(1) This chapter shall be liberally construed and applied to promote its underlying purposes and policies.

(2) Underlying purposes and policies of this chapter are

- (a) to simplify, clarify, and modernize the law governing commercial transactions;
- (b) to permit the continued expansion of commercial practices through custom, usage, and agreement of the parties;

(3) The effect of provisions of this chapter may be varied by agreement, except as otherwise provided in this chapter and except that the obligations of good faith, diligence, reasonableness, and care prescribed by this chapter may not be disclaimed by agreement but the parties may by agreement determine the standards by which the performance of such obligations is to be measured if such standards are not manifestly unreasonable.

(4) The presence in certain provisions of this chapter of the words "unless otherwise agreed" or words of similar import does not imply that the effect of other provisions may not be varied by agreement under subsection (3).

(5) In this chapter unless the context otherwise requires

Failing such agreement this chapter applies to transactions bearing an appropriate relation to this state.

(2) Where one of the following provisions of this chapter specifies the applicable law, that provision governs and a contrary agreement is effective only to the extent permitted by the law (including the conflict of laws rules) so specified:

## Article 5 LETTERS OF CREDIT

### 336.5-114 ISSUER’S DUTY AND PRIVILEGE TO HONOR; RIGHT TO REIMBURSEMENT.

(1) An issuer must honor a draft or demand for payment which complies with the terms of the relevant credit regardless of whether the goods or documents conform to the underlying contract for sale or other contract between the customer and the beneficiary. The issuer is not excused from honor of such a draft or demand by reason of an additional general term that all documents must be satisfactory to the issuer, but an issuer may require that specified documents must be satisfactory to it.

(2) Unless otherwise agreed when documents appear on their face to comply with the terms of a credit but a required document does not in fact conform to the warranties made on negotiation or transfer of a document of title (section 336.7-507) or of a certificated security (section 336.8-108) or is forged or fraudulent or there is fraud in the transaction:

(a) the issuer must honor the draft on demand for payment if honor is demanded by a negotiating bank or other holder of the draft or demand which has taken the draft or demand under the credit and under circumstances which would make it a holder in due course (section 336.3-302) and in an appropriate case would make it a person to whom a document of title has been duly negotiated (section 336.7-502) or a bona fide purchaser of a certificated security (section 336.8-302); and

(b) in all other cases as against its customer, an issuer acting in good faith may honor the draft or demand for payment despite notification from the customer of fraud, forgery or other defect not apparent on the face of the documents but a court of appropriate jurisdiction may enjoin such honor.

(3) Unless otherwise agreed an issuer which has duly honored a draft or demand for payment is entitled to immediate reimbursement of any payment made under the credit and to be put in effectively available funds not later than the day before maturity of any acceptance made under the credit.

(4) When a credit provides for payment by the issuer on receipt of notice that the required documents are in the possession of a correspondent or other agent of the issuer

(a) any payment made on receipt of such notice is conditional; and

(b) the issuer may reject documents which do not comply with the credit if it does so within three banking days following its receipt of the documents; and

(c) in the event of such rejection, the issuer is entitled by chargeback or otherwise to return of the payment made.

(5) In the case covered by subsection (4) failure to reject documents within the time specified in subparagraph (b) constitutes acceptance of the documents and makes the payment final in favor of the beneficiary.

- (i) a clearing corporation; or

(i) which is represented by a security certificate in bearer or registered form, or the transfer of which may be registered upon books maintained for that purpose by or on behalf of the issuer;

(ii) which is one of a class or series or by its terms is divisible into a class or series of shares, participations, interests, or obligations; and

(iii) which:

- (A) is, or is of a type, dealt in or traded on securities exchanges or securities markets; or

**336.8-103 RULES FOR DETERMINING WHETHER CERTAIN OBLIGATIONS AND INTERESTS ARE SECURITIES OR FINANCIAL ASSETS.**

(a) A share or similar equity interest issued by a corporation, business trust, joint stock company, or similar entity is a security.

(b) An "investment company security" is a security. "Investment company security" means a share or similar equity interest issued by an entity that is registered as an investment company under the federal investment company laws, an interest in a unit investment trust that is so registered, or a face-amount certificate issued by a face-amount certificate company that is so registered. Investment company security does not include an insurance policy or endowment policy or annuity contract issued by an insurance company.

(c) An interest in a partnership or limited liability company is not a security unless it is dealt in or traded on securities exchanges or in securities markets, its terms expressly provide that it is a security governed by this article, or it is an investment company security. However, an interest in a partnership or limited liability company is a financial asset if it is held in a securities account.

(d) A writing that is a security certificate is governed by this article and not by article 3, even though it also meets the requirements of that article. However, a negotiable instrument governed by article 3 is a financial asset if it is held in a securities account.

(e) An option or similar obligation issued by a clearing corporation to its participants is not a security, but is a financial asset.

(f) A commodity contract, as defined in section 336.9-115, is not a security or a financial asset.

**336.8-104 ACQUISITION OF SECURITY OR FINANCIAL ASSET OR INTEREST THEREIN.**

(a) A person acquires a security or an interest therein, under this article, if:

(1) the person is a purchaser to whom a security is delivered pursuant to section 336.8-301; or

(2) the person acquires a security entitlement to the security pursuant to section 336.8-501.

(b) A person acquires a financial asset, other than a security, or an interest therein, under this article, if the person acquires a security entitlement to the financial asset.

(c) A person who acquires a security entitlement to a security or other financial asset has the rights specified in part 5, but is a purchaser of any security, security entitlement, or other financial asset held by the securities intermediary only to the extent provided in section 336.8-503.

(d) Unless the context shows that a different meaning is intended, a person who is required by other law, regulation, rule, or agreement to transfer, deliver, present, surrender, exchange, or otherwise put in the possession of another person a security or financial asset satisfies that requirement by causing the other person to acquire an interest in the security or financial asset pursuant to subsection (a) or (b).

**336.8-105 NOTICE OF ADVERSE CLAIM.**

(a) A person has notice of an adverse claim if:

(1) the person knows of the adverse claim;

(2) the person is aware of facts sufficient to indicate that there is a significant probability that the adverse claim exists and deliberately avoids information that would establish the existence of the adverse claim; or

(3) the person has a duty, imposed by statute or regulation, to investigate whether an adverse claim exists, and the investigation so required would establish the existence of the adverse claim.

(b) Having knowledge that a financial asset or interest therein is or has been transferred by a representative imposes no duty of inquiry into the rightfulness of a transaction and is not notice of an adverse claim. However, a person who knows that a representative has transferred a financial asset or interest therein in a transaction that is, or whose proceeds are being used, for the individual benefit of the representative or otherwise in breach of duty has notice of an adverse claim.

(c) An act or event that creates a right to immediate performance of the principal obligation represented by a security certificate or sets a date on or after which the certificate is to be presented or surrendered for redemption or exchange does not itself constitute notice of an adverse claim except in the case of a transfer more than:

(1) one year after a date set for presentment or surrender for redemption or exchange; or

(2) six months after a date set for payment of money against presentation or surrender of the certificate, if money was available for payment on that date.

(d) A purchaser of a certificated security has notice of an adverse claim if the security certificate:

(1) whether in bearer or registered form, has been endorsed "for collection" or "for surrender" or for some other purpose not involving transfer; or

(2) is in bearer form and has on it an unambiguous statement that it is the property of a person other than the transferor, but the mere writing of a name on the certificate is not such a statement.

(e) Filing of a financing statement under article 9 is not notice of an adverse claim to a financial asset.

### **336.8-106 CONTROL.**

(a) A purchaser has "control" of a certificated security in bearer form if the certificated security is delivered to the purchaser.

(b) A purchaser has "control" of a certificated security in registered form if the certificated security is delivered to the purchaser, and:

(1) the certificate is endorsed to the purchaser or in blank by an effective endorsement;

or

(2) the certificate is registered in the name of the purchaser, upon original issue or registration of transfer by the issuer.

(c) A purchaser has "control" of an uncertificated security if:

(1) the uncertificated security is delivered to the purchaser; or

(2) the issuer has agreed that it will comply with instructions originated by the purchaser without further consent by the registered owner.

(d) A purchaser has "control" of a security entitlement if:

(1) the purchaser becomes the entitlement holder; or

(2) the securities intermediary has agreed that it will comply with entitlement orders originated by the purchaser without further consent by the entitlement holder.

(e) If an interest in a security entitlement is granted by the entitlement holder to the entitlement holder's own securities intermediary, the securities intermediary has control.

(f) A purchaser who has satisfied the requirements of subsection (c)(2) or (d)(2) has control even if the registered owner in the case of subsection (c)(2) or the entitlement holder

in the case of subsection (d)(2) retains the right to make substitutions for the uncertificated security or security entitlement, to originate instructions or entitlement orders to the issuer or securities intermediary, or otherwise to deal with the uncertificated security or security entitlement.

(g) An issuer or a securities intermediary may not enter into an agreement of the kind described in subsection (c)(2) or (d)(2) without the consent of the registered owner or entitlement holder, but an issuer or a securities intermediary is not required to enter into such an agreement even though the registered owner or entitlement holder so directs. An issuer or securities intermediary that has entered into such an agreement is not required to confirm the existence of the agreement to another party unless requested to do so by the registered owner or entitlement holder.

**336.8-107 WHETHER ENDORSEMENT, INSTRUCTION, OR ENTITLEMENT ORDER IS EFFECTIVE.**

(a) "Appropriate person" means:

(1) with respect to an endorsement, the person specified by a security certificate or by an effective special endorsement to be entitled to the security;

(2) with respect to an instruction, the registered owner of an uncertificated security;

(3) with respect to an entitlement order, the entitlement holder;

(4) if the person designated in paragraph (1), (2), or (3) is deceased, the designated person's successor taking under other law or the designated person's personal representative acting for the estate of the decedent; or

(5) if the person designated in paragraph (1), (2), or (3) lacks capacity, the designated person's guardian, conservator, or other similar representative who has power under other law to transfer the security or financial asset.

(b) An endorsement, instruction, or entitlement order is effective if:

(1) it is made by the appropriate person;

(2) it is made by a person who has power under the law of agency to transfer the security or financial asset on behalf of the appropriate person, including, in the case of an instruction or entitlement order, a person who has control under section 336.8-106(c)(2) or (d)(2); or

(3) the appropriate person has ratified it or is otherwise precluded from asserting its ineffectiveness.

(c) An endorsement, instruction, or entitlement order made by a representative is effective even if:

(1) the representative has failed to comply with a controlling instrument or with the law of the state having jurisdiction of the representative relationship, including any law requiring the representative to obtain court approval of the transaction; or

(2) the representative's action in making the endorsement, instruction, or entitlement order or using the proceeds of the transaction is otherwise a breach of duty.

(d) If a security is registered in the name of or specially endorsed to a person described as a representative, or if a securities account is maintained in the name of a person described as a representative, an endorsement, instruction, or entitlement order made by the person is effective even though the person is no longer serving in the described capacity.

(e) Effectiveness of an endorsement, instruction, or entitlement order is determined as of the date the endorsement, instruction, or entitlement order is made, and an endorsement, instruction, or entitlement order does not become ineffective by reason of any later change of circumstances.

- (1) the certificate is genuine and has not been materially altered;
- (2) the transferor or endorser does not know of any fact that might impair the validity of the security;
- (3) there is no adverse claim to the security;
- (4) the transfer does not violate any restriction on transfer;

  - (iii) the transfer will not violate any restriction on transfer; and
  - (iv) the requested transfer will otherwise be effective and rightful.

(c) A person who transfers an uncertificated security to a purchaser for value and does not originate an instruction in connection with the transfer warrants that:

- (1) the uncertificated security is valid;
- (2) there is no adverse claim to the security;
- (3) the transfer does not violate any restriction on transfer; and
- (4) the transfer is otherwise effective and rightful.

(d) A person who endorses a security certificate warrants to the issuer that:

- (1) there is no adverse claim to the security; and
- (2) the endorsement is effective.

(e) A person who originates an instruction for registration of transfer of an uncertificated security warrants to the issuer that:

- (1) the instruction is effective; and
- (2) at the time the instruction is presented to the issuer the purchaser will be entitled to the registration of transfer.

