462C.03 CITY HOUSING PLAN.

Subdivision 1. The housing plan shall at a minimum set forth:

- (a) the housing needs of the city and the data demonstrating those needs;
- (b) the plan of the city to meet identified housing needs, and the specific methods to be used to carry out the plan;

- (c) target areas, if any, of the city for each method;

- (e) methods for monitoring the implementation by participants to insure that the programs will be consistent with the plan and its objectives; and
- (f) the administrative capacity of the city to monitor and supervise housing finance programs.

Subd. 1a. In addition to the requirements provided in subdivisions 2 and 3, if applicable, each program to be developed and administered by a city under a housing plan shall, at a minimum, set forth:

- (a) a general description of the program;
- (b) a designation of the geographic location to which the program will be limited;
- (c) in the case of a program for single family housing, the number and qualifications of lenders eligible to participate in the program;
- (d) in the case of a program for single family housing, the estimated amount of mortgage or rehabilitation loans to be made or purchased in the program;
- (e) the estimated amounts and timing of the sale of revenue bonds required to finance the program, including the funding of appropriate reserves, and paying costs of issuance;

 - (5) how the city will ensure compliance with all of the requirements of section 25 of the Internal Revenue Code of 1954, as amended through July 18, 1984.

Subd. 2. Each single family housing program shall establish limits on gross income for persons and families to be served by the program. The adjusted gross income may not exceed the greater of (a) 110 percent of the median family income as estimated by the United States department of housing and urban development for the nonmetropolitan county or standard metropolitan statistical area, as the case may be, or (b) 100 percent of the income limits established by the Minnesota housing finance agency in which the city is located; except as provided in subdivision 8. The Minnesota housing finance agency shall provide the relevant income data to any city requesting the data.

Subd. 3. The single family housing program shall establish maximum purchase prices or appraised values for single family housing eligible for mortgage loans in the program. The maximum purchase price allowable for each dwelling unit shall not exceed three times the income limit established for the program in subdivision 2, except that, for any program or portion of a program undertaken within a targeted area, the maximum purchase price for each dwelling unit shall not exceed four times the income limit established pursuant to subdivision 2.

Subd. 4. Any financial institution as defined in section 47.0151, doing business

within the city which is an approved FHA/VA or FNMA/FHLMC lender shall be eligible for consideration for origination of single family housing loans in any city single family housing program. Other lenders may be eligible as provided in the program. Origination of loans in the single family program may not be limited to a single lender unless other eligible lenders are not interested in participating or the program clearly sets forth why a public purpose would be served by confining participation to one lender.

Subd. 5. In the event that on the date of the adoption of the resolution by the governing body of the city authorizing the sale of the revenue bonds or obligations to be issued to finance a single family housing program any financial institution within the city has entered into a commitment agreement with the Minnesota housing finance agency under which the agency has agreed to purchase mortgage notes and mortgages securing loans for single family housing, and the financial institution has not closed an amount of eligible mortgages equal to at least 95 percent of the total amount provided in the commitment agreement, then the city may not enter into a commitment to purchase loans from the financial institution for its single family housing program. Any city single family housing finance program may not provide loans to consumers at a rate which is less than the rate on loans provided to consumers under the Minnesota housing finance agency program at the time of adoption of the resolution. The executive director of the agency may waive either or both of the requirements of this subdivision in writing.

Subd. 6. Loans under a single family housing program may not be made to one developer or builder or restricted to housing provided by one developer or builder.

Subd. 7. Fifty percent of the money available for loans for each single family housing program subject to the income limits established pursuant to subdivision 2, must be made available to persons and families with adjusted gross incomes of less than 90 percent of the program's income limits for a period of six months from the date when the money becomes available for the program.

Subd. 8. Twenty percent of the aggregate amount of all loans provided under all city housing programs included in the housing plan for single family housing may be provided without regard to income limits or net worth limits if: (a) the single family housing program is used to finance single family housing in a targeted area; or (b) the city has previously developed and administered a housing program for low and moderate income persons and families and the single family housing program will be used to further policies of economic integration, stability and revitalization of residential areas. No single family housing program shall be developed or administered pursuant to this subdivision if the single family housing program will contribute to urban sprawl. A housing program shall be deemed to contribute to urban sprawl if the housing program is to be used to finance single family housing in any previously unincorporated real property annexed by the city pursuant to chapter 414, within one year prior to the date of the resolution adopted pursuant to Laws 1979, Chapter 306.

Subd. 9. The single family housing program may include limitations or prohibitions on the assumption of the loans or other terms which are inconsistent with section 47.20, subdivision 6 or 6a, for notes or bonds or other obligations issued by the city pursuant to section 462C.07.

