52.01 ORGANIZATION.

Any seven residents of the state may apply to the commissioner of commerce for permission to organize a credit union.

A credit union is a cooperative society, incorporated for the twofold purpose of promoting thrift among its members and creating a source of credit for them at legitimate rates of interest for provident purposes.

A credit union is organized in the following manner:

(1) The applicants execute, in duplicate, a certificate of organization by the terms of which they agree to be bound, which shall state:

(a) the name and location of the proposed credit union;

(b) the names and addresses of the subscribers to the certificate and the number of shares subscribed by each;

(2) The applicants submit the following in the form prescribed by the commissioner of commerce:

(a) a statement of the common bond of the proposed credit union;

(b) the number of potential members;

(c) the geographic dispersion of the potential members;

(d) evidence of interest, including willingness of potential members to assume responsibility for leadership and service;

(e) a two-year forecast of probable levels of assets, shares and deposits, and income and expense;

(f) the availability of other credit union services to the potential members;

(g) other information the commissioner requires;

(3) They next prepare and adopt bylaws for the general governance of the credit union consistent with the provisions of this chapter, and execute them in duplicate;

(4) The certificate and the bylaws, both executed in duplicate, are forwarded to the commissioner of commerce with a \$100 application fee;

(5) The commissioner of commerce shall, within 60 days of the receipt of the certificate, the information required by paragraph (2), and the bylaws determine whether they comply with the provisions of this chapter, and whether or not the organization of the credit union in question would benefit its members, be economically feasible, and be consistent with the purposes of this chapter;

(6) Thereupon the commissioner of commerce shall notify the applicants of the decision. If it is favorable, the commissioner shall upon receipt of a commitment for insurance of

accounts as required by section 52.24, subdivision 2, issue a certificate of approval, attached to the duplicate certificate of organization, and return them with the duplicate bylaws to the applicants. If it is unfavorable, the applicants may, within 60 days after the decision, appeal for a review in a court of competent jurisdiction;

(7) The applicants shall thereupon file the duplicate of the certificate of organization, with the certificate of approval attached thereto, with the secretary of state, who shall make a record of the certificate and return it, with a certificate of record attached thereto, to the commissioner of commerce for permanent records; and

(8) Thereupon the applicants shall be a credit union incorporated in accordance with the provisions of this chapter.

In order to simplify the organization of credit unions, the commissioner of commerce shall prepare approved forms of certificate of organization and bylaws, consistent with this chapter, which may be used by credit union incorporators for their guidance, and on written application of seven residents of the state, shall supply them without charge with a blank certificate of organization and a copy of the form of suggested bylaws.

52.02 BYLAWS AND AMENDMENTS, APPROVAL.

Subdivision 1. **Amendments by members.** (a) To amend the certificate of organization or bylaws, proposed amendments shall be set forth as follows:

(1) if balloting by mail has not been authorized by the board of directors, then a statement of intent to amend which identifies the proposed amendments shall be set forth in the notice of the meeting; or

(2) if balloting by mail has been authorized by the board of directors as either the exclusive means of voting or in conjunction with voting in person, a statement of intent to amend which identifies the proposed amendments shall be set forth in a notice mailed to all members eligible to vote at least 30 days prior to the close of balloting by mail. Any amendments to the certificate of organization or bylaws shall be approved by two-thirds vote of the members actually voting, if the members actually voting constitute a quorum.

(b) A member receiving notice of a proposed bylaw amendment pursuant to this subdivision may request a written copy of the proposed bylaw amendment. This request must be made no later than ten days prior to the close of balloting by mail or the date set for the meeting. The credit union shall provide the member with a written copy of the proposed bylaw amendment upon receipt of a timely request and the original notice must inform the member of the right to make a request. A copy of the proposed amendments shall be posted in the credit union's office for member review 30 days prior to the close of balloting by mail or the date of the meeting.

Subd. 2. **Bylaw amendments by directors.** The members may, pursuant to subdivision 1, provide for the bylaws to be amended by the board of directors. If the bylaws permit amendment by the directors, any amendments shall be approved by a two-thirds vote of the total number of directors authorized. The board of directors shall not adopt, amend, or repeal a bylaw fixing a quorum for meetings of members, prescribing procedures for removing directors or filling vacancies in the board, or fixing the number of directors or their classifications, qualifications, or terms of office, but may adopt or amend a bylaw to increase the number of directors. If three percent or more of all members propose a resolution for action by the members to adopt, amend, or repeal bylaws adopted, amended, or repealed by the board and the resolution sets forth the provisions proposed for adoption, amendment, or repeal, the resolution shall be submitted to the members for a vote as provided in subdivision 1.

