611.02 PRESUMPTION OF INNOCENCE; CONVICTION OF LOWEST DEGREE, WHEN.

Every defendant in a criminal action is presumed innocent until the contrary is proved and, in case of a reasonable doubt, is entitled to acquittal; and when an offense has been proved against the defendant, and there exists a reasonable doubt as to which of two or more degrees the defendant is guilty, the defendant shall be convicted only of the lowest.

History: (9952) RL s 4784; 1986 c 444

611.025 PRESUMPTION OF RESPONSIBILITY.

Except as otherwise provided by law, in every criminal proceeding, a person is presumed to be responsible for the person's acts and bears the burden of rebutting such presumption.

611.026 CRIMINAL RESPONSIBILITY OF MENTALLY ILL OR DEFICIENT.

No person shall be tried, sentenced, or punished for any crime while mentally ill or mentally deficient so as to be incapable of understanding the proceedings or making a defense; but the person shall not be excused from criminal liability except upon proof that at the time of committing the alleged criminal act the person was laboring under such a defect of reason, from one of these causes, as not to know the nature of the act, or that it was wrong.

611.03 CONVICTION.

611.033 COPY OF CONFESSION OR ADMISSION.

A statement, confession, or admission in writing shall not be received in evidence in any criminal proceeding against any defendant unless within a reasonable time of the taking thereof the defendant is furnished with a copy thereof and which statement, confession, or admission shall have endorsed thereon or attached thereto the receipt of the accused or certification of a peace officer which shall state that a copy thereof has been received by or made available to the accused. Nothing in this section requires that a videotape, audiotape, or transcript of a tape be given to the defendant at the time the statement, confession, or admission is made or within a reasonable time thereafter, provided that the videotape or audiotape is available to the defendant or the defendant's attorney for review within a reasonable time of the defendant's arrest, as well as in discovery pursuant to the rules of criminal procedure.

When the defendant is not indicted or tried as herein provided, and good reasons therefor are shown, the court may order the action continued from term to term, and in the meantime commit the defendant, or, in case the offense is bailable, admit the defendant to bail, on the defendant's furnishing satisfactory sureties. When the action is dismissed, the defendant shall be discharged from custody, or, if admitted to bail, the bail shall be exonerated, and, if money has been deposited for bail, that shall be refunded.

611.14 RIGHT TO REPRESENTATION BY PUBLIC DEFENDER.

The following persons who are financially unable to obtain counsel are entitled to be represented by a public defender:

(1) a person charged with a felony or gross misdemeanor, including a person charged under sections 629.01 to 629.29;

(2) a person appealing from a conviction of a felony or gross misdemeanor, or a person convicted of a felony or gross misdemeanor who is pursuing a postconviction proceeding and who has not already had a direct appeal of the conviction;

(3) a person who is entitled to be represented by counsel under section 609.14, subdivision 2;

(4) a minor who is entitled to be represented by counsel under section 260.155, subdivision 2, if the judge of the juvenile court concerned has requested and received the approval of a majority of the district court judges of the judicial district to utilize the services of the public defender in such cases, and approval of the compensation on a monthly, hourly, or per diem basis to be paid for such services under section 260.251, subdivision 2, clause (e); or

(5) a person, entitled by law to be represented by counsel, charged with an offense within the trial jurisdiction of a district court, if the trial judge or a majority of the trial judges of the court concerned have requested and received approval of a majority of the district court judges of the judicial district to utilize the services of the public defender in such cases and approval of the compensation on a monthly, hourly, or per diem basis to be paid for such services by the county within the court's jurisdiction.

History: 1965 c 869 s 1; 1969 c 655 s 1; 1976 c 2 s 153; 1983 c 247 s 213; 1987 c 384 art 2 s 111; 1991 c 345 art 3 s 2

611.15 NOTIFICATION OF RIGHT TO REPRESENTATION.

In every criminal case or proceeding in which any person entitled by law to representation by counsel shall appear without counsel, the court shall advise such person of the right to be represented by counsel and that counsel will be appointed to represent the person if the person is financially unable to obtain counsel.

