ESTATES IN REAL PROPERTY

500.24 Corporate and partnership farming.

500.24 CORPORATE AND PARTNERSHIP FARMING.

[For text of subs 1 and 2, see M.S.1990]

Subd. 3. Farming and ownership of agricultural land by corporations restricted. No corporation, pension or investment fund, or limited partnership shall engage in farming; nor shall any corporation, pension or investment fund, or limited partnership, directly or indirectly, own, acquire, or otherwise obtain an interest, whether legal, beneficial or otherwise, in any title to real estate used for farming or capable of being used for farming in this state. Provided, however, that the restrictions in this subdivision do not apply to corporations or partnerships in clause (b) and do not apply to corporations, limited partnerships, and pension or investment funds that record its name and the particular exception under clauses (a) to (s) under which the agricultural land is owned or farmed, have a conservation plan prepared for the agricultural land, report as required under subdivision 4, and satisfy one of the following conditions under clauses (a) to (s):

(a) A bona fide encumbrance taken for purposes of security;

(b) A family farm corporation, an authorized farm corporation, a family farm partnership, or an authorized farm partnership as defined in subdivision 2 or a general partnership;

(c) Agricultural land and land capable of being used for farming owned by a corporation as of May 20, 1973, or a pension or investment fund as of May 12, 1981, including the normal expansion of such ownership at a rate not to exceed 20 percent of the amount of land owned as of May 20, 1973, or, in the case of a pension or investment fund, as of May 12, 1981, measured in acres, in any five-year period, and including additional ownership reasonably necessary to meet the requirements of pollution control rules;

(d) Agricultural land operated for research or experimental purposes with the approval of the commissioner of agriculture, provided that any commercial sales from the operation must be incidental to the research or experimental objectives of the corporation. A corporation, limited partnership, or pension or investment fund seeking to operate agricultural land for research or experimental purposes must submit to the commissioner a prospectus or proposal of the intended method of operation, containing information required by the commissioner including a copy of any operational contract with individual participants, prior to initial approval of an operation. A corporation, limited partnership, or pension or investment fund operating agricultural land for research or experimental purposes prior to May 1, 1988, must comply with all requirements of this clause except the requirement for initial approval of the project;

(e) Agricultural land operated by a corporation or limited partnership for the purpose of raising breeding stock, including embryos, for resale to farmers or operated for the purpose of growing seed, wild rice, nursery plants or sod;

(f) Agricultural land and land capable of being used for farming leased by a corporation or limited partnership in an amount, measured in acres, not to exceed the acreage under lease to such corporation as of May 20, 1973, or to the limited partnership as of May 1, 1988, and the additional acreage required for normal expansion at a rate not to exceed 20 percent of the amount of land leased as of May 20, 1973, for a corporation or May 1, 1988, for a limited partnership in any five-year period, and the additional acreage reasonably necessary to meet the requirements of pollution control rules;

(g) Agricultural land when acquired as a gift (either by grant or a devise) by an educational, religious, or charitable nonprofit corporation or by a pension or investment

fund or limited partnership; provided that all lands so acquired by a pension or investment fund, and all lands so acquired by a corporation or limited partnership which are not operated for research or experimental purposes, or are not operated for the purpose of raising breeding stock for resale to farmers or operated for the purpose of growing seed, wild rice, nursery plants or sod must be disposed of within ten years after acquiring title thereto;

(h) Agricultural land acquired by a pension or investment fund or a corporation other than a family farm corporation or authorized farm corporation, as defined in subdivision 2, or a limited partnership other than a family farm partnership or authorized farm partnership as defined in subdivision 2, for which the corporation or limited partnership has documented plans to use and subsequently uses the land within six years from the date of purchase for a specific nonfarming purpose, or if the land is zoned non-agricultural, or if the land is located within an incorporated area. A pension or investment fund or a corporation or limited partnership may hold such agricultural land in such acreage as may be necessary to its nonfarm business operation; provided, however, that pending the development of agricultural land for nonfarm purposes, such land may not be used for farming except under lease to a family farm unit, a family farm corporation, an authorized farm corporation, a family farm partnership, or an authorized farm partnership, or except when controlled through ownership, options, leaseholds, or other agreements by a corporation which has entered into an agreement with the United States of America pursuant to the New Community Act of 1968 (Title IV of the Housing and Urban Development Act of 1968, United States Code, title 42, sections 3901 to 3914) as amended, or a subsidiary or assign of such a corporation;