Subd. 3. **Approval.** Amendments to the certificate of organization or bylaws must be approved by the commissioner of commerce before they become operative. The commissioner shall not unreasonably withhold approval if the amendments do not violate any provision of this chapter or other state law. In any event, the commissioner shall approve or disapprove the proposed amendment within 60 days of the date the proposed amendment is submitted to the commissioner by the credit union. In case of disapproval the credit union shall

have the right to appeal to a court of competent jurisdiction within the time limits stated in section 52.01, clause (6). In case any amendment to the certificate of organization is adopted, the resolution, containing a full text of the amendment and verified by its president or treasurer and approved by the commissioner of commerce, shall be recorded in the office of the secretary of state.

Subdivision 1. Penalty. Except as provided in subdivision 2, it shall be a misdemeanor for any person, association, copartnership, or corporation, except corporations organized in accordance with the provisions of this chapter, to use the words "credit union" in their name or title.

Subd. 2. Reciprocity. With the approval of the commissioner, a credit union chartered in another state shall be permitted to do business in Minnesota if Minnesota credit unions are permitted to do business in that state, and if:

(a) the credit union is organized under laws similar to Minnesota laws applicable to credit unions;

(b) the credit union is financially solvent;

(c) the credit union needs to conduct business in this state to adequately serve its members in this state;

(d) the credit union satisfies the mandatory share and deposit insurance requirements in section 52.24;

(e) the credit union designates and maintains an agent for the service of process in this state; and

(f) the credit union complies with the provisions of section 52.04.

Subd. 3. Cease and desist. If subsequent to approval it is determined that a reciprocating state credit union is not in compliance with the criteria of subdivision 2, the commissioner may by order require such reciprocating state credit union to discontinue its Minnesota operations by a date certain. The order would be subject to the procedures applicable to cease and desist proceedings pursuant to sections 46.23 to 46.33 and any rules promulgated thereunder.

(2) to receive the savings of its members either as payment on shares or as deposits, including the right to conduct Christmas clubs, vacation clubs, and other thrift organizations within its membership. Trust funds received by a real estate broker or the broker's salespersons in trust may be deposited in a credit union;

(3) to make loans to members for provident or productive purposes as provided in section 52.16;

(4) to make loans to a cooperative society or other organization having membership in the credit union;

(5) to deposit in state and national banks and trust companies authorized to receive deposits;

However, payments on shares of and deposit with credit unions chartered by other states are restricted to credit unions insured by the National Credit Union Administration. The restrictions imposed by this clause do not apply to share accounts and deposit accounts of the Minnesota corporate credit union in United States central credit union or to share accounts and deposit accounts of credit unions in the Minnesota corporate credit union;

(10) to contract with any licensed insurance company or society to insure the lives of members to the extent of their share accounts, in whole or in part, and to pay all or a portion of the premium therefor;

(11) to indemnify each director, officer, or committee member, or former director, officer, or committee member against all expenses, including attorney's fees but excluding amounts paid pursuant to a judgment or settlement agreement, reasonably incurred in connection with or arising out of any action, suit, or proceeding to which that person is a party by reason of being or having been a director, officer, or committee member of the credit union, except with respect to matters as to which that person is finally adjudged in the action, suit, or proceeding to be liable for negligence or misconduct in the performance of duties. The indemnification is not exclusive of any other rights to which that person may be entitled under any bylaw, agreement, vote of members, or otherwise;

(12) upon written authorization from a member, retained at the credit union, to make payments to third parties by withdrawals from the member's share or deposit accounts or through proceeds of loans made to such member, or by permitting the credit union to make those payments from the member's funds prior to deposit; to permit draft withdrawals from member accounts, but a credit union proposing to permit draft withdrawals shall notify the commissioner of commerce, in the form prescribed, of its intent not less than 90 days prior to authorizing draft withdrawals. The board of directors of a credit union may restrict one class of shares to the extent that it may not be redeemed, withdrawn, or transferred except upon termination of membership in the credit union;

(13) to inform its members as to the availability of various group purchasing plans which are related to the promotion of thrift or the borrowing of money for provident and productive purposes by means of informational materials placed in the credit union's office, through its publications, or by direct mailings to members by the credit union;

