Subd. 4. **Fee.** (a) The response and reimbursement fee consists of the surcharges and any adjustments made by the commissioner in this subdivision and shall be collected by the commissioner. The amount of the response and reimbursement fee shall be determined and imposed annually by the commissioner as required to satisfy the requirements in subdivision 3. The commissioner shall adjust the amount of the surcharges imposed in proportion to the amount of the surcharges listed in this subdivision.

(b) The commissioner shall impose a surcharge on pesticides registered under chapter 18B to be collected as a surcharge on the registration application fee under section 18B.26, subdivision 3, that is equal to 0.1 percent of sales of the pesticide in the state and sales of pesticides for use in the state during the previous calendar year, except the surcharge may not be imposed on pesticides that are sanitizers or disinfectants as determined by the commissioner. No surcharge is required if the surcharge amount based on percent of annual gross sales is less than \$10. The registrant shall determine when and which pesticides are sold or used in this state. The registrant shall secure sufficient sales information of pesticides distributed into this state from distributors and dealers, regardless of distributor location, to make a determination. Sales of pesticides in this state and sales of pesticides for use in this state by out-of-state distributors are not exempt and must be included in the registrant's annual report, as required under section 18B.26, subdivision 3, paragraph (c), and fees shall be paid by the registrant based upon those reported sales. Sales of pesticides in the state for use outside of the state are exempt from the surcharge in this paragraph if the registrant properly documents the sale location and the distributors.

(c) The commissioner shall impose a ten cents per ton surcharge on the inspection fee under section 18C.425, subdivision 6, for fertilizers, soil amendments, and plant amendments.

(d) The commissioner shall impose a surcharge on the license application of persons licensed under chapters 18B and 18C consisting of:

(1) a \$75 surcharge for each site where pesticides are stored or distributed, to be imposed as a surcharge on pesticide dealer application fees under section 18B.31, subdivision 5;

(2) a \$75 surcharge for each site where a fertilizer, plant amendment, or soil amendment is distributed, to be imposed on persons licensed under sections 18C.415 and 18C.425;

(3) a \$50 surcharge to be imposed on a structural pest control applicator license application under section 18B.32, subdivision 6, for business license applications only;

(4) a \$20 surcharge to be imposed on commercial applicator license application fees under section 18B.33, subdivision 7;

(5) a \$20 surcharge to be imposed on noncommercial applicator license application fees under section 18B.34, subdivision 5, except a surcharge may not be imposed on a noncommercial applicator that is a state agency, political subdivision of the state, the federal government, or an agency of the federal government; and

(6) a \$20 surcharge to be imposed on aquatic pest control licenses under section 18B.315.

(e) A \$1,000 fee shall be imposed on each site where pesticides are stored and sold for use outside of the state unless:

(1) the distributor properly documents that it has less than \$2,000,000 per year in wholesale value of pesticides stored and transferred through the site; or

(2) the registrant pays the surcharge under paragraph (b) and the registration fee under section 18B.26, subdivision 3, for all of the pesticides stored at the site and sold for use outside of the state.

(f) Paragraphs (c) to (e) apply to sales, licenses issued, applications received for licenses, and inspection fees imposed on or after July 1, 1990.
