462C.03 CITY HOUSING PLAN.

Subdivision 1. [Repealed, 1995 c 167 s 16]

Subd. 1a. Plan requirements. In addition to the requirements provided in subdivisions 2 and 3, if applicable, each program to be developed and administered by a city under a housing plan shall, at a minimum, set forth:

- (a) a general description of the program;
- (b) a designation of the geographic location to which the program will be limited;
- (c) in the case of a program for single family housing, the number and qualifications of lenders eligible to participate in the program;
- (d) in the case of a program for single family housing, the estimated amount of mortgage or rehabilitation loans to be made or purchased in the program;
- (e) the estimated amounts and timing of the sale of revenue bonds required to finance the program, including the funding of appropriate reserves, and paying costs of issuance;

(g) the portion, if any, of the state ceiling for qualified mortgage bonds needed for the program;

(h) an analysis of how the program will meet the needs of low and moderate income families; and

(i) for mortgage credit certificate programs the program shall additionally set forth, or contain as an exhibit, the following:

(1) the range of credit certificate rates to be used and how the rates are assigned to certificate recipients;

(2) the nonissued bond amount as that term is used in section 25(d)(2)(B) of the Internal Revenue Code of 1954, as amended through July 18, 1984;

(3) the form used to elect under section 25(c)(2)(A)(ii) of the Internal Revenue Code of 1954, as amended through July 18, 1984;

(5) how the city will ensure compliance with all of the requirements of section 25 of the Internal Revenue Code of 1954, as amended through July 18, 1984.

Subd. 2. Income limits; exception; source of data. Each single family housing program shall establish limits on gross income for persons and families to be served by the program. The adjusted gross income may not exceed the greater of (a) 110 percent of the median family income as estimated by the United States department of housing and urban development for the nonmetropolitan county or standard metropolitan statistical area, as the case may be, or (b) 100 percent of the income limits established by the Minnesota housing finance agency in which the city is located; except as provided in subdivision 8. The Minnesota housing finance agency shall provide the relevant income data to any city requesting the data.

Subd. 3. Maximum prices or values. The single family housing program shall establish maximum purchase prices or appraised values for single family housing eligible for mortgage loans in the program. The maximum purchase price allowable for each dwelling unit shall not exceed three times the income limit established for the program in subdivision 2, except that, for any program or portion of a program undertaken within a targeted area, the maximum purchase price for each dwelling unit shall not exceed four times the income limit established pursuant to subdivision 2.

Any financial institution as defined in section 47.0151, doing business within the city which is an approved FHA/VA or FNMA/FHLMC lender shall be eligible for consideration for origination of single family housing loans in any city single family housing program. Other lenders may be eligible as provided in the program. Origination of loans in the single family program may not be limited to a single lender unless other eligible lenders are not interested in participating or the program clearly sets forth why a public purpose would be served by confining participation to one lender.

Subd. 5. [Repealed, 1995 c 167 s 16]

Subd. 6. Multiple developers, builders required. Loans under a single family housing program may not be made to one developer or builder or restricted to housing provided by one developer or builder.

Subd. 7. Half to those under 90 percent of limit. Fifty percent of the money available for loans for each single family housing program subject to the income limits established pursuant to subdivision 2, must be made available to persons and families with adjusted gross incomes of less than 90 percent of the program's income limits for a period of six months from the date when the money becomes available for the program.

Subd. 8. Other conditions. Twenty percent of the aggregate amount of all loans provided under all city housing programs included in the housing plan for single family housing may be provided without regard to income limits or net worth limits if: (a) the single family housing program is used to finance single family housing in a targeted area; or (b) the city has previously developed and administered a housing program for low and moderate income persons and families and the single family housing program will be used to further policies of economic integration, stability and revitalization of residential areas. No single family housing program shall be developed or administered pursuant to this subdivision if the single

family housing program will contribute to urban sprawl. A housing program shall be deemed to contribute to urban sprawl if the housing program is to be used to finance single family housing in any previously unincorporated real property annexed by the city pursuant to chapter 414, within one year prior to the date of the resolution adopted pursuant to Laws 1979, Chapter 306.

Subd. 9. Assumption. The single family housing program may include limitations or prohibitions on the assumption of the loans or other terms which are inconsistent with section 47.20, subdivision 6 or 6a, for notes or bonds or other obligations issued by the city pursuant to section 462C.07.