History: 1965 c 869 s 2; 1986 c 444

611.16 REQUEST FOR APPOINTMENT OF PUBLIC DEFENDER.

Any person described in section 611.14 or any other person entitled by law to representation by counsel, may at any time request the court in which the matter is pending, or the court in which the conviction occurred, to appoint a public defender to represent the person. In a proceeding defined by clause (2) of section 611.14, application for the appointment of a public defender may also be made to a judge of the supreme court.

History: 1965 c 869 s 3; 1986 c 444

611.17 FINANCIAL INQUIRY; STATEMENTS.

(a) Each judicial district must screen requests under paragraph (b).

(b) Upon a request for the appointment of counsel, the court shall make appropriate inquiry into the financial circumstances of the applicant, who shall submit a financial statement under oath or affirmation setting forth the applicant's assets and liabilities, source or sources of income, and any other information required by the court. The state public defender shall furnish appropriate forms for the financial statements. The information contained in the statement shall be confidential and for the exclusive use of the court except for any prosecution under section 609.48. A refusal to execute the financial statement or produce financial records constitutes a waiver of the right to the appointment of a public defender.

History: 1965 c 869 s 4; 1983 c 359 s 91; 1986 c 444; 1989 c 335 art 1 s 260; 1991 c 345 art 3 s 3

611.18 APPOINTMENT OF PUBLIC DEFENDER.

If it appears to a court that a person requesting the appointment of counsel satisfies the requirements of this chapter, the court shall order the appropriate public defender to represent the person at all further stages of the proceeding through appeal, if any. For a person appealing from a conviction, or a person pursuing a postconviction proceeding and who has not already had a direct appeal of the conviction, the state public defender shall be appointed. For a person covered by section 611.14, clause (1), a district public defender shall be appointed to represent that person. If (a) conflicting interests exist, (b) the district public defender for any other reason is unable to act, or (c) the interests of justice require, the state public defender may be ordered to represent a person. When the state public defender is directed by a court to represent a defendant or other person, the state public defender may assign the representation to any district public defender. If at any stage of the proceedings, including an appeal, the court finds that the defendant is financially unable to pay counsel whom the defendant had retained, the court may appoint the appropriate public defender to represent the defendant, as provided in this section. Prior to any court appearance, a public defender may represent a person accused of violating the law, who appears to be financially unable to obtain counsel, and shall continue to represent the person unless it is subsequently determined that the person is financially able to obtain counsel. The representation may be made available at the discretion of the public defender, upon the request of the person or someone on the person's behalf. Any law enforcement officer may notify the public defender of the arrest of any such person.

History: 1965 c 869 s 5; 1969 c 655 s 2; 1983 c 247 s 214; 1986 c 444; 1991 c 345 art 3 s 4

611.19 WAIVER OF APPOINTMENT OF COUNSEL.

Where counsel is waived by a defendant, the waiver shall in all instances be made in writing, signed by the defendant, except that in such situation if the defendant refuses to sign the written waiver, then the court shall make a record evidencing such refusal of counsel.

History: 1965 c 869 s 6

611.20 SUBSEQUENT ABILITY TO PAY COUNSEL.

If at any time after the state public defender or a district public defender has been directed to act, the court having jurisdiction in the matter is satisfied that the defendant or other person is financially able to obtain counsel or to make partial payment for the representation, the court may terminate the appointment of the public defender, unless the person so represented is willing to pay therefor. If a public defender continues the representation, the court shall direct payment for such representation as the interests of justice may dictate. Any payments directed by the court shall be recorded by the court administrator, who shall transfer the payments to the governmental unit responsible for the costs of the public defender. The judicial district may investigate the financial status of a defendant or other person for whom a public defender has been appointed and may act to collect payments directed by the court.

If at any time after appointment a public defender should have reason to believe that a defendant is financially able to obtain counsel or to make partial payment for counsel, it shall be the public defender's duty to so advise the court so that appropriate action may be taken.

