279.001 PURPOSES; POLICY.

Laws pertaining to the processing of delinquent real estate taxes in this state respecting billing, delinquency, judgment, sale, forfeiture, and redemption create risks respecting the validity of the title of the state, or its successors in interest, arising out of the tax forfeiture process. It is the policy of the state of Minnesota that the body of law pertaining to the processing of delinquent real property taxes be liberally construed in favor of the state, its officers, agents, and its successors in interest, to accomplish the following:

- (a) to promote the policy of unfettered marketability as expressed in section 284.28;
- (b) to provide for uniform and reasonable notices to taxpayers and other interested parties with regard to:
 - (1) mailing of billing notices;
 - (2) notice of delinquency, judgment, and sale;
 - (3) notice of expiration of the redemption period; and
- (c) to eliminate other potential defects or ambiguities as fetter the marketability of title held by the state, or its successors in interest.

History: 1983 c 342 art 15 s 1

279.01 DUE DATE; PENALTIES.

Subdivision 1. Except as provided in subdivision 3 or 4, on May 16 or 21 days after the postmark date on the envelope containing the property tax statement, whichever is later, a penalty shall accrue and thereafter be charged upon all unpaid taxes on real estate on the current lists in the hands of the county treasurer. The penalty shall be at a rate of two percent on homestead property until May 31 and four percent on June 1. The penalty on nonhomestead property shall be at a rate of four percent until May 31 and eight percent on June 1. This penalty shall not accrue until June 1 of each year, or 21 days after the postmark date on the envelope containing the property tax statements, whichever is later, on commercial use real property used for seasonal residential recreational purposes and classified as class 1c or 4c, and on other commercial use real property classified as class 3a, provided that over 60 percent of the gross income earned by the enterprise on the class 3a property is earned during the months of May, June, July, and August. Any property owner of such class 3a property who pays the first half of the tax due on the property after May 15 and before June 1, or 21 days after the postmark date on the envelope containing the property tax statement, whichever is later, shall attach an affidavit to the payment attesting to compliance with the income provision of this

subdivision. Thereafter, for both homestead and nonhomestead property, on the first day of each month beginning July 1, up to and including October 1 following, an additional penalty of one percent for each month shall accrue and be charged on all such unpaid taxes provided that if the due date was extended beyond May 15 as the result of any delay in mailing property tax statements no additional penalty shall accrue if the tax is paid by the extended due date. If the tax is not paid by the extended due date, then all penalties that would have accrued if the due date had been May 15 shall be charged. When the taxes against any tract or lot exceed \$50, one-half thereof may be paid prior to May 16 or 21 days after the postmark date on the envelope containing the property tax statement, whichever is later; and, if so paid, no penalty shall attach; the remaining one-half shall be paid at any time prior to October 16 following, without penalty; but, if not so paid, then a penalty of two percent shall accrue thereon for homestead property and a penalty of four percent on nonhomestead property. Thereafter, for homestead property, on the first day of November an additional penalty of four percent shall accrue and on the first day of December following, an additional penalty of two percent shall accrue and be charged on all such unpaid taxes. Thereafter, for nonhomestead property, on the first day of November and December following, an additional penalty of four percent for each month shall accrue and be charged on all such unpaid taxes. If one-half of such taxes shall not be paid prior to May 16 or 21 days after the postmark date on the envelope containing the property tax statement, whichever is later, the same may be paid at any time prior to October 16, with accrued penalties to the date of payment added, and thereupon no penalty shall attach to the remaining one-half until October 16 following.

This section applies to payment of personal property taxes assessed against improvements to leased property, except as provided by section 277.01, subdivision 3.

A county may provide by resolution that in the case of a property owner that has multiple tracts or parcels with aggregate taxes exceeding \$50, payments may be made in installments as provided in this subdivision.

The county treasurer may accept payments of more or less than the exact amount of a tax installment due. If the accepted payment is less than the amount due, payments must be applied first to the penalty accrued for the year the payment is made. Acceptance of partial payment of tax does not constitute a waiver of the minimum payment required as a condition for filing an appeal under section 278.03 or any other law, nor does it affect the order of payment of delinquent taxes under section 280.39.

Subd. 2. The county board may, with the concurrence of the county treasurer, delegate to the county treasurer the power to abate the penalty provided for late payment of taxes in the current year. Notwithstanding section 270.07, if any county board so elects, the county treasurer may abate the penalty on finding that the imposition of the penalty would be unjust and unreasonable.

