(1) Meeting procedure. All meetings of the members and of the board of directors shall be conducted in accordance with Robert's Rules of Order.

(2) Annual meeting of members. The annual meeting of the members of the association for the election of directors and for the transaction of other business of the association shall be held at its home office at a time and day to be specified in January in each year, or, if a legal holiday, then on the next succeeding day not a legal holiday. The annual meeting may be held at another time and day in January or at another place in the same community the board of directors determines, but at least ten days' written notice thereof shall be sent to the last known address of each member as it appears upon the membership records of the association, or ten days' notice of the other time, date, and place of meeting shall be given by publication in a newspaper of general circulation in the county in which the home office of the association is located. At each annual meeting, the officers shall make a report of the financial condition of the association and of its progress for the preceding year, and shall outline a program for the succeeding year.

(3) Special meetings of members. A special meeting of the members of the association may be called at any time by the chair of the board of directors, the president, or the board of directors, and shall be called by the president, a vice-president, or the secretary upon the written request of members of record holding, in the aggregate, at least one-tenth of the savings liability of the association. The written requests shall state the purposes of the meeting and shall be delivered at the principal office of the association addressed to the president.

(4) Notice of meetings of members. Except as hereinabove provided, no notice of annual meetings of members need be given to members. Notice of each special meeting of members shall state the purposes for which the meeting is called, the place of meeting, and the time when it shall convene, and shall be published once a week for two consecutive calendar weeks, in each instance on any day of the week, prior to the date on which the special meeting shall convene, in a newspaper of general circulation in the county in which the principal office of the association is located. In addition to the publication of the notice, a copy thereof shall be posted in a conspicuous public place in the principal office of the association during the 14 days immediately preceding the date on which the special meeting shall convene.

The nominations shall be in writing, signed by the members of the nominating committee, and shall be filed with the secretary of the association. Any member of the association, acting in that capacity, may nominate any qualified member of the association for the office of director to fill any vacancy in the board of directors or to succeed each director whose term is expiring at the annual meeting, provided the nomination is made in writing, signed by the member, and filed with the secretary of the association and with the commissioner at least 15 days before the meeting. The written nomination by a member acting in that capacity shall contain the following information to the extent known to the member: (1) The names and addresses of the nominees; (2) the major occupations of the nominees; (3) the total number of votes that to the knowledge of the member will be voted for the nominees; (4) the name and residence address of the member; and (5) the number of votes which may be cast by the members. (6) New business. Any new business to be taken up at the annual meeting, including any proposal to increase or decrease the number of directors of the association, shall be stated in writing and filed with the secretary of the association on or before the 20th day prior to the date of the annual meeting, and all business so stated, proposed, and filed shall be considered at the annual meeting, but no other proposals shall be acted upon at the annual meeting. Any member may make any other proposal at the annual meeting and the same may be discussed; but unless stated in writing and filed with the secretary at least 20 days before the meeting, the proposals shall be laid over for action at an adjourned, special, or regular meeting of the members taking place 30 days or more after the annual meeting. This provision shall not prevent consideration at the annual meeting of the reports of officers and reports of committees. All special meetings shall be held upon at least three days' written notice to each director unless notice be waived in writing by each director before or after the meeting. The notice shall state the place, time, and purposes of the meeting. No notice need be given of any meeting at which every director shall be present. A majority of the total number of directors authorized shall constitute a quorum for the transaction of business. The act of a majority of the directors present at any meeting at which there is a quorum shall be the act of the board of directors. If the board of directors of the association elects a chair of the board of directors, that person shall preside at all meetings of the board of directors, if present, and may exercise any and all powers and perform any and all duties which the board of directors, by resolution, confers.

Any director, after an opportunity for being heard, may be removed for cause by a two-thirds majority vote of the total number of directors authorized, at any regular meeting or at any special meeting called for that purpose. More than three consecutive absences from regular meetings of the board of directors, unless excused by resolution of the board of directors, shall automatically constitute a resignation, effective when the resignation is accepted by the board of directors.

(9) Compensation of directors. The board of directors, by resolution, may provide for reasonable compensation to be paid to directors for services as directors, which compensation shall not preclude any director from serving the association in any other capacity and receiving compensation therefor.

(10) Executive and other committees. The president with the approval of the board of directors may appoint an executive committee of not less than three members of the board which shall have all the powers of the board of directors between meetings of the board. Any one person may hold any two offices, except that during tenure as president, the president may not hold the office of secretary or treasurer. The term of office of all officers shall be one year or until their respective successors are elected and qualified; but any officer may be removed at any time by the board of directors for or without cause. The officers shall have the powers, duties, and authority generally appropriate to the office held, subject to special provision made by the board of directors at any time.

(12) Execution of instruments. All contracts, notes, drafts, acceptances, checks, endorsements, assignments, releases, deeds, all evidences of indebtedness of the association, and all documents, instruments, or writings of any nature shall be signed, executed, verified, acknowledged, and delivered by the officers, agents, or employees of the association, or any one of them in a manner as from time to time may be determined by resolution of the board of directors. Proxies to vote with respect to securities or accounts owned by the association may be executed and delivered from time to time by the president, a vice-president, the secretary or treasurer of the association, or by any other person authorized by resolution of the board of directors.

(13) Evidence of savings account. Officers or employees designated by the board of directors shall deliver to each person upon the initial credit to that person's savings account in the association an account book or other written evidence of the account where the issuance of the evidence may be required.

Subd. 2a. [Repealed, 1988 c 666 s 75]

Subd. 2b. **Regulation of capital stock associations.** The incorporation, formation, and corporate governance of capital stock associations are governed by chapter 300, except to the extent the provisions of this chapter conflict with the provisions of chapter 300, in which case the provisions of this chapter govern.

Subd. 3. **Notice and hearing.** Upon receipt of an application for a certificate of incorporation to form an association, including supporting data, the commissioner of commerce shall fix a time, within 60 days after the filing of the application, for a hearing at its office at the state capitol, at which hearing it shall decide whether or not the application shall be granted. A notice of hearing shall be published in the form prescribed by the commissioner of commerce in a newspaper of general circulation published in the municipality in which the proposed association is to be located, and if there be no such newspaper, then at the county seat of the county in which the association is pro-

posed to be located. The notice shall be published once, at the expense of the applicants, not less than 30 days prior to the date of the hearing. Any interested person may appear at the hearing in person or by agent or attorney, and orally or in writing show cause upon any relevant ground why the certificate should not be issued.

If upon the hearing it appears that the applicants are of good moral character and financial integrity, that there is a reasonable public demand for this association in the location specified by the application, that there is a reasonable probability of the proposed association's usefulness and success, that the association can be established without undue injury to the properly conducted, existing financial institution in the locality, and that the association will be properly and safely managed, the application may be granted; otherwise it shall be denied. Any hearing required by this section shall be conducted by the commissioner of commerce in accordance with the provisions of the administrative procedures act, sections 14.001 to 14.69, governing contested cases, including the provisions of the act relating to judicial review of agency decisions.

Subd. 4. Procedure; filing of articles. The procedure for processing the application, conducting the hearing, and other matters pertinent thereto, must be established by rules adopted by the commissioner. After approval, if approved, the commissioner shall issue a certificate of approval and the articles of incorporation must then be filed with the secretary of state, who shall record them and certify the fact thereon.

51A.04 ORGANIZATION OF MUTUAL ASSOCIATIONS.

Subdivision 1. Selection of chair of incorporators; savings liability required. The incorporators of a mutual association shall appoint one of their number as chair of the incorporators. The incorporators, before a certificate of incorporation is issued, shall pay in cash to the chair, as subscriptions to the savings accounts of the proposed association, including that part of the original subscription paid by the chair, an aggregate amount, not less than \$100,000; provided the commissioner may require a larger amount to be paid in.

Subd. 2. Chair of incorporators to procure surety bond. The chair of the incorporators shall procure from a surety company or other surety acceptable to the commissioner, a surety bond in form approved by the commissioner in an amount at least equal to the amount subscribed by the incorporators plus the expense fund. The bond shall name the commissioner as obligee and shall be delivered to the commissioner. It shall assure the safekeeping of the funds subscribed and their delivery to the association after the issuance of the certificate of incorporation and after the bonding of the officers. In the event of the failure to complete organization, the bond shall assure the return of the amounts collected to the respective subscribers or their assigns, less reasonable expense which shall be deducted from the expense fund.

Subd. 3. Expense fund for incorporation and organization. The incorporators, in addition to their subscriptions to savings accounts, shall create an expense fund in an amount not less than one-half of the minimum amount of savings account subscriptions required to be paid in under sections 51A.01 to 51A.57, from which expense fund the expense of organizing the association and its operating expenses may be paid until the time its net income is sufficient to pay the earnings declared and paid or credited to its savings account holders from sources available for payment of earnings. The incorporators and others, before a certificate of incorporation is issued, shall deposit to the credit of the chair of the incorporators and others shall not constitute a liability of the association except as hereinafter provided.