History: 1965 c 869 s 7; 1986 c 444; 1Sp1986 c 3 art 1 s 82; 1990 c 604 art 9 s 5; 1991 c 345 art 3 s 5

611.21 SERVICES OTHER THAN COUNSEL.

(a) Counsel, whether or not appointed by the court, for a defendant who is financially unable to obtain investigative, expert, or other services necessary to an adequate defense in the case may request them in an ex parte application. Upon finding, after

appropriate inquiry in an ex parte proceeding, that the services are necessary and that the defendant is financially unable to obtain them, the court shall authorize counsel to obtain the services on behalf of the defendant. The court may establish a limit on the amount which may be expended or promised for such services. The court may, in the interests of justice, and upon a finding that timely procurement of necessary services could not await prior authorization, ratify such services after they have been obtained, but such ratification shall be given only in unusual situations. The court shall determine reasonable compensation for the services and direct payment by the county in which the prosecution originated, to the organization or person who rendered them, upon the filing of a claim for compensation supported by an affidavit specifying the time expended, services rendered, and expenses incurred on behalf of the defendant, and the compensation received in the same case or for the same services from any other source.

(b) The compensation to be paid to a person for such service rendered to a defendant under this section, or to be paid to an organization for such services rendered by an employee, may not exceed \$1,000, exclusive of reimbursement for expenses reasonably incurred, unless payment in excess of that limit is certified by the court as necessary to provide fair compensation for services of an unusual character or duration and the amount of the excess payment is approved by the chief judge of the district. The chief judge of the judicial district may delegate approval authority to an active district judge.

(c) If the court denies authorizing counsel to obtain services on behalf of the defendant, the court shall make written findings of fact and conclusions of law that state the basis for determining that counsel may not obtain services on behalf of the defendant. When the court issues an order denying counsel the authority to obtain services, the defendant may appeal immediately from that order to the court of appeals and may request an expedited hearing.

(2) three public members appointed by the governor.

After the expiration of the terms of persons appointed to the board before March 1, 1991, the appointing authorities may not appoint a person who is a judge to be a member of the state board of public defense, other than as a member of the ad hoc board of public defense.

(b) All members shall demonstrate an interest in maintaining a high quality, independent defense system for those who are unable to obtain adequate representation. The terms of chief district public defenders currently serving shall terminate in accordance with the staggered term schedule set forth in section 611.26, subdivision 2.

Subd. 1a. Chief administrator. The state public defender shall appoint a chief

administrator who must be chosen solely on the basis of training, experience, and other qualifications, and who will serve at the pleasure of the state public defender. The chief administrator need not be licensed to practice law. The chief administrator shall attend all meetings of the board, but may not vote, and shall:

- (1) enforce all resolutions, rules, regulations, or orders of the board;
- (2) present to the board and the state public defender plans, studies, and reports prepared for the board's and the state public defender's purposes and recommend to the board and the state public defender for adoption measures necessary to enforce or carry out the powers and duties of the board and the state public defender, or to efficiently administer the affairs of the board and the state public defender;

(b) The board shall establish procedures for distribution of state funding under this chapter to the state and district public defenders and to the public defense corporations.

(c) The state public defender with the approval of the board shall establish standards for the offices of the state and district public defenders and for the conduct of all appointed counsel systems. The standards must include, but are not limited to:

- (1) standards needed to maintain and operate an office of public defender including requirements regarding the qualifications, training, and size of the legal and supporting staff for a public defender or appointed counsel system;
- (2) standards for public defender caseloads;
- (3) standards and procedures for the eligibility for appointment, assessment, and collection of the costs for legal representation provided by public defenders or appointed counsel;
- (4) standards for contracts between a board of county commissioners and a county public defender system for the legal representation of indigent persons;
- (5) standards prescribing minimum qualifications of counsel appointed under the board's authority or by the courts; and
- (6) standards ensuring the independent, competent, and efficient representation of clients whose cases present conflicts of interest, in both the trial and appellate courts.

