31A.01 POLICY.

Meat and meat food products are an important source of the nation's total supply of food. It is essential in the public interest that the health and welfare of consumers be protected by assuring that meat and meat food products distributed to them are wholesome, unadulterated, and properly marked, labeled, and packaged. Unwholesome, adulterated, or misbranded meat or meat food products injure the public welfare, destroy markets for wholesome, unadulterated, and properly labeled and packaged meat and meat food products, and result in losses to livestock producers and processors of meat and meat food products and injury to consumers. Unwholesome, adulterated, mislabeled, or deceptively packaged articles can be sold at lower prices and compete unfairly with wholesome, unadulterated, and properly labeled and packaged articles, to the detriment of consumers and the general public.

Regulation by the commissioner and cooperation between this state and the United States under this chapter are appropriate to protect the health and welfare of consumers and accomplish the purposes of this chapter.

31A.02 DEFINITIONS.

Subdivision 1. **Scope.** The definitions in this section apply to this chapter.

Subd. 2. **Commissioner.** "Commissioner" means the commissioner of agriculture or the commissioner's delegate.

Subd. 3. **Person.** "Person" means an individual, partnership, corporation, association, or other unincorporated business organization.

Subd. 4. **Animals.** "Animals" means cattle, swine, sheep, goats, horses, equines, and other large domesticated animals, not including poultry.

Subd. 5. **Custom processing.** "Custom processing" means slaughtering, eviscerating, dressing, or processing an animal or processing meat products for the owner of the animal or of the meat products, if all meat products derived from the custom operation are returned to the owner of the animal or of the meat products. No person may sell, offer for sale, or possess with intent to sell meat derived from custom processing.

Subd. 6. **Meat broker.** "Meat broker" means a person in the business of buying or selling carcasses, parts of carcasses, meat, or meat food products of animals on commission, or otherwise negotiating purchases or sales of those articles other than for the person's own account or as an employee of another person, firm, or corporation.

Subd. 7. **Renderer.** "Renderer" means a person in the business of rendering car-

cases, or parts or products of the carcasses of animals, except rendering conducted under inspection under sections 31A.01 to 31A.16.

Subd. 8. **Animal food manufacturer.** "Animal food manufacturer" means a person in the business of manufacturing or processing animal food derived wholly or in part from animal carcasses or carcass parts or products.

Subd. 9. **Intrastate commerce.** "Intrastate commerce" means commerce within this state.

Subd. 10. **Meat food product.** "Meat food product" means a product usable as human food and made wholly or in part from meat or a portion of the carcass of cattle, sheep, swine, or goats. "Meat food product" does not include products which contain meat or other portions of the carcasses of cattle, sheep, swine, or goats only in a relatively small proportion or that historically have not been considered by consumers as products of the meat food industry, and which are exempted from definition as a meat food product by the commissioner under the conditions the commissioner prescribes to assure that the meat or other portions of carcasses contained in the products are not adulterated and that the products are not represented as meat food products.

"Meat food product," as applied to products of equines, has a meaning comparable to that for cattle, sheep, swine, and goats.

Subd. 11. **Usable as human food.** "Usable as human food" means that a carcass, or part or product of a carcass, of an animal (1) is not denatured or otherwise identified as required by rules of the commissioner to deter its use as human food, or (2) is not naturally inedible by humans.

Subd. 12. **Prepared.** "Prepared" means slaughtered, canned, salted, rendered, boned, cut up, or otherwise manufactured or processed.

Subd. 13. **Adulterated.** "Adulterated" means a carcass, part of a carcass, meat, or meat food product under one or more of the following circumstances:

(a) if it bears or contains a poisonous or harmful substance which may render it injurious to health; but if the substance is not an added substance, the article is not adulterated if the quantity of the substance in or on the article does not ordinarily make it injurious to health;

(b) if it bears or contains, by administration of a substance to the live animal or otherwise, an added poisonous or harmful substance, other than (1) a pesticide chemical in or on a raw agricultural commodity; (2) a food additive; or (3) a color additive, which may, in the judgment of the commissioner, make the article unfit for human food;

(c) if it is, in whole or in part, a raw agricultural commodity that bears or contains a pesticide chemical which is unsafe within the meaning of section 408 of the Federal Food, Drug, and Cosmetic Act;

(d) if it bears or contains a food additive which is unsafe within the meaning of section 409 of the Federal Food, Drug, and Cosmetic Act;

(e) if it bears or contains a color additive which is unsafe within the meaning of section 706 of the Federal Food, Drug, and Cosmetic Act;