(14) to facilitate its members' voluntary purchase of types of insurance incidental to promotion of thrift or the borrowing of money for provident and productive purposes including, but not limited to the following types of group or individual insurance: Fire, theft, automobile, life and temporary disability; to be the policy holder of a group insurance plan or a subgroup under a master policy plan and to disseminate information to its members concerning the insurance provided thereunder; to remit premiums to an insurer or the holder of a master policy on behalf of a credit union member, if the credit union obtains written authorization from the member for remittance by share or deposit withdrawals or through proceeds of loans made by the members, or by permitting the credit union to make the payments from the member's funds prior to deposit; and to accept from the insurer reimbursement for expenses incurred or in the case of credit life, accident and health, and involuntary unemployment insurance within the meaning of chapter 62B commissions for the handling of the insurance. The amount reimbursed or the commissions received may constitute the general income of the credit union. The directors, officers, committee members and employees of a credit union shall not profit on any insurance sale facilitated through the credit unions;

(15) to contract with another credit union to furnish services which either could otherwise perform. Contracted services under this clause are subject to regulation and examination by the commissioner of commerce like other services;

(16) in furtherance of the twofold purpose of promoting thrift among its members and creating a source of credit for them at legitimate rates of interest for provident purposes, and not in limitation of the specific powers hereinbefore conferred, to have all the powers enu-

52.05 MEMBERSHIP.

Subdivision 1. **Requirements.** Credit union membership consists of the incorporators and other persons as may be elected to membership and subscribe to at least one share as designated by the board of directors, pay the initial installment thereon and the entrance fee if any. In addition to a regularly qualified member, the spouse of a member, the blood or adoptive relatives of either of them and their spouses may be members. When an individual member of a credit union leaves the field of membership, the member, and all persons who became members by virtue of that individual's membership may continue as members. The surviving spouse of a regularly qualified member, and the blood or adoptive relatives of either of them and their spouses may become members. Organizations, incorporated or otherwise, composed for the most part of the same general group as the credit union membership may be members. Credit unions chartered by this or any other state, or any federal credit union may be members. Credit union organizations shall be limited to groups, of both large and small membership, having a common bond of occupation, or association, or to residents within a well-defined neighborhood, community, or rural district.

Subd. 2. **Application.** Any 25 persons representing a group may apply to the commissioner, advising the commissioner of the common bond of the group and its number of potential members, for a determination whether it is feasible for the group to form a credit union. Upon a determination that it is not feasible to organize because the number of potential members is too small, the applicants will be certified by the commissioner as eligible to petition for membership in an existing credit union capable of serving the group. If the credit union so petitioned resolves to accept the group into membership, it shall follow the bylaw amendment and approval procedure set forth in section 52.02.

The commissioner shall adopt rules to implement this subdivision. These rules must provide that:

(1) for the purpose of this subdivision, groups with a potential membership of less than 1,500 will be considered too small to be feasible as a separate credit union, unless there are compelling reasons to the contrary, relevant to the objectives of this subdivision;

(2) groups with a potential membership in excess of 1,500 will be considered in light of all circumstances relevant to the objectives of this subdivision; and

(3) all group applications, except for applications from groups made up of members of existing credit unions or groups made up of people who have a common employer which qualifies them for membership in an existing credit union, will be considered separately from any consideration of the membership provisions of existing credit unions; except that, groups made up of members of an existing credit union may be certified under this subdivision with the agreement of the credit union.

52.06 SUPERVISION; REPORTS; AUDITS; FEES.

Subdivision 1. Report and audit schedule. Credit unions shall be under the supervision of the commissioner of commerce. Each credit union shall annually, on or before January 25, file a report with the commissioner of commerce on forms supplied by the commissioner for that purpose giving such relevant information as the commissioner may require concerning the operations during the preceding calendar year. Additional reports may be required. Credit unions shall be examined, at least once every 18 calendar months, by the commissioner of commerce. Further, in lieu of this examination the commissioner may accept any examination made by the National Credit Union Administration, provided a copy of the examination is furnished to the commissioner. A report of the examination by the commissioner of commerce shall be forwarded to the president, or the chair of the board if the position is so designated pursuant to section 52.09, subdivision 4, of the examined credit union within 60 days after completion of the examination. Within 60 days of the receipt of such report, a general meeting of the directors and committees shall be called to consider matters contained in the report. For failure to file reports when due, unless excused for cause, the credit union shall pay to the state treasurer \$5 for each day of its delinquency.