(d) The board may require the reporting of statistical data, budget information, and other cost factors by the state and district public defenders and appointed counsel systems.

Subd. 3. Limitation. In no event shall the board or its members interfere with the discretion, judgment or zealous advocacy of counsel in their handling of individual cases as a part of the judicial branch of government.

611.216 CRIMINAL AND JUVENILE DEFENSE GRANTS.

Subdivision 1. Eligible recipients. The board of public defense shall establish procedures for public defense corporations based in this state to apply for funding by the legislature. The applications must be submitted to the board. The board must review and prioritize them and include a recommended funding level for each corporation in

the budget request the board submits to the legislature. Money appropriated to provide criminal and juvenile defense to indigent individuals must be distributed by the board of public defense to the nonprofit criminal and juvenile defense corporations included in the board's budget request or otherwise designated by law. Money may not be disbursed to a corporation in the Leech Lake reservation area or the White Earth reservation area without prior approval by the respective reservation tribal council. A corporation may accept cases involving felony, gross misdemeanor, and misdemeanor charges, and juvenile cases if financial eligibility standards are met, unless there is a legal or ethical reason for rejecting a case. A corporation may accept cases arising outside its geographic area of responsibility, as appropriate. Each corporation, in order to ensure broad support, shall provide matching money received from nonstate sources, which may include money or in-kind contribution from federal agencies, local governments, private agencies, and community groups, equal to ten percent of its state appropriation. The board of public defense shall give notice 30 days in advance and conduct a hearing if it has reasonable grounds to believe money appropriated for this purpose is being improperly used, or if it has reasonable cause to believe criminal and juvenile defense of proper quality is not being supplied. Payment must cease from the date of notice until either the board of public defense determines that the money appropriated will be properly handled, or the board of public defense determines that criminal and juvenile defense of proper quality will be provided. A participating corporation may give notice at any time of its withdrawal from this program of financial assistance.

Subd. 2. Discrimination; penalty. An employee, administrator, officer, contractor, or agent of a recipient of the money provided by this section who discriminates on the basis of sex, race, color, national origin, religion, or creed is guilty of a gross misdemeanor.

Subd. 3. Report. Each corporation shall submit reports showing, at a minimum, the number of clients served, the number of charges brought, the number of cases of each kind, such as felonies, gross misdemeanors, misdemeanors, and juvenile delinquencies, the number of dispositions of each kind, such as jury trials, court trials, guilty pleas, and dismissals, the number of court appearances, and financial data. This information must be summarized for each corporation in the budget documents submitted to the legislature.

Subd. 4. Audits. The legislative auditor may conduct periodic postaward audits of these grants as may be requested by the board of public defense and approved by the legislative audit commission.

The additional members shall serve only in the capacity of selecting the district public defender. The ad hoc state board of public defense shall appoint a chief district public

defender only after requesting and giving reasonable time to receive any recommendations from the public, the local bar association, the judges of the district, and the county commissioners within the district. Each chief district public defender shall be a qualified attorney, licensed to practice law in this state. The chief district public defender shall be appointed for a term of four years, beginning January 1, pursuant to the following staggered term schedule: (1) in 1992, the second and eighth districts; (2) in 1993, the first, third, fourth, and tenth districts; (3) in 1994, the fifth and ninth districts; and (4) in 1995, the sixth and seventh districts. The compensation for chief district public defenders may not exceed the prevailing compensation for county attorneys within the district, and the compensation for assistant district public defenders may not exceed the prevailing compensation for assistant county attorneys within the district. To assist the board of public defense in determining prevailing compensation under this subdivision, counties shall provide to the board information on the compensation of county attorneys, including salaries and benefits, rent, secretarial staff, and other pertinent budget data. For purposes of this subdivision, compensation means salaries, cash payments, and employee benefits including paid time off and group insurance benefits, and other direct and indirect items of compensation including the value of office space provided by the employer.