Subd. 10. Notwithstanding any provision of this chapter, not more than 20 percent of the aggregate dollar amount of bond proceeds and any other funds appropriated by any city within any calendar year to make or purchase loans providing single family housing or dwelling units for sale within multifamily housing developments described in section 462C.05, subdivision 3, shall be appropriated to provide single family housing for persons or families, including renters of the single family housing, whose gross income exceeds the limit in section 462C.03, subdivision 2. If 20 percent of the total amount of funds so appropriated by the city in any calendar year is expended for housing not within the limit, no additional funds may be expended pursuant to any other similar appropriation until the remaining 80 percent is expended for housing within the limit.

Subd. 11. The single family housing program may provide for loans for rehabilitation of single family housing or for the acquisition of rehabilitated housing. The single family housing program may also provide loans for acquisition of and the discharge of any lien or interest in and rehabilitation of single family housing if:

- (a) the mortgagor to whom the financing is provided is the first resident of the residence after completion of the rehabilitation;
- (b) there is a period of at least 20 years between the date on which the structure was first used and the date on which the physical work on the rehabilitation begins;
- (c) 75 percent or more of the existing external walls of the structure are retained in place as external walls in the rehabilitation process; and
- (d) the expenditures for the rehabilitation equal 25 percent or more of the mortgagor's "adjusted basis" (as determined pursuant to the Internal Revenue Code of 1954, as amended through December 31, 1981), in the residence, determined at the time of completion of the rehabilitation, or, if later, the date on which the mortgagor acquires the residence.

462C.04 PLAN REVIEW.

Subdivision 1. Any city located within the metropolitan area as defined in section 473.121, subdivision 2, shall submit its housing plan or any amendments to the metropolitan council for review and comment. All other cities shall submit their housing plans or any amendments to the regional development commission for the area in which the city is located, for review and comment. The appropriate reviewing agency shall comment on:

- (a) Whether the plan furthers local and regional housing policies;
- (b) The compatibility of the housing plan with the housing portion of the comprehensive plan of the city, if any; and
- (c) Whether the plan adequately meets the stated housing needs of the city.

The appropriate reviewing agency shall complete its review and comment within 45 days after submission.

Subd. 2. A public hearing shall be held on each program after one publication of notice in a newspaper circulating generally in the city, at least 15 days before the hearing. On or before the day on which notice of the public hearing is published, the city shall submit the program to the metropolitan council, if the city is located in the metropolitan area as defined in section 473.121, subdivision 2, or to the regional development commission for the area in which the city is located, if any, for review and comment. The appropriate reviewing agency shall comment on:

- (a) whether the program is consistent with the housing plan of the city; and
- (b) whether the program is consistent with the metropolitan development guide, if the city is located in the metropolitan area, or adopted policies of the regional development commission.

Review of the program may be conducted either by the board of the reviewing agency or by the staff of the agency. Any comment submitted by the reviewing agency to the city must be presented to the body considering the proposed program at the public hearing held on the program.

A member or employee of the reviewing agency shall be permitted to present the comments of the reviewing agency at the public hearing. After conducting the public hearing, the program may be adopted with or without amendment, provided that any amendments must not be inconsistent with the comments, if any, of the reviewing agency and must not contain any material changes from the program submitted to the reviewing agency other than changes in the financial aspects of any proposed issue of bonds or obligations. If any material change other than a change in the financial aspects of a proposed issue of bonds or obligations, or any change which is inconsistent with

the comments of the reviewing agency is adopted, the amended program shall be resubmitted to the appropriate reviewing agency for review and comment, and a public hearing shall be held on the amended program after one publication of notice in a newspaper circulating generally in the city at least 15 days before the hearing. The amended program shall be considered after the public hearing in the same manner as consideration of the initial program. Each program shall be submitted to the Minnesota housing finance agency for review. The agency shall reject any program that:

- (a) does not comply with statewide housing policies;
- (b) if implemented will cause a material adverse effect on financing programs of the agency, will subject the interest on future bonds of the agency to federal income tax under any limitations imposed at the time by federal law;
- (c) provides for administrative and bond issuance costs that are unreasonable; or
- (d) does not comply with all other requirements of sections 462C.01 to 462C.08.

