**Subd. 2. Review of applications; selection of recipients.** At times and in accordance with any procedures as the supreme court adopts in the form of court rules, applications for the expenditure of civil legal services funds shall be accepted from qualified legal services programs or from local government agencies and nonprofit organizations seeking to establish qualified alternative dispute resolution programs. The applications shall be reviewed by the advisory committee, and the advisory committee, subject to review by the supreme court, shall distribute the funds received pursuant to section 480.241, subdivision 2, to qualified legal services programs or to qualified alternative dispute resolution programs submitting applications. The funds shall be distributed in accordance with the following formula:

(a) Eighty-five percent of the funds distributed shall be distributed to qualified legal services programs that have demonstrated an ability as of July 1, 1982, to provide legal services to persons unable to afford private counsel with funds provided by the federal Legal Services Corporation. The allocation of funds among the programs selected shall be based upon the number of persons with incomes below the poverty level established by the United States Census Bureau who reside in the geographical area served by each program, as determined by the supreme court on the basis of the most recent national census. All funds distributed pursuant to this clause shall be used for the provision of legal services in civil and farm legal assistance matters as prioritized by program boards of directors to eligible clients.

(b) Fifteen percent of the funds distributed may be distributed (1) to other qualified legal services programs for the provision of legal services in civil matters to eligible clients, including programs which organize members of the private bar to perform services and programs for qualified alternative dispute resolution, (2) to programs for training mediators operated by nonprofit alternative dispute resolution corporations, or (3) to qualified legal services programs to provide family farm legal assistance for financially distressed state farmers. The family farm legal assistance must be directed at farm financial problems including, but not limited to, liquidation of farm property including bankruptcy, farm foreclosure, repossession of farm assets, restructuring or discharge of farm debt, farm credit and general debtor-creditor relations, and tax considerations. If all the funds to be distributed pursuant to this clause cannot be distributed because of insufficient acceptable applications, the remaining funds shall be distributed pursuant to clause (a).