(f) A person who presents a certificated security for registration of transfer or for payment or exchange warrants to the issuer that the person is entitled to the registration, payment, or exchange, but a purchaser for value and without notice of adverse claims to whom transfer is registered warrants only that the person has no knowledge of any unauthorized signature in a necessary endorsement.

(g) If a person acts as agent of another in delivering a certificated security to a purchaser, the identity of the principal was known to the person to whom the certificate was delivered, and the certificate delivered by the agent was received by the agent from the principal or received by the agent from another person at the direction of the principal, the person delivering the security certificate warrants only that the delivering person has authority to act for the principal and does not know of any adverse claim to the certificated security.

(c) If a securities intermediary delivers a security certificate to its entitlement holder or causes its entitlement holder to be registered as the owner of an uncertificated security, the securities intermediary makes to the entitlement holder the warranties specified in section 336.8-108(a) or (b).

**History:** 1995 c 194 art 1 s 9

### 336.8-110 APPLICABILITY; CHOICE OF LAW.

(a) The local law of the issuer's jurisdiction, as specified in subsection (d), governs:

(1) the validity of a security;

(2) the rights and duties of the issuer with respect to registration of transfer;

(3) the effectiveness of registration of transfer by the issuer;

(4) whether the issuer owes any duties to an adverse claimant to a security; and

(5) whether an adverse claim can be asserted against a person to whom transfer of a certificated or uncertificated security is registered or a person who obtains control of an uncertificated security.

(b) The local law of the securities intermediary's jurisdiction, as specified in subsection (e), governs:

(1) acquisition of a security entitlement from the securities intermediary;

(2) the rights and duties of the securities intermediary and entitlement holder arising out of a security entitlement;

(3) whether the securities intermediary owes any duties to an adverse claimant to a security entitlement; and

(4) whether an adverse claim can be asserted against a person who acquires a security entitlement from the securities intermediary or a person who purchases a security entitlement or interest therein from an entitlement holder.

(c) The local law of the jurisdiction in which a security certificate is located at the time of delivery governs whether an adverse claim can be asserted against a person to whom the security certificate is delivered.

(d) "Issuer's jurisdiction" means the jurisdiction under which the issuer of the security is organized or, if permitted by the law of that jurisdiction, the law of another jurisdiction specified by the issuer. An issuer organized under the law of this state may specify the law of another jurisdiction as the law governing the matters specified in subsection (a)(2) through (5).

(e) The following rules determine a "securities intermediary's jurisdiction" for purposes of this section:

(1) If an agreement between the securities intermediary and its entitlement holder specifies that it is governed by the law of a particular jurisdiction, that jurisdiction is the securities intermediary's jurisdiction.

(2) If an agreement between the securities intermediary and its entitlement holder does not specify the governing law as provided in paragraph (1), but expressly specifies that the securities account is maintained at an office in a particular jurisdiction, that jurisdiction is the securities intermediary's jurisdiction.

(3) If an agreement between the securities intermediary and its entitlement holder does not specify a jurisdiction as provided in paragraph (1) or (2), the securities intermediary's jurisdiction is the jurisdiction in which is located the office identified in an account statement as the office serving the entitlement holder's account.

(4) If an agreement between the securities intermediary and its entitlement holder does not specify a jurisdiction as provided in paragraph (1) or (2) and an account statement does not identify an office serving the entitlement holder's account as provided in paragraph (3), the securities intermediary's jurisdiction is the jurisdiction in which is located the chief executive office of the securities intermediary.

(f) A securities intermediary's jurisdiction is not determined by the physical location of certificates representing financial assets, or by the jurisdiction in which is organized the issuer of the financial asset with respect to which an entitlement holder has a security entitlement, or by the location of facilities for data processing or other recordkeeping concerning the account.

### 336.8-111 CLEARING CORPORATION RULES.

A rule adopted by a clearing corporation governing rights and obligations among the clearing corporation and its participants in the clearing corporation is effective even if the rule conflicts with this chapter and affects another party who does not consent to the rule.

**History:** 1995 c 194 art 1 s 11

### 336.8-112 CREDITOR'S LEGAL PROCESS.

(a) The interest of a debtor in a certificated security may be reached by a creditor only by actual seizure of the security certificate by the officer making the attachment or levy, except as otherwise provided in subsection (d). However, a certificated security for which the certificate has been surrendered to the issuer may be reached by a creditor by legal process upon the issuer.

(b) The interest of a debtor in an uncertificated security may be reached by a creditor only by legal process upon the issuer at its chief executive office in the United States, except as otherwise provided in subsection (d).

(c) The interest of a debtor in a security entitlement may be reached by a creditor only by legal process upon the securities intermediary with whom the debtor's securities account is maintained, except as otherwise provided in subsection (d).

(d) The interest of a debtor in a certificated security for which the certificate is in the possession of a secured party, or in an uncertificated security registered in the name of a secured party, or a security entitlement maintained in the name of a secured party, may be reached by a creditor by legal process upon the secured party.

(e) A creditor whose debtor is the owner of a certificated security, uncertificated security, or security entitlement is entitled to aid from a court of competent jurisdiction, by injunction or otherwise, in reaching the certificated security, uncertificated security, or security entitlement or in satisfying the claim by means allowed at law or in equity in regard to property that cannot readily be reached by other legal process.

### 336.8-113 STATUTE OF FRAUDS INAPPLICABLE.

A contract or modification of a contract for the sale or purchase of a security is enforceable whether or not there is a writing signed or record authenticated by a party against whom enforcement is sought, even if the contract or modification is not capable of performance within one year of its making.

**History:** 1995 c 194 art 1 s 13

**336.8-114 EVIDENTIARY RULES CONCERNING CERTIFICATED SECURITIES.**

The following rules apply in an action on a certificated security against the issuer:

(1) Unless specifically denied in the pleadings, each signature on a security certificate or in a necessary endorsement is admitted.

(2) If the effectiveness of a signature is put in issue, the burden of establishing effectiveness is on the party claiming under the signature, but the signature is presumed to be genuine or authorized.

(3) If signatures on a security certificate are admitted or established, production of the certificate entitles a holder to recover on it unless the defendant establishes a defense or a defect going to the validity of the security.

(4) If it is shown that a defense or defect exists, the plaintiff has the burden of establishing that the plaintiff or some person under whom the plaintiff claims is a person against whom the defense or defect cannot be asserted.

**History:** 1995 c 194 art 1 s 14

**336.8-115 SECURITIES INTERMEDIARY AND OTHERS NOT LIABLE TO ADVERSE CLAIMANT.**

A securities intermediary that has transferred a financial asset pursuant to an effective entitlement order, or a broker or other agent or bailee that has dealt with a financial asset at the direction of its customer or principal, is not liable to a person having an adverse claim to the financial asset, unless the securities intermediary, or broker or other agent or bailee:

(1) took the action after it had been served with an injunction, restraining order, or other legal process enjoining it from doing so, issued by a court of competent jurisdiction, and had a reasonable opportunity to act on the injunction, restraining order, or other legal process; or

(2) acted in collusion with the wrongdoer in violating the rights of the adverse claimant; or

(3) in the case of a security certificate that has been stolen, acted with notice of the adverse claim.

**History:** 1995 c 194 art 1 s 15

**336.8-116 SECURITIES INTERMEDIARY AS PURCHASER FOR VALUE.**

A securities intermediary that receives a financial asset and establishes a security entitlement to the financial asset in favor of an entitlement holder is a purchaser for value of the financial asset. A securities intermediary that acquires a security entitlement to a financial asset from another securities intermediary acquires the security entitlement for value if the securities intermediary acquiring the security entitlement establishes a security entitlement to the financial asset in favor of an entitlement holder.

ISSUE - ISSUER**

**336.8-201 MS 1994 [Repealed, 1995 c 194 art 1 s 53]**

**336.8-201 ISSUER.**

(a) With respect to an obligation on or a defense to a security, an "issuer" includes a person that:

(1) places or authorizes the placing of its name on a security certificate, other than as authenticating trustee, registrar, transfer agent, or the like, to evidence a share, participation, or other interest in its property or in an enterprise, or to evidence its duty to perform an obligation represented by the certificate;

(2) creates a share, participation, or other interest in its property or in an enterprise, or undertakes an obligation, that is an uncertificated security;

(3) directly or indirectly creates a fractional interest in its rights or property, if the fractional interest is represented by a security certificate; or

(4) becomes responsible for, or in place of, another person described as an issuer in this section.

(b) With respect to an obligation on or defense to a security, a guarantor is an issuer to the extent of its guaranty, whether or not its obligation is noted on a security certificate.

(c) With respect to a registration of a transfer, issuer means a person on whose behalf transfer books are maintained.

**336.8-202 ISSUER'S RESPONSIBILITY AND DEFENSES; NOTICE OF DEFECT OR DEFENSE.**

(a) Even against a purchaser for value and without notice, the terms of a certificated security include terms stated on the certificate and terms made part of the security by reference on the certificate to another instrument, indenture, or document or to a constitution, statute, ordinance, rule, regulation, order, or the like, to the extent the terms referred to do not conflict with terms stated on the certificate. A reference under this subsection does not of itself charge a purchaser for value with notice of a defect going to the validity of the security, even if the certificate expressly states that a person accepting it admits notice. The terms of an uncertificated security include those stated in any instrument, indenture, or document or in a constitution, statute, ordinance, rule, regulation, order, or the like, pursuant to which the security is issued.

(b) The following rules apply if an issuer asserts that a security is not valid:

(1) A security other than one issued by a government or governmental subdivision, agency, or instrumentality, even though issued with a defect going to its validity, is valid in the hands of a purchaser for value and without notice of the particular defect unless the defect involves a violation of a constitutional provision. In that case, the security is valid in the hands of a purchaser for value and without notice of the defect, other than one who takes by original issue.

(2) Paragraph (1) applies to an issuer that is a government or governmental subdivision, agency, or instrumentality only if there has been substantial compliance with the legal requirements governing the issue or the issuer has received a substantial consideration for the issue as a whole or for the particular security and a stated purpose of the issue is one for which the issuer has power to borrow money or issue the security.

(c) Except as otherwise provided in section 336.8-205, lack of genuineness of a certificated security is a complete defense, even against a purchaser for value and without notice.

(d) All other defenses of the issuer of a security, including nondelivery and conditional delivery of a certificated security, are ineffective against a purchaser for value who has taken the certificated security without notice of the particular defense.

(e) This section does not affect the right of a party to cancel a contract for a security "when, as and if issued" or "when distributed" in the event of a material change in the character of the security that is the subject of the contract or in the plan or arrangement pursuant to which the security is to be issued or distributed.

(f) If a security is held by a securities intermediary against whom an entitlement holder has a security entitlement with respect to the security, the issuer may not assert any defense that the issuer could not assert if the entitlement holder held the security directly.

**336.8-203 STALENESS AS NOTICE OF DEFECT OR DEFENSE.**

After an act or event, other than a call that has been revoked, creating a right to immediate performance of the principal obligation represented by a certificated security or setting a date on or after which the security is to be presented or surrendered for redemption or ex-

change, a purchaser is charged with notice of any defect in its issue or defense of the issuer, if the act or event:

(1) requires the payment of money, the delivery of a certificated security, the registration of transfer of an uncertificated security, or any of them on presentation or surrender of the security certificate, the money or security is available on the date set for payment or exchange, and the purchaser takes the security more than one year after that date; or

(2) is not covered by paragraph (1) and the purchaser takes the security more than two years after the date set for surrender or presentation or the date on which performance became due.

**336.8-204 EFFECT OF ISSUER'S RESTRICTION ON TRANSFER.**

A restriction on transfer of a security imposed by the issuer, even if otherwise lawful, is ineffective against a person without knowledge of the restriction unless:

(1) the security is certificated and the restriction is noted conspicuously on the security certificate; or

(2) the security is uncertificated and the registered owner has been notified of the restriction.