(f) if it contains a filthy, putrid, or decomposed substance or is for any other reason unfit for human food;

(g) if it has been prepared, packed, or held under unsanitary conditions so that it may be contaminated with filth or harmful to health;

(h) if it is wholly or partly the product of an animal which has died otherwise than by slaughter;

(i) if its container is wholly or partly composed of a poisonous or harmful substance which may make the contents harmful to health;

(j) if it has been intentionally subjected to radiation, unless the use of the radiation conformed with a regulation or exemption in effect under section 409 of the Federal Food, Drug, and Cosmetic Act;

(k) if a valuable constituent has been wholly or partly omitted or removed from

it; if a substance has been wholly or partly substituted for it; if damage or inferiority has been concealed; or if a substance has been added to it or mixed or packed with it so as to increase its bulk or weight, reduce its quality or strength, or make it appear better or of greater value than it is; or

(l) if it is margarine containing animal fat and any of the raw material used in it wholly or partly consisted of a filthy, putrid, or decomposed substance.

Subd. 14. **Misbranded.** "Misbranded" means a carcass, part of a carcass, meat, or meat food product under one or more of the following circumstances:

(a) if its labeling is false or misleading;

(b) if it is offered for sale under the name of another food;

(c) if it is an imitation of another food, unless its label bears, in type of uniform size and prominence, the word "imitation" followed immediately by the name of the food imitated;

(d) if its container is made, formed, or filled so as to be misleading;

(e) if its package or other container does not have a label showing (1) the name and place of business of the manufacturer, packer, or distributor; and (2) an accurate statement of the quantity of the contents in terms of weight, measure, or numerical count subject to reasonable variations permitted and exemptions for small packages established in rules of the commissioner;

(f) if a word, statement, or other information required by or under authority of this chapter to appear on the label or other labeling is not prominently and conspicuously placed on the label or labeling in terms that make it likely to be read and understood by the ordinary individual under customary conditions of purchase and use;

(g) if it is represented as a food for which a definition and standard of identity or composition has been prescribed by rules of the commissioner under section 31A.07, unless (1) it conforms to the definition and standard, and (2) its label bears the name of the food specified in the definition and standard and, if required by the rules, the common names of optional ingredients, other than spices, flavoring, and coloring, present in the food;

(h) if it is represented as a food for which a standard of fill of container has been prescribed by rules of the commissioner under section 31A.07, and it falls below the applicable standard of fill of container, unless its label bears, in the manner and form the rules specify, a statement that it falls below the standard;

(i) if it is not subject to paragraph (g), unless its label bears (1) the usual name of the food, if there is one, and (2) in case it is fabricated from two or more ingredients, the common or usual name of each ingredient; except that spices, flavorings, and colorings may, when authorized by the commissioner, be designated as spices, flavorings, and colorings without naming each. To the extent that compliance with clause (2) is impracticable, or results in deception or unfair competition, the commissioner shall establish exemptions by rule;

(j) if it purports to be or is represented for special dietary uses, unless its label bears the information concerning its vitamin, mineral, and other dietary properties that the commissioner, after consultation with the Secretary of Agriculture of the United States, determines by rule to be necessary to inform purchasers of its value for special dietary uses;

(k) if it bears or contains any artificial flavoring, artificial coloring, or chemical preservative, unless it bears labeling stating that fact;

(l) if it fails to bear, directly or on its container, as the commissioner by rule prescribes, the inspection legend and other information the commissioner may require by rule to assure that it will not have false or misleading labeling and that the public will be told how to keep the article wholesome.

Subd. 15. **Label.** "Label" means a display of written, printed, or graphic matter on an article's immediate container, not including package liners.

Subd. 16. **Labeling.** "Labeling" means labels and other written, printed, or graphic matter (1) on an article or its containers or wrappers, or (2) accompanying an article.

Subd. 17. **Federal Meat Inspection Act.** "Federal Meat Inspection Act" means the Federal Meat Inspection Act.

Subd. 18. **Federal Food, Drug, and Cosmetic Act.** "Federal Food, Drug, and Cosmetic Act" means the Federal Food, Drug, and Cosmetic Act, as amended.

Subd. 19. **Pesticide chemical; food additive; color additive; raw agricultural commodity.** "Pesticide chemical," "food additive," "color additive," and "raw agricultural commodity" have the meanings given them in the Federal Food, Drug, and Cosmetic Act.

Subd. 20. **Official mark.** "Official mark" means the official inspection legend or other symbol prescribed by rule of the commissioner to identify the status of an article or animal under this chapter.

