It may require any officer or employee to furnish a bond conditioned for the faithful exercise of duties and the proper application of, and payment upon demand of, all money officially received by the officer or employee. Unless otherwise prescribed by law, it shall fix the amount of the bonds. The bonds furnished by the clerk and treasurer shall be corporate surety bonds. It may provide for the payment from town funds of the premium on the official bond of any town officer or employee. It may, except as otherwise provided, remove any appointive officer or employee when in its judgment the public welfare will be promoted by the removal. This provision does not modify the laws relating to veterans preference or to members of a town police or fire civil service commission or public utilities commission.

Subd. 21. Enactment of ordinances. Every ordinance shall be enacted by a majority vote of all the members of the town board unless a larger number is required by law. It shall be signed by the chair of the town board, attested by the clerk and published once in a qualified newspaper having general circulation within the town. If the town board determines that publication of the title and a summary of an ordinance would clearly inform the public of the intent and effect of the ordinance, the town board may by a two-thirds vote of its members, or a four-fifths vote in a town having a five-member board, direct that only the title of the ordinance and a summary be published with notice that a printed copy of the ordinance is available for inspection by any person during regular office hours of the town clerk and at any other location which the town board designates. A copy of the entire text of the ordinance shall be posted in the community library, if there is one, or if not, in any other public location which the town board designates. Before the publication of the title and summary the town board shall approve the text of the summary and determine that it clearly informs the public of the intent and effect of the ordinance. Publishing the title and summary shall fulfill all legal publication requirements as completely as if the entire ordinance is published. The text of the summary shall be published in a body type no smaller than eight-point type. Proof of the publication shall be attached to and filed with the ordinance. Every ordinance shall be recorded in the ordinance book within 20 days after publication of the ordinance or its title and summary. All ordinances shall be suitably entitled and shall be substantially in the style: "The Town Board of Supervisors of ordains:".

Subd. 22. Penalties. The town board may declare that the violation of any ordinance is a penal offense and prescribe penalties for it. No penalty shall exceed that provided by law for a misdemeanor, but the costs of prosecution may be added.

Subd. 23. Financing purchase of certain equipment. The town board may issue certificates of indebtedness within debt limits to purchase fire or police equipment or ambulance equipment or street construction or maintenance equipment. The certificates shall be payable in not more than five years and be issued on terms and in the manner as the board may determine. If the amount of the certificates to be issued to finance a purchase exceeds 0.24177 percent of the market value of the town, excluding money and credits, they shall not be issued for at least ten days after publication in the official newspaper of a town board resolution determining to issue them. If before the end of that time, a petition asking for an election on the proposition signed by voters equal to ten percent of the number of voters at the last regular town election is filed with the clerk, the certificates shall not be issued until the proposition of their issuance has been approved by a majority of the votes cast on the question at a regular or special election. A tax levy shall be made for the payment of the principal and interest on the certificates as in the case of bonds.

Subd. 24. Parks; parkways; recreational facilities. A town may establish, improve, ornament, maintain and manage parks, parkways, and recreational facilities and by ordinance protect and regulate their use.

Subd. 25. Vacatation of streets. The town board may by resolution vacate all or part of any street, alley, public grounds or public way on its own motion or on petition of a majority of the owners of land abutting the street, alley, public grounds, public way, or part to be vacated. When there has been no petition, the resolution may be adopted

only by a vote of four-fifths of all members of the board of supervisors. No such vacation shall be made unless it appears in the interest of the public to do so after a hearing preceded by two weeks' published and posted notice. The board shall cause written notice of the hearing to be mailed to each property owner affected by the proposed vacation at least ten days before the hearing. The notice must contain, at minimum, a copy of the petition or proposed resolution as well as the time, place, and date of the hearing. In addition, if the street, alley, public grounds, public way, or any part of it, terminates at or abuts upon any public water, no vacation shall be made unless written notice of the petition or proposed resolution is served by certified mail upon the commissioner of natural resources at least 30 days before the hearing on the matter. The notice to the commissioner of natural resources is for notification purposes only and does not create a right of intervention by the commissioner. After a resolution of vacation is adopted, the clerk shall prepare a notice of completion of the proceedings which shall contain the name of the town, an identification of the vacation, a statement of the time of completion thereof and a description of the real estate and lands affected. The notice shall be presented to the county auditor who shall enter it in the transfer records and note upon the instrument, over the auditor's official signature, the words "entered in the transfer record." The notice shall then be filed with the county recorder. Failure to file the notice shall not invalidate the vacation proceedings.

Subd. 26. Fines and penalties. All fines, forfeitures, and penalties recovered for violation of a statute or ordinance to which the town is entitled by law shall be paid into the town treasury. Every court or officer receiving money for a violation, shall return it under oath in accordance with law, and be entitled to duplicate receipts for the amounts paid. One of the receipts shall be filed with the town clerk.

