machinery" shall include machinery for the preparation, seeding or cultivation of soil for growing agricultural crops, harvesting and threshing of agricultural products, and certain machinery for dairy, livestock and poultry farms, together with barn cleaners, milking systems, grain dryers, automatic feeding systems and similar installations. Irrigation equipment sold for exclusively agricultural use, including pumps, pipe fittings, valves, sprinklers and other equipment necessary to the operation of an irrigation system when sold as part of an irrigation system, except irrigation equipment which is situated below ground and considered to be a part of the real property, shall be included in the definition of farm machinery. Logging equipment, except chain saws, shall be included in the definition of farm machinery. Repair or replacement parts for farm machinery shall not be included in the definition of farm machinery.

Tools, shop equipment, grain bins, feed bunks, fencing material, communication equipment and other farm supplies shall not be considered to be farm machinery. "Farm machinery" does not include motor vehicles taxed under chapter 297B, snowmobiles, snow blowers, lawn mowers, garden-type tractors or garden tillers and the repair and replacement parts for those vehicles and machines.

Subd. 16. **Capital equipment.** Capital equipment means machinery and equipment and the materials and supplies necessary to construct or install the machinery or equipment. To qualify under this definition the capital equipment must be used by the purchaser or lessee for manufacturing, fabricating, or refining a product to be sold at retail and must be used for the establishment of a new or the physical expansion of an existing manufacturing, fabricating, or refining facility in the state. Capital equipment does not include (1) machinery or equipment purchased or leased to replace machinery or equipment performing substantially the same function in an existing facility, (2) repair or replacement parts, or (3) machinery or equipment used to extract, receive, or store raw materials.

Subd. 17. **Special tooling.** Special tooling means tools, dies, jigs, patterns, gauges and other special tools which have value and use only for the buyer and for the use for which it is made. An item has use or value only to the buyer if the item is not standard enough to be stocked or ordered from a catalog or other sales literature, but must be produced in accordance with special requirements peculiar to the buyer and not common to someone else whose conditions for possible use of the material are reasonably similar to the buyer's.

297A.02 IMPOSITION OF TAX.

Subdivision 1. **Generally.** Except as otherwise provided in this chapter, there is imposed an excise tax of six percent of the gross receipts from sales at retail made by any person in this state.

Subd. 2. **Machinery and equipment.** Notwithstanding the provisions of subdivision 1, the rate of the excise tax imposed upon sales of farm machinery, special tooling, and capital equipment is four percent.

Nonintoxicating malt liquor is subject to taxation under this subdivision only when sold at an on-sale or off-sale municipal liquor store or other establishment licensed to sell any type of intoxicating liquor.

Subd. 4. **Manufactured housing.** Notwithstanding the provisions of subdivision 1, for sales at retail of manufactured homes used for residential purposes the excise tax is imposed upon 65 percent of the sales price of the home.

297A.03 SEPARATE STATEMENT; COLLECTION FROM PURCHASER; ADVERTISING NO TAX; MINIMUM; UNIFORM TAX COLLECTION METHODS.

Subdivision 1. The tax shall be stated and charged separately from the sales price or charge for service insofar as practicable and shall be collected by the seller from the purchaser and shall be a debt from the purchaser to the seller recoverable at law in the same manner as other debts.

MINNESOTA STATUTES 1984

Subd. 2. It shall be unlawful for any retailer to advertise or hold out or state to the public or any customer, directly or indirectly, that the tax or any part thereof will be assumed or absorbed by the retailer, or that it will not be added to the sales price or that, if added, it or any part thereof will be refunded except that in computing the tax to be collected as the result of any transaction amounts of tax less than one-half of one cent may be disregarded and amounts of tax if one-half cent or more may be considered an additional cent. If the sales price of any sale at retail is eight cents or less, no tax shall be collected. Any person violating this provision shall be guilty of a misdemeanor.

Subd. 3. Agreements between competitive retailers or the adoption of appropriate rules or regulations by organizations or associations of retailers to provide uniform methods for adding such tax or the average equivalent thereof, and which do not involve price fixing agreements otherwise unlawful, are expressly authorized and shall be held not in violation of any laws of Minnesota prohibiting such agreements. The commissioner may prescribe rules for such agreements.