Subd. 2. Bookkeeping standards. Whenever it shall appear to the commissioner of commerce that any credit union operating in this state does not keep books and accounts in such manner as to enable the commissioner to readily ascertain the true condition of such credit union, the commissioner may require the officers of such credit union or any of them to open and keep such books or accounts as the commissioner may determine and prescribe for the purpose of keeping accurate and convenient records of the transactions and accounts of such credit union. Credit union books and records must be maintained in one location and be available for examination sometime between the hours of 8:00 a.m. and 5:00 p.m. weekdays. Any credit union failing to produce the books and records when requested shall be charged for such attempted examination by the examiner on the basis outlined in section 46.131 and a like charge shall be assessed for each and every attempt made by the examiner to obtain the books and records. Prepaid expenses may be treated as an asset account in accordance with sound accounting procedures.

52.061 CREDIT UNION ADVISORY TASK FORCE.

The commissioner of commerce may appoint a credit union advisory task force to consult with, advise, and make recommendations to the commissioner in all matters pertaining to credit unions. If created, the advisory task force shall consist of five members who shall be appointed by the commissioner and who shall be persons who have had three or more years of experience as a credit union officer, director or committee member. To aid in making a selection of the five advisory task force members, the Minnesota league of credit unions may submit a list of not less than 15 names; however, the commissioner shall not be limited to this list in making selections. The commissioner may review with the advisory task force the records of the department of commerce concerning the supervision, regulation, and examination of credit unions. The task force expiration, terms, compensation, and removal of members shall be as provided in section 15.059.

52.062 CREDIT UNIONS; SUSPENSION OF OPERATION.

Subdivision 1. Reasons for commissioner's action. Whenever the commissioner of commerce shall find that a credit union is engaged in unsafe or unsound practices in conducting its business or that the shares of the members are impaired or are in immediate danger of becoming impaired, or that such credit union has knowingly or negligently permitted any of its officers, directors, committee members, or employees to violate any material provision of any law, bylaw, or rule to which the credit union is subject, the commissioner of commerce may proceed in the manner provided by either subdivision 2 or 3.

Subd. 2. Suspension. The commissioner of commerce may suspend the operation of the credit union by giving notice to its board of directors by certified mail with a copy to the advisory council. Said notice shall include a list of reasons for said suspension and a list of any specific violations of law, bylaw, or rule, and shall specify which operations of the credit union may be continued during the period of suspension. The notice shall also fix a time and place for a hearing before the commissioner of commerce or such person or persons as the commissioner of commerce may designate. The hearing shall be held within 60 days of the notice of suspension, and the advisory council shall sit at such hearing for the purpose of providing advice and counsel to the commissioner of commerce or a representative. Evidence may be produced at said hearing by any party thereto, and the commissioner of commerce shall base the decision as to the continued suspension of operation of the credit union upon said evidence. If the commissioner of commerce decides to continue the suspension, the commissioner shall give notice of the decision to the board of directors of the credit union.

Subd. 3. Investigation by advisory task force. In lieu of immediate suspension of the operation of the credit union, the commissioner of commerce may submit to the advisory task force, with a copy to the affected credit union, a statement with respect to said practices or violations for the purpose of investigation and review by the advisory task force so that it may attempt to cause the correction of said practices or violations. Unless said corrections shall be made within 60 days of the notice to the advisory task force and the credit union, the commissioner of commerce, if intending to proceed further, shall give written notice to the affected credit union of the intention to suspend the operation of the credit union, and fix a time and place for a hearing before the commissioner of commerce, or such person or persons as the commissioner of commerce may designate. The advisory task force shall sit at such hearing for the purpose of providing advice and counsel to the commissioner of commerce or a representative. Evidence may be produced at said hearing by any party thereto, and the commissioner of commerce shall base the decision as to the suspension of operation of the credit union upon said evidence. If the commissioner of commerce decides to suspend operation of the credit union, the board of directors shall be given notice by certified mail of such suspension, which notice shall include a list of reasons for such suspension and a list of any specific violations of law, bylaw, or rule, and shall specify which operations of the credit union may continue during the period of suspension.