(i) Agricultural lands acquired by a pension or investment fund or a corporation or limited partnership by process of law in the collection of debts, or by any procedure for the enforcement of a lien or claim thereon, whether created by mortgage or otherwise; provided, however, that all lands so acquired be disposed of within ten years after acquiring the title if acquired before May 1, 1988, and five years after acquiring the title if acquired on or after May 1, 1988, acquiring the title thereto, and further provided that the land so acquired shall not be used for farming during the ten-year or five-year period except under a lease to a family farm unit, a family farm corporation, an authorized farm corporation, a family farm partnership, or an authorized farm partnership. The aforementioned ten-year or five-year limitation period shall be deemed a covenant running with the title to the land against any pension or investment fund or corporate or limited partnership grantee or assignee or the successor of such pension or investment fund or corporation or limited partnership. Notwithstanding the five-year divestiture requirement under this clause, a financial institution may continue to own the agricultural land if the agricultural land is leased to the immediately preceding former owner, but must divest of the agricultural land within the ten-year period;

(j) Agricultural land acquired by a corporation regulated under the provisions of Minnesota Statutes 1974, chapter 216B, for purposes described in that chapter or by an electric generation or transmission cooperative for use in its business, provided, however, that such land may not be used for farming except under lease to a family farm unit, a family farm corporation, or a family farm partnership;

(k) Agricultural land, either leased or owned, totaling no more than 2,700 acres, acquired after May 20, 1973, for the purpose of replacing or expanding asparagus growing operations, provided that such corporation had established 2,000 acres of asparagus production;

(l) All agricultural land or land capable of being used for farming which was owned or leased by an authorized farm corporation as defined in Minnesota Statutes 1974, section 500.24, subdivision 1, clause (d), but which does not qualify as an authorized farm corporation as defined in subdivision 2, clause (d);

(m) A corporation formed primarily for religious purposes whose sole income is derived from agriculture;

(n) Agricultural land owned or leased by a corporation prior to August 1, 1975, which was exempted from the restriction of this subdivision under the provisions of

Laws 1973, chapter 427, including normal expansion of such ownership or leasehold interest to be exercised at a rate not to exceed 20 percent of the amount of land owned or leased on August 1, 1975, in any five-year period and the additional ownership reasonably necessary to meet requirements of pollution control rules;

(o) Agricultural land owned or leased by a corporation prior to August 1, 1978, including normal expansion of such ownership or leasehold interest, to be exercised at a rate not to exceed 20 percent of the amount of land owned or leased on August 1, 1978, and the additional ownership reasonably necessary to meet requirements of pollution control rules, provided that nothing herein shall reduce any exemption contained under the provisions of Laws 1975, chapter 324, section 1, subdivision 2;

(p) An interest in the title to agricultural land acquired by a pension fund or family trust established by the owners of a family farm, authorized farm corporation or family farm corporation, but limited to the farm on which one or more of those owners or shareholders have resided or have been actively engaged in farming as required by subdivision 2, clause (b), (c), or (d);

(q) Agricultural land owned by a nursing home located in a city with a population, according to the state demographer's 1985 estimate, between 900 and 1,000, in a county with a population, according to the state demographer's 1985 estimate, between 18,000 and 19,000, if the land was given to the nursing home as a gift with the expectation that it would not be sold during the donor's lifetime. This exemption is available until July 1, 1995;

(r) The acreage of agricultural land and land capable of being used for farming owned and recorded by an authorized farm corporation as defined in Minnesota Statutes 1986, section 500.24, subdivision 2, paragraph (d), or a limited partnership as of May 1, 1988, including the normal expansion of the ownership at a rate not to exceed 20 percent of the land owned and recorded as of May 1, 1988, measured in acres, in any five-year period, and including additional ownership reasonably necessary to meet the requirements of pollution control rules;

(s) Agricultural land owned or leased as a necessary part of an aquatic farm as defined in section 17.47, subdivision 3.