297A.04 APPLICATIONS; MEMBER; VENDING MACHINES; FORM.

Every person desiring to engage in the business of making retail sales within Minnesota shall file with the commissioner an application for a permit and if such person has more than one place of business, an application for each place of business must be filed. A vending machine operator who has more than one vending machine location shall nevertheless be considered to have only one place of business for purposes of this section. An applicant who has no regular place of doing business and who moves from place to place shall be considered to have only one place of business and shall attach such permit to his cart, stand, truck or other merchandising device. The commissioner may require any person or class of persons obligated to file a use tax return under section 297A.27, subdivision 2, to file application for a permit. Every application for a permit shall be made upon a form prescribed by the commissioner and shall set forth the name under which the applicant intends to transact business, the location of his place or places of business, and such other information as the commissioner may require. The application shall be filed by the owner, if a natural person; by a member or partner, if the owner be an association or partnership; by a person authorized to sign the application, if the owner be a corporation.

297A.041 OPERATOR OF FLEA MARKETS; SELLER'S PERMITS REQUIRED; PENALTY.

The operator of a flea market, craft show, antique show, coin show, stamp show, comic book show, or similar selling event, as a prerequisite to renting or leasing space on the premises owned or controlled by the operator to a person desiring to engage in or conduct business as a seller, shall obtain evidence that the seller is the holder of a valid seller's permit issued pursuant to section 297A.04, or a written statement from the seller that he is not offering for sale any item that is taxable under this chapter.

Flea market, craft show, antique show, coin show, stamp show, comic book show, or similar selling event, as used in this section, means an activity involving a series of sales sufficient in number, scope, and character to constitute a regular course of business, and which would not qualify as an isolated or occasional sale pursuant to section 297A.25, subdivision 1, clause (k).

This section shall not apply to an operator of a flea market, craft show, antique show, coin show, stamp show, comic book show, or similar selling event which is held in conjunction with a community sponsored festival which has a duration of four or fewer consecutive days no more than once a year.

297A.06 PERMIT.

After compliance with sections 297A.04 and 297A.05, and 297A.28, when security is required, the commissioner shall issue to each applicant a separate permit for each place of business within Minnesota. A permit shall be valid until revoked but shall not be assignable and shall be valid only for the person in whose name it is issued and for the transaction of business at the place designated therein. It shall at all times be conspicuously displayed at the place for which issued.

History: Ex1967 c 32 art 13 s 6

297A.07 REVOCATION OF PERMITS.

Whenever any person fails to comply with any provision of sections 297A.01 to 297A.44 or any regulation of the commissioner adopted under sections 297A.01 to 297A.44, the commissioner, upon hearing, after giving the person 30 days' notice in writing specifying the time and place of hearing and the reason for the proposed revocation and requiring him to show cause why his permit or permits should not be revoked, may for reasonable cause, revoke or suspend any one or more of the permits held by such person. The notice may be served personally or by mail in the manner prescribed for service of notice of a deficiency. The commissioner shall not issue a new permit after revocation except upon application accompanied by reasonable evidence of the intention of the applicant to comply with the aforementioned provisions and regulations. The commissioner may condition the issuance of a new permit to such applicant on the supplying of such security in addition to that authorized by section 297A.28 as is reasonably necessary to insure compliance with the aforementioned provisions and regulations.

History: Ex1967 c 32 art 13 s 7

297A.08 SALES WITHOUT PERMITS, VIOLATIONS.

A person who engages in the business of making retail sales in Minnesota without the required permit or permits, and each officer of any corporation which so engages in business, is guilty of a gross misdemeanor.

History: Ex1967 c 32 art 13 s 8; 1983 c 294 s 8

297A.09 PRESUMPTION OF TAX; BURDEN OF PROOF.

For the purpose of the proper administration of sections 297A.01 to 297A.44 and to prevent evasion of the tax, it shall be presumed that all gross receipts are

subject to the tax until the contrary is established. The burden of proving that a sale is not a sale at retail is upon the person who makes the sale, but he may take from the purchaser an exemption certificate to the effect that the property purchased is for resale or that the sale is otherwise exempt from the application of the tax imposed by sections 297A.01 to 297A.44.

