Because the desire for the services provided by public libraries transcends governmental boundaries and can be provided most effectively by giving such services to communities of people regardless of jurisdictional lines, it is the policy of the states who are parties to this compact to cooperate and share their responsibilities in providing joint and cooperative library services in areas where the distribution of population makes the provision of library service on an interstate basis the most effective way to provide adequate and efficient services.

ARTICLE II PROCEDURE

The appropriate officials and agencies of the party states or any of their political subdivisions may, on behalf of said states or political subdivisions, enter into agreements for the cooperative or joint conduct of library services when they shall find that the executions of agreements to that end as provided herein will facilitate library services.

ARTICLE III CONTENT

Any such agreement for the cooperative or joint establishment, operation, or use

of library services, facilities, personnel, equipment, materials, or other items not excluded because of failure to enumerate shall, as among the parties of the agreement: (1) Detail the specific nature of the services, facilities, properties, or personnel to which it is applicable; (2) provide for the allocation of costs and other financial responsibilities; (3) specify the respective rights, duties, obligations, and liabilities; (4) stipulate the terms and conditions for duration, renewal, termination, abrogation, disposal of joint or common property, if any, and all other matters which may be appropriate to the proper effectuation and performance of said agreement.

ARTICLE IV CONFLICT OF LAWS

Nothing in this compact or in any agreement entered into hereunder shall be construed to supersede, alter, or otherwise impair any obligation imposed on any public library by otherwise applicable laws.

ARTICLE V ADMINISTRATOR

Each state shall designate a compact administrator with whom copies of all agreements to which his state or any subdivision thereof is party shall be filed. The administrator shall have such powers as may be conferred upon him by the laws of his state and may consult and cooperate with the compact administrators of other party states and take such steps as may effectuate the purposes of this compact.

ARTICLE VI EFFECTIVE DATE

This compact shall become operative immediately upon its enactment by any state or between it and any other contiguous state or states so enacting.

ARTICLE VII RENUNCIATION

This compact shall continue in force and remain binding upon each party state until six months after any such state has given notice of repeal by the legislature. Such withdrawal shall not be construed to relieve any party to an agreement authorized by articles II and III of the compact from the obligation of that agreement prior to the end of its stipulated period of duration.

ARTICLE VIII SEVERABILITY; CONSTRUCTION

The provisions of this compact shall be severable. It is intended that the provisions of this compact be reasonably and liberally construed.

134.34 REGIONAL LIBRARY BASIC SYSTEM SUPPORT GRANTS; REQUIREMENTS.

Subdivision 1. **Local support levels.** A regional library basic system support grant shall be made to any regional public library system where there are at least three participating counties and where each participating city and county is providing for public library service support the lesser of (a) an amount equivalent to .82 percent of the adjusted net tax capacity of the taxable property of that city or county, as determined by the commissioner of revenue for the second year preceding that calendar year in 1991 and later years or (b) a per capita amount calculated under the provisions of this subdivision. The per capita amount is established for calendar year 1993 as \$7.62. In succeeding calendar years, the per capita amount shall be increased by a percentage equal to one-half of the percentage by which the total state adjusted net tax capacity of property as determined by the commissioner of revenue for the second year preceding that calendar year increases over that total adjusted net tax capacity for the third year preceding that calendar year. The minimum level of support shall be certified annually to the participating cities and counties by the department of education. A city which is a part of a regional public library system shall not be required to provide this level of support if the property of that city is already taxable by the county for the support of that regional public library system. In no event shall the department of education require any city or county to provide a higher level of support than the level of support specified in this section in order for a system to qualify for a regional library basic system support grant. This section shall not be construed to prohibit a city or county from providing a higher level of support for public libraries than the level of support specified in this section.

Subd. 2. [Repealed, 1992 c 499 art 10 s 4]

Subd. 3. **Regional designation.** Regional library basic system support grants shall be made only to those regional public library systems officially designated by the state

board of education as the appropriate agency to strengthen, improve and promote public library services in the participating areas. The state board of education shall designate no more than one such regional public library system located entirely within any single development region existing under sections 462.381 to 462.398 or chapter 473.

