Subd. 2. **Additional aid for certain counties.** (a) Each county that becomes eligible to negotiate a contract with the office of waste management pursuant to section 115A.191 shall be entitled to receive \$6,000 per month in additional local government aids, for each full calendar month that it is eligible. If the state's liability under this clause exceeds \$40,000 in any month, the commissioner shall proportionately reduce the entitlements of each eligible county.

(b) Any county government that has executed a contract with the board pursuant to section 115A.191 shall receive an amount as provided under a schedule set forth in the contract not to exceed \$150,000 per year in additional local government aids, for a period of not more than two years following the execution of the contract. The sum of the state's obligations under this clause may not exceed \$600,000 in any fiscal year.

(c) Aid distributions under this subdivision are in addition to any distributions to which a county is entitled pursuant to subdivision 1, and must not be deducted in the computation of levy limits. When an aid payment is made pursuant to section 477A.015, the commissioner shall distribute to each eligible county the full entitlement due under clause (a) for the county's period of eligibility that was not paid in a previous distribution. The commissioner shall distribute the amounts due under clause (b) to each county that has executed a contract in accordance with the terms of the contract. In no case may any additional aid amounts due under this subdivision be paid prior to July 1, 1987.

Subd. 3. **Aid offset for court costs.** (a) There shall be deducted from the payment to a county under this section an amount representing the cost to the state for assumption of the cost (1) of district court administration and operation of the trial court information system in the county and, (2) in the case of Hennepin and Ramsey counties, of public defense services in juvenile and misdemeanor cases in the county and (3) in the case of a county that is located in the eighth judicial district, of the cost of operation of the trial courts in the county during calendar year 1991 less the amount of any special levy under Laws 1989, chapter 335, article 3, section 54, subdivision 8, as amended by Laws 1990, chapter 604, article 9, section 14. The amount of the deduction shall be computed as provided in this subdivision.

(b) By October 15, 1989, the board of public defense shall determine and certify to the department of revenue the cost of the state-financed public defense services in juvenile and misdemeanor cases for Hennepin and Ramsey counties during the fiscal year beginning the following July 1. By October 15, 1989, the supreme court shall determine and certify to the department of revenue for each county, except counties located in the eighth judicial district, the pro rata estimated share for each county of district court administration and trial court information system costs during the fiscal year beginning on the following July 1.

(c) One-half of the amount computed under paragraph (b) for each county shall be deducted from each payment to the county under section 477A.015 in 1990 and each subsequent year. One-half of the sum of the amounts computed under paragraph (b) shall be deducted from each payment to a county located in the eighth judicial district under section 477A.015 in 1991 only; except that, if the legislature in its 1991 session does not appropriate funds for the operation of the trial courts in the eighth judicial district for the period July 1, 1991, through December 31, 1991, only 25 percent of the sum of the amounts computed under paragraph (b) shall be deducted from each payment to each county in the eighth judicial district.

(d) If the amount computed under paragraph (b) plus, if applicable, the amount deducted under paragraph (c), exceeds the amount payable to a county under subdivision 1, the excess shall be deducted from the aid payable to the county under section 273.1398, subdivision 2.

(e) By July 15, 1990, the board of public defense and the supreme court shall determine and certify to the department of revenue the final actual budgeted amounts for the activities described in paragraph (b). If the amount certified under paragraph (b) is greater than the amount certified under this paragraph, the excess shall be added to the aid payable to the county in 1991 and each subsequent year under this section. If

# MINNESOTA STATUTES 1992

1467

LOCAL GOVERNMENT AID 477A.012

the amount certified under paragraph (b) is less than the amount certified under this paragraph, the difference shall be subtracted from the aid payable to the county in 1991 and each subsequent year under this section.

(f) By August 15, 1990, the supreme court shall determine and certify to the department of revenue for each county located in the eighth judicial district, the county's pro rata estimated share of the operation of the trial courts in the county for calendar year 1991, less an amount equal to the fees and fines collected by the trial courts in the county during calendar year 1989. By August 15, 1990, the board of public defense shall determine and certify to the department of revenue for each of those counties, the county's pro rata estimated share of the base funding for the cost of court-appointed defense services other than those specified in section 275.51, subdivision 3f, for calendar year 1991.