History: *Ex1967 c 32 art 13 s 9*

297A.10 EXEMPTION CERTIFICATE, DUTY OF RETAILER.

The exemption certificate will conclusively relieve the retailer from collecting and remitting the tax only if taken in good faith from a purchaser who holds the permit provided for in section 297A.06.

History: *Ex1967 c 32 art 13 s 10*

297A.11 CONTENT AND FORM OF EXEMPTION CERTIFICATE.

The exemption certificate shall be signed by and bear the name and address of the purchaser, shall indicate the number of the permit if any issued to the purchaser and shall indicate the general character of the property sold by the purchaser in the regular course of business and shall identify the property purchased. The certificate shall be substantially in such form as the commissioner may prescribe.

History: *Ex1967 c 32 art 13 s 11*

297A.12 IMPROPER USE OF SUBJECT OF PURCHASE OBTAINED WITH EXEMPTION CERTIFICATE.

If a purchaser who gives an exemption certificate makes any use of the subject of the purchase other than for a purpose exempted by sections 297A.01 to 297A.44, such use shall be deemed a retail sale by the purchaser as of the time of first use by him, and the sales price to him shall be deemed the gross receipts from such retail sale. If the sole non-exempt use is rental while holding for sale, the purchaser shall include in his gross receipts the amount of the rental charged. Upon subsequent sale of such property, the seller shall include the entire amount of gross receipts received therefrom without deduction of amounts previously received as rentals.

History: *Ex1967 c 32 art 13 s 12; 1971 c 151 s 1*

297A.121 USE OF EXEMPTION CERTIFICATES TO EVADE TAX; PENALTY.

Any person who gives an exemption certificate for property which will be used for purposes other than the exemption claimed with the intent to evade payment to the seller of the amount of the tax applicable to the transaction shall be subject to a penalty payable to the commissioner of revenue of \$100 for each transaction where an improper use of an exemption certificate has occurred.

History: *1983 c 327 s 4*

297A.13 COMMINGLING EXEMPTION CERTIFICATE GOODS.

If a purchaser gives an exemption certificate with respect to the purchase of fungible goods and thereafter commingles these goods with other fungible goods not so purchased but of such similarity that the identity of the constituent goods in the commingled mass cannot be determined, sales from the mass of commingled goods

shall be deemed to be sales of the goods so purchased until a quantity of commingled goods equal to the quantity of purchased goods so commingled has been sold.

History: *Ex1967 c 32 art 13 s 13*

297A.14 USING, STORING OR CONSUMING TANGIBLE PERSONAL PROPERTY; ADMISSIONS; UTILITIES.

For the privilege of using, storing or consuming in Minnesota tangible personal property, tickets or admissions to places of amusement and athletic events, electricity, gas, and local exchange telephone service purchased for use, storage or consumption in this state, a use tax is imposed on every person in this state at the rate of six percent of the sales price of sales at retail unless the tax imposed by section 297A.02 was paid on the sales price. Notwithstanding the provisions of the preceding sentence, the rate of the use tax imposed upon the sales price of sales of farm machinery, special tooling, and capital equipment is four percent.

A motor vehicle subject to tax under this section shall be taxed at its fair market value at the time of transport into Minnesota if the motor vehicle was acquired more than three months prior to its transport into this state.

297A.141 LOCAL ADMISSIONS AND AMUSEMENT TAXES; EXEMPTION FOR ARTS ORGANIZATIONS.

No tax imposed by a local unit of government or imposed on sales taking place in a single named local unit of government on sales of admissions or amusements under a law enacted prior or subsequent to the enactment of this provision, other than a general sales tax law, shall apply to amounts charged for admission to the premises of or events sponsored by a nonprofit arts organization.

297A.15 COLLECTION AND PAYMENT; PENALTY.

Subdivision 1. Liability for the payment of the use tax is not extinguished until the tax has been paid to Minnesota. However, a receipt from a retailer maintaining a place of business in Minnesota, or from a retailer who is authorized by the commissioner under such rules and regulations as he may prescribe, to collect the tax, given to the purchaser pursuant to section 297A.16 relieves the purchaser of further liability for the tax to which the receipt refers.