Subd. 10. Tax exempt bond proceeds; aggregate limits. Notwithstanding any provision of this chapter, not more than 20 percent of the aggregate dollar amount of tax-exempt bond proceeds appropriated by any city within any calendar year to make or purchase loans providing single family housing or dwelling units for sale within multifamily housing developments described in section 462C.05, subdivision 3, shall be appropriated to provide single family housing for persons or families, including renters of the single family housing, whose gross income exceeds the limit in section 462C.03, subdivision 2. If 20 percent of the total amount of tax-exempt bond funds so appropriated by the city in any calendar year is expended for housing not within the limit, no additional funds may be expended pursuant to any other similar appropriation until the remaining 80 percent is expended for housing within the limit. Notwithstanding subdivision 2, the city may use taxable bond proceeds for single family housing for persons and families with adjusted gross incomes of up to 175 percent of the median family income as estimated by the United States Department of Housing and Urban Development for the nonmetropolitan county or standard metropolitan statistical area, whichever is appropriate.

Subd. 11. Rehabilitation. The single family housing program may provide for loans for rehabilitation of single family housing or for the acquisition of rehabilitated housing. - (b) there is a period of at least 20 years between the date on which the structure was first used and the date on which the physical work on the rehabilitation begins;
- (c) 75 percent or more of the existing external walls of the structure are retained in place as external walls in the rehabilitation process; and
- (d) the expenditures for the rehabilitation equal 25 percent or more of the mortgagor's "adjusted basis" (as determined pursuant to the Internal Revenue Code of 1954, as amended through December 31, 1981), in the residence, determined at the time of completion of the rehabilitation, or, if later, the date on which the mortgagor acquires the residence.

462C.04 PLAN REVIEW.

Subdivision 1. [Repealed, 1995 c 167 s 16]

Subd. 2. Program review. A public hearing shall be held on each program after one publication of notice in a newspaper circulating generally in the city, at least 15 days before the hearing. On or before the day on which notice of the public hearing is published, the city shall submit the program to the metropolitan council, if the city is located in the metropolitan area as defined in section 473.121, subdivision 2, or to the regional development commission for the area in which the city is located, if any, for review and comment. The appropriate reviewing agency shall comment on:

- (a) whether the program furthers local and regional housing policies and is consistent with the metropolitan development guide, if the city is located in the metropolitan area, or adopted policies of the regional development commission; and
- (b) the compatibility of the program with the housing portion of the comprehensive plan of the city, if any.

Review of the program may be conducted either by the board of the reviewing agency or by the staff of the agency. Any comment submitted by the reviewing agency to the city must be presented to the body considering the proposed program at the public hearing held on the program.

A member or employee of the reviewing agency shall be permitted to present the comments of the reviewing agency at the public hearing. After conducting the public hearing, the program may be adopted with or without amendment, provided that any amendments must not be inconsistent with the comments, if any, of the reviewing agency and must not contain any material changes from the program submitted to the reviewing agency other than changes in the financial aspects of any proposed issue of bonds or obligations. If any material change other than a change in the financial aspects of a proposed issue of bonds or obligations, or any change which is inconsistent with the comments of the reviewing agency is adopted, the amended program shall be resubmitted to the appropriate reviewing agency for review and comment, and a public hearing shall be held on the amended program after one publication of notice in a newspaper circulating generally in the city at least 15 days before the hearing. The amended program shall be considered after the public hearing in the same manner as consideration of the initial program.

Subd. 3. City report. Within 30 days after the bonds are issued for a housing program, the city shall submit a report to the Minnesota housing finance agency, the metropolitan council if the city is located within the metropolitan area as defined in section 473.121, subdivision 2, or the appropriate regional development commission. The report must include a program description, the amount of bonds issued, the income limits, and the rent levels.

Subd. 4. Annual legislative report. The Minnesota housing finance agency, in cooperation with the metropolitan council and the regional development commissions, shall report annually to the legislature on the number and amounts of bond issues and the number of housing programs established pursuant to sections 462C.01 to 462C.08.

462C.05 MULTIFAMILY HOUSING DEVELOPMENTS AND HEALTH CARE FACILITIES.

Subdivision 1. Use of loans; conditions. A city may also include in the housing plan, a program or programs to administer, and make or purchase a loan or loans to finance one or more multifamily housing developments within its boundaries, of the kind described in subdivision 2, 3, 4 or 7, and upon the conditions set forth in this section. A loan may be made or purchased for

- (a) the acquisition and preparation of a site and the construction of a new development,
- (b) the rehabilitation of an existing building and site and the discharge of any lien or other interest in the building and site,
- (c) for the acquisition of an existing building and site and the rehabilitation thereof,
- (d) for the acquisition of an existing building and site for purposes of conversion to limited equity cooperative ownership by low or moderate income families,
- (e) for the acquisition, or acquisition and improvement, of an existing building and site by a nonprofit corporation which will operate the building as a multifamily housing development for rental primarily to elderly or handicapped persons, or
- (f) the taking out of accumulated equity in connection with a program of federal insurance for the preservation of low-income housing.