The agency shall have 30 days from submission to complete its review and reject a program. Submission shall be the date on which a complete document describing the program is submitted to the agency. If the agency rejects a program it shall communicate the fact of that rejection, in writing, to the city within 15 days of the rejection. If the agency fails to reject a program within 30 days of submission, or fails to communicate a rejection, in writing, to the city within 15 days of the rejection, then the agency is precluded from rejecting the program. For purposes of sections 462C.01 to 462C.08, the agency's failure to reject a program is considered an approval of the program. The agency may collect reasonable fees and charges in connection with its review of a city's housing program. The fees and charges shall be limited to the amounts required to pay the actual costs to the agency.

The Minnesota housing finance agency, in cooperation with the metropolitan council and the regional development commissions, shall report annually to the legislature on the number and amounts of bond issues and the number of housing programs established pursuant to sections 462C.01 to 462C.08.

462C.05 MULTIFAMILY HOUSING DEVELOPMENTS AND HEALTH CARE FACILITIES.

Subdivision 1. A city may also include in the housing plan, a program or programs to administer, and make or purchase a loan or loans to finance one or more multifamily housing developments within its boundaries, of the kind described in subdivision 2, 3, 4 or 7, and upon the conditions set forth in this section. A loan may be made or purchased for

- (a) the acquisition and preparation of a site and the construction of a new development,
- (b) the rehabilitation of an existing building and site and the discharge of any lien or other interest in the building and site,
- (c) for the acquisition of an existing building and site and the rehabilitation thereof,
- (d) for the acquisition of an existing building and site for purposes of conversion to limited equity cooperative ownership by low or moderate income families, or
- (e) for the acquisition, or acquisition and improvement, of an existing building and site by a nonprofit corporation which will operate the building as a multifamily housing development for rental primarily to elderly or handicapped persons.

With respect to loans made or purchased pursuant to clause (b) or (c), the cost of rehabilitation of an existing building must be estimated to equal at least \$1,000 per dwelling unit or 20 percent of the appraised value of the original building and site whichever is less, except that with respect to rehabilitation which consists primarily of improvement of the property with facilities or improvements to conserve energy or

convert or retrofit for use of alternative energy sources, rehabilitation loans may be made without regard to cost; and at least a substantial portion of such rehabilitation cost must be estimated to be incurred for compliance with building codes or conservation of energy.

Each development upon completion shall comply with all applicable code requirements. A loan or loans may be made or purchased for either the construction or the long-term financing of a development, or both, including the financing of the acquisition of dwelling units and interests in common facilities provided therein, by persons to whom such units and facilities may be sold as contemplated in chapter 515 or 515A or any supplemental or amendatory law thereof or as contemplated for a development consisting of cooperative housing.

Substantially all of the proceeds of each loan shall be used to pay the cost of a multifamily housing development, including property functionally related and subordinate to it; but nothing herein prevents the construction or acquisition of the development over, under, or adjacent to, and in conjunction with facilities to be used for purposes other than housing.

Subd. 2. A development shall be designed to be affordable by persons and families with adjusted gross income not in excess of the limits set forth in section 462C.03, subdivision 2, and by other persons and families to the extent determined to be necessary in furtherance of the policy of economic integration stated in section 462A.02, subdivision 6, with at least 20 percent of the dwelling units are held for occupancy by families or individuals with adjusted gross income not in excess of 80 percent of the median family income as estimated by the United States department of housing and urban development for the nonmetropolitan county or standard metropolitan statistical area, as the case may be.

Subd. 3. A development may be located within a targeted area without regard to the limitations and conditions set forth in subdivision 2, and without regard to those set forth in section 462C.03 except section 462C.03, subdivision 10, except that in no case shall the maximum purchase price or appraised value for a dwelling unit in the multifamily housing development exceed four times the income limit established by section 462C.03, subdivision 2, unless the development is in a building officially built before 1900, designated as an historical structure under state, local, or national procedures.

Subd. 4. A development may be designed for rental primarily to elderly or handicapped persons without regard to the limitations and conditions set forth in section 462C.03 and in subdivision 2.

Subd. 5. Each program for a multifamily housing development or developments described in subdivision 1 shall be adopted after public hearing on the program which includes such development or developments and shall be approved by the Minnesota housing finance agency as provided in section 462C.01, and on the basis of the considerations stated in section 462C.04, subdivision 2. The multifamily housing development program may include limitations or prohibitions on the assumption of the loans or other terms which are inconsistent with section 47.20, subdivision 6 or 6a, for bonds or other obligations issued by the city pursuant to section 462C.07.

Subd. 6. The program shall demonstrate need for the development or developments, describe the method of financing proposed, state whether the development is to be constructed pursuant to subdivision 2, 3, or 4, and state the applicable limitations on gross income, if any, of the occupants.