Subd. 2. Any retailer not maintaining a place of business in Minnesota as a prerequisite to receiving authorization from the commissioner to collect the use tax shall furnish, to the satisfaction of the commissioner, and in accordance with section 297A.28, adequate security to insure collections and payment of the tax. When so authorized, such retailer shall, except as otherwise provided in section 297A.16, collect the tax upon all tangible property sold to his knowledge for use within this state, as a retailer maintaining a place of business within this state collects such tax. Such authority and permit may be cancelled at any time, if the commissioner considers the security inadequate, or believes that such tax can be collected more effectively from the person using such property in this state.

Subd. 3. No agent, canvasser or employee of any retailer, not authorized by permit from the commissioner, shall collect the tax as prescribed herein, nor sell, solicit orders for, nor deliver, any tangible personal property in this state. Any such agent, canvasser or employee violating the provisions of sections 297A.14 to 297A.25

MINNESOTA STATUTES 1984

is guilty of a misdemeanor and shall be punished by a fine of not more than \$100 for each offense, or by imprisonment for not more than 30 days, or by both such fine and imprisonment.

Subd. 4. Seizure; court review. The commissioner of revenue or his duly authorized agents are empowered to seize and confiscate in the name of the state any truck, automobile or means of transportation not owned or operated by a common carrier, used in the illegal importation and transportation of any article or articles of tangible personal property by a retailer or his agent or employee who does not have a sales or use tax permit and has been engaging in transporting personal property into the state without payment of the tax. The commissioner may demand the forfeiture and sale of the truck, automobile or other means of transportation together with the property being transported illegally, unless the owner establishes to the satisfaction of the commissioner or the court that he had no notice or knowledge or reason to believe that the vehicle was used or intended to be used in any such violation. Within two days after the seizure, the person making the seizure shall deliver an inventory of the vehicle and property seized to the person from whom the seizure was made, if known, and to any person known or believed to have any right, title, interest or lien on the vehicle or property, and shall also file a copy with the commissioner. Within ten days after the date of service of the inventory, the person from whom the vehicle and property was seized or any person claiming an interest in the vehicle or property may file with the commissioner a demand for a judicial determination of the question as to whether the vehicle or property was lawfully subject to seizure and forfeiture. The commissioner, within 30 days, shall institute an action in the district court of the county where the seizure was made to determine the issue of forfeiture. The action shall be brought in the name of the state and shall be prosecuted by the county attorney or by the attorney general. The court shall hear the action without a jury and shall try and determine the issues of fact and law involved. Whenever a judgment of forfeiture is entered, the commissioner may, unless the judgment is stayed pending an appeal, cause the forfeited vehicle and property to be sold at public auction as provided by law. If a demand for judicial determination is made and no action is commenced as provided in this subdivision, the vehicle and property shall be released by the commissioner and redelivered to the person entitled to it. If no demand is made, the vehicle and property seized shall be deemed forfeited to the state by operation of law and may be disposed of by the commissioner as provided where there has been a judgment of forfeiture. The forfeiture and sale of the automobile, truck or other means of transportation, and of the property being transported illegally in it, is a penalty for the violation of this chapter. After deducting the expense of keeping the vehicle and property, the fee for seizure, and the costs of the sale, the commissioner shall pay from the funds collected all liens according to their priority, which are established at the hearing as being bona fide and as existing without the lienor having any notice or knowledge that the vehicle or property was being used or was intended to be used for or in connection with any such violation as specified in the order of the court, and shall pay the balance of the proceeds into the state treasury to be credited to the general fund. The state shall not be liable for any liens in excess of the proceeds from the sale after deductions provided. Any sale under the provisions of this section shall operate to free the vehicle and property sold from any and all liens on it, and appeal from the order of the district court will lie as in other civil cases.

For the purposes of this section, "common carrier" means any person engaged in transportation for hire of tangible personal property by motor vehicle, limited to (1) a person possessing a certificate or permit authorizing for-hire transportation of property from the interstate commerce commission or the public utilities commission; or (2) any person transporting commodities defined as "exempt" in for-hire

transportation; or (3) any person who pursuant to a contract with a person described in (1) or (2) above transports tangible personal property.

