395.14 SEED AND FEED LOANS.

Authority is granted to any county in the state to lend money to residents of the county who are citizens of the United States or resident aliens or who have declared their intention of becoming citizens of the United States, for the purpose of purchasing seed and feed for teams whenever there has been a total or partial failure of crops in the county, by reason of hail, flood, drought, fire, or other cause. Qualified residents must own, or hold under contract for deed, land previously under cultivation and cropped and in condition capable of being cropped during the ensuing year, but must be unable to procure seed for planting their land and feed for their teams while doing the planting and must be in imminent danger of losing their property. If not less than 25 resident freeholders of the county, before March first next following the crop failure, present to the auditor of the county a petition signed by them asking that the county lend money to residents suffering by reason of the crop failure, for the purpose of purchasing seed and feed, the auditor shall receive and file the petition and at once call a meeting of the county board to consider the petition. The county board shall, on or before the second Monday in March, next following, meet and consider the petition and may enter an order that the county lend, from its general fund, sums as it deems necessary for the purpose; however, the amount shall not, with the existing indebtedness of the county, exceed the amount of indebtedness fixed by the laws of this state.

395.16 COUNTY BOARD; WHEN TO RECEIVE APPLICATIONS.

The county auditor shall file and number the applications in the order received and call the county board to meet on the second Tuesday in March next following; and the board shall meet and consider these applications separately and in the order of their filing, and may grant such applications, in whole or in part, as appears to it just and proper. Not more than 200 bushels of wheat, or its equivalent in other seed, shall be furnished to any one person.

The county board is hereby granted authority, in its discretion, to direct the filing by the auditor of the petition provided for in section 395.14 after March 1st, and to receive applications for grain after the second Monday in March and to act upon such petition and application the same as if received prior to the respective dates provided in section 395.15.

The county board shall make an order specifying the names of persons and amounts allowed with the kind and quantities of seed and feed granted, and the county auditor shall issue and deliver to the applicant a warrant showing such allowance. Such warrant shall be for the purchase of such seed and feed and for no other purpose whatever, and shall be paid by the county treasurer only when there is endorsed on the back thereof a receipt signed by the applicant, acknowledging receipt by the applicant from some reputable person, of the seed and feed therein specified.
