Note: This section was also amended by Laws 1990, chapter 480, article 9, section 3, to read as follows:

"110.70 Application.

Nothing in sections 110.55 to 110.69 shall amend, alter, supersede, or otherwise change the provisions set forth in section 110.13. The provisions of sections 110.55 to 110.69 shall in no manner apply to public waters of an area of more than 10,000 acres, situated wholly or partially within counties now or hereafter having a population of more than 450,000 and a market value of more than \$1,860,000,000, including money and credits, and in which is situated a city of the first class within a distance of 20 miles from the body of public water; and, as to such public waters, nothing contained in sections 110.55 to 110.69 shall be construed to authorize the diversion of any water from any stream, river, or lake located in any county adjoining or abutting in part upon the county wherein a major portion of such public waters is located."