With respect to loans made or purchased pursuant to clause (b) or (c), the cost of rehabilitation of an existing building must be estimated to equal at least \$1,000 per dwelling unit or 20 percent of the appraised value of the original building and site whichever is less, except that with respect to rehabilitation which consists primarily of improvement of the property with facilities or improvements to conserve energy or convert or retrofit for use of alternative energy sources, rehabilitation loans may be made without regard to cost; and at least a substantial portion of such rehabilitation cost must be estimated to be incurred for compliance with building codes or conservation of energy.

Each development upon completion shall comply with all applicable code requirements. A loan or loans may be made or purchased for either the construction or the long-term financing of a development, or both, including the financing of the acquisition of dwelling units and interests in common facilities provided therein, by persons to whom such units and facilities may be sold as contemplated in chapter 515 or 515A or any supplemental or amendatory law thereof or as contemplated for a development consisting of cooperative housing.

Substantially all of the proceeds of each loan shall be used to pay the cost of a multifamily housing development, including property functionally related and subordinate to it; but nothing herein prevents the construction or acquisition of the development over, under, or adjacent to, and in conjunction with facilities to be used for purposes other than housing.

Subd. 2. Affordability standard. A development shall be designed to be affordable by persons and families with adjusted gross income not in excess of the limits set forth in section 462C.03, subdivision 2, and by other persons and families to the extent determined to be necessary in furtherance of the policy of economic integration stated in section 462A.02, subdivision 6, with at least 20 percent of the dwelling units are held for occupancy by families or individuals with adjusted gross income not in excess of 80 percent of the median family income as estimated by the United States department of housing and urban development for the nonmetropolitan county or standard metropolitan statistical area, as the case may be.

Subd. 3. Maximum price or value. A development may be located within a targeted area without regard to the limitations and conditions set forth in subdivision 2, and without regard to those set forth in section 462C.03 except section 462C.03, subdivision 10, except that in no case shall the maximum purchase price or appraised value for a dwelling unit in the multifamily housing development exceed four times the income limit established by section 462C.03, subdivision 2, unless the development is in a building officially built before 1900, designated as an historical structure under state, local, or national procedures.

Subd. 4. Primary rentals to elderly, handicapped. A development may be designed for rental primarily to elderly or handicapped persons without regard to the limitations and conditions set forth in section 462C.03 and in subdivision 2.

Subd. 5. Hearing; assumption limits, prohibitions. Each program for a multifamily housing development or developments described in subdivision 1 shall be adopted after public hearing on the program which includes such development or developments and shall be approved by the Minnesota housing finance agency as provided in section 462C.01, and on the basis of the considerations stated in section 462C.04, subdivision 2. The multifamily housing development program may include limitations or prohibitions on the assumption of the loans or other terms which are inconsistent with section 47.20, subdivision 6 or 6a, for bonds or other obligations issued by the city pursuant to section 462C.07.

Subd. 6. Required demonstrations. The program shall demonstrate need for the development or developments, describe the method of financing proposed, state whether the development is to be constructed pursuant to subdivision 2, 3, or 4, and state the applicable limitations on gross income, if any, of the occupants.

Subd. 6a. Qualified allocation plan requirement. Multifamily housing developments described in subdivision 1 for which an application is submitted for low-income housing tax credits provided under section 42 of the Internal Revenue Code of 1986, as amended, must also satisfy the qualified allocation plan applicable to the area in which the project is located.

Subd. 7. Combined facility conditions, report. A development may consist of a combination of a multifamily housing development and a new or existing health care facility, as defined by section 469.153, if the following conditions are satisfied:

(a) The multifamily housing development is designed and intended to be used for rental occupancy;

(b) The multifamily housing development is designed and intended to be used primarily by elderly or physically handicapped persons; and

(c) Nursing, medical, personal care, and other health related assisted living services are available on a 24-hour basis in the development to the residents.

The limitations of section 462C.04, subdivision 2, clause (c), shall not apply to projects defined in this subdivision and approved by the Minnesota housing finance agency before October 1, 1983.

The Minnesota housing finance agency shall provide, in the annual report required by section 462C.04, subdivision 2, information on the costs incurred for the issuance of bonds for projects defined in this subdivision. The report shall also include the Minnesota housing finance agency's recommendations for the regulation of costs of issuance for future issues.

Subd. 8. Revenue agreement and financing lease. Any revenue agreement or financing lease which includes a provision for a conveyance of real estate to the lessee or contracting party may be terminated in accordance with the revenue agreement or financing lease, notwithstanding that the revenue agreement or financing lease may constitute an equitable mortgage. No financing lease of any development is subject to section 504.02, unless expressly so provided in the financing lease. Leases of specific dwelling units in the development to tenants are not affected by this subdivision.

