Subdivision 1. **Supplemental appropriations.** The board of county commissioners of Ramsey county upon recommendation of the Ramsey county auditor may make a supplemental appropriation of funds to a county departmental budget during the course of a budget year. This appropriation shall authorize the use and expenditure of funds accruing to the county of Ramsey which were not derived from taxation by the county board and not anticipated in the budget as estimated receipts.

Subd. 2. **Emergency appropriations.** To meet a public emergency affecting life, health, property or the public peace, and to the extent that there are no available unappropriated revenues to meet the emergency, the board may, by unanimous vote, authorize the issuance of emergency notes. These notes may be renewed from time to time but the emergency notes and renewals in a fiscal year shall be paid not later than the last day of the fiscal year next succeeding that in which the emergency appropriation was made. The issuance and payment of these notes is subject to the mill limits on taxing power established by law for Ramsey county.

Subd. 3. **Emergency borrowing; bonds.** Ramsey county may borrow funds and pledge the credit of the county to meet an emergency arising inside the county and may make these loans either from the state of Minnesota, the federal government, or from private sources in an amount not exceeding \$1,000,000.

Bonds or other evidences of indebtedness may be issued pursuant to the authority granted to the county and for the purposes specified herein. If the county is required by statute to submit the question of the issuance of bonds or other evidences of indebtedness to a referendum vote, it may issue and sell these bonds or other evidences of indebtedness without submitting the question of the issue to a referendum vote, by the following procedure:

(i) **Procedure.** Before any bonds or other evidences of indebtedness may be issued hereunder by Ramsey county without submitting the proposal to make the issue to a referendum vote of the electors of the county, the board of county

commissioners of Ramsey county shall first adopt a resolution, by unanimous vote of all of its members, declaring an emergency to exist making it necessary to borrow in the specified amount without submitting the question of issuance of bonds or other evidences of indebtedness to a vote of the electors of the county.

(ii) **Sale.** Upon the passage of this resolution, the board of commissioners of the county may proceed to issue and sell its bonds or other evidences of indebtedness covering these loans, in the manner prescribed by Minnesota Statutes 1971, Section 475.60, Subdivisions 1, 2, 3, 5 and 6, and they shall be valid legal obligations of the county without the referendum vote of the electors. These bonds or evidences of indebtedness shall become due and payable in not more than five years from the date of issue.

These bonds or other evidences of indebtedness are subject to the provisions of the laws of the state that govern the county in making loans in regard to the levy of a tax for interest and principal and for the payment thereof. No provisions of an act passed during the 1953 session of the legislature, limiting the tax which may be levied in the county, may in any way limit the tax to be levied for the payment of the principal or interest of these bonds.

All laws or parts of law inconsistent herewith are suspended, but this action does not repeal or suspend any other law authorizing Ramsey county to issue bonds.

Subd. 4. Transfer of appropriation. The Ramsey county board may, by resolution, transfer part of all of any unencumbered appropriation balance or unappropriated funds from one department, office or fund to another department, office or fund.
