History: (8247) *RL s 3370; 1905 c 305 s 1; 1909 c 183 s 2*

508.02 REGISTERED LAND SUBJECT TO SAME INCIDENTS AS UNREGISTERED; ADVERSE POSSESSION EXCEPTED.

Registered land shall be subject to the same burdens and incidents which attach by law to unregistered land. This chapter shall not operate to relieve registered land or the owners thereof from any rights, duties, or obligations incident to or growing out of the marriage relation, or from liability to attachment on mesne process, or levy on execution, or from liability to any lien or charge of any description, created or established by law upon the land or the buildings situated thereon, or the interest of the owner in such land or buildings. It shall not operate to change the laws of descent or the rights of partition between cotenants, or the right to take the land by eminent domain. It shall not operate to relieve such land from liability to be taken or recovered by any assignee or receiver under any provision of law relative thereto, and shall not operate to change or affect any other rights, burdens, liabilities, or obligations created by law and applicable to unregistered land except as otherwise expressly provided herein. No title to registered land in derogation of that of the registered owner shall be acquired by prescription or by adverse possession.

History: (8248) *RL s 3371; 1905 c 305 s 2*

in the submerged lands lying between the original shore line and such established dock line may be registered under this chapter, subject to the rights of the state of Minnesota in its sovereign capacity in the same, and such registration shall not in any manner affect or change the rights of the state with respect to such lands.

An appurtenant easement over unregistered land may be registered when the fee simple estate to which it is appurtenant has been registered or is registered concurrently with the registration of such easement. The word "land" in this chapter, except as contained in sections 508.37 and 508.47, subdivisions 2 to 7, shall include those appurtenant easements designated in this subdivision and all requirements for the registration of land shall also apply to the registration of such an appurtenant easement. 508.13 REFERENCES TO EXAMINERS; POWERS; REPORTS.

Immediately after the filing of the abstract of title, the court shall enter an order referring the application to an examiner of titles, who shall proceed to examine into the title of the land described in the application, and into the truth of all matters set forth therein. The examiner shall ascertain whether or not the land is occupied, and, if occupied, shall ascertain the nature thereof, and by what right the occupation is held. The examiner shall also ascertain whether or not any judgments exist which may be a lien upon the land. The examiner shall search all public records, and fully investigate all facts pertaining to the title which may be brought to the examiner's notice, and shall file in the case a full report thereof, together with the examiner's opinion upon the title. The court shall not be bound by any report of the examiner of titles, but may require further or other proof. An examiner of titles shall have full power to administer oaths and examine witnesses concerning any matter involved in the examiner's investigation of titles. When, in the opinion of the examiner, the state has any interest in, or lien upon, the land, the examiner shall state the nature and character thereof in the examiner's report, and in such cases, the state shall be joined as a party, and named in the summons as a party thereto, in order that its interest, estate or lien may be defined and preserved. The court administrator shall give notice to the applicant of the filing of such report. If the report of the examiner is adverse to the applicant, the applicant shall have a reasonable time in which to proceed further, or to withdraw the application. This election shall be made in writing and filed with the court administrator. Examiners shall, upon the request of the registrar, advise the registrar upon any act or duty pertaining to the conduct of the office, or prepare the form of any memorial to be made or entered by the registrar.

In all cases where under the provisions of this chapter application is made to the court for any order or decree, the court may refer the matter to the examiner of titles for hearing and report in like manner as herein provided for the reference of the initial application for registration.

508.14 SURVEY IN CERTAIN COUNTIES.

In any county of this state having more than 200,000 inhabitants, the county surveyor thereof shall, at the request of the examiner of titles for such county, make a survey of the plat described in any application for registration under this chapter, and file with the court administrator of the district court of such county a plat of such land, duly certified, showing the dimensions of the land, the location of all structures, fences, and other improvements thereon and such other facts as may be required by the examiner. The surveyor shall also at the request of the registrar of titles of such county, make a survey of any registered land designated by the registrar and file with such registrar a plat of such land, duly certified showing its dimensions and such other facts as the registrar may require. Such plat shall be numbered and entered as a memorial on the original owner's duplicate certificate of such land and transferred with each subsequent certificate affecting such land. In any county in which the county surveyor receives fees in lieu of a salary, the county surveyor shall be paid such compensation for services as the county board may determine; in all other counties, the county surveyor shall receive no other compensation than the salary paid for other county work.