(b) This subdivision does not limit the rights of public defenders to collectively bargain with their employers.

Subd. 3a. (a) Notwithstanding subdivision 3 or any other law to the contrary, compensation and economic benefit increases for chief district public defenders and assistant district public defenders, who are full-time county employees, shall be paid out of the budget for that judicial district public defender's office.

(b) Those budgets for district public defender services under the jurisdiction of the state board of public defense shall be eligible for adjustments to their base budgets in the same manner as other state agencies. In making biennial budget base adjustments, the commissioner of finance shall consider the budgets for district public defender services, as allocated by the state board of public defense, in the same manner as other state agencies.

Subd. 4. Assistant public defenders. A chief district public defender shall appoint assistants who are qualified attorneys licensed to practice law in this state and other staff as the chief district public defender finds prudent and necessary subject to the standards adopted by the state public defender. Assistant district public defenders must be appointed to ensure broad geographic representation and caseload distribution within the district. Each assistant district public defender serves at the pleasure of the chief district public defender.

Subd. 5. [Repealed, 1987 c 250 s 20]

Subd. 6. Persons defended. The district public defender shall represent, without charge, a defendant charged with a felony or a gross misdemeanor when so directed by the district court. In the second, third, fourth, sixth, and eighth districts only, the district public defender shall also represent a defendant charged with a misdemeanor when so directed by the district court and shall represent a minor in the juvenile court when so directed by the juvenile court.

The host county must provide for payroll deductions to be made in the same manner and under the same conditions as provided for an eligible county employee and the employee's dependents. Nothing in this subdivision obligates the state or county to payments in the absence of an appropriation for those purposes.

Subd. 10. **Services.** The chief district public defender is responsible for the administration of public defender services in the district, consistent with standards adopted by the state board of public defense and the policies and procedures adopted by the state public defender.

611.27 FINANCING THE OFFICES OF DISTRICT PUBLIC DEFENDER.

Subdivision 1. (a) The total compensation and expenses, including office equipment and supplies, of the district public defender are to be paid by the county or counties comprising the judicial district.

(b) A district public defender shall annually submit a comprehensive budget to the state board of public defense. The budget shall be in compliance with standards and forms required by the board and must, at a minimum, include detailed substantiation as to all revenues and expenditures. The district public defender shall, at times and in the form required by the board, submit reports to the board concerning its operations, including the number of cases handled and funds expended for these services.

Within ten days after an assistant district public defender is appointed, the district public defender shall certify to the state board of public defense the compensation that has been recommended for the assistant.

(c) The state board of public defense shall transmit the proposed budget of each district public defender to the respective district court administrators and county budget officers for comment before the board's final approval of the budget. The board shall determine and certify to the respective county boards a final comprehensive budget for the office of the district public defender that includes all expenses. After the board determines the allocation of the state funds authorized pursuant to paragraph (e), the board shall apportion the expenses of the district public defenders among the several counties and each county shall pay its share in monthly installments. The county share is the proportion of the total expenses that the population in the county bears to the total population in the district as determined by the last federal census. If the district public defender or an assistant district public defender is temporarily transferred to a county not situated in that public defender's judicial district, said county shall pay the proportionate part of that public defender's expenses for the services performed in said county.

(d) Reimbursement for actual and necessary travel expenses in the conduct of the office of the district public defender shall be charged to either (1) the general expenses of the office, (2) the general expenses of the district for which the expenses were incurred if outside the district, or (3) the office of the state public defender if the services were rendered for that office.

(e) Money appropriated to the state board of public defense for the board's administration, for the state public defender, for the judicial district public defenders, and for the public defense corporations shall be expended as determined by the board. In distributing funds to district public defenders, the board shall consider the geographic distribution of public defenders, the equity of compensation among the judicial districts, public defender case loads, and the results of the weighted case load study.