Subd. 5. **Refund; appropriation.** Notwithstanding the provisions of section 297A.02, subdivision 2, the tax on sales of capital equipment shall be imposed and collected as if the rate under section 297A.02, subdivision 1, applied. Upon application by the purchaser, on forms prescribed by the commissioner, a refund equal to the reduction in the tax due as a result of the application of the rates under section 297A.02, subdivision 2, shall be paid to the purchaser. The application shall include information necessary for the commissioner initially to verify that the purchases qualified as capital equipment under section 297A.02, subdivision 2. No more than two applications for refunds may be filed under this subdivision in a calendar year. Unless otherwise specifically provided by this subdivision, the provisions of section 297A.34 apply to the refunds payable under this subdivision. There is annually appropriated to the commissioner of revenue the amount required to make the refunds.

Subd. 2. (a) Such persons, when properly registered as retailers, may make purchases in this state, or import property into this state, without payment of the sales or use taxes imposed by this chapter at the time of purchase or importation, provided that such purchases or importations come within the provisions of this section and are made in strict compliance with the rules and regulations of the commissioner.

Subdivision 1. Except as provided in section 297A.275, on or before the 25th day of each month in which taxes imposed by sections 297A.01 to 297A.44 are payable, a return for the preceding reporting period shall be filed with the commissioner in such form as the commissioner may prescribe, verified by a written declaration that it is made under the criminal penalties for wilfully making a false return, and in addition shall contain a confession of judgment for the amount of the tax shown due thereon to the extent not timely paid. Any person making sales at retail at two or more places of business may file a consolidated return subject to such regulations as the commissioner may prescribe.

Subd. 2. For purposes of the excise tax, a return shall be filed by every retailer. For the purposes of the use tax a return shall be filed by every retailer required to collect such tax and by every person purchasing any items, the storage, use or other consumption of which is subject to the use tax, who has not paid the use tax to a retailer required to collect the tax. All returns shall be signed by the person filing the return or by his agent duly authorized in writing.

Subd. 3. Every person liable for any tax imposed by this chapter, or for the collection thereof, shall keep such records, render such statements, make such returns, and comply with such regulations, as the commissioner may from time to time prescribe. Any such return or statement shall include therein the information required by such regulations and by the forms prescribed by the commissioner. security in such form and in such amount as he may determine but not more than twice the estimated average liability for the period for which the returns are required to be filed, or \$10,000, whichever amount is the lesser. The amount of security may be increased or decreased by the commissioner, subject to the limitations herein provided. The commissioner may sell property deposited as security at public auction if necessary in order to recover any tax or any amount required to be collected, including interest and penalties, if any. Notice of the sale must be served upon the person who deposited the security personally, or by mail in the manner hereinafter prescribed for the service of a notice of a deficiency. After any sale any surplus above the amount due not required as security under this section shall be returned to the person who deposited the security. In lieu of security, the commissioner may require a retailer to file a bond, issued by a surety company authorized to transact business in this state and approved by the commissioner of commerce as to solvency and responsibility.

Where an extension of time for payment has been granted under this section, interest shall be payable at the rate provided in section 297A.39 from the date when such payment should have been made, if no extension had been granted, until such tax is paid.

297A.31 EXAMINATION OF RETURN, ADJUSTMENTS, NOTICES AND DEMANDS.

Subdivision 1. The commissioner shall, as soon as practicable after a return is filed, examine the same and make any investigation or examination of the records and accounts of the person making the return that he deems necessary for determining its correctness. The commissioner may use statistical or other sampling techniques consistent with generally acceptable accounting principles in examining the returns or records. The tax computed on the basis of such examination shall be the tax to be paid. If the tax found to be due exceeds the amount of the tax reported as due on the taxpayers return, such excess shall be paid to the commissioner within 60 days after notice of the amount and demand for its payment shall have been mailed to the person making the return. If the amount of the tax found due by the commissioner shall be less than that reported as due on the return, the excess shall be refunded to the person making the return in the manner provided by section 297A.35 (except that no demand therefor shall be necessary), if he has already paid the whole of such tax, or credited against any unpaid tax. Except as otherwise

provided in this chapter, no refundment shall be made except as provided in section 297A.35 after the expiration of three years after the filing of the return.

