135A.01 FUNDING POLICY.

It is the policy of the legislature that direct state appropriations, exclusive of tuition, for the instructional services at public post-secondary institutions reflect a portion of the estimated cost of providing the instructional services.

History: 1983 c 258 s 29; 1Sp1985 c 11 s 14

135A.02 APPLICABILITY.

The total cost of providing instructional services shall be used to appropriate money to the board of regents of the University of Minnesota, state university board, state board for community colleges, and the state board for vocational education to the extent the money is for instructional services.

History: 1983 c 258 s 30

135A.03 APPROPRIATIONS FOR INSTRUCTIONAL SERVICES.

Subdivision 1. Determination of appropriation. The direct appropriation to each board for instructional services shall equal 67 percent of the estimated total cost of instruction for the University of Minnesota, the state university system, and the community college system, and, for technical colleges, at least 67 percent of the estimated total cost of instruction.

Subd. 2. Determination of total cost of instruction. The total cost of instruction shall be calculated in the following manner.

(a) Determine the student enrollment, for each instructional category, for the fiscal year two years before the fiscal year for which the appropriation is to be made.

(b) Multiply the student enrollment by the average cost of instruction per student in each instructional category.

(c) Add the resulting products.

Subd. 3. Determination of student enrollment. Student enrollment shall be the full-year equivalent or average daily membership enrollment in each instructional category in the fiscal year two years before the fiscal year for which the appropriations are being made. Student enrollment for the purpose of calculating appropriations for the second year of the biennium may be estimated on the basis of the latest enrollment data available. Student enrollment shall include students enrolled in courses that award credit or otherwise satisfy any of the requirements of an academic or vocational program.

Subd. 4. Determination of average cost of instruction. (a) The average cost of instruction shall include direct instructional costs and other costs necessary to provide instruction, such as facilities, administration, and support. The average cost of instruction shall include only those costs attributable to academic or vocational programs.

MINNESOTA STATUTES 1990

3567

PUBLIC POST-SECONDARY EDUCATION 135A.06

(b) Every biennium each board shall submit the average cost of instruction for each instructional category as necessary to determine appropriations as part of their biennial budget request.

Subd. 5. **Instructional categories.** Average cost of instruction shall be determined by categories of cost of program and level of instruction and student enrollment in each category.

Subd. 6. **Determination of tuition.** Notwithstanding anything in this chapter to the contrary, the board of regents of the University of Minnesota, state university board, state board for community colleges, and the state board of technical colleges shall not be required to establish tuition at any specific percentage of instructional cost.

History: 1983 c 258 s 31; 1984 c 654 art 4 s 11-13; 1Sp1985 c 11 s 15; 1987 c 258 s 12; 1987 c 401 s 8; 1989 c 246 s 2; 1990 c 375 s 3

135A.04 VARIABLE TUITION.

The board of regents of the University of Minnesota, state university board, state board for community colleges, and state board for vocational education shall establish tuition. Tuition may vary by program, level of instruction, cost of instruction, or other classifications determined by each board. Tuition may be set at any percentage of instructional cost established by the respective boards.

History: 1983 c 258 s 32; 1Sp1985 c 11 s 16; 1987 c 401 s 9; 1988 c 703 art 1 s 9

135A.05 TASK FORCE.

The executive director of the Minnesota higher education coordinating board shall administer a task force on average cost funding. The task force shall include representation from each of the public systems of post-secondary education, post-secondary students, the education division of the house appropriations committee, the education subcommittee of the senate finance committee, the office of the commissioner of finance, the office of state auditor, and the uniform financial accounting and reporting advisory council. The task force shall be convened and chaired by the executive director or a designee and staffed by the higher education coordinating board. The task force shall review and make recommendations on the definition of instructional cost in all four systems, the method of calculating average cost for funding purposes, the method used to assign programs to the proper level of cost at each level of instruction, the adequacy of the accounting data for defining instructional cost in a uniform manner, and the biennial budget format to be used by the four systems in submitting their biennial budget requests. The task force shall submit a report on these matters to the legislature by December 1 of each odd-numbered year. The task force expires June 30, 1993.

135A.051 PROGRAM REQUIREMENTS.