Subd. 4. A regional library basic system support grant shall not be made to a regional public library system for a participating city or county which decreases the dollar amount provided for support for operating purposes of public library service below the amount provided by it for the preceding year. This subdivision shall not apply to participating cities or counties where the adjusted net tax capacity of that city or county has decreased, if the dollar amount of the reduction in support is not greater than the dollar amount by which support would be decreased if the reduction in support were made in direct proportion to the decrease in adjusted net tax capacity.

Subd. 4a. **Support grants.** In state fiscal years 1993, 1994, and 1995, a regional library basic system support grant also may be made to a regional public library system for a participating city or county which meets the requirements under paragraph (a) or (b).

(a) The city or county decreases the dollar amount provided by it for operating purposes of public library service if the amount provided by the city or county is not less than the amount provided by the city or county for such purposes in the second preceding year.

(b)(1) The city or county provided for operating purposes of public library services an amount exceeding 125 percent of the state average percentage of the adjusted net tax capacity or 125 percent of the state average local support per capita; and

(2) the local government aid distribution for the current calendar year under chapter 477A has been reduced below the originally certified amount for payment in the preceding calendar year, if the dollar amount of the reduction from the previous calendar year in support for operating purposes of public library services is not greater than the dollar amount by which support for operating purposes of public library service would be decreased if the reduction in support were in direct proportion to the local government aid reduction as a percentage of the previous calendar year's revenue base as defined in section 477A.011, subdivision 27. Determination of a grant under paragraph (b) shall be based on the most recent calendar year for which data are available.

The city or county shall file a report with the department of education indicating the dollar amount and percentage of reduction in public library operating funds.

134.35 REGIONAL LIBRARY BASIC SYSTEM SUPPORT GRANTS; DISTRIBUTION FORMULA.

Subdivision 1. **Grant application.** Any regional public library system which qualifies according to the provisions of section 134.34 may apply for an annual grant for regional library basic system support. The amount of each grant for each fiscal year shall be calculated as provided in this section.

Subd. 2. Fifty-seven and one-half percent of the available grant funds shall be distributed to provide all qualifying systems an equal amount per capita. Each system's allocation pursuant to this subdivision shall be based on the population it serves.

Subd. 3. Twelve and one-half percent of the available grant funds shall be distributed to provide all qualifying systems an equal amount per square mile. Each system's allocation pursuant to this subdivision shall be based on the area it serves.

Subd. 4. Five percent of the available grant funds shall be paid to each system as a base grant for basic system services.

Subd. 5. Twenty-five percent of the available grant funds shall be distributed to regional public library systems based upon the adjusted net tax capacity per capita for each member county or participating portion of a county as calculated for the second year preceding the fiscal year for which the grant is made. Each system's entitlement shall be calculated as follows:

(a) Multiply the adjusted net tax capacity per capita for each county or participating portion of a county by .0082.

(b) Add sufficient grant funds that are available under this subdivision to raise the amount of the county or participating portion of a county with the lowest value calculated according to paragraph (a) to the amount of the county or participating portion of a county with the next highest value calculated according to paragraph (a). Multiply the amount of the additional grant funds by the population of the county or participating portion of a county.

(c) Continue the process described in paragraph (b) by adding sufficient grant funds that are available under this subdivision to the amount of a county or participating portion of a county with the next highest value calculated in paragraph (a) to raise it and the amount of counties and participating portions of counties with lower values calculated in paragraph (a) up to the amount of the county or participating portion of a county with the next highest value, until reaching an amount where funds available under this subdivision are no longer sufficient to raise the amount of a county or participating portion of a county and the amount of counties and participating portions of counties with lower values up to the amount of the next highest county or participating portion of a county.

(d) If the point is reached using the process in paragraphs (b) and (c) at which the

remaining grant funds under this subdivision are not adequate for raising the amount of a county or participating portion of a county and all counties and participating portions of counties with amounts of lower value to the amount of the county or participating portion of a county with the next highest value, those funds are to be divided on a per capita basis for all counties or participating portions of counties that received grant funds under the calculation in paragraphs (b) and (c).
