Subdivision 1. Except as specifically permitted in chapters 97 to 102, no person may take, buy, sell, transport, or possess any protected wild animals of this state or any aquatic plants without first procuring a license therefor as provided in section 98.46 or in section 98.48. Every license is issued for a year beginning on the first day of March and is void after the last day of the open season or the lawful time within that year during which the acts authorized may be performed. Except as provided in this section, no license to take deer with firearm or with bow and arrow may be issued after the day prior to the first day of the regular rifle season, and all license agents shall return all stubs and unsold license blanks to the county auditor on the first business day following the first day of such season. A license to take deer with bow and arrow issued after the opening of the bow and arrow deer season shall not be valid until the fifth day after it is issued. A resident who is discharged from the military or naval forces of the United States, or any active reserve or component thereof, during the regular season for taking deer by firearm or within ten days before its commencement, may be issued, at any time during the firearm deer season and upon a showing of his official discharge paper, a license to take deer with firearm. Only one license of each kind, except as authorized by order of the commissioner adopted pursuant to section 97.53 and except the non-resident short term angling license, may be issued to a person in any licensing year. No license may be transferred except as expressly authorized.

Subd. 2. Every person to whom a license is issued shall have it upon his person while doing any act for which the license is required and while traveling to and from the grounds upon which such acts are performed, and upon the request of any conservation officer or peace officer shall exhibit the license issued to him. No receipt for license fees, copy of any license, or any evidence purporting to show the issuance of a license is valid evidence so as to entitle the holder to exercise the rights or privileges conferred by a license. Every person who may take fish without a license by reason of his age being 65 years or over shall have on his person while taking fish and while traveling to and from the location where fish are taken a valid driver's license, nonqualification certificate, or other document showing proof of his age and residency, and upon the request of any conservation officer or peace officer shall exhibit the proof of age to him.

Subd. 3. No person may lend or transfer to another or borrow or solicit from another any license, coupon, tag, or seal attached thereto or issued therewith, or use any license, coupon, tag, or seal not issued to him unless otherwise expressly authorized.

Subd. 4. Except as provided in subdivision 6, a person who is not a resident, as defined in section 97.40, subdivision 21, may take, buy, sell, transport, or possess wild animals in this state only as a nonresident. Any firearm in possession of a

nonresident alien for any purpose, other than hunting as a nonresident, is contraband and subject to confiscation.

Subd. 5. When provision is not made for a license for nonresidents to engage in activities requiring a license of residents, nonresidents may not engage in such activities.

98.50 ISSUANCE.

Subdivision 1. County auditors are hereby appointed agents of the commissioner for the sale of licenses to take big and small game and fish, and to trap fur-bearing animals, and to harvest wild rice, to residents of the state, and to take big and small game and fish, to nonresidents of the state. Each county auditor may appoint subagents within his county or within adjacent counties to sell such licenses, and upon such appointment the auditor shall notify the commissioner forthwith of the name and address of the subagent. Such appointments may be revoked by the auditor at any time, and he shall revoke any agency upon demand of the commissioner. The auditor shall furnish license blanks on consignment to any subagent who furnishes a surety bond in favor of the county in an amount at least equal to the value of the license blanks to be consigned to that subagent. The county auditor shall be responsible for all license blanks issued to, and license fees received by, his agents, except in a county to which Laws 1951, Chapter 381, applies, or in a county wherein the county auditor does not retain fees paid for such license purposes. In such county the responsibility imposed above upon the county auditor is imposed upon the county.

Subd. 2. The commissioner may require county auditors to furnish such additional corporate surety bonds as in his opinion may be required to secure the state, in addition to the auditor's official bond. The commissioner shall prescribe rules and regulations setting up such accounting and procedural requirements as he may deem necessary to assure the efficient handling of licenses and license fees, and all county auditors and other agents shall strictly comply therewith. The commissioner may by order adopted pursuant to section 97.53 establish such standards and other requirements for the establishment and revocation of subagencies as he may deem necessary to assure the efficient distribution of licenses throughout the state, and all county auditors shall strictly comply therewith.