52.063 PROCEEDINGS FOLLOWING SUSPENSION OR CONTINUATION OF SUSPENSION.

Upon receipt of the suspension notice or the notice of the continuation of suspension, the credit union shall immediately cease or continue cessation of all operations except those operations specifically authorized by the commissioner of commerce. If the notice is given pursuant to determination by the commissioner of commerce after a hearing, the board of directors shall have 60 days from the receipt of said notice in which to file with the commissioner of commerce a proposed plan of corrective actions or to request that a receiver be appointed for the credit union. The commissioner of commerce shall have 30 days from the receipt of the proposed plan of corrective actions to determine if the proposed corrective actions are sufficient to correct the deficiencies which formed the basis for the suspension. If the commissioner of commerce determines that the proposed corrective actions are sufficient, the suspension shall be lifted and the credit union returned to normal operations under its board of directors. If the commissioner of commerce believes the proposed corrective actions insufficient, or if the board has failed to answer the suspension notice, or has requested that a receiver be appointed, then the commissioner of commerce shall apply to the district court for appointment of a receiver. The credit union shall have the right, within six months of the receipt of any notice of suspension or continuation of suspension pursuant to a determination by the commissioner of commerce after hearing, to appeal to the district court for a ruling as to the validity of such notice.

A receiver shall take possession and control of all the books, assets, and records of the credit union, which shall not be subject to any levy or attachment, and shall cease or continue cessation of all operations except those which have been authorized by the court. For a period of 90 days after the appointment of the receiver, or such longer time as the court may prescribe, the receiver, the board of directors of the credit union, or any group of 15 members of the credit union may apply to the court for permission to file, and if permitted may file, a plan of reorganization, merger, or consolidation for the credit union. If such plan is approved by the commissioner of commerce and the court, the books, assets, and records of the credit union shall be returned to the members pursuant to the plan, and the receiver shall be discharged.

Subd. 2. Winding up. If a plan of reorganization, merger, or consolidation is not submitted during the 90 day period, or such other period allowed by the court, or if any such plan is not approved by the commissioner of commerce and the court, the receiver shall proceed to collect and distribute the assets of the credit union, discharge its debts, and do such other acts required in order to wind up its business, and may sue and be sued for the purpose of enforcing its claims, debts, and obligations until its affairs are completed and the receiver discharged. The receiver shall use the assets of the credit union to pay first, expenses incidental to the receivership and liquidation proceedings; second, any creditors other than depositors; and third, depositors. Assets then remaining shall be distributed to the members proportionately to shares held by each member as of the date the receiver is appointed.

An application must contain a certification signed by the membership chair or a member of the board showing the basis of membership;

(2) determine interest rates on loans and on deposits. The interest period on deposits may be on a daily, monthly, quarterly, semiannual, or annual basis, and may be paid on all deposits whether or not the deposits have been withdrawn during the interest period. Interest may be computed on a daily basis;

(3) fix the amount of the surety bond required of all officers and employees handling money;

The ten percent share and deposit limitation is not applicable to the Minnesota corporate credit union, or to credit unions insured by the National Credit Union Administration;

Subd. 4. Officers' titles. Notwithstanding the other provisions of this chapter, the bylaws may provide that the position of president and vice-president of the directors as set forth in this chapter be designated chair of the board and vice-chair, and if so designated, the position of manager or general manager as set forth in this chapter may be designated president, and one or more vice-presidents may be appointed. If the position of manager or general manager is designated president pursuant to this section, the treasurer may be the president. A change of titles pursuant to this section does not change the powers and duties of the position.

Subd. 5. Elimination or limitation of liability. A director's personal liability to the credit union or its members for monetary damages for breach of fiduciary duty as a director may be eliminated or limited in the bylaws. The bylaws shall not eliminate or limit liability of a director:

Applications for loans shall be on a form prepared by the credit committee, shall set forth the purpose for which the loan is desired, the security, if any, offered and such other data as may be required. Within the meaning of this section, an assignment of shares or deposits or the endorsement of a note may be deemed security. Except where the credit committee approves the extension of a self-replenishing line of credit pursuant to section 52.16, subdivision 2, at least a majority of the members of the credit committee shall pass on all loans and approval must be in writing and by unanimous vote of the members present. The credit committee shall meet as often as may be necessary after due notice to each member of the committee. In the case of any credit union having total assets in excess of \$10,000, the board of directors may authorize the credit committee to appoint one or more loan officers. Loan officers, subject to the supervision of the committee, may be delegated authority by the credit committee to act on all or some applications for loans and to approve them, reporting thereon to the credit committee at their next meeting or within 15 days. The credit committee and the board of directors, meeting jointly and acting collectively as a whole, shall have the general supervision of all loans to a member who is a director, officer, or a member of the credit or supervisory committee whenever the application exceeds the amount of the member's holdings in shares and deposits. Application for these loans shall be in similar form as may be required to be furnished to the credit committee for a loan in the case of any other member. At least a majority of the members of the credit committee and of the board of directors at a joint meeting and acting collectively as a whole, shall pass on all such loans in the absence of the applicant, and the approval of the loan must be in writing and by unanimous vote of all members present. The credit committee and the board of directors shall meet for this purpose as often as may be necessary after due notice to each member of the board and credit committee.

