273.01 LISTING AND ASSESSMENT, TIME.

All real property subject to taxation shall be listed and at least one-fourth of the parcels listed shall be appraised each year with reference to their value on January 2 preceding the assessment so that each parcel shall be reappraised at maximum intervals of four years. All real property becoming taxable in any year shall be listed with reference to its value on Janu-

ary 2 of that year. Except as provided in this section and section 274.01, subdivision 1, all real property assessments shall be completed two weeks prior to the date scheduled for the local board of review or equalization. No changes in valuation or classification which are intended to correct errors in judgment by the county assessor may be made by the county assessor after the board of review or the county board of equalization has adjourned; however, corrections of errors that are merely clerical in nature or changes that extend homestead treatment to property are permitted after adjournment until the tax extension date for that assessment year. Any changes made by the assessor after adjournment must be fully documented and maintained in a file in the assessor's office and shall be available for review by any person. A copy of any changes made during this period shall be sent to the county board no later than December 31 of the assessment year. In the event a valuation and classification is not placed on any real property by the dates scheduled for the local board of review or equalization the valuation and classification determined in the preceding assessment shall be continued in effect and the provisions of section 273.13 shall, in such case, not be applicable, except with respect to real estate which has been constructed since the previous assessment. Real property containing iron ore, the fee to which is owned by the state of Minnesota, shall, if leased by the state after January 2 in any year, be subject to assessment for that year on the value of any iron ore removed under said lease prior to January 2 of the following year. Personal property subject to taxation shall be listed and assessed annually with reference to its value on January 2; and, if acquired on that day, shall be listed by or for the person acquiring it.

273.015 TAX COMPUTED TO NEAREST EVEN-NUMBERED CENT.

Subdivision 1. All tax page items computed by the county auditor for collection by the county treasurer, shall be adjusted individually and in their aggregate to the nearest even-numbered cent. Further, all items which are certified to the county auditor for collection by the county treasurer shall be first adjusted to the nearest even-numbered cent by the governmental subdivision which submits such certifications. For the purposes of this section whole odd-numbered cents shall be adjusted to the next higher even-numbered cent.

273.02 OMITTED PROPERTY.

Subdivision 1. **Discovery.** If any real or personal property be omitted in the assessment of any year or years, and the property thereby escape taxation, or if any real property be undervalued by reason of failure to take into consideration the existence of buildings or improvements thereon, or be erroneously classified as a homestead, when such omission, undervaluation or erroneous classification is discovered the county auditor shall in the case of omitted property enter such property on the assessment and tax books for the year or years omitted, and in the case of property undervalued by reason of failure to take into consideration the existence of buildings or improvements thereon, or property erroneously classified as a homestead, shall correct the net tax capacity or classification thereof on the assessment and tax books and shall assess the property, and extend against the same on the tax list for the current year all arrearage of taxes properly accruing against it, including therein, in the case of personal property taxes, interest thereon at the rate of seven percent per annum from the time such taxes would have become delinquent, when the omission was caused by the failure of the owner to list the same. If any tax on any property liable to taxation is prevented from being collected for any year or years by reason of any erroneous proceedings, undervaluation by reason of failure to take into consideration the existence of buildings or improvements, erroneous classification as a homestead, or other cause, the amount of such tax which such property should have paid shall be added to the tax on such property for the current year.

Subd. 2. Limitation. Nothing in subdivisions 1 to 3 shall authorize the county auditor to enter omitted property on the assessment and tax books more than six years after the assessment date of the year in which the property was originally assessed or should have been assessed and nothing in subdivisions 1 to 3 shall authorize the county auditor to correct the net tax capacity or classification of real property as herein provided more than one year after December 1 of the year in which the property was assessed or should have been assessed.

Subd. 3. What rights not affected. Nothing in subdivisions 1 to 3 shall affect any rights in undervalued or erroneously classified property, acquired for value in good faith prior to the correction of the net tax capacity thereof by the county auditor as provided in this section. Any person whose rights are adversely affected by any action of the county auditor as provided in this subdivision may apply for a reduction of the net tax capacity under the provisions of section 375.192.

Subd. 4. Iron ore. Newly discovered iron ore shall be entered on the assessment books for the six years immediately preceding the year of discovery and taxed as omitted property. The tax on such omitted property shall be determined by applying the rates of levy for the respective years in which the property was omitted.

Subd. 5. Refunds for iron ore not found. Any taxpayer having paid real estate taxes on valuations of iron ore, considered to be commercially mineable, which was believed to have existed, and was subsequently determined not to exist, may apply to the commissioner of revenue for a refund of taxes paid thereon, as provided herein. Such application for refund shall be filed in the year in which it is determined that the iron ore does not exist. No refund shall be made for taxes paid or payable more than six years previous to the date of said application. The refunds shall be paid from the general fund.

Subd. 6. General fund. The taxes collected in accordance with subdivision 4 shall be transmitted by the county treasurer to the state treasurer and deposited in the general fund. There shall be paid from the general fund the amount of refunds determined in accordance with subdivision 5.

273.03 REAL ESTATE; ASSESSMENT; METHOD.

Subdivision 1. The county auditor shall annually provide the necessary assessment books and blanks at the expense of the county, for and to correspond with each assessment district. The auditor shall make out, in the real property assessment book, complete lists of all lands or lots subject to taxation, showing the names of the owners, if known; and, if unknown, so stated opposite each tract or lot, the number of acres, and the lots or parts of lots or blocks, included in each description of property. The list of real property becoming subject to assessment and taxation may be appended to the personal property assessment book. The assessment books and blanks for real and personal property shall be in readiness for delivery to the assessors on or before the first Monday in December of each year.

Subd. 2. Any county in this state which employs a county assessor who maintains a unit card ledger system or similar system of real estate and the market value and net tax capacities ascertained by the assessor affecting such real estate, and which county has established an electronic data processing system or similar system to perform the processing of assessment and tax accounting, may discontinue the preparation of assessment books as provided in subdivision 1. The election to discontinue the preparation of assessment books as defined in subdivision 1 shall be made by the county auditor.

Subd. 3. All laws or parts of laws, now or hereafter effective, not inconsistent with this section and sections 273.17, 274.04, 274.05, 275.28, and 276.01, as amended, shall continue in full force and effect.

273.032 MARKET VALUE DEFINITION.

For the purpose of determining any property tax levy limitation based on market value, any net debt limit based on market value, any limit on the issuance of bonds, certificates of indebtedness, or capital notes based on market value, any qualification to receive state aid based on market value, or any state aid amount based on market value, the terms "market value," "taxable market value," and "market valuation," whether equalized or unequalized, mean the total taxable market value of property within the local unit of government before any adjustments for tax increment, fiscal disparity, or powerline credit values, but after the limited market adjustments under section 273.11, subdivision 1a, and after the market value exclusions of certain improvements to homestead property under section 273.11, subdivision 16. Unless otherwise provided, "market value," "taxable market value," and "market valuation" refer to the taxable market value for the previous assessment year.

273.05 ASSESSORS; APPOINTMENT, TERM, AND OATH.

Subdivision 1. **Appointment of town and city assessors.** Notwithstanding any other provision of law all town assessors shall be appointed by the town board, and notwithstanding any charter provisions to the contrary, all city assessors shall be appointed by the city council or other appointing authority as provided by law or charter. Such assessors shall be residents of the state but need not be a resident of the town or city for which they are appointed. They shall be selected and appointed because of their knowledge and training in the field of property taxation. All town and statutory city assessors shall be appointed for indefinite terms. A town or statutory city assessor who is an employee may be dismissed by the appointing authority for cause. The term of the town or city assessors may be terminated at any time by the town board or city council on charges by the commissioner of revenue of inefficiency or neglect of duty. Vacancies in the office of town or city assessor shall be filled within 90 days by appointment of the respective appointing authority indicated above. If the vacancy is not filled within 90 days, the office shall be terminated. When a vacancy in the office of town or city assessor is not filled by appointment, and it is imperative that the office of assessor be filled, the county auditor shall appoint some resident of the county as assessor for such town or city. The county auditor may appoint the county assessor as assessor for such town or city, in which case the town or city shall pay to the county treasurer the amount determined by the county auditor to be due for the services performed and expenses incurred by the county assessor in acting as assessor for such town or city. The term of any town or statutory city assessor in a county electing in accordance with section 273.052 shall be terminated as provided in section 273.055.

The commissioner of revenue may recommend to the state board of assessors the nonrenewal, suspension, or revocation of an assessor's license as provided in sections 270.41 to 270.53.

Subd. 2. **Oath of assessors.** Every person elected or appointed to the office of assessor, at or before the time of receiving the assessment books, shall take and subscribe an oath to be diligent, faithful, and impartial in performance of the duties enjoined on the assessor by law. Failure to take the oath within the time prescribed shall be deemed a refusal to serve.

273.051 CITY ASSESSORS, TERM.

The term of elected city assessors shall not expire until a vacancy occurs in the office or upon the completion of the present term for which an assessor is elected. Thereafter the term of such city assessors shall be for the period provided in the charter. The terms of all other city assessors shall continue as provided by charter or as otherwise provided by statute. The term of any city assessor in a county electing in accordance with section 273.052 shall be terminated as provided in section 273.055.

History: 1965 c 254 s 3; 1969 c 989 s 7

273.052 APPOINTMENT; APPLICATION.

Any county in the state of Minnesota, notwithstanding any other provision of law to the contrary, is hereby authorized and empowered to provide for the assessment of all taxable property in the county by the county assessor.

This section shall not apply to Ramsey county, or property assessable in cities whose assessor has the powers of a county assessor pursuant to section 273.063, or property which is by law assessed by the commissioner of revenue.

History: 1969 c 989 s 1; 1973 c 123 art 5 s 7; 1973 c 582 s 3; 1974 c 435 art 5 s 1

273.053 ASSESSMENT; EXPENSES.

Any county electing in accordance with section 273.052 is authorized and empowered to appropriate sufficient money to defray the expenses of making a proper assessment of all property in such county for the purpose of general taxation. The county board shall by resolution authorize the county assessor to employ such additional deputies, clerks, field workers, appraisers, and employees as it may deem necessary for the proper performance of the duties of the office of county assessor; such expenditure to include the hiring of experts in property valuation for any period deemed necessary, the payment of the transportation expense of such experts or other employees in traveling from place to place in the county, and generally any expense reasonably and directly tending to the procurement of a fair and true assessment of property within such county; but all such shall be made under the supervision of, and with the consent of, the county assessor.

History: 1969 c 989 s 2; 1986 c 444

273.054 DUTIES AND POWERS OF ASSESSOR.

A county assessor appointed in an electing county shall have all the duties and powers provided by statute, except those inconsistent with Laws 1969, chapter 989.

History: 1969 c 989 s 3

273.055 RESOLUTION TO APPOINT ASSESSOR; TERMINATION OF LOCAL ASSESSOR'S OFFICE.

The election to provide for the assessment of property by the county assessor as provided in section 273.052 shall be made by the board of county commissioners by resolution. Such resolution shall be effective at the second assessment date following the adoption of the resolution. Notwithstanding any other provisions contained in any other section of law or charter, the office of all township and city assessors in such county shall be terminated 90 days before the assessment date at which the election becomes effective, except that if part of such taxing district is located in a county not electing to have the county assessor assess all property as provided in section 273.052, the office will continue but shall apply only to such property in a nonelecting county.

No township or city assessor in another county shall assess any property in an electing county, but shall turn over all tax records relating to property to the county assessor 90 days before the assessment date at which the county's election becomes effective.

History: 1969 c 989 s 4; 1973 c 123 art 5 s 7

273.056 REVOCATION OF COUNTY ASSESSOR'S ELECTION; LOCAL ASSESSORS.

If after electing in accordance with section 273.055, the board of county commissioners shall determine that the interests of the county may be better served through valuation by local assessors, it may revoke the election. Such revocation may not be made within four years after the election. In the event of revocation, it shall be effective at the second assessment date following such revocation. The offices of all township and city assessors shall be filled as provided by charter or law 90 days before such effective date.

History: 1969 c 989 s 5; 1973 c 123 art 5 s 7

273.06 DEPUTY ASSESSORS.

Any assessor who deems it necessary to complete the listing and valuation of the property of the town or district within the time prescribed, with the approbation of the county au-

ditor, may appoint a well-qualified citizen of the town or district to act as assistant or deputy, and may assign to that person such portion of the district as the assessor thinks proper. Each assistant so appointed, after taking the required oath, shall perform, under the direction of the assessor, all the duties imposed upon assessors by this chapter.

273.061 ESTABLISHMENT OF OFFICE FOR EACH COUNTY.

Subdivision 1. Office created; appointment, qualifications. Every county in this state shall have a county assessor. The county assessor shall be appointed by the board of county commissioners. The assessor shall be selected and appointed because of knowledge and training in the field of property taxation and appointment shall be approved by the commissioner of revenue before the same shall become effective. Upon receipt by the county commissioners of the commissioner of revenue's refusal to approve an appointment, the term of the appointee shall terminate at the end of that day. Notwithstanding any law to the contrary, a county assessor must have senior accreditation from the state board of assessors by January 1, 1992, or within two years of the assessor's first appointment under this section, whichever is later.

Subd. 2. Term; vacancy. (a) The terms of county assessors appointed under this section shall be four years. A new term shall begin on January 1 of every fourth year after 1973. When any vacancy in the office occurs, the board of county commissioners, within 30 days thereafter, shall fill the same by appointment for the remainder of the term, following the procedure prescribed in subdivision 1. The term of the county assessor may be terminated by the board of county commissioners at any time, on charges of inefficiency or neglect of duty by the commissioner of revenue. If the board of county commissioners does not intend to reappoint a county assessor who has been certified by the state board of assessors, the board shall present written notice to the county assessor not later than 90 days prior to the termination of the assessor's term, that it does not intend to reappoint the assessor. If written notice is not timely made, the county assessor will automatically be reappointed by the board of county commissioners.

The commissioner of revenue may recommend to the state board of assessors the nonrenewal, suspension, or revocation of an assessor's license as provided in sections 270.41 to 270.53.

(b) In the event of a vacancy in the office of county assessor, through death, resignation or other reasons, the deputy (or chief deputy, if more than one) shall perform the functions of the office. If there is no deputy, the county auditor shall designate a person to perform the duties of the office until an appointment is made as provided in clause (a). Such person shall perform the duties of the office for a period not exceeding 30 days during which the county board must appoint a county assessor. Such 30-day period may, however, be extended by written approval of the commissioner of revenue.

(c) In the case of the first appointment under paragraph (a) of a county assessor who is accredited but who does not have senior accreditation, an approval of the appointment by the commissioner shall be provisional, provided that a county assessor appointed to a provisional term under this paragraph must reapply to the commissioner at the end of the provisional term. A provisional term may not exceed two years. The commissioner shall not approve the appointment for the remainder of the four-year term unless the assessor has obtained senior accreditation.

Subd. 3. Oath. Every county assessor, before entering upon duties, shall take and subscribe the oath required of public officials.

Subd. 4. Assistants. With the approval of the board of county commissioners, the county assessor may employ one or more assistants and sufficient clerical help to perform the duties of the assessor's office.

Subd. 5. Offices; supplies. The board of county commissioners shall provide suitable office space and equipment at the county seat for the county assessor, assistants and clerical help, and shall furnish such books, maps, stationery, postage and supplies as may be necessary for the discharge of the duties of the office.

Subd. 6. Salaries; expenses. The salaries of the county assessor and assistants and clerical help, shall be fixed by the board of county commissioners and shall be payable in monthly installments out of the general revenue fund of the county. In counties with a population of less than 50,000 inhabitants, according to the then last preceding federal census, the board of county commissioners shall not fix the salary of the county assessor at an amount below the following schedule:

- In counties with a population of less than 6,500, \$5,900;
- In counties with a population of 6,500 but less than 12,000, \$6,200;
- In counties with a population of 12,000 but less than 16,000, \$6,500;
- In counties with a population of 16,000 but less than 21,000, \$6,700;
- In counties with a population of 21,000 but less than 30,000, \$6,900;
- In counties with a population of 30,000 but less than 39,500, \$7,100;
- In counties with a population of 39,500 but less than 50,000, \$7,300;
- In counties with a population of 50,000 or more, \$8,300.

In addition to their salaries, the county assessor and assistants shall be allowed their expenses for reasonable and necessary travel in the performance of their duties, including necessary travel, lodging and meal expense incurred by them while attending meetings of instructions or official hearings called by the commissioner of revenue. These expenses shall be payable out of the general revenue fund of the county, and shall be allowed on the same basis as such expenses are allowed to other county officers.

Subd. 7. Division of duties between local and county assessor. The duty of the duly appointed local assessor shall be to view and appraise the value of all property as provided by law, but all the book work shall be done by the county assessor, or the assessor's assistants, and the value of all property subject to assessment and taxation shall be determined by the county assessor, except as otherwise hereinafter provided.

NOTE: Laws 1971, Chapter 434, Section 5, reads as follows:

"Sec. 5. This act shall not apply to cities or villages whose assessors have the powers and duties of a county assessor pursuant to Minnesota Statutes, Section 273.063."

Subd. 8. Powers and duties. The county assessor shall have the following powers and duties:

(1) To call upon and confer with the township and city assessors in the county, and advise and give them the necessary instructions and directions as to their duties under the laws of this state, to the end that a uniform assessment of all real property in the county will be attained.

(2) To assist and instruct the local assessors in the preparation and proper use of land maps and record cards, in the property classification of real and personal property, and in the determination of proper standards of value.

(3) To keep the local assessors in the county advised of all changes in assessment laws and all instructions which the assessor receives from the commissioner of revenue relating to their duties.

(4) To have authority to require the attendance of groups of local assessors at sectional meetings called by the assessor for the purpose of giving them further assistance and instruction as to their duties.

(5) To immediately commence the preparation of a large scale topographical land map of the county, in such form as may be prescribed by the commissioner of revenue, showing thereon the location of all railroads, highways and roads, bridges, rivers and lakes, swamp areas, wooded tracts, stony ridges and other features which might affect the value of the land. Appropriate symbols shall be used to indicate the best, the fair, and the poor land of the county. For use in connection with the topographical land map, the assessor shall prepare and keep available in the assessor's office tables showing fair average minimum and maximum market values per acre of cultivated, meadow, pasture, cutover, timber and waste lands of each township. The assessor shall keep the map and tables available in the office for the guidance of town assessors, boards of review, and the county board of equalization.

(6) To also prepare and keep available in the office for the guidance of town assessors, boards of review and the county board of equalization, a land valuation map of the county, in

such form as may be prescribed by the commissioner of revenue. This map, which shall include the bordering tier of townships of each county adjoining, shall show the average market value per acre, both with and without improvements, as finally equalized in the last assessment of real estate, of all land in each town or unorganized township which lies outside the corporate limits of cities.

(7) To regularly examine all conveyances of land outside the corporate limits of cities of the first and second class, filed with the county recorder of the county, and keep a file, by descriptions, of the considerations shown thereon. From the information obtained by comparing the considerations shown with the market values assessed, the assessor shall make recommendations to the county board of equalization of necessary changes in individual assessments or aggregate valuations.

(8) To become familiar with the values of the different items of personal property so as to be in a position when called upon to advise the boards of review and the county board of equalization concerning property, market values thereof.

(9) While the county board of equalization is in session, to give it every possible assistance to enable it to perform its duties. The assessor shall furnish the board with all necessary charts, tables, comparisons, and data which it requires in its deliberations, and shall make whatever investigations the board may desire.

(10) At the request of either the board of county commissioners or the commissioner of revenue, to investigate applications for reductions of valuation and abatements and settlements of taxes, examine the real or personal property involved, and submit written reports and recommendations with respect to the applications, in such form as may be prescribed by the board of county commissioners and commissioner of revenue.

(11) To make diligent search each year for real and personal property which has been omitted from assessment in the county, and report all such omissions to the county auditor.

(12) To regularly confer with county assessors in all adjacent counties about the assessment of property in order to uniformly assess and equalize the value of similar properties and classes of property located in adjacent counties. The conference shall emphasize the assessment of agricultural and commercial and industrial property or other properties that may have an inadequate number of sales in a single county.

(13) To render such other services pertaining to the assessment of real and personal property in the county as are not inconsistent with the duties set forth in this section, and as may be required by the board of county commissioners or by the commissioner of revenue.

(14) To maintain a record, in conjunction with other county offices, of all transfers of property to assist in determining the proper classification of property, including but not limited to, transferring homestead property and name changes on homestead property.

(15) To determine if a homestead application is required due to the transfer of homestead property or an owner's name change on homestead property.

Subd. 8a. Additional powers and duties of the commissioner of revenue, county assessors and local assessors. Notwithstanding any provision of law to the contrary, in order to promote a uniform assessment and review of assessments, the commissioner of revenue, county assessors and local assessors may exchange data on property which are classified under chapter 13 as public, nonpublic or private. The data for any property may include but is not limited to its sales, income, expenses, vacancies, rentable or usable areas, anticipated income and expenses, projected vacancies, lease information, and private multiple listing service data. Data exchanged under this provision that is classified as nonpublic or private data shall retain its classification.

Subd. 9. Additional general duties. Additional duties of the county assessor shall be as follows:

(a) to make all assessments, based upon the appraised values reported by the local assessors or assistants and the county assessor's own knowledge of the value of the property assessed;

(b) to personally view and determine the value of any property which because of its type or character may be difficult for the local assessor to appraise;

(c) to make all changes ordered by the local boards of review, relative to the net tax capacity of the property of any individual, firm or corporation after notice has been given and hearings held as provided by law;

(d) to enter all assessments in the assessment books, furnished by the county auditor, with each book and the tabular statements for each book in correct balance;

(e) to prepare all assessment cards, charts, maps and any other forms prescribed by the commissioner of revenue;

(f) to attend the meeting of the county board of equalization; to investigate and report on any assessment ordered by said board; to enter all changes made by said board in the assessment books and prepare the abstract of assessments for the commissioner of revenue; to enter all changes made by the state board of equalization in the assessment books; to deduct all exemptions authorized by law from each assessment and certify to the county auditor the taxable value of each parcel of land, as described and listed in the assessment books by the county auditor, and the taxable value of the personal property of each person, firm, or corporation assessed;

(g) to investigate and make recommendations relative to all applications for the abatement of taxes or applications for the reduction of the net tax capacity of any property;

(h) to perform all other duties relating to the assessment of property for the purpose of taxation which may be required by the commissioner of revenue.

Subd. 10. Assessor in unorganized territory. In counties having unorganized territory divided into one or more assessment districts, the board of county commissioners may appoint the county assessor for all such districts. In such case the assessor shall receive no compensation for performing the duties of assessor. The assessor shall, however, be allowed expenses for reasonable and necessary travel in the performance of duties. Such expenses shall be payable out of the general revenue fund of the county.

273.062 VALUATION AND ASSESSMENT OF PERSONAL PROPERTY.

The county assessor, or city assessor in a city with population of 30,000 or more shall value and assess all personal property. The assessor shall make an alphabetical list of the names of all persons in the town or district liable to an assessment of personal property, and shall call at the office or place of business or residence of each person required by this chapter to list property, and shall list the person's name, and shall require each person to make and deliver a correct list and statement of such property, according to the prescribed form, which shall be subscribed and sworn to by the person listing; and the assessor shall thereupon determine the value of the property in such statement, and enter the same in the assessment books, opposite the name of the person assessed, with the name and post office address of the person listing the property; and, if such person reside in a city, the street and number, or other brief description, of the person's residence or place of business. If any property is listed or assessed on or after the last Monday in February, and before the return of the assessor's books, the same shall be as legal and binding as if listed and assessed before that time.

Such county or city assessor shall have power and authority to summon witnesses to appear and give testimony, and to produce books, records, papers and documents relating to the listing of personal property.

273.063 APPLICATION; LIMITATIONS.

The provisions of Extra Session Laws 1967, Chapter 32, Article 8, shall apply to all counties except Ramsey county. The following limitations shall apply as to the extent of the county assessors jurisdiction:

In counties having a city of the first class, the powers and duties of the county assessor within such city shall be performed by the duly appointed city assessor. In all other cities having a population of 30,000 persons or more, according to the last preceding federal census, except in counties having a county assessor on January 1, 1967, the powers and duties of the county assessor within such cities shall be performed by the duly appointed city assessor, provided that the county assessor shall retain the supervisory duties contained in section 273.061, subdivision 8.

273.064 EXAMINATION OF LOCAL ASSESSOR'S WORK; COMPLETION OF ASSESSMENTS.

The county assessor shall examine the assessment appraisal records of each local assessor anytime after December 1 of each year and shall immediately give notice in writing to the governing body of said district of any deficiencies in the assessment procedures with respect to the quantity of or quality of the work done as of that date and indicating corrective measures to be undertaken and effected by the local assessor not later than 30 days thereafter. If, upon reexamination of such records at that time, the deficiencies noted in the written notice previously given have not been substantially corrected to the end that a timely and uniform assessment of all real property in the county will be attained, then the county assessor with the approval of the county board shall collect the necessary records from the local assessor and complete the assessment or employ others to complete the assessment. When the county assessor has completed the assessments, the local assessor shall thereafter resume the assessment function within the district. In this circumstance the cost of completing the assessment shall be charged against the assessment district involved. The county auditor shall certify the costs thus incurred to the appropriate governing body not later than August 1 and if unpaid as of September 1 of the assessment year, the county auditor shall levy a tax upon the taxable property of said assessment district sufficient to pay such costs. The amount so collected shall be credited to the general revenue fund of the county.

"Sec. 5. This act shall not apply to cities or villages whose assessors have the powers and duties of a county assessor pursuant to Minnesota Statutes, Section 273.063."

273.065 DELIVERY OF ASSESSMENT APPRAISAL RECORDS; EXTENSIONS.

Assessment districts shall complete the assessment appraisal records on or before February 1. The records shall be delivered to the county assessor as of that date and any work which is the responsibility of the local assessor which is not completed by February 1 shall be accomplished by the county assessor or persons employed by the county assessor and the cost of such work shall be charged against the assessment district as provided in section 273.064. Extensions of time to complete the assessment appraisal records may be granted to the local assessor by the county assessor if such extension is approved by the county board.

273.072 AGREEMENTS FOR JOINT ASSESSMENT.

Subdivision 1. Any county and any city or town lying wholly or partially within the county and constituting a separate assessment district may, by agreement entered into under section 471.59 and approved by the commissioner of revenue, provide for the assessment of property in the municipality or town by the county assessor. Any two or more cities or towns constituting separate assessment districts, whether their assessors are elective or appointive, may enter into an agreement under section 471.59 for the assessment of property in the contracting units by the assessor of one of the units or by an assessor who is jointly employed.

Subd. 2. The agreement may provide for the abolition of the office of local assessor in any contracting unit when the assessment of property within it is to be made under the agreement by another assessor. In such case, the office of assessor in that unit shall cease to exist upon the date fixed in the agreement but not before the end of the term of the incumbent, if serving for a fixed term, or when an earlier vacancy occurs.

Subd. 3. When the agreement provides for joint employment of an assessor, the assessor shall be appointed and removed in a manner and shall hold office for such term as is provided in the agreement, notwithstanding charter or other statutory provisions for election or appointment of an assessor for a prescribed term.

Subd. 4. If the agreement is for an indefinite term, it may be terminated on six months notice by either party. Upon the termination of the agreement, whether for a fixed or indefinite term, any office of assessor abolished as a result of the agreement shall be automatically reestablished and shall be filled as provided by applicable law or charter.

Subd. 5. Any amount paid to the county for personal services of the county assessor under such an agreement shall be paid into the general revenue fund of the county.

Subd. 6. Agreements made under this section have no effect upon the powers and duties of local boards of review and equalization.

273.075 INSTRUCTIONAL COURSES FOR ASSESSORS AND DEPUTIES.

Personnel employed as assessors or deputies of said assessor may be enrolled in courses approved by the commissioner of revenue and have the tuition for such course paid for from moneys appropriated by Laws 1971, chapter 931. Such payment shall be made to the University of Minnesota or any other college or institution conducting such an accredited course, provided that such payment may only be made if the application is made by or approved by the taxing district or districts for which the assessor or deputy is employed and the commissioner of revenue.