Subd. 21. **Official inspection legend.** "Official inspection legend" means a symbol prescribed by rule of the commissioner showing that an article was inspected and passed under this chapter.

Subd. 22. **Official certificate.** "Official certificate" means a certificate prescribed by rule of the commissioner for issuance by an inspector or other person performing official functions under this chapter.

Subd. 23. **Official device.** "Official device" means a device prescribed or authorized by the commissioner for use in applying an official mark.

31A.03 INSPECTION OF LIVE ANIMALS; DISPOSITION OF DEFECTIVE ANIMALS.

To prevent the use in intrastate commerce of adulterated meat and meat food products, the commissioner shall appoint inspectors and have them examine and inspect all animals before the animals enter a slaughtering, packing, meat canning, rendering, or similar establishment in this state in which slaughtering of animals and preparation of meat and meat food products are conducted solely for intrastate commerce. Animals found on inspection to show symptoms of disease must be set apart and slaughtered separately from other animals. The carcasses of those animals must be carefully examined and inspected under rules of the commissioner.

History: 1969 c 225 s 3; 1985 c 248 s 70; 1988 c 469 art 2 s 1

31A.04 INSPECTION OF CARCASSES AND PARTS; MARKING; DISPOSITION OF CONDEMNED CARCASSES.

Inspectors appointed by the commissioner for that purpose shall make a postmortem examination and inspection of the carcasses and parts of all animals usable as human food prepared at a slaughtering, meat canning, salting, packing, rendering, or similar establishment in this state in which carcasses or parts are prepared solely for intrastate commerce. Carcasses and parts of animals found to be unadulterated must be marked, stamped, tagged, or labeled, as "Inspected and Passed." The inspectors shall label, mark, stamp, or tag as "Inspected and Condemned" carcasses and parts of animals found to be adulterated. Carcasses and animal parts inspected and condemned must be destroyed for food purposes by the establishment in the presence of an inspector. The commissioner may remove inspectors from an establishment which fails to destroy a condemned carcass or animal part.

After the first inspection, inspectors shall, if they consider it necessary, reinspect the carcasses or animal parts to determine whether they have become adulterated since the first inspection. If a carcass or animal part is then found to be adulterated, it must be destroyed for food purposes by the establishment in the presence of an inspector. The commissioner may remove inspectors from an establishment which fails to destroy a condemned carcass or animal part.

History: 1969 c 225 s 4; 1988 c 469 art 2 s 1

31A.05 APPLICATION OF INSPECTION PROVISIONS.

Sections 31A.03 and 31A.04 apply to carcasses or parts of animals and meat or meat products derived from them that are usable as human food, when these items are brought into a slaughtering, meat canning, salting, packing, rendering, or similar establishment, where inspection under sections 31A.01 to 31A.16 is done. Examination and inspection must be made before the carcasses or animal parts may enter into a department where they are to be treated and prepared for meat food products.

Sections 31A.03 and 31A.04 also apply to products which, after having been issued from a slaughtering, meat canning, salting, packing, rendering, or similar establishment, must be returned to it or to a similar establishment where inspection is done.

The commissioner may limit the entry of carcasses, parts of carcasses, meat and meat food products, and other materials into an establishment where inspection under sections 31A.01 to 31A.16 is done to conditions the commissioner prescribes to assure that allowing the entry of articles into inspected establishments is consistent with the purposes of this chapter.

History: 1969 c 225 s 5; 1986 c 444; 1988 c 469 art 2 s 1

31A.06 INSPECTORS' DUTIES.

The commissioner shall appoint inspectors to examine and inspect meat food products prepared in a slaughtering, meat canning, salting, packing, rendering, or similar establishment, where the articles are prepared solely for intrastate commerce. For examination and inspection purposes, the inspectors must be given access at all times, whether the establishment is operated or not, to every part of the establishment. The inspectors shall mark, stamp, tag, or label as "Minnesota Inspected and Passed" all products found to be unadulterated, and the inspectors shall label, mark, stamp, or tag as "Minnesota Inspected and Condemned" all products found to be adulterated. Condemned meat food products must be destroyed for food purposes under section 31A.04. The commissioner may remove inspectors from an establishment which fails to destroy condemned meat food products.

History: 1969 c 225 s 6; 1988 c 469 art 2 s 1

31A.07 MARKING OR LABELING OF INSPECTED ARTICLES.