Subd. 3. [Repealed, 1976 c 143 s 7]

Subd. 4. [Repealed, 1961 c 561 s 17]

Subd. 5. Any resident desiring to sell the licenses referred to in subdivision 1 may either purchase for cash or obtain on consignment license blanks from a county auditor in groups of not less than five nonresident, and ten resident license blanks. In addition to the basic license fee, he shall collect a fee for issuing each license in the amount of \$1 for the license to take deer and for the sportsman license authorized in section 98.46, subdivision 2a, and 75 cents for all other licenses. The state migratory waterfowl stamp required by section 97.4841, the trout stamp required by section 97.4842, the pheasant stamp required by section 97.4843, and any other similar state stamp required by statute, each shall be considered to be a "license" within the meaning of this subdivision except that only one issuing fee shall be collected when any stamps are issued in the same transaction with the appropriate small game, fishing, or sportsman's license, or when a collector purchases more than one stamp in the same transaction after the end of the season for which the stamp was issued. In selling such licenses, he shall be deemed an agent of the county auditor and the commissioner, and he shall observe all rules and regulations promulgated by the commissioner for the accounting for and handling of such licenses.

The county auditor shall promptly deposit all moneys received from the sale of licenses with the county treasurer, and shall promptly transmit such reports as may

be required by the commissioner, together with his warrant on the county treasurer for 100 percent of the surcharge imposed by section 97.482 plus 96 percent of the price to the licensee, exclusively of said surcharge and the issuing fee, for each license sold or consigned by him and subsequently sold to a licensee during the accounting period. The county auditor shall retain as his commission four percent of all license fees, excluding issuing fees for licenses consigned to subagents. In addition, for licenses sold for cash directly to the licensee, the auditor shall collect the same issuing fee as a subagent. Unsold license blanks in the hands of any agent shall be redeemed by the commissioner if presented for redemption within the time prescribed by the commissioner therefor. Any license blanks not presented for redemption within the period prescribed shall be conclusively presumed to have been sold, and the agent possessing the same or to whom they are charged shall be accountable therefor. The commissioner shall collect the same issuing fee as a subagent for licenses sold directly through a license distribution center operated by the department of natural resources. The issuing fees so collected by the commissioner shall be credited to the game and fish fund.

Subd. 6. The commissioner shall prescribe rules and regulations for the issuance of duplicate licenses to persons whose licenses have been lost or destroyed, but no such duplicate license shall be issued until the applicant has taken oath covering the facts of loss or destruction of the license.

Subd. 7. In addition to other penalties, any agent to sell licenses, who violates any provision of law or regulation of the commissioner relating to the sale, handling or accounting for such licenses, shall forfeit his agency or his right to sell or handle licenses for a period of one year.

Subd. 8. [Repealed, 1967 c 50 s 2]

Subd. 9. This section does not apply to the issuance of licenses to take moose. Wherever applicable in this section the term "license" also includes application for a license to take moose.

Subd. 10. (a) A written application shall be made by each subagent to the appropriate county auditor in a manner approved by the commissioner, who shall require the applicant to deposit with the state treasurer, securities of the United States government or the state of Minnesota or to execute and file a bond, with a corporate surety approved by the commissioner, to the appropriate county auditor and to the state of Minnesota in an amount to be fixed by the commissioner and approved by the attorney general and which shall be conditioned for the payment when due of all license fees, penalties and accrued interest arising by reason of any delinquent money which may be due to the appropriate county auditor and the state of Minnesota for said fees. The bond shall cover all places of business within the state where license fees are received by the subagent.

(b) When the surety upon any bond issued pursuant to the provisions of this chapter shall have fulfilled the conditions of such bond and compensated the state for any loss occasioned by any act or omission of any subagent under this chapter, such surety shall be subrogated to all the rights of the state in connection with the transaction wherein such loss occurred.

(c) If a subagent cannot or does not choose to acquire a bond of the type required then the county auditor may demand prepayment for such licenses prior to delivery of them to the subagent. Such license may be returned by the subagent to the auditor for a refund within time limits established by the commissioner.