Two or more taxing districts may join together in enrolling assessors in such approved courses.

273.08 ASSESSOR'S DUTIES.

The assessor shall actually view, and determine the market value of each tract or lot of real property listed for taxation, including the value of all improvements and structures thereon, at maximum intervals of four years and shall enter the value opposite each description.

273.10 SCHOOL DISTRICTS.

When assessing personal property the county assessor shall designate the number of the school district in which each person assessed is liable for tax, by writing the number of the district opposite each assessment in a column provided for that purpose in the assessment book. When the personal property of any person is assessable in several school districts, the amount in each shall be assessed separately, and the name of the owner placed opposite each amount.

273.11 VALUATION OF PROPERTY.

Subdivision 1. **Generally.** Except as provided in this section or section 273.17, subdivision 1, all property shall be valued at its market value. The market value as determined pursuant to this section shall be stated such that any amount under \$100 is rounded up to \$100 and any amount exceeding \$100 shall be rounded to the nearest \$100. In estimating and de-

termining such value, the assessor shall not adopt a lower or different standard of value because the same is to serve as a basis of taxation, nor shall the assessor adopt as a criterion of value the price for which such property would sell at a forced sale, or in the aggregate with all the property in the town or district; but the assessor shall value each article or description of property by itself, and at such sum or price as the assessor believes the same to be fairly worth in money. The assessor shall take into account the effect on the market value of property of environmental factors in the vicinity of the property. In assessing any tract or lot of real property, the value of the land, exclusive of structures and improvements, shall be determined, and also the value of all structures and improvements thereon, and the aggregate value of the property, including all structures and improvements, excluding the value of crops growing upon cultivated land. In valuing real property upon which there is a mine or quarry, it shall be valued at such price as such property, including the mine or quarry, would sell for a fair, voluntary sale, for cash. In valuing real property which is vacant, platted property shall be assessed as provided in subdivision 14. All property, or the use thereof, which is taxable under section 272.01, subdivision 2, or 273.19, shall be valued at the market value of such property and not at the value of a leasehold estate in such property, or at some lesser value than its market value.

Subd. 1a. Limited market value. In the case of all property classified as agricultural homestead or nonhomestead, residential homestead or nonhomestead, or noncommercial seasonal recreational residential, the assessor shall compare the value with that determined in the preceding assessment. The amount of the increase entered in the current assessment shall not exceed the greater of (1) ten percent of the value in the preceding assessment, or (2) one-third of the difference between the current assessment and the preceding assessment. This limitation shall not apply to increases in value due to improvements. For purposes of this subdivision, the term "assessment" means the value prior to any exclusion under subdivision 16.

The provisions of this subdivision shall be in effect only for assessment years 1993 through 1997.

For purposes of the assessment/sales ratio study conducted under section 124.2131, and the computation of state aids paid under chapters 124, 124A, and 477A, market values and net tax capacities determined under this subdivision and subdivision 16, shall be used.

Subd. 2. [Repealed, 1979 c 303 art 2 s 38]

Subd. 3. [Repealed, 1975 c 437 art 8 s 10]

Subd. 4. [Repealed, 1976 c 345 s 3]

Subd. 5. Notwithstanding any other provision of law to the contrary, the limitation contained in subdivisions 1 and 1a shall also apply to the authority of the local board of review as provided in section 274.01, the county board of equalization as provided in section 274.13, the state board of equalization and the commissioner of revenue as provided in sections 270.11, 270.12 and 270.16.

Subd. 6. For purposes of property taxation, the market value of real and personal property installed prior to January 1, 1984, which is a solar, wind, or agriculturally derived methane gas system used as a heating, cooling, or electric power source of a building or structure shall be excluded from the market value of that building or structure if the property is not used to provide energy for sale.

Subd. 6a. Fire-safety sprinkler systems. For purposes of property taxation, the market value of automatic fire-safety sprinkler systems installed in existing buildings after January 1, 1992, meeting the standards of the Minnesota fire code shall be excluded from the market value of (1) existing multifamily residential real estate containing four or more units and used or held for use by the owner or by the tenants or lessees of the owner as a residence and (2) existing real estate containing four or more contiguous residential units for use by customers of the owner, such as hotels, motels, and lodging houses and (3) existing office buildings or mixed use commercial-residential buildings, in which at least one story capable of occupancy is at least 75 feet above the ground. The market value exclusion under this section shall expire if the property is sold.

Subd. 7. [Repealed, 1984 c 502 art 3 s 36]

Subd. 8. Limited equity cooperative apartments. For the purposes of this subdivision, the terms defined in this subdivision have the meanings given them.

A "limited equity cooperative" is a corporation organized under chapter 308A, which has as its primary purpose the provision of housing and related services to its members which meets one of the following criteria with respect to the income of its members: (1) a minimum of 75 percent of members must have incomes at or less than 90 percent of area median income, (2) a minimum of 40 percent of members must have incomes at or less than 60 percent of area median income, or (3) a minimum of 20 percent of members must have incomes at or less than 50 percent of area median income. For purposes of this clause, "member income" shall mean the income of a member existing at the time the member acquires cooperative membership, and median income shall mean the St. Paul–Minneapolis metropolitan area median income as determined by the United States Department of Housing and Urban Development. It must also meet the following requirements:

(a) The articles of incorporation set the sale price of occupancy entitling cooperative shares or memberships at no more than a transfer value determined as provided in the articles. That value may not exceed the sum of the following:

(1) the consideration paid for the membership or shares by the first occupant of the unit, as shown in the records of the corporation;

(2) the fair market value, as shown in the records of the corporation, of any improvements to the real property that were installed at the sole expense of the member with the prior approval of the board of directors;

(3) accumulated interest, or an inflation allowance not to exceed the greater of a ten percent annual noncompounded increase on the consideration paid for the membership or share by the first occupant of the unit, or the amount that would have been paid on that consideration if interest had been paid on it at the rate of the percentage increase in the revised consumer price index for all urban consumers for the Minneapolis–St. Paul metropolitan area prepared by the United States Department of Labor, provided that the amount determined pursuant to this clause may not exceed \$500 for each year or fraction of a year the membership or share was owned; plus

(4) real property capital contributions shown in the records of the corporation to have been paid by the transferor member and previous holders of the same membership, or of separate memberships that had entitled occupancy to the unit of the member involved. These contributions include contributions to a corporate reserve account the use of which is restricted to real property improvements or acquisitions, contributions to the corporation which are used for real property improvements or acquisitions, and the amount of principal amortized by the corporation on its indebtedness due to the financing of real property acquisition or improvement or the averaging of principal paid by the corporation over the term of its real property–related indebtedness.

(b) The articles of incorporation require that the board of directors limit the purchase price of stock or membership interests for new member–occupants or resident shareholders to an amount which does not exceed the transfer value for the membership or stock as defined in clause (a).

(c) The articles of incorporation require that the total distribution out of capital to a member shall not exceed that transfer value.

(d) The articles of incorporation require that upon liquidation of the corporation any assets remaining after retirement of corporate debts and distribution to members will be conveyed to a charitable organization described in section 501(c)(3) of the Internal Revenue Code of 1986, as amended through December 31, 1992, or a public agency.

A "limited equity cooperative apartment" is a dwelling unit owned by a limited equity cooperative.

"Occupancy entitling cooperative share or membership" is the ownership interest in a cooperative organization which entitles the holder to an exclusive right to occupy a dwelling unit owned or leased by the cooperative.

For purposes of taxation, the assessor shall value a unit owned by a limited equity cooperative at the lesser of its market value or the value determined by capitalizing the net operating income of a comparable apartment operated on a rental basis at the capitalization rate

used in valuing comparable buildings that are not limited equity cooperatives. If a cooperative fails to operate in accordance with the provisions of clauses (a) to (d), the property shall be subject to additional property taxes in the amount of the difference between the taxes determined in accordance with this subdivision for the last ten years that the property had been assessed pursuant to this subdivision and the amount that would have been paid if the provisions of this subdivision had not applied to it. The additional taxes, plus interest at the rate specified in section 549.09, shall be extended against the property on the tax list for the current year.

Subd. 9. Condominium property. Notwithstanding any other provision of law to the contrary, for purposes of property taxation, condominium property shall be valued in accordance with this subdivision.

(a) A structure or building that is initially constructed as condominiums shall be identified as separate units after the filing of a declaration. The market value of the residential units in that structure or building and included in the declaration shall be valued as condominiums.

(b) When 60 percent or more of the residential units in a structure or building being converted to condominiums have been sold as condominiums including those units that the converters retain for their own investment, the market value of the remaining residential units in that structure or building which are included in the declaration shall be valued as condominiums. If not all of the residential units in the structure or building are included in the declaration, the 60 percent factor shall apply to those in the declaration. A separate description shall be recognized when a declaration is filed. For purposes of this clause, "retain" shall mean units that are rented and completed units that are not available for sale.

(c) For purposes of this subdivision, a "sale" is defined as the date when the first written document for the purchase or conveyance of the property is signed, unless that document is revoked.

Subd. 10. Valuation of agricultural land. Annually on November 15, beginning in 1988 and each year thereafter, the commissioner of revenue shall provide county assessors with a land valuation schedule showing a range of values to be used in the valuation of agricultural lands for the succeeding year's assessment. The land valuation schedule shall be developed matching the sales data obtained on the certificates of real estate value filed in the 12-month period between October 1 of the year immediately preceding to September 30 of the current year with information obtained from soil surveys. A range of values for each major soil type by region will be provided. Counties having similar soil types, number of degree days, and other similar characteristics will be grouped into regions for purposes of the valuation schedule. The department of revenue, in consultation with the county assessors, shall develop the land valuation schedule.

Subd. 11. Valuation of restored or preserved wetland. Wetlands restored by the federal, state, or local government, or by a nonprofit organization, or preserved under the terms of a temporary or perpetual easement by the federal or state government, must be valued by assessors at their wetland value. "Wetland value" in this subdivision means the market value of wetlands in any potential use in which the wetland character is not permanently altered. Wetland value shall not reflect potential uses of the wetland that would violate the terms of any existing conservation easement, or any one-time payment received by the wetland owner under the terms of a state or federal conservation easement. Wetland value shall reflect any potential income consistent with a property's wetland character, including but not limited to lease payments for hunting or other recreational uses. The commissioner of revenue shall issue a bulletin advising assessors of the provisions of this section by October 1, 1991.

For purposes of this subdivision, "wetlands" means lands transitional between terrestrial and aquatic systems where the water table is usually at or near the surface or the land is covered by shallow water. For purposes of this definition, wetlands must have the following three attributes:

- (1) have a predominance of hydric soils;
- (2) are inundated or saturated by surface or ground water at a frequency and duration sufficient to support a prevalence of hydrophytic vegetation typically adapted for life in saturated soil conditions; and
- (3) under normal circumstances support a prevalence of such vegetation.

Subd. 12. **Neighborhood land trusts.** (a) A neighborhood land trust, as defined under chapter 462A, is (i) a community-based nonprofit corporation organized under chapter 317A, which qualifies for tax exempt status under 501(c)(3), or (ii) a "city" as defined in section 462C.02, subdivision 6, which has received funding from the Minnesota housing finance agency for purposes of the neighborhood land trust program. The Minnesota housing finance agency shall set the criteria for neighborhood land trusts.

(b) All occupants of a neighborhood land trust building must have a family income of less than 80 percent of the greater of (1) the state median income, or (2) the area or county median income, as most recently determined by the department of housing and urban development. Before the neighborhood land trust can rent or sell a unit to an applicant, the neighborhood land trust shall verify to the satisfaction of the administering agency or the city that the family income of each person or family applying for a unit in the neighborhood land trust building is within the income criteria provided in this paragraph. The administering agency or the city shall verify to the satisfaction of the county assessor that the occupant meets the income criteria under this paragraph. The property tax benefits under paragraph (c) shall be granted only to property owned or rented by persons or families within the qualifying income limits. The family income criteria and verification is only necessary at the time of initial occupancy in the property.

(c) A unit which is owned by the occupant and used as a homestead by the occupant qualifies for homestead treatment as class 1a under section 273.13, subdivision 22. A unit which is rented by the occupant and used as a homestead by the occupant shall be class 4a or 4b property, under section 273.13, subdivision 25, whichever is applicable. Any remaining portion of the property not used for residential purposes shall be classified by the assessor in the appropriate class based upon the use of that portion of the property owned by the neighborhood land trust. The land upon which the building is located shall be assessed at the same class rate as the units within the building, provided that if the building contains some units assessed as class 1a and some units assessed as class 4a or 4b, the market value of the land will be assessed in the same proportions as the value of the building.

Subd. 13. **Valuation of income-producing property.** Beginning with the 1995 assessment, only accredited assessors or senior accredited assessors or other licensed assessors who have successfully completed at least two income-producing property appraisal courses may value income-producing property for ad valorem tax purposes. "Income-producing property" as used in this subdivision means the taxable property in class 3a and 3b in section 273.13, subdivision 24; class 4a and 4c, except for seasonal recreational property not used for commercial purposes, and class 4d in section 273.13, subdivision 25; and class 5 in section 273.13, subdivision 31. "Income-producing property" includes any property in class 4e in section 273.13, subdivision 25, that would be income-producing property under the definition in this subdivision if it were not substandard. "Income-producing property appraisal course" as used in this subdivision means a course of study of approximately 30 instructional hours, with a final comprehensive test. An assessor must successfully complete the final examination for each of the two required courses. The course must be approved by the board of assessors.

Subd. 14. **Vacant land platted on or after August 1, 1991.** (a) All land platted on or after August 1, 1991, and not improved with a permanent structure, shall be assessed as provided in this subdivision. The assessor shall determine the market value of each individual lot based upon the highest and best use of the property as unplatted land. In establishing the market value of the property, the assessor shall consider the sale price of the unplatted land or comparable sales of unplatted land of similar use and similar availability of public utilities.

(b) The market value determined in paragraph (a) shall be increased as follows for each of the three assessment years immediately following the final approval of the plat: one-third of the difference between the property's unplatted market value as determined under paragraph (a) and the market value based upon the highest and best use of the land as platted property shall be added in each of the three subsequent assessment years.

(c) Any increase in market value after the first assessment year following the plat's final approval shall be added to the property's market value in the next assessment year. Notwithstanding paragraph (b), if construction begins before the expiration of the three years in para-

graph (b), that lot shall be eligible for revaluation in the next assessment year. The market value of a platted lot determined under this subdivision shall not exceed the value of that lot based upon the highest and best use of the property as platted land.

Subd. 15. Vacant hospitals. In valuing a hospital, as defined in section 144.50, subdivision 2, that is located outside of a metropolitan county, as defined in section 473.121, subdivision 4, and that on the date of sale is vacant and not used for hospital purposes or for any other purpose, the assessor's estimated market value for taxes levied in the year of the sale shall be no greater than the sales price of the property, including both the land and the buildings, as adjusted for terms of financing. If the sale is made later than December 15, the market value as determined under this subdivision shall be used for taxes levied in the following year. This subdivision applies only if the sales price of the property was determined under an arms length transaction.

Subd. 16. Valuation exclusion for certain improvements. Improvements to homestead property made before January 2, 2003, shall be fully or partially excluded from the value of the property for assessment purposes provided that (1) the house is at least 35 years old at the time of the improvement and (2) either

(a) the assessor's estimated market value of the house on January 2 of the current year is equal to or less than \$150,000, or

(b) if the estimated market value of the house is over \$150,000 market value but is less than \$300,000 on January 2 of the current year, the property qualifies if

(i) it is located in a city or town in which 50 percent or more of the owner-occupied housing units were constructed before 1960 based upon the 1990 federal census, and

(ii) the city or town's median family income based upon the 1990 federal census is less than the statewide median family income based upon the 1990 federal census, or

(c) if the estimated market value of the house is \$300,000 or more on January 2 of the current year, the property qualifies if

(i) it is located in a city or town in which 45 percent or more of the homes were constructed before 1940 based upon the 1990 federal census, and

(ii) it is located in a city or town in which 45 percent or more of the housing units were rental based upon the 1990 federal census, and

(iii) the city or town's median value of owner-occupied housing units based upon the 1990 federal census is less than the statewide median value of owner-occupied housing units based upon the 1990 federal census.

For purposes of determining this eligibility, "house" means land and buildings.

The age of a residence is the number of years that the residence has existed at its present site. In the case of an owner-occupied duplex or triplex, the improvement is eligible regardless of which portion of the property was improved.

If the property lies in a jurisdiction which is subject to a building permit process, a building permit must have been issued prior to commencement of the improvement. Any improvement must add at least \$1,000 to the value of the property to be eligible for exclusion under this subdivision. Only improvements to the structure which is the residence of the qualifying homesteader or construction of or improvements to no more than one two-car garage per residence qualify for the provisions of this subdivision. If an improvement was begun between January 2, 1992, and January 2, 1993, any value added from that improvement for the January 1994 and subsequent assessments shall qualify for exclusion under this subdivision provided that a building permit was obtained for the improvement between January 2, 1992, and January 2, 1993. Whenever a building permit is issued for property currently classified as homestead, the issuing jurisdiction shall notify the property owner of the possibility of valuation exclusion under this subdivision. The assessor shall require an application, including documentation of the age of the house from the owner, if unknown by the assessor. The application may be filed subsequent to the date of the building permit provided that the application must be filed within three years of the date the building permit was issued for the improvement. If the property lies in a jurisdiction which is not subject to a building permit process, the application must be filed within three years of the date the improvement was made. The assessor may require proof from the taxpayer of the date the improvement

was made. Applications must be received prior to July 1 of any year in order to be effective for taxes payable in the following year.

No exclusion may be granted for an improvement by a local board of review or county board of equalization and no abatement of the taxes for qualifying improvements may be granted by the county board unless (1) a building permit was issued prior to the commencement of the improvement if the jurisdiction requires a building permit, and (2) an application was completed.

The assessor shall note the qualifying value of each improvement on the property's record, and the sum of those amounts shall be subtracted from the value of the property in each year for ten years after the improvement has been made, at which time an amount equal to 20 percent of the qualifying value shall be added back in each of the five subsequent assessment years. If an application is filed after the first assessment date at which an improvement could have been subject to the valuation exclusion under this subdivision, the ten-year period during which the value is subject to exclusion is reduced by the number of years that have elapsed since the property would have qualified initially. The valuation exclusion shall terminate whenever (1) the property is sold, or (2) the property is reclassified to a class which does not qualify for treatment under this subdivision. Improvements made by an occupant who is the purchaser of the property under a conditional purchase contract do not qualify under this subdivision unless the seller of the property is a governmental entity. The qualifying value of the property shall be computed based upon the increase from that structure's market value as of January 2 preceding the acquisition of the property by the governmental entity.

The total qualifying value for a homestead may not exceed \$50,000. The total qualifying value for a homestead with a house that is less than 70 years old may not exceed \$25,000. The term "qualifying value" means the increase in estimated market value resulting from the improvement if the improvement occurs when the house is at least 70 years old, or one-half of the increase in estimated market value resulting from the improvement otherwise. The \$25,000 and \$50,000 maximum qualifying value under this subdivision may result from up to three separate improvements to the homestead. The application shall state, in clear language, that if more than three improvements are made to the qualifying property, a taxpayer may choose which three improvements are eligible, provided that after the taxpayer has made the choice and any valuation attributable to those improvements has been excluded from taxation, no further changes can be made by the taxpayer.

If 50 percent or more of the square footage of a structure is voluntarily razed or removed, the valuation increase attributable to any subsequent improvements to the remaining structure does not qualify for the exclusion under this subdivision. If a structure is unintentionally or accidentally destroyed by a natural disaster, the property is eligible for an exclusion under this subdivision provided that the structure was not completely destroyed. The qualifying value on property destroyed by a natural disaster shall be computed based upon the increase from that structure's market value as determined on January 2 of the year in which the disaster occurred. A property receiving benefits under the homestead disaster provisions under section 273.123 is not disqualified from receiving an exclusion under this subdivision. If any combination of improvements made to a structure after January 1, 1993, increases the size of the structure by 100 percent or more, the valuation increase attributable to the portion of the improvement that causes the structure's size to exceed 100 percent does not qualify for exclusion under this subdivision.

Subd. 17. Valuation of contaminated properties. (a) In determining the market value of property containing contaminants, the assessor shall reduce the market value of the property by the contamination value of the property. The contamination value is the amount of the market value reduction that results from the presence of the contaminants, but it may not exceed the cost of a reasonable response action plan or asbestos abatement plan or management program for the property.

(b) For purposes of this subdivision, "asbestos abatement plan," "contaminants," and "response action plan" have the meanings as used in sections 270.91 and 270.92.

Subd. 18. Disclosure of valuation exclusion. No seller of real property shall sell or offer for sale property that, for purposes of property taxation, has an exclusion from market value for home improvements under subdivision 16, without disclosing to the buyer the exist-

tence of the excluded valuation and informing the buyer that the exclusion will end upon the sale of the property and that the property's estimated market value for property tax purposes will increase accordingly.

273.1101 VALUATION, TERMINOLOGY IN STATUTES, LAWS OR CHARTERS.

Notwithstanding the provisions of any statute, special law or city charter, all references in such provisions to "true and full" values, relating to the procedure of boards of review and equalization, and to certifications by assessors and other public officers, shall be construed as referring to the current market values as determined in assessment.

History: 1971 c 427 s 23

273.1102 RATE OF TAX, TERMINOLOGY OF LAWS OR CHARTERS.

Subdivision 1. **1971 adjustment.** The rate of property taxation by any political subdivision or other public corporation for any purpose for which any law or charter now provides a maximum tax rate expressed in mills times the assessed value or times the full and true value of taxable property (except any adjusted assessed values determined by the commissioner under section 124.2131) shall not exceed 33-1/3 percent of such maximum tax rate until and unless such law or charter is amended to provide a different maximum tax rate.

Subd. 2. [Repealed, 1988 c 719 art 5 s 81]

Subd. 3. **1988 adjustment.** School district levy limitations or authorities expressed in terms of mills and adjusted assessed value in any special law that is not codified in Minnesota Statutes shall be converted by the department of children, families, and learning to equalized gross local tax rates for taxes payable in 1989 and 1990 and to equalized net local tax rates for taxes payable in 1991 and thereafter. For purposes of this calculation, the 1987 adjusted assessed values of the district shall be converted to "adjusted gross tax capacities" by multiplying the equalized market values by class of property by the gross class rates provided in section 273.13. Each county assessor and the city assessors of Minneapolis, Duluth, and St. Cloud shall furnish the commissioner of revenue the 1987 market value for taxes payable in 1988 for any new classes of property established in Laws 1988, chapter 719, article 5. The commissioner shall use those values, and estimate values where needed, in developing the 1987 tax capacity for each school district under this section. The requirements of section 124.2131, subdivisions 1, paragraph (c), and 2 and 3, shall remain in effect.

273.1103 NET DEBT, TERMINOLOGY OF LAWS OR CHARTERS.

Net debt incurred by any political subdivision or other public corporation for which any law or any charter provision provides a limit expressed as a percentage of the assessed value or the full and true value of taxable property (except any adjusted assessed value determined by the commissioner under section 124.2131) shall not exceed 33-1/3 percent of such limit until and unless such law or charter is amended to provide a different limit.

273.1104 IRON ORE, VALUE.

Subdivision 1. The term value as applied to iron ore in sections 273.165, subdivision 2, and 273.13, subdivision 31, shall be deemed to be the present value of future income or the minimum value as established by the commissioner notwithstanding the provisions of section 273.11. The present value of future income shall be determined by the commissioner of revenue in accordance with professionally recognized mineral valuation practice and procedure. Nothing contained herein shall be construed as requiring any change in the method of determining present value of iron ore utilized by the commissioner prior to the enactment hereof or as limiting any remedy presently available to the taxpayer in connection with the commissioner's determination of present value, or precluding the commissioner from making subsequent changes in the present worth formula.

Subd. 2. On or before May 1 in each year, the commissioner shall send to each person subject to the tax on unmined iron ores and to each taxing district affected, a notice of the market value of the unmined ores as determined by the commissioner prior to adjustment under subdivision 1. Said notice shall be sent by mail directed to such person at the address given in the report filed and the assessor of such taxing district, but the validity of the tax shall not be affected by the failure of the commissioner of revenue to mail such notice or the failure of the person subject to the tax to receive it.

On the first secular day following May 20, the commissioner of revenue shall hold a hearing which may be adjourned from day to day. All relevant and material evidence having probative value with respect to the issues shall be submitted at the hearing and such hearing shall not be a "contested case" within the meaning of section 14.02, subdivision 3. Every person subject to such tax may at such hearing present evidence and argument on any matter bearing upon the validity or correctness of the tax determined to be due, and the commissioner of revenue shall review the determination of such tax.

273.1105 [Repealed, 1Sp1985 c 14 art 4 s 98]

273.111 AGRICULTURAL PROPERTY TAX.

Subdivision 1. This section may be cited as the "Minnesota agricultural property tax law."

Subd. 2. The present general system of ad valorem property taxation in the state of Minnesota does not provide an equitable basis for the taxation of certain agricultural real property and has resulted in inadequate taxes on some lands and excessive taxes on others. Therefore, it is hereby declared to be the public policy of this state that the public interest would best be served by equalizing tax burdens upon agricultural property within this state through appropriate taxing measures.

Subd. 3. (a) Real estate consisting of ten acres or more or a nursery or greenhouse, and qualifying for classification as class 1b, 2a, or 2b under section 273.13, subdivision 23, paragraph (d), shall be entitled to valuation and tax deferral under this section only if it is actively and exclusively devoted to agricultural use as defined in subdivision 6 and either:

(1) is the homestead of the owner, or of a surviving spouse, child, or sibling of the owner or is real estate which is farmed with the real estate which contains the homestead property; or

(2) has been in possession of the applicant, the applicant's spouse, parent, or sibling, or any combination thereof, for a period of at least seven years prior to application for benefits under the provisions of this section, or is real estate which is farmed with the real estate which qualifies under this clause and is within two townships or cities or combination thereof from the qualifying real estate; or

(3) is the homestead of a shareholder in a family farm corporation as defined in section 500.24, notwithstanding the fact that legal title to the real estate may be held in the name of the family farm corporation; or

(4) is in the possession of a nursery or greenhouse or an entity owned by a proprietor, partnership, or corporation which also owns the nursery or greenhouse operations on the parcel or parcels.

(b) Valuation of real estate under this section is limited to parcels the ownership of which is in noncorporate entities except for:

(1) family farm corporations organized pursuant to section 500.24; and

(2) corporations that derive 80 percent or more of their gross receipts from the wholesale or retail sale of horticultural or nursery stock.

Corporate entities who previously qualified for tax deferment pursuant to this section and who continue to otherwise qualify under subdivisions 3 and 6 for a period of at least three years following the effective date of Laws 1983, chapter 222, section 8, will not be required to make payment of the previously deferred taxes, notwithstanding the provisions of subdivision 9. Special assessments are payable at the end of the three-year period or at time of sale, whichever comes first.

(c) Land that previously qualified for tax deferment pursuant to this section and no longer qualifies because it is not classified as agricultural land but would otherwise qualify under subdivisions 3 and 6 for a period of at least three years will not be required to make payment of the previously deferred taxes, notwithstanding the provisions of subdivision 9. Sale of the land prior to the expiration of the three-year period requires payment of deferred taxes as follows: sale in the year the land no longer qualifies requires payment of the current year's deferred taxes plus payment of deferred taxes for the two prior years; sale during the second year the land no longer qualifies requires payment of the current year's deferred taxes plus payment of the deferred taxes for the prior year; and sale during the third year the land no longer qualifies requires payment of the current year's deferred taxes. Deferred taxes shall be paid even if the land qualifies pursuant to subdivision 11a. When such property is sold or no longer qualifies under this paragraph, or at the end of the three-year period, whichever comes first, all deferred special assessments plus interest are payable in equal installments spread over the time remaining until the last maturity date of the bonds issued to finance the improvement for which the assessments were levied. If the bonds have matured, the deferred special assessments plus interest are payable within 90 days. The provisions of section 429.061, subdivision 2, apply to the collection of these installments. Penalties are not imposed on any such special assessments if timely paid.

