Subd. 7a. **Restrictions.** Any agreement to lend securities must be concurrently collateralized with cash or securities with a market value of not less than 100 percent of the market value of the loaned securities at the time of the agreement. For a covered pension authorized to purchase put and call options and futures contracts under subdivision 7, any agreement for put and call options and futures contracts may only be entered into with a fully offsetting amount of cash or securities. Only securities authorized by this section, excluding those under subdivision 7, paragraph (g), clause (1), items (i) to (iv), may be accepted as collateral or offsetting securities.

Subd. 8a. **Collateralization requirement.** (a) The governing board of a covered pension plan shall designate a national bank, an insured state bank, an insured credit union, or an insured thrift institution as the depository for the pension plan for assets not held by the pension plan's custodian bank.

(b) Unless collateralized as provided under paragraph (c), a covered pension plan may not deposit in a designated depository an amount in excess of the insurance held by the depository in the Federal Deposit Insurance Corporation, the federal savings and loan insurance corporation, or the national credit union administration, whichever applies.

(c) For an amount greater than the insurance under paragraph (b), the depository must provide collateral in compliance with section 118.01 or with any comparable successor enactment relating to the collateralization of municipal deposits.

Subd. 8b. **Disclosure of investment authority; receipt of statement.** (a) For this subdivision, the term "broker" means a broker, broker-dealer, investment advisor, investment manager, or third party agent who transfers, purchases, sells, or obtains investment securities for, or on behalf of, a covered pension plan.

(b) Before a covered pension plan may complete an investment transaction with or in accord with the advice of a broker, the covered pension plan shall provide annually to the broker a written statement of investment restrictions applicable under state law to the covered pension plan or applicable under the pension plan governing board investment policy.

(c) A broker must acknowledge in writing annually the receipt of the statement of investment restrictions and must agree to handle the covered pension plan's investments and assets in accord with the provided investment restrictions. A covered pension plan may not enter into or continue a business arrangement with a broker until the broker has provided this written acknowledgment to the chief administrative officer of the covered pension plan.
