Subd. 3. Ah-Gwah-Ching Center. When tuberculosis treatment is discontinued at Ah-Gwah-Ching that facility may be used by the commissioner of human services for the care of geriatric patients, and shall be known as the Ah-Gwah-Ching Center.

[For text of subd 4, see M.S.1990]

Subd. 4a. Nursing home beds at regional treatment centers. The commissioner shall operate the following number of nursing home beds at regional treatment centers in addition to current capacity: at Brainerd, 105 beds; at Cambridge, 70 beds; and at Fergus Falls, 85 beds. The commissioner may operate nursing home beds at other regional treatment centers as necessary to provide an appropriate level of care for persons served at those centers. The commissioner shall develop the regional treatment center nursing home beds authorized in the worksheets of the house appropriations and senate finance committees. The commissioner shall finance the purchase or construction of the nursing home beds with the Minnesota housing finance agency. The commissioner shall make payments through the department of administration to the Minnesota housing finance agency in repayment of mortgage loans granted for the purposes of this section.