Subd. 2. Authority of credit manager. If a credit manager is appointed, the board shall have the powers and responsibilities described in subdivision 1 for a credit committee. The board may delegate in writing any or all of these powers and responsibilities to a credit manager.

Subd. 2. Interest rates on unpaid balances of loans made by a credit union shall not exceed one percent a month or the rate of interest authorized by section 48.195, whichever is greater at the time the loan is made. 52.15 BORROWING, LIMITATION.

Subdivision 1. **40 percent of unimpaired assets.** A credit union may borrow from any source, or sources, sums not exceeding in the aggregate 40 percent of its unimpaired assets. For the purposes of this subdivision, “unimpaired assets” mean total assets less borrowings, including all forms of indebtedness, accounts payable, and any amount by which reserves and undivided earnings will not be adequate to meet the reserve requirements caused by classified assets.

Subd. 2. **More borrowing for liquidity needs.** Notwithstanding the provisions of subdivision 1, a credit union, with the prior written approval of the commissioner of commerce, may borrow additional sums to meet its liquidity needs. For purposes of this subdivision, “liquidity needs” means the needs of a credit union for:

(a) Short-term adjustment credit to cushion deposit or share outflows pending an orderly adjustment of assets and liabilities;

(b) Seasonal needs arising from a combination of expected patterns of movement in share and deposit accounts and loans; and

(c) Protracted adjustment needs in the event of unusual or emergency circumstances of a longer-term nature resulting from national, regional or local difficulties. Applications for written approval shall include the specific dollar amount or increase in the aggregate percentage with respect to unimpaired assets that may be borrowed by the credit union and the period of time the additional borrowed sums will be needed. The commissioner’s approval must state the specific dollar amount or increase in the aggregate percentage being approved and the period of time for which the approval is effective.

Loans must be for a provident or productive purpose and are made subject to the conditions contained in the bylaws. A borrower may repay a loan, in whole or in part, any day the office of the credit union is open for business. Except for loans secured by first real estate mortgages on homes owned and occupied, of the character made to other members, no director, officer, or member of the credit or supervisory committee may become li-

able, as a borrower or endorser for other borrowers, or both, to the credit union in which that person holds office, beyond the amount of the person's holdings in shares and deposits therein, unless the loan shall have been approved in the manner provided by section 52.10.

Subd. 2. Self-replenishing line of credit. Upon application by a member, the credit committee may approve in advance a self-replenishing line of credit, and advances may be granted to a member within the limit of the extension of credit. Where a self-replenishing line of credit has been approved, additional loan applications may be required.

Subdivision 1. Definition. As used in this section, "graduated payment home loan" means a real estate loan made pursuant to section 52.16, whereunder initial periodic repayments are lower than those under the standard real estate loan having equal periodic repayments, and gradually rise to a predetermined point after which they remain constant.

Notwithstanding the provisions of section 334.01, subdivision 1, and subject to the provisions of section 47.201, subdivisions 4 to 6, a credit union may make graduated payment home loans and purchases representing graduated payment home loans pursuant to such rules as the commissioner of commerce finds to be necessary and proper, if any, at an interest rate not in excess of the rate prescribed in section 52.14. Notwithstanding the provisions of section 334.01, subdivision 1, where initial repayments of a graduated payment home loan are less than the total accrued outstanding interest, the excess accrued and unpaid interest may be added to the outstanding loan balance on which interest accrues at the contracted rate.

52.17 RESERVE FUND.

Subdivision 1. Provision for losses. Every credit union shall maintain a reserve fund, which shall be used as a reserve against losses on loans, losses on investments, and other losses, and shall not be used to pay expenses of the credit union or otherwise distributed, except in case of liquidation. At the end of each monthly accounting period the gross income shall be determined. From this amount, there shall be set aside, as a statutory reserve against losses on loans, losses on investments, and against other losses as may be specified in rules prescribed by the commissioner of commerce, sums in accordance with the following schedule:

(a) A credit union in operation for more than four years and having assets of \$500,000 or more shall set aside (1) ten percent of gross income until the statutory reserve shall equal four percent of the total of outstanding loans and risk assets, then (2) five percent of gross income until the statutory reserve shall equal six percent of the total of outstanding loans and risk assets;

(b) A credit union in operation less than four years or having assets of less than \$500,000 shall set aside (1) ten percent of gross income until the statutory reserve shall equal seven percent of the total of outstanding loans and risk assets, then (2) five percent of gross income until the statutory reserve shall equal ten percent of the total outstanding loans and risk assets.