Subd. 2. The state board of public defense, after receiving an appropriation from the legislature for payment of district public defender costs, shall designate the county officials of one county within the district as a host county to reimburse the expenses of the district public defender. A county selected by the board must serve as the designee. The county share assessed under subdivision 1 against each county of the district must be paid to the county treasurer of the designated county. The board may reimburse the designated county for extra costs incurred.

Subd. 3. If the state public defender or a district public defender deems it necessary to make a motion for a new trial, to take an appeal, or other postconviction proceedings in order to properly represent a defendant or other person whom that public defender had been directed to represent, that public defender may use the transcripts of the testimony and other proceedings filed with the court administrator of the district court as provided by section 243.49.

Subd. 4. **County portion of costs.** That portion of subdivision 1 directing counties to pay the costs of public defense service shall not be in effect between July 1, 1991, and July 1, 1993. This subdivision only relates to costs associated with felony and gross misdemeanor public defense services in all judicial districts and to juvenile and misdemeanor public defense services in the second, third, fourth, sixth, and eighth judicial districts.

Subd. 5. **District public defender budgets.** The board of public defense may only fund those items and services in district public defender budgets which were included in the original budgets of district public defender offices as of January 1, 1990. All other public defense related costs remain the responsibility of the counties unless the state specifically appropriates for these. The cost of additional state funding of these items and services must be offset by reductions in local aids in the same manner as the original state takeover.

Subd. 6. **District public defenders; reporting cases.** The state board of public defense shall adopt and implement a uniform system for reporting of hours and cases by district public defenders. District public defenders shall provide whatever assistance the board requires in order to implement this reporting system.

Subd. 7. **Public defender services; responsibility.** Notwithstanding subdivision 4,

the state's obligation for the costs of the public defender services is limited to the appropriations made to the board of public defense. Services and expenses in cases where adequate representation cannot be provided by the district public defender shall be the responsibility of the state board of public defense.

Subd. 8. Public defender services; state public defender review. In a case where the chief district public defender does not believe that the office can provide adequate representation, the chief public defender of the district shall immediately notify the state public defender.

Subd. 9. Public defender services; request to the court. The chief district public defender with the approval of the state public defender may request that the chief judge of the district court, or a district court judge designated by the chief judge, authorize appointment of counsel other than the district public defender in such cases.

Subd. 10. Public defender services; no permanent staff. The chief public defender may not request the court nor may the court order the addition of permanent staff under subdivision 7.

Subd. 11. Public defender services; appointment of counsel. If the court finds that the provision of adequate legal representation, including associated services, is beyond the ability of the district public defender to provide, the court shall order counsel to be appointed, with compensation and expenses to be paid under the provisions of this subdivision and subdivision 7. Counsel in such cases shall be appointed by the chief district public defender. If the court issues an order denying the request, the court shall make written findings of fact and conclusions of law. Upon denial, the chief district public defender may immediately appeal the order denying the request to the court of appeals and may request an expedited hearing.

Subd. 12. Public defender services; compensation and expenses. Counsel appointed under this subdivision shall document the time worked and expenses incurred in a manner prescribed by the chief district public defender.

Subd. 13. Public defense services; correctional facility inmates. All billings for services rendered and ordered under subdivision 7 shall require the approval of the chief district public defender before being forwarded on a monthly basis to the state public defender. In cases where adequate representation cannot be provided by the district public defender and where counsel has been appointed under a court order, the state public defender shall forward to the commissioner of finance all billings for services rendered under the court order. The commissioner shall pay for services from county criminal justice aid retained by the commissioner of revenue for that purpose under section 477A.0121, subdivision 4.

The costs of appointed counsel and associated services in cases arising from new criminal charges brought against indigent inmates who are incarcerated in a Minnesota state correctional facility are the responsibility of the state board of public defense. In such cases the state public defender may follow the procedures outlined in this section for obtaining court-ordered counsel.

Subd. 14. Public defender services; report. The state public defender shall report to the legislature in the supplemental budget or the biennial budget document the number and costs of all successful petitions during the previous fiscal year.