A housing and redevelopment authority in and for a county may exercise the powers conferred by sections 462C.01 to 462C.10 either (1) on its own behalf or (2) on behalf of a city (other than a county housing and redevelopment authority), if the city authorizes the housing and redevelopment authority in and for the county in which the city is located to exercise such powers and the county has authorized its housing and redevelopment authority to exercise its powers pursuant to section 469.004 or the county housing and redevelopment authority has been created by special law; provided, however, that any program undertaken pursuant to this section is subject to the limitations of sections 462C.03 and 462C.04 in the case of a single-family housing program, and subject to the limitations of section 462C.05 in the case of a multifamily housing development program.

462C.07 HOUSING REVENUE BONDS.

Subdivision 1. City has HFA powers. To finance programs or developments described in any plan the city may, upon approval of the program as provided in section 462C.04, subdivision 2, issue and sell revenue bonds or obligations which shall be payable exclusively from the revenues of the programs or developments. In the purchase or making of single-family housing loans and the purchase or making of multifamily housing loans and the issuance of revenue bonds or other obligations the city may exercise within its corporate limits, any of the powers the Minnesota housing finance agency may exercise under chapter 462A, without limitation under the provisions of chapter 475. The proceeds of revenue bonds issued to make or purchase single-family housing loans that are jointly issued by two or more cities pursuant to section 471.59 may be used to make or purchase single-family housing loans secured by homes in any of the cities.

Subd. 2. [Repealed, 1982 c 624 s 15]

Subd. 3. Port authorities. Upon approval of the housing plan as provided in section 462C.01, clause (c), any port authority referred to in chapter 458 may, until July 1, 1982, issue revenue bonds of the port authority to finance multifamily housing developments undertaken in accordance with the provisions of section 462C.05, and for such purpose the port authority may exercise any and all powers set forth in chapters 458 and 474, provided that nothing herein shall be construed as authorizing a port authority to finance any housing program other than that authorized by section 462C.05. After July 1, 1982, the port authority may issue revenue bonds solely in accordance with the provisions of Laws 1979, Chapter 306, Sections 1 to 16.

Subd. 4. Foreclosure. Upon foreclosure of any mortgage securing a revenue agreement entered into with respect to revenue bonds issued under this section, the city, trustee, or other mortgagee may determine that the mortgage debt for purposes of chapters 580, 581, 582, and 583 is the revenue agreement debt and does not include the bond debt, or the mortgagee may determine that the mortgage debt includes both the revenue agreement debt and the bond debt. The notice of sale or complaint shall state whether the foreclosure is to enforce only the

revenue agreement debt or both the revenue agreement debt and the bond debt. If the mortgagee determines that the foreclosure is to enforce only the revenue agreement debt and not the bond debt:

(1) the revenue agreement debt is the mortgage debt for all purposes under chapters 580, 581, 582, and 583;

(2) the bond debt will remain outstanding as a valid and continuing separate debt and will not be extinguished, satisfied, relinquished, or otherwise terminated by the foreclosure sale; and

(3) the city or mortgagee may enter into a revenue agreement with the purchaser of the mortgaged property or a subsequent transferee, which provides for satisfaction by payment in full or otherwise of all principal of and interest on the bonds then in arrears and to become due.

462C.15 MORTGAGE CREDIT CERTIFICATE AID.

Subdivision 1. **Application.** By May 15 of each year, a city issuing mortgage credit certificates during the previous calendar year shall report to the commissioner of trade and economic development. The report shall be in a form and contain the information necessary to determine the aid amounts, as prescribed by the commissioner. The report shall contain, at least, for each mortgage loan for which a mortgage credit certificate was issued: (1) the principal amount of the loan, (2) the interest rate on the loan, (3) the term of the loan, and (4) the credit rate.

Subd. 2. **Payment of aid.** By July 15 of each year, the commissioner of trade and economic development shall pay mortgage credit certificate aid to each city issuing certificates during the previous calendar year and submitting a timely application under subdivision 1. The amount of aid to be paid to a city for a calendar year equals the sum of the aid for each mortgage credit certificate issued by the city for a mortgage loan that is outstanding during the calendar year, assuming no prepayment of principal. The amount of mortgage credit certificate aid for each mortgage credit certificate equals eight percent multiplied by the product of the credit rate, the outstanding principal amount of the loan, and the original interest rate on the loan. For purposes of calculating the aid for a variable rate loan, the original interest rate means the interest rate that applies in the first year of the loan. For purposes of calculating the aid, the commissioner shall assume level amortization with no prepayment of principal.

Subd. 3. **Use of aid.** The city shall transfer the aid to its housing authority to be used to provide homeownership programs to families or individuals whose incomes are at or below 80 percent of the area median income.

Subd. 4. **Appropriation.** An amount sufficient to pay the aid under this section is appropriated from the general fund to the commissioner of trade and economic development.