Subd. 4. Repayment of contributions made to expense fund. Contributions made by the incorporators and others to the expense fund may be repaid pro rata to the contributors from the net income of the association after provision for statutory reserves and

declaration of earnings of not less than two percent on savings accounts. In case of the liquidation of an association before contributions to the expense fund have been repaid, any contributions to the expense fund remaining unexpended, after the payment of expenses of liquidation, all creditors, and the withdrawal value of all savings accounts, shall be repaid to the contributors pro rata. The books of the association shall reflect the expense fund. Contributors to the expense fund shall at the times earnings regularly are distributed to savings account holders be paid earnings on the amounts paid in by them and for this purpose the contributions shall in all respects be considered as savings accounts of the association.

Subd. 5. Organization meeting. Within 30 days after the corporate existence of an association begins, the directors of the association shall hold an organization meeting and shall elect officers pursuant to the provisions of sections 51A.01 to 51A.57 and the bylaws. 51A.041 ORGANIZATION OF CAPITAL STOCK ASSOCIATIONS.

Subdivision 1. Selection of chair of incorporators; surety bond required; capital required. The incorporators of a capital stock association shall appoint one of their number as chair of the incorporators and the chair shall procure from a surety company or other surety acceptable to the commissioner, a surety bond in an amount at least equal to the amount of capital stock contributions, plus the additional amounts described in subdivision 2. The bond shall name the commissioner as obligee and shall be delivered to the commissioner. It shall assure the safekeeping of the funds described; their delivery to the association after the issuance of the certificate of incorporation and after the bonding of the officers; and, in the event of the failure to complete organization, the return of the amounts collected to the respective subscribers or their assigns, less reasonable expenses which shall be deducted from the paid-in surplus. Before a certificate of incorporation is issued, the capital of the association shall be paid in by subscribers to the chair in cash or authorized securities and shall be the sum of the par or initially stated value of all shares of voting capital stock. Each share of capital stock shall entitle the holder thereof to one vote. The minimum required capital shall be not less than \$500,000, provided the commissioner may require a larger amount to be paid in. No portion of the capital stock shall be withdrawn by any person or in any way, either in dividends or otherwise, except as provided by law. No dividend on capital stock shall be made except as provided in section 51A.21, subdivision 21.

Subd. 1a. Qualifications required of directors of stock associations. Except with the written consent of the commissioner, no person shall be eligible for election or shall serve as director or officer of an association who has been adjudicated a bankrupt or convicted of a criminal offense involving dishonesty or a breach of trust. A director shall automatically cease to be a director when adjudicated a bankrupt or convicted of a criminal offense as herein provided.

Subd. 2. Payments of minimum paid-in, surplus and expense fund. In addition to the required capital stock the incorporators shall pay an additional amount as the commissioner shall determine which shall constitute minimum paid-in surplus. This paid-in surplus shall in no event be less than 25 percent of the amount of required capital stock. Furthermore, there shall be established an expense fund in an amount determined by the commissioner to be adequate to meet the expense of organizing the association and its operating expenses until the time its net income is sufficient.

Subd. 3. Issuance of certificate of incorporation. After approval by the commissioner of commerce of the application for a certificate of incorporation, and prior to issuance of the certificate of incorporation by the commissioner, the incorporators of the proposed association shall file with the commissioner a statement in a form and with the supporting data and proof as it may require, verifying that the entire capital

and paid-in surplus has been unconditionally paid in, and that the funds representing the capital and paid-in surplus, less sums of the paid-in surplus expended for land, building, supplies, fixtures, equipment, and organization, are on hand.

Subd. 4. Issuance of capital stock. As of the date corporate existence begins, the association shall issue capital stock as necessary to satisfy the minimum capital requirements of this section and additional capital stock as may be approved for issuance by its board of directors up to the amount authorized in its certificate of incorporation, and thereafter shall issue no other shares except as authorized in Laws 1981, chapter 276. Any capital stock of an association, when issued, shall constitute permanent capital and shall not be retired or withdrawn except as hereinafter provided until all liabilities of the association have been satisfied in full, including the withdrawal value of all deposit accounts, and until outstanding capital certificates have been retired. An association may issue shares of common stock and preferred stock, with or without par value, and the common and preferred stock may be divided into classes and the classes into series. Capital stock of an association shall be issued pursuant to the following requirements:

(a) Except for stock issued pursuant to the incorporation of the association, an employee stock option plan, or other forms of stock-based compensation or a plan of merger, consolidation, conversion from a mutual to a capital stock association, or other type of reorganization which has been approved by the commissioner, the consideration for the issuance of capital stock shall be paid in cash. The par value or stated value of the stock shall be maintained as the permanent capital of the association, and any additional amount paid in shall be credited to paid-in surplus.

(b) The aggregate par value or stated value of all outstanding shares of capital stock shall be the permanent capital of the association, and except as otherwise specifically provided by Laws 1981, chapter 276, the capital stock shall not be retired until final liquidation of the association. No association shall reduce the par or stated value of its outstanding capital stock without first obtaining the written approval of the commissioner, and the approval shall be withheld if the reduction will cause the par or stated value of outstanding capital stock to be less than the minimum required by Laws 1981, chapter 276, or will result in less than adequate net worth as the commissioner may determine. No association shall retire any part of its capital stock unless the retirement is approved by the commissioner. With the written approval of the commissioner, an association may purchase its capital stock from the personal representative of a deceased stockholder; and with the written approval, an association may contract with a living stockholder for this purpose upon the stockholder's death. Any purchase shall be for the price, and upon the terms and conditions, agreed upon by the association and the stockholder or personal representative; provided, however, that the purchase shall not reduce the net worth accounts of the association, or any of them, to an amount less than required by applicable law or by any approved insurer of the association's savings accounts. An association agreeing with a stockholder to purchase that stockholder's capital stock upon the stockholder's death may purchase insurance upon the life of the stockholder to fund or partially fund the purchase. Any stock purchased from a decedent's personal representative may be resold by the association at the price, and upon the terms and conditions, as the board of directors of the association shall approve, or may be retired; provided, however, that prior to the resale, notice shall be filed with the commissioner disclosing the price, terms, and conditions of the proposed resale.

Subd. 5. Organization meeting. Within 30 days after the corporate existence of an association begins, the directors of the association shall hold an organization meeting and shall elect officers pursuant to the provisions of Laws 1981, chapter 276 and the bylaws. At the organization meeting the directors shall take other action as appropriate in connection with beginning the transaction of business by the association. The commissioner may extend by order the time within which the organization meeting shall be held.

51A.065 MUTUAL AND CAPITAL STOCK CONVERSIONS.

Subdivision 1. Types of conversions. Any mutual or capital stock association, or mutual or capital stock federal association, if substantial business benefit to the applicant will result, may apply to convert to one of the following other forms of organization: mutual association, capital stock association, mutual federal association, or capital stock federal association in accordance with the provisions of subdivisions 2 to 4 and one of the three plans of conversion set forth in subdivisions 5 to 7.

Subd. 2. Board of directors approval of plan. Any applicant seeking to convert its corporate form pursuant to this section shall first obtain approval of a plan of conversion by resolution adopted by not less than a two-thirds majority vote of the total number of directors authorized.

Subd. 3. Supervisory approval of plan. Upon approval of the plan of conversion by the board of directors, the plan and the resolution approving it shall be submitted to the commissioner. The commissioner may approve or disapprove the plan of conversion in its discretion, but shall not approve the plan unless a finding is made, after appropriate examination, that: substantial business benefit to the applicant will result; the plan of conversion is fair and equitable; the interests of the applicant, its members or stockholders, its savings account holders and the public are adequately protected; and the converting applicant has complied with the requirements of this section. If the commissioner approves the plan of conversion, the approval, which shall be in writing and sent to the home office of the converting applicant, may prescribe terms and conditions to be fulfilled either before or after the conversion to cause the applicant to conform with the requirements of Laws 1981, chapter 276. If the commissioner disapproves the plan of conversion, the objections shall be stated in writing and sent to the home office of the converting applicant, and the applicant afforded an opportunity to amend and resubmit the plan within a reasonable time as prescribed by the authority. In the event that the commissioner disapproves the plan after resubmission, written notice of the final disapproval shall be sent by certified mail to the applicant's home office.