Subdivision 1. **Extended time.** A student shall be entitled to complete a program according to the requirements in effect at the time the student began the program for 12 months beyond the time usually required to complete a program.

Subd. 2. **Program terminated.** The provisions of this section do not apply to a program or course which is discontinued by an institution.

Subd. 3. **Applicability.** The provisions of this section apply to a student enrolled in a technical college, community college, state university, and the University of Minnesota.

History: 1983 c 166 s 2; 1987 c 258 s 12; 1989 c 246 s 2

135A.06 SYSTEM PLANS AND MISSIONS.

Subdivision 1. **Planning reports.** It is the intention of the legislature that the planning efforts of the public post-secondary education systems be summarized and reported to the legislature. It is the further intention that the system missions be differ-

entiated from one another to best serve the needs of the citizens of Minnesota. To accomplish these goals, the University of Minnesota board of regents, the state university board, the state board for community colleges, and the state board of technical colleges shall each submit to the governor and the legislature on December 1 of each even-numbered year a planning report for its system. The report shall contain the mission of the system and short- and long-range plans for programs, staff, and facilities. It shall specify the mission and plans for two, five, and ten years. The assumptions used in developing the plans shall be included. The report shall also include plans for and progress toward achieving mission differentiation while maintaining the state's overall post-secondary objectives.

Subd. 2. Missions; intersystem plan. Each system shall review its mission as it relates to instruction, research, and public service. The systems, in cooperation with the higher education coordinating board, shall jointly review their missions, develop strategies to achieve mission differentiation, and create an overall intersystem plan that ensures achieving the state's post-secondary objectives. The higher education coordinating board shall establish an agenda, determine schedules for accomplishing that agenda, and develop criteria for the intersystem plan.

Subd. 3. System plans. Each system shall develop a program plan for instruction, research, and public service. Each system shall consult with the higher education coordinating board and with the other systems throughout the planning process. The higher education coordinating board shall coordinate intersystem efforts in the development of the program plans to achieve intersystem cooperation and differentiation.

Each planning report shall consider at least the following elements:

(1) a statement of program priorities for undergraduate, graduate, and professional education, including data about program cost and average class size within each institution;

(2) the effects of proposed programmatic and enrollment changes on other systems and campuses;

(3) a review of plans for adjusting the number of facilities, staff, and programs to projected level of demand, including consideration of campus and program mergers, campus and program closings, new governance structures, the relationship between fixed costs and projected enrollment changes, and consolidation of institutions, services, and programs that serve the same geographic area under different governing boards;

(4) a review of the current and projected use of community outreach and extension programs on all off-campus sites, including at least information for each site from the inventory established in Laws 1990, chapter 591, article 3, section 9;

(5) enrollment projections for two, five, and ten years based on recent available projections produced by the higher education coordinating board or, if different projections are used, they shall be compared to those prepared by the higher education coordinating board, and the system shall identify the method and assumptions used to prepare its projections;

(6) estimated financial costs and savings of alternative plans for (i) adjusting facilities, staff, and programs to changing enrollments and fiscal resources, and (ii) managing enrollments and resources to better utilize existing facilities and staff, and to protect academic quality;

(7) opportunities for providing services cooperatively with other public and private institutions in the same geographic area; and

(8) differentiating and coordinating missions to reduce or eliminate duplication of services and offerings, to improve delivery of services, and to establish clear and distinct roles and priorities.

Subd. 4. Capital requests. A capital budget request submitted by a system must specifically relate a proposed capital project to the plans required under this section.

Subd. 5. HECB review and comment. The higher education coordinating board shall review and comment on the reports prepared by the systems. The board shall sub-

mit the review and comment and the intersystem plan to the governor and legislature by December 1.

Systems shall submit the reports to the board on September 1. Before the board submits its review and comment, each system shall be given the opportunity to respond to the review. The board shall provide copies of its review and comment to the systems by October 15 and the systems shall submit any responses to the board by November 15. The system responses shall accompany the review and comment when it is submitted.

As part of its review and comment, the board shall present information on the costs, enrollment, and participation in public post-secondary institutions and on the progress the systems and the board are making toward an integrated intersystem planning effort.