**Subd. 4. The amount of the deduction is computed as provided in this subdivision.

(b) By June 30, 1991, the supreme court shall determine and certify to the department of revenue for each county, except counties located in the eighth judicial district, the pro rata share for each county of court reporter, judicial officer, and district court referee costs and law clerk and court reporter expenses during the calendar year beginning on January 1, 1992.

(c) One-half of the amount computed under paragraph (b) for each county shall be deducted from each aid payment to the county under section 477A.015 in 1992 and each subsequent year.

(d) If the amount computed under paragraph (b) exceeds the amount payable to a county under subdivision 1, the excess shall be deducted from the aid payable to the county under section 273.1398, subdivision 2.

**Subd. 5. [Repealed, 1991 c 291 art 3 s 15]**

**Subd. 6. Aid offset for 1992 court and public defender costs.** (a) There shall be deducted from the payment to a county under this section an amount equal to the cost of jury fees and, in the case of a county located in the third or sixth judicial district, of public defense services in juvenile and misdemeanor cases, to the extent those costs are assumed by the state for the fiscal year beginning on July 1, 1992. The amount of the deduction is computed as provided in this subdivision.

(b) By June 30, 1991, the supreme court shall determine and certify to the department of revenue for each county, except counties located in the eighth judicial district, the cost for each county of jury fees during the fiscal year beginning on July 1, 1992.

(c) By June 30, 1991, the board of public defense shall determine and certify to the department of revenue the pro rata share for each county in the third or sixth judicial district of the cost of the state-financed public defense services in juvenile and misdemeanor cases in the third or sixth judicial district during the fiscal year beginning on July 1, 1992.

(d) One-half of the amount computed under paragraphs (b) and (c) for each county shall be deducted from each local government aid payment to the county under section 477A.015 in 1992 and each subsequent year. If the amount computed under paragraph (b) exceeds the amount payable to a county under subdivision 1, the excess shall be deducted from the aid payable to the county under section 273.1398, subdivision 2, and then, if necessary, from the disparity reduction aid under section 273.1398, subdivision 3. No payments shall be made from the local government trust fund to the general fund for county aid reductions under subdivisions 3, 4, and 6.

#### 477A.0121 COUNTY CRIMINAL JUSTICE AID.

**Subdivision 1. Purpose.** County criminal justice aid is intended to reduce the reliance of county criminal justice and corrections programs and associated costs on local property taxes.

County criminal justice aids must be used to pay expenses associated with criminal justice activities including law enforcement, criminal adjudication, and corrections.

**Subd. 2. Definitions.** For the purposes of this section, the following definitions apply:

By July 1 of each year the commissioner of public safety shall certify to the commissioner of revenue the number of Part I crimes reported for each county.

**Subd. 3. Formula.** Each calendar year, the commissioner of revenue shall distribute county criminal justice aid to each county in an amount determined according to the following formula:

(1) one-half shall be distributed to each county in the same proportion that the county's population is to the population of all counties in the state; and

(2) one-half shall be distributed to each county in the same proportion that the county's Part I crimes are to the total Part I crimes for all counties in the state.

**Subd. 4. Public defender costs.** Each calendar year, four percent of the total appropriation for this section shall be retained by the commissioner of revenue to make reimbursements to the commissioner of finance for payments made under section 611.27. The reimbursements shall be to defray the additional costs associated with court-ordered counsel under section 611.27. Any retained amounts not used for reimbursement in a year shall be carried over and distributed as additional county criminal justice aid in the following year.

**Subd. 5. Payment dates.** The aid amounts for each calendar year shall be paid as provided in section 477A.015.

**Subd. 6. Report.** By March 15 of each year following the year in which criminal justice aids are received, each county must file a report with the commissioner of revenue describing how criminal justice aids were spent, and demonstrating that they were used for criminal justice purposes.

**History:** 1992 c 511 art 1 s 14

In 1993 and thereafter, a city will receive an amount equal to 103 percent of the local government aid it received under this section in 1992 before any nonpermanent reductions made under section 477A.0132.