Subd. 4. Submission to members or stockholders. If the commissioner approves a plan of conversion in accordance with subdivision 3, the plan must be submitted for adoption to the members or stockholders of the converting applicant by vote at a meeting called to consider the action. Except in the case of a conversion of an association to a federal association of like corporate form, or vice versa pursuant to subdivision 7 and in addition to any notice of annual or special meeting required by Laws 1981, chapter 276, and at least three weeks prior to the meeting, a copy of the plan, together with an accurate summary plan description explaining the operation of the plan and the rights, duties, obligations, liabilities, conditions, and requirements which may be imposed upon the members or stockholders and the converted applicant as a result of the adoption of the plan, must be mailed to each member or stockholder eligible to vote at the meeting. The plan of conversion may be approved by not less than a majority of the total number of votes eligible to be cast at the meeting. If the plan is approved, action must be taken to obtain a charter, articles of incorporation, articles of association or similar instrument, adopt bylaws, elect directors and officers and take other action prescribed or appropriate for the type of corporation into which the converting applicant will be converted. A certified report of the proceedings at the meeting must be filed promptly with the commissioner.

Subd. 5. Plan of conversion; mutual to capital stock. In any plan of conversion from mutual form of organization to capital stock form, the following requirements are mandatory:

(a) Each savings account holder shall receive without payment a withdrawable account of the same general class in the converted institution equal in amount and equal in time tenure to that person's withdrawable account in the converting institution.

(b) All voting capital stock issued by an association to accomplish the conversion shall be subscribed and fully paid for and shall not be eligible either directly or indirectly as security for a loan or other credit advance to facilitate its own purchase and each account holder shall receive without payment nontransferable rights for a period of at least 20 days to purchase a proportionate share of voting capital stock at a price equal to the initial stated value thereof. Thereafter, any stock remaining unsubscribed may be offered for sale to others, provided the offering shall be sold in a public offering through an underwriter or if directly by the converting association in a direct community marketing program as provided for in the plan for conversion approved by the

commissioner or other responsible authority, except that no officer, director, employee, or spouse thereof shall be entitled to purchase any stock if the purchase would result in ownership of more than one percent of the total offering of capital stock, nor shall these persons in the aggregate be entitled to purchase any stock if the purchase would result in ownership of more than 15 percent thereof. Any stock purchased by an officer, director, or employee of the converting institution, or any of their spouses, in connection with a conversion hereunder shall not, for a period of two years following the date of issuance of the certificate of conversion, be subject to inter vivos sale, pledge, assignment, hypothecation, transfer, any agreement to sell or otherwise alienate in the future, or any other form of alienation.

(c) The record date for determining savings account holders' rights to distribution under paragraph (b) shall be set by the converting institution's board of directors, but the date shall be not less than 90 days prior to the date of approval of the conversion plan by the directors.

(d) The proportionate share of voting capital stock subscription rights of each savings account holder of record shall be a fraction, the numerator of which is the total savings account balance of the account holder and the denominator of which is the total savings liability of the converting institution as of the record date determined in accordance with paragraph (c). Fractional shares need not be issued but subscription rights representing less than the initial stated value per share shall be issued and may be combined to authorize the subscription of one or more shares of stock.

(e) The plan shall demonstrate with particularity the substantial business benefit to the applicant that will result from the conversion.

(f) The plan shall provide that the conversion will not result in any insurance of accounts being canceled by the insuring agency, and will not result in a taxable reorganization under federal law.

(g) The plan shall provide for the election of directors on a staggered term basis.

(h) The plan shall contain other provisions, requirements or information and be in a form acceptable to the commissioner or other appropriate supervisory authority to enable a determination that substantial business benefit to the applicant will result from the conversion; that the plan is fair and equitable; that the interests of the applicant, its members or shareholders, its savings account holders and the public are adequately protected; and that the converting applicant has complied with the requirements of this section.

Subd. 6. Plan of conversion; capital stock to mutual. In any plan of conversion from capital stock form of organization to mutual form, the following requirements are mandatory:

(a) Each savings account holder shall receive without payment a withdrawable account of the same general class in the converted institution equal in amount and equal in time tenure to that person's withdrawable account in the converting capital stock institution.

(b) The plan shall specify how and in what amount the return of capital to each class of stockholder in the form of an exchange of stock for savings accounts shall be effectuated.

(c) The plan shall provide for allocation of voting rights to the holders of savings accounts and the manner of exercise thereof.

(d) The requirements of subdivision 5, clauses (e), (f), (g) and (h).

Subd. 7. Plan of conversion; mutual to mutual or stock to stock. In any conversion of a state association to a federally chartered association of like corporate form, or vice versa, the following requirements are mandatory:

(a) Each savings account holder shall receive a withdrawable account of the same general class in the converted institution equal in amount and equal in time tenure to that person's withdrawable account in the converted institution.

(b) Each savings account holder with voting rights or capital stockholder with vot-

ing rights, as the case may be, shall, to the extent permitted by law applicable to the converted institution, receive substantially identical voting rights in the converted institution.

(c) The requirements of subdivision 5, clauses (e), (f), (g) and (h).

Subd. 8. Certificate of conversion. If the commissioner finds that a conversion proceeding has been completed in accordance with the requirements of this section, the commissioner shall issue to the applicant a certificate of conversion, attaching as a part of the certificate a copy of the charter, articles of incorporation, articles of association or similar instrument. The conversion shall not become effective until the issuance of the certificate as provided in this section.

Subd. 9. Succession. Upon the issuance to any applicant of a certificate of conversion as provided in subdivision 8, the corporate existence of the converting applicant shall not terminate, but the applicant shall be a continuation of the entity so converted and all property of the converted applicant, including its rights, titles, and interests in and to all property of whatever kind, whether real, personal, or mixed, things in action, and every right, privilege, interest, and asset of any conceivable value or benefit then existing, or pertaining to it, or which would inure to it, immediately, by operation of law and without any conveyance or transfer and without any further act or deed, shall vest in and remain the property of the converted applicant, and the same shall have, hold, and enjoy the same in its own right as fully and to the same extent as the same was possessed, held, and enjoyed by the converting applicant, and the converted applicant, upon issuance of the certificate of conversion, shall continue to have and succeed to all the rights, obligations and relations of the converting applicant. All pending actions and other judicial proceedings to which the converting applicant is a party shall not be abated or discontinued by reason of the conversion, but may be prosecuted to final judgment, order, or decree in the same manner as if the conversion had not been made, and the converted applicant may continue the actions in its new corporate name. Any judgment, order, or decree may be rendered for or against it which might have been rendered for or against the converting applicant theretofore involved in the proceedings.

Subd. 10. Appeal. Any association aggrieved by any action or inaction of the commissioner under this section may appeal therefrom and the proceedings shall be conducted pursuant to the provisions of the administrative procedure act relating to judicial review of agency decisions, sections 14.63 to 14.69, and the scope of judicial review in the proceedings shall be as provided therein.

Subd. 11. Federal association. Nothing in this section applies to the conversion of a federal association to another form of federally chartered institution.

51A.07 POWER TO REORGANIZE, MERGE OR CONSOLIDATE.

Pursuant to a plan adopted by the board of directors and approved by the commissioner as equitable to the members or stockholders of the association and as not impairing the usefulness and success of other properly conducted associations in the community, an association shall have power to reorganize or to merge or consolidate with another association or federal association within its primary lending area; provided, that the plan of the reorganization, merger, or consolidation shall be approved at an annual meeting or at any special meeting of the members or stockholders called to consider the action by a vote of more than 50 percent of the total number of votes of the members cast in person or by proxy. In all cases the corporate continuity of the resulting corporation shall possess the same incidents as that of an association which has converted in accordance with sections 51A.01 to 51A.57. Any association aggrieved by any action or nonaction of the commissioner under this section may appeal therefrom and the proceedings shall be conducted pursuant to the provisions of the administrative procedure act relating to judicial review of agency decisions, sections 14.63 to 14.69, and the scope of judicial review in the proceedings shall be as provided therein.

History: 1969 c 490 s 7; 1981 c 276 s 10; 1982 c 424 s 130; 1987 c 384 art 2 s 1; 1988 c 666 s 15

51A.08 DISSOLUTION.

Subdivision 1. Notice and vote. Any association, by a vote of three-fourths of its members or stockholders eligible to vote at any regular meeting of its members or stockholders or at any special meeting called for that purpose, of which regular or special meeting at least ten days' written notice, specifying the matter to be considered under this section, shall have been mailed to each member or stockholder at that person's last recorded address, may, with the approval of the commissioner, voluntarily go into liquidation.

Subd. 2. Certificate of dissolution. Upon the vote, five copies of a certificate of dissolution, which shall state the vote cast in favor of dissolution, shall be signed by two officers and acknowledged before an officer competent to take acknowledgments of deeds. Five copies of the certificate shall be filed with the commissioner, who shall examine the association, and if the commissioner finds that it is not in an impaired condition, shall so note, together with approval of the dissolution, upon all the copies of the certificate of dissolution. The commissioner shall place a copy in the permanent files of the commissioner's office, file a copy with the secretary of state, and return the remaining copies to the parties filing the same. Notice of commissioner's approval shall be mailed to each member or stockholder and shall be published at least once in a qualified legal newspaper published at the principal place of business of the association.