Subd. 7. A development may consist of a combination of a multifamily housing development and a new or existing health care facility, as defined by section 469.153, if the following conditions are satisfied:

- (a) The multifamily housing development is designed and intended to be used for rental occupancy;
- (b) The multifamily housing development is designed and intended to be used primarily by elderly or physically handicapped persons; and

(c) Nursing, medical, personal care, and other health related assisted living services are available on a 24-hour basis in the development to the residents.

The limitations of section 462C.04, subdivision 2, clause (c), shall not apply to projects defined in this subdivision and approved by the Minnesota housing finance agency before October 1, 1983.

The Minnesota housing finance agency shall provide, in the annual report required by section 462C.04, subdivision 2, information on the costs incurred for the issuance of bonds for projects defined in this subdivision. The report shall also include the Minnesota housing finance agency's recommendations for the regulation of costs of issuance for future issues.

Subd. 8. Revenue agreement and financing lease. Any revenue agreement or financing lease which includes a provision for a conveyance of real estate to the lessee or contracting party may be terminated in accordance with the revenue agreement or financing lease, notwithstanding that the revenue agreement or financing lease may constitute an equitable mortgage. No financing lease of any development is subject to section 504.02, unless expressly so provided in the financing lease. Leases of specific dwelling units in the development to tenants are not affected by this subdivision.

462C.06 COUNTY HOUSING AND REDEVELOPMENT AUTHORITY ACTING ON BEHALF OF CITY.

A housing and redevelopment authority in and for a county may exercise the powers conferred by sections 462C.01 to 462C.10 either (1) on its own behalf or (2) on behalf of a city (other than a county housing and redevelopment authority), if the city authorizes the housing and redevelopment authority in and for the county in which the city is located to exercise such powers and the county has authorized its housing and redevelopment authority to exercise its powers pursuant to section 469.004 or the county housing and redevelopment authority has been created by special law; provided, however, that any program undertaken pursuant to this section is subject to the limitations of sections 462C.03 and 462C.04 in the case of a single-family housing program, and subject to the limitations of section 462C.05 in the case of a multifamily housing development program.

462C.07 HOUSING REVENUE BONDS.

Subdivision 1. To finance programs or developments described in any plan the city may, upon approval of the program as provided in section 462C.04, subdivision 2, issue and sell revenue bonds or obligations which shall be payable exclusively from the revenues of the programs or developments. In the purchase or making of single-family housing loans and the purchase or making of multifamily housing loans and the issuance of revenue bonds or other obligations the city may exercise within its corporate limits, any of the powers the Minnesota housing finance agency may exercise under chapter 462A, without limitation under the provisions of chapter 475. The proceeds of revenue bonds issued to make or purchase single-family housing loans that are jointly issued by two or more cities pursuant to section 471.59 may be used to make or purchase single-family housing loans secured by homes in any of the cities.

Subd. 2. [Repealed, 1982 c 624 s 15]

Subd. 3. Upon approval of the housing plan as provided in section 462C.01, clause (c), any port authority referred to in chapter 458 may, until July 1, 1982, issue revenue bonds of the port authority to finance multifamily housing developments undertaken in accordance with the provisions of section 462C.05, and for such purpose the port authority may exercise any and all powers set forth in chapters 458 and 474, provided that nothing herein shall be construed as authorizing a port authority to finance any

housing program other than that authorized by section 462C.05. After July 1, 1982, the port authority may issue revenue bonds solely in accordance with the provisions of Laws 1979, Chapter 306, Sections 1 to 16.

Subd. 4. Foreclosure. Upon foreclosure of any mortgage securing a revenue agreement entered into with respect to revenue bonds issued under this section, the city, trustee, or other mortgagee may determine that the mortgage debt for purposes of chapters 580, 581, 582, and 583 is the revenue agreement debt and does not include the bond debt, or the mortgagee may determine that the mortgage debt includes both the revenue agreement debt and the bond debt. The notice of sale or complaint shall state whether the foreclosure is to enforce only the revenue agreement debt or both the revenue agreement debt and the bond debt. If the mortgagee determines that the foreclosure is to enforce only the revenue agreement debt and not the bond debt:

(1) the revenue agreement debt is the mortgage debt for all purposes under chapters 580, 581, 582, and 583;

(2) the bond debt will remain outstanding as a valid and continuing separate debt and will not be extinguished, satisfied, relinquished, or otherwise terminated by the foreclosure sale; and

(3) the city or mortgagee may enter into a revenue agreement with the purchaser of the mortgaged property or a subsequent transferee, which provides for satisfaction by payment in full or otherwise of all principal of and interest on the bonds then in arrears and to become due.