Subd. 6. Submission to legislature. Each public post-secondary governing board shall submit the information on off-campus sites required in subdivision 3, clause (4), to the legislature with its biennial budget request in odd-numbered years, and shall update the information with its supplemental budget request in the even-numbered years. The board shall provide detailed information on the use of state appropriated funds in support of each site, including information on the effects on campuses of funding off-campus sites.

135A.08 CREDIT TRANSFER.

Subdivision 1. Course equivalency. The regents of the University of Minnesota, state university board, state board for community colleges, and state board of technical colleges, in conjunction with the higher education coordinating board, shall develop and maintain course equivalency guides for use between institutions that have a high frequency of transfer. Subject to the determination of the higher education coordinating board made in consultation with the state board of technical colleges, course equivalency guides shall not be required for vocational technical programs that have not been divided into identifiable courses. The governing boards of private institutions that grant associate and baccalaureate degrees and that have a high frequency of transfer students are requested to participate in developing these guides.

Subd. 2. Common numbering. The regents of the University of Minnesota, state university board, state board for community colleges, and state board of technical colleges, in conjunction with the higher education coordinating board, shall develop and maintain a common numbering convention to distinguish remedial, lower division, upper division, and graduate level coursework. The governing boards of private institutions that grant associate and baccalaureate degrees are requested to cooperate in the development of this numbering convention.

Subd. 3. General education requirements. The state board for community colleges, in conjunction with the regents of the University of Minnesota, state university board, boards of private institutions that grant baccalaureate degrees, and the higher education coordinating board, shall develop a systemwide standard of distributed general education requirements for the associate of arts degree. The boards shall ensure that the associate of arts degree fulfills the entire general education requirement for the baccalaureate degree if the intent of the degree program is that the general education component be completed in the first two years of study.

History: 1Sp1985 c 11 s 19; 1990 c 375 s 3

135A.09 EXPENSE ALLOWANCES.

The state board of technical colleges and the higher education coordinating board may each establish an annual expense allowance for the chancellor of vocational techni-

cal education and the executive director of the higher education coordinating board, respectively. The state university board and the state board for community colleges may each establish an expense allowance for the chancellors and campus presidents. The allowances are not subject to chapter 16A, but each board shall report the allowances and expenditures annually to the chairs of the house appropriations and senate finance committees, and to the commissioner of finance.

History: 1Sp1986 c 1 art 10 s 6; 1990 c 375 s 3

135A.10 CREDIT FOR ADVANCED PLACEMENT PROGRAM.

Subdivision 1. Policy and procedures to award credit. The board of regents of the University of Minnesota, the state university board, and the state board for community colleges shall each develop a clear and uniform policy for its system for awarding post-secondary credit toward a degree for a student who earns an acceptable score on an advanced placement program examination. Each policy must include procedures to inform students and prospective students about credit award and procedures to assure implementation on each campus. The higher education coordinating board shall assist in developing the policy.

Subd. 2. Data about credit award. Each year the University of Minnesota, state universities, and community colleges shall provide the higher education coordinating board information and data about credit awarded for advanced placement program examinations.

History: 1986 c 447 s 12

135A.11 COMMUNITY SERVICE.

Each public post-secondary system is requested to review its curricula, especially in required courses in general education and departmental majors, to determine the current and future opportunities for incorporating community service components. Each system is encouraged to locate curricular areas in which the system can assist students to voluntarily pursue community service that is relevant to their studies.

History: 1988 c 703 art 1 s 10

135A.12 UNIQUE NEEDS AND ABILITIES OF AMERICAN INDIAN PEOPLE.

Subdivision 1. Applicability. This section applies to the higher education coordinating board, each public post-secondary governing board, each public post-secondary institution, and each school board that operates a technical college.

Subd. 2. Programs and services. The board of each institution, at the request of ten or more full-time American Indian students, shall establish an advisory committee, in consultation with tribal designated representatives. The advisory committee shall recommend instructional programs and student services to meet the unique needs of American Indian people.

Subd. 3. American Indian languages. A student who is proficient in an American Indian language shall have the opportunity to be assessed, placed, or to receive credit for skills in that language in the same manner that a student is assessed, placed, or receives credit for skills in languages other than the English language.