Subd. 2. The notices and demands provided for by sections 297A.31 and 297A.33 shall contain a brief statement of the computation of the tax and shall be sent by mail to the person making the return at the address given in his return, if any, or to his last known address, or a brief written statement of the computation of the tax may be personally served upon the taxpayer. Demand for immediate payment of the taxes contained in the written statement shall be made by the person making personal service.

297A.32 FAILURE TO FILE RETURN.

If any person required by sections 297A.01 to 297A.44 to file any return shall fail to do so within the time prescribed, or shall make, wilfully or otherwise, an incorrect, false, or fraudulent return, he shall, upon written notice and demand, immediately file such return, or corrected return, and at the same time pay any tax due on the basis thereof. If such person shall fail to file such return or corrected return, the commissioner shall make for him a return, or corrected return, from his own knowledge and from such information as he can obtain through testimony, or otherwise, and assess a tax on the basis thereof, which tax (less any payments theretofore made on account of the tax for the taxable period covered by such return) shall be immediately paid upon written notice and demand. Any such return or assessment made by the commissioner shall be prima facie correct and valid, and such person shall have the burden of establishing its incorrectness or invalidity in any action or proceeding in respect thereto.

297A.33 FAILURE TO PAY TAX, ACTIONS; PROTECTION AGAINST EVASION.

Subdivision 1. If any portion of a tax imposed by sections 297A.01 to 297A.44, including penalties thereon, is not paid within 60 days after it is required to be paid, the commissioner shall bring against the person liable for payment of such tax an action at law, in the name of the state, for the recovery of the tax and interest and penalties due in respect thereof under sections 297A.01 to 297A.44. Such action shall be brought in the district court of the judicial district in which lies the county of the residence or principal place of business within this state of the person required to file the return, or, in the case of an estate or trust, of the place of its principal administration, and for this purpose the place named as such in the return, if any, made by such person shall be conclusive against him. If no such place is named in the return such action may be commenced in Ramsey county. Only the homestead and household goods of the judgment debtor shall be exempt from seizure and sale upon execution issued in such an action.

Subd. 2. If the commissioner has reason to believe that the person required to file the return is about to remove himself or his property from this state with the purpose of evading the tax and penalties imposed by sections 297A.01 to 297A.44, or that the collection of such tax will be jeopardized by delays incident to other methods of collection, he may immediately declare such person's reporting period at an end and assess a tax on the basis of his own knowledge or information available to him, demand its immediate payment; and, if payment is not immediately made, collect the tax by any method prescribed in chapter 270. It shall not be a defense to any assessment made under this section that the tax period has not terminated, or

MINNESOTA STATUTES 1984

that the time otherwise allowed by law for filing a return has not expired, or that the notices otherwise required by law for making an assessment have not been given, or that the time otherwise allowed by law for taking or prosecuting an appeal or for paying the tax has not expired.

Subd. 3. In addition to all other methods authorized for the collection of the tax, it may be collected in an ordinary action at law or in equity by the state against the person required to file a return.

Subd. 4. No suit shall lie to enjoin the assessment or collection of any taxes imposed by sections 297A.01 to 297A.44, or the interest and penalties imposed thereby.

Subd. 5. The tax, as assessed by the commissioner, with any penalties included therein, shall be presumed to be valid and correctly determined and assessed, and the burden shall be upon the person required to file the return to establish the incorrectness or invalidity of the assessment.

297A.34 LIMITATIONS.

Subdivision 1. Except as otherwise provided in this chapter, the amount of taxes assessable with respect to any taxable period shall be assessed within three years after the return for such period is filed. Such taxes shall be deemed to have been assessed within the meaning of this section whenever the commissioner shall have prepared a notice of tax assessment and mailed the same to the person required to file the return to the post office address given in the return. The record of such mailing shall be presumptive evidence of the giving of such notice, and such records shall be preserved by the commissioner.