For aids payable in 1990, a city's aid increase under this subdivision is limited to the lesser of (1) 20 percent of its levy for taxes payable in the year prior to that for which aids are being calculated, or (2) its initial aid amount, or (3) 15 percent of the total local government aid amount received under this section in the previous year, provided that no city will receive an increase that is less than two percent of its 1989 local government aid for aids payable in 1990.

A city whose initial aid is \$0 will receive in 1990 an amount equal to 102 percent of the local government aid it received in 1989 under Minnesota Statutes 1988, section 477A.013. For purposes of this subdivision, the term "local government aid" does not include equalization aid amounts under subdivision 5.

**Subd. 4.** [Repealed, 1Sp1989 c 1 art 4 s 15]

**Subd. 5. Equalization aid.** A city is eligible for equalization aid equal to the aid amount received under this subdivision in 1990 after the adjustments, if any, under subdivisions 6 and 7, plus an equalization aid increase equal to the product of (i) a city's average levy for the three immediately preceding years less the disparity reduction aids allocated to the city pursuant to section 273.1398, subdivision 3, for the year prior to the aid distribution, and less the equalization aid it received under this section in the year prior to that for which the aid is being calculated, (ii) .30, and (iii) one minus the

ratio of the net tax capacity per capita to 900. The equalization aid increase under this section is limited to 12 percent of the total aid the city received under this section in the prior year. The aid under this section cannot be less than zero. For the purposes of this subdivision, "levy" includes a city's levy on fiscal disparities distribution under section 473F.08, subdivision 3, paragraph (a).

If the amount appropriated is insufficient to pay the aid amounts calculated under this subdivision, the commissioner of revenue shall first proportionately reduce the equalization aid increase for each city so that the sum of the equalization aid amounts paid under this subdivision equals the amount appropriated. If the equalization aid increase is reduced to zero and the amount appropriated is still insufficient to pay the aid amounts under this subdivision, the remaining amount of equalization aid for each city will be reduced proportionately so that the sum of the aid paid under this subdivision equals the amount appropriated.

**Subd. 6. Aid adjustment.** For calendar year 1990, there shall be an amount equal to 3.4 percent of the town's or city's adjusted net tax capacity computed using the net class rates for taxes payable in 1990 and equalized market values as defined in section 273.1398, subtracted from the aid amounts computed under subdivision 1, in the case of towns, and under subdivisions 3 and 5 in the case of cities. For cities, the subtraction will be made first from the aid computed under subdivision 3. If the subtraction amount under this section is greater than the aid amount computed under subdivision 3, the remaining amount will be subtracted from the aid computed under subdivision 5. The resulting amounts shall be the town's local government aid or the city's local government aid and equalization aid for calendar year 1990. The local government aid and equalization aid amount for any city or town cannot be less than zero. If the subtraction amount under this section is greater than the amount for any town or city computed under subdivisions 1, 3, and 5, the remaining amount shall be subtracted from the town's or city's homestead and agricultural credit aid under section 273.1398, subdivision 2.

For purposes of this subdivision, "adjusted net tax capacity" means the city's total net tax capacity using the net class rates for taxes payable in 1990 and equalized market values as defined in section 273.1398, as adjusted for the contributions and distributions required by chapter 473F in the case of a city or town located within the metropolitan area and less the captured value in any tax increment district.

An increase in a city's property tax levy for taxes payable in 1990 attributable to the amount deducted from the city's aids under this subdivision is exempt from the city's per capita levy limit under section 275.11, from the city's percentage of market value levy limit under section 412.251 or 426.04, and from any limitation on levies under a city charter.

#### **477A.0132 AID REDUCTIONS TO LOCAL GOVERNMENTS.**

**Subdivision 1. Affected local governments.** The following permanent and nonpermanent reductions shall be made in aids paid to the following local units of government:

(a) For aids payable in 1992, there shall be a permanent reduction in aids to counties, cities, and special taxing districts of \$86,000,000. For purposes of this reduction, hospital districts are not considered special taxing districts.

(b) Aid reductions required under section 16A.711, subdivision 5, shall be nonpermanent reductions in aids to counties, cities, towns, and special taxing districts equal to the difference between the aid amounts certified to be paid and the amount of the appropriation to pay the aids.