Subd. 27. Right of eminent domain. A town that has special powers under this section may acquire private property within or without its limits by eminent domain for any purpose for which it is authorized by law to take or hold property by purchase or gift. It may also acquire by eminent domain a right-of-way for sewerage or drainage purposes and an outlet for sewerage or drainage within or without its limits. The procedure shall be that prescribed by chapter 117.

Subd. 28. [Repealed, 1984 c 562 s 48]

Subd. 29. Savings clause. This section shall not be construed to repeal or rescind the powers of any town provided by other law.

Subd. 30. Notice to county auditor and secretary of state. The town clerk of each town exercising special powers under this section shall so notify in writing the county auditor of the county in which the town is located and the secretary of state. The written notice shall be filed by the county auditor and the secretary of state as a public record.

Subd. 31. Continuing authority to exercise powers. If a town exercises a power under this section it may continue to exercise the power notwithstanding any later change in population.

FIRE PROTECTION

368.85 FIRE PROTECTION.

Subdivision 1. **Special fire protection district.** A town may, by resolution adopted by the town board and approved by a majority of the electors residing within the territory affected, establish a special fire protection district within the town in the following manner. The town board shall adopt a resolution particularly describing the territory, district or area which shall constitute a special fire protection district and be entitled to receive fire protection to be paid for from the taxation of the property within the district. Each district shall consist of contiguous and compact territory and be constituted so that at least 25 percent of the total net tax capacity of taxable real property in it consists of property classified as homestead property and buildings or other structures.

Subd. 2. **Submission at annual meeting; notice.** The resolution shall provide for the submission of the question whether the special fire protection district shall be established to the voters residing within the proposed district at the next annual town meeting or at a special town meeting which the town board may call for that purpose. The notice of the annual or special meeting shall contain a notice that the question will be submitted to the electors residing in the proposed district and a statement that all cost of fire protection for the district will be borne by a tax on the property in it. The meeting shall be held at the usual place of holding town meetings.

Subd. 3. **Manner of voting.** For the election the town board shall provide a separate ballot box where the electors residing within the proposed district shall deposit their ballots. Only electors residing in the proposed district may vote on the question.

Subd. 4. **Ballot.** The town board shall provide ballots which shall read "Shall the territory described in the resolution adopted by the town board on the day of, 19....., constitute a special fire protection district?" The question shall be followed with a line with the word "Yes" and a square after it and another line with the word "No" and a square after it. The voters shall indicate their choice by placing a cross mark in one of the squares, and a direction to so indicate their choice shall be printed on the ballot.

Subd. 5. **Counting and canvassing of votes.** The votes cast at the special election in the special ballot box shall be counted and canvassed by the town board or by the judges presiding at the election. If the proposition receives a majority of the votes cast by the electors residing within the proposed district, that result shall be recorded in the minutes of the meeting, and the territory described in the town board's resolution shall then be a special fire protection district.

Subd. 6. **Tax levy.** The town board shall annually levy a tax in an amount necessary on the net tax capacity of all property located within the district to provide fire protection for it. The tax, with a certified copy of the resolution establishing the district, shall

be certified by the town board to the county auditor who shall spread the tax against the property located within the district. The tax shall be collected as other taxes.

Subd. 7. Disbursement of funds. When the tax is collected, it shall be paid to the town and disbursed upon the order of the town board to provide fire protection in the district. The town board may order the money, or part of it, to be paid to a municipality or volunteer fire department which agrees to furnish and has its fire department headquarters located so as to be able to conveniently furnish fire protection to the property within the district.

Subd. 8. Plural districts. More than one special fire protection district may be established in a town. Districts shall be designated by consecutive numbers in the order of their establishment.

Subd. 9. Dissolution. A special fire protection district may be dissolved in the following manner. The town board may submit the question of dissolution of a district at any annual town meeting. It must submit that question at the next annual town meeting on the signed petition of electors residing in the district equal in number to at least one-half of the number of freeholders in the district according to the tax record in the county auditor's office filed with the town clerk not less than 45 days before the annual meeting. Notice that the question will be submitted shall be posted by the town clerk in three public places within the special district not less than two weeks before the annual meeting at which it will be submitted. Only voters residing in the district shall vote on the question of dissolution. A separate ballot box shall be provided for votes on the question. The town board shall provide ballots for the question of dissolution which shall be in the same form as provided in subdivision 4 except that the question shall be "Shall Special Fire Protection District No. be dissolved?". If a majority vote of those voting on the question vote in the affirmative, the district shall be dissolved. In that event the results of the election shall be certified by the chair of the town board to the county auditor. There shall be no further special levy for fire protection in the district, but dissolution shall not relieve the property in the special district from any taxes levied under this section before dissolution.
