(2) to protect adult mentally retarded persons from violation of their human and civil rights by assuring that they receive the full range of needed social, financial, residential, and habilitative services to which they are lawfully entitled.

(b) Public guardianship or conservatorship is the most restrictive form of guardianship or conservatorship and should be imposed only when no other acceptable alternative is available.

Subd. 2. **Citation.** Sections 252A.01 to 252A.21 may be cited as the "public guardianship for adults with mental retardation act."