Subdivision 1. Labeling; packing. When meat or a meat food product prepared for intrastate commerce which has been inspected and marked "Minnesota Inspected and Passed" is placed or packed in a can, pot, tin, canvas, or other receptacle or covering in an establishment where inspection is done under sections 31A.01 to 31A.31, the person, firm, or corporation preparing the product shall have a label attached to the can, pot, tin, canvas, or other receptacle or covering, under supervision of an inspector. The label must state that the contents have been "Minnesota Inspected and Passed" under sections 31A.01 to 31A.31. An inspection or examination of meat or meat food products deposited or enclosed in cans, tins, pots, canvas, or other receptacles or coverings in an establishment where inspection is done under this chapter is not complete until the meat or meat food products have been sealed or enclosed in the can, tin, pot, canvas, or other receptacle or covering under the supervision of an inspector.

Subd. 2. Labels; marks. All carcasses, parts of carcasses, meat, and meat food products inspected at an establishment under this chapter and found not to be adulterated, must when they leave the establishment bear, directly or on their containers, legible labels or official marks as required by the commissioner.

Subd. 3. Labeling styles, sizes; standards of identity, composition, and fill. If the commissioner determines that it is necessary for the protection of the public, the commissioner may prescribe:

(1) the styles and sizes of type to be used in material required to be incorporated in labeling to avoid false or misleading labeling of articles or animals subject to sections 31A.01 to 31A.20; and

(2) definitions and standards of identity, composition, or fill of container for arti-

cles subject to sections 31A.01 to 31A.16 consistent with standards established under the Federal Food, Drug, and Cosmetic Act or the Federal Meat Inspection Act. The commissioner and the Secretary of Agriculture of the United States shall consult before issuance of standards to avoid inconsistent state and federal standards.

Subd. 4. Misleading labeling or containers. No article subject to sections 31A.01 to 31A.16 may be sold or offered for sale by a person in intrastate commerce under a name or other marking or labeling which is false or misleading or in a container of a misleading form or size. Established trade names and other marking and labeling and containers which are not false or misleading and which are approved by the commissioner are permitted.

Subd. 5. Commissioner's orders. If the commissioner has reason to believe that a marking or labeling or the size or form of a container in use or proposed for use with an article subject to sections 31A.01 to 31A.16 is false or misleading, the commissioner may direct that its use be withheld unless the marking, labeling, or container is modified in a manner the commissioner prescribes so that it will not be false or misleading. If the person using or proposing to use the marking, labeling, or container does not accept the determination of the commissioner, the person may request a hearing. The use of the marking, labeling, or container must, if the commissioner so directs, be withheld pending hearing and final determination by the commissioner. A determination by the commissioner is conclusive unless the person adversely affected appeals to the district court within 30 days after receiving the notice of final determination.

31A.08 RULES.

The commissioner shall have experts in sanitation or other competent inspectors inspect all slaughtering, meat canning, salting, packing, rendering, or similar establishments in which animals are slaughtered and their meat and meat food products are prepared solely for intrastate commerce. The inspections must be conducted as necessary for the commissioner to know the sanitary conditions of the establishments, and to prescribe the rules of sanitation under which the establishments must be maintained. If an establishment has sanitary conditions that allow meat or meat food products to become adulterated, the commissioner shall refuse to allow the meat or meat food products to be labeled, marked, stamped, or tagged as "Minnesota Inspected and Passed."

History: 1969 c 225 s 8; 1985 c 248 s 70; 1986 c 444; 1988 c 469 art 2 s 1

31A.09 NIGHTTIME INSPECTIONS.

Inspections under section 31A.08 must be made at night as well as during the daytime if slaughtering of animals or preparation of food products is conducted at night.

History: 1969 c 225 s 9; 1988 c 469 art 2 s 1

31A.10 PROHIBITIONS.

No person may, with respect to an animal, carcass, part of a carcass, meat, or meat food product:

(1) slaughter an animal or prepare an article that is usable as human food, at any establishment preparing articles solely for intrastate commerce, except in compliance with this chapter;

(2) sell, transport, offer for sale or transportation, or receive for transportation, in intrastate commerce (i) articles which are usable as human food and are adulterated or misbranded at the time of sale, transportation, offer for sale or transportation, or receipt for transportation; or (ii) articles required to be inspected under sections 31A.01 to 31A.16 that have not been inspected and passed;

(3) do something to an article that is usable as human food while the article is being transported in intrastate commerce or held for sale after transportation, which is intended to cause or has the effect of causing the article to be adulterated or misbranded; or

(4) sell, offer for sale, or possess with intent to sell meat derived from custom processing.

History: 1969 c 225 s 10; 1983 c 300 s 18; 1986 c 444; 1988 c 469 art 2 s 1

31A.11 FORGING OF OFFICIAL MARKS OR CERTIFICATES.

