24.12 LINSEED OIL.

Subdivision 1. **Definitions.** Pure linseed oil shall be defined as the oil obtained wholly from the seeds of the flax plant and containing no added ingredient. Boiled linseed oil shall be defined as pure linseed oil with so-called dryers added thereto, to an amount not exceeding three per cent of the total product. Pure linseed oil, as distinguished from boiled linseed oil, shall be known as raw linseed oil. Linseed replacement oil shall be defined as oil complying with the specifications for linseed replacement oil as provided by specifications of the United States dated May 1, 1943, approved for use of all departments and establishments of the federal government, and as the same may be written from time to time hereafter. If designed or offered for sale or use as either pure linseed oil, boiled linseed oil or linseed replacement oil, or as a substitute for any of them, or in imitation or any of them, any substance or preparation which is not included in the respective definitions thereof shall be deemed adulterated, and the manufacture thereof for sale within the state or the sale thereof within the state is prohibited. No person shall sell pure linseed oil, boiled linseed oil or linseed replacement oil unless each receptacle in which the same is kept for sale or sold shall have distinctly, legibly and durably painted, stamped, stenciled, or labeled thereon the true name of such oil, setting forth, in bold-faced capital letters not smaller than one inch in length, whether it be pure linseed oil, boiled linseed oil, or linseed replacement oil; and there shall also appear upon the receptacle the name and address of the manufacturer of the oil.

Subd. 2. **Limitation on sale of replacement oil.** No person shall sell in this state after October 1, 1947, linseed replacement oil as defined in this section.

For obtaining information regarding the suspected violations of law, the commissioner and the commissioner's assistants, appointees, agents and employees shall have access to all

places where any paint, varnish, paint oil, solvent, or other article is manufactured, sold or stored for sale, the manufacture, sale or transportation of which is restricted, regulated or prohibited by sections 24.135 to 24.175 or by any law of this state. They may inspect any package, receptacle or container found therein apparently containing any paint, varnish, paint oil, solvent, or ingredients thereof, or any other article, the manufacture, sale or transportation of which is restricted, regulated or forbidden by sections 24.135 to 24.175 or by any law of this state and may take samples therefrom for analysis. 24.151 STOP-SALE ORDER.

The commissioner shall issue and enforce a written or printed "stop-sale use or removal" order to the owner or custodian of any lot of paint, varnish, paint oil or solvent when the commissioner finds that the product is being offered or exposed for sale in violation of any of the provisions of sections 24.135 to 24.175, and the commissioner's order shall direct that the product shall be held at a designated place until the provisions of sections 24.135 to 24.175 have been complied with and the product is released in writing by the commissioner. However, the owner or custodian of such paint, varnish, paint oil or solvent has the right to appeal from such order to a court of competent jurisdiction in the county or city where the product is found, praying for a judgment as to the justification of the order, and for the discharge of the product from the order prohibiting the sale in accordance with the findings of the court. The provisions of this section shall not be construed as limiting the right of the enforcement officer to proceed as authorized by other provisions of sections 24.135 to 24.175. The commissioner shall release the paint, varnish, paint oil or solvent held under any stop-sale use or removal order when the requirements of sections 24.135 to 24.175 have been complied with and upon payment of all reasonable costs and expenses incurred in connection with such order. When the commissioner issues and enforces a "stop-sale, use or removal" order against any paint, varnish, paint oil or solvent declared in violation of sections 24.135 to 24.175, in possession of any dealer or distributor, such dealer or distributor may return to the person from whom such paint, varnish, paint oil or solvent was purchased all unbroken retail containers affected by such order and such person shall reimburse the dealer or distributor for the full purchase price, including all delivery costs.

In the event the court finds that the paint, varnish, paint oil or solvent is in violation of the provisions of sections 24.135 to 24.175 and orders the condemnation of the product, it shall be disposed of in any manner consistent with the quality of the paint, varnish, paint oil or solvent and the laws of the state. In no instance shall the disposition of paint, varnish, paint oil or solvent be ordered by the court without first giving the claimant an opportunity to apply to the court for the release of the product or for permission to process or relabel the product to bring it into compliance with sections 24.135 to 24.175.