508.15 ORDER FOR SUMMONS; PARTIES DEFENDANT.

If, in the opinion of the examiner, the applicant has a title to the land proper for registration, or if the applicant, after an adverse opinion of the examiner, elects to proceed further, the applicant shall file with the court administrator a verified petition

praying that a summons may be issued in the proceeding. The court shall thereupon examine all the files and records of the proceeding and, by its order, direct that a summons be issued therein. This order shall contain the name and address, so far as known, of every person who is to be joined as a party to the proceeding, including all persons named in the application, or found by the report of the examiner to be in possession of the land, or as having any right, title, interest, or estate therein, or any lien or encumbrance upon or against the same, together with the name and address of all other persons or parties whom the court, in its order, may direct to be joined therein. The parties thus named in the order of the court shall be, and shall be known as, defendants.

When the description in the application includes land which, according to the plat of the United States Government Survey, forms part or all of the bed of a meandered stream or lake, the state of Minnesota shall be made a party defendant. In all cases where decree of registration has been heretofore entered for any such land without the state having been joined and served with summons, it shall be deemed that title had heretofore passed to the applicant by reliction or accretion.

It shall be served in the manner as provided by law for the service of a summons in civil actions in the district court, except as herein otherwise provided. It shall be served upon the state by delivering a copy thereof to the attorney general, a deputy attorney general or an assistant attorney general who shall transmit the same to the county attorney of the county in which the land described therein is situated, and thereupon such county attorney shall appear in such proceeding, and represent the state therein. It shall be served upon a domestic corporation governed by chapter 302A whose charter has terminated by dissolution, expiration, or otherwise, by delivering a copy of it to a person, known to the applicant, who held office in the corporation at the time of dissolution and can be found in the state or, if no officer known to the applicant can be found in the state, by publishing the summons in a newspaper printed and published in the county where the application is filed, once each week for three consecutive weeks. It shall be served upon all persons not personally served who are not residents of the state or who cannot be found therein, and upon domestic corporations not governed by chapter 302A whose charter has terminated by dissolution, expiration, or otherwise more than three years prior to the commencement of the action, and upon unknown successors in interests of such corporations, and upon "all other persons or parties unknown claiming any right, title, estate, lien, or interest in the real estate described in the application herein" by publishing the same in a newspaper printed and published in the county wherein the application is filed, once each week for three consecutive weeks; provided, if the order for summons or a supplemental order of the court, filed before, during or after the publication of the summons, shall so direct, the summons may be personally served without the state upon any one or more of the defendants who are nonresidents of the state or who cannot be found therein, in like manner and with like effect as such service in a summons in a civil action in the district court; and provided further, that any nonresident defendant, natural or corporate, who can be found in the state of Minnesota and can be personally served therein, may be served personally. Subdivision 1. Every decree of registration shall bear the date, hour, and minute of its entry and be signed by one of the judges of the district court. It shall state the age of the owner of the land, and whether married, or unmarried, and, if married, the name of the spouse; if the owner of the land is under disability, it shall state the nature thereof. It shall contain an accurate description of the land as finally determined by the court, and set forth the estate of the owner and also, in such manner as to show their relative priority, all particular estates, mortgages, easements, liens, attachments, and other encumbrances, including spousal rights, if any, to which the land or the owner's estate is subject, and any other facts properly to be determined by the court. Immediately upon the filing of the decree of registration, the court administrator shall file a certified copy thereof with the registrar.