Subd. 3. Association continues as corporate entity for sole purpose of winding up affairs. Upon approval, the association shall be dissolved and shall cease to carry on business but nevertheless shall continue as a corporate entity for the sole purpose of paying, satisfying, and discharging existing liabilities and obligations, collecting and distributing assets, and doing all other acts required to adjust, wind up, and dissolve its business and affairs.

Subd. 4. Directors to act as liquidating trustees. The board of directors shall act as trustees for liquidation as provided in this section. They shall proceed as quickly as may be practicable to wind up the affairs of the association and, to the extent necessary or expedient to that end, shall exercise all the powers of the dissolved association and, without prejudice to the generality of the authority, may fill vacancies, elect officers, carry out the contracts, make new contracts, borrow money, mortgage or pledge the property, sell its assets at public or private sale, or compromise claims in favor of or against the association, apply assets to the discharge of liabilities, distribute assets in cash or in kind among savings account members of a mutual association or stockholders of a capital stock association according to their respective pro rata interests after paying or adequately providing for the payment of other liabilities, and perform all acts necessary or expedient to the winding up of the association. All deeds or other instruments shall be in the name of the association and executed by the president or a vice-president and the secretary or an assistant secretary. The board of directors shall also have power to exchange or otherwise dispose of or to put in trust all, or substantially all, or any part of the assets, upon terms and conditions and for considerations, which may be money, stock, bonds, shares, or accounts of any insured association, or of any federal association, or other instruments for the payment of money, or other property, or other considerations, the board of directors deems reasonable or expedient, and may distribute considerations or the proceeds thereof, or trust receipts, or certificates of beneficial interest among the savings account members or stockholders in proportion to their pro rata interests therein. In the absence of fraud, any determination of value made by the board of directors for these purposes shall be conclusive.

Subd. 5. Association subject to commissioner during liquidation. The association, during the liquidation of the assets of the association by the board of directors, shall continue to be subject to the supervision of the commissioner, and the board of directors shall report the progress of the liquidation to the commissioner from time to time as the commissioner may require. Upon completion of liquidation, the board of directors shall file with the commissioner a final report and accounting of the liquidation. The approval of the report by the commissioner shall operate as a complete and final discharge of the board of directors and each member or stockholder thereof in connection with the liquidation of the association. No dissolution or any action of the board of directors in connection therewith shall impair any contract right between the association and any borrower or other person or persons or the vested rights of any member or stockholder of the association.

Subd. 2. Members entitled to vote. The members who shall be entitled to vote at any meeting of the members shall be those who are members of record at the end of the calendar month next preceding the date of the meeting of members, except those who have ceased to be members. The number of votes which members shall be entitled to cast shall be in accordance with the books on the date determinative of entitlement to vote.

Subd. 3. Voting rights. In the determination of all questions requiring action by the members, each member shall be entitled to cast one vote, plus an additional vote for each \$100 or fraction thereof of the withdrawal value of savings accounts, if any, held by the member. No member, however, shall cast more than 150 votes.

Subd. 4. Voting by proxy. At any meeting of the members, voting may be in person or by proxy, provided that no proxy shall be eligible to be voted at any meeting unless the proxy shall have been filed with the secretary of the association, for verification, at least five days prior to the date of the meeting. The requesting member, members, stockholder, or stockholders shall then submit the communication, together with a sworn statement that the proposed communication is not for any reason other than the business welfare of the association, to the commissioner who, if the commissioner finds it to be appropriate, truthful, and in the best interests of the association and its members or stockholders, shall execute a certificate setting out the findings, forward the certificate together with the communication to the association, and direct that the communication be prepared and mailed by the association to the members or stockholders upon the requesting member's, members', stockholder's, or stockholders' payment to it of the expenses of the preparation and mailing. If the commissioner finds the proposed communication to be inappropriate, untruthful, or contrary to the best interests of the association and its members or stockholders, the commissioner shall have the discretion to make any disposition of the request to communicate which the commissioner deems proper and shall execute a certificate setting out the finding and deliver it to the requesting member or stockholder together with an order making disposition of the request.

Subdivision 1. Mutual associations under direction of board of directors. The business of the association shall be directed by a board of directors of not less than five nor more than 15 as determined by, and elected by ballot from among, the members by a plurality of the votes of the members present. If authorized by vote of the members the directors may elect all directors. At all times at least two-thirds of the directors shall be bona fide residents of this state.

Subd. 2. Qualifications required of directors of mutual associations. Except with the written consent of the commissioner, no member shall be eligible for election or shall

serve as a director or officer of an association who has been adjudicated a bankrupt or convicted of a criminal offense involving dishonesty or a breach of trust. A director shall automatically cease to be a director on ceasing to be a member, on being adjudicated a bankrupt, or on being convicted of a criminal offense as herein provided, but no action of the board of directors shall be invalidated through the participation of the director in the action. However, if a director becomes ineligible under the terms of this subdivision by reason of the exercise by the association of the right of redemption of savings accounts provided for in section 51A.34, the director shall remain validly in office until the expiration of the term of office or until the director otherwise becomes ineligible, resigns, or is removed, whichever may occur first.

Subd. 2a. [Repealed by amendment, 1988 c 666 s 19]

Subd. 3. **Classification of directors of mutual associations.** At the first annual meeting, the members shall by majority vote divide the directors into three classes of as nearly equal numbers as possible. Subd. 4. **Number of directors of mutual associations changed only by members.** The authorized number of directors determined by the members within the limits hereinabove specified may subsequently be increased or decreased only by vote of the members.

Subd. 5. **How vacancy on board of directors of mutual associations caused by increase in number of directors is to be filled.** If the members fail to elect a director to fill each vacancy created by any increase, the directors may fill the vacancy by electing a director to serve until the next annual meeting of the members, at which time a director shall be elected to fill the vacancy for the unexpired term for the class of director in which the vacancy exists.

Subd. 6. **Classification of new directors of mutual associations elected to fill vacancies.** Whenever under the provisions hereof the number of directors is changed and vacancies caused by the change are filled, the directors so elected shall be classified in accordance with the provisions hereof, so that each of the three classes shall always contain numbers as nearly equal as possible.

Subd. 7. **When vacancy on board of directors of mutual associations may be filled by directors.** Any vacancy among directors, not so filled by the members, may be filled by a majority vote of the remaining directors, though less than a quorum, by electing a director to serve until the next annual meeting of the members, at which time a director shall be elected to fill the vacancy for the unexpired term for the class of director in which the vacancy exists. In event of a vacancy on the board of directors from any cause, the remaining directors shall have full power and authority to continue direction of the association until the vacancy is filled.

unlawful abstraction, misapplication, misplacement, destruction or misappropriation, or any other dishonest or criminal act or omission by any such director, officer, employee, or agent. Associations which employ collection agents, who for any reason are not covered by a bond as hereinabove required, shall provide for the bonding of each such agent in an amount equal to at least twice the average monthly collection of such agent. Such agents shall be required to make settlement with the association at least monthly. No bond coverage will be required of any agent which is a financial institution insured by the federal deposit insurance corporation or by the federal savings and loan insurance corporation. The amounts and form of such bonds and sufficiency of the surety thereon shall be approved by the board of directors and by the commissioner. In lieu of individual bonds, a blanket bond, protecting the association from loss through any such act or acts on the part of any such director, officer, or employee, may be obtained. Such bonds shall provide that a cancellation thereof either by the surety or by the insured shall not become effective unless and until ten days' notice in writing first shall have been given to the commissioner unless the commissioner shall have approved such cancellation earlier.

The following restrictions governing the conduct of directors and officers expressly are specified, but such specification is not to be construed in any manner as excusing such persons from the observance of any other aspect of the general fiduciary duty owed by them to the association which they serve.

Subd. 2. Dual status. No officer or director of an association shall hold office or status as a director or officer of another nonaffiliated financial institution the principal office of which is located in the association's primary lending area; except such directors or officers who are holding office at the time of the adoption of sections 51A.01 to 51A.57, and such directors or officers may continue to be reelected for two additional terms.

Subd. 3. Remuneration. Subd. 4. Loans. No director or officer shall have any interest, directly or indirectly, in the proceeds of a loan or investment or of a purchase or sale made by the association, unless such loan, investment, purchase, or sale is authorized expressly by resolution of the board of directors, and unless such resolution is approved by vote of at least two-

Subd. 7. Voting rights; office. No officer or director acting as proxy for a member or stockholder of an association shall exercise, transfer, or delegate the vote or votes in any consideration of a private benefit or advantage, direct or indirect, accruing to that person, nor surrender control or pass that person's office to any other for any consideration of a private benefit or advantage, direct or indirect. The voting rights of members, stockholders, and directors shall not be the subject of sale, barter, exchange, or similar transaction, either directly or indirectly. Any officer or director who violates the provisions of this section shall be held accountable to the association for any increment.

