Such disclaimer shall be signed by the student and shall state substantially as follows: "I am fully aware that it is unlikely I will be able to successfully complete the course of instruction" and/or "I am fully aware of the improbability or impossibility that I will qualify for employment in the vocation or field for which the course was designed."

Where a school has been operating and its license has been revoked, suspended, or refused by the board, the order is not effective until the final determination of the appeal unless immediate effect is ordered by the court.

Subd. 3. Powers and duties. The board shall have (in addition to the powers and duties now vested therein by law) the following powers and duties:

- (a) To negotiate and enter into interstate reciprocity agreements with similar agencies in other states, if in the judgment of the board such agreements are or will be helpful in effectuating the purposes of Laws 1973, Chapter 714;
- (b) To grant conditional school license for periods of less than one year if in the

judgment of the board correctable deficiencies exist at the time of application and when refusal to issue school license would adversely affect currently enrolled students;