Subd. 4. Qualifications for American Indian studies and services. American Indian individuals who understand and have demonstrated knowledge of American Indian language, history, or culture may be considered to be competent to provide instruction in American Indian language, history, or culture programs. Qualifications to provide noninstructional services at post-secondary institutions for American Indian people must take into consideration knowledge of and understanding of American Indian language, history, or culture.

Subd. 5. Consultation. When the higher education coordinating board conducts studies, performs evaluations, reviews programs, and makes recommendations that affect educational programs and services for American Indian people, it shall consult with tribal designated representatives.

History: 1988 c 703 art 1 s 11; 1989 c 246 s 2

135A.13 STUDENT SERVICES PRICES.

The governing board of each public post-secondary system is requested to establish prices for goods and services sold through student services that approximate as nearly as possible the cost of providing quality goods and services.

History: 1988 c 703 art 1 s 12

135A.14 STATEMENT OF IMMUNIZATION OF POST-SECONDARY STUDENTS.

Subdivision 1. **Definitions.** As used in this section, the following terms have the meanings given them.

(a) "Administrator" means the administrator of the institution or other person with general control and supervision of the institution.

(b) "Public or private post-secondary educational institution" or "institution" means any of the following institutions having an enrollment of more than 100 persons during any quarter, term, or semester during the preceding year: (1) the University of Minnesota; (2) the state universities; (3) the state community colleges; (4) public technical colleges; (5) private four-year, professional and graduate institutions; (6) private two-year colleges; and (7) schools subject to either chapter 141, sections 136A.61 to 136A.71, or schools exempt under section 136A.657, and which offer educational programs within the state for an academic year greater than six consecutive months. An institution's report to the Minnesota higher education coordinating board or the Minnesota department of education may be considered when determining enrollment.

(c) "Student" means a person born after 1956 and who is (1) registering for more than one class during a full academic term, such as a quarter or a semester; or (2) housed on campus and is registering for one or more classes. Student does not include persons enrolled in extension classes only or correspondence classes only.

Subd. 2. **Statement of immunization required.** Except as provided in subdivision 3, no student may remain enrolled in a public or private post-secondary educational institution unless the student has submitted to the administrator a statement that the student has received appropriate immunization against measles, rubella, and mumps after having attained the age of 12 months, and against diphtheria and tetanus within ten years of first registration at the institution. This statement must indicate the month and year of each immunization given. Instead of submitting a statement, a student may provide an immunization record maintained by a school according to section 123.70, subdivision 7, or a school in another state if the required information is contained in the record.

Subd. 3. **Exemptions from immunization.** (a) An immunization listed in subdivision 2 is not required if the student submits to the administrator a statement signed by a physician that shows:

(1) that, for medical reasons, the student did not receive an immunization;

(2) that the student has experienced the natural disease against which the immunization protects; or

(3) that a laboratory has confirmed the presence of adequate immunity.

(b) If the student submits a notarized statement that the student has not been immunized as required in subdivision 2 because of the student's conscientiously held beliefs, the immunizations described in subdivision 2 are not required. The institution shall forward this statement to the commissioner of health.

Subd. 4. **Immunization files required.** The institution must maintain an immunization record within the student's file for all students governed by this section. The immunization records may be inspected by the department of health and the local board of health in whose jurisdiction the institution is located.

Subd. 5. **Deadline for submitting statement.** The institution shall require that the statement from the student, as required within subdivision 2 or 3, be submitted within 45 days of commencement of the academic term for which the student has registered.

135A.15 SEXUAL HARASSMENT AND VIOLENCE POLICY.

The governing board of each public post-secondary system and each public post-secondary institution shall adopt a clear, understandable written policy on sexual harassment and sexual violence. The policy must apply to students and employees and must provide information about their rights and duties. It must include procedures for reporting incidents of sexual harassment or sexual violence and for disciplinary actions against violators. During student registration, each public post-secondary institution shall provide each student with information regarding its policy. Each private post-secondary institution that enrolls students who receive state financial aid must adopt a policy that meets the requirements of this section. The higher education coordinating board shall coordinate the policy development of the systems and institutions and periodically provide for review and necessary changes in the policies.