**336.8-205 EFFECT OF UNAUTHORIZED SIGNATURE ON SECURITY CERTIFICATE.**

An unauthorized signature placed on a security certificate before or in the course of issue is ineffective, but the signature is effective in favor of a purchaser for value of the certificated security if the purchaser is without notice of the lack of authority and the signing has been done by:

(1) an authenticating trustee, registrar, transfer agent, or other person entrusted by the issuer with the signing of the security certificate or of similar security certificates, or the immediate preparation for signing of any of them; or

(2) an employee of the issuer, or of any of the persons listed in paragraph (1), entrusted with responsible handling of the security certificate.

**336.8-206 COMPLETION OR ALTERATION OF SECURITY CERTIFICATE.**

(a) If a security certificate contains the signatures necessary to its issue or transfer but is incomplete in any other respect:

(1) any person may complete it by filling in the blanks as authorized; and

(2) even if the blanks are incorrectly filled in, the security certificate as completed is enforceable by a purchaser who took it for value and without notice of the incorrectness.

(b) A complete security certificate that has been improperly altered, even if fraudulently, remains enforceable, but only according to its original terms.

**History:** 1995 c 194 art 1 s 22

**336.8-207 MS 1994** [Repealed, 1995 c 194 art 1 s 53]

**336.8-207 RIGHTS AND DUTIES OF ISSUER WITH RESPECT TO REGISTERED OWNERS.**

(a) Before due presentment for registration of transfer of a certificated security in registered form or of an instruction requesting registration of transfer of an uncertificated security,

the issuer or indenture trustee may treat the registered owner as the person exclusively entitled to vote, receive notifications, and otherwise exercise all the rights and power of an owner.

(b) This article does not affect the liability of the registered owner of a security for a call, assessment, or the like.

**History:** 1995 c 194 art 1 s 23

**336.8-208 EFFECT OF SIGNATURE OF AUTHENTICATING TRUSTEE, REGISTRAR, OR TRANSFER AGENT.**

(a) A person signing a security certificate as authenticating trustee, registrar, transfer agent, or the like, warrants to a purchaser for value of the certificated security, if the purchaser is without notice of a particular defect, that:

- (1) the certificate is genuine;
- (2) the person's own participation in the issue of the security is within the person's capacity and within the scope of the authority received by the person from the issuer; and
- (3) the person has reasonable grounds to believe that the certificated security is in the form and within the amount the issuer is authorized to issue.

(b) Unless otherwise agreed, a person signing under subsection (a) does not assume responsibility for the validity of the security in other respects.

**History:** 1995 c 194 art 1 s 24

**336.8-209 ISSUER'S LIEN.**

A lien in favor of an issuer upon a certificated security is valid against a purchaser only if the right of the issuer to the lien is noted conspicuously on the security certificate.

**History:** 1995 c 194 art 1 s 25

**336.8-210 OVERISSUE.**

(a) In this section, "overissue" means the issue of securities in excess of the amount the issuer has corporate power to issue, but an overissue does not occur if appropriate action has cured the overissue.

(b) Except as otherwise provided in subsections (c) and (d), the provisions of this article which validate a security or compel its issue or reissue do not apply to the extent that validation, issue, or reissue would result in overissue.

(c) If an identical security not constituting an overissue is reasonably available for purchase, a person entitled to issue or validation may compel the issuer to purchase the security and deliver it if certificated, or register its transfer if uncertificated, against surrender of any security certificate the person holds.

(d) If a security is not reasonably available for purchase, a person entitled to issue or validation may recover from the issuer the price the person or the last purchaser for value paid for it with interest from the date of the person's demand.

**336.8-301 DELIVERY.**

(a) Delivery of a certificated security to a purchaser occurs when:

- (1) the purchaser acquires possession of the security certificate;
- (2) another person, other than a securities intermediary, either acquires possession of the security certificate on behalf of the purchaser or, having previously acquired possession of the certificate, acknowledges that it holds for the purchaser; or

(3) a securities intermediary acting on behalf of the purchaser acquires possession of the security certificate, only if the certificate is in registered form and has been specially endorsed to the purchaser by an effective endorsement.

(b) Delivery of an uncertificated security to a purchaser occurs when:

(1) the issuer registers the purchaser as the registered owner, upon original issue or registration of transfer; or

(2) another person, other than a securities intermediary, either becomes the registered owner of the uncertificated security on behalf of the purchaser or, having previously become the registered owner, acknowledges that it holds for the purchaser.

**336.8-302 RIGHTS OF PURCHASER.**

(a) Except as otherwise provided in subsections (b) and (c), upon delivery of a certificated or uncertificated security to a purchaser, the purchaser acquires all rights in the security that the transferor had or had power to transfer.

(b) A purchaser of a limited interest acquires rights only to the extent of the interest purchased.

(c) A purchaser of a certificated security who as a previous holder had notice of an adverse claim does not improve its position by taking from a protected purchaser.

**336.8-303 MS 1994 [Repealed, 1995 c 194 art 1 s 53]**

**336.8-303 PROTECTED PURCHASER.**

(a) "Protected purchaser" means a purchaser of a certificated or uncertificated security, or of an interest therein, who:

(1) gives value;

(2) does not have notice of any adverse claim to the security; and

(3) obtains control of the certificated or uncertificated security.

(b) In addition to acquiring the rights of a purchaser, a protected purchaser also acquires its interest in the security free of any adverse claim.

**336.8-304 MS 1994 [Repealed, 1995 c 194 art 1 s 53]**

**336.8-304 ENDORSEMENT.**

(a) An endorsement may be in blank or special. An endorsement in blank includes an endorsement to bearer. A special endorsement specifies to whom a security is to be transferred or who has power to transfer it. A holder may convert a blank endorsement to a special endorsement.

(b) An endorsement purporting to be only part of a security certificate representing units intended by the issuer to be separately transferable is effective to the extent of the endorsement.

(c) An endorsement, whether special or in blank, does not constitute a transfer until delivery of the certificate on which it appears or, if the endorsement is on a separate document, until delivery of both the document and the certificate.

(d) If a security certificate in registered form has been delivered to a purchaser without a necessary endorsement, the purchaser may become a protected purchaser only when the endorsement is supplied. However, against a transferor, a transfer is complete upon delivery and the purchaser has a specifically enforceable right to have any necessary endorsement supplied.

(e) An endorsement of a security certificate in bearer form may give notice of an adverse claim to the certificate, but it does not otherwise affect a right to registration that the holder possesses.

(f) Unless otherwise agreed, a person making an endorsement assumes only the obligations provided in section 336.8-108 and not an obligation that the security will be honored by the issuer.

### 336.8-305 INSTRUCTION.

(a) If an instruction has been originated by an appropriate person but is incomplete in any other respect, any person may complete it as authorized and the issuer may rely on it as completed, even though it has been completed incorrectly.

(b) Unless otherwise agreed, a person initiating an instruction assumes only the obligations imposed by section 336.8-108 and not an obligation that the security will be honored by the issuer.

### 336.8-306 EFFECT OF GUARANTEEING SIGNATURE, ENDORSEMENT, OR INSTRUCTION.

(a) A person who guarantees a signature of an endorser of a security certificate warrants that at the time of signing:

(1) the signature was genuine;

(2) the signer was an appropriate person to endorse, or if the signature is by an agent, the agent had actual authority to act on behalf of the appropriate person; and

(3) the signer had legal capability to sign.

(b) A person who guarantees a signature of the originator of an instruction warrants that at the time of signing:

(1) the signature was genuine;

(2) the signer was an appropriate person to originate the instruction, or if the signature is by an agent, the agent had actual authority to act on behalf of the appropriate person, if the person specified in the instruction as the registered owner was, in fact, the registered owner, as to which fact the signature guarantor does not make a warranty; and

(3) the signer had legal capacity to sign.

(c) A person who specially guarantees the signature of an originator of an instruction makes the warranties of a signature guarantor under subsection (b) and also warrants that at the time the instruction is presented to the issuer:

(1) the person specified in the instruction as the registered owner of the uncertificated security will be the registered owner; and

(2) the transfer of the uncertificated security requested in the instruction will be registered by the issuer free from all liens, security interests, restrictions, and claims other than those specified in the instruction.

(d) A guarantor under subsections (a) and (b) or a special guarantor under subsection (c) does not otherwise warrant the rightfulness of the transfer.

(e) A person who guarantees an endorsement of a security certificate makes the warranties of a signature guarantor under subsection (a) and also warrants the rightfulness of the transfer in all respects.

(f) A person who guarantees an instruction requesting the transfer of an uncertificated security makes the warranties of a special signature guarantor under subsection (c) and also warrants the rightfulness of the transfer in all respects.

(g) An issuer may not require a special guaranty of signature, a guaranty of endorsement, or a guaranty of instruction as a condition to registration of transfer.

(h) The warranties under this section are made to a person taking or dealing with the security in reliance on the guaranty, and the guarantor is liable to the person for loss resulting from their breach. An endorser or originator of an instruction whose signature, endorsement,

or instruction has been guaranteed is liable to a guarantor for any loss suffered by the guarantor as a result of breach of the warranties of the guarantor.

**336.8-401 DUTY OF ISSUER TO REGISTER TRANSFER.**

(a) If a certificated security in registered form is presented to an issuer with a request to register transfer or an instruction is presented to an issuer with a request to register transfer of an uncertificated security, the issuer shall register the transfer as requested if:

(1) under the terms of the security, the person seeking registration of transfer is eligible to have the security registered in its name;

(2) the endorsement or instruction is made by the appropriate person or by an agent who has actual authority to act on behalf of the appropriate person;

(3) reasonable assurance is given that the endorsement or instruction is genuine and authorized (section 336.8-402);

(4) any applicable law relating to the collection of taxes has been complied with;

(5) the transfer does not violate any restriction on transfer imposed by the issuer in accordance with section 336.8-204;

(6) a demand that the issuer not register transfer has not become effective under section 336.8-403, or the issuer has complied with section 336.8-403(b) but no legal process or indemnity bond is obtained as provided in section 336.8-403(d); and

(7) the transfer is in fact rightful or is to a protected purchaser.

(b) If an issuer is under a duty to register a transfer of a security, the issuer is liable to a person presenting a certificated security or an instruction for registration or to the person's principal for loss resulting from unreasonable delay in registration or failure or refusal to register the transfer.

**336.8-402 ASSURANCE THAT ENDORSEMENT OR INSTRUCTION IS EFFECTIVE.**

(a) An issuer may require the following assurance that each necessary endorsement of each instruction is genuine and authorized:

(1) in all cases, a guaranty of the signature of the person making an endorsement or originating an instruction including, in the case of an instruction, reasonable assurance of identity;

(2) if the endorsement is made or the instruction is originated by an agent, appropriate assurance of actual authority to sign;

(3) if the endorsement is made or the instruction is originated by a fiduciary pursuant to section 336.8-107(a)(4) or (a)(5), appropriate evidence of appointment or incumbency;

(4) if there is more than one fiduciary, reasonable assurance that all who are required to sign have done so; and

(5) if the endorsement is made or the instruction is originated by a person not covered by another provision of this subsection, assurance appropriate to the case corresponding as nearly as may be to the provisions of this subsection.

(b) An issuer may elect to require reasonable assurance beyond that specified in this section.

(c) In this section:

(1) "Guaranty of the signature" means a guaranty signed by or on behalf of a person reasonably believed by the issuer to be responsible. An issuer may adopt standards with respect to responsibility if they are not manifestly unreasonable.

(2) "Appropriate evidence of appointment or incumbency" means:

(i) in the case of a fiduciary appointed or qualified by a court, a certificate issued by or under the direction or supervision of the court or an officer thereof and dated within 60 days before the date of presentation for transfer; or

(ii) in any other case, a copy of a document showing the appointment or a certificate issued by or on behalf of a person reasonably believed by an issuer to be responsible or, in the absence of that document or certificate, other evidence the issuer reasonably considered appropriate.

**336.8-403 DEMAND THAT ISSUER NOT REGISTER TRANSFER.**

(a) A person who is an appropriate person to make an endorsement or originate an instruction may demand that the issuer not register transfer of a security by communicating to the issuer a notification that identifies the registered owner and the issue of which the security is a part and provides an address for communications directed to the person making the demand. The demand is effective only if it is received by the issuer at a time and in a manner affording the issuer reasonable opportunity to act on it.