Whenever the statutory reserve falls below the percent of the total of outstanding loans and risk assets required by clause (a) or (b), it shall be replenished in the manner provided by clause (a) or (b) by regular contributions to maintain the stated reserve goals. The commissioner may waive the requirements in paragraphs (a), clause (2), and (b), clause (2), based on applications by credit unions demonstrating need and considering levels of total reserves and other factors bearing on the credit union's safety and soundness. The commissioner may also require special reserves to protect the interests of members either by rule or by an individual credit union in any special case.

The following shall not be included in computing outstanding loans and risk assets pursuant to clauses (a) and (b): loans to other credit unions; loans to the extent secured by a pledge of savings in the lending credit union; loans which are purchased or acquired from liquidating or merging credit unions and guaranteed by an insurance corporation pursuant to

section 52.24; loans insured or guaranteed by the United States or the state of Minnesota, any agency or instrumentality of the United States or the state of Minnesota, to the amount of the insurance or guarantee.

Subd. 2. Required liquidity. Every credit union shall maintain a reserve in the form of liquid assets at a level reasonably necessary to meet anticipated withdrawals, commitments, and loan demand. Reserves must be in cash and balances due from solvent banks or which may be, in whole or in part, in short term obligations guaranteed as to principal and interest by the United States government or in certificates of deposit of a federally insured bank or in a passbook or other account in a federally insured savings association or in balances due from the Minnesota corporate credit union or ICU services corporation or United States central credit union. The commissioner of commerce may prescribe the required amount of reserves for any individual credit union from time to time based upon examination findings or other reports relating to the credit union that are available to the commissioner. The determination by the commissioner of a required amount of reserves for a credit union shall not be considered a rule as defined by section 14.02, subdivision 4. Reserves for an individual credit union as prescribed by the commissioner pursuant to this section shall be enforced in accordance with sections 46.24 and 46.30 to 46.33.

52.18 DIVIDENDS.

The directors of a credit union may, on a daily, monthly, quarterly, semiannual, or annual basis as its board of directors may determine, declare and pay a dividend from net earnings or accumulated net undivided profits remaining after statutory reserve has been set aside, which dividend may be paid on all shares whether or not they have been withdrawn during the dividend period. Dividends may be computed on a daily basis. The board of directors may classify its share accounts according to character, amount and duration and declare dividends which may be at variable rates with due regard to the conditions that pertain to each class of shares, or pay no dividend at all. A dividend shall be uniform within a classification. Shares which become fully paid up during a dividend period shall be entitled to a proportional part of the dividend calculated from the first day of the month following the payment in full. For the purpose of this section, shares which become fully paid up by the 15th day of any month may be treated as being paid up from the first day of the month.

52.19 EXPULSION OR WITHDRAWAL OF MEMBERS.

Subdivision 1. A member may be expelled by a two-thirds vote of the members present at a special meeting called to consider the matter, but only after a hearing. A member may also be expelled by the board of directors in accordance with a procedure and policy under subdivision 2. Any member may withdraw from the credit union at any time, but notice of withdrawal may be required. All amounts paid on shares or as deposits of an expelled or withdrawing member, with any dividends or interest accredited thereto, to the date thereof, shall, as funds become available and after deducting all amounts due from the member to the credit union and an amount as necessary to honor outstanding share drafts drawn against the accounts of the member, be paid to the member. The credit union may require 60 days' notice of intention to withdraw shares and 30 days' notice of intention to withdraw deposits, except that a credit union shall not at any time require notice of withdrawal of funds subject to withdrawal by share drafts. Withdrawing or expelled members shall have no further right in the credit union, but are not, by the expulsion or withdrawal, released from any remaining liability to the credit union.

Subd. 2. The board of directors may adopt a procedure and policy for expulsion of members for nonparticipation in the affairs of the credit union. The policy must be based on:

(1) failure to purchase and maintain at least one credit union share or to pay entrance or membership fees, if any; or

(2) causing monetary loss to the credit union.

If adopted, written notice of the procedure and policy and their effective date shall be mailed not less than 30 days before their effective date to each member of the credit union at the member's address on the credit union records. Each new member shall be provided written notice of the procedure and policy before or upon applying for membership.