Subd. 2. If the person required to file the return omits from the return a dollar amount properly includible therein which is in excess of 25 percent of the dollar amount reported in the return, the tax may be assessed, or a proceeding in court for the collection of such tax may be begun at any time within five years after the return was filed.

Subd. 3. For the purposes of this section and of section 297A.35, a return filed before the last day prescribed by law for filing thereof shall be considered as filed on such last day.

Subd. 4. In the case of a false or fraudulent return with intent to evade tax or of failure with the same intent to file a return, the tax may be assessed at any time, and a proceeding in court for the collection of the tax must be begun within five years after the assessment.

Subd. 5. Where the assessment of any tax is hereafter made within the period of limitation properly applicable thereto, such tax may be collected by a proceeding in court, but only if begun:

(a) Not later than 24 months after the expiration of the period for the assessment of the tax;

(b) Not later than 24 months after final disposition of any appeal from the order of assessment.

Subd. 6. Where before the expiration of the time prescribed in subdivision 1 or for the assessment of the tax, the commissioner and the taxpayer consent in writing to an extension of time for the assessment of the tax, the tax may be assessed at any time prior to the expiration of the period agreed upon. The period so agreed

upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon.

Subd. 7. Suspension of time; bankruptcy proceedings. The period of time during which a tax must be assessed or collection proceedings commenced under this chapter shall be suspended during the period from the date of a filing of a petition in bankruptcy until 30 days after notice to the commissioner of revenue that the bankruptcy proceedings have been closed or dismissed, or that the automatic stay has been terminated or has expired.

The suspension of the statute of limitations under this subdivision shall apply to the person against whom the petition in bankruptcy is filed, and to all other persons who may be wholly or partially liable for the tax under this chapter.

297A.35 REFUNDS.

Subdivision 1. A person who has, pursuant to the provisions of this chapter, paid to the commissioner an amount of tax for any period in excess of the amount legally due for that period, may file with the commissioner a claim for a refund of such excess subject to the conditions specified in subdivision 5. Except as provided in subdivision 4 no such claim shall be entertained unless filed within two years after such tax was paid, or within three years from the filing of the return, whichever period is the longer. The commissioner shall examine the claim and make and file written findings thereon denying or allowing the claim in whole or in part and shall mail a notice thereof to such person at the address stated upon the claim. Any allowance shall include interest on the excess determined at a rate of six percent per annum from the date such excess was paid or collected until the date it is refunded or credited. If such claim is allowed in whole or in part, the commissioner shall credit the amount of the allowance against any taxes under sections 297A.01 to 297A.44 due from the claimant and for the balance of said allowance, if any, the commissioner shall issue his certificate for the refundment of the excess paid, and the commissioner of finance shall cause such refund to be paid out of the proceeds of the taxes imposed by sections 297A.01 to 297A.44, as other state moneys are expended. So much of the proceeds of such taxes as may be necessary are hereby appropriated for that purpose.

Subd. 2. If the claim is denied in whole or in part, the claimant may commence an action against the commissioner to recover the amount claimed. Such action may be brought in the district court of the district in which lies the county of the claimant's residence or principal place of business or if an estate or trust, of the principal place of its administration, or in the district court for Ramsey county. Such action may be commenced after the expiration of six months after the claim is filed if the commissioner has not then taken final action thereon, and shall be commenced within 18 months after mailing of the notice of the order denying the claim.

Subd. 3. A person who has paid an amount of tax to a retailer engaged in providing electricity in respect to the purchase for agricultural production of electricity which is exempt from tax under section 297A.25, subdivision 1, clause (h) may file a claim for refund of the tax with the commissioner, notwithstanding any other provision of this chapter.

Subd. 4. If the commissioner and the person required to file the return have within the periods prescribed in subdivision 1 consented in writing to any extension of time for the assessment of the tax under the provisions of section 297A.34, subdivision 6, the period within which a claim for refund may be filed, or a refund may be made or allowed, if no claim is filed, shall be the period within which the commissioner and the taxpayer have consented to an extension for the assessment of

MINNESOTA STATUTES 1984

the tax; provided, however, that the period within which a claim for refund may be filed shall not expire prior to two years after the tax was paid.