Subd. 6. Disposal of land. (a) A state or federal agency, limited partnership, or a corporation may not lease or sell agricultural land or a farm homestead before offering or making a good faith effort to offer the land for sale or lease to the immediately preceding former owner at a price no higher than the highest price offered by a third party that is acceptable to the seller or lessor. The offer must be made on the notice to offer form under subdivision 7. The requirements of this subdivision do not apply to a sale or lease by a corporation that is a family farm corporation or an authorized farm corporation or to a sale or lease by the commissioner of agriculture of property acquired by the state under the family farm security program under chapter 41. This subdivision applies only to a sale or lease when the seller or lessor acquired the property by enforcing a debt against the agricultural land or farm homestead, including foreclosure of a mortgage, accepting a deed in lieu of foreclosure, terminating a contract for deed, or accepting a deed in lieu of terminating a contract for deed. Selling or leasing property to a third party at a price is prima facie evidence that the price is acceptable to the seller or lessor. The seller must provide written notice to the immediately preceding former owner that the agricultural land or farm homestead will be offered for sale at least 14 days before the agricultural land or farm homestead is offered for sale.

(b) An immediately preceding former owner is the entity with record legal title to the agricultural land or farm homestead before acquisition by the state or federal agency or corporation except: if the immediately preceding former owner is a bankruptcy estate, the debtor in bankruptcy is the immediately preceding former owner; and if the agricultural land or farm homestead was acquired by termination of a contract for deed or deed in lieu of termination of a contract for deed, the immediately preceding former owner is the purchaser under the contract for deed. For purposes of this sub-

division, only a family farm, family farm corporation, or family farm partnership can be an immediately preceding former owner.

(c) An immediately preceding former owner may elect to purchase or lease the entire property or an agreed to portion of the property. If the immediately preceding former owner elects to purchase or lease a portion of the property, the election must be reported in writing to the seller or lessor prior to the time the property is first offered for sale or lease. If election is made to purchase or lease a portion of the property, the portion must be contiguous and compact so that it does not unreasonably reduce access to or the value of the remaining property.

(d) For purposes of this subdivision, the term "a price no higher than the highest price offered by a third party" means the acceptable cash price offered by a third party or the acceptable time-price offer made by a third party. A cash price offer is one that involves simultaneous transfer of title for payment of the entire amount of the offer. If the acceptable offer made by a third party is a time-price offer, the seller or lessor must make the same time-price offer or an equivalent cash offer to the immediately preceding former owner. An equivalent cash offer is equal to the total of the payments made over a period of the time-price offer discounted by yield curve of the United States treasury notes and bonds of similar maturity on the first business day of the month in which the offer is personally delivered or mailed for time periods similar to the time period covered by the time-price offer, plus 2.0 percent. A time-price offer is an offer that is financed entirely or partially by the seller and includes an offer to purchase under a contract for deed or mortgage. An equivalent cash offer is not required to be made if the state participates in an offer to a third party through the rural finance authority.

(e) This subdivision applies to a seller when the property is sold and to a lessor each time the property is leased, for the time period specified in subdivision 3, paragraph (i), after the agricultural land is acquired except:

(1) an offer to lease to the immediately preceding former owner is required only until the immediately preceding owner fails to accept an offer to lease the property or the property is sold;

(2) an offer to sell to the immediately preceding former owner is required until the property is sold; and

(3) if the immediately preceding former owner elects to lease or purchase a portion of the property, this subdivision does not apply to the seller with regard to the balance of the property after the election is made under paragraph (c).

(f) The notice of an offer under subdivision 7 that is personally delivered with a signed receipt or sent by certified mail with a receipt of mailing to the immediately preceding former owner's last known address is a good faith offer.

(g) This subdivision does not apply to a sale or lease that occurs after the seller or lessor has held the property for the time period specified in subdivision 3, paragraph (i).

(h) For purposes of this subdivision, if the immediately preceding former owner is a bankruptcy estate the debtor in the bankruptcy is the immediately preceding owner.