Subd. 1a. **Judicial determination of boundaries.** If one or more boundary lines are judicially determined, the land description in the decree of registration shall make reference to that fact and to the location of the judicial landmarks that mark the boundary lines. When any of the boundary lines are registered, the court administrator also shall file with the registrar a certified copy of the plat of the survey which contains a certification by a registered land surveyor that the boundaries registered have been marked by judicial landmarks set pursuant to the order of the court. The registrar of titles shall enter the certified copy of the plat of the survey as a memorial upon the certificate of title issued for the land registered by the decree. If any of the adjoining lands are registered, the decree of registration shall direct the registrar of titles to show by memorial upon the certificates of title for the adjoining lands which of the boundary lines of these lands have been determined in the district court case.

Subd. 2. When a decree of registration is entered for an appurtenant easement only, it shall include the description and certificate of title number of the fee simple estate to which it is appurtenant. All dealings with the land, or any estate or interest therein, and all liens, encumbrances, and charges upon the same, after the land has been registered, and while it remains registered, shall be expressly subject to the terms and provisions of this chapter.

Subd. 2. **Petition; nonmetropolitan counties.** The registered owner of land in counties not containing a city of the first class may apply by verified petition to the district court of the county wherein the land is situated for its withdrawal from registration. The notice shall be served in the manner provided by law

for the service of a summons in a civil action in the district court unless otherwise specified by the court. At the hearing any person interested in any manner in the land or who may be affected by its withdrawal from registration, may appear and be heard in favor of or in opposition to the application. After hearing the court may order that the land be withdrawn from registration, subject to encumbrances, liens, and other incidents of title then existing, and if so ordered shall require that a certified copy of the order, a certified copy of the original decree of registration, and certified copies of all undischarged instruments memorialized on the certificate of title, be recorded in the office of the county recorder at the expense of the petitioner. In its order the court shall reconcile any differences in description of the land as originally registered and as described in the last certificate of title. Upon the recording of the instruments and upon filing a certified copy of the order in the office of the registrar of titles, and surrender to the registrar of the duplicates of the last certificate of title, the land shall be withdrawn from registration and become unregistered property.

508.45 COURT MAY ORDER DUPLICATE CERTIFICATE PRODUCED.

If the registrar of titles is requested to enter a new certificate in pursuance of an instrument which purports to be executed by the registered owner, or by reason of any

instrument or proceeding which divests the title of the registered owner against the registered owner's consent, and the outstanding owner's duplicate certificate is not presented for cancellation when such request is made, the registrar of titles shall not enter a new certificate, until authorized so to do by order of the district court. The person who claims to be entitled thereto may make application therefor to the district court, and after due notice and hearing, the court may order the registered owner, or any person withholding the duplicate certificate, to surrender it, and direct the entry of a new certificate upon such surrender. If the person withholding the duplicate certificate is not amenable to the process of the court, or if for any reason the outstanding owner's duplicate certificate cannot be delivered up, the court may by decree annul it, and order a new certificate of title to be entered.

508.47 REGISTERED LANDS; TRANSFER, SURVEYS.

Subdivision 1. Conveyances. An owner of registered land may convey, mortgage, lease, charge, or otherwise deal with the same as fully as if it had not been registered. An owner of registered land may use any form of deed, mortgage, lease, or other voluntary instrument sufficient in law for the purpose intended. No voluntary instrument of conveyance purporting to convey or affect registered land, except a will, and a lease for a term not exceeding three years, shall take effect as a conveyance, or bind or affect the land, but shall operate only as a contract between the parties, and as authority to the registrar to make registration. The act of registration shall be the operative act to convey or affect the land.

Subd. 2. Registered land survey. The registrar of titles may require that the owner of a parcel of unplatted registered land, who conveys any part thereof which is not a full government subdivision, or simple fractional or quantity part of a full government subdivision, shall first file with the registrar of titles a drawing in triplicate of said parcel of unplatted land, showing the tract or tracts being or to be conveyed, which drawing shall be known as a "registered land survey."