Subd. 5. If a vendor has collected from a purchaser and remitted to the state a tax on a transaction which is not subject to the tax imposed by this chapter, the tax shall be refundable to the vendor only if and to the extent that it will be credited to amounts due to the vendor by the purchaser or returned to the purchaser by the vendor.

Subd. 2. In case of any failure to make and file a return within the time prescribed by sections 297A.01 to 297A.44 or an extension thereof, there shall be added to the tax in lieu of the ten percent specific penalty provided in subdivision 1 ten percent if the failure is for not more than 30 days with an additional five percent for each additional 30 days or fraction thereof during which such failure continues, not exceeding 25 percent in the aggregate. If the penalty as computed does not exceed \$10, a minimum penalty of \$10 shall be assessed. The term "person" as used in this subdivision includes any officer or employee of a corporation or a member or employee of a partnership who as an officer, member or employee is under a duty to perform the act in respect to which the violation occurs. Notwithstanding the provisions of section 628.26, or any other provision of the criminal laws of this state, an indictment may be found and filed, upon any criminal offense specified in this subdivision, in the proper court within six years after the commission of the offense.

Subd. 5. All payments received may, in the discretion of the commissioner of revenue, be credited first to the oldest liability not secured by a judgment or lien, but in all cases shall be credited first to penalties, next to interest, and then to the tax due.

Subd. 6. [Repealed, 1982 c 523 art 2 s 49]

297A.391 PAYMENT OF TAX PENDING APPEAL.

When a taxpayer appeals any liability assessed under this chapter to the tax court, and the amount in dispute is more than \$6,000, the entire amount of the tax, penalty, and interest assessed by the commissioner shall be paid at the time it is due unless permission to continue prosecution of the petition without payment is obtained as provided herein. The petitioner, upon ten days notice to the commissioner, may apply to the court for permission to continue prosecution of the petition without payment; and, if it is made to appear

- (1) That the proposed review is to be taken in good faith;
- (2) That there is probable cause to believe that the taxpayer may be held exempt from payment of the liability or that the liability may be determined to be less than 50 percent of the amount due; and
- (3) That it would work a substantial hardship upon petitioner to pay the liability,

the court may permit the petitioner to continue prosecution of the petition without payment, or may fix a lesser amount to be paid as a condition of continuing the prosecution of the petition.

Failure to make payment of the amount required when due shall operate automatically to dismiss the petition and all proceedings thereunder unless the payment is waived by an order of the court permitting the petitioner to continue prosecution of the petition without payment.

297A.43 CONFIDENTIAL NATURE OF INFORMATION.

It shall be unlawful for the commissioner or any other public official or employee to divulge or otherwise make known in any manner any particulars disclosed in any report or return required by sections 297A.01 to 297A.44, or any information concerning the affairs of the person making the return acquired from his records, officers, or employees while examining or auditing under the authority of sections 297A.01 to 297A.44, except in connection with a proceeding involving taxes due under this chapter from the taxpayer making such report or return or to comply with the provisions of section 297A.431 or where a question arises as to the proper tax applicable, that is, sales or use tax. In the latter instance, the commissioner may furnish information to a buyer and a seller with respect to the specific transaction in question. Nothing herein contained shall be construed to prohibit the commissioner from publishing statistics so classified as not to disclose the identity of particular returns or reports and the contents thereof. Any person violating the provisions of this section shall be guilty of a gross misdemeanor.

The commissioner may enter into an agreement with the commissioner or other taxing officials of another state for the interpretation and administration of the acts of their several states providing for the collection of a sales and/or use tax for the purpose of promoting fair and equitable administration of such acts and to eliminate double taxation.

Notwithstanding the above provisions of this section, the commissioner, at his discretion, in order to implement the purposes of this chapter, may furnish information on a reciprocal basis to the taxing officials of another state, or to the taxing officials of any municipality of the state of Minnesota which has a local sales and/or use tax.

In order to facilitate processing of returns and payments of taxes required by this chapter, the commissioner may contract with outside vendors and may disclose private and nonpublic data to the vendor. The data disclosed will be administered by the vendor consistent with this section.