Subd. 8. Inducements. No director or officer shall solicit, accept, or agree to accept, directly or indirectly, from any person other than the association any gratuity, compensation, or other personal benefit for any action taken by the association or for endeavoring to procure any such action.

Subd. 4. Books to be closed at least annually. Every association shall close its books at the close of business on December 31 of each year, or more often if desired by the association.

Subd. 5. Charging off or setting up reserves against bad assets. The commissioner may order that assets, individually or in the aggregate, to the extent that such assets are overvalued on an association's books, be charged off, or that a special reserve or reserves equal to such overvaluation be set up by transfers from undivided profits or reserves.

Subd. 6. Bonds and other obligations to be carried at cost. The bonds or other interest bearing obligations purchased by an association shall not be carried on its books at more than the cost thereof.

Subd. 7. Real estate to be carried at amount invested in same. An association shall not carry any real estate on its books at a sum in excess of the total amount invested by such association on account of such real estate, including advances, costs, and improvements but excluding accrued but uncollected interest.

Subd. 8. Appraisal of real estate owned and that securing delinquent loans. Every association shall have appraised each parcel of real estate at the time of acquisition. The report of each appraisal shall be kept in the records of the association. In addition to the powers under section 51A.44, subdivision 6, the commissioner may require the appraisal of real estate securing loans which are delinquent more than four months.

Subd. 9. Maintenance of loan and investment records. Every association shall maintain complete loan and investment records, and shall do so in a manner satisfactory to the commissioner. Detailed records necessary to make determinations of compliance by an association with the requirements of sections 51A.35 to 51A.385, and other provisions of sections 51A.01 to 51A.57 shall be maintained consistently and at all times, the record of each real estate loan or other secured loan or investment containing documentation to the satisfaction of the commissioner of the type, adequacy, and complexion of the security.

Subd. 11. Maintenance of stockholder records; report to commissioner. Every capital stock association shall at all times keep an accurate verified list of all its stockholders with the amount of stock held by each, the type of stock, voting status, the dates of all issuances and transfers, and names of transferees, and shall annually file a copy of the list as it appears on the date of the annual stockholders meeting with the commissioner. A capital stock association has the power to employ the services of a transfer agent to maintain stockholder records and perform stock transfer services. Whenever a change occurs in the outstanding voting stock of any capital stock association which will result in control or in a change in the control of the association it shall promptly report the facts to the commissioner of commerce. As used in this subdivision the term "control" means the power to directly or indirectly direct or cause the direction of the management or policies of the association. A change in ownership of capital stock which would result in direct or indirect ownership by a stockholder or an affiliated group of stockholders of less than 25 percent of the outstanding capital stock shall not be considered a change of control. If there is any doubt as to whether a change in the outstanding voting stock is sufficient to result in control thereof or to effect a change in control thereof, the doubt shall be resolved in favor of reporting the facts to the commissioner.

Subd. 12. Commissioner may require forms and other records. Every association shall use the forms and keep the records, including without limitation, those of its members or stockholders, the commissioner from time to time requires.

Subd. 13. Reproduction and destruction of records. Any copy or reproduction shall be deemed to be an original record for all purposes and shall be treated as an original record in all courts or administrative agencies for the purpose of its admissibility in evidence. A facsimile, exemplification, or certified copy of any copy or reproduction reproduced from a film record shall, for all purposes, be deemed a facsimile, exemplification or certified copy of the original record.

Subdivision 1. Mutual associations. Every association shall set up and maintain the reserves required by, and may set up and maintain additional reserves permitted by, sections 51A.01 to 51A.57. On or before the closing date of each accounting period, after payment of or provision for all expenses, each association shall transfer to a separate reserve account, which shall be set up and maintained for the sole purpose of absorbing losses (termed in sections 51A.01 to 51A.57 "general reserve"), an amount equal to at least ten percent of its net income or, in the case of an association which at the close of the period has assets in excess of \$20 million or which has done business as a savings association in this state for more than 20 years, the greater of ten percent of its net income or an amount equal to the difference between four percent of its assets, excluding liquid assets, at the end of the period and the amount of its general reserve at the beginning of the period, until the general reserve is equal to at least ten percent of the savings liability. Upon advance written application of an association, the commissioner has sole discretionary authority to approve the transfer to the general reserve of a lesser amount for the period; provided, that the reduction shall not be greater than that of federal regulations. In the event that any credit to the general reserve is made following July 1, 1969, in excess of the minimum requirement, the dollar amount of any excess may be carried over as a credit toward the minimum requirement of any subsequent period. If and whenever the general reserve is not equal to at least ten percent of its savings liability, credits, as above provided, shall again be made to the general reserve until it shall again be equal to at least ten percent of its savings liability. The board of directors may make additional transfers to surplus or other reserve accounts. Interest receivable on all loans shall be accrued monthly and an evaluation account shall be maintained equivalent to all accrued and uncollected interest. On or before each closing date, after payment or provision for all expenses and appropriate transfers to reserves, the remainder of net income for the period shall be credited to the undivided profits account.

Subd. 2. Capital stock associations. At the end of each dividend period, after deducting all necessary expenses and losses, all of the remaining net profits for the period shall be set aside as a surplus fund provided the surplus fund of the association is not equal to at least 25 percent of outstanding capital stock. If the surplus fund is equal to or exceeds 25 percent of outstanding capital stock, ten percent of the remaining net profits for the period shall be set aside as a surplus fund until it equals 50 percent of the capital stock. The directors may then declare a dividend of so much of the remainder as they may deem expedient, subject to the commissioner's approval.

Subdivision 1. Mutual association. A mutual association may pay earnings on its

savings accounts from sources available for payment of earnings at such rate and at such times and for such time or notice periods as shall be determined by resolution of its board of directors. All deposit account holders shall participate equally in earnings pro rata to the withdrawal value of their respective accounts, except that an association may classify its deposit accounts according to the character, amount, or duration thereof, or regularity of additions thereto, and may agree in advance to pay an additional or different rate of earnings not to exceed one percent over and above the rate of earnings paid on all deposit accounts on accounts based on such classification, and shall regulate such earnings in such manner that each deposit account in the same classification shall receive the same ratable portion of such additional earnings, except for accounts which shall be classified according to a specified contractual time or notice period. Earnings shall be declared on the withdrawal value of each deposit account at the beginning of the accounting period, plus additions thereto made during the period (less amounts previously withdrawn and noticed for withdrawal, which for earnings purposes shall be deducted from the latest previous additions thereto) computed at the declared rate for the time the funds have been invested, determined as next provided. The date of investment shall be the date of actual receipt by the association of an account or an addition to an account, except that if the board of directors shall so determine, accounts in one or more classifications or additions thereto received by the association on or before a date not later than the 20th day of the month in which such payments were received; if the board shall make such determination, it also shall determine that payments received subsequent to such determination date shall either (1) receive earnings as if invested on the first day of the next succeeding month, or (2) receive earnings from the date of actual receipt by the association. Unless the commissioner shall issue approval in writing, no earnings shall be declared or paid for an accounting period unless the allocation to the general reserve for the preceding accounting period required by section 51A.20 or approved by the commissioner thereunder has been made. Notwithstanding the provisions of the second sentence of this section, the board of directors, by resolution, may determine that earnings shall not be paid on any deposit account which has a withdrawal value of a specified amount less than \$50 or which by written agreement is intended to be closed within a specified period less than 15 months from the date on which the account is opened, provided that an exception may be made and earnings paid on deposit accounts opened pursuant to section 51A.24. 51A.33 WITHDRAWAL.

Any savings account member or authorized representative may at any time present a written application for withdrawal of all or any part of the member's savings accounts. Every application shall request immediate withdrawal of a stated amount in accordance with this section. Any member may cancel an application at any time in whole or in part by a writing. Every association shall pay or number, date, and file in the order of actual receipt every withdrawal application. Withdrawals shall be made in the order of actual receipt of applications, except as provided in this section. Upon receipt of a withdrawal request signed by the person or persons authorized to withdraw by the savings account contract or by operation of law, an association shall pay the amount stated thereon in the form of cash or one or more checks or similar instruments payable to the order of any person or to the order of others as directed, or transfer credits to the account or accounts of others in the institution as directed, but not in excess of the withdrawal value of the savings account or accounts, together with any earnings which may have been declared and may have accrued thereon for the current period. If an association so elects, it may at any time pay in full each and every application as presented.