Subd. 3. Definitions. (a) A full government subdivision is defined as a government lot, a quarter-quarter section, a quarter-quarter-quarter section ad infinitum;

(b) A simple fractional part of a full government subdivision is defined as: one-half; two-thirds; one-fourth, and similar fractions;

(c) A simple quantity part of a full government subdivision is defined as: 20 acres; 200 feet, ten chains, and similar quantities.

Subd. 4. Survey; requisites; filing; copies. The registered land survey shall correctly show the legal description of the parcel of unplatted land represented by said registered land survey and the outside measurements of the parcel of unplatted land and of all tracts delineated therein, the direction of all lines of said tracts to be shown by angles or bearings or other relationship to the outside lines of said registered land survey, and the surveyor shall place monuments in the ground at appropriate corners, and all tracts shall be lettered consecutively beginning with the letter "A." A registered land survey which delineates multilevel tracts shall include a map showing the elevation view of the tracts with their upper and lower boundaries defined by elevations referenced to National Geodetic Vertical Datum, 1929 adjustment. None of said tracts or parts thereof may be dedicated to the public by said registered land survey. Except in counties having microfilming capabilities, a reproduction copy of the registered land survey shall be delivered to the county auditor. The registered land survey shall be on paper,

mounted on cloth, shall be a black on white drawing, the scale to be not smaller than one inch equals 200 feet, and shall be certified to be a correct representation of said parcel of unplatted land by a registered surveyor. The mounted drawing shall be exactly 17 inches by 14 inches and not less than 2-1/2 inches of the 14 inches shall be blank for binding purposes, and such survey shall be filed in triplicate with the registrar of titles. Before filing, however, any such survey shall be approved in the manner required for the approval of subdivision plats, which approval shall be endorsed thereon or attached thereto.

At the time of filing, a certificate from the treasurer that current taxes have been paid must be presented before the survey is accepted by the registrar for filing.

In counties having microfilming capabilities, the survey may be prepared on sheets of suitable mylar or on linen tracing cloth by photographic process or on material of equal quality. Notwithstanding any provisions of subdivision 5 to the contrary, no other copies of the survey need be filed.

The registrar shall duly certify and furnish to any person a copy of said registered land survey, which shall be admissible in evidence.

Subd. 5. Filing registered land survey. The registered land survey shall be filed in the office of the registrar of titles, who shall number each registered land survey, the numbers to run consecutively beginning with the number "1." One copy of each registered land survey shall be retained by the registrar of titles as a master copy, one copy filed in a registered land survey register in the registrar's office and made available to the public, and one copy delivered to the county auditor who may thereafter refer to it in connection with the tax descriptions when convenient. Thereafter the tracts in each registered land survey shall be known as Tract, registered land survey No., files of registrar of titles, county of, and all conveyances shall describe said property accordingly; but the registrar shall not accept for filing and registration any conveyance of unplatted registered land if the land is described in the conveyance according to a registered land survey which has not been approved as provided in subdivision 4 unless the approval of the body authorized to approve subdivision plats is endorsed thereon or attached thereto.

Subd. 6. Not to change tax classification. Nothing in this section shall operate to change the tax classification of the lands in the registered land survey or otherwise in any way affect the land. The purpose of this section is to simplify the description and designation of the registered land in connection with its transfer. Land conveyed by reference to a registered land survey shall be deemed to be conveyed by metes and bounds.

Subd. 7. Applies to transfers of parts of lots. The provisions of this section shall also be applied to the transfer of parts of lots, outlots and unlotted blocks, when the language necessary to describe the parts in other than by simple fractional or quantity parts thereof.