**Subd. 2. Calculation of aid reduction.** The aid reduction to each local government as provided under subdivision 1 will be equal to the product of the reduction percentage and its reduction base. The reduction base is defined as the following:

(a) For subdivision 1, clause (a), the reduction base is equal to the adjusted revenue base for 1992.

(b) For subdivision 1, clause (b), the reduction base is equal to the adjusted revenue base for the year in which the aid payment is to be made.

**Subd. 3. Order of aid reductions.** The aid reduction to a local government as calculated under subdivisions 1 and 2, is first applied to its local government aid under sections 477A.012 and 477A.013 excluding aid under section 477A.013, subdivision 5; then, if necessary, to its equalization aid under section 477A.013, subdivision 5; then if necessary, to its homestead and agricultural credit aid under section 273.1398, subdivision 2; and then, if necessary, to its disparity reduction aid under section 273.1398, subdivision 3; and then, if necessary, to its transition credit under section 273.1398, subdivision 5. No aid payment may be less than \$0. Aid reductions under this section in any given year shall be divided equally between the July and December aid payments unless specified otherwise.

#### **477A.014 COMMISSIONER'S RESPONSIBILITIES.**

**Subdivision 1. Calculations and payments.** The commissioner of revenue shall make all necessary calculations and make payments pursuant to sections 477A.012, 477A.013, 477A.0132, and 477A.03 directly to the affected taxing authorities annually. In addition, the commissioner shall notify the authorities of their aid amounts, as well as the computational factors used in making the calculations for their authority, and those statewide total figures that are pertinent, before August 1 of the year preceding the aid distribution year.

**Subd. 1a. Adjustments for local government trust fund revenues.** For aids payable in 1991 and 1992 only, if the amount appropriated under Laws 1991, chapter 291, article 2, section 3, for homestead and agricultural credit aid and disparity reduction aid under section 273.1398, and local government aid and equalization aid under sections 477A.011 to 477A.013, and the additional transition credit under section 273.1398, subdivision 5, is less than or greater than the amounts certified to be paid by the commissioner of revenue, the aids will be reduced or increased in the following manner unless otherwise provided for in law.

In the case of an aid reduction, each city's, county's, town's, and special taxing district's aids will be reduced as provided for in section 477A.0132. In the case of an aid increase, each city's, county's, town's, and special taxing district's aid shall be increased proportionately. The aid reduction or increase will be split equally between the July 20 and December aid payments each year.

If the commissioner estimates an additional reduction or increase in appropriations for these programs after the July 20 aid payment but before the December payment, the December aid payments to local governments for these programs will be reduced or increased proportionately.

**Subd. 2. Errors.** A taxing authority may object to the commissioner of revenue with respect to the amount of the distribution it has been certified to receive pursuant to subdivision 1. No objection shall be raised later than 60 days after the taxing authority has received notice from the commissioner of the amount which it has been certified to receive.

**Subd. 3. Aid amount correction.** If, due to an error in the factors used to calculate a taxing authority's aid pursuant to section 477A.012 or 477A.013 the amount indi-

cated in the certification of the commissioner to the taxing authority for a year is less than the amount to which it is entitled pursuant to this section, the commissioner of revenue shall additionally distribute the amount necessary to make the full correct distribution to the taxing authority. The additional distribution shall be paid from the general fund and shall not diminish the distributions made to other taxing authorities under this section.

**Subd. 4.** The director of the office of strategic and long-range planning shall annually bill the commissioner of revenue for one-half of the costs incurred by the state demographer in the preparation of materials required by section 4A.02. The state auditor shall bill the commissioner of revenue for the costs of the services provided by the government information division and the parts of the constitutional office that are related to the government information function, not to exceed \$217,000 in fiscal year 1992 and \$217,000 in fiscal year 1993 and thereafter. The commissioner of administration shall bill the commissioner of revenue for the costs of the local government records program and the intergovernmental information systems activity, not to exceed \$201,100 in fiscal year 1992 and \$205,800 in fiscal year 1993 and thereafter. The commissioner of employee relations shall bill the commissioner of revenue for the costs of administering the local government pay equity function, not to exceed \$56,000 in fiscal year 1992 and \$55,000 in fiscal year 1993 and thereafter.