Subd. 4. The value of any real estate described in subdivision 3 shall upon timely application by the owner, in the manner provided in subdivision 8, be determined solely with reference to its appropriate agricultural classification and value notwithstanding sections 272.03, subdivision 8, and 273.11. In determining the value for ad valorem tax purposes, the assessor shall use sales data obtained from agricultural lands located outside the seven metropolitan counties but within the region used for computing the range of values under section 273.11, subdivision 10: The sales shall have similar soil types, number of degree days, and other similar agricultural characteristics as contained in section 273.11, subdivision 10. Furthermore, the assessor shall not consider any added values resulting from nonagricultural factors.

Subd. 5. The assessor shall, however, make a separate determination of the market value of such real estate. The tax based upon the appropriate local tax rate applicable to such property in the taxing district shall be recorded on the property assessment records.

Subd. 6. Real property shall be considered to be in agricultural use provided that annually:

(1) at least 33-1/3 percent of the total family income of the owner is derived therefrom, or the total production income including rental from the property is \$300 plus \$10 per tillable acre; and

(2) it is devoted to the production for sale of agricultural products as defined in section 273.13, subdivision 23, paragraph (e).

Slough, wasteland, and woodland contiguous to or surrounded by land that is entitled to valuation and tax deferment under this section is considered to be in agricultural use if under the same ownership and management.

Subd. 7. [Repealed, 1969 c 1039 s 10]

Subd. 8. Application for deferment of taxes and assessment under this section shall be filed by May 1 of the year prior to the year in which the taxes are payable. Any application filed hereunder and granted shall continue in effect for subsequent years until the property no longer qualifies. Such application shall be filed with the assessor of the taxing district in which the real property is located on such form as may be prescribed by the commissioner of revenue. The assessor may require proof by affidavit or otherwise that the property qualifies under subdivisions 3 and 6.

Subd. 8a. [Repealed, 1984 c 593 s 46]

Subd. 9. When real property which is being, or has been valued and assessed under this section no longer qualifies under subdivisions 3 and 6, the portion no longer qualifying shall be subject to additional taxes, in the amount equal to the difference between the taxes determined in accordance with subdivision 4, and the amount determined under subdivision 5, provided, however, that the amount determined under subdivision 5 shall not be greater than it would have been had the actual bona fide sale price of the real property at an arms length transaction been used in lieu of the market value determined under subdivision 5. Such additional taxes shall be extended against the property on the tax list for the current year, provided, however, that no interest or penalties shall be levied on such additional taxes if timely paid, and provided further, that such additional taxes shall only be levied with respect to the last three years that the said property has been valued and assessed under this section.

Subd. 10. The tax imposed by this section shall be a lien upon the property assessed to the same extent and for the same duration as other taxes imposed upon property within this state. The tax shall be annually extended by the county auditor and if and when payable shall be collected and distributed in the manner provided by law for the collection and distribution of other property taxes.

Subd. 11. The payment of special local assessments levied after June 1, 1967, for improvements made to any real property described in subdivision 3 together with the interest thereon shall, on timely application as provided in subdivision 8, be deferred as long as such property meets the conditions contained in subdivisions 3 and 6 or is transferred to an agricultural preserve under sections 473H.02 to 473H.17. If special assessments against the property have been deferred pursuant to this subdivision, the governmental unit shall file with the county recorder in the county in which the property is located a certificate containing the legal description of the affected property and of the amount deferred. When such property no longer qualifies under subdivisions 3 and 6, all deferred special assessments plus interest shall be payable in equal installments spread over the time remaining until the last maturity date of the bonds issued to finance the improvement for which the assessments were levied. If the bonds have matured, the deferred special assessments plus interest shall be payable within 90 days. The provisions of section 429.061, subdivision 2, apply to the collection of these installments. Penalty shall not be levied on any such special assessments if timely paid.

Subd. 11a. When real property qualifying under subdivisions 3 and 6 is sold, no additional taxes or deferred special assessments plus interest shall be extended against the property provided the property continues to qualify pursuant to subdivisions 3 and 6, and provided the new owner files an application for continued deferment within 30 days after the sale.

For purposes of meeting the income requirements of subdivision 6, the property purchased shall be considered in conjunction with other qualifying property owned by the purchaser.

Subd. 12. This section shall be broadly construed to achieve its purpose. The invalidity of any provision shall be deemed not to affect the validity of other provisions.

Subd. 13. This section shall apply to assessments for tax purposes made in 1968 and thereafter.

Subd. 14. This section shall apply to special local assessments levied after July 1, 1967, and payable in the years thereafter, but shall not apply to any special assessments levied at any time by a county or district court under the provisions of chapter 116A.

273.112 PRIVATE OUTDOOR RECREATIONAL, OPEN SPACE AND PARK LAND TAX.

Subdivision 1. This section may be cited as the "Minnesota open space property tax law."

Subd. 2. The present general system of ad valorem property taxation in the state of Minnesota does not provide an equitable basis for the taxation of certain private outdoor recreational, open space and park land property and has resulted in excessive taxes on some of these lands. Therefore, it is hereby declared that the public policy of this state would be best served by equalizing tax burdens upon private outdoor, recreational, open space and park land within this state through appropriate taxing measures to encourage private development of these lands which would otherwise have to be provided by governmental authority.

Subd. 3. Real estate shall be entitled to valuation and tax deferment under this section only if it is:

(a) actively and exclusively devoted to golf, skiing, lawn bowling, croquet, or archery or firearms range recreational use or uses and other recreational uses carried on at the establishment;

(b) five acres in size or more, except in the case of a lawn bowling or croquet green or an archery or firearms range;

(c)(1) operated by private individuals or, in the case of a lawn bowling or croquet green, by private individuals or corporations, and open to the public; or

(2) operated by firms or corporations for the benefit of employees or guests; or

(3) operated by private clubs having a membership of 50 or more or open to the public, provided that the club does not discriminate in membership requirements or selection on the basis of sex or marital status; and

(d) made available, in the case of real estate devoted to golf, for use without discrimination on the basis of sex during the time when the facility is open to use by the public or by members, except that use for golf may be restricted on the basis of sex no more frequently than one, or part of one, weekend each calendar month for each sex and no more than two, or part of two, weekdays each week for each sex.

If a golf club membership allows use of golf course facilities by more than one adult per membership, the use must be equally available to all adults entitled to use of the golf course under the membership, except that use may be restricted on the basis of sex as permitted in this section. Memberships that permit play during restricted times may be allowed only if the restricted times apply to all adults using the membership. A golf club may not offer a membership or golfing privileges to a spouse of a member that provides greater or less access to the golf course than is provided to that person's spouse under the same or a separate membership in that club, except that the terms of a membership may provide that one spouse may have no right to use the golf course at any time while the other spouse may have either limited or unlimited access to the golf course.

A golf club may have or create an individual membership category which entitles a member for a reduced rate to play during restricted hours as established by the club. The club must have on record a written request by the member for such membership.

A golf club that has food or beverage facilities or services must allow equal access to those facilities and services for both men and women members in all membership categories at all times. Nothing in this paragraph shall be construed to require service or access to facilities to persons under the age of 21 years or require any act that would violate law or ordinance regarding sale, consumption, or regulation of alcoholic beverages.

For purposes of this subdivision and subdivision 7a, discrimination means a pattern or course of conduct and not linked to an isolated incident.

Subd. 4. The value of any real estate described in subdivision 3 shall upon timely application by the owner, in the manner provided in subdivision 6, be determined solely with

reference to its appropriate private outdoor, recreational, open space and park land classification and value notwithstanding sections 272.03, subdivision 8, and 273.11. In determining such value for ad valorem tax purposes the assessor shall not consider the value such real estate would have if it were converted to commercial, industrial, residential or seasonal residential use.

Subd. 4a. Real estate devoted to golf and operated by a private club that does not meet the requirements of subdivision 3, and is not eligible for valuation and deferment under this section, must be valued for ad valorem tax purposes by the assessor as if it were converted to commercial, industrial, residential, or seasonal residential use and were platted and available for sale as individual parcels.

Subd. 5. The assessor shall, however, make a separate determination of the market value of such real estate. The tax based upon the appropriate local tax rate applicable to such property in the taxing district shall be recorded on the property assessment records.

Subd. 6. Application for deferment of taxes and assessment under this section shall be made at least 60 days prior to January 2 of each year. Such application shall be filed with the assessor of the taxing district in which the real property is located on such form as may be prescribed by the commissioner of revenue. The assessor may require proof by affidavit or other written verification that the property qualifies under subdivision 3. In the case of property operated by private clubs pursuant to subdivision 3, clause (c)(3), in order to qualify for valuation and tax deferment under this section, the taxpayer must submit to the assessor proof by affidavit or other written verification that the bylaws or rules and regulations of the club meet the eligibility requirements provided under this section. The signed affidavit or other written verification shall be sufficient demonstration of eligibility for the assessor unless the county attorney determines otherwise.

The county assessor shall refer any question regarding the eligibility for valuation and deferment under this section to the county attorney for advice and opinion under section 388.051, subdivision 1. Upon request of the county attorney, the taxpayer shall furnish information that the county attorney considers necessary in order to determine eligibility under this section.

Real estate is not entitled to valuation and deferment under this section unless the county assessor has filed with the assessor's tax records prior to October 16 a statement that the application has been accepted.

Subd. 6a. The commissioner of revenue shall develop and issue guidelines for qualification by private golf clubs under this section covering the access to and use of the golf course by members and other adults so as to be consistent with the purposes and terms of this section. The guidelines shall be mailed to the county attorney and assessor of each county not later than 60 days following May 26, 1989. Within 15 days of receipt of the guidelines from the commissioner, the assessor shall mail a copy of the guidelines to each golf club in the county. The guidelines issued under this subdivision are not subject to the administrative procedure act under chapter 14.

Subd. 7. When real property which is being, or has been, valued and assessed under this section no longer qualifies under subdivision 3, the portion which no longer qualifies shall be subject to additional taxes, in the amount equal to the difference between the taxes determined in accordance with subdivision 4, and the amount determined under subdivision 5, provided, however, that the amount determined under subdivision 5 shall not be greater than it would have been had the actual bona fide sale price of the real property at an arms length transaction been used in lieu of the market value determined under subdivision 5. The additional taxes shall be extended against the property on the tax list for the current year, provided, however, that no interest or penalties shall be levied on the additional taxes if timely paid, and provided further, that the additional taxes shall only be levied with respect to the last seven years that the property has been valued and assessed under this section. This subdivision does not apply to real property that ceases to qualify under subdivision 3 because it is acquired by the state of Minnesota or a political subdivision, agency, or instrumentality of the state, provided that the property continues to be used for a qualifying purpose for at least five years from the date that the property was acquired.

Subd. 7a. Notwithstanding subdivision 7, when real property ceases to qualify under subdivision 3 because of failure to comply with prohibitions against discrimination on the basis of sex, payment of additional taxes imposed under subdivision 7 is not required.

Subd. 8. The tax imposed by this section shall be a lien upon the property assessed to the same extent and for the same duration as other taxes imposed upon property within this state. The tax shall be annually extended by the county auditor and shall be collected and distributed in the manner provided by law for the collection and distribution of other property taxes.

Subd. 9. [Repealed, 1987 c 268 art 6 s 53]

Subd. 10. When title to real property qualifying under subdivision 3 is transferred, no additional taxes shall be extended against the property if (a) the property continues to qualify pursuant to subdivision 3 and (b) the purchaser files an application for continued deferment of taxes pursuant to subdivision 6 within 30 days after the sale.

273.117 CONSERVATION PROPERTY TAX VALUATION.

Real property which is subject to a conservation restriction or easement shall be entitled to reduced valuation under this section if:

(a) The restriction or easement is for a conservation purpose as defined in section 84.64, subdivision 2, and is recorded on the property;

(b) The property is being used in accordance with the terms of the conservation restriction or easement.

History: 1Sp1981 c 1 art 2 s 6

273.118 TAX PAID IN RECOGNITION OF CONGRESSIONAL MEDAL OF HONOR.

An owner of homestead property who submits to the commissioner of revenue a property tax statement and reasonable proof that the owner of the property:

(a) is a veteran as defined in section 197.447;

(b) was a resident of this state for at least six months before entering military service, or has been a resident of this state for five consecutive years before submitting the statement and proof; and

(c) has been awarded the congressional medal of honor;

shall be paid by the commissioner of revenue, within 30 days after the commissioner receives the statement and proof, the amount of the owner's property tax liability as shown on the statement, up to \$2,000. The surviving spouse of a property owner who has received a payment under this section may receive payment of property taxes under this section as long as the spouse continues to own and occupy the property for which the taxes were paid under this section and the property continues to be a homestead. Property taxes paid under this section reduce property taxes payable for purposes of chapter 290A.

273.119 CONSERVATION TAX CREDIT.

Subdivision 1. **Eligibility; amount of credit.** Land located in an agricultural preserve created under chapter 40A is eligible for a property tax credit of \$1.50 per acre. To begin to qualify for the tax credit, the owner shall file with the county by January 2 of any year an application for an agricultural preserve restrictive covenant pursuant to section 40A.10, subdivision 1. An owner who has given notice of termination of the agricultural preserve under

section 40A.11, subdivision 2, is not eligible for the credit. The assessor shall indicate the amount of the property tax reduction on the property tax statement of each taxpayer receiving a credit under this section. The credit paid pursuant to this section shall be deducted from the tax due on the property as provided in section 273.1393.

Subd. 2. Reimbursement for lost revenue. The county may transfer money from the county conservation account created in section 40A.152 to the county revenue fund to reimburse the fund for the cost of the property tax credit. The county auditor shall certify to the commissioner of revenue, as part of the abstracts of tax lists required to be filed with the commissioner under section 275.29, the amount of tax lost to the county from the property tax credit under subdivision 1 and the extent that the tax lost exceeds funds available in the county conservation account. Any prior year adjustments must also be certified in the abstracts of tax lists. The commissioner of revenue shall review the certifications to determine their accuracy. The commissioner may make the changes in the certification that are considered necessary or return a certification to the county auditor for corrections. The commissioner shall reimburse each taxing district, other than school districts, from the Minnesota conservation fund under section 40A.151 for the taxes lost in excess of the county account. The payments must be made at the time provided in section 473H.10, subdivision 3, for payment to taxing jurisdictions in the same proportion that the ad valorem tax is distributed.

273.12 ASSESSMENT OF REAL PROPERTY.

It shall be the duty of every assessor and board, in estimating and determining the value of lands for the purpose of taxation, to consider and give due weight to every element and factor affecting the market value thereof, including its location with reference to roads and streets and the location of roads and streets thereon or over the same, and to take into consideration a reduction in the acreage of each tract or lot sufficient to cover the amount of land actually used for any improved public highway and the reduction in area of land caused thereby. It shall be the duty of every assessor and board, in estimating and determining the value of lands for the purpose of taxation, to consider and give due weight to lands which are comparable in character, quality, and location, to the end that all lands similarly located and improved will be assessed upon a uniform basis and without discrimination and, for agricultural lands, to consider and give recognition to its earning potential as measured by its free market rental rate.

When mineral, clay, or gravel deposits exist on a property, and their extent, quality, and costs of extraction are sufficiently well known so as to influence market value, such deposits shall be recognized in valuing the property.

273.121 VALUATION OF REAL PROPERTY, NOTICE.

Any county assessor or city assessor having the powers of a county assessor, valuing or classifying taxable real property shall in each year notify those persons whose property is to be assessed or reclassified that year if the person's address is known to the assessor, otherwise the occupant of the property. The notice shall be in writing and shall be sent by ordinary mail at least ten days before the meeting of the local board of review or equalization. It shall contain: (1) the market value, (2) the limited market value under section 273.11, subdivision 1a, (3) the qualifying amount of any improvements under section 273.11, subdivision 16, (4) the market value subject to taxation after subtracting the amount of any qualifying improvements, (5) the new classification, (6) a note that if the property is homestead and at least 35 years old, improvements made to the property may be eligible for a valuation exclusion under section 273.11, subdivision 16, (7) the assessor's office address, and (8) the dates, places, and times set for the meetings of the local board of review or equalization and the county board of equalization. If the assessment roll is not complete, the notice shall be sent by ordi-

nary mail at least ten days prior to the date on which the board of review has adjourned. The assessor shall attach to the assessment roll a statement that the notices required by this section have been mailed. Any assessor who is not provided sufficient funds from the assessor's governing body to provide such notices, may make application to the commissioner of revenue to finance such notices. The commissioner of revenue shall conduct an investigation and, if satisfied that the assessor does not have the necessary funds, issue a certification to the commissioner of finance of the amount necessary to provide such notices. The commissioner of finance shall issue a warrant for such amount and shall deduct such amount from any state payment to such county or municipality. The necessary funds to make such payments are hereby appropriated. Failure to receive the notice shall in no way affect the validity of the assessment, the resulting tax, the procedures of any board of review or equalization, or the enforcement of delinquent taxes by statutory means.

273.123 REASSESSMENT OF HOMESTEAD PROPERTY DAMAGED BY A DISASTER.

Subdivision 1. **Definitions.** For purposes of this section (a) "disaster or emergency" means

- (1) a major disaster as determined by the president of the United States;
- (2) a natural disaster as determined by the secretary of agriculture;
- (3) a disaster as determined by the administrator of the small business administration; or
- (4) a tornado, storm, flood, earthquake, landslide, explosion, fire or similar catastrophe, as a result of which a local emergency is declared pursuant to section 12.29.

(b) "disaster or emergency area" means an area

- (1) in which the president of the United States, the secretary of agriculture, or the administrator of the small business administration has determined that a disaster exists pursuant to federal law or in which a local emergency has been declared pursuant to section 12.29; and
- (2) for which an application by the local unit of government requesting property tax relief under this section has been received by the governor and approved by the executive council.

(c) "homestead property" means homestead dwelling that is classified as class 1, or 2a property or a manufactured home or sectional home used as a homestead and taxed pursuant to section 273.125, subdivision 8, paragraph (b), (c), or (d).

Subd. 2. **Reassessment of homestead property.** The county assessor shall reassess all homestead property located within a disaster or emergency area which is physically damaged by the disaster or emergency and shall adjust the valuation for taxes payable the following year to reflect the loss in market value caused by the damage as follows: Subtract the market value of the property as reassessed from the market value of the property as assessed for January 1 of the year in which the disaster or emergency occurred; multiply the remainder by a fraction, the numerator of which is the number of full months remaining in the year on the date the disaster or emergency occurred, and the denominator of which is 12; subtract the product of the calculation from the market value of the property as assessed for January 1 of the year in which the disaster or emergency occurred; the remainder is the estimated market value to be used for taxes payable the following year. The assessor shall report to the county auditor the net tax capacity based on the assessment of January 1 of the year in which the disaster or emergency occurred and the net tax capacity based on the reassessment made pursuant to this subdivision.

Subd. 2a. **Application requirements.** A request for property tax relief shall be considered by the executive council only if the following requirements are met by the local unit of government submitting the request:

- (1) a completed disaster survey shall be included with the request;
- (2) the average dollar amount of damage for the homes which are damaged and located within the geographic boundaries of the applicant shall be \$5,000 or more; and

(3) either (a) at least 25 homes located within the geographic boundaries of the applicant must have been damaged or destroyed; or (b) the total dollar amount of damage to all of the damaged homes located within the geographic boundaries of the applicant shall be equal to at least one percent of the total market value of all homestead property located within the geographic boundaries of the applicant.

Subd. 3. Computation of local tax rates. When computing local tax rates, the county auditor shall use the valuation reported by the assessor for the assessment made on January 1 of the year in which the disaster or emergency occurred.

Subd. 4. State reimbursement. The county auditor shall calculate the tax on the property described in subdivision 2 based on the assessment made on January 2 of the year in which the disaster or emergency occurred. The difference between the tax determined on the January 2 gross tax capacity and the tax actually payable based on the reassessed gross tax capacity determined under subdivision 2 shall be reimbursed to each taxing jurisdiction in which the damaged property is located. The amount shall be certified by the county auditor and reported to the commissioner of revenue. The commissioner shall make the payments to the taxing jurisdictions, other than school districts, containing the property at the time distributions are made under section 473H.10, subdivision 3, in the same proportion that the ad valorem tax is distributed.

Subd. 5. Computation of credits. The amounts of any credits or tax relief which reduce the gross tax shall be computed upon the reassessed gross tax capacity determined under subdivision 2. For purposes of the property tax refund, property taxes payable, as defined in section 290A.03, subdivision 13, and net property taxes payable, as defined in section 290A.04, subdivision 2d, shall be computed upon the reassessed gross tax capacity determined under subdivision 2.

Subd. 6. Appropriation. There is annually appropriated from the general fund to the commissioner of revenue an amount necessary to make the payments required by this section.

Subd. 7. Local option; other property. The owner of homestead property not qualifying for an adjustment in valuation pursuant to subdivisions 1 to 5 or of nonhomestead property may receive a reduction in the amount of taxes payable on the property for the year in which the destruction occurs and in the following year if:

(a) 50 percent or more of the homestead dwelling or other structure, as established by the county assessor, is unintentionally or accidentally destroyed and the homestead is uninhabitable or the other structure is not usable;

(b) the owner of the property makes written application to the county assessor as soon as practical after the damage has occurred; and

(c) the owner of the property makes written application to the county board.

The county board may grant a reduction in the amount of property tax which the owner must pay on the qualifying property in the year of destruction and in the following year. Any reduction in the amount of tax payable which is authorized by county board action shall be calculated based upon the number of months that the home is uninhabitable or the other structure is unusable. The amount of net tax due from the taxpayer shall be multiplied by a fraction, the numerator of which is the number of months the dwelling was occupied by that taxpayer, or the number of months the other structure was used by the taxpayer, and the denominator of which is 12. For purposes of this subdivision, if a structure is occupied or used for a fraction of a month, it is considered a month. "Net tax" is defined as the amount of tax after the subtraction of all of the state paid property tax credits. If application is made following payment of all property taxes due for the year of destruction, the amount of the reduction granted by the county board shall be refunded to the taxpayer by the county treasurer as soon as practical.

Any reductions or refunds approved by the county board shall not be subject to approval by the commissioner of revenue.

The county board may levy in the following year the amount of tax dollars lost to the county government as a result of the reductions granted pursuant to this subdivision.

273.124 HOMESTEAD DETERMINATION; SPECIAL RULES.

Subdivision 1. **General rule.** (a) Residential real estate that is occupied and used for the purposes of a homestead by its owner, who must be a Minnesota resident, is a residential homestead.

Agricultural land, as defined in section 273.13, subdivision 23, that is occupied and used as a homestead by its owner, who must be a Minnesota resident, is an agricultural homestead.

Dates for establishment of a homestead and homestead treatment provided to particular types of property are as provided in this section.

Property of a trustee, beneficiary, or grantor of a trust is not disqualified from receiving homestead benefits if the homestead requirements under this chapter are satisfied.

The assessor shall require proof, as provided in subdivision 13, of the facts upon which classification as a homestead may be determined. Notwithstanding any other law, the assessor may at any time require a homestead application to be filed in order to verify that any property classified as a homestead continues to be eligible for homestead status. Notwithstanding any other law to the contrary, the department of revenue may, upon request from an assessor, verify whether an individual who is requesting or receiving homestead classification has filed a Minnesota income tax return as a resident for the most recent taxable year for which the information is available.

When there is a name change or a transfer of homestead property, the assessor may reclassify the property in the next assessment unless a homestead application is filed to verify that the property continues to qualify for homestead classification.

(b) For purposes of this section, homestead property shall include property which is used for purposes of the homestead but is separated from the homestead by a road, street, lot, waterway, or other similar intervening property. The term "used for purposes of the homestead" shall include but not be limited to uses for gardens, garages, or other outbuildings commonly associated with a homestead, but shall not include vacant land held primarily for future development. In order to receive homestead treatment for the noncontiguous property, the owner shall apply for it to the assessor by July 1 of the year when the treatment is initially sought. After initial qualification for the homestead treatment, additional applications for subsequent years are not required.

(c) Residential real estate that is occupied and used for purposes of a homestead by a relative of the owner is a homestead but only to the extent of the homestead treatment that would be provided if the related owner occupied the property. For purposes of this paragraph and paragraph (f), "relative" means a parent, stepparent, child, stepchild, grandparent, grandchild, brother, sister, uncle, or aunt. This relationship may be by blood or marriage. Property that has been classified as seasonal recreational residential property at any time during which it has been owned by the current owner or spouse of the current owner will not be reclassified as a homestead unless it is occupied as a homestead by the owner; this prohibition also applies to property that, in the absence of this paragraph, would have been classified as seasonal recreational residential property at the time when the residence was constructed. Neither the related occupant nor the owner of the property may claim a property tax refund under chapter 290A for a homestead occupied by a relative. In the case of a residence located on agricultural land, only the house, garage, and immediately surrounding one acre of land shall be classified as a homestead under this paragraph, except as provided in paragraph (d).

(d) Agricultural property that is occupied and used for purposes of a homestead by a relative of the owner, is a homestead, only to the extent of the homestead treatment that would be provided if the related owner occupied the property, and only if all of the following criteria are met:

(1) the relative who is occupying the agricultural property is a son, daughter, father, or mother of the owner of the agricultural property or a son or daughter of the spouse of the owner of the agricultural property,

(2) the owner of the agricultural property must be a Minnesota resident,

(3) the owner of the agricultural property must not receive homestead treatment on any other agricultural property in Minnesota, and

(4) the owner of the agricultural property is limited to only one agricultural homestead per family under this paragraph.

Neither the related occupant nor the owner of the property may claim a property tax refund under chapter 290A for a homestead occupied by a relative qualifying under this paragraph. For purposes of this paragraph, "agricultural property" means the house, garage, other farm buildings and structures, and agricultural land.

Application must be made to the assessor by the owner of the agricultural property to receive homestead benefits under this paragraph. The assessor may require the necessary proof that the requirements under this paragraph have been met.

(e) In the case of property owned by a property owner who is married, the assessor must not deny homestead treatment in whole or in part if only one of the spouses occupies the property and the other spouse is absent due to: (1) marriage dissolution proceedings, (2) legal separation, (3) employment or self-employment in another location, (4) residence in a nursing home or boarding care facility, or (5) other personal circumstances causing the spouses to live separately, not including an intent to obtain two homestead classifications for property tax purposes. To qualify under clause (3), the spouse's place of employment or self-employment must be at least 50 miles distant from the other spouse's place of employment, and the homesteads must be at least 50 miles distant from each other. Homestead treatment, in whole or in part, shall not be denied to the owner's spouse who previously occupied the residence with the owner if the absence of the owner is due to one of the exceptions provided in this paragraph.

(f) If an individual is purchasing property with the intent of claiming it as a homestead and is required by the terms of the financing agreement to have a relative shown on the deed as a coowner, the assessor shall allow a full homestead classification. This provision only applies to first-time purchasers, whether married or single, or to a person who had previously been married and is purchasing as a single individual for the first time. The application for homestead benefits must be on a form prescribed by the commissioner and must contain the data necessary for the assessor to determine if full homestead benefits are warranted.

Subd. 2. Townhouses; common areas; condominiums; cooperatives. (a) The total value of townhouse property, including the value added as provided in this paragraph, must have the benefit of homestead treatment or other special classification if the townhouse otherwise qualifies. The value of townhouse property must be increased by the value added by the right to use any common areas in connection with the townhouse development. The common areas of the development must not be separately taxed.

(b) Condominium property qualifying as a homestead under section 515A.1-105 and property owned by a cooperative association that qualifies as a homestead must have the benefit of homestead treatment or other special classification if the condominium or cooperative association property otherwise qualifies.

(c) If the condominium, townhouse, or cooperative association property is owned by the occupant and used for the purposes of a homestead but is located upon land which is leased, that leased land must be valued and assessed as if it were homestead property within class 1 if all of the following criteria are met:

(1) the occupant is using the property as a permanent residence;

(2) the occupant or the cooperative association is paying the ad valorem property taxes and any special assessments levied against the land and structure;

(3) the occupant or the cooperative association has signed a land lease; and

(4) the term of the land lease is at least 50 years, notwithstanding the fact that the amount of the rental payment may be renegotiated at shorter intervals.