(b) If a certificated security in registered form is presented to an issuer with a request to register transfer or an instruction is presented to an issuer with a request to register transfer of an uncertificated security after a demand that the issuer not register transfer has become effective, the issuer shall promptly communicate to (i) the person who initiated the demand at the address provided in the demand and (ii) the person who presented the security for regis-

tration of transfer or initiated the instruction requesting registration of transfer a notification stating that:

(1) the certificated security has been presented for registration of transfer or the instruction for registration of transfer of the uncertificated security has been received;

(2) a demand that the issuer not register transfer had previously been received; and

(3) the issuer will withhold registration of transfer for a period of time stated in the notification in order to provide the person who initiated the demand an opportunity to obtain legal process or an indemnity bond.

(c) The period described in subsection (b)(3) may not exceed 30 days after the date of communication of the notification. A shorter period may be specified by the issuer if it is not manifestly unreasonable.

(d) An issuer is not liable to a person who initiated a demand that the issuer not register transfer for any loss the person suffers as a result of registration of a transfer pursuant to an effective endorsement or instruction if the person who initiated the demand does not, within the time stated in the issuer's communication, either:

(1) obtain an appropriate restraining order, injunction, or other process from a court of competent jurisdiction enjoining the issuer from registering the transfer; or

(2) file with the issuer an indemnity bond, sufficient in the issuer's judgment to protect the issuer and any transfer agent, registrar, or other agent of the issuer involved from any loss it or they may suffer by refusing to register the transfer.

(e) This section does not relieve an issuer from liability for registering transfer pursuant to an endorsement or instruction that was not effective.

### **336.8-404 WRONGFUL REGISTRATION.**

(a) Except as otherwise provided in section 336.8-406, an issuer is liable for wrongful registration of transfer if the issuer has registered a transfer of a security to a person not entitled to it, and the transfer was registered:

(1) pursuant to an ineffective endorsement or instruction;

(2) after a demand that the issuer not register transfer became effective under section 336.8-403(a) and the issuer did not comply with section 336.8-403(b);

(3) after the issuer had been served with an injunction, restraining order, or other legal process enjoining it from registering the transfer, issued by a court of competent jurisdiction, and the issuer had a reasonable opportunity to act on the injunction, restraining order, or other legal process; or

(4) by an issuer acting in collusion with the wrongdoer.

(b) An issuer that is liable for wrongful registration of transfer under subsection (a) on demand shall provide the person entitled to the security with a like certificated or uncertificated security, and any payments or distributions that the person did not receive as a result of the wrongful registration. If an overissue would result, the issuer's liability to provide the person with a like security is governed by section 336.8-210.

(c) Except as otherwise provided in subsection (a) or in a law relating to the collection of taxes, an issuer is not liable to an owner or other person suffering loss as a result of the registration of a transfer of a security if registration was made pursuant to an effective endorsement or instruction.

### **336.8-405 REPLACEMENT OF LOST, DESTROYED, OR WRONGFULLY TAKEN SECURITY CERTIFICATE.**

(a) If an owner of a certificated security, whether in registered or bearer form, claims that the certificate has been lost, destroyed, or wrongfully taken, the issuer shall issue a new certificate if the owner:

- (1) so requests before the issuer has notice that the certificate has been acquired by a protected purchaser;
- (2) files with the issuer a sufficient indemnity bond; and
- (3) satisfies other reasonable requirements imposed by the issuer.

(b) If, after the issue of a new security certificate, a protected purchaser of the original certificate presents it for registration of transfer, the issuer shall register the transfer unless an overissue would result. In that case, the issuer's liability is governed by section 336.8-210. In addition to any rights on the indemnity bond, an issuer may recover the new certificate from a person to whom it was issued or any person taking under that person, except a protected purchaser.

**336.8-406 OBLIGATION TO NOTIFY ISSUER OF LOST, DESTROYED, OR WRONGFULLY TAKEN SECURITY CERTIFICATE.**

If a security certificate has been lost, apparently destroyed, or wrongfully taken, and the owner fails to notify the issuer of that fact within a reasonable time after the owner has notice of it and the issuer registers a transfer of the security before receiving notification, the owner may not assert against the issuer a claim for registering the transfer under section 336.8-404 or a claim to a new security certificate under section 336.8-405.

A person acting as authenticating trustee, transfer agent, registrar, or other agent for an issuer in the registration of a transfer of its securities, in the issue of new security certificates or uncertificated securities, or in the cancellation of surrendered security certificates has the same obligation to the holder or owner of a certificated or uncertificated security with regard to the particular functions performed as the issuer has in regard to those functions.

**Part 5**

**SECURITY ENTITLEMENTS**

**336.8-501 SECURITIES ACCOUNT; ACQUISITION OF SECURITY ENTITLEMENT FROM SECURITIES INTERMEDIARY.**

(a) "Securities account" means an account to which a financial asset is or may be credited in accordance with an agreement under which the person maintaining the account undertakes to treat the person for whom the account is maintained as entitled to exercise the rights that comprise the financial asset.

(b) Except as otherwise provided in subsections (d) and (e), a person acquires a security entitlement if a securities intermediary:

- (1) indicates by book entry that a financial asset has been credited to the person's securities account;
- (2) receives a financial asset from the person or acquires a financial asset for the person and, in either case, accepts it for credit to the person's securities account; or
- (3) becomes obligated under other law, regulation, or rule to credit a financial asset to the person's securities account.

(c) If a condition of subsection (b) has been met, a person has a security entitlement even though the securities intermediary does not itself hold the financial asset.

(d) If a securities intermediary holds a financial asset for another person, and the financial asset is registered in the name of, payable to the order of, or specially endorsed to the other person, and has not been endorsed to the securities intermediary or in blank, the other person is treated as holding the financial asset directly rather than as having a security entitlement with respect to the financial asset.

(e) Issuance of a security is not establishment of a security entitlement.

**History:** 1995 c 194 art 1 s 41

### **336.8-502 ASSERTION OF ADVERSE CLAIM AGAINST ENTITLEMENT HOLDER.**

An action based on an adverse claim to a financial asset, whether framed in conversion, replevin, constructive trust, equitable lien, or other theory, may not be asserted against a person who acquires a security entitlement under section 336.8-501 for value and without notice of the adverse claim.

**History:** 1995 c 194 art 1 s 42

### **336.8-503 PROPERTY INTEREST OF ENTITLEMENT HOLDER IN FINANCIAL ASSET HELD BY SECURITIES INTERMEDIARY.**

(a) To the extent necessary for a securities intermediary to satisfy all security entitlements with respect to a particular financial asset, all interests in that financial asset held by the securities intermediary are held by the securities intermediary for the entitlement holders, are not property of the securities intermediary, and are not subject to claims of creditors of the securities intermediary, except as otherwise provided in section 336.8-511.

(b) An entitlement holder's property interest with respect to a particular financial asset under subsection (a) is a pro rata property interest in all interests in that financial asset held by the securities intermediary, without regard to the time the entitlement holder acquired the security entitlement or the time the securities intermediary acquired the interest in that financial asset.

(c) An entitlement holder's property interest with respect to a particular financial asset under subsection (a) may be enforced against the securities intermediary only by exercise of the entitlement holder's rights under sections 336.8-505 through 336.8-508.

(d) An entitlement holder's property interest with respect to a particular financial asset under subsection (a) may be enforced against a purchaser of the financial asset or interest therein only if:

(1) insolvency proceedings have been initiated by or against the securities intermediary;

(2) the securities intermediary does not have sufficient interests in the financial asset to satisfy the security entitlements of all of its entitlement holders to that financial asset;

(3) the securities intermediary violated its obligations under section 336.8-504 by transferring the financial asset or interest therein to the purchaser; and

(4) the purchaser is not protected under subsection (e).

The trustee or other liquidator, acting on behalf of all entitlement holders having security entitlements with respect to a particular financial asset, may recover the financial asset, or interest therein, from the purchaser. If the trustee or other liquidator elects not to pursue that right, an entitlement holder whose security entitlement remains unsatisfied has the right to recover its interest in the financial asset from the purchaser.

(e) An action based on the entitlement holder's property interest with respect to a particular financial asset under subsection (a), whether framed in conversion, replevin, constructive trust, equitable lien, or other theory, may not be asserted against any purchaser of a financial asset or interest therein who gives value, obtains control, and does not act in collusion with the securities intermediary in violating the securities intermediary's obligations under section 336.8-504.

**History:** 1995 c 194 art 1 s 43

**336.8-504 DUTY OF SECURITIES INTERMEDIARY TO MAINTAIN FINANCIAL ASSET.**

(a) A securities intermediary shall promptly obtain and thereafter maintain a financial asset in a quantity corresponding to the aggregate of all security entitlements it has established in favor of its entitlement holders with respect to that financial asset. The securities intermediary may maintain those financial assets directly or through one or more other securities intermediaries.

(b) Except to the extent otherwise agreed to by its entitlement holder, a securities intermediary may not grant any security interests in a financial asset it is obligated to maintain pursuant to subsection (a).

(c) A securities intermediary satisfies the duty in subsection (a) if:

(1) the securities intermediary acts with respect to the duty as agreed upon by the entitlement holder and the securities intermediary; or

(2) in the absence of agreement, the securities intermediary exercises due care in accordance with reasonable commercial standards to obtain and maintain the financial asset.

(d) This section does not apply to a clearing corporation that is itself the obligor of an option or similar obligation to which its entitlement holders have security entitlements.

**History:** 1995 c 194 art 1 s 44

**336.8-505 DUTY OF SECURITIES INTERMEDIARY WITH RESPECT TO PAYMENTS AND DISTRIBUTIONS.**

(a) A securities intermediary shall take action to obtain a payment or distribution made by the issuer of a financial asset. A securities intermediary satisfies the duty if:

(1) the securities intermediary acts with respect to the duty as agreed upon by the entitlement holder and the securities intermediary; or

(2) in the absence of agreement, the securities intermediary exercises due care in accordance with reasonable commercial standards to attempt to obtain the payment or distribution.

(b) A securities intermediary is obligated to its entitlement holder for a payment or distribution made by the issuer of a financial asset if the payment or distribution is received by the securities intermediary.

**History:** 1995 c 194 art 1 s 45

**336.8-506 DUTY OF SECURITIES INTERMEDIARY TO EXERCISE RIGHTS AS DIRECTED BY ENTITLEMENT HOLDER.**

A securities intermediary shall exercise rights with respect to a financial asset if directed to do so by an entitlement holder. A securities intermediary satisfies the duty if:

(1) the securities intermediary acts with respect to the duty as agreed upon by the entitlement holder and the securities intermediary; or

(2) in the absence of agreement, the securities intermediary either places the entitlement holder in a position to exercise the rights directly or exercises due care in accordance with reasonable commercial standards to follow the direction of the entitlement holder.

**History:** 1995 c 194 art 1 s 46

**336.8-507 DUTY OF SECURITIES INTERMEDIARY TO COMPLY WITH ENTITLEMENT ORDER.**

(a) A securities intermediary shall comply with an entitlement order if the entitlement order is originated by the appropriate person, the securities intermediary has had reasonable opportunity to assure itself that the entitlement order is genuine and authorized, and the securities intermediary has had reasonable opportunity to comply with the entitlement order. A securities intermediary satisfies the duty if:

(1) the securities intermediary acts with respect to the duty as agreed upon by the entitlement holder and the securities intermediary; or

(2) in the absence of agreement, the securities intermediary exercises due care in accordance with reasonable commercial standards to comply with the entitlement order.

(b) If a securities intermediary transfers a financial asset pursuant to an ineffective entitlement order, the securities intermediary shall reestablish a security entitlement in favor of the person entitled to it, and pay or credit any payments or distributions that the person did not receive as a result of the wrongful transfer. If the securities intermediary does not reestablish a security entitlement, the securities intermediary is liable to the entitlement holder for damages.