(i) The immediately preceding former owner must exercise the right to lease all or a portion of the agricultural land or a homestead located on agricultural land in writing within 15 days after an offer to lease under this subdivision is mailed with a receipt of mailing or personally delivered. If election is made to lease only the homestead or a portion of the agricultural land, the portion to be leased must be clearly identified in writing. The immediately preceding former owner must exercise the right to buy the agricultural land, a portion of the agricultural land, or a farm homestead located on agricultural land, in writing, within 65 days after an offer to buy under this subdivision is mailed with a receipt of mailing or is personally delivered. Within ten days after exercising the right to lease or buy by accepting the offer, the immediately preceding owner must fully perform according to the terms of the offer including paying the amounts due. A seller may sell and a lessor may lease the agricultural land or farm homestead

subject to this subdivision to the third party in accordance with their lease or purchase agreement if:

(1) the immediately preceding former owner does not accept an offer to lease or buy before the offer terminates; or

(2) the immediately preceding former owner does not perform the obligations of the offer, including paying the amounts due, within ten days after accepting the offer.

(j) A certificate indicating whether or not the property contains agricultural land or a farm homestead that is signed by the county assessor where the property is located and recorded in the office of the county recorder or the registrar of titles where the property is located is prima facie evidence of whether the property is agricultural land or a farm homestead.

(k) As prima facie evidence that an offer to sell or lease agricultural land or a farm homestead has terminated, a receipt of mailing the notice under subdivision 7 and an affidavit, signed by a person authorized to act on behalf of a state, federal agency, or corporation selling or leasing the agricultural land or a farm homestead may be filed in the office of the county recorder or registrar of titles of the county where the agricultural land or farm homestead is located. The affidavit must state that:

(1) notice of an offer to buy or lease the agricultural land or farm homestead was provided to the immediately preceding former owner at a price not higher than the highest price offered by a third party that is acceptable;

(2) the time during which the immediately preceding former owner is required to exercise the right to buy or lease the agricultural land or farm homestead has expired;

(3) the immediately preceding former owner has not exercised the right to buy or lease the agricultural land or farm homestead as provided in this subdivision or has accepted an offer and has not fully performed according to the terms of the offer; and

(4) the offer to the immediately preceding former owner has terminated.

(l) The right of an immediately preceding former owner to receive an offer to lease or purchase agricultural land under this subdivision or to lease or purchase at a price no higher than the highest price offered by a third party that is acceptable to the seller or lessor may be extinguished or limited by an express statement signed by the immediately preceding owner that complies with the plain language requirements of section 325G.31. The right may not be extinguished or limited except by:

(1) an express statement in a deed in lieu of foreclosure of the agricultural land;

(2) an express statement in a deed in lieu of a termination of a contract for deed for the agricultural land;

(3) an express statement conveying the right to the state or federal agency or corporation owning the agricultural land that is required to make an offer under this subdivision; however, the preceding former owner may rescind the conveyance by notifying the state or federal agency or corporation in writing within 20 calendar days after signing the express statement;

(4) to cure a title defect, an express statement conveying the right may be made to a person to whom the agricultural land has been transferred by the state or federal agency or corporation; or

(5) an express statement conveying the right to a contract for deed vendee to whom the agricultural land or farm homestead was sold under a contract for deed by the immediately preceding former owner if the express statement and the contract for deed are recorded.

(m) The right of an immediately preceding former owner to receive an offer to lease or purchase agricultural land under this subdivision may not be assigned or transferred except as provided in paragraph (l), but may be inherited.

(n) An immediately preceding former owner, except a former owner who is actively engaged in farming as defined in subdivision 2, paragraph (a), and who agrees to remain actively engaged in farming on a portion of the agricultural land or farm homestead for at least one year after accepting an offer under this subdivision, may not

sell agricultural land acquired by accepting an offer under this subdivision if the arrangement of the sale was negotiated or agreed to prior to the former owner accepting the offer under this subdivision. A person who sells property in violation of this paragraph is liable for damages plus reasonable attorney fees to a person who is damaged by a sale in violation of this paragraph. There is a rebuttable presumption that a sale by an immediately preceding former owner is in violation of this paragraph if the sale takes place within 270 days of the former owner accepting the offer under this subdivision. This paragraph does not apply to a sale by an immediately preceding former owner to the owner's spouse, the owner's parents, the owner's sisters and brothers, the owner's spouse's sisters and brothers, or the owner's children.