Subd. 3. Cooperatives and charitable corporations; homestead and other property. (a) When property is owned by a corporation or association organized under chapter

308A, and each person who owns a share or shares in the corporation or association is entitled to occupy a building on the property, or a unit within a building on the property, the corporation or association may claim homestead treatment for each dwelling, or for each unit in the case of a building containing several dwelling units, or for the part of the value of the building occupied by a shareholder. Each building or unit must be designated by legal description or number. The net tax capacity of each building or unit that qualifies for assessment as a homestead under this subdivision must include not more than one-half acre of land, if platted, nor more than 80 acres if unplatted. The net tax capacity of the property is the sum of the net tax capacities of each of the respective buildings or units comprising the property, including the net tax capacity of each unit's or building's proportionate share of the land and any common buildings. To qualify for the treatment provided by this subdivision, the corporation or association must be wholly owned by persons having a right to occupy a building or unit owned by the corporation or association. A charitable corporation organized under the laws of Minnesota and not otherwise exempt thereunder with no outstanding stock qualifies for homestead treatment with respect to member residents of the dwelling units who have purchased and hold residential participation warrants entitling them to occupy the units.

(b) To the extent provided in paragraph (a), a cooperative or corporation organized under chapter 308A may obtain separate assessment and valuation, and separate property tax statements for each residential homestead, residential nonhomestead, or for each seasonal residential recreational building or unit not used for commercial purposes. The appropriate class rates under section 273.13 shall be applicable as if each building or unit were a separate tax parcel; provided, however, that the tax parcel which exists at the time the cooperative or corporation makes application under this subdivision shall be a single parcel for purposes of property taxes or the enforcement and collection thereof, other than as provided in paragraph (a) or this paragraph.

(c) A member of a corporation or association may initially obtain the separate assessment and valuation and separate property tax statements, as provided in paragraph (b), by applying to the assessor by June 30 of the assessment year.

(d) When a building, or dwelling units within a building, no longer qualify under paragraph (a) or (b), the current owner must notify the assessor within 30 days. Failure to notify the assessor within 30 days shall result in the loss of benefits under paragraph (a) or (b) for taxes payable in the year that the failure is discovered. For these purposes, "benefits under paragraph (a) or (b)" means the difference in the net tax capacity of the building or units which no longer qualify as computed under paragraph (a) or (b) and as computed under the otherwise applicable law, times the local tax rate applicable to the building for that taxes payable year. Upon discovery of a failure to notify, the assessor shall inform the auditor of the difference in net tax capacity for the building or buildings in which units no longer qualify, and the auditor shall calculate the benefits under paragraph (a) or (b). Such amount, plus a penalty equal to 100 percent of that amount, shall then be demanded of the building's owner. The property owner may appeal the county's determination by serving copies of a petition for review with county officials as provided in section 278.01 and filing a proof of service as provided in section 278.01 with the Minnesota tax court within 60 days of the date of the notice from the county. The appeal shall be governed by the tax court procedures provided in chapter 271, for cases relating to the tax laws as defined in section 271.01, subdivision 5; disregarding sections 273.125, subdivision 5, and 278.03, but including section 278.05, subdivision 2. If the amount of the benefits under paragraph (a) or (b) and penalty are not paid within 60 days, and if no appeal has been filed, the county auditor shall certify the amount of the benefit and penalty to the succeeding year's tax list to be collected as part of the property taxes on the affected property.

Subd. 3a. Manufactured home park cooperative. When a manufactured home park is owned by a corporation or association organized under chapter 308A, and each person who owns a share or shares in the corporation or association is entitled to occupy a lot within the park, the corporation or association may claim homestead treatment for each lot occupied by a shareholder. Each lot must be designated by legal description or number, and each lot is limited to not more than one-half acre of land for each homestead. The manufactured home park shall be valued and assessed as if it were homestead property within class 1 if all of the following criteria are met:

- (1) the occupant is using the property as a permanent residence;
- (2) the occupant or the cooperative association is paying the ad valorem property taxes and any special assessments levied against the land and structure either directly, or indirectly through dues to the corporation; and
- (3) the corporation or association organized under chapter 308A is wholly owned by persons having a right to occupy a lot owned by the corporation or association.

A charitable corporation, organized under the laws of Minnesota with no outstanding stock, and granted a ruling by the Internal Revenue Service for 501(c)(3) tax-exempt status, qualifies for homestead treatment with respect to member residents of the manufactured home park who hold residential participation warrants entitling them to occupy a lot in the manufactured home park.

Subd. 4. Nonprofit corporations. When a building containing several dwelling units is owned by an entity organized under chapter 317A and operating as a nonprofit corporation which enters into membership agreements with persons under which they are entitled to life occupancy in a unit in the building, homestead classification must be given to each unit so occupied and the entire building must be assessed in the manner provided in subdivision 3 for cooperatives and charitable corporations.

Subd. 5. Continuing care facilities. When a building containing several dwelling units is owned by an entity which is regulated under the provisions of chapter 80D and operating as a continuing care facility enters into residency agreements with persons who occupy a unit in the building and the residency agreement entitles the resident to occupancy in the building after personal assets are exhausted and regardless of ability to pay the monthly maintenance fee, homestead classification shall be given to each unit so occupied and the entire building shall be assessed in the manner provided in subdivision 3 for cooperatives and charitable corporations.

Subd. 6. Leasehold cooperatives. When one or more dwellings or one or more buildings which each contain several dwelling units is owned by a nonprofit corporation subject to the provisions of chapter 317A and qualifying under section 501(c)(3) or 501(c)(4) of the Internal Revenue Code of 1986, as amended through December 31, 1990, or a limited partnership which corporation or partnership operates the property in conjunction with a cooperative association, and has received public financing, homestead treatment may be claimed by the cooperative association on behalf of the members of the cooperative for each dwelling unit occupied by a member of the cooperative. The cooperative association must provide the assessor with the social security numbers of those members. To qualify for the treatment provided by this subdivision, the following conditions must be met:

(a) the cooperative association must be organized under chapter 308A and all voting members of the board of directors must be resident tenants of the cooperative and must be elected by the resident tenants of the cooperative;

(b) the cooperative association must have a lease for occupancy of the property for a term of at least 20 years, which permits the cooperative association, while not in default on the lease, to participate materially in the management of the property, including material participation in establishing budgets, setting rent levels, and hiring and supervising a management agent;

(c) to the extent permitted under state or federal law, the cooperative association must have a right under a written agreement with the owner to purchase the property if the owner proposes to sell it; if the cooperative association does not purchase the property it is offered for sale, the owner may not subsequently sell the property to another purchaser at a price lower than the price at which it was offered for sale to the cooperative association unless the cooperative association approves the sale;

(d) a minimum of 40 percent of the cooperative association's members must have incomes at or less than 60 percent of area median gross income as determined by the United States Secretary of Housing and Urban Development under section 142(d)(2)(B) of the Internal Revenue Code of 1986, as amended through December 31, 1991. For purposes of this clause, "member income" means the income of a member existing at the time the member acquires cooperative membership;

(e) if a limited partnership owns the property, it must include as the managing general partner a nonprofit organization operating under the provisions of chapter 317A and qualifying under section 501(c)(3) or 501(c)(4) of the Internal Revenue Code of 1986, as amended through December 31, 1990, and the limited partnership agreement must provide that the managing general partner have sufficient powers so that it materially participates in the management and control of the limited partnership;

(f) prior to becoming a member of a leasehold cooperative described in this subdivision, a person must have received notice that (1) describes leasehold cooperative property in plain language, including but not limited to the effects of classification under this subdivision on rents, property taxes and tax credits or refunds, and operating expenses, and (2) states that copies of the articles of incorporation and bylaws of the cooperative association, the lease between the owner and the cooperative association, a sample sublease between the cooperative association and a tenant, and, if the owner is a partnership, a copy of the limited partnership agreement, can be obtained upon written request at no charge from the owner, and the owner must send or deliver the materials within seven days after receiving any request;

(g) if a dwelling unit of a building was occupied on the 60th day prior to the date on which the unit became leasehold cooperative property described in this subdivision, the notice described in paragraph (f) must have been sent by first class mail to the occupant of the unit at least 60 days prior to the date on which the unit became leasehold cooperative property. For purposes of the notice under this paragraph, the copies of the documents referred to in paragraph (f) may be in proposed version, provided that any subsequent material alteration of those documents made after the occupant has requested a copy shall be disclosed to any occupant who has requested a copy of the document. Copies of the articles of incorporation and certificate of limited partnership shall be filed with the secretary of state after the expiration of the 60-day period unless the change to leasehold cooperative status does not proceed;

(h) the county attorney of the county in which the property is located must certify to the assessor that the property meets the requirements of this subdivision;

(i) the public financing received must be from at least one of the following sources:

(1) tax increment financing proceeds used for the acquisition or rehabilitation of the building or interest rate write-downs relating to the acquisition of the building;

(2) government issued bonds exempt from taxes under section 103 of the Internal Revenue Code of 1986, as amended through December 31, 1991, the proceeds of which are used for the acquisition or rehabilitation of the building;

(3) programs under section 221(d)(3), 202, or 236, of Title II of the National Housing Act;

(4) rental housing program funds under Section 8 of the United States Housing Act of 1937 or the market rate family graduated payment mortgage program funds administered by the Minnesota housing finance agency that are used for the acquisition or rehabilitation of the building;

(5) low-income housing credit under section 42 of the Internal Revenue Code of 1986, as amended through December 31, 1991;

(6) public financing provided by a local government used for the acquisition or rehabilitation of the building, including grants or loans from (i) federal community development block grants; (ii) HOME block grants; or (iii) residential rental bonds issued under chapter 474A; or

(7) other rental housing program funds provided by the Minnesota housing finance agency for the acquisition or rehabilitation of the building;

(j) at the time of the initial request for homestead classification or of any transfer of ownership of the property, the governing body of the municipality in which the property is located must hold a public hearing and make the following findings:

(1) that the granting of the homestead treatment of the apartment's units will facilitate safe, clean, affordable housing for the cooperative members that would otherwise not be available absent the homestead designation;

(2) that the owner has presented information satisfactory to the governing body showing that the savings garnered from the homestead designation of the units will be used to re-

duce tenant's rents or provide a level of furnishing or maintenance not possible absent the designation; and

(3) that the requirements of paragraphs (b), (d), and (i) have been met.

Homestead treatment must be afforded to units occupied by members of the cooperative association and the units must be assessed as provided in subdivision 3, provided that any unit not so occupied shall be classified and assessed pursuant to the appropriate class. No more than three acres of land may, for assessment purposes, be included with each dwelling unit that qualifies for homestead treatment under this subdivision.

When dwelling units no longer qualify under this subdivision, the current owner must notify the assessor within 60 days. Failure to notify the assessor within 60 days shall result in the loss of benefits under this subdivision for taxes payable in the year that the failure is discovered. For these purposes, "benefits under this subdivision" means the difference in the net tax capacity of the units which no longer qualify as computed under this subdivision and as computed under the otherwise applicable law, times the local tax rate applicable to the building for that taxes payable year. Upon discovery of a failure to notify, the assessor shall inform the auditor of the difference in net tax capacity for the building or buildings in which units no longer qualify, and the auditor shall calculate the benefits under this subdivision. Such amount, plus a penalty equal to 100 percent of that amount, shall then be demanded of the building's owner. The property owner may appeal the county's determination by serving copies of a petition for review with county officials as provided in section 278.01 and filing a proof of service as provided in section 278.01 with the Minnesota tax court within 60 days of the date of the notice from the county. The appeal shall be governed by the tax court procedures provided in chapter 271, for cases relating to the tax laws as defined in section 271.01, subdivision 5; disregarding sections 273.125, subdivision 5, and 278.03, but including section 278.05, subdivision 2. If the amount of the benefits under this subdivision and penalty are not paid within 60 days, and if no appeal has been filed, the county auditor shall certify the amount of the benefit and penalty to the succeeding year's tax list to be collected as part of the property taxes on the affected buildings.

Subd. 6a. Preliminary approval of leasehold cooperatives. Preliminary approval for classification as a leasehold cooperative may be granted to property when a developer proposes to construct one or more residential dwellings or buildings using funds provided by the Minnesota housing finance agency if all of the following conditions are met:

(a) The developer must present an affidavit to the county attorney and to the governing body of the municipality that includes a statement of the developer's intention to comply with all requirements in subdivision 6 and a detailed description of the plan for doing so.

(b) The commissioner of the Minnesota housing finance agency must provide the county attorney and governing body with a description of the financing and related terms the commissioner proposes to provide with respect to the project, together with an objective assessment of the likelihood that the project will comply with the requirements of subdivision 6.

(c) The county attorney must review the materials provided under paragraphs (a) and (b), and may require the developer or the Minnesota housing finance agency to provide additional information. If the county attorney determines that it is reasonably likely that the project will meet the requirements of this subdivision, the county attorney shall provide preliminary approval to treatment of the property as a leasehold cooperative.

(d) The governing body shall conduct a public hearing as provided in subdivision 6, paragraph (j), and make its preliminary findings based on the information provided by the developer and the Minnesota housing finance agency.

Upon completion of the project and creation of the leasehold cooperative, actual compliance with the requirements of this subdivision must be demonstrated, and certified by the county attorney. A second hearing by the governing body is not required.

If the county attorney finds that the homestead treatment granted pursuant to a preliminary approval under this subdivision must be revoked because the completed project failed to meet the requirements of this subdivision, the benefits of the treatment shall be recaptured. The county assessor shall determine the amount by which the tax imposed on the property was reduced because it was treated as a leasehold cooperative. The developer shall be

charged an amount equal to the tax reduction received or, if the county attorney determines that the failure to meet the requirements was due to the developer's intentional disregard of the requirements, 150 percent of the tax reduction received. The penalty must be paid to the county treasurer within 90 days after receipt of a statement from the treasurer. The proceeds of the penalty shall be distributed to the local taxing jurisdictions in proportion to the amounts of their levies on the property.

Subd. 7. Leased buildings or land. For purposes of class 1 determinations, homesteads include:

(a) buildings and appurtenances owned and used by the occupant as a permanent residence which are located upon land the title to which is vested in a person or entity other than the occupant;

(b) all buildings and appurtenances located upon land owned by the occupant and used for the purposes of a homestead together with the land upon which they are located, if all of the following criteria are met:

(1) the occupant is using the property as a permanent residence;

(2) the occupant is paying the property taxes and any special assessments levied against the property;

(3) the occupant has signed a lease which has an option to purchase the buildings and appurtenances;

(4) the term of the lease is at least five years; and

(5) the occupant has made a down payment of at least \$5,000 in cash if the property was purchased by means of a contract for deed or subject to a mortgage.

Any taxpayer meeting all the requirements of this paragraph must notify the county assessor, or the assessor who has the powers of the county assessor pursuant to section 273.063, in writing, as soon as possible after signing the lease agreement and occupying the buildings as a homestead.

Subd. 8. Homestead owned by family farm corporation or partnership. (a) Each family farm corporation and each partnership operating a family farm is entitled to class 1b under section 273.13, subdivision 22, paragraph (b), or class 2a assessment for one homestead occupied by a shareholder or partner thereof who is residing on the land and actively engaged in farming of the land owned by the corporation or partnership. Homestead treatment applies even if legal title to the property is in the name of the corporation or partnership and not in the name of the person residing on it. "Family farm corporation" and "family farm" have the meanings given in section 500.24, except that the number of allowable shareholders or partners under this subdivision shall not exceed 12.

(b) In addition to property specified in paragraph (a), any other residences owned by corporations or partnerships described in paragraph (a) which are located on agricultural land and occupied as homesteads by shareholders or partners who are actively engaged in farming on behalf of the corporation or partnership must also be assessed as class 2a property or as class 1b property under section 273.13, subdivision 22, paragraph (b), but the property eligible is limited to the residence itself and as much of the land surrounding the homestead, not exceeding one acre, as is reasonably necessary for the use of the dwelling as a home, and does not include any other structures that may be located on it.

Subd. 9. Homestead established after assessment date. Any property that was not used for the purpose of a homestead on the assessment date, but which was used for the purpose of a homestead on December 1 of a year, constitutes class 1 or class 2a.

Any taxpayer meeting the requirements of this subdivision must notify the county assessor, or the assessor who has the powers of the county assessor under section 273.063, in writing, by December 15 of the year of occupancy in order to qualify under this subdivision. The assessor must not deny full homestead treatment to a property that is partially homesteaded on January 2 but occupied for the purpose of a full homestead on December 1 of a year.

The county assessor and the county auditor may make the necessary changes on their assessment and tax records to provide for proper homestead classification as provided in this subdivision.

If homestead classification has not been requested as of December 15, the assessor will classify the property as nonhomestead for the current assessment year for taxes payable in the following year, provided that the owner of any property qualifying under this subdivision, which has not been accorded the benefits of this subdivision, may be entitled to receive homestead classification by proper application as provided in section 375.192.

The county assessor may publish in a newspaper of general circulation within the county a notice requesting the public to file an application for homestead as soon as practicable after acquisition of a homestead, but no later than December 15.

The county assessor shall publish in a newspaper of general circulation within the county no later than December 1 of each year a notice informing the public of the requirement to file an application for homestead by December 15.

In the case of manufactured homes assessed as personal property, the homestead must be established, and a homestead classification requested, by May 29 of the assessment year. The assessor may include information on these deadlines for manufactured homes assessed as personal property in the published notice or notices.

Subd. 10. Real estate purchased for occupancy as a homestead. Real estate purchased for occupancy as a homestead must be classified as class 1 or class 2a if the purchaser is prevented from obtaining possession on January 2 next following the purchase by reason of federal or state rent control laws or regulations.

Subd. 11. Limitation on homestead classification. If the assessor has classified a property as both homestead and nonhomestead, the greater of the value attributable to the portion of the property classified as class 1 or class 2a or the value of the first tier of net class rates provided under section 273.13, subdivision 22, or 23, paragraph (a), is entitled to assessment as a homestead under section 273.13, subdivision 22 or 23. The limitation in this subdivision does not apply to buildings containing fewer than four residential units or to a single rented or leased dwelling unit located within or attached to a private garage or similar structure owned by the owner of a homestead and located on the premises of that homestead.

If the assessor has classified a property as both homestead and nonhomestead, the reductions in tax provided under sections 273.135 and 273.1391 apply to the value of both the homestead and the nonhomestead portions of the property.

Subd. 12. Homestead of member of United States armed forces; Peace Corps; VISTA. Real estate actually occupied and used for the purpose of a homestead by a person, or by a member of that person's immediate family shall be classified as a homestead even though the person or family is absent if (1) the person or the person's family is absent solely because the person is on active duty with the armed forces of the United States, or is serving as a volunteer under the VISTA or Peace Corps program; (2) the owner intends to return as soon as discharged or relieved from service; and (3) the owner claims it as a homestead. A person who knowingly makes or submits to an assessor an affidavit or other statement that is false in any material matter to obtain or aid another in obtaining a benefit under this subdivision is guilty of a felony.

Subd. 13. Homestead application. (a) A person who meets the homestead requirements under subdivision 1 must file a homestead application with the county assessor to initially obtain homestead classification.

(b) On or before January 2, 1993, each county assessor shall mail a homestead application to the owner of each parcel of property within the county which was classified as homestead for the 1992 assessment year. The format and contents of a uniform homestead application shall be prescribed by the commissioner of revenue. The commissioner shall consult with the chairs of the house and senate tax committees on the contents of the homestead application form. The application must clearly inform the taxpayer that this application must be signed by all owners who occupy the property or by the qualifying relative and returned to the county assessor in order for the property to continue receiving homestead treatment. The envelope containing the homestead application shall clearly identify its contents and alert the taxpayer of its necessary immediate response.

(c) Every property owner applying for homestead classification must furnish to the county assessor the social security number of each occupant who is listed as an owner of the property on the deed of record, the name and address of each owner who does not occupy the

property, and the name and social security number of each owner's spouse who occupies the property. The application must be signed by each owner who occupies the property and by each owner's spouse who occupies the property, or, in the case of property that qualifies as a homestead under subdivision 1, paragraph (c), by the qualifying relative.

If a property owner occupies a homestead, the property owner's spouse may not claim another property as a homestead unless the property owner and the property owner's spouse file with the assessor an affidavit or other proof required by the assessor stating that the property qualifies as a homestead under subdivision 1, paragraph (e).

Owners or spouses occupying residences owned by their spouses and previously occupied with the other spouse, either of whom fail to include the other spouse's name and social security number on the homestead application or provide the affidavits or other proof requested, will be deemed to have elected to receive only partial homestead treatment of their residence. The remainder of the residence will be classified as nonhomestead residential. When an owner or spouse's name and social security number appear on homestead applications for two separate residences and only one application is signed, the owner or spouse will be deemed to have elected to homestead the residence for which the application was signed.

The social security numbers or affidavits or other proofs of the property owners and spouses are private data on individuals as defined by section 13.02, subdivision 12, but, notwithstanding that section, the private data may be disclosed to the commissioner of revenue, or, for purposes of proceeding under the revenue recapture act to recover personal property taxes owing, to the county treasurer.

(d) If residential real estate is occupied and used for purposes of a homestead by a relative of the owner and qualifies for a homestead under subdivision 1, paragraph (c), in order for the property to receive homestead status, a homestead application must be filed with the assessor. The social security number of each relative occupying the property and the social security number of each owner who is related to an occupant of the property shall be required on the homestead application filed under this subdivision. If a different relative of the owner subsequently occupies the property, the owner of the property must notify the assessor within 30 days of the change in occupancy. The social security number of a relative occupying the property is private data on individuals as defined by section 13.02, subdivision 12, but may be disclosed to the commissioner of revenue.

(e) The homestead application shall also notify the property owners that the application filed under this section will not be mailed annually and that if the property is granted homestead status for the 1993 assessment, or any assessment year thereafter, that same property shall remain classified as homestead until the property is sold or transferred to another person, or the owners, the spouse of the owner, or the relatives no longer use the property as their homestead. Upon the sale or transfer of the homestead property, a certificate of value must be timely filed with the county auditor as provided under section 272.115. Failure to notify the assessor within 30 days that the property has been sold, transferred, or that the owner, the spouse of the owner, or the relative is no longer occupying the property as a homestead, shall result in the penalty provided under this subdivision and the property will lose its current homestead status.

(f) If the homestead application is not returned within 30 days, the county will send a second application to the present owners of record. The notice of proposed property taxes prepared under section 275.065, subdivision 3, shall reflect the property's classification. Beginning with assessment year 1993 for all properties, if a homestead application has not been filed with the county by December 15, the assessor shall classify the property as nonhomestead for the current assessment year for taxes payable in the following year, provided that the owner may be entitled to receive the homestead classification by proper application under section 375.192.

(g) At the request of the commissioner, each county must give the commissioner a list that includes the name and social security number of each property owner and the property owner's spouse occupying the property, or relative of a property owner, applying for homestead classification under this subdivision. The commissioner shall use the information provided on the lists as appropriate under the law, including for the detection of improper claims by owners, or relatives of owners, under chapter 290A.

(h) If the commissioner finds that a property owner may be claiming a fraudulent homestead, the commissioner shall notify the appropriate counties. Within 90 days of the notification, the county assessor shall investigate to determine if the homestead classification was properly claimed. If the property owner does not qualify, the county assessor shall notify the county auditor who will determine the amount of homestead benefits that had been improperly allowed. For the purpose of this section, "homestead benefits" means the tax reduction resulting from the classification as a homestead under section 273.13, the taconite homestead credit under section 273.135, and the supplemental homestead credit under section 273.1391.

The county auditor shall send a notice to the person who owned the affected property at the time the homestead application related to the improper homestead was filed, demanding reimbursement of the homestead benefits plus a penalty equal to 100 percent of the homestead benefits. The person notified may appeal the county's determination by serving copies of a petition for review with county officials as provided in section 278.01 and filing proof of service as provided in section 278.01 with the Minnesota tax court within 60 days of the date of the notice from the county. Procedurally, the appeal is governed by the provisions in chapter 271 which apply to the appeal of a property tax assessment or levy, but without requiring any prepayment of the amount in controversy. If the amount of homestead benefits and penalty is not paid within 60 days, and if no appeal has been filed, the county auditor shall certify the amount of taxes and penalty to the county treasurer. The county treasurer will add interest to the unpaid homestead benefits and penalty amounts at the rate provided for delinquent personal property taxes for the period beginning 60 days after demand for payment was made until payment. If the person notified is the current owner of the property, the treasurer may add the total amount of benefits, penalty, interest, and costs to the real estate taxes otherwise payable on the property in the following year. If the person notified is not the current owner of the property, the treasurer may collect the amounts due under the revenue recapture act in chapter 270A, or use any of the powers granted in sections 277.20 and 277.21 without exclusion, to enforce payment of the benefits, penalty, interest, and costs, as if those amounts were delinquent tax obligations of the person who owned the property at the time the application related to the improperly allowed homestead was filed. The treasurer may relieve a prior owner of personal liability for the benefits, penalty, interest, and costs, and instead extend those amounts on the tax lists against the property for taxes payable in the following year to the extent that the current owner agrees in writing.

(i) Any amount of homestead benefits recovered by the county from the property owner shall be distributed to the county, city or town, and school district where the property is located in the same proportion that each taxing district's levy was to the total of the three taxing districts' levy for the current year. Any amount recovered attributable to taconite homestead credit shall be transmitted to the St. Louis county auditor to be deposited in the taconite property tax relief account. Any amount recovered that is attributable to supplemental homestead credit is to be transmitted to the commissioner of revenue for deposit in the general fund of the state treasury. The total amount of penalty collected must be deposited in the county general fund.

(j) If a property owner has applied for more than one homestead and the county assessors cannot determine which property should be classified as homestead, the county assessors will refer the information to the commissioner. The commissioner shall make the determination and notify the counties within 60 days.

(k) In addition to lists of homestead properties, the commissioner may ask the counties to furnish lists of all properties and the record owners.

Subd. 14. Agricultural homesteads; special provisions. (a) Real estate of less than ten acres that is the homestead of its owner must be classified as class 2a under section 273.13, subdivision 23, paragraph (a), if:

(1) the parcel on which the house is located is contiguous on at least two sides to (i) agricultural land, (ii) land owned or administered by the United States Fish and Wildlife Service, or (iii) land administered by the department of natural resources on which in lieu taxes are paid under sections 477A.11 to 477A.14;

(2) its owner also owns a noncontiguous parcel of agricultural land that is at least 20 acres;

(3) the noncontiguous land is located not farther than two townships or cities, or a combination of townships or cities from the homestead; and

(4) the agricultural use value of the noncontiguous land and farm buildings is equal to at least 50 percent of the market value of the house, garage, and one acre of land.

Homesteads initially classified as class 2a under the provisions of this subdivision shall remain classified as class 2a, irrespective of subsequent changes in the use of adjoining properties, as long as the homestead remains under the same ownership, the owner owns a noncontiguous parcel of agricultural land that is at least 20 acres, and the agricultural use value qualifies under clause (4).

(b) Noncontiguous land shall be included as part of a homestead under section 273.13, subdivision 23, paragraph (a), only if the homestead is classified as class 2a and the detached land is located in the same township or city, or not farther than two townships or cities or combination thereof from the homestead.

(c) Agricultural land used for purposes of a homestead and actively farmed by a person holding a vested remainder interest in it must be classified as a homestead under section 273.13, subdivision 23, paragraph (a). If agricultural land is classified class 2a, any other dwellings on the land used for purposes of a homestead by persons holding vested remainder interests who are actively engaged in farming the property, and up to one acre of the land surrounding each homestead and reasonably necessary for the use of the dwelling as a home, must also be assessed class 2a.

Subd. 15. [Repealed, 1992 c 511 art 2 s 60]

Subd. 16. [Repealed, 1993 c 375 art 5 s 43]

Subd. 17. **Owner-occupied motel property.** For purposes of class 1a determinations, a homestead includes that portion of property defined as a motel under chapter 157, provided that the person residing in the motel property is using that property as a homestead, is part owner, and is actively engaged in the operation of the motel business. Homestead treatment applies even if legal title to the property is in the name of a corporation or partnership and not in the name of the person residing in the motel. The homestead is limited to that portion of the motel actually occupied by the person.