Subd. 3. In the case of class 1b agricultural homestead, class 2a agricultural homestead property, and class 2b(2) agricultural nonhomestead property, no penalties shall attach to the second one-half property tax payment as provided in this section if paid by November 15. Thereafter for class 1b agricultural homestead and class 2a homestead property, on November 16 following, a penalty of six percent shall accrue and be charged on all such unpaid taxes and on December 1 following, an additional two percent shall be charged on all such unpaid taxes. Thereafter for class 2b(2) agricultural nonhomestead property, on November 16 following, a penalty of eight percent shall accrue and be charged on all such unpaid taxes and on December 1 following, an additional four percent shall be charged on all such unpaid taxes.

If the owner of class 1b agricultural homestead, class 2a, or class 2b(2) agricultural property receives a consolidated property tax statement that shows only an aggregate of the taxes and special assessments due on that property and on other property not classified as class 1b agricultural homestead, class 2a, or class 2b(2) agricultural property, the aggregate tax and special assessments shown due on the property by the consolidated statement will be due on November 15 provided that at least 50 percent of the property's market value is classified class 1b agricultural, class 2a, or class 2b(2) agricultural.

Subd. 4. **Seasonal residential recreational property.** In the case of class 4c seasonal residential recreational property not used for commercial purposes, penalties shall accrue

and be charged on unpaid taxes at the times and at the rates provided in subdivision 1 for homestead property.

279.02 DUTIES OF COUNTY AUDITOR AND TREASURER.

On the first business day in January, of each year, the county treasurer shall return the tax lists on hand to the county auditor, who shall compare the same with the statements received for by the treasurer on file in the auditor's office and each tract or lot of real property against which the taxes, or any part thereof, remain unpaid, shall be deemed delinquent, and thereupon an additional penalty of two percent on the amount of the original tax remaining unpaid shall immediately accrue and thereafter be charged upon all such delinquent taxes; and any auditor who shall make out and deliver any statement of delinquent taxes without including therein the penalties imposed by law, and any treasurer who shall receive payment of such taxes without including in such payment all items as shown on the auditor's statement, shall be liable to the county for the amounts of any items omitted.

279.03 INTEREST ON DELINQUENT PROPERTY TAXES.

Subdivision 1. **Rate.** The rate of interest on delinquent property taxes levied in 1979 and prior years is fixed at six percent per year until January 1, 1983. Thereafter interest is payable at the rate determined pursuant to section 549.09. The rate of interest on delinquent property taxes levied in 1980 and subsequent years is the rate determined pursuant to section 549.09. All provisions of law except section 549.09 providing for the calculation of interest at any different rate on delinquent taxes in any notice or proceeding in connection with the payment, collection, sale, or assignment of delinquent taxes, or redemption from such sale or assignment are hereby amended to correspond herewith. Section 549.09 shall continue in force with respect to judgments arising out of petitions for review filed pursuant to chapter 278 irrespective of the levy year.

For property taxes levied in 1980 and prior years, interest is to be calculated at simple interest from the second Monday in May following the year in which the taxes become due until the time that the taxes and penalties are paid, computed on the amount of unpaid taxes, penalties and costs. For property taxes levied in 1981 and subsequent years, interest shall commence on the first day of January following the year in which the taxes become due, but the county treasurer need not calculate interest on unpaid taxes and penalties on the tax list returned to the county auditor pursuant to section 279.01.

If interest is payable for a portion of a year, the interest is calculated only for the months that the taxes or penalties remain unpaid, and for this purpose a portion of a month is deemed to be a whole month.

Subd. 1a. **Rate after December 31, 1990.** (a) Except as provided in paragraph (b), interest on delinquent property taxes, penalties, and costs unpaid on or after January 1, 1991, shall be payable at the per annum rate determined in section 270.75, subdivision 5. If the rate

so determined is less than ten percent, the rate of interest shall be ten percent. The maximum per annum rate shall be 14 percent if the rate specified under section 270.75, subdivision 5, exceeds 14 percent. The rate shall be subject to change on January 1 of each year.

(b) If a person is the owner of one or more parcels of property on which taxes are delinquent, and the delinquent taxes are more than 25 percent of the prior year's school district levy, interest on the delinquent property taxes, penalties, and costs unpaid after January 1, 1992, shall be payable at twice the rate determined under paragraph (a) for the year.

Subd. 2. **Composite judgment.** Amounts included in composite judgments authorized by section 279.37, subdivision 1, and confessed on or after July 1, 1982, are subject to interest at the rate determined pursuant to section 549.09. Amounts confessed under this authority after December 31, 1990, are subject to interest at the rate calculated under subdivision 1a. During each calendar year, interest shall accrue on the unpaid balance of the composite judgment from the time it is confessed until it is paid. The rate of interest is subject to change each year in the same manner that section 549.09 or subdivision 1a, whichever is applicable, for rate changes. Interest on the unpaid contract balance on judgments confessed before July 1, 1982, is payable at the rate applicable to the judgment at the time that it was confessed.