It shall not, however, pay some in full unless it pays every application on file in full, except by paying all applications on file on the rotation system prescribed in this section. The board of directors, however, shall have an absolute right to pay upon any application not exceeding \$200 to any one savings account member in any one month in any order. No association can obligate itself to pay withdrawals on any plan other than as provided in sections 51A.01 to 51A.57. Savings account holders who have filed written applications for withdrawal shall remain savings account members so long as their applications remain on file. No earnings shall be declared upon that portion of an account which has been noticed for withdrawal, which for earnings purposes is required to be deducted from the latest previous additions to such account, so long as application is on file. The rotation system for payment of withdrawals is as follows: On the first day of each month, each application which has been on file since the first day of the preceding month and which is reached in order shall be paid \$1,000 on account, or in full if the amount noticed for withdrawal or the unpaid balance of the application is less than \$1,000. Each application for more than \$1,000 so paid shall be deemed refiled as if filed on that day. Limited payment on the first day of each month and renumbering shall take place on the first day of each subsequent month as long as there are applications unpaid. At least one-third of the receipts of an association from its members during the preceding calendar month shall be applied on the first day of each month to the payment of applications which have been on file since the first day of the preceding month. Any association may apply to withdrawals an amount larger than one-third of the receipts, but cannot obligate itself to do so. When an application to withdraw is reached for payment as above provided, a written notice shall be sent to the applicant by mail at the last address recorded on the books, and unless the applicant shall apply in person or in writing for the withdrawal within 30 days from the date of the notice, no payment on account of the application shall be made and the application shall be canceled. In no event shall an association voluntarily or involuntarily delay or postpone the whole or partial payment of the value of any savings account pursuant to a written withdrawal application by a savings account member for a period exceeding 30 days following the receipt of the application without first securing written permission, in the case of an association the accounts of which are not insured by the federal savings and loan insurance corporation, from the commissioner, or in the case of an association the accounts of which are insured by the federal savings and loan insurance corporation, from the corporation. If the association is under control of a conservator appointment pursuant to section 51A.45, subdivision 2, withdrawal shall be governed by the lawful rules and orders of the conservator.

No association shall redeem any of its savings accounts when the association is in an impaired condition or when it has applications for withdrawal which have been on file more than 30 days and have not been reached for payment. The redemption price of savings accounts redeemed shall be full value of the account redeemed, as determined by the board of directors, but in no event shall the redemption price be less than the withdrawal value. If the aforesaid notice of redemption shall have been duly given, and if on or before the redemption date the funds necessary for such redemption shall have been set aside so as to be and continue to be available therefor, earnings upon the accounts called for redemption shall cease to accrue from and after the earnings date specified as the redemption date, and all rights with respect to such accounts shall forthwith, after such redemption date, terminate, except only any right of the account holder of record to receive the redemption price without interest.

Subd. 2. **Appraisal.** No investment in a real estate loan, the proceeds of which are used for the purchase of the real estate, shall be made until a qualified person or persons approved by the board of directors shall have made a physical inspection and submitted a signed appraisal of the value of the real estate securing such loan.

Subd. 3. **Payments.** Payments on real estate loans shall be applied first to other charges, and the payment of interest on the unpaid balance of the loan, in the manner determined by the association, and the remainder on the reduction of principal. All loans may be prepaid in part or in full, at any time. An association may charge a borrower a prepayment fee on any loan that is not a consumer loan. Unless otherwise agreed in writing, any prepayment of principal on any loan may, at the option of the association, be applied on the final installment of the note or other obligation until fully paid, and thereafter on the installments in the inverse order of their maturity, or, at the option of the association, the payments may be applied from time to time wholly or partially to offset payments which subsequently accrue under the loan contract.

Subd. 4. **Evidence of loan.** Every loan shall be evidenced by a note or instrument of obligation for the amount of the loan. The note or instrument shall specify the amount, rate of interest, or manner of calculating the rate of interest of a variable rate loan, and terms of repayment including any prepayment penalty or charge for late payment, mortgage assumption fee, and may contain all other terms of the loan contract.

Subd. 5. **Security instrument for loans secured by real estate.** Every loan secured by a mortgage on real property, including a real estate loan, shall be evidenced by a mortgage, deed of trust, or other transaction or instrument constituting a lien or claim upon the real estate securing the loan, according to any lawful and recognized practice which is suited to the transaction. Any such instrument or transaction shall provide specifically for the usual insurance risks, ground rents, taxes, assessments, other governmental levies, maintenance, and repairs. It may provide for an assignment of rents, and if such assignment is made, any such assignment shall be absolute upon the borrower's default, becoming operative upon written demand made by the association. All such mortgages shall be recorded in accordance with the law of this state.

Subd. 6. [Repealed, 1988 c 666 s 75]

Subd. 7. **Advances for taxes.** An association may pay taxes, assessments, ground rents, insurance premiums, and other similar charges for the protection of any loan secured by a mortgage on real property, including a real estate loan. All such payments shall be added to the unpaid balance of the loan and shall be equally secured by the lien on the property. An association may require life insurance to be assigned as additional collateral upon any real estate loan. In such event, the association shall obtain a lien upon such policy and may advance premiums thereon, and such premium advances shall be added to the unpaid balance of the loan and shall be equally secured by a lien on the property as provided above.

Subd. 8. **Provision for taxes, insurance.** An association may require a borrower on any loan secured by a mortgage on real property, including a real estate loan, to pay monthly in advance, in addition to interest or interest and principal payments, the equivalent of 1/12 of the estimated annual taxes, assessments, insurance premiums, ground rents, and other charges upon the real estate securing a loan, or any of such charges, so as to enable the association to pay such charges as they become due from the funds so received. The amount of such monthly charges may be increased or decreased so as to provide reasonably for the payment of the estimated annual taxes, assessment, insurance premiums, and other charges. The association at its option may hold such funds in trust and commingle them with other such funds and use the same for such purposes, or hold such funds in open account and commingle them with its own funds and advance like amounts for such purposes, or credit such funds as received

to the mortgage account and advance a like amount for the purposes stated. If such funds are held in trust or invested in savings accounts, the amounts may be pledged to further secure the indebtedness and, if held in open account or credited to the loan account, the amounts when advanced for the purposes stated may be secured by the mortgage with the same priority as the original amount advanced under the mortgage. The association shall have no obligation to pay interest, earnings, or other increment to the borrower upon such monthly payments, nor to invest the same for the benefit of the borrower, unless such funds have been placed in a savings account or accounts in the borrower's name. Every association shall keep a record of the status of taxes, assessments, insurance, ground rents, and other charges on all real estate securing its real estate loans and on all real and other property owned by it.

51A.385 TERMS AND CONDITIONS OF LOANS, CONTRACTS, AND EXTENSIONS OF CREDIT.

Subdivision 1. Application. Except as otherwise provided in this section, this section applies to loans made and contracts purchased by federal and state associations, and "association" as used in this section applies to federal and state associations.

Subd. 2. Finance charge for credit sales made by a third party. (a) A person may enter into a credit sale contract for sale to an association and an association may purchase and enforce a contract evidencing the sale, if the annual percentage rate provided for in the contract does not exceed that permitted in this section, or, in the case of contracts governed by sections 168.66 to 168.77, the rates permitted by those sections.

(b) Except as provided in subdivision 4, the annual percentage rate may not exceed the equivalent of the greater of either of the following:

(1) the total of:

(i) 36 percent per year on that part of the unpaid balances of the amount financed which is \$300 or less;

(ii) 21 percent per year on that part of the unpaid balances of the amount financed which exceeds \$300 but does not exceed \$1,000; and

(iii) 15 percent per year on that part of the unpaid balances of the amount financed which exceeds \$1,000; or

(2) 19 percent per year on the unpaid balances of the amount financed.

(c) This subdivision does not limit or restrict the manner of calculating or charging the finance charge whether by way of add-on, discount, discount points, single annual percentage rate, precomputed charges, variable rate, interest in advance, compounding or otherwise, if the annual percentage rate calculated under paragraph (d) does not exceed that permitted by this section. The finance charge may be contracted for and earned at the single annual percentage rate that would earn the same finance charge as the graduated rates when the debt is paid according to the agreed terms and the finance charge is calculated under paragraph (d). If the finance charge is calculated or collected in advance, or included in the principal amount of the contract, and the borrower pre-pays the contract in full, the association shall credit the borrower with a refund of the charge to the extent the charge would exceed the annual percentage rate on the contract as originally determined under paragraph (d) and taking into account the prepayment. For the purpose of calculating the refund, the association may assume that the contract was paid before the date of prepayment according to the schedule of payments under the contract and that all payments were paid on their due dates. For contracts repayable in substantially equal successive monthly installments, the association may calculate the refund as the portion of the finance charge allocable to all unexpired payment periods following the date of prepayment, based on the annual percentage rate on the contract as originally determined under paragraph (d), and for the purpose of calculating the refund may assume that all payments are made on the due date.

(d) The annual percentage rate must be calculated in accordance with Code of Federal Regulations, title 12, part 226, but using the definition of finance charge in section 51A.02, and computed on the basis of a 365-day year.