A taxpayer meeting the requirements of this subdivision must notify the county assessor, or the assessor who has the powers of the county assessor under section 273.063, in writing, in order to qualify under this subdivision for 1a homestead classification.

Subd. 18. **Property undergoing renovation.** Property that is not occupied as a homestead on the assessment date will be classified as a homestead if it meets each of the following requirements on that date:

(a) The structure is a single family or duplex residence.

(b) The property is owned by a church or an organization that is exempt from taxation under section 501(c)(3) of the Internal Revenue Code of 1986.

(c) The organization is in the process of renovating the property for use as a homestead by an individual or family whose income is no greater than 60 percent of the county or area gross median income, adjusted for family size, and that renovation process and conveyance for use as a homestead can reasonably be expected to be completed within 12 months after construction begins.

The organization must apply to the assessor for classification under this subdivision within 30 days of its acquisition of the property, and must provide the assessor with the information necessary for the assessor to determine whether the property qualifies.

NOTE: Subdivision 13 was amended by Laws 1995, chapter 264, article 4, section 3, effective for property tax refunds payable as deductions on property tax statements in 1999 and thereafter. Laws 1995, chapter 264, article 4, section 20, as amended by Laws 1996, chapter 471, article 3, section 52. When effective, the subdivision will read as follows:

"Subd. 13. **Homestead application.** (a) A person who meets the homestead requirements under subdivision 1 must file a homestead application with the county assessor to initially obtain homestead classification.

(b) On or before January 2, 1993, each county assessor shall mail a homestead application to the owner of each parcel of property within the county which was classified as homestead for the 1992 assessment year. The format and contents of a uniform homestead application shall be prescribed by the commissioner of revenue. The commissioner shall consult with the chairs of the house and senate tax committees on the contents of the homestead application form. The application must clearly inform the taxpayer that this application must be signed by all owners who occupy the property or by the qualifying relative and returned to the county assessor in order for the property to continue receiving homestead treatment. The envelope containing the homestead application shall clearly identify its contents and alert the taxpayer of its necessary immediate response.

(c) Every property owner applying for homestead classification must furnish to the county assessor the social security number of each occupant who is listed as an owner of the property on the deed of record, the name and address of each owner who does not occupy the property, and the name and social security number of each owner's spouse who occupies the property. The application must be signed by each owner who occupies the property and by each owner's spouse who occupies the property, or, in the case of property that qualifies as a homestead under subdivision 1, paragraph (c), by the qualifying relative.

If a property owner occupies a homestead, the property owner's spouse may not claim another property as a homestead unless the property owner and the property owner's spouse file with the assessor an affidavit or other proof required by the assessor stating that the property qualifies as a homestead under subdivision 1, paragraph (e).

Owners or spouses occupying residences owned by their spouses and previously occupied with the other spouse, either of whom fail to include the other spouse's name and social security number on the homestead application or provide the affidavits or other proof requested, will be deemed to have elected to receive only partial homestead treatment of their residence. The remainder of the residence will be classified as nonhomestead residential. When an owner or spouse's name and social security number appear on homestead applications for two separate residences and only one application is signed, the owner or spouse will be deemed to have elected to homestead the residence for which the application was signed.

The social security numbers or affidavits or other proofs of the property owners and spouses are private data on individuals as defined by section 13.02, subdivision 12, but, notwithstanding that section, the private data may be disclosed to the commissioner of revenue, or, for purposes of proceeding under the revenue recapture act to recover personal property taxes owing, to the county treasurer.

(d) If residential real estate is occupied and used for purposes of a homestead by a relative of the owner and qualifies for a homestead under subdivision 1, paragraph (c), in order for the property to receive homestead status, a homestead application must be filed with the assessor. The social security number of each relative occupying the property and the social security number of each owner who is related to an occupant of the property shall be required on the homestead application filed under this subdivision. If a different relative of the owner subsequently occupies the property, the owner of the property must notify the assessor within 30 days of the change in occupancy. The social security number of a relative occupying the property is private data on individuals as defined by section 13.02, subdivision 12, but may be disclosed to the commissioner of revenue.

(e) The homestead application shall also notify the property owners that the application filed under this section will not be mailed annually and that if the property is granted homestead status for the 1993 assessment, or any assessment year thereafter, that same property shall remain classified as homestead until the property is sold or transferred to another person, or the owners, the spouse of the owner, or the relatives no longer use the property as their homestead. Upon the sale or transfer of the homestead property, a certificate of value must be timely filed with the county auditor as provided under section 272.115. Failure to notify the assessor within 30 days that the property has been sold, transferred, or that the owner, the spouse of the owner, or the relative is no longer occupying the property as a homestead, shall result in the penalty provided under this subdivision and the property will lose its current homestead status.

(f) If the homestead application is not returned within 30 days, the county will send a second application to the present owners of record. The notice of proposed property taxes prepared under section 275.065, subdivision 3, shall reflect the property's classification. Beginning with assessment year 1993 for all properties, if a homestead application has not been filed with the county by December 15, the assessor shall classify the property as nonhomestead for the current assessment year for taxes payable in the following year, provided that the owner may be entitled to receive the homestead classification by proper application under section 375.192.

(g) At the request of the commissioner, each county must give the commissioner a list that includes the name and social security number of each property owner and the property owner's spouse occupying the property, or relative of a property owner, applying for homestead classification under this subdivision. The commissioner shall use the information provided on the lists as appropriate under the law, including for the detection of improper claims by owners, or relatives of owners, under chapter 290A.

(h) If the commissioner finds that a property owner may be claiming a fraudulent homestead, the commissioner shall notify the appropriate counties. Within 90 days of the notification, the county assessor shall investigate to determine if the homestead classification was properly claimed. If the property owner does not qualify, the county assessor shall notify the county auditor who will determine the amount of homestead benefits that had been improperly allowed. For the purpose of this section, "homestead benefits" means the tax reduction resulting from the classification as a homestead under section 273.13, the taconite homestead credit under section 273.135, the supplemental homestead credit under section 273.1391, and the property tax refunds under chapter 290A deducted on the property tax statement.

The county auditor shall send a notice to the person who owned the affected property at the time the homestead application related to the improper homestead was filed, demanding reimbursement of the homestead benefits plus a penalty equal to 100 percent of the homestead benefits. The person notified may appeal the county's determination by serving copies of a petition for review with county officials as provided in section 278.01 and filing proof of service as provided in section 278.01 with the Minnesota tax court within 60 days of the date of the notice from the county. Procedurally, the appeal is governed by the provisions in chapter 271

which apply to the appeal of a property tax assessment or levy, but without requiring any prepayment of the amount in controversy. If the amount of homestead benefits and penalty is not paid within 60 days, and if no appeal has been filed, the county auditor shall certify the amount of taxes and penalty to the county treasurer. The county treasurer will add interest to the unpaid homestead benefits and penalty amounts at the rate provided for delinquent personal property taxes for the period beginning 60 days after demand for payment was made until payment. If the person notified is the current owner of the property, the treasurer may add the total amount of benefits, penalty, interest, and costs to the real estate taxes otherwise payable on the property in the following year. If the person notified is not the current owner of the property, the treasurer may collect the amounts due under the revenue recapture act in chapter 270A, or use any of the powers granted in sections 277.20 and 277.21 without exclusion, to enforce payment of the benefits, penalty, interest, and costs, as if those amounts were delinquent tax obligations of the person who owned the property at the time the application related to the improperly allowed homestead was filed. The treasurer may relieve a prior owner of personal liability for the benefits, penalty, interest, and costs, and instead extend those amounts on the tax lists against the property for taxes payable in the following year to the extent that the current owner agrees in writing.

(i) Any amount of homestead benefits recovered by the county from the property owner shall be distributed to the county, city or town, and school district where the property is located in the same proportion that each taxing district's levy was to the total of the three taxing districts' levy for the current year. Any amount recovered attributable to property tax refunds reimbursed to the county by the state shall be paid to the commissioner of revenue for deposit in the fund from which it was paid. Any amount recovered attributable to taconite homestead credit shall be transmitted to the St. Louis county auditor to be deposited in the taconite property tax relief account. Any amount recovered that is attributable to supplemental homestead credit is to be transmitted to the commissioner of revenue for deposit in the general fund of the state treasury. The total amount of penalty collected must be deposited in the county general fund.

(j) If a property owner has applied for more than one homestead and the county assessors cannot determine which property should be classified as homestead, the county assessors will refer the information to the commissioner. The commissioner shall make the determination and notify the counties within 60 days.

(k) In addition to lists of homestead properties, the commissioner may ask the counties to furnish lists of all properties and the record owners."

273.125 ASSESSMENT OF MANUFACTURED HOMES.

Subdivision 1. Valuation; notice. Subdivisions 1 to 7 apply to manufactured homes that are assessed under subdivision 8, paragraph (c). Each manufactured home must be valued each year by the assessor and assessed with reference to its value on January 2 of that year. Notice of the value must be mailed to the person to be assessed at least ten days before the meeting of the local board of review or equalization. The notice must contain the amount of valuation in terms of market value, the assessor's office address, and the date, place, and time set for the meeting of the local board of review or equalization and the county board of equalization.

Subd. 2. Return assessment books; set tax. On or before May 1, the assessor shall return to the county auditor the assessment books relating to the assessment of manufactured homes. After receiving the assessment books, the county auditor shall determine the tax to be due by applying the rate of levy of the preceding year and shall send a list of the taxes to the county treasurer by May 30.

Subd. 3. Tax statements; penalties; collections. Not later than July 15 in the year of assessment the county treasurer shall mail to the taxpayer a statement of tax due on a manufactured home. The taxes are due on the last day of August, or 20 days after the postmark date on the envelope containing the property tax statement, whichever is later, except that if the tax exceeds \$50, one-half of the amount due may be paid on August 31, or 20 days after the postmark date on the envelope containing the property tax statement, whichever is later, and the remainder on November 15. Taxes remaining unpaid after the due date are delinquent, and a penalty of eight percent must be assessed and collected as part of the unpaid taxes.

Subd. 4. Petitions of grievance. A person who claims that the person's manufactured home has been unfairly or unequally assessed, or that the property has been assessed at a valuation greater than its real or actual value, or that the tax levied against it is illegal, in whole or in part, or has been paid, or that the property is exempt from the tax so levied, may have the validity of the claim, defense, or objection determined in court. The determination must be made by the district court of the county in which the tax is levied or by the tax court. A person can request the determination by filing a petition for it in the office of the court administrator of the district court on or before September 1 of the year in which the tax becomes payable. A petition for determination under this section may be transferred by the district court to the tax court.

Subd. 5. Continuing with petition. The right to continue prosecution of the petition is conditioned upon the payment of the tax when due unless the court permits the petitioner to continue without payment, or with a reduced payment, under section 278.03, subdivision 2.

Upon ten days' notice to the county attorney and to the county auditor, given at least ten days before the last day of August, the petitioner may apply to the court for permission to continue prosecution of the petition without payment or with a reduced payment.

Subd. 6. Correcting tax. If the local board of review or equalization or the county board of equalization changes the assessor's valuation of a manufactured home, the change must be sent to the county auditor. The auditor shall immediately recompute the tax and advise the treasurer of the corrected tax. If the property is entitled to homestead classification, the auditor shall reduce the tax accordingly.

Subd. 7. Personal property. The tax assessed on manufactured homes is a personal property tax. Laws relating to assessment, review, and collection of personal property taxes apply to this tax, if consistent with this section.

Subd. 8. Manufactured homes; sectional structures. (a) In this section, "manufactured home" means a structure transportable in one or more sections, which is built on a permanent chassis, and designed to be used as a dwelling with or without a permanent foundation when connected to the required utilities, and contains the plumbing, heating, air conditioning, and electrical systems in it. Manufactured home includes any accessory structure that is an addition or supplement to the manufactured home and, when installed, becomes a part of the manufactured home.

(b) A manufactured home that meets each of the following criteria must be valued and assessed as an improvement to real property, the appropriate real property classification applies, and the valuation is subject to review and the taxes payable in the manner provided for real property:

(1) the owner of the unit holds title to the land on which it is situated;

(2) the unit is affixed to the land by a permanent foundation or is installed at its location in accordance with the manufactured home building code in sections 327.31 to 327.34, and rules adopted under those sections, or is affixed to the land like other real property in the taxing district; and

(3) the unit is connected to public utilities, has a well and septic tank system, or is serviced by water and sewer facilities comparable to other real property in the taxing district.

(c) A manufactured home that meets each of the following criteria must be assessed at the rate provided by the appropriate real property classification but must be treated as personal property, and the valuation is subject to review and the taxes payable in the manner provided in this section:

(1) the owner of the unit is a lessee of the land under the terms of a lease;

(2) the unit is affixed to the land by a permanent foundation or is installed at its location in accordance with the manufactured homes building code contained in sections 327.31 to 327.34, and the rules adopted under those sections, or is affixed to the land like other real property in the taxing district; and

(3) the unit is connected to public utilities, has a well and septic tank system, or is serviced by water and sewer facilities comparable to other real property in the taxing district.

(d) Sectional structures must be valued and assessed as an improvement to real property if the owner of the structure holds title to the land on which it is located or is a qualifying lessee of the land under section 273.19. In this paragraph "sectional structure" means a building or structural unit that has been in whole or substantial part manufactured or constructed at an off-site location to be wholly or partially assembled on-site alone or with other units and attached to a permanent foundation.

(e) The commissioner of revenue may adopt rules under the administrative procedure act to establish additional criteria for the classification of manufactured homes and sectional structures under this subdivision.

(f) A storage shed, deck, or similar improvement constructed on property that is leased or rented as a site for a manufactured home, sectional structure, park trailer, or travel trailer is taxable as provided in this section. The property is taxable as personal property to the lessee of the site if it is not owned by the owner of the site. The property is taxable as real estate if it is owned by the owner of the site. As a condition of permitting the owner of the manufactured home, sectional structure, park trailer, or travel trailer to construct improvements on the

leased or rented site, the owner of the site must obtain the permanent home address of the lessee or user of the site. The site owner must provide the name and address to the assessor upon request.

Subd. 21a. **Class rate.** In this section, wherever the "class rate" of a class of property is specified without qualification as to whether it is the property's "net class rate" or its "gross class rate," the "net class rate" and "gross class rate" of that property are the same as its "class rate."

Subd. 21b. **Tax capacity.** (a) Gross tax capacity means the product of the appropriate gross class rates in this section and market values.

(b) Net tax capacity means the product of the appropriate net class rates in this section and market values.

Subd. 22. **Class 1.** (a) Except as provided in subdivision 23, real estate which is residential and used for homestead purposes is class 1. The market value of class 1a property must be determined based upon the value of the house, garage, and land.

The first \$72,000 of market value of class 1a property has a net class rate of one percent of its market value and a gross class rate of 2.17 percent of its market value. For taxes payable in 1992, the market value of class 1a property that exceeds \$72,000 but does not exceed \$115,000 has a class rate of two percent of its market value; and the market value of class 1a property that exceeds \$115,000 has a class rate of 2.5 percent of its market value. For taxes payable in 1993 and thereafter, the market value of class 1a property that exceeds \$72,000 has a class rate of two percent.

(b) Class 1b property includes homestead real estate or homestead manufactured homes used for the purposes of a homestead by

(1) any blind person, or the blind person and the blind person's spouse; or

(2) any person, hereinafter referred to as "veteran," who:

(i) served in the active military or naval service of the United States; and

(ii) is entitled to compensation under the laws and regulations of the United States for permanent and total service-connected disability due to the loss, or loss of use, by reason of amputation, ankylosis, progressive muscular dystrophies, or paralysis, of both lower extremities, such as to preclude motion without the aid of braces, crutches, canes, or a wheelchair; and

(iii) has acquired a special housing unit with special fixtures or movable facilities made necessary by the nature of the veteran's disability, or the surviving spouse of the deceased veteran for as long as the surviving spouse retains the special housing unit as a homestead; or

(3) any person who:

(i) is permanently and totally disabled and

(ii) receives 90 percent or more of total income from

(A) aid from any state as a result of that disability; or

(B) supplemental security income for the disabled; or

(C) workers' compensation based on a finding of total and permanent disability; or

(D) social security disability, including the amount of a disability insurance benefit which is converted to an old age insurance benefit and any subsequent cost of living increases; or

(E) aid under the federal Railroad Retirement Act of 1937, United States Code Annotated, title 45, section 228b(a)5; or

(F) a pension from any local government retirement fund located in the state of Minnesota as a result of that disability; or

(G) pension, annuity, or other income paid as a result of that disability from a private pension or disability plan, including employer, employee, union, and insurance plans and

(iii) has household income as defined in section 290A.03, subdivision 5, of \$50,000 or less; or

(4) any person who is permanently and totally disabled and whose household income as defined in section 290A.03, subdivision 5, is 150 percent or less of the federal poverty level.

Property is classified and assessed under clause (4) only if the government agency or income-providing source certifies, upon the request of the homestead occupant, that the homestead occupant satisfies the disability requirements of this paragraph.

Property is classified and assessed pursuant to clause (1) only if the commissioner of economic security certifies to the assessor that the homestead occupant satisfies the requirements of this paragraph.

Permanently and totally disabled for the purpose of this subdivision means a condition which is permanent in nature and totally incapacitates the person from working at an occupation which brings the person an income. The first \$32,000 market value of class 1b property has a net class rate of .45 percent of its market value and a gross class rate of .87 percent of its

market value. The remaining market value of class 1b property has a gross or net class rate using the rates for class 1 or class 2a property, whichever is appropriate, of similar market value.

(c) Class 1c property is commercial use real property that abuts a lakeshore line and is devoted to temporary and seasonal residential occupancy for recreational purposes but not devoted to commercial purposes for more than 250 days in the year preceding the year of assessment, and that includes a portion used as a homestead by the owner, which includes a dwelling occupied as a homestead by a shareholder of a corporation that owns the resort or a partner in a partnership that owns the resort, even if the title to the homestead is held by the corporation or partnership. For purposes of this clause, property is devoted to a commercial purpose on a specific day if any portion of the property, excluding the portion used exclusively as a homestead, is used for residential occupancy and a fee is charged for residential occupancy. Class 1c property has a class rate of one percent of total market value for taxes payable in 1993 and thereafter with the following limitation: the area of the property must not exceed 100 feet of lakeshore footage for each cabin or campsite located on the property up to a total of 800 feet and 500 feet in depth, measured away from the lakeshore.

Subd. 23. **Class 2.** (a) Class 2a property is agricultural land including any improvements that is homesteaded. The market value of the house and garage and immediately surrounding one acre of land has the same class rates as class 1a property under subdivision 22. The value of the remaining land including improvements up to \$115,000 has a net class rate of .45 percent of market value and a gross class rate of 1.75 percent of market value. The remaining value of class 2a property over \$115,000 of market value that does not exceed 320 acres has a net class rate of one percent of market value, and a gross class rate of 2.25 percent of market value. The remaining property over the \$115,000 market value in excess of 320 acres has a class rate of 1.5 percent of market value, and a gross class rate of 2.25 percent of market value.

(b) Class 2b property is (1) real estate, rural in character and used exclusively for growing trees for timber, lumber, and wood and wood products; (2) real estate that is not improved with a structure and is used exclusively for growing trees for timber, lumber, and wood and wood products, if the owner has participated or is participating in a cost-sharing program for afforestation, reforestation, or timber stand improvement on that particular property, administered or coordinated by the commissioner of natural resources; (3) real estate that is nonhomestead agricultural land; or (4) a landing area or public access area of a privately owned public use airport. Class 2b property has a net class rate of 1.5 percent of market value, and a gross class rate of 2.25 percent of market value.

(c) Agricultural land as used in this section means contiguous acreage of ten acres or more, primarily used during the preceding year for agricultural purposes. Agricultural use may include pasture, timber, waste, unusable wild land, and land included in state or federal farm or conservation programs. "Agricultural purposes" as used in this section means the raising or cultivation of agricultural products. Land enrolled in the Reinvest in Minnesota program under sections 103F.505 to 103F.531 or the federal Conservation Reserve Program as contained in Public Law Number 99-198, and consisting of a minimum of ten contiguous acres, shall be classified as agricultural. Agricultural classification for property shall be determined with respect to the use of the whole parcel, and not based upon the market value of any residential structures on the parcel or contiguous parcels under the same ownership.

(d) Real estate of less than ten acres used principally for raising or cultivating agricultural products, shall be considered as agricultural land, if it is not used primarily for residential purposes.

(e) The term "agricultural products" as used in this subdivision includes:

(1) livestock, dairy animals, dairy products, poultry and poultry products, fur-bearing animals, horticultural and nursery stock described in sections 18.44 to 18.61, fruit of all kinds, vegetables, forage, grains, bees, and apiary products by the owner;

(2) fish bred for sale and consumption if the fish breeding occurs on land zoned for agricultural use;

(3) the commercial boarding of horses if the boarding is done in conjunction with raising or cultivating agricultural products as defined in clause (1);

(4) property which is owned and operated by nonprofit organizations used for equestrian activities, excluding racing; and

(5) game birds and waterfowl bred and raised for use on a shooting preserve licensed under section 97A.115.

(f) If a parcel used for agricultural purposes is also used for commercial or industrial purposes, including but not limited to:

- (1) wholesale and retail sales;
- (2) processing of raw agricultural products or other goods;
- (3) warehousing or storage of processed goods; and
- (4) office facilities for the support of the activities enumerated in clauses (1), (2), and (3),

the assessor shall classify the part of the parcel used for agricultural purposes as class 1b, 2a, or 2b, whichever is appropriate, and the remainder in the class appropriate to its use. The grading, sorting, and packaging of raw agricultural products for first sale is considered an agricultural purpose. A greenhouse or other building where horticultural or nursery products are grown that is also used for the conduct of retail sales must be classified as agricultural if it is primarily used for the growing of horticultural or nursery products from seed, cuttings, or roots and occasionally as a showroom for the retail sale of those products. Use of a greenhouse or building only for the display of already grown horticultural or nursery products does not qualify as an agricultural purpose.

The assessor shall determine and list separately on the records the market value of the homestead dwelling and the one acre of land on which that dwelling is located. If any farm buildings or structures are located on this homesteaded acre of land, their market value shall not be included in this separate determination.

(g) To qualify for classification under paragraph (b), clause (4), a privately owned public use airport must be licensed as a public airport under section 360.018. For purposes of paragraph (b), clause (4), "landing area" means that part of a privately owned public use airport properly cleared, regularly maintained, and made available to the public for use by aircraft and includes runways, taxiways, aprons, and sites upon which are situated landing or navigational aids. A landing area also includes land underlying both the primary surface and the approach surfaces that comply with all of the following:

- (i) the land is properly cleared and regularly maintained for the primary purposes of the landing, taking off, and taxiing of aircraft; but that portion of the land that contains facilities for servicing, repair, or maintenance of aircraft is not included as a landing area;
- (ii) the land is part of the airport property; and
- (iii) the land is not used for commercial or residential purposes.

The land contained in a landing area under paragraph (b), clause (4), must be described and certified by the commissioner of transportation. The certification is effective until it is modified, or until the airport or landing area no longer meets the requirements of paragraph (b), clause (4). For purposes of paragraph (b), clause (4), "public access area" means property used as an aircraft parking ramp, apron, or storage hangar, or an arrival and departure building in connection with the airport.

Subd. 24. Class 3. (a) Commercial and industrial property and utility real and personal property, except class 5 property as identified in subdivision 31, clause (1), is class 3a. It has a class rate of three percent of the first \$100,000 of market value for taxes payable in 1993 and thereafter, and 5.06 percent of the market value over \$100,000. In the case of state-assessed commercial, industrial, and utility property owned by one person or entity, only one parcel has a reduced class rate on the first \$100,000 of market value. In the case of other commercial, industrial, and utility property owned by one person or entity, only one parcel in each county has a reduced class rate on the first \$100,000 of market value, except that:

- (1) if the market value of the parcel is less than \$100,000, and additional parcels are owned by the same person or entity in the same city or town within that county, the reduced class rate shall be applied up to a combined total market value of \$100,000 for all parcels owned by the same person or entity in the same city or town within the county;

(2) in the case of grain, fertilizer, and feed elevator facilities, as defined in section 18C.305, subdivision 1, or 232.21, subdivision 8, the limitation to one parcel per owner per county for the reduced class rate shall not apply, but there shall be a limit of \$100,000 of preferential value per site of contiguous parcels owned by the same person or entity. Only the value of the elevator portion of each parcel shall qualify for treatment under this clause. For purposes of this subdivision, contiguous parcels include parcels separated only by a railroad or public road right-of-way; and

(3) in the case of property owned by a nonprofit charitable organization that qualifies for tax exemption under section 501(c)(3) of the Internal Revenue Code of 1986, as amended through December 31, 1993, if the property is used as a business incubator, the limitation to one parcel per owner per county for the reduced class rate shall not apply, provided that the reduced rate applies only to the first \$100,000 of value per parcel owned by the organization. As used in this clause, a "business incubator" is a facility used for the development of nonretail businesses, offering access to equipment, space, services, and advice to the tenant businesses, for the purpose of encouraging economic development, diversification, and job creation in the area served by the organization.

To receive the reduced class rate on additional parcels under clause (1), (2), or (3), the taxpayer must notify the county assessor that the taxpayer owns more than one parcel that qualifies under clause (1), (2), or (3).

(b) Employment property defined in section 469.166, during the period provided in section 469.170, shall constitute class 3b and has a class rate of 2.3 percent of the first \$50,000 of market value and 3.6 percent of the remainder, except that for employment property located in a border city enterprise zone designated pursuant to section 469.168, subdivision 4, paragraph (c), the class rate of the first \$100,000 of market value and the class rate of the remainder is determined under paragraph (a), unless the governing body of the city designated as an enterprise zone determines that a specific parcel shall be assessed pursuant to the first clause of this sentence. The governing body may provide for assessment under the first clause of the preceding sentence only for property which is located in an area which has been designated by the governing body for the receipt of tax reductions authorized by section 469.171, subdivision 1.

(c) Structures which are (i) located on property classified as class 3a, (ii) constructed under an initial building permit issued after January 2, 1996, (iii) located in a transit zone as defined under section 473.3915, subdivision 3, (iv) located within the boundaries of a school district, and (v) not primarily used for retail or transient lodging purposes, shall have a class rate of four percent on that portion of the market value in excess of \$100,000 and any market value under \$100,000 that does not qualify for the three percent class rate under paragraph (a). As used in item (v), a structure is primarily used for retail or transient lodging purposes if over 50 percent of its square footage is used for those purposes. The four percent rate shall also apply to improvements to existing structures that meet the requirements of items (i) to (v) if the improvements are constructed under an initial building permit issued after January 2, 1996, even if the remainder of the structure was constructed prior to January 2, 1996. For the purposes of this paragraph, a structure shall be considered to be located in a transit zone if any portion of the structure lies within the zone. If any property once eligible for treatment under this paragraph ceases to remain eligible due to revisions in transit zone boundaries, the property shall continue to receive treatment under this paragraph for a period of three years.

Subd. 25. **Class 4.** (a) Class 4a is residential real estate containing four or more units and used or held for use by the owner or by the tenants or lessees of the owner as a residence for rental periods of 30 days or more. Class 4a also includes hospitals licensed under sections 144.50 to 144.56, other than hospitals exempt under section 272.02, and contiguous property used for hospital purposes, without regard to whether the property has been platted or subdivided. Class 4a property in a city with a population of 5,000 or less, that is (1) located outside of the metropolitan area, as defined in section 473.121, subdivision 2, or outside any county contiguous to the metropolitan area, and (2) whose city boundary is at least 15 miles from the boundary of any city with a population greater than 5,000 has a class rate of 2.3 percent of market value for taxes payable in 1996 and thereafter. All other class 4a property has a class rate of 3.4 percent of market value for taxes payable in 1996 and thereafter. For purposes of this paragraph, population has the same meaning given in section 477A.011, subdivision 3.

(b) Class 4b includes:

- (1) residential real estate containing less than four units, other than seasonal residential, and recreational;
- (2) manufactured homes not classified under any other provision;
- (3) a dwelling, garage, and surrounding one acre of property on a nonhomestead farm classified under subdivision 23, paragraph (b).