508.52 CONVEYANCE; CANCELLATION OF OLD AND ISSUANCE OF NEW CERTIFICATE.

An owner of registered land who desires to convey the land, or a portion thereof, in fee, shall execute a deed of conveyance, and file the deed, together with the owner's duplicate certificate, with the registrar. The registrar shall require an affidavit by the grantee, or some person in the grantee's behalf, which affidavit shall set forth the name, age, and residence of the grantee, and whether the grantee is or is not under legal disability, whether or not married, and, if married, the name of the spouse. The deed of conveyance shall be filed and endorsed with the number and place of registration of the owner's certificate. Before canceling the outstanding certificate of title the registrar shall show by memorial thereon the registration of the deed on the basis of which it is canceled. The encumbrances, claims, or interests adverse to the title of the registered owner shall be stated upon the new certificate, except so far as they may be simultaneously released or discharged. The owner's duplicate certificate and the original certificate of title shall be marked "Canceled" by the registrar, who shall enter in the register a new certificate of title to the grantee, and prepare and deliver to the grantee a new owner's duplicate certificate. If a deed in fee is for a portion of the land described in a certificate of title, the memorial of the deed entered by the registrar shall include the legal description contained in the deed and the registrar shall enter a new certificate of title to the grantee for the portion of the land conveyed and, except as otherwise provided in this

section, issue a residue certificate of title to the grantor for the portion of the land not conveyed. The registrar shall prepare and deliver to each of the parties a new owner's duplicate certificate for their respective certificates. In lieu of canceling the grantor's certificate of title and issuing a residue certificate and owner's duplicate certificate to the grantor for the portion of the land not conveyed, the registrar may if the grantor's deed does not divide a parcel of unplatted land, and in the absence of a request to the contrary by the registered owner, mark by the land description on both the owner's duplicate certificate of title and the original certificate of title "Part of land conveyed, see memorials". The fee for a residue certificate of title shall be paid to the registrar only when the grantor's certificate of title is canceled after the conveyance by the grantor of a portion of the land described in the grantor's certificate of title. When two or more successive conveyances of the same property are filed for registration on the same day the registrar may enter a certificate in favor of the grantee or grantees in the last of the successive conveyances, and the memorial of the previous deed or deeds entered on the prior certificate of title shall have the same force and effect as though the prior certificate of title had been entered in favor of the grantee or grantees in the earlier deed or deeds in the successive conveyances. The fees for the registration of the earlier deed or deeds shall be the same as the fees prescribed for the entry of memorials. The registrar of titles, with the consent of the transferee, may mark "See memorials for new owner(s)" by the names of the registered owners on both the original certificate of title and the owner's duplicate certificate of title and also add to the memorial of the transferring conveyance a statement that the memorial shall serve in lieu of a new certificate of title in favor of the grantee or grantees therein noted and may refrain from canceling the certificate of title until the time it is canceled by a subsequent transfer, and the memorial showing such transfer of title shall have the same effect as the entry of a new certificate of title for the land described in the certificate of title; the fee for the registration of a conveyance without cancellation of the certificate of title shall be the same as the fee prescribed for the entry of a memorial.

When, by the terms of any decree of registration, any tax or local assessment lien, or the title based upon the same, is either subordinated to the title adjudicated thereby or merged therein, all such liens and titles shall be described in detail in the decree, and from and after the entry thereof such titles and liens shall be considered as having in law been paid. A certified copy of the decree shall be filed with the county auditor and with the city treasurer in all counties where local assessments are paid to such official. The county auditor and city treasurer shall thereafter treat the liens and titles described in such decree as having in law been paid and make upon the books and records of their respective offices proper entries to that effect. If any deed, plat, or other instrument affecting such land is thereafter presented to the county auditor or to the city treasurer upon which it is the duty of such officers to make any official endorsements, they shall regard all the titles and liens described in such decree as having been legally paid and satisfied and make their official endorsement upon such deed, plat, or other instrument without reference or regard thereto.

The petition shall contain the full names and post office addresses of all owners of adjoining lands which are in any manner affected by the boundary determination. At the time of the filing of the petition with the court administrator, a copy of it, duly certified by the court administrator, shall be filed for record with the county recorder. If any of the adjoining lands are registered, the certified copy of the petition also shall be filed with the registrar of titles and entered as a memorial on the certificate of title for those lands.