Subd. 3. **Finance charge for loans.** Except as provided in subdivision 4:

(a) With respect to a loan, including a loan pursuant to open-end credit but excluding open-end credit pursuant to a credit card, an association may contract for and receive a finance charge at an annual percentage rate not exceeding 19 percent per year. With respect to open-end credit pursuant to a credit card, an association may contract for and receive a finance charge at an annual percentage rate not exceeding 18 percent per year. With respect to a loan, the finance charge shall be considered not to exceed the maximum annual percentage rate permitted pursuant to this section if the finance charge contracted for and received does not exceed the equivalent of the maximum annual percentage rate computed on a 365-day year calculated in accordance with Code of Federal Regulations, title 12, part 226, but using the definition of finance charge in section 51A.02.

(b) This subdivision does not limit or restrict the manner of calculating the finance charge, whether by way of add-on, discount, single annual percentage rate, variable rate, interest in advance, compounding, average daily balance method, or otherwise, if the annual percentage rate does not exceed that permitted by this section. With respect to a loan secured by real estate, including a real estate loan, if a finance charge is calculated or collected in advance, or included in the principal amount of the loan, and the borrower prepays the loan in full, the association shall credit the borrower with a refund of the charge to the extent that the annual percentage rate on the loan would exceed the maximum rate permitted under paragraph (a), taking into account the prepayment. With respect to all other loans, if the finance charge is calculated or collected in advance, or included in the principal amount of the loan, and the borrower prepays the loan in full, the association shall credit the borrower with a refund of the charge to the extent the charge would exceed the annual percentage rate on the loan as originally determined under paragraph (a) and taking into account the prepayment. For the purpose of calculating the refund under this subdivision, the association may assume that the contract was paid before the date of prepayment according to the schedule of payments under the loan and that all payments were paid on their due dates. For loans repayable in substantially equal successive monthly installments, the association may calculate the refund under this subdivision as the portion of the finance charge allocable to all unexpired payment periods following the date of prepayment, based on the annual percentage rate on the loan as originally determined under paragraph (a), and for the purpose of calculating the refund may assume that all payments are made on the due date.

Subd. 4. **Additional authority.** Extensions of credit, and purchases of extensions of credit, authorized by sections 47.20, subdivision 1, 3, or 4a; 47.204; 47.21; 48.153; 48.185; 48.195; 59A.01 to 59A.15; 168.66 to 168.77; 334.01, subdivision 2; 334.011; and 334.012 may, but need not, be made pursuant to those sections in lieu of the authority set forth in subdivisions 1 to 3, and if so, are subject to the provisions of those sections, and not the provisions of this section, except this subdivision. An association may also charge an organization any rate of interest and any charges agreed to by the organization and may calculate and collect finance and other charges in any manner agreed to by that organization. Except for extensions of credit the association elects to make under section 334.01, subdivision 2; 334.011; or 334.012, the provisions of chapter 334 do not apply to extensions of credit made pursuant to this section or the sections mentioned in this subdivision.

Subd. 5. **Additional charges.** (a) In addition to the finance charges permitted by this section, an association, or a person described in subdivision 2, to the extent not otherwise prohibited by law, may contract for and receive the following additional charges which may be included in the amount financed:

- (1) official fees and taxes;
- (2) charges for insurance as described in paragraph (b);

(3) with respect to a loan or credit sale contract secured by real estate, including a real estate loan, the following "closing costs," if they are bona fide, reasonable in amount, and not for the purpose of circumvention or evasion of this section:

(i) fees or premiums for title examination, abstract of title, title insurance, surveys, or similar purposes;

(ii) fees for preparation of a deed, mortgage, settlement statement, or other documents, if not paid to the association;

(iii) escrows for future payments of taxes, including assessments for improvements, insurance, and water, sewer, and land rents;

(iv) fees for notarizing deeds and other documents; and

(v) appraisal and credit report fees;

(4) a delinquency charge on any payment, including the minimum payment due in connection with the open-end credit, not paid in full on or before the tenth day after its due date in an amount not to exceed five percent of the amount of the payment;

(5) for any returned check or returned automatic payment withdrawal request, an amount not in excess of the service charge limitation in section 332.50; and

(6) charges for other benefits, including insurance, conferred on the borrower that are of a type that is not for credit.

(b) An additional charge may be made for insurance written in connection with the loan or credit sale contract, which may be included in the amount financed:

(1) with respect to insurance against loss of or damage to property, or against liability arising out of the ownership or use of property, if the association furnishes a clear, conspicuous, and specific statement in writing to the borrower setting forth the cost of the insurance if obtained from or through the association and stating that the borrower may choose the person through whom the insurance is to be obtained;

(2) with respect to credit insurance providing life, accident, health, or unemployment coverage, if the insurance coverage is not required by the association, and this fact is clearly and conspicuously disclosed in writing to the borrower, and the borrower gives specific, dated, and separately signed affirmative written indication of the borrower's desire to do so after written disclosure to the borrower of the cost of the insurance; and

(3) with respect to vendor's single interest insurance, but only (i) to the extent that the insurer has no right of subrogation against the borrower, and (ii) to the extent that the insurance does not duplicate the coverage of other insurance under which loss is payable to the association as its interest may appear, against loss of or damage to property for which a separate charge is made to the borrower pursuant to paragraph (b), clause (1), and (iii) if a clear, conspicuous, and specific statement in writing is furnished by the association to the borrower setting forth the cost of the insurance if obtained from or through the association and stating that the borrower may choose the person through whom the insurance is to be obtained.

(c) In addition to the finance charges and other additional charges permitted by this section, an association may contract for and receive the following additional charges in connection with open-end credit, which may be included in the amount financed or balance upon which the finance charge is computed:

(1) annual charges, not to exceed \$50 per annum, payable in advance, for the privilege of opening and maintaining open-end credit;

(2) charges for the use of an automated teller machine;

(3) charges for any monthly or other periodic payment period in which the borrower has exceeded or, except for the association's dishonor would have exceeded, the maximum approved credit limit, in an amount not in excess of the service charge permitted in section 332.50;

(4) charges for obtaining a cash advance in an amount not to exceed the service charge permitted in section 332.50; and

(5) charges for check and draft copies and for the replacement of lost or stolen credit cards.

Subd. 6. Advances to perform covenants of borrower or purchaser. (a) If the agreement with respect to a loan or credit sale contract contains covenants by the borrower

or purchaser to perform certain duties pertaining to insuring or preserving collateral and the association pursuant to the agreement pays for performance of the duties on behalf of the borrower or purchaser, the association may add to the debt or contract balance the amounts so advanced. Before or within a reasonable time after advancing any sums, the association shall state to the borrower or purchaser in writing the amount of sums advanced or to be advanced, any charges with respect to this amount, and any revised payment schedule and, if the duties of the borrower or purchaser performed by the association pertain to insurance, a brief description of the insurance paid for or to be paid for by the association including the type and amount of coverages. Further information need not be given.

(b) A finance charge equal to that specified in the loan agreement or credit sale contract may be made for sums advanced under paragraph (a).

Subd. 7. Attorney's fees. With respect to a loan or credit sale, the agreement may provide for payment by the borrower of the attorney's fees and court costs incurred in connection with collection or foreclosure. This subdivision is not a limitation on attorney's fees that may be charged to an organization.

Subd. 8. Right to prepay. The borrower or purchaser may prepay in full the unpaid balance of a consumer loan or credit sale contract, at any time without penalty.

Subd. 9. Credit insurance. (a) The sale of credit insurance is subject to the provisions of chapter 62B and the rules adopted under that chapter, but the term of the insurance may exceed 60 months if the loan or credit sale contract exceeds 60 months and the insurance will nevertheless be subject to chapter 62B and the rules adopted under that chapter. In case there are multiple consumers obligated under a transaction subject to this chapter, no policy or certificate or insurance providing credit life insurance may be procured by or through an association or person described in subdivision 2 upon more than two of the consumers, in which case they may be insured jointly.

(b) An association which provides credit insurance in relation to open-end credit may calculate the charge to the borrower in each billing cycle by applying the current premium rate to the balance in the manner permitted with respect to finance charges by the provisions on finance charge in this section.

(c) Upon prepayment in full of a consumer loan or credit sale contract by the proceeds of credit insurance, the consumer or the consumer's estate is entitled to a refund of any portion of a separate charge for insurance which by reason of prepayment is retained by the association or returned to it by the insurer, unless the charge was computed from time to time on the basis of the balances of the consumer's loan or credit sale contract.

(d) This section does not require an association to grant a refund to the consumer if all refunds due to the consumer under paragraph (c) amount to less than \$1 and, except as provided in paragraph (c), does not require the association to account to the consumer for any portion of a separate charge for insurance because:

- (1) the insurance is terminated by performance of the insurer's obligation;
- (2) the association pays or accounts for premiums to the insurer in amounts and at times determined by the agreement between them; or
- (3) the association receives directly or indirectly under any policy of insurance a gain or advantage not prohibited by law.