Class 4b property has a class rate of 2.8 percent of market value for taxes payable in 1992, 2.5 percent of market value for taxes payable in 1993, and 2.3 percent of market value for taxes payable in 1994 and thereafter.

(c) Class 4c property includes:

(1) a structure that is:

(i) situated on real property that is used for housing for the elderly or for low- and moderate-income families as defined in Title II, as amended through December 31, 1990, of the National Housing Act or the Minnesota housing finance agency law of 1971, as amended, or rules promulgated by the agency and financed by a direct federal loan or federally insured loan made pursuant to Title II of the Act; or

(ii) situated on real property that is used for housing the elderly or for low- and moderate-income families as defined by the Minnesota housing finance agency law of 1971, as amended, or rules adopted by the agency pursuant thereto and financed by a loan made by the Minnesota housing finance agency pursuant to the provisions of the act.

This clause applies only to property of a nonprofit or limited dividend entity. Property is classified as class 4c under this clause for 15 years from the date of the completion of the original construction or substantial rehabilitation, or for the original term of the loan.

(2) a structure that is:

(i) situated upon real property that is used for housing lower income families or elderly or handicapped persons, as defined in section 8 of the United States Housing Act of 1937, as amended; and

(ii) owned by an entity which has entered into a housing assistance payments contract under section 8 which provides assistance for 100 percent of the dwelling units in the structure, other than dwelling units intended for management or maintenance personnel. Property is classified as class 4c under this clause for the term of the housing assistance payments contract, including all renewals, or for the term of its permanent financing, whichever is shorter; and

(3) a qualified low-income building as defined in section 42(c)(2) of the Internal Revenue Code of 1986, as amended through December 31, 1990, that (i) receives a low-income housing credit under section 42 of the Internal Revenue Code of 1986, as amended through December 31, 1990; or (ii) meets the requirements of that section and receives public financing, except financing provided under sections 469.174 to 469.179, which contains terms restricting the rents; or (iii) meets the requirements of section 273.1317. Classification pursuant to this clause is limited to a term of 15 years. The public financing received must be from at least one of the following sources: government issued bonds exempt from taxes under section 103 of the Internal Revenue Code of 1986, as amended through December 31, 1993, the proceeds of which are used for the acquisition or rehabilitation of the building; programs under section 221(d)(3), 202, or 236, of Title II of the National Housing Act; rental housing program funds under Section 8 of the United States Housing Act of 1937 or the market rate family graduated payment mortgage program funds administered by the Minnesota housing finance agency that are used for the acquisition or rehabilitation of the building; public financing provided by a local government used for the acquisition or rehabilitation of the building, including grants or loans from federal community development block grants, HOME block grants, or residential rental bonds issued under chapter 474A; or other rental housing program funds provided by the Minnesota housing finance agency for the acquisition or rehabilitation of the building.

For all properties described in clauses (1), (2), and (3) and in paragraph (d), the market value determined by the assessor must be based on the normal approach to value using normal unrestricted rents unless the owner of the property elects to have the property assessed

under Laws 1991, chapter 291, article 1, section 55. If the owner of the property elects to have the market value determined on the basis of the actual restricted rents, as provided in Laws 1991, chapter 291, article 1, section 55, the property will be assessed at the rate provided for class 4a or class 4b property, as appropriate. Properties described in clauses (1)(ii), (3), and (4) may apply to the assessor for valuation under Laws 1991, chapter 291, article 1, section 55. The land on which these structures are situated has the class rate given in paragraph (b) if the structure contains fewer than four units, and the class rate given in paragraph (a) if the structure contains four or more units. This clause applies only to the property of a nonprofit or limited dividend entity.

(4) a parcel of land, not to exceed one acre, and its improvements or a parcel of unimproved land, not to exceed one acre, if it is owned by a neighborhood real estate trust and at least 60 percent of the dwelling units, if any, on all land owned by the trust are leased to or occupied by lower income families or individuals. This clause does not apply to any portion of the land or improvements used for nonresidential purposes. For purposes of this clause, a lower income family is a family with an income that does not exceed 65 percent of the median family income for the area, and a lower income individual is an individual whose income does not exceed 65 percent of the median individual income for the area, as determined by the United States Secretary of Housing and Urban Development. For purposes of this clause, "neighborhood real estate trust" means an entity which is certified by the governing body of the municipality in which it is located to have the following characteristics:

(a) it is a nonprofit corporation organized under chapter 317A;

(b) it has as its principal purpose providing housing for lower income families in a specific geographic community designated in its articles or bylaws;

(c) it limits membership with voting rights to residents of the designated community; and

(d) it has a board of directors consisting of at least seven directors, 60 percent of whom are members with voting rights and, to the extent feasible, 25 percent of whom are elected by resident members of buildings owned by the trust; and

(5) except as provided in subdivision 22, paragraph (c), real property devoted to temporary and seasonal residential occupancy for recreation purposes, including real property devoted to temporary and seasonal residential occupancy for recreation purposes and not devoted to commercial purposes for more than 250 days in the year preceding the year of assessment. For purposes of this clause, property is devoted to a commercial purpose on a specific day if any portion of the property is used for residential occupancy, and a fee is charged for residential occupancy. Class 4c also includes commercial use real property used exclusively for recreational purposes in conjunction with class 4c property devoted to temporary and seasonal residential occupancy for recreational purposes, up to a total of two acres, provided the property is not devoted to commercial recreational use for more than 250 days in the year preceding the year of assessment and is located within two miles of the class 4c property with which it is used. Class 4c property classified in this clause also includes the remainder of class 1c resorts. Owners of real property devoted to temporary and seasonal residential occupancy for recreation purposes and all or a portion of which was devoted to commercial purposes for not more than 250 days in the year preceding the year of assessment desiring classification as class 1c or 4c, must submit a declaration to the assessor designating the cabins or units occupied for 250 days or less in the year preceding the year of assessment by January 15 of the assessment year. Those cabins or units and a proportionate share of the land on which they are located will be designated class 1c or 4c as otherwise provided. The remainder of the cabins or units and a proportionate share of the land on which they are located will be designated as class 3a. The first \$100,000 of the market value of the remainder of the cabins or units and a proportionate share of the land on which they are located shall have a class rate of three percent. The owner of property desiring designation as class 1c or 4c property must provide guest registers or other records demonstrating that the units for which class 1c or 4c designation is sought were not occupied for more than 250 days in the year preceding the assessment if so requested. The portion of a property operated as a (1) restaurant, (2) bar, (3) gift shop, and (4) other nonresidential facility operated on a commercial basis not directly

related to temporary and seasonal residential occupancy for recreation purposes shall not qualify for class 1c or 4c;

(6) real property up to a maximum of one acre of land owned by a nonprofit community service oriented organization; provided that the property is not used for a revenue-producing activity for more than six days in the calendar year preceding the year of assessment and the property is not used for residential purposes on either a temporary or permanent basis. For purposes of this clause, a "nonprofit community service oriented organization" means any corporation, society, association, foundation, or institution organized and operated exclusively for charitable, religious, fraternal, civic, or educational purposes, and which is exempt from federal income taxation pursuant to section 501(c)(3), (10), or (19) of the Internal Revenue Code of 1986, as amended through December 31, 1990. For purposes of this clause, "revenue-producing activities" shall include but not be limited to property or that portion of the property that is used as an on-sale intoxicating liquor or 3.2 percent malt liquor establishment licensed under chapter 340A, a restaurant open to the public, bowling alley, a retail store, gambling conducted by organizations licensed under chapter 349, an insurance business, or office or other space leased or rented to a lessee who conducts a for-profit enterprise on the premises. Any portion of the property which is used for revenue-producing activities for more than six days in the calendar year preceding the year of assessment shall be assessed as class 3a. The use of the property for social events open exclusively to members and their guests for periods of less than 24 hours, when an admission is not charged nor any revenues are received by the organization shall not be considered a revenue-producing activity;

(7) post-secondary student housing of not more than one acre of land that is owned by a nonprofit corporation organized under chapter 317A and is used exclusively by a student cooperative, sorority, or fraternity for on-campus housing or housing located within two miles of the border of a college campus; and

(8) manufactured home parks as defined in section 327.14, subdivision 3.

Class 4c property has a class rate of 2.3 percent of market value, except that (i) for each parcel of seasonal residential recreational property not used for commercial purposes under clause (5) the first \$72,000 of market value on each parcel has a class rate of 1.75 percent for taxes payable in 1997 and 1.5 percent for taxes payable in 1998 and thereafter, and the market value of each parcel that exceeds \$72,000 has a class rate of 2.5 percent, and (ii) manufactured home parks assessed under clause (8) have a class rate of two percent for taxes payable in 1996, and thereafter.

(d) Class 4d property includes:

(1) a structure that is:

(i) situated on real property that is used for housing for the elderly or for low and moderate income families as defined by the Farmers Home Administration;

(ii) located in a municipality of less than 10,000 population; and

(iii) financed by a direct loan or insured loan from the Farmers Home Administration. Property is classified under this clause for 15 years from the date of the completion of the original construction or for the original term of the loan.

The class rates in paragraph (c), clauses (1), (2), and (3) and this clause apply to the properties described in them, only in proportion to occupancy of the structure by elderly or handicapped persons or low and moderate income families as defined in the applicable laws unless construction of the structure had been commenced prior to January 1, 1984; or the project had been approved by the governing body of the municipality in which it is located prior to June 30, 1983; or financing of the project had been approved by a federal or state agency prior to June 30, 1983. For those properties, 4c or 4d classification is available only for those units meeting the requirements of section 273.1318.

Classification under this clause is only available to property of a nonprofit or limited dividend entity.

In the case of a structure financed or refinanced under any federal or state mortgage insurance or direct loan program exclusively for housing for the elderly or for housing for the handicapped, a unit shall be considered occupied so long as it is actually occupied by an elderly or handicapped person or, if vacant, is held for rental to an elderly or handicapped person.

(2) For taxes payable in 1992, 1993, and 1994, only, buildings and appurtenances, together with the land upon which they are located, leased by the occupant under the community lending model lease-purchase mortgage loan program administered by the Federal National Mortgage Association, provided the occupant's income is no greater than 60 percent of the county or area median income, adjusted for family size and the building consists of existing single family or duplex housing. The lease agreement must provide for a portion of the lease payment to be escrowed as a nonrefundable down payment on the housing. To qualify under this clause, the taxpayer must apply to the county assessor by May 30 of each year. The application must be accompanied by an affidavit or other proof required by the assessor to determine qualification under this clause.

(3) Qualifying buildings and appurtenances, together with the land upon which they are located, leased for a period of up to five years by the occupant under a lease-purchase program administered by the Minnesota housing finance agency or a housing and redevelopment authority authorized under sections 469.001 to 469.047, provided the occupant's income is no greater than 80 percent of the county or area median income, adjusted for family size, and the building consists of two or less dwelling units. The lease agreement must provide for a portion of the lease payment to be escrowed as a nonrefundable down payment on the housing. The administering agency shall verify the occupants income eligibility and certify to the county assessor that the occupant meets the income criteria under this paragraph. To qualify under this clause, the taxpayer must apply to the county assessor by May 30 of each year. For purposes of this section, "qualifying buildings and appurtenances" shall be defined as one or two unit residential buildings which are unoccupied and have been abandoned and boarded for at least six months.

Class 4d property has a class rate of two percent of market value except that property classified under clause (3), shall have the same class rate as class 1a property.

(e) Residential rental property that would otherwise be assessed as class 4 property under paragraph (a); paragraph (b), clauses (1) and (3); paragraph (c), clause (1), (2), (3), or (4), is assessed at the class rate applicable to it under Minnesota Statutes 1988, section 273.13, if it is found to be a substandard building under section 273.1316. Residential rental property that would otherwise be assessed as class 4 property under paragraph (d) is assessed at 2.3 percent of market value if it is found to be a substandard building under section 273.1316.

(f) Class 4e property consists of the residential portion of any structure located within a city that was converted from nonresidential use to residential use, provided that:

- (1) the structure had formerly been used as a warehouse;
- (2) the structure was originally constructed prior to 1940;
- (3) the conversion was done after December 31, 1995, but before January 1, 2003; and
- (4) the conversion involved an investment of at least \$25,000 per residential unit.

Class 4e property has a class rate of 2.3 percent, provided that a structure is eligible for class 4e classification only in the 12 assessment years immediately following the conversion.

Subd. 31. **Class 5.** Class 5 property includes:

(1) tools, implements, and machinery of an electric generating, transmission, or distribution system or a pipeline system transporting or distributing water, gas, crude oil, or petroleum products or mains and pipes used in the distribution of steam or hot or chilled water for heating or cooling buildings, which are fixtures;

(2) unmined iron ore and low-grade iron-bearing formations as defined in section 273.14; and

(3) all other property not otherwise classified.

Class 5 property has a class rate of 5.06 percent of market value.

Subd. 32. **Target class rate.** All classes of property with a class rate of 5.06 percent have a target class rate of four percent. At the time of submission of the biennial budget under sec-

tion 16A.11, the governor shall recommend the effective class rate for taxes payable in the following two calendar years by designating a "phase-in percentage," equal to the proportion of the effective class rate that will be based on the target class rate of four percent, with the remaining proportion based on the class rate of 5.06 percent. The governor shall identify and include within the budget funding for the increased expenditures for homestead and agricultural credit aid over the amount of expenditures for homestead and agricultural credit aid provided in Laws 1989, First Special Session chapter 1, that are estimated to result from the recommendation. At that time, the governor may propose alternative programs other than homestead and agricultural credit aid to prevent other taxpayers' taxes from increasing as a result of the governor's recommended increase in the phase-in percentage. The effective net class rate is the sum of the products of:

- (1) the phase-in percentage adopted by the legislature multiplied by four percent; and
- (2) 100 percent minus the phase-in percentage multiplied by 5.06 percent.

The phase-in percentage in any year cannot be less than it was in the prior year. The phase-in percentage is ten percent for taxes payable in 1991, 29.2 percent for taxes payable in 1992, 34.0 percent for taxes payable in 1993, and 43.4 percent for taxes payable in 1994 and thereafter.

Beginning in 1991, the commissioner of revenue shall annually set the effective class rate to use for taxes payable in the following year as provided in this subdivision and announce it by June 1. For purposes of any aid, levy limitation, debt limit, or salary limitation, and property tax administration, net tax capacity must be computed with reference to the effective class rate for the properties affected by this subdivision.

Subd. 33. Classification of unimproved property. (a) All real property that is not improved with a structure must be classified according to its current use.

(b) Real property that is not improved with a structure and for which there is no identifiable current use must be classified according to its highest and best use permitted under the local zoning ordinance. If the ordinance permits more than one use, the land must be classified according to the highest and best use permitted under the ordinance. If no such ordinance exists, the assessor shall consider the most likely potential use of the unimproved land based upon the use made of surrounding land or land in proximity to the unimproved land.

273.1315 CERTIFICATION OF 1B PROPERTY.

Any property owner seeking classification and assessment of the owner's homestead as class 1b property pursuant to section 273.13, subdivision 22, paragraph (b), clause (2) or (3), shall file with the commissioner of revenue for each assessment year a 1b homestead declaration, on a form prescribed by the commissioner. The declaration shall contain the following information:

(a) the information necessary to verify that the property owner or the owner's spouse satisfies the requirements of section 273.13, subdivision 22, paragraph (b), clause (2) or (3), for 1b classification;

(b) the property owner's household income, as defined in section 290A.03, for the previous calendar year; and

(c) any additional information prescribed by the commissioner.

The declaration shall be filed on or before March 1 of each year to be effective for property taxes payable during the succeeding calendar year. The declaration and any supplementary information received from the property owner pursuant to this section shall be subject to chapter 270B.

The commissioner shall provide to the assessor on or before April 1 a listing of the parcels of property qualifying for 1b classification.

273.1316 CLASSIFICATION OF SUBSTANDARD RESIDENTIAL RENTAL PROPERTY.

Subdivision 1. Denial of rental classification. A building that is classified as residential rental property under section 273.13, subdivision 25, and that is determined to be substandard under this section is assessed as provided in section 273.13, subdivision 25, paragraph (e).

Subd. 2. Definition. "Substandard building" means a building that:

(1) has been determined by a state, county, or city agency that is charged by the governing body of the appropriate political subdivision with the responsibility for enforcing health, housing, building, fire prevention, or housing maintenance codes:

(i) to materially endanger the health and safety of the occupants; or

(ii) if unoccupied, to be a hazardous building within the meaning of section 463.15, subdivision 3; or

(iii) to be substantially out of compliance with the basic provisions of the housing and maintenance code of that county or city; and

(2) has not been repaired or brought to a condition of compliance within three months after the date of the violation notice to the owner as provided in subdivision 3, or within the time prescribed by the agency in the notice in accordance with applicable state law or local ordinance, whichever period is longer.

A building is not substandard under this subdivision if it was rendered substandard solely by reason of a tornado, flood, or other natural disaster.

Subd. 3. Violation notice. The initial notice of violation by the agency to the owner must be written and must contain:

- (1) the details of the violation;
- (2) the date by which repairs must be completed or compliance with other requirements must be achieved;
- (3) a general description of the tax consequences if the violations are not corrected; and
- (4) information on where and how an appeal may be filed.

The agency may extend the compliance date prescribed in the violation notice, for good cause shown, or may determine that good faith efforts at compliance are sufficient to prevent designation as a substandard building.

Subd. 4. Notice of noncompliance. When the period specified in subdivision 3 has expired without compliance and the building has been determined to be substandard as defined in subdivision 2, the agency shall mail to the owner a notice of noncompliance. The notice of noncompliance must be mailed by certified mail, return receipt requested, to the owner of the property at the owner's last known address. The notice must contain:

- (1) the details of the noncompliance;
- (2) a statement that the local assessor has been notified of the noncompliance and that the property will be reclassified unless compliance is achieved within 30 days of the mailing of the notice;
- (3) a general description of the tax consequences resulting from the denial of a residential rental property tax classification; and
- (4) information on where and how an appeal may be filed.

Subd. 5. Appeals to board. Appeals shall be made to the board created under this subdivision. Each county and city, prior to issuance of a violation notice under subdivision 3, must establish a board to hear appeals under this subdivision. The board shall have five members appointed by the governing body. A decision of the appeal board may be appealed to the district court of the county in which the building is located, concerning the violation and determination of material endangerment, hazard, or lack of substantial compliance with the basic provisions of the housing and maintenance code under subdivision 2, and concerning a determination of noncompliance under subdivision 4. An appeal must be made no later than 30 days after receipt of the notice of the action or determination being appealed. If the board determines that the substandard building has been brought to a condition of compliance, the board shall require the agency to mail to the taxpayer a notice of compliance, which shall be in the form and include the information prescribed by the local assessor.

Subd. 6. Timing of process. If a notice of noncompliance is mailed before July 1 of any year, and the property owner has neither (1) successfully appealed the determination, nor (2) brought the property into compliance by October 15 of that year, the property will be assessed under section 273.13, subdivision 25, paragraph (e), for taxes levied in that year and all subsequent years until the agency determines that the property is no longer a substandard building, or the property owner prevails on an appeal of the matter. If a notice of noncompliance is mailed after June 30 of any year, the disqualification would initially be effective for taxes levied in the following year.

Subd. 7. Refund upon appeal. If the property owner prevails on an appeal at any time after taxes have been paid based on assessment of the property as provided in section 273.13, subdivision 25, paragraph (e), the agency shall notify the property owner concerning the procedures for the filing for a refund. The notice shall be in the form and include the information prescribed by the local tax assessor. The taxpayer may then file for a refund of the difference

between the amount of the tax paid and the tax that would have been payable if the property had not been incorrectly assessed under this section, and each governmental subdivision that levied the tax on the property shall refund to the property owner its proportionate share of the refund.

Subd. 8. Specification of violations. A notice of noncompliance shall not be mailed by the agency to the taxpayer until the state or the governing body of the appropriate political subdivision has prescribed by statute or ordinance the nature and types of violations of codes referred to in subdivision 2, that would constitute substantial noncompliance with the basic provisions of the code or material endangerment to the health and safety of occupants of buildings, or that would constitute a hazardous building within the meaning of section 463.15, subdivision 3.

273.1317 CLASSIFICATION OF 4C PROPERTY; LOW-INCOME HOUSING.

Subdivision 1. Definitions. (a) "Area median gross income" means area median gross income as determined by the United States Secretary of Housing and Urban Development under section 142(d)(2)(B) of the Internal Revenue Code.

(b) "Internal Revenue Code" means the Internal Revenue Code of 1986, as amended through December 31, 1990.

(c) "Low-income unit" means a unit that meets the requirements of subdivision 3 and section 42(i)(3)(B), (C), and (D) of the Internal Revenue Code.

(d) "Project" means a project for residential rental property. A project consists of a single building and must include the entire residential part of the building. Property must not be treated as failing to be residential rental property merely because part of the building is used for purposes other than residential rental purposes.

(e) "Rehabilitation expenditures" has the meaning given it in section 42(e)(2) of the Internal Revenue Code.

(f) "Rent restricted units" means rent restricted units as defined and limited by section 42(g)(2) of the Internal Revenue Code.

Subd. 2. Requirements. Residential rental property that does not receive a low-income housing credit under section 42 of the Internal Revenue Code must meet the requirements in subdivisions 3 to 5 to qualify for classification 4c under section 273.13, subdivision 25, paragraph (c), clause (3), item (iii).

Subd. 3. Rent restrictions; income limits. (a) At the irrevocable election of the taxpayer, either:

(1) 20 percent or more of the residential units in the project must be both rent-restricted and occupied by individuals whose income is 50 percent or less of area median gross income; or

(2) 40 percent or more of the residential units in the project must be both rent-restricted and occupied by individuals whose income is 60 percent or less of area median gross income.

(b) For purposes of meeting the income limits under paragraph (a) of tenants whose incomes increase, the provisions of section 42(g)(2)(D) and (E) of the Internal Revenue Code apply.

Subd. 4. New or rehabilitated building. A building must be (1) a new building, the original use of which begins with the owners or developers of the building, or (2) an existing building with respect to which rehabilitation expenditures have been paid or incurred by the owner or developer. To qualify under this clause, the rehabilitation expenditures must meet the requirements of section 42(e)(3)(A) of the Internal Revenue Code.

Subd. 5. Agreement. The owner or developer must execute an agreement with the local housing and redevelopment authority, or other authority as provided in subdivision 7. The agreement must be for a term of 15 years. The agreement must provide that the requirements of subdivision 3 will be met during the term of the agreement. The agreement must provide that the owner or developer must maintain and make available to the authority the information and records the authority considers necessary to monitor compliance with the provisions of this section, including rents, the incomes of tenants, and the number of low-income units in the building.

Subd. 6. Records review. The local housing and redevelopment authority or other authority shall annually review income and rental information and records maintained by the owner or developer to determine compliance with the requirements of this section. The local housing and redevelopment authority or other authority shall report to the assessor responsible for assessing the property at the time and in the manner required by the assessor. The assessor shall determine the classification of the property.

Subd. 7. Housing authority. If a local housing or redevelopment authority does not exist in the jurisdiction, the county housing and redevelopment authority shall execute the duties imposed in subdivisions 5 and 6. If a county housing and redevelopment authority does not exist in the county, the municipality must appoint the administrator of section 8 certificates within the jurisdiction or contract with a qualified person or entity to perform the duties imposed in subdivisions 5 and 6.

Subd. 8. Additional tax. Notwithstanding the provisions of section 273.01, 274.01, or any other law, if the assessor determines that the provisions of this section have not been met for any period during which the property was classified under section 273.13, subdivision 25, paragraph (c), clause (3), item (iii), or valued under Laws 1991, chapter 291, article 1, section 55, and received the benefits of this section, an additional tax is imposed. The additional tax is equal to the tax which would have been imposed if the property had not been classified under section 273.13, subdivision 25, paragraph (c), clause (3), item (iii), or valued under Laws 1991, chapter 291, article 1, section 55, and the tax actually imposed, during the period of noncompliance. The additional tax must be extended against the property on the tax list for the current year. No interest or penalties may be levied on additional taxes if timely paid. The tax imposed by this subdivision is a lien upon the property assessed to the same extent and for the same duration as other taxes imposed on the property.

273.1318 CLASS 4C LOW-INCOME HOUSING; ELIGIBLE UNITS.

Subdivision 1. Income limitation. (a) Subject to the exception in paragraph (b), for a building for which application is made for class 4c for taxes payable in 1994 and thereafter, and which was not class 4c for taxes payable in 1993, only those units occupied by a household whose income is 100 percent or less of the county or area median income adjusted for family size as determined by the department of housing and urban development are eligible for class 4c.

(b) For a building for which application is made for class 4c for taxes payable in 1994 and thereafter, for which a formal application was received by a local, state, or federal agency for financing, refinancing, or insurance before July 1, 1992, and for a building that was classified as class 4c for taxes payable in 1993 or an earlier year, the income limit is 100 percent or less of county or area median income not adjusted for family size as determined by the department of housing and urban development.

Subd. 2. Annual determination. With regard to buildings, the construction of which had been commenced after December 31, 1982; or the project of which the building was a part was approved by the governing body of the municipality in which it is located subsequent to June 29, 1983; or financing of the project had been approved by a federal or state agency subsequent to June 29, 1983, a governmental agency providing financing or mortgage insurance for a building qualifying for class 4c or 4d or other entity must annually review income records maintained by the owner of the property to determine the units that qualify for a class 4c or 4d rate under this section. The income records must reflect household income at the commencement of the tenancy, and thereafter, when household composition changes. If the entity is not a governmental agency, the entity must be approved by the department of revenue. The agency or other entity shall report to the assessor responsible for assessing the property at the time and in the manner required by the assessor. The income records must be made available to the assessor. The assessor shall determine the units that qualify for a class 4c or 4d rate.

273.134 TACONITE AND IRON ORE AREAS; TAX RELIEF AREA; DEFINITIONS.

For purposes of this section and section 273.135, "municipality" means any city, however organized, or town, and the applicable assessment date is the date as of which property is listed and assessed for the tax in question.

For the purposes of section 273.135 "tax relief area" means the geographic area contained, within the boundaries of a school district which contains a municipality which meets the following qualifications:

(1) it is a municipality in which the assessed valuation of unmined iron ore on May 1, 1941, was not less than 40 percent of the assessed valuation of all real property; or

(2) it is a municipality in which, on January 1, 1977 or the applicable assessment date, there is a taconite concentrating plant or where taconite is mined or quarried or where there is located an electric generating plant which qualifies as a taconite facility.

273.135 HOMESTEAD PROPERTY TAX RELIEF.

Subdivision 1. The property tax to be paid in respect to property taxable within a tax relief area on homestead property, as otherwise determined by law and regardless of the market value of the property, for all purposes shall be reduced in the amount prescribed by subdivision 2, subject to the limitations contained therein.

Subd. 2. The amount of the reduction authorized by subdivision 1 shall be:

(a) In the case of property located within the boundaries of a municipality which meets the qualifications prescribed in section 273.134, 66 percent of the tax, provided that the reduction shall not exceed the maximum amounts specified in clause (c), and shall not exceed an amount sufficient to reduce the effective tax rate on each parcel of property to 95 percent of the base year effective tax rate. In no case will the reduction for each homestead resulting from this credit be less than \$10.

(b) In the case of property located within the boundaries of a school district which qualifies as a tax relief area but which is outside the boundaries of a municipality which meets the qualifications prescribed in section 273.134, 57 percent of the tax, provided that the reduction shall not exceed the maximum amounts specified in clause (c), and shall not exceed an amount sufficient to reduce the effective tax rate on each parcel of property to 95 percent of the base year effective tax rate. In no case will the reduction for each homestead resulting from this credit be less than \$10.

(c) The maximum reduction of the tax is \$225.40 on property described in clause (a) and \$200.10 on property described in clause (b), for taxes payable in 1985. These maximum amounts shall increase by \$15 times the quantity one minus the homestead credit equivalency percentage per year for taxes payable in 1986 and subsequent years.