**History:** 1995 c 194 art 1 s 47

### **336.8-508 DUTY OF SECURITIES INTERMEDIARY TO CHANGE ENTITLEMENT HOLDER'S POSITION TO OTHER FORM OF SECURITY HOLDING.**

A securities intermediary shall act at the direction of an entitlement holder to change a security entitlement into another available form of holding for which the entitlement holder is eligible, or to cause the financial asset to be transferred to a securities account of the entitlement holder with another securities intermediary. A securities intermediary satisfies the duty if:

(1) the securities intermediary acts as agreed upon by the entitlement holder and the securities intermediary; or

(2) in the absence of agreement, the securities intermediary exercises due care in accordance with reasonable commercial standards to follow the direction of the entitlement holder.

**History:** 1995 c 194 art 1 s 48

### **336.8-509 SPECIFICATION OF DUTIES OF SECURITIES INTERMEDIARY BY OTHER STATUTE OR REGULATION; MANNER OF PERFORMANCE OF DUTIES OF SECURITIES INTERMEDIARY AND EXERCISE OF RIGHTS OF ENTITLEMENT HOLDER.**

(a) If the substance of a duty imposed upon a securities intermediary by sections 336.8-504 through 336.8-508 is the subject of other statute, regulation, or rule, compliance with that statute, regulation, or rule satisfies the duty.

(b) To the extent that specific standards for the performance of the duties of a securities intermediary or the exercise of the rights of an entitlement holder are not specified by other statute, regulation, or rule or by agreement between the securities intermediary and entitlement holder, the securities intermediary shall perform its duties and the entitlement holder shall exercise its rights in a commercially reasonable manner.

(c) The obligation of a securities intermediary to perform the duties imposed by sections 336.8-504 through 336.8-508 is subject to:

(1) rights of the securities intermediary arising out of a security interest under a security agreement with the entitlement holder or otherwise; and

(2) rights of the securities intermediary under other law, regulation, rule, or agreement to withhold performance of its duties as a result of unfulfilled obligations of the entitlement holder to the securities intermediary.

**History:** 1995 c 194 art 1 s 49

### **336.8-510 RIGHTS OF PURCHASER OF SECURITY ENTITLEMENT FROM ENTITLEMENT HOLDER.**

(a) An action based on an adverse claim to a financial asset or security entitlement, whether framed in conversion, replevin, constructive trust, equitable lien, or other theory, may not be asserted against a person who purchases a security entitlement, or an interest therein, from an entitlement holder if the purchaser gives value, does not have notice of the adverse claim, and obtains control.

(b) If an adverse claim could not have been asserted against an entitlement holder under section 336.8-502, the adverse claim cannot be asserted against a person who purchases a security entitlement, or an interest therein, from the entitlement holder.

(c) In a case not covered by the priority rules in article 9, a purchaser for value of a security entitlement, or an interest therein, who obtains control has priority over a purchaser of a

security entitlement, or an interest therein, who does not obtain control. Purchasers who have control rank equally, except that a securities intermediary as purchaser has priority over a conflicting purchaser who has control, unless otherwise agreed by the securities intermediary.

**History:** 1995 c 194 art 1 s 50

### **336.8-511 PRIORITY AMONG SECURITY INTERESTS AND ENTITLEMENT HOLDERS.**

(a) Except as otherwise provided in subsections (b) and (c), if a securities intermediary does not have sufficient interests in a particular financial asset to satisfy both its obligations to entitlement holders who have security entitlements to that financial asset and its obligation to a creditor of the securities intermediary who has a security interest in that financial asset, the claims of entitlement holders, other than the creditor, have priority over the claim of the creditor.

(b) A claim of a creditor of a securities intermediary who has a security interest in a financial asset held by a securities intermediary has priority over claims of the securities intermediary's entitlement holders who have security entitlements with respect to that financial asset if the creditor has control over the financial asset.

(c) If a clearing corporation does not have sufficient financial assets to satisfy both its obligations to entitlement holders who have security entitlements with respect to a financial asset and its obligation to a creditor of the clearing corporation who has a security interest in that financial asset, the claim of the creditor has priority over the claims of entitlement holders.

#### **336.8-603 SAVINGS CLAUSE.**

(a) Laws 1995, chapter 194, does not affect an action or proceeding commenced before January 1, 1996.

(b) If a security interest in a security is perfected on January 1, 1996, and the action by which the security interest was perfected would suffice to perfect a security interest under Laws 1995, chapter 194, no further action is required to continue perfection. If a security interest in a security is perfected at January 1, 1996, but the action by which the security interest was perfected would not suffice to perfect a security interest under Laws 1995, chapter 194, the security interest remains perfected for a period of four months after January 1, 1996, and continues perfected thereafter if appropriate action to perfect under Laws 1995, chapter 194,

is taken within that period. If a security interest is perfected at January 1, 1996, and the security interest can be perfected by filing under Laws 1995, chapter 194, a financing statement signed by the secured party instead of the debtor may be filed within that period to continue perfection or thereafter to perfect.

**Article 9**  
**SECURED TRANSACTIONS; SALES OF**  
**ACCOUNTS, CONTRACT RIGHTS**  
**AND CHATTEL PAPER**

**Part 1**  
**SHORT TITLE, APPLICABILITY**  
**AND DEFINITIONS**

**336.9-103 PERFECTION OF SECURITY INTERESTS IN MULTIPLE STATE TRANSACTIONS.**

(1) Documents, instruments and ordinary goods.

(a) This subsection applies to documents and instruments and to goods other than those covered by a certificate of title described in subsection (2), mobile goods described in subsection (3), and minerals described in subsection (5).

(b) Except as otherwise provided in this subsection, perfection and the effect of perfection or nonperfection of a security interest in collateral are governed by the law of the jurisdiction where the collateral is when the last event occurs on which is based the assertion that the security interest is perfected or unperfected.

(c) If the parties to a transaction creating a purchase money security interest in goods in one jurisdiction understand at the time that the security interest attaches that the goods will be kept in another jurisdiction, then the law of the other jurisdiction governs the perfection and the effect of perfection or nonperfection of the security interest from the time it attaches until 30 days after the debtor receives possession of the goods and thereafter if the goods are taken to the other jurisdiction before the end of the 30-day period.

(d) When collateral is brought into and kept in this state while subject to a security interest perfected under the law of the jurisdiction from which the collateral was removed, the security interest remains perfected, but if action is required by part 3 of this article to perfect the security interest,

(i) if the action is not taken before the expiration of the period of perfection in the other jurisdiction or the end of four months after the collateral is brought into this state, whichever period first expires, the security interest becomes unperfected at the end of that period and is thereafter deemed to have been unperfected as against a person who became a purchaser after removal;

(ii) if the action is taken before the expiration of the period specified in subparagraph (i), the security interest continues perfected thereafter;

(iii) for the purpose of priority over a buyer of consumer goods (subsection (2) of section 336.9-307), the period of the effectiveness of a filing in the jurisdiction from which the collateral is removed is governed by the rules with respect to perfection in subparagraphs (i) and (ii).

(2) Certificate of title.

(a) This subsection applies to goods covered by a certificate of title issued under a statute of this state or of another jurisdiction under the law of which indication of a security interest on the certificate is required as a condition of perfection.

(b) Except as otherwise provided in this subsection, perfection and the effect of perfection or nonperfection of the security interest are governed by the law (including the conflict of laws rules) of the jurisdiction issuing the certificate until four months after the goods are removed from that jurisdiction and thereafter until the goods are registered in another jurisdiction, but in any event not beyond surrender of the certificate. After the expiration of that period, the goods are not covered by the certificate of title within the meaning of this section.

(c) Except with respect to the rights of a buyer described in the next paragraph, a security interest, perfected in another jurisdiction otherwise than by notation on a certificate of title, in goods brought into this state and thereafter covered by a certificate of title issued by this state is subject to the rules stated in paragraph (d) of subsection (1).

(d) If goods are brought into this state while a security interest therein is perfected in any manner under the law of the jurisdiction from which the goods are removed and a certificate of title is issued by this state and the certificate does not show that the goods are subject to the security interest or that they may be subject to security interests not shown on the certificate, the security interest is subordinate to the rights of a buyer of the goods who is not in the business of selling goods of that kind to the extent that the buyer gives value and receives delivery of the goods after issuance of the certificate and without knowledge of the security interest.

(3) Accounts, general intangibles and mobile goods.

(a) This subsection applies to accounts (other than an account described in subsection (5) on minerals) and general intangibles (other than uncertificated securities) and to goods which are mobile and which are of a type normally used in more than one jurisdiction, such as motor vehicles, trailers, rolling stock, airplanes, shipping containers, road building and construction machinery and commercial harvesting machinery and the like, if the goods are equipment or are inventory leased or held for lease by the debtor to others, and are not covered by a certificate of title described in subsection (2).

(b) The law (including the conflict of laws rules) of the jurisdiction in which the debtor is located governs the perfection and the effect of perfection or nonperfection of the security interest.

(c) If, however, the debtor is located in a jurisdiction which is not a part of the United States, and which does not provide for perfection of the security interest by filing or recording in that jurisdiction, the law of the jurisdiction in the United States in which the debtor has its major executive office in the United States governs the perfection and the effect of perfection or nonperfection of the security interest through filing. In the alternative, if the debtor is located in a jurisdiction which is not a part of the United States or Canada and the collateral is accounts or general intangibles for money due or to become due, the security interest may be perfected by notification to the account debtor. As used in this paragraph, "United States" includes its territories and possessions and the Commonwealth of Puerto Rico.

(d) A debtor shall be deemed located at the debtor's place of business if the debtor has one, at the chief executive office if there is more than one place of business, otherwise at the debtor's residence. If, however, the debtor is a foreign air carrier under the Federal Aviation Act of 1958, as amended, it shall be deemed located at the designated office of the agent upon whom service of process may be made on behalf of the foreign air carrier.

(e) A security interest perfected under the law of the jurisdiction of the location of the debtor is perfected until the expiration of four months after a change of the debtor's location to another jurisdiction, or until perfection would have ceased by the law of the first jurisdiction, whichever period first expires. Unless perfected in the new jurisdiction before the end of that period, it becomes unperfected thereafter and is deemed to have been unperfected as against a person who became a purchaser after the change.

(4) Chattel paper.

The rules stated for goods in subsection (1) apply to a possessory security interest in chattel paper. The rules stated for accounts in subsection (3) apply to a nonpossessory security interest in chattel paper, but the security interest may not be perfected by notification to the account debtor.

(5) Minerals.

Perfection and the effect of perfection or nonperfection of a security interest which is created by a debtor who has an interest in minerals or the like (including oil and gas) before extraction and which attaches thereto as extracted, or which attaches to an account resulting from the sale thereof at the wellhead or minehead are governed by the law (including the conflict of laws rules) of the jurisdiction wherein the wellhead or minehead is located.

(6) Investment property.

(a) This subsection applies to investment property.

(b) Except as otherwise provided in paragraph (f), during the time that a security certificate is located in a jurisdiction, perfection of a security interest, the effect of perfection or nonperfection, and the priority of a security interest in the certificated security represented thereby are governed by the local law of that jurisdiction.

(c) Except as otherwise provided in paragraph (f), perfection of a security interest, the effect of perfection or nonperfection, and the priority of a security interest in an uncertificated security are governed by the local law of the issuer's jurisdiction as specified in section 336.8-110(d).

(d) Except as otherwise provided in paragraph (f), perfection of a security interest, the effect of perfection or nonperfection, and the priority of a security interest in a security entitlement or securities account are governed by the local law of the securities intermediary's jurisdiction as specified in section 336.8-110(e).

(e) Except as otherwise provided in paragraph (f), perfection of a security interest, the effect of perfection or nonperfection, and the priority of a security interest in a commodity contract or commodity account are governed by the local law of the commodity intermediary's jurisdiction. The following rules determine a "commodity intermediary's jurisdiction" for purposes of this paragraph:

(i) If an agreement between the commodity intermediary and commodity customer specifies that it is governed by the law of a particular jurisdiction, that jurisdiction is the commodity intermediary's jurisdiction.

(ii) If an agreement between the commodity intermediary and commodity customer does not specify the governing law as provided in subparagraph (i), but expressly specifies that the commodity account is maintained at an office in a particular jurisdiction, that jurisdiction is the commodity intermediary's jurisdiction.