(e) Except as provided in paragraph (d), the association shall promptly make or cause to be made an appropriate refund to the consumer with respect to any separate charge made to the consumer for insurance if:

- (1) the insurance is not provided or is provided for a shorter term than for which the charge to the borrower for insurance was computed; or
- (2) the insurance terminates before the end of the term for which it was written because of prepayment in full or otherwise.

(f) If an association requires insurance, upon notice to the borrower, the borrower has the option of providing the required insurance through an existing policy of insur-

ance owned or controlled by the borrower, or through a policy to be obtained and paid for by the borrower, but the association for reasonable cause may decline the insurance provided by the borrower.

Subd. 10. Property and liability insurance. (a) Except as otherwise provided in this section and subject to the provisions on additional charges and maximum finance charges in this section, an association may agree to sell, as an agent, property and liability insurance, and may contract for and receive a charge for such insurance separate from and in addition to other charges. An association need not make a separate charge for the insurance provided or required by it. This section does not authorize the issuance of the insurance prohibited under any statute or rule governing the business of insurance nor does it authorize an association to underwrite insurance.

(b) This section does not apply to an insurance premium loan. An association may request cancellation of a policy of property or liability insurance only after the borrower's default or in accordance with a written authorization by the borrower. In either case, the cancellation does not take effect until written notice is delivered to the borrower or mailed to the borrower at the borrower's address as stated by the borrower. The notice must state that the policy may be canceled on a date not less than ten days after the notice is delivered, or, if the notice is mailed, not less than 13 days after it is mailed. A cancellation may not take effect until those notice periods expire.

Subd. 11. Consumer protections. (a) Associations shall comply with the requirements of the Federal Truth in Lending Act, United States Code, title 15, sections 1601 to 1693, in connection with a consumer loan or credit sale for a consumer purpose where the federal Truth in Lending Act is applicable.

(b) Associations shall comply with the following consumer protection provisions in connection with a consumer loan or credit sale for a consumer purpose: sections 325G.02 to 325G.05; 325G.06 to 325G.11; 325G.15 to 325G.22; and 325G.29 to 325G.36, and the Code of Federal Regulations, title 12, part 535, where those statutes or regulations are applicable.

(c) An assignment of a consumer's earnings by the consumer to an association as payment or as security for payment of a debt arising out of a consumer loan or consumer credit sale is unenforceable by the association and revocable by the consumer.

Subd. 12. Loans and contracts other than consumer loans and contracts. Loans and credit sale contracts other than consumer loans and consumer credit sale contracts are not subject to the provisions and limitations of subdivisions 8, 9, 10, paragraph (b), and 11.

Subd. 13. Effect of violations on rights of parties. (a) If an association has violated any provision of this section applying to collection of finance or other charges, the borrower or purchaser under a credit sale contract has a cause of action to recover damages and also a right in an action other than a class action, to recover from the association violating this section a penalty in an amount determined by the court not less than \$100 nor more than \$1,000. With respect to violations arising from other than open-end credit transactions, no action may be brought pursuant to this paragraph and no set-off or recoupment may be asserted pursuant to this paragraph, more than one year after the making of the debt.

(b) A borrower or purchaser under a credit sale contract is not obligated to pay a charge in excess of that allowed by this section and has a right of refund of any excess charge paid. A refund may not be made by reducing the borrower's or purchaser's obligation by the amount of the excess charge, unless the association has notified the borrower or purchaser that the borrower or purchaser may request a refund and the borrower or purchaser has not so requested within 30 days thereafter. If the borrower or purchaser has paid an amount in excess of the lawful obligation under the agreement, the borrower or purchaser may recover the excess amount from the association who made the excess charge or from an assignee of the association's rights who undertakes direct collection of payments from or enforcement of rights against borrowers or purchasers arising from the debt.

(c) If an association has contracted for or received a charge in excess of that allowed by this section, or if a borrower or purchaser under a credit sale contract is entitled to a refund and a person liable to the borrower or purchaser refuses to make a refund within a reasonable time after demand, the borrower or purchaser may recover from the association or the person liable in an action other than a class action a penalty in an amount determined by the court not less than \$100 nor more than \$1,000. With respect to excess charges arising from other than open-end credit transactions, no action pursuant to this paragraph may be brought more than one year after the making of the debt. For purposes of this paragraph, a reasonable time is presumed to be 30 days.

(d) A violation of this section does not impair rights on a debt.

(e) An association is not liable for a penalty under paragraph (a) or (c) if it notifies the borrower or purchaser under a credit sale contract of a violation before the association receives from the borrower or purchaser written notice of the violation or the borrower or purchaser has brought an action under this section, and the association corrects the violation within 45 days after notifying the borrower or purchaser. If the violation consists of a prohibited agreement, giving the borrower or purchaser a corrected copy of the writing containing the violation is sufficient notification and correction. If the violation consists of an excess charge, correction must be made by an adjustment or refund.

(f) An association may not be held liable in an action brought under this section for a violation of this section if the association shows by a preponderance of evidence that the violation was not intentional and resulted from a bona fide error notwithstanding the maintenance of procedures reasonably adopted to avoid the error.

(g) In an action in which it is found that an association has violated this section, the court shall award to the borrower or the purchaser under a credit sale contract the costs of the action and to the borrower's or purchaser's attorneys their reasonable fees.

51A.44 REPORTS AND EXAMINATIONS.

Subdivision 1. **Annual report.** On or before the last day of April in each year, every association shall make an annual written report to the commissioner, upon a form to be prescribed and furnished by the commissioner, of its affairs and operations, which shall include a complete statement of its financial condition, including a statement of income and expense since its last previous similar report, for the 12 months ending on the 31st day of December of the previous year. Every such report shall be verified by the president and treasurer.

Subd. 2. **Other reports.** Every association also shall make such other reports as the commissioner may from time to time require, which shall be in such form and filed on such date as the commissioner may prescribe and shall, if required, be verified in the same manner as the annual report.

Subd. 3. [Repealed, 1984 c 576 s 27]

Subd. 4. **Commissioner may accept examinations made by certain federal agencies.** In lieu of such examination, the commissioner may accept any examination made by a federal home loan bank, the federal home loan bank board, or by the federal savings and loan insurance corporation. One copy of any examination, signed and certified by the agencies making such examination, shall be filed promptly with the commissioner.

Subd. 5. **Extra or additional examinations; reports.** Whenever, in the judgment of the commissioner, the condition of any association renders it necessary or expedient to make an extra examination of audit or to devote any extraordinary attention to its affairs, the commissioner shall cause the same to be done. A full and complete copy of the report of all examinations and audits shall be furnished to the association examined. Such report of examination or audit shall be presented by the president to the board of directors at its next regular or special meeting.

Subd. 6. **Commissioner authorized to have appraisals made at expense of association.** The commissioner is authorized in connection with any examination or audit of any association to cause to be made appraisal so real estate held by the association or securing the association's assets when specific facts or information with respect to real estate held, secured loans or lending, or when in the commissioner's opinion the associ-

ation's policies, practices, operating results and trends give evidence that an association's appraisals may be excessive, that lending or investment may be of a marginal nature, that appraisal policies and practices may not conform with generally accepted and established professional standards, or that real estate held by the association or assets secured by real estate are overvalued. In lieu of causing such appraisals to be made, the commissioner may accept any appraisal caused to be made by a federal home loan bank, the federal home loan bank board, or by the federal savings and loan insurance corporation or other insuring agency of an insured association. Unless otherwise ordered by the commissioner, appraisal of real estate in connection with any examination or audit pursuant to this section shall be made by a professional appraiser or appraisers selected by the commissioner, and the cost of such appraisal promptly shall be paid by such association directly to such appraiser or appraisers upon receipt by the association of a statement of such cost bearing the written approval of the commissioner. Such order shall specify the effective date thereof, which may be immediate or may be at a later date, and such order shall remain in effect until withdrawn by the commissioner or until terminated by a court order. Such order of the commissioner, upon application made on or after the effective date thereof by the commissioner to a court of general jurisdiction in the county in which the principal office of the association is located, shall be enforced *ex parte* and without notice by an order to comply entered by said court. Such proceedings shall be given precedence over other cases pending in such court, and shall in every way be expedited. Any association affected by such order of the commissioner shall, after receipt thereof, have the right to apply within 30 days to any such court for an immediate hearing and order suspending the order of the commissioner until such time as the hearing has been completed. The hearing of such application to the court shall be upon such notice to the commissioner as the court shall provide. Whether upon application by the commissioner or by the association, such court shall have power to and shall adjudicate the question and enter the proper order or orders and enforce the same.

Subd. 2. Conservator.