Subdivision 1. **Unauthorized marks or certificates.** No brand manufacturer, printer, or other person may cast, print, lithograph, or otherwise make a device containing an official mark, simulation of an official mark, label bearing a mark or simulation, or form of official certificate or simulation, except as authorized by the commissioner.

Subd. 2. **Prohibitions.** No person may:

- (1) forge an official device, mark, or certificate;
- (2) without authorization from the commissioner use a real or simulated official device, mark, or certificate, or alter, detach, deface, or destroy an official device, mark, or certificate;

31A.12 HORSE MEAT.

No person may sell, transport, offer for sale or transportation, or receive for transportation in intrastate commerce, whole or parts of carcasses of horses, mules, or other equines or meat or meat food products derived from them, unless they are plainly and conspicuously marked, labeled, or otherwise identified as required by rules prescribed by the commissioner to show the kinds of animals from which they were derived. When required by the commissioner with respect to establishments where inspection is done under sections 31A.01 to 31A.16, equines and their carcasses, parts, meat, and meat food products must be prepared in establishments separate from those in which cattle, sheep, swine, or goats are slaughtered or their carcasses, parts, meat, or meat food products are prepared.

History: 1969 c 225 s 12; 1971 c 24 s 7; 1985 c 248 s 70; 1988 c 469 art 2 s 1

31A.13 INSPECTORS.

The commissioner shall appoint inspectors to inspect animals, whole or parts of carcasses, meat, and meat food products the inspection of which is provided for by law, and the sanitary conditions of all establishments in which the meat and meat food products are prepared. Inspectors shall refuse to stamp, mark, tag, or label a whole or part of a carcass or a meat food product derived from it, prepared in an establishment covered by sections 31A.01 to 31A.12, until it has actually been inspected and found to be not adulterated. Inspectors shall perform other duties required by this chapter or by rules adopted by the commissioner that are necessary for the efficient execution of this chapter. Inspections under this chapter must conform to the rules adopted by the commissioner consistent with this chapter.

History: 1969 c 225 s 13; 1985 c 248 s 70; 1988 c 469 art 2 s 1

31A.14 BRIBERY.

A person who gives or receives anything of value in order to influence the performance of sections 31A.01 to 31A.31 violates section 609.42 or 609.43.

History: 1969 c 225 s 14; 1988 c 469 art 2 s 1

31A.15 EXEMPTIONS.

Subdivision 1. **Inspection.** The provisions of sections 31A.01 to 31A.16 requiring inspection of the slaughter of animals and the preparation of the carcasses, parts of carcasses, meat, and meat food products at establishments conducting slaughter and preparation do not apply:

(1) to the processing by a person of the person's own animals and the owner's preparation and transportation in intrastate commerce of the carcasses, parts of carcasses, meat, and meat food products of those animals exclusively for use by the owner and members of the owner's household, nonpaying guests, and employees; or

(2) to the custom processing by a person of cattle, sheep, swine, or goats delivered by the owner for processing, and the preparation or transportation in intrastate commerce of the carcasses, parts of carcasses, meat, and meat food products of animals, exclusively for use in the household of the owner by the owner and members of the owner's household, nonpaying guests, and employees. Meat from custom processing of cattle, sheep, swine, or goats must be identified and handled as required by the commissioner, during all phases of processing, chilling, cooling, freezing, preparation, storage, and transportation. The custom processor may not engage in the business of buying or selling carcasses, parts of carcasses, meat, or meat food products of animals usable as human food unless the carcasses, parts of carcasses, meat, or meat food products have been inspected and passed and are identified as inspected and passed by the Minnesota department of agriculture or the United States Department of Agriculture.

Subd. 2. **Sanitary conditions.** The processing of animals and preparation of articles referred to in subdivision 1, clause (2), must be conducted in accordance with sanitary conditions that the commissioner may by rule prescribe.

Subd. 3. **Adulteration and misbranding.** The adulteration and misbranding provisions of sections 31A.01 to 31A.16, other than the requirement of the inspection legend, apply to articles which are not required to be inspected under this section.

History: 1969 c 225 s 15; 1983 c 300 s 19; 1986 c 444; 1988 c 469 art 2 s 1

31A.16 STORING AND HANDLING CONDITIONS.

The commissioner may adopt rules prescribing conditions under which carcasses, parts of carcasses, meat, and meat food products of animals usable as human food must be stored or otherwise handled by a person in the business of buying, selling, freezing, storing, or transporting them, in or for intrastate commerce, if the commissioner considers action necessary to assure that the articles will not be adulterated or misbranded when delivered to the consumer.

