38.01 COUNTY AGRICULTURAL SOCIETIES; FORMATION, POWERS.

An agricultural society or association may be incorporated by citizens of any county, or two or more counties jointly, but only one agricultural society shall be organized in any county. An agricultural society may sue and be sued in its corporate name; may adopt bylaws, rules, and regulations, alter and amend the same; may purchase and hold, lease and control any real or personal property deemed to promote the objects of the society, and may rent, lease, sell, and convey the same. Any income from the rental or lease of such property may be used for any or all of the following purposes: (1) Acquisition of additional real property; (2) Construction of additional buildings; or (3) Maintenance and care of the society's property. This section shall not be construed to preclude the continuance of any agricultural society now existing or the granting of aid thereto.

An agricultural society shall have jurisdiction and control of the grounds upon which its fairs are held and of the streets and grounds adjacent thereto during such fair, so far as may be necessary for such purpose. At or before the time of holding any fair, the agricultural society may appoint, in writing, as many persons to act as special constables as necessary, for and during the time of holding the same and for a reasonable time prior and subsequent thereto. These constables, before entering upon their duties, shall take and subscribe the usual oath of office, endorsed upon their appointment, and have and exercise upon the grounds of the society, and within one-half mile thereof, all the power and authority of constables at common law and, in addition thereto, may, within these limits, without warrant, arrest any person found violating any laws of the state, or any rule, regulation, or bylaw of the society, and summarily remove the persons and property of such offenders from the grounds and take them before any court of competent jurisdiction to be dealt with according to law. Each such peace officer shall wear an appropriate badge of office while acting as such.

As an alternative to the appointment of special constables, the society may contract with the sheriff or local municipality to provide the society with the same police service it may secure by appointing special constables. A person providing police service pursuant to such a contract is not, by reason of the contract, classified as an employee of the agricultural society for any purpose other than the discharge of powers and duties under the contract.

Any person who shall willfully violate any rule or regulation made by such societies during the days of a fair shall be guilty of a misdemeanor.

The provisions of this section supersede all special laws on the same subject.

38.013 TORT LIABILITY.

Subdivision 1. General. Except as provided in subdivision 2, the provisions of chapter 466, regarding tort liability, apply to county agricultural societies organized under this chapter.

Subd. 2. Unpaid board members; liability. A person who serves without compensation as a member of the board of a county agricultural society created or organized under this chapter is not civilly liable for an act or omission by that person if the act or omission was in good faith, was within the scope of the person's responsibilities as a member of the board, and did not constitute willful or reckless misconduct.

This subdivision does not apply to:

- (1) an action or proceeding brought by the attorney general for a breach of a fiduciary duty by a board member;
- (2) a cause of action to the extent it is based on federal law; or
- (3) a cause of action based on a board member's express contractual obligation.

This subdivision does not limit the liability of a member of the board for physical injury to the person of another or for wrongful death that is personally and directly caused by the board member.

For purposes of this subdivision, the term "compensation" means any thing of value received for services rendered, except:

- (1) reimbursement for expenses actually incurred;
- (2) a per diem in an amount not to exceed the per diem authorized for state advisory councils and committees under section 15.059, subdivision 3; or
- (3) payment by the county agricultural society of insurance premiums on behalf of a member of the board.

(3) All payments authorized under the provisions of this chapter shall be made only upon the presentation by the commissioner of agriculture with the commissioner of finance of a statement of premium allocations. As used herein the term premium shall mean the cash award paid to an exhibitor for the merit of an exhibit of livestock, livestock products, grains, fruits, flowers, vegetables, articles of domestic science, handicrafts, hobbies, fine arts, and articles made by school pupils, or the cash award paid to the merit winner of events such as 4H Club or Future Farmer Contest, Youth Group Contests, school spelling contests and school current events contests, the award corresponding to the amount offered in the advertised premium list referred to in schedule 2. Payments of awards for horse races, ball games, musical contests, talent contests, parades, and for amusement features for which admission is charged, are specifically excluded from consideration as premiums within the meaning of that term as used herein. Upon receipt of the statement by the commissioner of agriculture, it shall be the duty of the commissioner of finance to draw a voucher in favor of the agricultural society or association for the amount to which it is entitled under the provisions of this chapter, which amount shall be computed as follows: On the first \$750 premiums paid by each society or association, such society or association shall receive 100 percent reimbursement; on the second \$750 premiums paid, 80 percent; on the third \$750 premiums paid, 60 percent; and on any sum in excess of \$2,250, 40 percent.

(4) If the total amount of state aid to which the agricultural societies and associations are entitled under the provisions of this chapter exceeds the amount of the appropriation therefor, the amounts to which the societies or associations are entitled shall be prorated so that the total payments by the state will not exceed the appropriation.

Subd. 1a. Premiums for certain livestock and livestock products. A livestock and livestock product exhibit for which a premium may be paid pursuant to subdivision 1, paragraph 3, includes, but is not limited to, livestock exhibited live on the association or society grounds and the carcass of the same animal exhibited later at a place of slaughter off the association or society grounds.

The commissioner of agriculture shall certify to the secretary of the state agricultural society, within 30 days after payments have been made, a list of all county or district agricultural societies that have complied with this chapter, and which are entitled to share in the appropriation. All payments shall be made within three months after the agricultural societies submitted their reports under subdivision 1, clause (2)(f).

Subd. 4. Poultry association or society; premiums aid. A poultry association or society that receives aid in payment of premiums at exhibitions of poultry shall not receive an amount greater than the annual premium paid to exhibitors by it and the amount of aid paid shall not in any case exceed the sum of \$150 to any one county. A society or association to be entitled to its distributive share of aid to poultry associations shall file annually with the commissioner of agriculture by the first day of April of each year a sworn statement signed by the president or secretary of the association or society showing the amount of cash premiums paid during the year to exhibitors. The amount to be distributed to the society or association from the aid appropriation shall be based and determined upon the amount of cash premiums paid out as hereinbefore provided. Except as herein provided, where there is more than one association in a county, the amount allotted to the county, not exceeding \$150, shall be distributed to the societies in equal amounts.