(iii) If an agreement between the commodity intermediary and commodity customer does not specify a jurisdiction as provided in subparagraph (i) or (ii), the commodity intermediary's jurisdiction is the jurisdiction in which is located the office identified in an account statement as the office serving the commodity customer's account.

(iv) If an agreement between the commodity intermediary and commodity customer does not specify a jurisdiction as provided in subparagraph (i) or (ii) and an account statement does not identify an office serving the commodity customer's account as provided in subparagraph (iii), the commodity intermediary's jurisdiction is the jurisdiction in which is located the chief executive office of the commodity intermediary.

(f) Perfection of a security interest by filing, automatic perfection of a security interest in investment property granted by a broker or securities intermediary, and automatic perfection of a security interest in a commodity contract or commodity account granted by a commodity intermediary are governed by the local law of the jurisdiction in which the debtor is located.

### 336.9-105 DEFINITIONS AND INDEX OF DEFINITIONS.

(1) In this article unless the context otherwise requires:

(a) "Account debtor" means the person who is obligated on an account, chattel paper or general intangible;

(b) "Chattel paper" means a writing or writings which evidence both a monetary obligation and a security interest in or a lease of specific goods, but a charter or other contract involving the use or hire of a vessel is not chattel paper. When a transaction is evidenced both by such a security agreement or a lease and by an instrument or a series of instruments, the group of writings taken together constitutes chattel paper;

(c) "Collateral" means the property subject to a security interest, and includes accounts and chattel paper which have been sold;

(d) "Debtor" means the person who owes payment or other performance of the obligation secured, whether or not the person owns or has rights in the collateral, and includes the seller of accounts or chattel paper. Where the debtor and the owner of the collateral are not the same person, the term "debtor" means the owner of the collateral in any provision of the ar-

ticle dealing with the collateral, the obligor in any provision dealing with the obligation, and may include both where the context so requires;

(e) "Deposit account" means a demand, time, savings, passbook or like account maintained with a bank, savings association, credit union or like organization, other than an account evidenced by a certificate of deposit;

(f) "Document" means document of title as defined in the general definitions of article 1 (section 336.1-201) and a receipt of the kind described in subsection (2) of section 336.7-201;

(h) "Goods" includes all things which are movable at the time the security interest attaches or which are fixtures (section 336.9-313), but does not include money, documents, instruments, investment property, accounts, chattel paper, general intangibles, or minerals or the like (including oil and gas) before extraction. "Goods" also include standing timber which is to be cut and removed under a conveyance or contract for sale, the unborn young of animals and growing crops;

(i) "Instrument" means a negotiable instrument (defined in section 336.3-104) or any other writing which evidences a right to the payment of money and is not itself a security agreement or lease and is of a type which is in ordinary course of business transferred by delivery with any necessary endorsement or assignment. The term does not include investment property;

(j) "Mortgage" means a consensual interest created by a real estate mortgage, a trust deed on real estate, or the like;

(k) An advance is made "pursuant to commitment" if the secured party has made a binding promise to make it, whether or not a subsequent event of default or other event not within the secured party's control has relieved or may relieve the secured party from the obligation;

(l) "Security agreement" means an agreement which creates or provides for a security interest;

(m) "Secured party" means a lender, seller or other person in whose favor there is a security interest, including a person to whom accounts or chattel paper have been sold. When the holders of obligations issued under an indenture of trust, equipment trust agreement or the like are represented by a trustee or other person, the representative is the secured party; and

(n) "Transmitting utility" means any person engaged in the railroad, street railway or trolley bus business, the electric or electronics communications transmission business, the transmission of goods by pipeline, or the transmission or the production and transmission of electricity, steam, gas or water, or the provision of sewer service. ### **336.9-106 DEFINITIONS: “ACCOUNT”; “GENERAL INTANGIBLES”.**

“Account” means any right to payment for goods sold or leased or for services rendered which is not evidenced by an instrument or chattel paper whether or not it has been earned by performance. “General intangibles” means any personal property (including things in action) other than goods, accounts, chattel paper, documents, instruments, investment property, and money. All rights earned or unearned under a charter or other contract involving the use or hire of a vessel and all rights incident to the charter or contract are accounts.

**History:** 1995 c 194 art 2 s 3

### **336.9-115 INVESTMENT PROPERTY.**

- (1) In this article:
- (a) “Commodity account” means an account maintained by a commodity intermediary in which a commodity contract is carried for a commodity customer.
- (b) “Commodity contract” means a commodity futures contract, an option on a commodity futures contract, a commodity option, or other contract that, in each case, is:
- (i) traded on or subject to the rules of a board of trade that has been designated as a contract market for such a contract pursuant to the federal commodities laws; or
- (ii) traded on a foreign commodity board of trade, exchange, or market, and is carried on the books of a commodity intermediary for a commodity customer.
- (c) “Commodity customer” means a person for whom a commodity intermediary carries a commodity contract on its books.
- (d) “Commodity intermediary” means:
- (i) a person who is registered as a futures commission merchant under the federal commodities laws; or

(ii) a person who in the ordinary course of its business provides clearance or settlement services for a board of trade that has been designated as a contract market pursuant to the federal commodities laws.

(e) "Control" with respect to a certificated security, uncertificated security, or security entitlement has the meaning specified in section 336.8-106. A secured party has control over a commodity contract if, by agreement among the commodity customer, the commodity intermediary, and the secured party, the commodity intermediary has agreed that it will apply any value distributed on account of the commodity contract as directed by the secured party without further consent by the commodity customer. If a commodity customer grants a security interest in a commodity contract to its own commodity intermediary, the commodity intermediary as secured party has control. A secured party has control over a securities account or commodity account if the secured party has control over all security entitlements or commodity contracts carried in the securities account or commodity account.

(f) "Investment property" means:

- (i) a security, whether certificated or uncertificated;
- (ii) a security entitlement;
- (iii) a securities account;
- (iv) a commodity contract; or
- (v) a commodity account.

(2) Attachment or perfection of a security interest in a securities account is also attachment or perfection of a security interest in all security entitlements carried in the securities account. Attachment or perfection of a security interest in a commodity account is also attachment or perfection of a security interest in all commodity contracts carried in the commodity account.

(3) A description of collateral in a security agreement or financing statement is sufficient to create or perfect a security interest in a certificated security, uncertificated security, security entitlement, securities account, commodity contract, or commodity account whether it describes the collateral by those terms, or as investment property, or by description of the underlying security, financial asset, or commodity contract. A description of investment property collateral in a security agreement or financing statement is sufficient if it identifies the collateral by specific listing, by category, by quantity, by a computational or allocational formula or procedure, or by any other method, if the identity of the collateral is objectively determinable.

(4) Perfection of a security interest in investment property is governed by the following rules:

(a) A security interest in investment property may be perfected by control.

(b) Except as otherwise provided in paragraphs (c) and (d), a security interest in investment property may be perfected by filing.

(c) If the debtor is a broker or securities intermediary, a security interest in investment property is perfected when it attaches. The filing of a financing statement with respect to a security interest in investment property granted by a broker or securities intermediary has no effect for purposes of perfection or priority with respect to that security interest.

(d) If a debtor is a commodity intermediary, a security interest in a commodity contract or a commodity account is perfected when it attaches. The filing of a financing statement with respect to a security interest in a commodity contract or a commodity account granted by a commodity intermediary has no effect for purposes of perfection or priority with respect to that security interest.

(5) Priority between conflicting security interests in the same investment property is governed by the following rules:

(a) A security interest of a secured party who has control over investment property has priority over a security interest of a secured party who does not have control over the investment property.

(b) Except as otherwise provided in paragraphs (c) and (d), conflicting security interests of secured parties each of whom has control rank equally.

(c) Except as otherwise agreed by the securities intermediary, a security interest in a security entitlement or a securities account granted to the debtor's own securities intermediary has priority over any security interest granted by the debtor to another secured party.

(d) Except as otherwise agreed by the commodity intermediary, a security interest in a commodity contract or a commodity account granted to the debtor's own commodity intermediary has priority over any security interest granted by the debtor to another secured party.

(e) Conflicting security interests granted by a broker, a securities intermediary, or a commodity intermediary which are perfected without control rank equally.

(f) In all other cases, priority between conflicting security interests in investment property is governed by section 336.9-312(5), (6), and (7). Section 336.9-312(4) does not apply to investment property.

(6) If a security certificate in registered form is delivered to a secured party pursuant to agreement, a written security agreement is not required for attachment or enforceability of the security interest, delivery suffices for perfection of the security interest, and the security interest has priority over a conflicting security interest perfected by means other than control, even if a necessary endorsement is lacking.

**History:** 1995 c 194 art 2 s 4

### **336.9-116 SECURITY INTEREST ARISING IN PURCHASE OR DELIVERY OF FINANCIAL ASSET.**

(1) If a person buys a financial asset through a securities intermediary in a transaction in which the buyer is obligated to pay the purchase price to the securities intermediary at the time of the purchase, and the securities intermediary credits the financial asset to the buyer's securities account before the buyer pays the securities intermediary, the securities intermediary has a security interest in the buyer's security entitlement securing the buyer's obligation to pay. A security agreement is not required for attachment or enforceability of the security interest, and the security interest is automatically perfected.

(2) If a certificated security, or other financial asset represented by a writing which in the ordinary course of business is transferred by delivery with any necessary endorsement or assignment is delivered pursuant to an agreement between persons in the business of dealing with such securities or financial assets and the agreement calls for delivery versus payment, the person delivering the certificate or other financial asset has a security interest in the certificated security or other financial asset securing the seller's right to receive payment. A security agreement is not required for attachment or enforceability of the security interest, and the security interest is automatically perfected.

**History:** 1995 c 194 art 2 s 5

## **Part 2 VALIDITY OF SECURITY AGREEMENT AND RIGHTS OF PARTIES THERETO**

### **336.9-203 ATTACHMENT AND ENFORCEABILITY OF SECURITY INTEREST; PROCEEDS; FORMAL REQUISITES.**

(1) Subject to the provisions of section 336.4-210 on the security interest of a collecting bank, sections 336.9-115 and 336.9-116 on security interests in investment property and section 336.9-113 on a security interest arising under the article on sales, a security interest is not enforceable against the debtor or third parties with respect to the collateral and does not attach unless:

(a) the collateral is in the possession of the secured party pursuant to agreement, the collateral is investment property and the secured party has control pursuant to agreement, or the debtor has signed a security agreement which contains a description of the collateral and, in addition, when the security interest covers crops growing or to be grown or timber to be cut, a description of the land concerned;

(b) value has been given; and

(c) the debtor has rights in the collateral.

(2) A security interest attaches when it becomes enforceable against the debtor with respect to the collateral. Attachment occurs as soon as all of the events specified in subsection (1) have taken place unless explicit agreement postpones the time of attaching.

(3) Unless otherwise agreed a security agreement gives the secured party the rights to proceeds provided by section 336.9-306.

(4) A transaction, although subject to this article, is also subject to Minnesota Statutes, Sections 48.153 to 48.157; Chapters 52, 53, and 56; and Sections 168.66 to 168.77, 222.13 to 222.16, and 334.01 to 334.06, and in the case of conflict between the provisions of this article and any such statute, the provisions of such statute control. Failure to comply with any applicable statute has only the effect which is specified therein.

**Part 3**  
**RIGHTS OF THIRD PARTIES;**  
**PERFECTED AND UNPERFECTED**  
**SECURITY INTERESTS;**  
**RULES OF PRIORITY**

**336.9-301 PERSONS WHO TAKE PRIORITY OVER UNPERFECTED SECURITY INTERESTS; RIGHT OF "LIEN CREDITOR."**

(1) Except as otherwise provided in subsection (2), an unperfected security interest is subordinate to the rights of

(a) persons entitled to priority under section 336.9-312;

(b) a person who becomes a lien creditor before the security interest is perfected;

(c) in the case of goods, instruments, documents, and chattel paper, a person who is not a secured party and who is a transferee in bulk or other buyer not in ordinary course of business, or is a buyer of farm products in the ordinary course of business, to the extent that the person gives value and receives delivery of the collateral without knowledge of the security interest and before it is perfected;

(d) in the case of accounts, general intangibles, and investment property, a person who is not a secured party and who is a transferee to the extent that the person gives value without knowledge of the security interest and before it is perfected.