History: 1969 c 225 s 16; 1985 c 248 s 70; 1986 c 444; 1988 c 469 art 2 s 1

31A.17 ARTICLES NOT INTENDED AS HUMAN FOOD.

Inspection must not be provided under sections 31A.01 to 31A.16 at an establishment for the slaughter of animals or the preparation of carcasses or parts or products of animals which are not intended for use as human food. Before they are offered for sale or transportation in intrastate commerce, those articles must be denatured or otherwise identified as prescribed by rules of the commissioner to deter their use for human food, unless they are naturally inedible by humans. No person may buy, sell, transport, offer for sale or transportation, or receive for transportation, in intrastate commerce, carcasses, parts of carcasses, meat, or meat food products of animals which are not intended for use as human food unless they are denatured or otherwise identified as required by the rules of the commissioner or are naturally inedible by humans.

31A.18 RECORDS.

Subdivision 1. **Who must keep.** The following classes of persons shall keep records that fully and correctly disclose all transactions involved in their businesses:

(1) persons in the business, for intrastate commerce, of slaughtering animals or preparing, freezing, packaging, or labeling animal carcasses, parts, or products of carcasses for use as human or animal food;

(2) persons in the intrastate business of buying or selling (as meat brokers, wholesalers, or otherwise), transporting, or storing animal carcasses or parts or products of animal carcasses; and

(3) persons in the intrastate business of rendering, or in the intrastate business of buying, selling, or transporting dead, dying, disabled, or diseased animals or parts of the carcasses of animals that died other than by slaughter.

Subd. 1a. Examination of records, facilities. Upon notice by an authorized representative of the commissioner, persons subject to this section shall, at all reasonable times, give the representative and an authorized representative of the Secretary of Agriculture of the United States accompanied by a representative of the commissioner access to their places of business and opportunity to examine the facilities, inventory, and records of the business, to copy business records, and to take reasonable samples of their inventory upon payment of the fair market value of the samples.

Subd. 2. Retention. Records required by this section must be maintained for the period of time the commissioner prescribes by rule.

31A.21 COOPERATION WITH FEDERAL GOVERNMENT.

Subdivision 1. Designation. The Minnesota department of agriculture is the state agency responsible for cooperating with the United States Secretary of Agriculture under section 301 of the Federal Meat Inspection Act to develop and administer the state meat inspection program under this chapter so that its requirements at least equal those imposed under titles I and IV of the Federal Meat Inspection Act and to develop and administer the state program under sections 31A.17 to 31A.20 to carry out the purposes of this chapter and the federal act.

Subd. 2. Federal assistance. In its cooperative efforts, the Minnesota department of agriculture may accept from the United States Secretary of Agriculture (1) advisory assistance in planning and otherwise developing the state program, (2) technical and laboratory assistance and training, including necessary curricular and instructional

materials and equipment, and (3) financial and other aid for the administration of the program. The Minnesota department of agriculture may spend a sum for administration of this chapter equal to 50 percent of the estimated total cost of the cooperative program.

Subd. 3. Advice; consultation. The Minnesota department of agriculture may recommend to the United States Secretary of Agriculture officials or employees of this state for appointment to the advisory committees provided for in section 301 of the Federal Meat Inspection Act. The Minnesota department of agriculture shall serve as the representative of the governor for consultation with the secretary under paragraph (c) of section 301 of the Federal Meat Inspection Act unless the governor selects another representative.

Subd. 4. Municipalities; government subdivisions. If the state program includes performance of functions by a municipality or other subdivision of state government, the municipality or subdivision is part of the Minnesota department of agriculture for the purposes of this section.

Subd. 5. Application to operate inspection service. A municipality or other subdivision of state government, through the agent of a board of health as authorized under section 145A.04 or other appropriate authority, may apply in writing for designation to operate a state-approved inspection service under supervision of the commissioner. Applications must be filed on forms obtained from the commissioner and include the information the commissioner requires.

Subd. 6. Inspection and designation. On receipt of an application under subdivision 5, the commissioner shall determine whether the applicant's inspection service conforms with this chapter and the designation to operate under the commissioner's supervision as an approved inspection service. A municipality or other subdivision of state government may be designated only after the commissioner determines that each establishment under supervision of the municipality or other subdivision conforms with this chapter and the rules of the commissioner and that the municipality or subdivision is effectively enforcing laws and rules equivalent to sections 31A.01 to 31A.31 and the rules of the commissioner. The department shall make regular inspections and surveys to determine if the inspection service continues to comply. The commissioner may revoke the designation of inspection service by an agency if the commissioner finds that there is a failure to conform to the provisions of this chapter or the rules.