MIDWESTERN HIGHER EDUCATION COMPACT**135A.20 MIDWESTERN HIGHER EDUCATION COMPACT.**

The Midwestern Higher Education Compact is enacted into law and entered into with all jurisdictions legally joining therein in the form substantially as follows:

ARTICLE I**Purpose**

The purpose of the Midwestern Higher Education Compact shall be to provide greater higher education opportunities and services in the Midwestern region, with the aim of furthering regional access to, research in and choice of higher education for the citizens residing in the several states which are parties to this compact.

ARTICLE II**The Commission**

(A) The compacting states hereby create the Midwestern Higher Education Commission, hereinafter called the commission. The commission shall be a body corporate of each compacting state. The commission shall have all the responsibilities, powers and duties set forth herein, including the power to sue and be sued, and such additional powers as may be conferred upon it by subsequent action of the respective legislatures of the compacting states in accordance with the terms of this compact.

(B) The commission shall consist of five resident members of each state as follows: the governor or the governor's designee who shall serve during the tenure of office of the governor; two legislators, one from each house (except Nebraska, which may appoint two legislators from its unicameral legislature), who shall serve two-year terms and be appointed by the appropriate appointing authority in each house of the legislature; and two other at-large members, at least one of whom shall be selected from the field of higher education. The at-large members shall be appointed in a manner provided by the laws of the appointing state. One of the two at-large members initially appointed in each state shall serve a two-year term. The other, and any regularly appointed successor to either at-large member, shall serve a four-year term. All vacancies shall be filled in accordance with the laws of the appointing states. Any commissioner appointed to fill a vacancy shall serve until the end of the incomplete term.

(C) The commission shall select annually, from among its members, a chair, a vice-chair and a treasurer.

(D) The commission shall appoint an executive director who shall serve at its pleasure and who shall act as secretary to the commission. The treasurer, the executive

director and such other personnel as the commission may determine, shall be bonded in such amounts as the commission may require.

(E) The commission shall meet at least once each calendar year. The chair may call additional meetings and, upon the request of a majority of the commission members of three or more compacting states, shall call additional meetings. Public notice shall be given of all meetings and meetings shall be open to the public.

(F) Each compacting state represented at any meeting of the commission is entitled to one vote. A majority of the compacting states shall constitute a quorum for the transaction of business, unless a larger quorum is required by the bylaws of the commission.

ARTICLE III

Powers and Duties of the Commission

(A) The commission shall adopt a seal and suitable bylaws governing its management and operations.

(B) Irrespective of the civil service, personnel or other merit system laws of any of the compacting states, the commission in its bylaws shall provide for the personnel policies and programs of the compact.

(C) The commission shall submit a budget to the governor and legislature of each compacting state at such time and for such period as may be required. The budget shall contain specific recommendations of the amount or amounts to be appropriated by each of the compacting states.

(D) The commission shall report annually to the legislatures and governors of the compacting states, to the Midwestern Governors' Conference and to the Midwestern Legislative Conference of the Council of State Governments concerning the activities of the commission during the preceding year. Such reports shall also embody any recommendations that may have been adopted by the commission.

(E) The commission may borrow, accept, or contract for the services of personnel from any state or the United States or any subdivision or agency thereof, from any interstate agency, or from any institution, foundation, person, firm or corporation.

(F) The commission may accept for any of its purposes and functions under the compact, any and all donations and grants of money, equipment, supplies, materials and services (conditional or otherwise) from any state or the United States or any subdivision or agency thereof, or interstate agency, or from any institution, foundation, person, firm, or corporation, and may receive, utilize and dispose of the same.

(G) The commission may enter into agreements with any other interstate education organizations or agencies and with higher education institutions located in non-member states and with any of the various states of these United States to provide adequate programs and services in higher education for the citizens of the respective compacting states. The commission shall, after negotiations with interested institutions and interstate organizations or agencies, determine the cost of providing the programs and services in higher education for use in these agreements.

(H) The commission may establish and maintain offices, which shall be located within one or more of the compacting states.

(I) The commission may establish committees and hire staff as it deems necessary for the carrying out of its functions.

(J) The commission may provide for actual and necessary expenses for attendance of its members at official meetings of the commission or its designated committees.