(2) If the secured party files with respect to a purchase money security interest before or within 20 days after the debtor receives possession of the collateral, the secured party takes priority over the rights of a transferee in bulk or of a lien creditor which arise between the time the security interest attaches and the time of filing.

(3) A "lien creditor" means a creditor who has acquired a lien on the property involved by attachment, levy or the like and includes an assignee for benefit of creditors from the time of assignment, and a trustee in bankruptcy from the date of the filing of the petition or a receiver in equity from the time of appointment.

(4) A person who becomes a lien creditor while a security interest is perfected takes subject to the security interest only to the extent that it secures advances made before the person becomes a lien creditor or within 45 days thereafter or made without knowledge of the lien or pursuant to a commitment entered into without knowledge of the lien.

**History:** 1995 c 194 art 2 s 7

**336.9-302 WHEN FILING IS REQUIRED TO PERFECT SECURITY INTEREST; SECURITY INTERESTS TO WHICH FILING PROVISIONS OF THIS ARTICLE DO NOT APPLY.**

(1) A financing statement must be filed to perfect all security interest except the following:

(a) A security interest in collateral in possession of the secured party under section 336.9-305;

(b) A security interest temporarily perfected in instruments, certificated securities, or documents without delivery under section 336.9-304 or in proceeds for a 20 day period under section 336.9-306;

(c) A security interest created by an assignment of a beneficial interest in a trust or a decedent's estate;

(d) A purchase money security interest in consumer goods; but filing is required for a motor vehicle required to be registered; and fixture filing is required for priority over conflicting interests in fixtures to the extent provided in section 336.9-313;

(e) An assignment of accounts which does not alone or in conjunction with other assignments to the same assignee transfer a significant part of the outstanding accounts of the assignor;

(f) A security interest of a collecting bank (section 336.4-210) or arising under the article on sales (see section 336.9-113) or covered in subsection (3) of this section;

(g) An assignment for the benefit of all the creditors of the transferor, and subsequent transfers by the assignee thereunder;

(h) A security interest in investment property which is perfected without filing under section 336.9-115 or 336.9-116.

(2) If a secured party assigns a perfected security interest, no filing under this article is required in order to continue the perfected status of the security interest against creditors of and transferees from the original debtor.

(3) The filing of a financing statement otherwise required by this article is not necessary or effective to perfect a security interest in property subject to the following statutes or treaties; except that to the extent such statutes or treaties are silent on a specific matter, the provisions of this article shall govern:

(a) a statute or treaty of the United States which provides for a national or international registration or a national or international certificate of title or which specifies a place of filing different from that specified in this article for filing of the security interest; or

(b) the following statutes of this state;

(i) Sections 168A.01 to 168A.31 and 86B.820 to 86B.920; but during any period in which collateral is inventory held for sale by a person who is in the business of selling goods of that kind, the filing provisions of this article (part 4) apply to a security interest in that collateral created by the person as a debtor; or

(ii) Sections 300.11 to 300.115.

(c) a certificate of title statute of another jurisdiction under the law of which indication of a security interest on the certificate is required as a condition of perfection (subsection (2) of section 336.9-103).

(4) Compliance with a statute or treaty described in subsection (3) is equivalent to the filing of a financing statement under this article, and a security interest in property subject to the statute or treaty can be perfected only by compliance therewith except as provided in section 336.9-103 on multiple state transactions. A security interest perfected by compliance with such a statute or treaty is governed by this article in all respects not inconsistent with the provisions of the statute or treaty under which it was perfected, provided that this article shall not be deemed inconsistent if it provides for a more extensive duration of effectiveness.

**336.9-304 PERFECTION OF SECURITY INTEREST IN INSTRUMENTS, DOCUMENTS, AND GOODS COVERED BY DOCUMENTS; PERFECTION BY PERMISSIVE FILING; TEMPORARY PERFECTION WITHOUT FILING OR TRANSFER OF POSSESSION.**

(1) A security interest in chattel paper or negotiable documents may be perfected by filing. A security interest in money or instruments (other than instruments which constitute part of chattel paper) can be perfected only by the secured party's taking possession, except as provided in subsections (4) and (5) of this section and subsections (2) and (3) of section 336.9-306 on proceeds.

(2) During the period that goods are in the possession of the issuer of a negotiable document therefor, a security interest in the goods is perfected by perfecting a security interest in

the document, and any security interest in the goods otherwise perfected during such period is subject thereto.

(3) A security interest in goods in the possession of a bailee other than one who has issued a negotiable document therefor is perfected by issuance of a document in the name of the secured party or by the bailee's receipt of notification of the secured party's interest or by filing as to the goods.

(4) A security interest in instruments, certificated securities, or negotiable documents is perfected without filing or the taking of possession for a period of 21 days from the time it attaches to the extent that it arises for new value given under a written security agreement.

(5) A security interest remains perfected for a period of 21 days without filing where a secured party having a perfected security interest in an instrument, a certificated security, a negotiable document, or goods in possession of a bailee other than one who has issued a negotiable document therefor:

(a) makes available to the debtor the goods or documents representing the goods for the purpose of ultimate sale or exchange or for the purpose of loading, unloading, storing, shipping, transshipping, manufacturing, processing or otherwise dealing with them in a manner preliminary to their sale or exchange but priority between conflicting security interests in the goods is subject to subsection (3) of section 336.9-312; or

(b) delivers the instrument or certificated security to the debtor for the purpose of ultimate sale or exchange or of presentation, collection, renewal, or registration of transfer.

(6) After the 21 day period in subsections (4) and (5) perfection depends upon compliance with applicable provisions of this article.

**History:** 1995 c 194 art 2 s 9

### **336.9-305 WHEN POSSESSION BY SECURED PARTY PERFECTS SECURITY INTEREST WITHOUT FILING.**

A security interest in letters of credit and advices of credit (subsection (2) (a) of section 336.5-116), goods, instruments, money, negotiable documents, or chattel paper may be perfected by the secured party's taking possession of the collateral. If such collateral other than goods covered by a negotiable document is held by a bailee, the secured party is deemed to have possession from the time the bailee receives notification of the secured party's interest. A security interest is perfected by possession from the time possession is taken without relation back and continues only so long as possession is retained, unless otherwise specified in this article. The security interest may be otherwise perfected as provided in this article before or after the period of possession by the secured party.

**History:** 1995 c 194 art 2 s 10

### **336.9-306 "PROCEEDS"; SECURED PARTY'S RIGHTS ON DISPOSITION OF COLLATERAL.**

(1) "Proceeds" includes whatever is received upon the sale, exchange, collection or other disposition of collateral or proceeds. Insurance payable by reason of loss or damage to the collateral is proceeds, except to the extent that it is payable to a person other than a party to the security agreement. Any payments or distributions made with respect to investment property collateral are proceeds. Money, checks, deposit accounts, and the like, are "cash proceeds." All other proceeds are "noncash proceeds."

(2) Except where this article otherwise provides, a security interest continues in collateral notwithstanding sale, exchange or other disposition thereof unless the disposition was authorized by the secured party in the security agreement or otherwise, and also continues in any identifiable proceeds including collections received by the debtor.

(3) The security interest in proceeds is a continuously perfected security interest if the interest in the original collateral was perfected but it ceases to be a perfected security interest and becomes unperfected 20 days after receipt of the proceeds by the debtor unless

(a) a filed financing statement covers the original collateral and the proceeds are collateral in which a security interest may be perfected by filing in the office or offices where the financing statement has been filed and, if the proceeds are acquired with cash proceeds, the

description of collateral in the financing statement indicates the types of property constituting the proceeds; or

(b) a filed financing statement covers the original collateral and the proceeds are identifiable cash proceeds; or

(c) the original collateral was investment property and the proceeds are identifiable cash proceeds; or

(d) the security interest in the proceeds is perfected before the expiration of the 20-day period.

Except as provided in this section, a security interest in proceeds can be perfected only by the methods or under the circumstances permitted in this article for original collateral of the same type.

(4) In the event of insolvency proceedings instituted by or against a debtor, a secured party with a perfected security interest in proceeds has a perfected security interest only in the following proceeds:

(a) in identifiable noncash proceeds and in separate deposit accounts containing only proceeds;

(b) in identifiable cash proceeds in the form of money which is neither commingled with other money nor deposited in a deposit account prior to the insolvency proceedings;

(c) in identifiable cash proceeds in the form of checks and the like which are not deposited in a deposit account prior to the insolvency proceedings; and

(d) in all cash and deposit accounts of the debtor, in which proceeds have been commingled with other funds, but the perfected security interest under this paragraph (d) is

(i) subject to any right of setoff; and

(ii) limited to an amount not greater than the amount of any cash proceeds received by the debtor within 20 days before the institution of the insolvency proceedings less the sum of (I) the payments to the secured party on account of cash proceeds received by the debtor during such period and (II) the cash proceeds received by the debtor during such period to which the secured party is entitled under paragraphs (a) to (c) of this subsection (4).

(5) If a sale of goods results in an account or chattel paper which is transferred by the seller to a secured party, and if the goods are returned to or are repossessed by the seller or the secured party, the following rules determine priorities:

(a) If the goods were collateral at the time of sale for an indebtedness of the seller which is still unpaid, the original security interest attaches again to the goods and continues as a perfected security interest if it was perfected at the time when the goods were sold. If the security interest was originally perfected by a filing which is still effective, nothing further is required to continue the perfected status; in any other case, the secured party must take possession of the returned or repossessed goods or must file.

(b) An unpaid transferee of the chattel paper has a security interest in the goods against the transferor. Such security interest is prior to a security interest asserted under paragraph (a) to the extent that the transferee of the chattel paper was entitled to priority under section 336.9-308.

(c) An unpaid transferee of the account has a security interest in the goods against the transferor. Such security interest is subordinate to a security interest asserted under paragraph (a).

(d) A security interest of an unpaid transferee asserted under paragraph (b) or (c) must be perfected for protection against creditors of the transferor and purchasers of the returned or repossessed goods.

**History:** 1995 c 194 art 2 s 11

### **336.9-309 PROTECTION OF PURCHASERS OF INSTRUMENTS, DOCUMENTS, AND SECURITIES.**

Nothing in this article limits the rights of a holder in due course of a negotiable instrument (section 336.3-302) or a holder to whom a negotiable document of title has been duly negotiated (section 336.7-501) or a protected purchaser of a security (section 336.8-303) and the holders or purchasers take priority over an earlier security interest even though per-

fected. Filing under this article does not constitute notice of the security interest to the holders or purchasers.

**History:** 1995 c 194 art 2 s 12

### **336.9-312 PRIORITIES AMONG CONFLICTING SECURITY INTERESTS IN THE SAME COLLATERAL.**

(1) The rules of priority stated in other sections of this part and in the following sections shall govern when applicable: section 336.4-210 with respect to the security interests of collecting banks in items being collected, accompanying documents and proceeds; section 336.9-103 on security interests related to other jurisdictions; section 336.9-114 on consignments; section 336.9-115 on security interests in investment property.

(2) A perfected security interest in crops for new value given to enable the debtor to produce the crops during the production season and given not more than three months before the crops become growing crops by planting or otherwise takes priority over an earlier perfected security interest to the extent that such earlier interest secures obligations due more than six months before the crops become growing crops by planting or otherwise, even though the person giving new value had knowledge of the earlier security interest.

(3) A perfected purchase money security interest in inventory has priority over a conflicting security interest in the same inventory and also has priority in identifiable cash proceeds received on or before the delivery of the inventory to a buyer if

(a) the purchase money security interest is perfected at the time the debtor receives possession of the inventory; and

(b) the purchase money secured party gives notification in writing to the holder of the conflicting security interest if the holder had filed a financing statement covering the same types of inventory (i) before the date of the filing made by the purchase money secured party, or (ii) before the beginning of the 21 day period where the purchase money security interest is temporarily perfected without filing or possession (subsection (5) of section 336.9-304); and

(c) the holder of the conflicting security interest receives the notification within five years before the debtor receives possession of the inventory; and

(d) the notification states that the person giving the notice has or expects to acquire a purchase money security interest in inventory of the debtor, describing such inventory by item or type.