For the purposes of this subdivision, "homestead credit equivalency percentage" means one minus the ratio of the net class rate to the gross class rate applicable to the first \$72,000 of the market value of residential homesteads, "effective tax rate" means tax divided by the market value of a property, and the "base year effective tax rate" means the payable 1988 tax on a property with an identical market value to that of the property receiving the credit in the current year after the application of the credits payable under Minnesota Statutes 1988, section 273.13, subdivisions 22 and 23, and this section, divided by the market value of the property.

Subd. 2a. [Repealed, 1Sp1989 c 1 art 3 s 34]

Subd. 3. Not later than December 1 of each year, each county auditor having jurisdiction over one or more tax relief areas shall certify to the commissioner of revenue an estimate of the total amount of the reduction, determined under subdivision 2, in taxes payable the next succeeding year with respect to all tax relief areas in the county.

Subd. 4. [Repealed, 1Sp1981 c 1 art 10 s 30]

Subd. 5. For the purposes of this section, the amount of property tax to be paid shall be determined after the allowance of any reduction prescribed by section 273.13, and the reduction prescribed by this section shall be in addition to that prescribed by section 273.13.

273.136 TACONITE PROPERTY TAX RELIEF FUND; REPLACEMENT OF REVENUE.

Subdivision 1. Payment from the county shall be made as provided herein for the purpose of replacing revenue lost as a result of the reduction of property taxes provided in section 273.135.

Subd. 2. The commissioner of revenue shall determine, not later than April 1 of each year, the amount of reduction resulting from section 273.135 in each county containing a tax relief area as defined by section 273.134, basing determinations on a review of abstracts of tax lists submitted by the county auditors pursuant to section 275.29. The commissioner may make changes in the abstracts of tax lists as deemed necessary. The commissioner of revenue, after such review, shall submit to the St. Louis county auditor, on or before April 15, the amount of the first half payment payable hereunder and on or before September 15 the amount of the second half payment.

Subd. 3. The St. Louis county auditor shall pay out of the taconite property tax relief account to each county treasurer one-half of the amount certified under subdivision 2 not later than May 15 and the remaining half not later than October 15 of each year.

Subd. 4. The county treasurer shall distribute as part of the May and October settlements the funds received as if they had been collected as a part of the property tax reduced by section 273.135.

273.138 ATTACHED MACHINERY AID.

Subdivision 1. [Repealed, 1983 c 342 art 5 s 16]

Subd. 2. (a) As provided in paragraphs (b) and (c), each county government, shall receive reimbursement in 1984 and subsequent years in an amount based on the product of its total mill rate for taxes payable in 1983, times the total 1972 assessed value of real property exempted from taxation by section 272.02, subdivision 1 which was located within the territory of the county, times 1.25. For the purpose of this subdivision, the "total mill rate" of a county government includes mill rates for taxes levied by the county which were not levied on the entire taxable value of the county.

(b) If the county contains a city of the first class, aid shall be paid in an amount equal to 50 percent of the amount computed pursuant to paragraph (a) in 1984, and no aid will be paid in 1985 and subsequent years.

(c) If the county does not contain a city of the first class, and if the product computed pursuant to paragraph (a) is \$50,000 or more for a county, aid shall be paid to that county in an amount equal to 90 percent of the amount computed pursuant to paragraph (a). If the product is less than \$50,000, no aid will be paid.

Subd. 3. (a) As provided in paragraph (b), each school district shall receive reimbursement in 1984 and subsequent years in an amount based on the product of its 1972 assessed value of real property exempted from taxation by Laws 1973, chapter 650, article XXIV, section 1, times the sum of its 1972 payable 1973 mill rates for the following levies:

(1) A levy to pay the principal and interest on bonded indebtedness, including the levy to pay the principal and interest on bonds issued pursuant to Minnesota Statutes 1971, section 275.125, subdivision 3, clause (6) (c);

(2) A levy to pay the principal and interest on debt service loans, pursuant to Minnesota Statutes 1971, section 124.42;

(3) A levy to pay the principal and interest on capital loans, pursuant to Minnesota Statutes 1971, section 124.43;

(4) A levy to pay amounts required in support of a teacher retirement fund, pursuant to Minnesota Statutes 1971, section 422.13;

(5) A levy for additional maintenance cost in excess of 30 mills times the adjusted assessed valuation of the school district, pursuant to Minnesota Statutes 1971, section 275.125, subdivision 3, clause (4).

For the purpose of this subdivision, a school district mill rate for any of the forementioned levies which was not applied to the total taxable value of such school district shall be added to the forementioned sum of mill rates as if it had been applied to the entire taxable value of the school district.

(b) If the product computed pursuant to paragraph (a) is more than or equal to an amount equal to \$10 per pupil unit of the district, aid shall be paid to that school district in an amount equal to 90 percent of the amount computed pursuant to paragraph (a). If the product is an amount less than \$10 per pupil unit, no aid will be paid.

Subd. 4. [Repealed, 1983 c 342 art 5 s 16]

Subd. 5. The commissioner of revenue shall calculate the aids pursuant to subdivisions 2 and 3, basing all necessary calculations on the abstracts of assessment of real property for assessment year 1972 transmitted to the commissioner of revenue pursuant to section 270.11 as equalized by the state board of equalization pursuant to sections 270.11 and 270.12, and the 1973 abstracts of tax lists transmitted by the county auditors pursuant to section 275.29. The commissioner shall pay directly to the affected taxing authorities their total payment for the year at the time distributions are made pursuant to section 477A.015.

Subd. 6. The amount of aid calculated for a school district pursuant to subdivision 3, clauses (2), (3), (4), and (5) shall be deducted from the school district's levy limitation established pursuant to section 124A.23 in determining the amount of taxes the school district may levy for general and special purposes.

Subd. 7. MS 1975 [Repealed, 1977 c 447 art 6 s 13]

Subd. 7. **Annual appropriation.** A sum sufficient to make the payments required by this section to school districts is annually appropriated from the general fund to the commissioner of children, families, and learning. A sum sufficient to make the payments required by this section to counties is annually appropriated from the general fund to the commissioner of revenue.

273.1391 SUPPLEMENTARY HOMESTEAD PROPERTY TAX RELIEF.

Subdivision 1. The property tax to be paid in respect to property taxable within a tax relief area described in subdivision 2 on homestead property, as otherwise determined by law and regardless of the market value of the property, for all purposes shall be reduced in the amount prescribed by subdivision 2, subject to the limitations contained therein.

Subd. 2. The amount of the reduction authorized by subdivision 1 shall be:

(a) In the case of property located within a school district which does not meet the qualifications of section 273.134 as a tax relief area, but which is located in a county with a population of less than 100,000 in which taconite is mined or quarried and wherein a school district is located which does meet the qualifications of a tax relief area, and provided that at least 90 percent of the area of the school district which does not meet the qualifications of section

273.134 lies within such county, 57 percent of the tax on qualified property located in the school district that does not meet the qualifications of section 273.134, provided that the amount of said reduction shall not exceed the maximum amounts specified in clause (c), and shall not exceed an amount sufficient to reduce the effective tax rate on each parcel of property to the product of 95 percent of the base year effective tax rate multiplied by the ratio of the current year's tax rate to the payable 1989 tax rate. In no case will the reduction for each homestead resulting from this credit be less than \$10. The reduction provided by this clause shall only be applicable to property located within the boundaries of the county described therein.

(b) In the case of property located within a school district which does not meet the qualifications of section 273.134 as a tax relief area, but which is located in a school district in a county containing a city of the first class and a qualifying municipality, but not in a school district containing a city of the first class or adjacent to a school district containing a city of the first class unless the school district so adjacent contains a qualifying municipality, 57 percent of the tax, but not to exceed the maximums specified in clause (c), and shall not exceed an amount sufficient to reduce the effective tax rate on each parcel of property to the product of 95 percent of the base year effective tax rate multiplied by the ratio of the current year's tax rate to the payable 1989 tax rate. In no case will the reduction for each homestead resulting from this credit be less than \$10.

(c) The maximum reduction of the tax is \$200.10 for taxes payable in 1985. This maximum amount shall increase by \$15 multiplied by the quantity one minus the homestead credit equivalency percentage per year for taxes payable in 1986 and subsequent years.

For the purposes of this subdivision, "homestead credit equivalency percentage" means one minus the ratio of the net class rate to the gross class rate applicable to the first \$72,000 of the market value of residential homesteads, and "effective tax rate" means tax divided by the market value of a property, and the "base year effective tax rate" means the payable 1988 tax on a property with an identical market value to that of the property receiving the credit in the current year after application of the credits payable under Minnesota Statutes 1988, section 273.13, subdivisions 22 and 23, and this section, divided by the market value of the property.

Subd. 2a. [Repealed, 1Sp1989 c 1 art 3 s 34]

Subd. 3. Not later than December 1, each county auditor having jurisdiction over one or more tax relief areas defined in subdivision 2 shall certify to the commissioner of revenue an estimate of the total amount of the reduction, determined under subdivision 2, in taxes payable the next succeeding year with respect to all tax relief areas in the auditor's county. The commissioner shall make payments to the county by May 15 and October 15 annually. The county treasurer shall distribute as part of the May and October settlements the funds received from the commissioner.

Subd. 4. For the purposes of this section, the amount of property tax to be paid shall be determined after the allowance of any reduction prescribed by section 273.13, and the reduction prescribed by this section shall be in addition to that prescribed by section 273.13.

Subd. 5. A sum sufficient to make the payments required by section 477A.15 and this section is annually appropriated from the general fund to the commissioner of revenue for the purpose of funding those sections.

273.1393 COMPUTATION OF NET PROPERTY TAXES.

Notwithstanding any other provisions to the contrary, "net" property taxes are determined by subtracting the credits in the order listed from the gross tax:

- (1) disaster credit as provided in section 273.123;
- (2) powerline credit as provided in section 273.42;
- (3) agricultural preserves credit as provided in section 473H.10;
- (4) enterprise zone credit as provided in section 469.171;
- (5) disparity reduction credit;
- (6) conservation tax credit as provided in section 273.119;
- (7) taconite homestead credit as provided in section 273.135; and
- (8) supplemental homestead credit as provided in section 273.1391.

The combination of all property tax credits must not exceed the gross tax amount.

273.1398 HOMESTEAD AND AGRICULTURAL CREDIT AND DISPARITY REDUCTION AID.

Subdivision 1. **Definitions.** (a) In this section, the terms defined in this subdivision have the meanings given them.

(b) "Unique taxing jurisdiction" means the geographic area subject to the same set of local tax rates.

(c) "Previous net tax capacity" means the product of the appropriate net class rates for the year previous to the year in which the aid is payable, and estimated market values for the assessment two years prior to that in which aid is payable. "Total previous net tax capacity" means the previous net tax capacities for all property within the unique taxing jurisdiction. The total previous net tax capacity shall be reduced by the sum of (1) the unique taxing jurisdiction's previous net tax capacity of commercial-industrial property as defined in section 473F.02, subdivision 3, or 276A.02, subdivision 3, multiplied by the ratio determined pursuant to section 473F.08, subdivision 6, or 276A.06, subdivision 7, for the municipality, as defined in section 473F.02, subdivision 8, or 276A.06, subdivision 7, in which the unique taxing jurisdiction is located, (2) the previous net tax capacity of the captured value of tax increment financing districts as defined in section 469.177, subdivision 2, and (3) the previous net tax capacity of transmission lines deducted from a local government's total net tax capacity under section 273.425. Previous net tax capacity cannot be less than zero.

(d) "Equalized market values" are market values that have been equalized by dividing the assessor's estimated market value for the second year prior to that in which the aid is payable by the assessment sales ratios determined by class in the assessment sales ratio study conducted by the department of revenue pursuant to section 124.2131 in the second year prior to that in which the aid is payable. The equalized market values shall equal the unequalized market values divided by the assessment sales ratio.

(e) "Equalized school levies" means the amounts levied for:

- (1) general education under section 124A.23, subdivision 2;

- (2) supplemental revenue under section 124A.22, subdivision 8a;
- (3) transition revenue under section 124A.22, subdivision 13c;
- (4) basic transportation under section 124.226, subdivision 1; and
- (5) referendum revenue under section 124A.03.

(f) "Current local tax rate" means the quotient derived by dividing the taxes levied within a unique taxing jurisdiction for taxes payable in the year prior to that for which aids are being calculated by the total previous net tax capacity of the unique taxing jurisdiction.

(g) For purposes of calculating and allocating homestead and agricultural credit aid authorized pursuant to subdivision 2 and the disparity reduction aid authorized in subdivision 3, "gross taxes levied on all properties," "gross taxes," or "taxes levied" means the total net tax capacity based taxes levied on all properties except that levied on the captured value of tax increment districts as defined in section 469.177, subdivision 2, and that levied on the portion of commercial industrial properties' assessed value or gross tax capacity, as defined in section 473F.02, subdivision 3, subject to the areawide tax as provided in section 473F.08, subdivision 6, in a unique taxing jurisdiction. "Gross taxes" are before any reduction for disparity reduction aid but "taxes levied" are after any reduction for disparity reduction aid. Gross taxes levied or taxes levied cannot be less than zero.

"Taxes levied" excludes equalized school levies.

(h) "Household adjustment factor" means the number of households for the second most recent year preceding that in which the aids are payable divided by the number of households for the third most recent year. The household adjustment factor cannot be less than one.

(i) "Growth adjustment factor" means the household adjustment factor in the case of counties. In the case of cities, towns, school districts, and special taxing districts, the growth adjustment factor equals one. The growth adjustment factor cannot be less than one.

(j) "Homestead and agricultural credit base" means the previous year's certified homestead and agricultural credit aid determined under subdivision 2 less any permanent aid reduction in the previous year to homestead and agricultural credit aid.

(k) "Net tax capacity adjustment" means (1) the tax base differential defined in subdivision 1a, multiplied by (2) the unique taxing jurisdiction's current local tax rate. The net tax capacity adjustment cannot be less than zero.

(l) "Fiscal disparity adjustment" means a taxing jurisdiction's fiscal disparity distribution levy under section 473F.08, subdivision 3, clause (a), or 276A.06, subdivision 3, clause (a), for taxes payable in the year prior to that for which aids are being calculated, multiplied by the ratio of the tax base differential percent referenced in subdivision 1a for the highest class rate for class 3 property for taxes payable in the year prior to that for which aids are being calculated to the highest class rate for class 3 property for taxes payable in the second prior year to that for which aids are being calculated. In the case of school districts, the fiscal disparity distribution levy shall exclude that part of the levy attributable to equalized school levies.

Subd. 1a. Tax base differential. (a) For aids payable in 1997, the tax base differential is 0.25 percent of the assessment year 1995 taxable market value of class 4c noncommercial seasonal recreational residential property up to \$72,000.

(b) For aids payable in 1998, the tax base differential is 0.25 percent of the assessment year 1996 taxable market value of class 4c noncommercial seasonal recreational residential property up to \$72,000.

Subd. 2. Homestead and agricultural credit aid. Homestead and agricultural credit aid for each unique taxing jurisdiction equals the product of (1) the homestead and agricultural credit aid base, and (2) the growth adjustment factor, plus the net tax capacity adjustment and the fiscal disparity adjustment.

Subd. 2a. [Repealed, 1994 c 416 art 1 s 65]

Subd. 2b. [Repealed, 1990 c 604 art 4 s 21]

Subd. 2c. Computation by commissioner. Notwithstanding the provisions of subdivisions 1 and 2 requiring the computation of homestead and agricultural credit aid at the unique taxing jurisdiction level, the commissioner may, upon consultation with the chairs of the

house tax committee and senate committee on taxes and tax laws, compute homestead and agricultural credit aid at a higher level if it would have a negligible impact or if changes in the composition of unique taxing jurisdictions do not permit computation at the unique taxing jurisdiction level.

Subd. 2d. Aids determined as of June 30. For aid amounts authorized under subdivisions 2 and 3, and section 273.166: (i) if the effective date for a municipal incorporation, consolidation, annexation, detachment, dissolution, or township organization is on or before June 30 of the year preceding the aid distribution year, the change in boundaries or form of government shall be recognized for aid determinations for the aid distribution year; (ii) if the effective date for a municipal incorporation, consolidation, annexation, detachment, dissolution, or township organization is after June 30 of the year preceding the aid distribution year, the change in boundaries or form of government shall not be recognized for aid determinations until the following year.

Subd. 3. Disparity reduction aid. For taxes payable in 1995, and subsequent years, the amount of disparity aid certified for each taxing district within each unique taxing jurisdiction for taxes payable in the prior year shall be multiplied by the ratio of (1) the jurisdiction's tax capacity using the class rates for taxes payable in the year for which aid is being computed, to (2) its tax capacity using the class rates for taxes payable in the year prior to that for which aid is being computed, both based upon market values for taxes payable in the year prior to that for which aid is being computed. For the purposes of this aid determination, disparity reduction aid certified for taxes payable in the prior year for a taxing entity other than a town or school district is deemed to be county government disparity reduction aid. For taxes payable in 1992 and subsequent years, the amount of disparity aid certified to each taxing jurisdiction shall be reduced by any reductions required in the current year or permanent reductions required in previous years under section 477A.0132.

Subd. 3a. Disparity reduction aid to cities. Notwithstanding the provisions of subdivision 3 or section 275.08, subdivision 1d, the amount of disparity reduction aid for a city for aid payable in calendar year 1994 and thereafter is zero, and the local tax rate for taxes payable in 1994 and thereafter for a city shall not be adjusted under section 275.08, subdivision 1d. For purposes of this subdivision, city means a statutory or home rule charter city.

Subd. 4. Disparity reduction credit. (a) Beginning with taxes payable in 1989, class 4a, class 3a, and class 3b property qualifies for a disparity reduction credit if: (1) the property is located in a border city that has an enterprise zone designated pursuant to section 469.168, subdivision 4; (2) the property is located in a city with a population greater than 2,500 and less than 35,000 according to the 1980 decennial census; (3) the city is adjacent to a city in another state or immediately adjacent to a city adjacent to a city in another state; and (4) the adjacent city in the other state has a population of greater than 5,000 and less than 75,000.

(b) The credit is an amount sufficient to reduce (i) the taxes levied on class 4a property to 2.3 percent of the property's market value and (ii) the tax on class 3a and class 3b property to 3.3 percent of market value.

(c) The county auditor shall annually certify the costs of the credits to the department of revenue. The department shall reimburse local governments for the property taxes foregone as the result of the credits in proportion to their total levies.

Subd. 5. [Repealed, 1993 c 375 art 4 s 21]

Subd. 5a. [Repealed, 1Sp1993 c 1 art 2 s 7]

Subd. 5b. [Repealed, 1996 c 471 art 3 s 55]

Subd. 5c. [Repealed, 1Sp1993 c 1 art 2 s 7]

Subd. 6. Payment. The commissioner shall certify the aids provided in subdivisions 2, 2b, 3, and 5 before September 1 of the year preceding the distribution year to the county auditor of the affected local government. The aids provided in subdivisions 2, 2b, 3, and 5 must be paid to local governments other than school districts at the times provided in section 477A.015 for payment of local government aid to taxing jurisdictions, except that the first one-half payment of disparity reduction aid provided in subdivision 3 must be paid on or before August 31. The disparity reduction credit provided in subdivision 4 must be paid to taxing jurisdictions other than school districts at the time provided in section 473H.10, subdivision 3. Aids and credit reimbursements to school districts must be certified to the commis-

sioner of children, families, and learning and paid under section 273.1392. Except for education districts and secondary cooperatives that receive revenue according to section 124.575, payment shall not be made to any taxing jurisdiction that has ceased to levy a property tax.

Subd. 7. [Repealed, 1994 c 587 art 3 s 21 para (b)]

Subd. 8. **Appropriation.** An amount sufficient to pay the aids and credits provided under this section for school districts, intermediate school districts, or any group of school districts levying as a single taxing entity, is annually appropriated from the general fund to the commissioner of children, families, and learning. An amount sufficient to pay the aids and credits provided under this section for counties, cities, towns, and special taxing districts is annually appropriated from the general fund to the commissioner of revenue. A jurisdiction's aid amount may be increased or decreased based on any prior year adjustments for homestead credit or other property tax credit or aid programs.

NOTE: The amendment to subdivision 1 by Laws 1996, chapter 471, article 11, section 1, is effective July 1, 1997, for taxes levied in 1997, payable in 1998 and subsequent years, except as provided in section 276A.03. Laws 1996, chapter 471, article 11, section 20.

NOTE: Subdivision 1, paragraph (c), was also amended by Laws 1996, chapter 471, article 11, section 1, to read as follows:

"(c) "Net tax capacity" means the product of (i) the appropriate net class rates for the year in which the aid is payable, except that for aid payable in 1996 the class rate applicable to all class 4a shall be 3.4 percent; and (ii) estimated market values for the assessment two years prior to that in which aid is payable. "Total net tax capacity" means the net tax capacities for all property within the unique taxing jurisdiction. The total net tax capacity used shall be reduced by the sum of (1) the unique taxing jurisdiction's net tax capacity of commercial industrial property as defined in section 473F.02, subdivision 3, or 276A.02, subdivision 3, multiplied by the ratio determined pursuant to section 473F.08, subdivision 6, or 276A.06, subdivision 7, for the municipality, as defined in section 473F.02, subdivision 8, or 276A.02, subdivision 8, in which the unique taxing jurisdiction is located, (2) the net tax capacity of the captured value of tax increment financing districts as defined in section 469.177, subdivision 2, and (3) the net tax capacity of transmission lines deducted from a local government's total net tax capacity under section 273.425. For purposes of determining the net tax capacity of property referred to in clauses (1), (2), and (3), the net tax capacity shall be multiplied by the ratio of the highest class rate for class 3a property for taxes payable in the year in which the aid is payable to the highest class rate for class 3a property in the prior year. Net tax capacity cannot be less than zero."

273.1399 REDUCTION IN STATE TAX INCREMENT FINANCING AID.

Subdivision 1. **Definitions.** For purposes of this section, the following terms have the meanings given.

(a) "Qualifying captured net tax capacity" means the following amounts:

(1) The captured net tax capacity of a new or the expanded part of an existing economic development tax increment financing district, for which certification was requested after April 30, 1990.

(2) The captured net tax capacity of a new or the expanded part of an existing tax increment financing district, other than an economic development district, for which certification was requested after April 30, 1990, multiplied by the following percentage based on the number of years that have elapsed since the assessment year of the original net tax capacity. In no case may the final amounts be less than zero or greater than the total captured net tax capacity of the district.

Number of years	Renewal and Renovation Districts	All other Districts
0 to 5	0	0
6	12.5	6.25
7	25	12.5
8	37.5	18.75
9	50	25
10	62.5	31.25
11	75	37.5

12	87.5	43.75
13	100	50
14	100	56.25
15	100	62.5
16	100	68.75
17	100	75
18	100	81.25
19	100	87.5
20	100	93.75
21 or more	100	100

(3) The following rules apply to a hazardous substance subdistrict. The applicable percentage under clause (2) must be determined under the "all other districts" category. The number of years must be measured from the date of certification of the subdistrict for purposes of the additional captured net tax capacity resulting from the reduction in the subdistrict's or site's original net tax capacity. After termination of the overlying district, captured net tax capacity includes the full amount that is captured by the subdistrict.

(4) Qualified captured tax capacity does not include the captured tax capacity of exempt districts under subdivisions 6 and 7.

(b) The terms defined in section 469.174 have the meanings given in that section.

(c) "Qualified housing district" means a housing district for a residential rental project or projects in which the only properties receiving assistance from revenues derived from tax increments from the district meet all of the requirements for a low-income housing credit under section 42 of the Internal Revenue Code of 1986, as amended through December 31, 1992, regardless of whether the project actually receives a low-income housing credit.

Subd. 2. Reporting. (a) The commissioner of revenue shall use the retained captured value, tax increment, and other information reported in the abstract of tax lists supplement in administering the provisions of this section.

(b) Each tax increment authority or municipality must by March 15 of each year submit to the commissioner of revenue a report on local contributions made to each tax increment district in the preceding year. The commissioner shall prescribe the form and content of the report, including the sources and amounts of contributions and any other information the commissioner requires. Submission of a local contribution report is required for a tax increment district to be exempt from the aid reduction provisions of this section.

Subd. 3. Calculation of education aids. For each school district containing qualifying captured net tax capacity, the commissioner of children, families, and learning shall compute a hypothetical state aid amount that would be paid to the school district if the qualifying captured net tax capacity were divided by the sales ratio and included in the school district's adjusted tax capacity for purposes of calculating equalized levies as defined in section 273.1398, subdivision 1, and associated state aids. The commissioner of children, families, and learning shall notify the commissioner of revenue of the difference between the actual aid paid and the hypothetical aid amounts calculated for each school district, broken down by the municipality that approved the tax increment financing district containing the qualifying captured net tax capacity. The resulting amount is the reduction in state tax increment financing aid.

Subd. 4. Equalization factor. The amount of the reduction in state tax increment financing aid equals the amount determined under subdivision 3 less

- (1) 75 percent of the excess, if any, of the amount determined under subdivision 3, over
- (2) .05 times the municipality's net tax capacity, divided by the sales ratio.

Subd. 5. Local government aids; homestead and agricultural aid calculations. (a) The reduction in state tax increment financing aid for a municipality must be deducted first from the local government aids to be paid to the municipality. If the deduction exceeds the amount of the local government aid, the rest must be deducted from the homestead and agricultural credit aid to be paid to the municipality.

(b) The amount of qualifying captured net tax capacity must be included in adjusted net tax capacity for purposes of computing the local government aid of the municipality that approved the tax increment financing district.

Subd. 6. Exempt districts. (a) The provisions of this section do not apply to exempt tax increment financing districts as specified by this subdivision.

(b) A tax increment financing district for an ethanol production facility that satisfies all of the following requirements is exempt:

(1) The district is an economic development district, that qualifies under section 469.176, subdivision 4c, paragraph (a), clause (1).

(2) The facility is certified by the commissioner of agriculture to qualify for state payments for ethanol development under section 41A.09 to the extent funds are available.

(3) Increments from the district are used only to finance the qualifying ethanol development project located in the district or to pay for administrative costs of the district.

(4) The district is located outside of the seven-county metropolitan area, as defined in section 473.121.

(5) The tax increment financing plan was approved by a resolution of the county board.

(6) The exemption provided by this paragraph applies until the first year after the total amount of increment for the district exceeds \$1,500,000. The county auditor shall notify the commissioner of revenue of the expiration of the exemption by June 1 of the year in which the auditor projects the revenues from increments will exceed \$1,500,000. On or before the expiration of the exemption, the municipality may elect to make a qualifying local contribution under paragraph (d) in lieu of the state aid reduction.

(c) A qualified housing district is exempt.

(d)(1) A district is exempt if the municipality elects at the time of approving the tax increment financing plan for the district to make a qualifying local contribution. To qualify for the exemption in each year, the authority or the municipality must make a qualifying local contribution equal to the listed percentages of increment from the district or subdistrict:

(A) for an economic development district, a housing district, or a renewal and renovation district, ten percent;

(B) for a redevelopment district, a mined underground space district, a hazardous substance subdistrict, or a soils condition district, five percent.

(2) If the municipality elects to make a qualifying contribution and fails to make the required contribution for a year, the state aid reduction applies for the year. The state aid reduction equals the greater of (A) the required local contribution or (B) the amount of the aid reduction that applies under subdivision 3. For a district exempt under paragraph (b), no qualifying local contribution is required for years in which the district is exempt.

(3)(A) If the sum of required local contributions for all districts in the municipality exceeds two percent of city net tax capacity as defined in section 477A.011, subdivision 20, for a year, the municipality's total required local contribution for that year is limited to two percent of net tax capacity to qualify for the exemption under this subdivision. The municipality may allocate the contribution among the districts on which it has made elections as it determines appropriate.

(B) If a municipality makes an election under this subdivision for a district in a year in which item (A) applies, a minimum annual qualifying contribution must be made for the district equal to the lesser of 0.25 percent of city net tax capacity or three percent of increment revenues. This minimum contribution applies for the life of the district for each year that the restriction in item (A) applies and is in addition to the contribution required by item (A).