**Subd. 5. Deduction from aid payments.** The commissioner of revenue shall deduct the amounts certified under subdivision 4 from the aid payments to be made to appropriate local units of government in the next aid payment year. Amounts must be transferred from the local government trust fund to the general fund.

#### **477A.017 UNIFORM FINANCIAL ACCOUNTING AND REPORTING SYSTEM.**

**Subdivision 1. Purpose.** Sections 477A.011 to 477A.03 are designed to provide property tax relief to local units of government. In order for the legislature to determine the amounts of relief necessary each year, the legislature must have uniform and current financial information from the governmental units which receive aid distributions. This section is intended to provide that information.

**Subd. 2. State auditor's duties.** The state auditor shall prescribe uniform financial accounting and reporting standards in conformity with national standards to be applicable to cities and towns of more than 2,500 population and uniform reporting standards to be applicable to cities of less than 2,500 population.

Subd. 3. **Conformity.** Other law to the contrary notwithstanding, in order to receive distributions under sections 477A.011 to 477A.03, counties and cities must conform to the standards set in subdivision 2 in making all financial reports required to be made to the state auditor after June 30, 1984.

Subd. 2. **Commissioner.** "Commissioner" means the commissioner of natural resources.

Subd. 3. **Acquired natural resources land.** "Acquired natural resources land" means any land presently administered by the commissioner in which the state acquired by purchase, condemnation, or gift, a fee title interest in lands which were previously privately owned.

Subd. 4. **Other natural resources land.** "Other natural resources land" means:

(1) any other land presently owned in fee title by the state and administered by the commissioner, or any tax-forfeited land, other than platted lots within a city, which is owned by the state and administered by the commissioner or by the county in which it is located; and

(2) land leased by the state from the United States of America through the United States Secretary of Agriculture pursuant to Title III of the Bankhead Jones Farm Tenant Act, which land is commonly referred to as land utilization project land that is administered by the commissioner.

**History:** 1979 c 303 art 8 s 1; 1990 c 604 art 4 s 16

### **477A.12 ANNUAL APPROPRIATIONS; LANDS ELIGIBLE; CERTIFICATION OF ACREAGE.**

There is annually appropriated to the commissioner of natural resources from the

general fund for payment to counties within the state an amount equal to \$3 multiplied by the number of acres of acquired natural resources land, 75 cents multiplied by the number of acres of county-administered other natural resources land, and 37.5 cents multiplied by the number of acres of commissioner-administered other natural resources land located in each county as of July 1 of each year. Lands for which payments in lieu are made pursuant to section 97A.061, subdivision 3, and Laws 1973, chapter 567, shall not be eligible for payments under this section. Each county auditor shall certify to the department of natural resources during July of each year the number of acres of county-administered other natural resources land within the county. The department of natural resources may, in addition to the certification of acreage, require descriptive lists of land so certified. The commissioner of natural resources shall determine and certify the number of acres of acquired natural resources land and commissioner-administered natural resources land within each county.

**History:** 1979 c 303 art 8 s 2; 1986 c 386 art 4 s 29; 1986 c 444

#### 477A.13 TIME OF PAYMENT, DEDUCTIONS.

Payments to the counties shall be made from the general fund during the month of July of the year next following certification. There shall be deducted from amounts paid any amounts paid to a county or township during the preceding year pursuant to sections 89.036, 97A.061, subdivisions 1 and 2, and 272.68, subdivision 3, with respect to the lands certified pursuant to section 477A.12.

Any county receiving less than \$5,000 annually for the resource development fund may elect to deposit that amount in the county general revenue fund;

(b) From the funds remaining, each organized township shall receive 30 cents per acre of acquired natural resources land and 7.5 cents per acre of other natural resources land located within its boundaries. Payments for natural resources lands not located in an organized township shall be deposited in the county general revenue fund. Payments to counties and townships pursuant to this paragraph shall be used to provide property tax levy reduction. Provided that, if the total payment to the county pursuant to section 477A.12 is not sufficient to fully fund the distribution provided for in this clause, the amount available shall be distributed to each township and the county general revenue fund on a pro rata basis; and

(c) Any remaining funds shall be deposited in the county general revenue fund. Provided that, if the distribution to the county general revenue fund exceeds \$35,000, the excess shall be used to provide property tax levy reduction.