(4) A purchase money security interest in collateral other than inventory has priority over a conflicting security interest in the same collateral or its proceeds if the purchase money security interest is perfected at the time the debtor receives possession of the collateral or within 20 days thereafter.

(5) In all cases not governed by other rules stated in this section (including cases of purchase money security interests which do not qualify for the special priorities set forth in subsections (3) and (4) of this section), priority between conflicting security interests in the same collateral shall be determined according to the following rules:

(a) Conflicting security interests rank according to priority in time of filing or perfection. Priority dates from the time a filing is first made covering the collateral or the time the security interest is first perfected, whichever is earlier, provided that there is no period thereafter when there is neither filing nor perfection.

(b) So long as conflicting security interests are unperfected, the first to attach has priority.

(6) For the purposes of subsection (5) a date of filing or perfection as to collateral is also a date of filing or perfection as to proceeds.

(7) If future advances are made while a security interest is perfected by filing, the taking of possession, or under section 336.9-115 or 336.9-116 on investment property, the security interest has the same priority for the purposes of subsection (5) with respect to the future advances as it does with respect to the first advance. If a commitment is made before or while the security interest is so perfected, the security interest has the same priority with respect to

advances made pursuant thereto. In other cases a perfected security interest has priority from the date the advance is made.

**History:** 1995 c 194 art 2 s 13

#### Part 4 FILING

### 336.9-403 WHAT CONSTITUTES FILING; DURATION OF FILING; EFFECT OF LAPSED FILING; DUTIES OF FILING OFFICER.

(1) Presentation for filing of a financing statement and tender of the filing fee or acceptance of the statement by the filing officer constitutes filing under this article.

(2) Except as provided in subsection (6) a filed financing statement is effective for a period of five years from the date of filing. The effectiveness of a filed financing statement lapses on the expiration of the five-year period unless a continuation statement is filed prior to the lapse. If a security interest perfected by filing exists at the time insolvency proceedings are commenced by or against the debtor, the security interest remains perfected until termination of the insolvency proceedings and thereafter for a period of 60 days or until expiration of the five-year period, whichever occurs later regardless of whether the financing statement filed as to that security interest is destroyed by the filing officer pursuant to subsection (3). Upon lapse the security interest becomes unperfected, unless it is perfected without filing. If the security interest becomes unperfected upon lapse, it is deemed to have been unperfected as against a person who became a purchaser or lien creditor before lapse.

(3) A continuation statement may be filed by the secured party within six months prior to the expiration of the five-year period specified in subsection (2). Any such continuation statement must be signed by the secured party, set forth the name, social security number or other tax identification number of the debtor, and address of the debtor and secured party as those items appear on the original financing statement or the most recently filed amendment, identify the original statement by file number and filing date, and state that the original statement is still effective. A continuation statement signed by a person other than the secured party of record must be accompanied by a separate written statement of assignment signed by the secured party of record and complying with subsection (2) of section 336.9-405, including payment of the required fee. Upon timely filing of the continuation statement, the effectiveness of the original statement is continued for five years after the last date to which the filing was effective whereupon it lapses in the same manner as provided in subsection (2) unless another continuation statement is filed prior to such lapse. Succeeding continuation statements may be filed in the same manner to continue the effectiveness of the original statement. Unless a statute on disposition of public records provides otherwise, the filing officer may remove a lapsed statement from the files and destroy it immediately if the officer has retained a microfilm or other photographic record, or in other cases after one year after the lapse. The filing officer shall so arrange matters by physical annexation of financing statements to continuation statements or other related filings, or by other means, that if the officer physically destroys the financing statements of a period more than five years past, those which have been continued by a continuation statement or which are still effective under subsection (6) shall be retained. If insolvency proceedings are commenced by or against the debtor, the secured party shall notify the filing officer both upon commencement and termination of the proceedings, and the filing officer shall not destroy any financing statements filed with respect to the debtor until termination of the insolvency proceedings. The security interest remains perfected until termination of the insolvency proceedings and thereafter for a period of 60 days or until expiration of the five-year period, whichever occurs later.

(4) Except as provided in subsection (7) a filing officer shall mark each statement with a file number and with the date and hour of filing and shall hold the statement or a microfilm or other photographic copy thereof for public inspection. In addition the filing officer shall index the statements according to the name of the debtor and shall note in the index the file number, the address of the debtor given in the statement, and the social security number or other tax identification number of the debtor given in the statement.

(5) The secretary of state shall prescribe uniform forms for statements and samples thereof shall be furnished to all filing officers in the state. The uniform fee for filing and in-

dexing and for stamping a copy furnished by the secured party to show the date and place of filing:

(a) for an original financing statement or statement of continuation on a standard form prescribed by the secretary of state, is \$15 for up to two debtor names and \$15 for each additional name thereafter;

(b) for an original financing statement or statement of continuation that is not on a standard form prescribed by the secretary of state, is \$20 for up to two debtor names and \$20 for each additional name thereafter;

(c) for an amendment on a standard form prescribed by the secretary of state that does not add debtor names, is \$15;

(d) for an amendment that is not on a standard form prescribed by the secretary of state and that does not add debtor names, is \$20;

(e) for an amendment on a standard form prescribed by the secretary of state that adds more than one debtor name, is \$15 per debtor name; and

(f) for an amendment that is not on a standard form prescribed by the secretary of state that adds more than one debtor name, is \$20 per debtor name.

In no case will a filing officer accept more than four additional pages per financing statement for filing in the uniform commercial code records.

The secretary of state shall adopt rules for filing, amendment, continuation, termination, removal, and destruction of financing statements.

(6) If the debtor is a transmitting utility (subsection (5) of section 336.9-401) and a filed financing statement so states, it is effective until a termination statement is filed. A real estate mortgage which is effective as a fixture filing under subsection (6) of section 336.9-402 remains effective as a fixture filing until the mortgage is released or satisfied of record or its effectiveness otherwise terminates as to the real estate.

(7) When a financing statement covers timber to be cut or covers minerals or the like (including oil and gas) or accounts subject to subsection (5) of section 336.9-103, or is filed as a fixture filing, it shall be filed for record and the filing officer shall index it under the names of the debtor and any owner of record shown on the financing statement in the same fashion as if they were the mortgagors in a mortgage of the real estate described, and, to the extent that the law of this state provides for indexing of mortgages under the name of the mortgagee, under the name of the secured party as if the secured party were the mortgagee thereunder, or, for filing offices other than the secretary of state, where indexing is by description in the same fashion as if the financing statement were a mortgage of the real estate described.

(8) The fees provided for in this article shall supersede the fees for similar services otherwise provided for by law except in the case of security interests filed in connection with a certificate of title on a motor vehicle.

**History:** 1995 c 128 art 3 s 25

### **336.9-407 INFORMATION FROM FILING OFFICER.**

(1) If the person filing any financing statement, termination statement, statement of assignment, or statement of release, furnishes the filing officer a copy thereof, the filing officer shall upon request note upon the copy the file number and date and hour of the filing of the original and deliver or send the copy to such person.

(2) Upon request of any person, the filing officer shall conduct a search of the statewide computerized uniform commercial code database for any active financing statements naming a particular debtor. The filing officer shall report the findings as of the date and hour of the search by issuing:

(a) a certificate listing the file number, date, and hour of each filing and the names and addresses of each secured party;

(b) photocopies of those original documents on file and located in the office of the filing officer; or

(c) upon request, both the certificate and the photocopies referred to in (b).

The uniform fee for conducting the search and for preparing a certificate shall be \$15 if the request is in the standard form prescribed by the secretary of state. This uniform fee shall

include up to ten photocopies of original documents. If the request for information is made on a form other than the standard form prescribed by the secretary of state, the fee shall be \$20 and shall include up to ten photocopies of original documents.

Another fee, at the same rate, shall also be charged for conducting a search and preparing a certificate showing federal and state tax liens on file with the filing officer naming a particular debtor.

There shall be an additional fee of \$1 per page for a photocopy of each financing statement or tax lien prepared in excess of the first ten.

Notwithstanding the fees set in this section, a natural person who is the subject of data must, upon the person's request, be shown the data without charge, and upon request be provided with photocopies of the data upon payment of no more than the actual cost of making the copies.

Notwithstanding section 13.49, a filing officer may include social security number information in a report of the findings following a search of the statewide computerized uniform commercial code database or the state and federal tax liens on file with the filing officer. A filing officer may also include social security number information on a photocopy of an original document on file whether provided in response to a request for information or in response to a request made pursuant to section 13.03.

**History:** 1995 c 259 art 1 s 50

### **336.9-411 COMPUTERIZED FILING SYSTEM.**

(a) The secretary of state shall develop and implement a statewide computerized filing system to accumulate and disseminate information relative to lien statements, financing statements, state and federal tax lien notices, and other uniform commercial code documents. The computerized filing system must allow information to be entered and retrieved from the computerized filing system by county recorders, the department of revenue, the department of economic security, and the Internal Revenue Service.

(b) County recorders shall enter information relative to lien statements, financing statements, state and federal tax lien notices, and other uniform commercial code documents filed in their offices into a central database maintained by the secretary of state. The information must be entered under the rules of the secretary of state. This requirement does not apply to tax lien notices filed under sections 268.161, subdivision 1, paragraph (b), clause (2); 270.69, subdivision 2, paragraph (b), clause (2); and 272.488, subdivision 1, but does apply to entry of the date and time of receipt and county recorder's file number of those notices.

(c) The secretary of state may allow private parties to have electronic-view-only access to the computerized filing system and to other computerized records maintained by the secretary of state on a fee basis, except that visual access to electronic display terminals at the public counters at the secretary of state's office will be without charge and available during public counter hours. If the computerized filing system allows a form of electronic access to information regarding the obligations of debtors, the access must be available 24 hours a day, every day of the year.

Notwithstanding section 13.49, private parties who have electronic-view-only access to computerized records may view the social security number information about a debtor that is of record.

(d) The secretary of state shall adopt rules to implement the computerized filing system. The secretary of state may adopt permanent and emergency rules. The rules must:

(1) allow filings to be made at the offices of all county recorders and the secretary of state's office as required by section 336.9-401;

(2) establish a central database for all information relating to liens and security interests that are filed at the offices of county recorders and the secretary of state;

(3) provide procedures for entering data into a central database;

(4) allow the offices of all county recorders and the secretary of state's office to add, modify, and delete information in the central database as required by the uniform commercial code;

(5) allow the offices of all county recorders and the secretary of state's office to have access to the central database for review and search capabilities;

(6) allow the offices of all county recorders to have electronic-view-only access to the computerized business information records on file with the secretary of state;

(7) require the secretary of state to maintain the central database;

(8) provide security and protection of all information in the central database and monitor the central database to ensure that unauthorized entry is not allowed;

(9) require standardized information for entry into the central database;

(10) prescribe an identification procedure for debtors and secured parties that will enhance lien and financing statement searches; and

(11) prescribe a procedure for phasing-in or converting from the existing filing system to a computerized filing system.

(e) The secretary of state, county recorders, and their employees and agents shall not be liable for any loss or damages arising from errors in or omissions from information entered into the computerized filing system as a result of the electronic transmission of tax lien notices under sections 268.161, subdivision 1, paragraph (b), clause (2); 270.69, subdivision 2, paragraph (b), clause (2); 272.483; and 272.488, subdivisions 1 and 3.

### **Article 10 EFFECTIVE DATE AND REPEALER**

#### **336.10-104 LAWS NOT REPEALED.**

The article on documents of title (article 7) does not repeal or modify any laws prescribing the form or contents of documents of title or the services or facilities to be afforded by bailees, or otherwise regulating bailees' businesses in respects not specifically dealt with herein; but the fact that such laws are violated does not affect the status of a document of title which otherwise complies with the definition of a document of title (section 336.1-201).

**History:** 1995 c 194 art 3 s 5