52.191 INACTIVE ACCOUNTS.

Whenever a member's share or deposit balance is less than \$25 and the member has not transacted any business with the credit union for a period of at least three years, the board of directors, after giving 30 days' written notice by certified mail to the last known address of the member, may transfer the balance to the operating reserve fund of the credit union. Thereafter, subject to the law governing abandoned funds, the member may recover the funds in the account at the time of the transfer by making application to the credit union for such funds, but the credit union shall have no obligation to the member for the payment of dividends or interest on the funds after the transfer to the operating reserve.

52.20 VOLUNTARY DISSOLUTION.

Subdivision 1. **Special meeting; liquidation committee.** A credit union may be voluntarily liquidated after two-thirds of the members present and entitled to vote shall have voted such liquidation at a special meeting called by a majority of the board of directors for that purpose, upon 14 days mailed written notice to each member at the member's last known address clearly stating the purpose of the special meeting, or at any regular meeting after like notice of the purpose has been given. By a majority vote of the members present and entitled to vote at the meeting, a committee of three members shall be elected to liquidate the credit union.

Vacancies in this committee shall be filled by the remaining members of the committee, acting jointly with the board of directors serving at the time of the vote for liquidation, or by and with the approval of any ten or more shareholders. In case the remaining members of the committee or a majority of said board of directors shall notify the commissioner of commerce that a vacancy can not be filled in the manner therein provided, the commissioner shall have authority to fill the vacancy from the membership of the credit union as it existed at the time of the vote for liquidation.

Subd. 2. **Filing documents; commissioner's approval; bond.** Immediately after this meeting and before the committee shall proceed with the liquidation, the officers of the credit union shall file with the commissioner of commerce a certified copy of the minutes of this meeting, a written statement outlining the plan of liquidation, and a verified statement, in writing, signed by a majority of the officers, consenting to this liquidation containing the names and addresses of all officers and directors of the credit union. After the commissioner of commerce shall, by proper examination, determine that the credit union is solvent, the commissioner shall, within 60 days, issue a certificate of approval of the liquidation, which certificate shall be filed with the county recorder in the county where the credit union is located. A "solvent" credit union is one which is able to pay all of its debts and deposits. From and after this special meeting the credit union shall cease to do business except for purposes of liquidation. Before commencing the liquidation the committee shall execute and file with the commissioner of commerce a bond running to the state of Minnesota for the benefit of the members and creditors of the credit union in such amount and with such sureties and in such form as shall be approved by the commissioner of commerce, conditioned for the faithful performance of all duties of its trust. A bond may be waived in case of a bulk sale of assets to one or more purchasers upon terms approved by the commissioner of commerce. Such purchasers may include other credit unions or an association of credit unions.

Subd. 3. **Time of dissolution.** Upon filing this certificate with the county recorder, the credit union shall be deemed dissolved and its corporate existence terminated except for the purpose of discharging its debts, collecting and distributing its assets, and doing all other acts required in order to liquidate. The credit union shall have a corporate existence and may sue and be sued.

Subd. 4. Commissioner's intervention. If the credit union shall not be completely liquidated and its assets discharged within three years after the special meeting of the members, the commissioner of commerce may take possession of the books, records and assets and proceed to complete liquidation. If the commissioner determines after one year from the commencement of liquidation proceedings that the liquidation is not proceeding in a reasonable and expeditious manner under all of the circumstances, the commissioner may take possession of the books, records, and assets and appoint a liquidating agent who shall give a bond running to the state of Minnesota.

Subd. 5. Unclaimed dividends. Funds representing unclaimed dividends in liquidation in the hands of the liquidating committee or the commissioner of commerce for six months after date of final dividend, shall be deposited with the state treasurer, who shall, within one year thereafter, pay over the money so held to the persons respectively entitled thereto upon being furnished satisfactory evidence of their right to the same, and at the end of that year the state treasurer shall credit all residue of the deposit to the general fund.

There is hereby appropriated to the persons entitled to such amounts, from the funds or accounts in the state treasury to which the money was credited, an amount sufficient to make the payment.

Subd. 6. Final statement. Upon completion of the liquidation by the liquidating committee, it shall file with the commissioner of commerce a verified statement in writing signed by the members of the committee stating that all debts of the credit union, and all deposits, and all shares, or portions of shares which can be paid from the liquidation proceeds, have been paid, except any unclaimed dividends, and if any such, the amount thereof, the names of the persons entitled thereto, with their last known addresses, and all books and papers of the credit union shall thereupon be deposited with the commissioner of commerce.