279.19 APPLICATION FOR JUDGMENT.

If all provisions of law in relation to assessment and levy of taxes have been complied with, of which the list so filed with the court administrator shall be prima facie evidence, judgment shall be rendered for such taxes and the penalties and costs. No omission of any of the things by law provided in relation to such assessment and levy, or of anything required by any officer to be done prior to the filing of the list with the court administrator, shall be a defense or objection to the taxes appearing upon any parcel of land, unless it be also made to appear to the court that such omission has resulted to the prejudice of the party objecting, and that the taxes thereon have been partially, unfairly, or unequally assessed, or that such parcel has been assessed and taxed at a valuation greater than its real and actual value, in which case, but no other, the court may reduce the amount of taxes thereon, and give judgment accordingly. It shall always be a defense, when made to appear by answer and proofs, that the taxes have been paid, or that the property was not subject to taxation.

Such application shall be considered by the county board and the county auditor as in the case of application under section 270.07, and shall thereafter be submitted to the commissioner of revenue with the recommendation of the county board and the county auditor. The commissioner of revenue shall consider the application and on determining that the supposed forfeiture was erroneous upon such grounds shall order the county auditor to record and file in the manner in which the original certificate of forfeiture was recorded and filed a certificate of cancellation, specifically describing the land which did not in fact forfeit, which shall refer to the original certificate, the provisions of sections 279.33 and 279.34, and the proceedings taken pursuant thereto, and state that the original certificate is void, as to such lands, upon the grounds so determined. Upon compliance with such order by the county auditor, the supposed forfeiture and original certificate thereof, as to lands included therein but which the commissioner found by order did not in fact forfeit, shall be void. Unless exempt, the lands affected by such cancellation shall be deemed to have been subject to taxation as if the supposed forfeiture had not occurred, and all taxes and assessments which have been canceled or omitted be reinstated or levied and assessed as in the case of omitted taxes, as the case may require.

279.37 CONFESSION OF JUDGMENT FOR DELINQUENT TAXES.

Subdivision 1. **Composition into one item.** Delinquent taxes upon any parcel of real estate may be composed into one item or amount by confession of judgment at any time prior to the forfeiture of the parcel of land to the state for taxes, for the aggregate amount of all the taxes, costs, penalties, and interest accrued against the parcel, as hereinafter provided. Taxes upon property which, for the previous year's assessment, was classified as mineral property, employment property, or commercial or industrial property shall only be eligible to be composed into any confession of judgment under this section as provided in subdivision 1a. Delinquent taxes on unimproved land are eligible to be composed into a confession of judgment only if the land is classified as homestead, agricultural, or timberland in the previous year or is eligible for installment payment under subdivision 1a. The entire parcel is eligible for the ten-year installment plan as provided in subdivision 2 if 25 percent or more of the market value of the parcel is eligible for confession of judgment under this subdivision.

Subd. 1a. The delinquent taxes upon a parcel of property which was classified class 3a, for the previous year's assessment and had a total market value of less than \$200,000 for that same assessment shall be eligible to be composed into a confession of judgment. Property qualifying under this subdivision shall be subject to the same provisions as provided in this section except as herein provided.

(a) The down payment shall include all special assessments due in the current tax year, all delinquent special assessments, and 20 percent of the ad valorem tax, penalties, and interest accrued against the parcel. The balance remaining shall be payable in four equal annual installments; and

(b) The amounts entered in judgment shall bear interest at the rate provided in section 279.03, subdivision 1a, commencing with the date the judgment is entered. The interest rate is subject to change each year on the unpaid balance in the manner provided in section 279.03, subdivision 1a.

Subd. 2. **Installment payments.** The owner of any such parcel, or any person to whom the right to pay taxes has been given by statute, mortgage, or other agreement, may make and file with the county auditor of the county wherein the parcel is located a written offer to pay the current taxes each year before they become delinquent, or to contest the taxes under Minnesota Statutes 1941, sections 278.01 to 278.13, and agree to confess judgment for the amount hereinbefore provided, as determined by the county auditor, and shall thereby waive

all irregularities in connection with the tax proceedings affecting the parcel and any defense or objection which the owner may have to the proceedings, and shall thereby waive the requirements of any notice of default in the payment of any installment or interest to become due pursuant to the composite judgment to be so entered, and shall tender therewith one-tenth of the amount of the delinquent taxes, costs, penalty, and interest, and agree therein to pay the balance in nine equal installments, with interest as provided in section 279.03, payable annually on installments remaining unpaid from time to time, on or before December 31 of each year following the year in which judgment was confessed, which offer shall be substantially as follows:

“To the court administrator of the district court of county, I,, owner of the following described parcel of real estate situate in county, Minnesota, to-wit: upon which there are delinquent taxes for the year, and prior years, as follows: (here insert year of delinquency and the total amount of delinquent taxes, costs, interest, and penalty) do hereby offer to confess judgment in the sum of \$..... and hereby waive all irregularities in the tax proceedings affecting such taxes and any defense or objection which I may have thereto, and direct judgment to be entered for the amount hereby confessed, less the sum of \$....., hereby tendered, being one-tenth of the amount of said taxes, costs, penalty, and interest; I agree to pay the balance of said judgment in nine equal, annual installments, with interest as provided in section 279.03, payable annually, on the installments remaining unpaid from time to time, said installments and interest to be paid on or before December 31 of each year following the year in which this judgment is confessed and current taxes each year before they become delinquent, or within 30 days after the entry of final judgment in proceedings to contest such taxes under Minnesota Statutes 1941, sections 278.01 to 278.13.

Dated this, 19.....”

Subd. 3. Upon the receipt of the offer and payment of the sum required, the auditor shall notify the county board of the offer. The auditor shall record it and shall file the offer and confession of judgment with the court administrator of the district court of the county who is directed to enter judgment in accordance with the offer.

Subd. 4. The auditor shall immediately deliver to the treasurer the initial payments received by the auditor. The judgment so rendered shall not constitute a personal judgment against the party or parties therein and shall be a judgment in rem. For the purpose of computing the applicable period of redemption pursuant to section 281.17, lands included in a confession of judgment will be deemed to be sold to the state at the first tax judgment sale following the entry of judgment.

Subd. 5. Upon the entry of said judgment, all the interest on the taxes embraced within said judgment shall be waived, except as herein provided, and further proceedings shall be suspended on any judgment for taxes embraced in said confessed judgment as long as no default exists. Upon the payment in full of the amounts required to be paid under the confessed judgment, except the then current taxes not yet delinquent, the original judgment shall be satisfied.

Subd. 6. The county auditor shall give notice by mail not later than November 30 of each year to the person or persons making such confession of judgment at the address given therein of the payment due under the confession on the following December 31. If the county auditor has not received the installment payment by December 31, the auditor shall give notice by certified mail at the last known address of the person making the confession of judgment, without regard to the county or state of the person's residency. This notice shall state that the property shall be subject to the tax forfeiture laws if payment is not made within 60 days from the preceding December 31. Failure to send or receive the notice shall not operate to postpone any payment or excuse any default under the confession of judgment. Proof of such mailing shall be made by the certificate of the auditor filed in the auditor's office.

Subd. 7. The county auditor's statement and county treasurer's receipt issued for payment of a deferred installment, as herein provided for, shall not read for any specific year's taxes, but shall read for partial or full release of judgment, as the case may be, and shall show the year that such judgment was entered. In distributing the taxes collected in this manner, the county auditor shall apply the same in the inverse order to that in which such taxes were lev-

ied. All penalties and interest collected under the provisions of this section shall be apportioned by the county auditor in accordance with section 276.131. A duplicate treasurer's receipt for payment of a deferred installment, as hereinafter provided, shall be delivered to the court administrator of the district court, and the court administrator of the district court shall credit the amount so paid upon the judgment entered.

Subd. 8. The party or parties making such confession of judgment shall pay the county auditor a fee as set by the county board to defray the costs of processing the confession of judgment and making the annual billings required. Fees as set by the county board shall be paid to the court administrator of the court for entry of judgment and for the entry of each full or partial release thereof. The fees paid to the court administrator under this section are in lieu of the fees provided for in section 357.021. Fees collected under this section shall be credited to the general revenue fund of the county.

Subd. 9. This section shall not apply to any parcel of land which has become or hereafter may become the absolute property of the state in fee or in trust under the provisions of any law declaring a forfeiture of lands to the state for taxes. Failure to make any payment required by this confessed judgment within 60 days from the date on which payment was due shall constitute a default. In the event of default occurring in the payments to be made under any confessed judgment entered pursuant hereto, the interest waived under the terms of subdivision 5 shall be reinstated and the lands described in such confessed judgment shall thereupon be subject to forfeiture according to the provisions of law applicable thereto.

Subd. 10. Not more than two confessions of judgment and agreement to pay in installments under this section affecting the same taxes or any portion thereof may be made by or on behalf of any owner of any particular right, title, interest in, or lien upon, any given parcel of land, or the owner's heirs, representatives, or assigns.

Subd. 11. This section shall not apply in cases where the redemption period has been shortened under sections 281.173 and 281.174.
