The license shall be issued by the auditor and shall authorize the licensee to conduct the business of an auctioneer in the state of Minnesota for the period of one year. It shall be recorded by the auditor in a book kept for that purpose. Before the license is issued the applicant shall pay into the county treasury a fee of \$20. The auditor shall, not later than the 15th day of the following month, transmit a copy of the license to the secretary of state together with \$10 of the fee, which shall be deposited in the general fund.

No copartnership, association or corporation may be licensed as an auctioneer. However, nothing in this subdivision shall be construed as preventing auctioneers who are duly licensed in accordance with the provisions of this chapter, from combining in associations, copartnerships, or corporations, provided that each and every member of these associations or copartnerships and each and every person or agent conducting auction sales on behalf of these corporations is a duly licensed auctioneer as provided in this chapter. Nothing herein shall be construed to apply to the owner of property for at least six months selling it at an auction.

330.11 APPLICATION BY NONRESIDENT.

Subdivision 1. A resident of another state which issues auctioneers' licenses to citizens of the state of Minnesota on the same or similar basis as to citizens of such state may be licensed as an auctioneer in the state of Minnesota upon compliance with the laws of the state of Minnesota relating to auctioneers' licenses. Eligibility of a nonresident applicant shall be tested by reference to the law of the resident state, and in no case shall it be tested by reference to the law of some other state having reciprocity with the state of Minnesota in which the nonresident may qualify.

Subd. 2. A nonresident applicant must submit to the county auditor with the application a duly certified copy of the applicant's auctioneer's license, if one was issued by the resident state, and a copy of the state auction laws such as exist in the resident state, certified by the secretary of state or other authorized state official of such state, that the submitted copy is a true copy of the auction laws of such state, as they exist at the date of application, in order that the attorney general of the state of Minnesota may determine whether reciprocity exists.

If, subsequent to the issuance of a nonresident license, the laws of the state of such nonresident shall not be reciprocal with the state of Minnesota, it shall result in the automatic revocation of the nonresident auctioneer's license issued to any resident of such state under the provisions of this chapter.

Subd. 3. Every nonresident applicant shall file an irrevocable consent that suits and actions may be commenced against such applicant in any court of competent jurisdiction in this state by the service on the secretary of state of any summons, process, or pleadings authorized by the laws of the state of Minnesota. This consent shall stipulate that the service of such process or pleadings on the secretary of state shall be taken and held in all courts to be as valid and binding as if due service had been made upon the applicant in the state of Minnesota. In case any summons, process, or pleadings are served upon the secretary of state, it shall be by duplicate copies, one of which shall be retained in the office of the secretary of state, and the other to be forwarded immediately by certified mail to the address of the applicant, as shown by the records of the secretary of state, against whom the summons, process, or pleadings may be divested.