ARTICLE IV

Activities of the Commission

(A) The commission shall collect data on the long-range effects of the compact on higher education. By the end of the fourth year from the effective date of the compact and every two years thereafter, the commission shall review its accomplishments and make recommendations to the governors and legislatures of the compacting states on the continuance of the compact.

(B) The commission shall study issues in higher education of particular concern to the Midwestern region. The commission shall also study the needs for higher education programs and services in the compacting states and the resources for meeting such needs. The commission shall, from time to time, prepare reports on such research for presentation to the governors and legislatures of the compacting states and other interested parties. In conducting such studies, the commission may confer with any national or regional planning body. The commission may draft and recommend to the governors and legislatures of the various compacting states suggested legislation dealing with problems of higher education.

(C) The commission shall study the need for provision of adequate programs and services in higher education, such as undergraduate, graduate or professional student exchanges in the region. If a need for exchange in a field is apparent, the commission may enter into such agreements with any higher education institution and with any of the compacting states to provide programs and services in higher education for the citizens of the respective compacting states. The commission shall, after negotiations with interested institutions and the compacting states, determine the cost of providing the programs and services in higher education for use in its agreements. The contracting states shall contribute the funds not otherwise provided, as determined by the commission, for carrying out the agreements. The commission may also serve as the administrative and fiscal agent in carrying out agreements for higher education programs and services.

(D) The commission shall serve as a clearinghouse on information regarding higher education activities among institutions and agencies.

(E) In addition to the activities of the commission previously noted, the commission may provide services and research in other areas of regional concern.

ARTICLE V

Finance

(A) The monies necessary to finance the general operations of the commission not otherwise provided for in carrying forth its duties, responsibilities and powers as stated herein shall be appropriated to the commission by the compacting states, when authorized by the respective legislatures, by equal apportionment among the compacting states.

(B) The commission shall not incur any obligations of any kind prior to the making of appropriations adequate to meet the same; nor shall the commission pledge the credit of any of the compacting states, except by and with the authority of the compacting state.

(C) The commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the commission shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the commission shall be audited yearly by a certified or licensed public accountant and the report of the audit shall be included in and become part of the annual report of the commission.

(D) The accounts of the commission shall be open at any reasonable time for

inspection by duly authorized representatives of the compacting states and persons authorized by the commission.

ARTICLE VI

Eligible Parties and Entry Into Force

(A) The states of Illinois, Indiana, Iowa, Kansas, Michigan, Minnesota, Missouri, Nebraska, North Dakota, Ohio, South Dakota, and Wisconsin shall be eligible to become party to this compact. Additional states will be eligible if approved by a majority of the compacting states.

(B) As to any eligible party state, this compact shall become effective when its legislature shall have enacted the same into law; provided that it shall not become initially effective until enacted into law by five states prior to the 31st day of December 1995.

(C) Amendments to the compact shall become effective upon their enactment by the legislatures of all compacting states.

ARTICLE VII

Withdrawal, Default, and Termination

(A) Any compacting state may withdraw from this compact by enacting a statute repealing the compact, but such withdrawal shall not become effective until two years after the enactment of such statute. A withdrawing state shall be liable for any obligations which it may have incurred on account of its party status up to the effective date of withdrawal, except that if the withdrawing state has specifically undertaken or committed itself to any performance of an obligation extending beyond the effective date of withdrawal, it shall remain liable to the extent of such obligation.

(B) If any compacting state shall at any time default in the performance of any of its obligations, assumed or imposed, in accordance with the provisions of this compact, all rights, privileges and benefits conferred by this compact or agreements hereunder shall be suspended from the effective date of such default as fixed by the commission, and the commission shall stipulate the conditions and maximum time for compliance under which the defaulting state may resume its regular status. Unless such default shall be remedied under the stipulations and within the time period set forth by the commission, this compact may be terminated with respect to such defaulting state by affirmative vote of a majority of the other member states. Any such defaulting state may be reinstated by performing all acts and obligations as stipulated by the commission.

ARTICLE VIII

Severability and Construction

The provisions of this compact entered into hereunder shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any compacting state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact entered into hereunder shall be held contrary to the constitution of any compacting state, the compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters. The provisions of this compact entered into pursuant hereto shall be liberally construed to effectuate the purposes thereof.