(4) The amount of the local contribution must be made out of unrestricted money of the authority or municipality, such as the general fund, a property tax levy, or a federal or a state grant-in-aid which may be spent for general government purposes. The local contribution may not be made, directly or indirectly, with tax increments or developer payments as defined under section 469.1766. The local contribution must be used to pay project costs and cannot be used for general government purposes or for improvements or costs that the authority or municipality planned to incur absent the project. The authority or municipality may request contributions from other local government entities that will benefit from the dis-

trict's activities. These contributions reduce the local contribution required of the municipality or authority by this paragraph. Cities, counties, towns, and schools may contribute to paying these costs, notwithstanding any other law to the contrary.

(5) The municipality may make a local contribution in excess of the required contribution for a year. If it does so, the municipality may credit the excess to a local contribution account for the district. The balance in the account may be used to meet the requirements for qualifying local contributions for later years. No interest or investment earnings may be credited or imputed to the account, except those (A) actually paid by the municipality out of its unrestricted funds or by another person or entity, other than a developer as used in section 469.1766, and (B) used as required for a qualifying local contribution.

(6) If the state contributes to the project costs through a direct grant or similar incentive, the required local contribution is reduced by one-half of the dollar amount of the state grant or other similar incentive.

Subd. 7. Exemption; agricultural processing facilities. The provisions of this section do not apply to a tax increment financing district that satisfies all of the following requirements:

- (1) the district is established to construct or expand an agricultural processing facility;
- (2) the construction or expansion of the facility creates, or upon completion will create, a minimum of five permanent full-time jobs;
- (3) the district is located outside of the seven-county metropolitan area, as defined in section 473.121;
- (4) the tax increment financing plan was approved by a resolution of the county board;
- (5) the municipality approving the tax increment financing plan agrees to make a local contribution that meets the requirements of subdivision 6, paragraph (d), except that a required rate of five percent applies and the limitation under subdivision 6, paragraph (d), clause (3), also applies; and
- (6) the commissioner of agriculture has certified to the county auditor that the requirements of this subdivision have been met.

The exemption provided by this subdivision applies until the first year after the total amount of increment for the district exceeds \$1,500,000. The county auditor shall notify the commissioner of revenue of the expiration of the exemption by June 1 of the year in which the auditor projects the revenues from increment will exceed \$1,500,000.

For purposes of this section, "agricultural processing facility" means land, buildings, structures, fixtures, and improvements used or operated primarily for the processing or production of marketable products from agricultural crops, including waste and residues from agricultural crops, and including livestock products, poultry products, and wood products, but not the raising of livestock or poultry.

Subd. 8. Application to extensions by special law. The provisions of this section apply to a tax increment financing district, notwithstanding the date on which the request for certification was made, if (1) the duration limit of the district under section 469.176 is extended by a special law and (2) the municipality elects under section 469.1782, subdivision 1, clause (2), that this section applies to the extension. The section applies beginning for the first taxes payable year after the district would have terminated under general law and the aid reduction is determined by using 100 percent of the captured tax capacity as the qualified captured tax capacity of the district. The exemption provided by subdivision 6, paragraph (d), does not apply.

273.14 DEFINITIONS.

Subdivision 1. Words, terms, and phrases. Unless the language or context clearly indicates that a different meaning is intended, the following words, terms, and phrases, for the purposes of sections 273.14 to 273.16, shall be given the meanings subjoined to them.

Subd. 2. **Person.** The word "person" shall be construed to include individuals, copartnerships, companies, joint stock companies, corporations, and all associations, however and for whatever purpose organized.

Subd. 3. **Deposit.** The word "deposit" means a body of iron-bearing materials which, in accordance with good engineering and metallurgical practice, should be mined as a unit.

Subd. 4. **Low-grade iron-bearing formations.** "Low-grade iron-bearing formations" mean those commercial deposits of iron-bearing materials, not including paint rock, located beneath the surface of the earth, which in their natural state require beneficiation to make them suitable for blast furnace use, and which, after such beneficiation, produce in tonnage less than 50 percent of iron ore concentrates from the tonnage of low-grade iron-bearing formations delivered to a beneficiation plant and which formations must be mined in accordance with good engineering and metallurgical practice to produce such concentrates.

Subd. 5. **Beneficiation.** "Beneficiation" means the process of concentrating that portion of the iron-bearing formations entering the beneficiating plant.

Subd. 6. **Concentrates.** "Concentrates" means such ores which by the process of beneficiation have been made suitable for blast furnace use.

Subd. 7. **Tonnage recovery or tonnage recovery of iron ore concentrates.** The term "tonnage recovery" or "tonnage recovery of iron ore concentrates" means the proportion which the weight of concentrates recovered or recoverable after beneficiation bears to the weight of the low-grade iron-bearing materials entering the beneficiating plant.

273.16 DETERMINATION OF CLASSIFICATION.

The classification of iron-bearing formations under the provisions of sections 273.14 to 273.16 shall be determined in the manner provided. Any person engaged in the business of mining, whose tonnage recovery of iron ore concentrates for a taxable year in producing concentrates from the iron-bearing material entering the beneficiating plant has been less than 50 percent, may file a petition with the commissioner of revenue requesting classification of the deposit under the provisions of sections 273.14 to 273.16. The taxpayer shall furnish any available data and information concerning the operation of the deposit as the commissioner of revenue requires. The commissioner shall, upon receipt of it, submit the petition and data to the University of Minnesota mines experiment station. The mines experiment station shall consider the deposit referred to in the petition as a unified commercial operation. Based on all engineering data and information furnished, it shall file a written report with the commissioner of revenue, who, after hearing, shall approve or disapprove the report. If a classification is made covering the deposit and property, the commissioner of revenue shall give appropriate notice of it to the taxing districts affected by it. If the commissioner of revenue disapproves of the classification, the commissioner's findings and order on it may be reviewed by the court of appeals on petition of the party aggrieved presented to the court within 30 days after the date of the order. The classifications shall also be subject to further review by the mines experiment station, from time to time, upon request of the commissioner of revenue or upon further petition by the taxpayer. Valuations determined hereunder shall be subject to the provisions of sections 270.19 to 270.26.

273.165 TAXATION OF SEPARATE MINERAL INTERESTS AND UNMINED IRON ORE.

Subdivision 1. **Mineral interest.** "Mineral interest," for the purpose of this subdivision, means an interest in any minerals, including but not limited to gas, coal, oil, or other similar interest in real estate, which is owned separately and apart from the fee title to the surface of such real property. Mineral interests which are filed for record in the offices of either the county recorder or registrar of titles, whether or not filed pursuant to sections 93.52 to 93.58, are taxed as provided in this subdivision unless specifically excluded by this subdivision. A tax of 40 cents per acre or portion of an acre of mineral interest is imposed and is payable

annually. If an interest is a fractional undivided interest in an area, the tax due on the interest per acre or portion of an acre is equal to the product obtained by multiplying the fractional interest times 40 cents, computed to the nearest cent. However, the minimum annual tax on any mineral interest is \$3.20. No such tax on mineral interests is imposed on the following: (1) mineral interests valued and taxed under other laws relating to the taxation of minerals, gas, coal, oil, or other similar interests; or (2) mineral interests which are exempt from taxation pursuant to constitutional or related statutory provisions. Taxes received under this subdivision must be apportioned to the taxing districts included in the area taxed in the same proportion as the surface interest local tax rate of a taxing district bears to the total local tax rate applicable to surface interests in the area taxed. The tax imposed by this subdivision is not included within any limitations as to rate or amount of taxes which may be imposed in an area to which the tax imposed by this subdivision applies. The tax imposed by this subdivision does not cause the amount of other taxes levied or to be levied in the area, which are subject to any such limitation, to be reduced in any amount. Twenty percent of the revenues received from the tax imposed by this subdivision must be distributed under the provisions of section 116J.64.

Subd. 2. **Iron ore.** Unmined iron ore included in class 5, paragraph (b), must be assessed with and as a part of the real estate in which it is located, but its net tax capacity would be as established in section 273.13, subdivision 31. The real estate in which iron ore is located, other than the ore, must be classified and assessed in accordance with the provisions of the appropriate classes. In assessing any tract or lot of real estate in which iron ore is known to exist, the assessable net tax capacity of the ore exclusive of the land in which it is located, and the assessable net tax capacity of the land exclusive of the ore must be determined and set down separately and the aggregate of the two must be assessed against the tract or lot.

273.166 MANUFACTURED HOME HOMESTEAD AND AGRICULTURAL CREDIT AID.

Subdivision 1. **Definitions.** (a) "Current local tax rate" has the meaning given it in section 273.1398, subdivision 1.

(b) "Growth adjustment factor" means the growth adjustment factor used in the calculation of homestead and agricultural credit aid for the payable year in which the manufactured home homestead and agricultural credit aid is payable.

(c) "Net tax capacity" means the product of (1) the appropriate net class rates for the year in which the aid is payable, except that for aids payable in 1993 the class rate applicable to class 4a shall be 3.5 percent; and the class rate applicable to class 4b shall be 2.65 percent; and for aid payable in 1994 the class rate applicable to class 4b shall be 2.4 percent, and (2) estimated market values of manufactured homes assessed under section 273.125 for the assessment one year prior to that in which the aid is payable. "Total net tax capacity" means the net tax capacities for all manufactured homes within the taxing district assessed under section 273.125. Net tax capacity cannot be less than zero.

(d) "Net tax capacity adjustment" means (1) the total previous net tax capacity minus the total net tax capacity, multiplied by (2) the taxing district's current local tax rate. The net tax capacity adjustment cannot be less than zero.

(e) "Previous net tax capacity" means the product of the appropriate net class rates for the year previous to the year in which the aid is payable, and estimated market values of manufactured homes assessed under section 273.125 for the assessment one year prior to that in which the aid is payable. "Total previous net tax capacity" means the previous net tax capacities for all manufactured homes within the taxing district assessed under section 273.125. Previous net tax capacity cannot be less than zero.

Subd. 2. **Manufactured home homestead and agricultural credit aid.** For each calendar year, the manufactured home homestead and agricultural credit aid for each taxing jurisdiction equals the taxing jurisdiction's manufactured home homestead and agricultural credit aid determined under this subdivision for the preceding aid payable year times the growth adjustment factor for the jurisdiction plus the net tax capacity adjustment for the ju-

risdiction. Except for education districts and secondary cooperatives that receive revenue according to section 124.2721 or 124.575, payment will not be made to any taxing jurisdiction that has ceased to levy a property tax.

Subd. 3. Aid calculation. The commissioner of revenue shall make the calculation required in subdivision 2 and annually pay manufactured home homestead and agricultural credit aid to the local governments at the times provided in section 473H.10 for local governments other than school districts. Aid payments to the school districts must be certified to the commissioner of children, families, and learning and paid under section 273.1392.

Subd. 4. [Repealed, 1994 c 587 art 3 s 21 para (b)]

Subd. 5. Appropriation. There is annually appropriated from the general fund to the commissioner of children, families, and learning a sum sufficient to pay the aids provided under this section for school districts, intermediate school districts, or any group of school districts levying as a single taxing entity. There is annually appropriated from the general fund to the commissioner of revenue a sum sufficient to pay the aids provided under this section to counties, cities, towns, and special taxing districts.

273.17 ASSESSMENT OF REAL PROPERTY.

Subdivision 1. In every year, on January 2, the assessor shall also assess all real property that may have become subject to taxation since the last previous assessment, including all real property platted since the last real estate assessment, and all buildings or other structures of any kind, whether completed or in process of construction, of over \$1,000 in value, the value of which has not been previously added to or included in the valuation of the land on which they have been erected. The assessor shall make return thereof to the county auditor, with a return of personal property, showing the tract or lot on which each structure has been erected and the market value added thereto by such erection. Every assessor shall list, without revaluing, in each year, on a form to be prescribed by the commissioner of revenue, all parcels of land that shall have become homesteads or shall have ceased to be homesteads for taxation purposes since the last real estate assessment, and other parcels of land when the use of the land requires a change in classification or the land has been incorrectly classified in a previous assessment.

The county auditor shall note such change in the net tax capacity upon the tax lists, caused by a change in classification, and shall calculate the taxes for such year on such changed net tax capacity. In case of the destruction by fire, flood, or otherwise of any building or structure, over \$100 in value, which has been erected previous to the last valuation of the land on which it stood, or the value of which has been added to any former valuation, the assessor shall determine, as nearly as practicable, how much less such land would sell for at private sale in consequence of such destruction, and make return thereof to the auditor.

Subd. 2. In counties where the county auditor has elected to discontinue the preparation of assessment books as provided by section 273.03, subdivision 2, such changes as provided for in subdivision 1, shall be recorded in a separate record prepared under the direction of the county assessor and shall identify, by description or property identification number, or both, the real estate affected, the previous year's net tax capacities and the new market values and net tax capacities, provided that if only property identification numbers are used they shall be such that shall permit positive identification of the real estate to which they apply. Such record shall further indicate the total amount of increase or decrease in net tax capacity contained therein. The county assessor shall make return of such record to the county auditor who shall be the official custodian thereof.

Such record shall be known as "County assessor's changes in real estate valuations for the year." Such records on file in the county auditor's office may be destroyed when they are

more than ten years old pursuant to the conditions for destruction of government records contained in sections 138.161 to 138.25.

273.18 LISTING, VALUATION, AND ASSESSMENT OF EXEMPT PROPERTY BY COUNTY AUDITORS.

In every sixth year after the year 1926, the county auditor shall enter, in a separate place in the real estate assessment books, the description of each tract of real property exempt by law from taxation, with the name of the owner, if known, and the assessor shall value and assess the same in the same manner that other real property is valued and assessed, and shall designate in each case the purpose for which the property is used.

273.19 LESSEES AND EQUITABLE OWNERS.

Subdivision 1. Except as provided in subdivision 3 or 4, tax-exempt property held under a lease for a term of at least one year, and not taxable under section 272.01, subdivision 2, or under a contract for the purchase thereof, shall be considered, for all purposes of taxation, as the property of the person holding it. In this subdivision, "tax-exempt property" means property owned by the United States, the state, a school, or any religious, scientific, or benevolent society or institution, incorporated or unincorporated, or any corporation whose property is not taxed in the same manner as other property. This subdivision does not apply to property exempt from taxation under section 272.01, subdivision 2, paragraph (b), clauses (2), (3), and (4).

Subd. 1a. For purposes of this section, a lease includes any agreement permitting a non-exempt person or entity to use the property, regardless of whether the agreement is characterized as a lease. A lease has a "term of at least one year" if the term is for a period of less than one year and the lease permits the parties to renew the lease without requiring that similar terms for leasing the property will be offered to other applicants or bidders through a competitive bidding or other form of offer to potential lessees or users.

Subd. 2. The provisions of subdivision 1 shall not apply to any property owned by a seaway port authority exempt from taxation under the provisions of section 272.01, subdivision 3.

Subd. 3. The net tax capacity of property held under a lease for a term of at least one year which (i) is located within a federal reservation; (ii) has been conveyed to the state of Minnesota by the federal government; and (iii) had been occupied and used by a branch of the armed services of the United States, shall be no greater than the value added to the property by improvements to the property made by the lessee.

Subd. 4. Property held under a lease for a term of at least one year which is owned by the United States and located within a national park shall be exempt, provided the property was acquired by the United States by condemnation or purchased by the United States under threat of condemnation, and within a reasonable time leased back for noncommercial residential purposes to the person owning the property at the time of acquisition by the United States. If property exempt under this subdivision is subsequently leased or subleased for a term of at least one year to another person, it shall no longer qualify for the exemption provided in this subdivision and shall be placed on the assessment rolls as provided in section 272.02, subdivision 4, and taxed pursuant to subdivision 1 of this section.

The value of improvements made to property otherwise exempt pursuant to this subdivision which are owned by the lessee or to which the lessee has salvage rights shall be taxable to the lessee pursuant to subdivision 1.

Subd. 5. Notwithstanding the provisions of subdivision 4, real and personal property used or to be used primarily for the production of hydroelectric or hydromechanical power and leased from the state or a local governmental unit pursuant to section 103G.535 may be exempt from taxation or payments in lieu of taxes.

The exemption from taxation or payments in lieu of taxes provided by this subdivision does not apply to hydroelectric or hydromechanical facilities operated at any time between January 1, 1980 and January 1, 1984.

273.21 NEGLECT BY AUDITOR OR ASSESSOR; PENALTY.

Every county auditor and every town or district assessor who in any case refuses or knowingly neglects to perform any duty enjoined by this chapter, or who consents to or connives at any evasion of its provisions whereby any proceeding required by this chapter is prevented or hindered, or whereby any property required to be listed for taxation is unlawfully exempted, or entered on the tax list at less than its market value, shall, for every such neglect, refusal, consent, or connivance, forfeit and pay to the state not less than \$200, nor more than \$1,000, to be recovered in any court of competent jurisdiction.

273.25 LISTS TO BE VERIFIED.

Every person required to list property for taxation shall make out and deliver to the assessor, upon blanks furnished by the assessor, a verified statement of all personal property owned on January 2 of the current year. The person shall also make separate statements in like manner of all personal property possessed or controlled by the person and required by this chapter to be listed for taxation as agent or attorney, guardian, parent, trustee, executor, administrator, receiver, accounting officer, partner, factor, or in any other capacity; but no person shall be required to include in the statement any share of the capital stock of any company or corporation which it is required to list and return as its capital and property for taxation in this state.

273.33 EXPRESS, STAGE AND TRANSPORTATION COMPANIES; PIPE LINES.

Subdivision 1. The personal property of express, stage and transportation companies, and of pipeline companies engaged in the business of transporting natural gas, gasoline, crude oil, or other petroleum products except as otherwise provided by law, shall be listed and assessed in the county, town or district where the same is usually kept.

Subd. 2. The personal property, consisting of the pipeline system of mains, pipes, and equipment attached thereto, of pipeline companies and others engaged in the operations or business of transporting natural gas, gasoline, crude oil, or other petroleum products by pipelines, shall be listed with and assessed by the commissioner of revenue. This subdivision shall not apply to the assessment of the products transported through the pipelines nor to the lines of local commercial gas companies engaged primarily in the business of distributing gas to consumers at retail nor to pipelines used by the owner thereof to supply natural gas or other petroleum products exclusively for such owner's own consumption and not for resale to others. If more than 85 percent of the natural gas or other petroleum products actually transported over the pipeline is used for the owner's own consumption and not for resale to others, then this subdivision shall not apply; provided, however, that in that event, the pipeline shall be assessed in proportion to the percentage of gas actually transported over such pipeline that is not used for the owner's own consumption. On or before June 30, the commissioner shall certify to the auditor of each county, the amount of such personal property assessment against each company in each district in which such property is located.

273.37 COMPANIES SUPPLYING ELECTRIC POWER.

Subdivision 1. Personal property of electric light and power companies, and other individuals and partnerships supplying electric light and power, having a fixed situs outside of the corporate limits of cities shall be listed and assessed in the district where situated, except as otherwise provided.

Subd. 2. Transmission lines of less than 69 kv, transmission lines of 69 kv and above located in an unorganized township, and distribution lines, and equipment attached thereto, having a fixed situs outside the corporate limits of cities except distribution lines taxed as provided in sections 273.40 and 273.41, shall be listed with and assessed by the commissioner of revenue in the county where situated. The commissioner shall assess such property at

the percentage of market value fixed by law; and, on or before June 30, shall certify to the auditor of each county in which such property is located the amount of the assessment made against each company and person owning such property.

Subd. 3. Taxable wind energy conversion systems, as defined in section 216C.06, subdivision 12, which are not owned, operated, and exclusively controlled by the owner of the land upon which the system is situated, must be listed and assessed as personal property in the name of the owner of the system in the taxing district where it is situated.

273.371 REPORTS OF UTILITY COMPANIES.

Subdivision 1. **Report required.** Every electric light, power, gas, water, express, stage, and transportation company and pipeline doing business in Minnesota shall annually file with the commissioner on or before March 31 a report under oath setting forth the information prescribed by the commissioner to enable the commissioner to make valuations, recommended valuations, and equalization required under sections 273.33, 273.35, 273.36, and 273.37. If all the required information is not available on March 31, the company or pipeline shall file the information that is available on or before March 31, and the balance of the information as soon as it becomes available.

Subd. 2. **Extension.** The commissioner for good cause may extend the time for filing the report required by subdivision 1. The extension may not exceed 15 days.

273.38 PERCENTAGE OF ASSESSMENTS; EXCEPTIONS.

The distribution lines and the attachments and appurtenances thereto of cooperative associations organized under the provisions of Laws 1923, chapter 326, and laws amendatory thereof and supplemental thereto, and engaged in the electrical heat, light and power business, upon a mutual, nonprofit and cooperative plan, shall be assessed and taxed as provided in sections 273.40 and 273.41.

History: (2012-2) 1925 c 306 s 2; 1939 c 321 s 2; 1949 c 554 s 2; 1971 c 427 s 20; 1973 c 582 s 3; 1974 c 47 s 1; 1Sp1985 c 14 art 4 s 69; 1987 c 268 art 6 s 34

273.39 RURAL AREA.

As used in sections 273.39 to 273.41, the term "rural area" shall be deemed to mean any area of the state not included within the boundaries of any incorporated city, and such term shall be deemed to include both farm and nonfarm population thereof.

273.40 ANNUAL TAX ON COOPERATIVE ASSOCIATIONS.

Cooperative associations organized under the provisions of Laws 1923, chapter 326, and laws amendatory thereof and laws supplemental thereto, and engaged in electrical heat, light, or power business upon a mutual, nonprofit, and cooperative plan in rural areas, as hereinafter defined, are hereby recognized as quasi-public in their nature and purposes; but such cooperative associations, which operate within the corporate limits of any city shall have a tax capacity of the market value of that portion of its property located within the corporate limits of any city as provided for in section 273.13, subdivisions 24 and 31.

History: (2012-4) 1939 c 303 s 1; 1943 c 643 s 2; 1971 c 427 s 21; 1973 c 123 art 5 s 7; 1Sp1981 c 1 art 8 s 8; 1988 c 719 art 5 s 29

273.41 AMOUNT OF TAX; DISTRIBUTION.

There is hereby imposed upon each such cooperative association on December 31 of each year a tax of \$10 for each 100 members, or fraction thereof, of such association. The tax, when paid, shall be in lieu of all personal property taxes, state, county, or local, upon distribu-

tion lines and the attachments and appurtenances thereto of such associations located in rural areas. The tax shall be payable on or before March 1 of the next succeeding year, to the commissioner of revenue. If the tax, or any portion thereof, is not paid within the time herein specified for the payment thereof, there shall be added thereto a specific penalty equal to ten percent of the amount so remaining unpaid. Such penalty shall be collected as part of said tax, and the amount of said tax not timely paid, together with said penalty, shall bear interest at the rate specified in section 270.75 from the time such tax should have been paid until paid. The commissioner shall deposit the amount so received in the general fund of the state treasury.

273.42 RATE OF TAX; ENTRY AND CERTIFICATION; CREDIT ON PAYMENT; PROPERTY TAX CREDIT.

Subdivision 1. The property set forth in section 273.37, subdivision 2, consisting of transmission lines of less than 69 kv and transmission lines of 69 kv and above located in an unorganized township, and distribution lines not taxed as provided in sections 273.38, 273.40 and 273.41 shall be taxed at the average local tax rate of taxes levied for all purposes throughout the county after disparity reduction aid is applied, and shall be entered on the tax lists by the county auditor against the owner thereof and certified to the county treasurer at the same time and in the same manner that other taxes are certified, and, when paid, shall be credited as follows: 50 percent to the general revenue fund of the county and 50 percent to the general school fund of the county, except that if there are high voltage transmission lines as defined in section 116C.52, the construction of which was commenced after July 1, 1974, and which are located in unorganized townships within the county, then the distribution of taxes within this subdivision shall be credited as follows: 50 percent to the general revenue fund of the county, 40 percent to the general school fund of the county and ten percent to a utility property tax credit fund, which is hereby established.

Subd. 2. Owners of land that is an agricultural or nonagricultural homestead, nonhomestead agricultural land, rental residential property, and both commercial and noncommercial seasonal residential recreational property, as those terms are defined in section 273.13 listed on records of the county auditor or county treasurer over which runs a high voltage transmission line as defined in section 116C.52, subdivision 3, except a high voltage transmission line the construction of which was commenced prior to July 1, 1974, shall receive a property tax credit in an amount determined by multiplying a fraction, the numerator of which is the length of high voltage transmission line which runs over that parcel and the denominator of which is the total length of that particular line running over all property within the city or township by ten percent of the transmission line tax revenue derived from the tax on that portion of the line within the city or township pursuant to section 273.36. In the case of property owners in unorganized townships, the property tax credit shall be determined by multiplying a fraction, the numerator of which is the length of the qualifying high voltage transmission line which runs over the parcel and the denominator of which is the total length of the qualifying high voltage transmission line running over all property within all the unorganized townships within the county, by the total utility property tax credit fund amount available within the county for that year pursuant to subdivision 1. Where a right-of-way width is shared by more than one property owner, the numerator shall be adjusted by multiplying the length of line on the parcel by the proportion of the total width on the parcel owned by that property owner. The amount of credit for which the property qualifies shall not exceed 20 percent of the total gross tax on the parcel prior to deduction of the state paid agricultural credit and the state paid homestead credit, provided that, if the property containing the right-of-way is included in a parcel which exceeds 40 acres, the total gross tax on the parcel shall be multiplied by a fraction, the numerator of which is the sum of the number of acres in each quarter-quarter section or portion thereof which contains a right-of-way and the denominator of which is the total number of acres in the parcel set forth on the tax statement, and the maximum credit shall be 20 percent of the product of that computation, prior to deduction of those credits. The auditor of the county in which the affected parcel is located shall calculate the amount of the credit due for each parcel and transmit that information to the county treasurer. The county auditor, in computing the credit received pursuant to section 273.135, shall reduce the gross

tax by the amount of the credit received pursuant to this section, unless the amount of the credit would be less than \$10.

If, after the county auditor has computed the credit to those qualifying property owners in unorganized townships, there is money remaining in the utility property tax credit fund, then that excess amount in the fund shall be returned to the general school fund of the county.

273.425 ADJUSTMENT OF LEVY.

When preparing tax lists pursuant to section 275.28 for each levy year for which credits will be payable under section 273.42, the county auditor shall deduct from the net tax capacity of the property within the county an amount equal to ten percent of the net tax capacity of transmission lines with respect to which a credit is to be paid and which are valued pursuant to section 273.36. The local tax rate necessary to be applied to this reduced total net tax capacity in order to raise the required amount of tax revenue for the local taxing authorities shall be applied to the net tax capacity of all taxable property in the county, including the entire net tax capacity of those transmission lines. The proceeds of the tax levied against the excluded ten percent of the net tax capacity of those transmission lines shall be available for purposes of funding of the credit provided in section 273.42: If the amount of that portion of the levy exceeds the amount necessary to fund the credits, the excess shall be distributed to the taxing districts within which the affected property is located in proportion to their respective local tax rates, to be used for general levy purposes.

273.47 PROPERTY MOVED BETWEEN JANUARY AND MARCH.

The owner of personal property, removing from one county, town, or district to another between January 2 and March 1, shall be assessed in either in which the owner is first called upon by the assessor. A person moving into this state from another state between those dates shall list the property the person owns on January 2 of such year in the county, town, or district in which the person resides, unless it appears to the assessor that the person is held for tax of the current year on the property in another state.

273.65 FAILURE TO LIST; EXAMINATION UNDER OATH; DUTIES OF ASSESSOR.

When the assessor shall be of opinion that the person listing property for that person, or for any other person, company, or corporation, has not made a full, fair, and complete list thereof, the assessor may examine such person, under oath, in regard to the amount of the property required to be listed; and, if such person shall refuse to make full discovery under oath, the assessor may list the property of such person, or the person's principal, according to the assessor's best judgment and information.

History: (2030) *RL s 843; 1986 c 444*

273.66 OWNER ABSENT OR SICK.

If any person required to list property be sick or absent when the assessor calls for a list thereof, the assessor shall leave at the office or usual place of residence or business of such person a written or printed notice requiring such person to make out and leave at a place, and on or before a day named therein, the statement or list required by this chapter. The date of leaving such notice, and the name of the person so required to list, shall be noted by the assessor in the assessment book.