Subd. 7. Reimbursement by state. If a municipality or other subdivision of state government performs inspection service under this section, the agency may be reimbursed for the service at a rate contracted with Minnesota department of agriculture.

31A.22 REFUSAL OR WITHDRAWAL OF INSPECTION.

The commissioner may, for a length of time the commissioner considers necessary to carry out the purposes of this chapter, refuse to provide, or withdraw, inspection service under sections 31A.01 to 31A.16 from an establishment. The commissioner may refuse or withdraw inspection service if the commissioner determines, after giving the applicant for or recipient of the service an opportunity for a hearing, that the applicant or recipient is unfit to engage in any business requiring inspection under sections 31A.01 to 31A.16 because the applicant or recipient, or anyone responsibly connected with the applicant or recipient, has been convicted, in a federal or state court, of (1) a felony, or (2) more than one violation of a law, other than a felony, based on acquiring, handling, or distributing unwholesome, mislabeled, or deceptively packaged food or on fraud in connection with transactions in food. This section does not affect other provisions of this chapter for withdrawal of inspection services under sections 31A.01 to 31A.16 from establishments failing to maintain sanitary conditions or to destroy condemned carcasses, parts, meat, or meat food products.

For the purpose of this section a person is responsibly connected with a business

if the person is a partner, officer, director, holder, or owner of ten percent or more of its voting stock or an employee in a managerial or executive capacity.

A determination and order of the commissioner under this section is final unless the affected applicant for or recipient of inspection service applies for judicial review within 30 days after the effective date of the order in the district court. Judicial review of an order must be based on the same record as the determination and order.

31A.23 DETENTION OF ANIMALS OR PRODUCTS.

This section applies to a carcass, part of a carcass, meat, or meat food product of an animal, a product exempted from the definition of a meat food product, or a dead, dying, disabled, or diseased animal. If an authorized representative of the commissioner finds such an article or animal on premises where it is held for purposes of, during, or after distribution in intrastate commerce, and there is reason to believe that it is adulterated or misbranded and is usable as human food, or that it has not been inspected, in violation of sections 31A.01 to 31A.16, the Federal Meat Inspection Act, or the Federal Food, Drug, and Cosmetic Act, or that the article or animal has been or is intended to be distributed in violation of a provision of those laws, it may be detained by the representative for up to 20 days pending action under section 31A.24 or notification of federal authorities having jurisdiction over the article or animal. It must not be moved by a person, firm, or corporation from the place at which it is located when detained, until released by the representative. The representative may require all official marks to be removed from the article or animal before it is released unless the commissioner is satisfied that the article or animal is eligible to retain the official marks.

31A.24 SEIZURE AND CONDEMNATION.

Subdivision 1. What can be seized. This section applies to a carcass, part of a carcass, meat or meat food product of animals or to a dead, dying, disabled, or diseased animal that is being transported in intrastate commerce, or is held for sale in this state after transportation in intrastate commerce. These articles or animals may be proceeded against, seized, and condemned, if (1) they are or have been prepared, sold, transported, or otherwise distributed or offered or received for distribution in violation of sections 31A.01 to 31A.31; (2) they are usable as human food and are adulterated or misbranded; or (3) they are in any other way in violation of sections 31A.01 to 31A.31. The department may act against the article or animal at any time, on a complaint in the district court of the judicial district where the article or animal is found.

Subd. 2. Sale of condemned items. If the article or animal is condemned it must, after entry of the decree, be disposed of by destruction or sale as the court directs. If it is sold, the proceeds must be paid to the state, less the court costs and fees and storage and other proper expenses, but the article or animal must not be sold contrary to this chapter, the Federal Meat Inspection Act, or the Federal Food, Drug, and Cosmetic Act. If a bond is delivered conditioned that the article or animal must not be sold or otherwise disposed of contrary to this chapter or federal law, the court may direct that the article or animal be delivered to its owner subject to supervision by authorized representatives of the commissioner that is necessary to assure compliance with the applicable laws.

Subd. 3. Types of proceedings; awards of costs. When a decree of condemnation is entered against the article or animal and it is released under bond or destroyed, court costs and fees and storage and other proper expenses must be awarded against the person, if any, intervening as claimant of the article or animal. The proceedings for condemnation must be in rem. Either party may demand trial by jury of any issue of fact joined in any case, and all proceedings must be at the suit of and in the name of the state.

This section does not change the authority for condemnation or seizure conferred by other provisions of this chapter, or other laws.

(1) places where food or something else, the manufacture, sale, use, or transportation of which is restricted, regulated, or prohibited by a law of this state, is or may be manufactured, prepared, stored, sold, used, transported, offered for sale or transportation, or had in possession with intent to use, sell, or transport, or where cows or other animals are pastured or stabled;

(2) cars or other carriages used to transport the articles or animals; and

(3) places where food is or may be cooked, prepared, sold, or kept for sale to or for the public or distributed as a part of the compensation of an employee or agent, including public and private hospitals, lumber and railroad camps, inns, boarding and eating houses, drinking places, dining cars, boats, and other places where any of these articles may be manufactured, sold, used, offered for sale or transportation, or possessed with intent to use, sell, or transport.

They may inspect a package, receptacle, or container found in those places apparently containing food, a food ingredient, or something else the manufacture, use, sale, or transportation of which is restricted, regulated, or forbidden by state law, and may take samples from it for analysis. A person obstructing entry or inspection, or failing upon request to assist in the inspection, is guilty of a misdemeanor.

Subdivision 1. To gather information. The commissioner may, for the purposes of this chapter:

(1) gather and compile information concerning and investigate the organization, business, conduct, practices, and management of a person in intrastate commerce and the person's relation to other persons; and

(2) require, by general or special orders, a person, persons, or a class of persons engaged in intrastate commerce to file with the commissioner, in the form the commissioner prescribes, annual and special reports or answers in writing to specific questions, giving the commissioner the information the commissioner requires about the organization, business, conduct, practices, management, and relation to other persons, of the person filing the reports or answers. The reports and answers must be made under oath, or otherwise, as the commissioner prescribes, and filed with the commissioner within a reasonable time the commissioner prescribes, unless additional time is granted by the commissioner.

Subd. 2. To examine documents for evidence. (a) For the purposes of this chapter, the commissioner must at all reasonable times be allowed to examine and copy docu-

mentary evidence of a person being investigated or proceeded against. The commissioner may subpoena witnesses and require the production of documentary evidence of a person relating to any matter under investigation. The commissioner may sign subpoenas, administer oaths and affirmations, examine witnesses, and receive evidence.

(b) Attendance of witnesses and the production of documentary evidence may be required at a designated hearing place. In case of disobedience to a subpoena, the commissioner may invoke the aid of the district court to require the attendance and testimony of witnesses and the production of documentary evidence.

(c) The district court, in case of refusal to obey a subpoena issued to a person, may issue an order requiring the person to appear before the commissioner or to produce documentary evidence if ordered, or to give evidence touching the matter in question. Failure to obey the order of the court may be punished by the court as a contempt.

(f) Witnesses summoned before the commissioner may be paid the same fees and mileage that are paid witnesses in the district courts. Witnesses whose depositions are taken and the persons taking them may be entitled to the fees that are paid for those services in the district court.

(g) A person is not excused from attending and testifying or from producing books, papers, schedules of charges, contracts, agreements, or other documentary evidence before the commissioner or in obedience to the subpoena of the commissioner whether the subpoena is signed or issued by the commissioner or the commissioner's delegate, or in any cause or proceeding, criminal or otherwise, based upon or growing out of an alleged violation of this chapter because the testimony or evidence, documentary or otherwise, required of the person may tend to incriminate the person or subject the person to a penalty or forfeiture. No person may be prosecuted or subjected to a penalty or forfeiture on account of a matter concerning which the person is compelled, after having claimed a privilege against self-incrimination, to testify or produce evidence, documentary or otherwise, except that a witness is not exempt from prosecution and punishment for perjury committed in testifying.

Subd. 3. Penalties related to testimony and records. (a) A person who neglects or refuses to attend and testify, to answer a lawful inquiry, or to produce documentary evidence, if it is in the person's power to do so, in obedience to the subpoena or lawful requirement of the commissioner is guilty of a misdemeanor.

(b) A person who willfully (1) makes or causes to be made a false entry or statement of fact in a report required under this chapter; (2) makes or causes to be made a false entry in an account, record, or memorandum kept by a person subject to this chapter; (3) neglects or fails to make or to cause to be made full and correct entries in the accounts, records, or memoranda, of all facts and transactions relating to the person's business; (4) leaves the jurisdiction of this state; (5) mutilates, alters, or by any other means falsifies documentary evidence of a person subject to this chapter; or (6) refuses to submit to the commissioner, for inspection and copying, any documentary evidence of a person subject to this chapter in the person's possession or control, is guilty of a misdemeanor.

(c) A person required by this chapter to file an annual or special report who fails to do so within the time fixed by the commissioner for filing the report and continues the failure for 30 days after notice of failure to file, is guilty of a misdemeanor.
