**244.035 SANCTIONS RELATED TO LITIGATION.**

The commissioner shall develop disciplinary sanctions to provide infraction penalties for an inmate who submits a frivolous or malicious claim as determined under section 563.02, subdivision 3, or who is determined by the court to have testified falsely or to have submitted false evidence to a court. Infraction penalties may include loss of privileges, punitive segregation, loss of good time, or adding discipline confinement time. The determination of the commissioner regarding disciplinary sanctions under this section is limited to the nature and extent of the infraction penalty to be imposed. The commissioner is bound by the finding of the court that the inmate submitted a frivolous or malicious claim, testified falsely, or submitted false evidence.

**244.05 SUPERVISED RELEASE TERM.**

*[For text of subs 1 to 7, see M.S.1996]*

Subd. 8. **Conditional medical release.** Notwithstanding subdivisions 4 and 5, the commissioner may order that any offender be placed on conditional medical release before the offender's scheduled supervised release date or target release date if the offender suffers from a grave illness or medical condition and the release poses no threat to the public. In making the decision to release an offender on this status, the commissioner must consider the offender's age and medical condition, the health care needs of the offender, the offender's custody classification and level of risk of violence, the appropriate level of community supervision, and alternative placements that may be available for the offender. An inmate may not be released under this provision unless the commissioner has determined that the inmate's health costs are likely to be borne by medical assistance, Medicaid, general assistance medical care, veteran's benefits, or by any other federal or state medical assistance programs or by the inmate. Conditional medical release is governed by provisions relating to supervised release except that it may be rescinded without hearing by the commissioner if the offender's medical condition improves to the extent that the continuation of the conditional medical release presents a more serious risk to the public.

**244.052 SEX OFFENDERS; NOTICE.**

*[For text of subs 1 and 2, see M.S.1996]*

Subd. 3. **End-of-confinement review committee.** (a) The commissioner of corrections shall establish and administer end-of-confinement review committees at each state correctional facility and at each state treatment facility where sex offenders are confined. The committees shall assess on a case-by-case basis:

(1) the public risk posed by sex offenders who are about to be released from confinement; and

(2) the public risk posed by sex offenders who are accepted from another state under a reciprocal agreement under the interstate compact authorized by section 243.16.

(b) Each committee shall be a standing committee and shall consist of the following members appointed by the commissioner:

(1) the chief executive officer or head of the correctional or treatment facility where the offender is currently confined, or that person's designee;

(2) a law enforcement officer;

(3) a treatment professional who is trained in the assessment of sex offenders;

(4) a caseworker experienced in supervising sex offenders; and

(5) an employee of the department of corrections from the victim's services unit.

Members of the committee, other than the facility's chief executive officer or head, shall be appointed by the commissioner to two-year terms. The chief executive officer or head of the facility or designee shall act as chair of the committee and shall use the facility's staff, as needed, to administer the committee, obtain necessary information from outside sources, and prepare risk assessment reports on offenders.

(c) The committee shall have access to the following data on a sex offender only for the purposes of its assessment and to defend the committee's risk assessment determination upon administrative review under this section:

(1) private medical data under section 13.42 or 144.335, or welfare data under section 13.46 that relate to medical treatment of the offender;

(2) private and confidential court services data under section 13.84;

(3) private and confidential corrections data under section 13.85; and

(4) private criminal history data under section 13.87.

Data collected and maintained by the committee under this paragraph may not be disclosed outside the committee, except as provided under section 13.05, subdivision 3 or 4. The sex offender has access to data on the offender collected and maintained by the committee, unless the data are confidential data received under this paragraph.

(d) At least 90 days before a sex offender is to be released from confinement or accepted for supervision, the commissioner of corrections shall convene the appropriate end-of-confinement review committee for the purpose of assessing the risk presented by the offender and determining the risk level to which the offender shall be assigned under paragraph (e). The offender shall be notified of the time and place of the committee's meeting and has a right to be present and be heard at the meeting. The committee shall use the risk factors described in paragraph (g) and the risk assessment scale developed under subdivision 2 to determine the offender's risk assessment score and risk level. Offenders scheduled for release from confinement shall be assessed by the committee established at the facility from which the offender is to be released. Offenders accepted for supervision shall be assessed by whichever committee the commissioner directs.

(e) The committee shall assign to risk level I a sex offender whose risk assessment score indicates a low risk of reoffense. The committee shall assign to risk level II an offender whose risk assessment score indicates a moderate risk of reoffense. The committee shall assign to risk level III an offender whose risk assessment score indicates a high risk of reoffense.

(f) Before the sex offender is released from confinement or accepted for supervision, the committee shall prepare a risk assessment report which specifies the risk level to which the offender has been assigned and the reasons underlying the committee's risk assessment decision. The committee shall give the report to the offender and to the law enforcement agency at least 60 days before an offender is released from confinement or accepted for supervision. The committee also shall inform the offender of the availability of review under subdivision 6.

(g) As used in this subdivision, "risk factors" includes, but is not limited to, the following factors:

(1) the seriousness of the offense should the offender reoffend. This factor includes consideration of the following:

- (i) the degree of likely force or harm;
- (ii) the degree of likely physical contact; and
- (iii) the age of the likely victim;

(2) the offender's prior offense history. This factor includes consideration of the following:

- (i) the relationship of prior victims to the offender;
- (ii) the number of prior offenses or victims;
- (iii) the duration of the offender's prior offense history;

(iv) the length of time since the offender's last prior offense while the offender was at risk to commit offenses; and

- (v) the offender's prior history of other antisocial acts;

(3) the offender's characteristics. This factor includes consideration of the following:

- (i) the offender's response to prior treatment efforts; and
- (ii) the offender's history of substance abuse;

(4) the availability of community supports to the offender. This factor includes consideration of the following:

(i) the availability and likelihood that the offender will be involved in therapeutic treatment;

(ii) the availability of residential supports to the offender, such as a stable and supervised living arrangement in an appropriate location;

(iii) the offender's familial and social relationships, including the nature and length of these relationships and the level of support that the offender may receive from these persons; and

- (iv) the offender's lack of education or employment stability;

(5) whether the offender has indicated or credible evidence in the record indicates that the offender will reoffend if released into the community; and

(6) whether the offender demonstrates a physical condition that minimizes the risk of reoffense, including but not limited to, advanced age or a debilitating illness or physical condition.

(h) Upon the request of the law enforcement agency or the offender's corrections agent, the commissioner may reconvene the end-of-confinement review committee for the purpose of reassessing the risk level to which an offender has been assigned under paragraph (e). In a request for a reassessment, the law enforcement agency or agent shall list the facts and circumstances arising after the initial assignment under paragraph (e) which support the request for a reassessment. Upon review of the request, the end-of-confinement review committee may reassign an offender to a different risk level. If the offender is reassigned to a higher risk level, the offender has the right to seek review of the committee's determination under subdivision 6.

(i) An offender may request the end-of-confinement review committee to reassess the offender's assigned risk level after two years have elapsed since the committee's initial risk assessment and may renew the request once every two years following subsequent denials. In a request for reassessment, the offender shall list the facts and circumstances which demonstrate that the offender no longer poses the same degree of risk to the community. The committee shall follow the process outlined in paragraphs (a) to (e), and (g) in the reassessment.

**Subd. 4. Law enforcement agency; disclosure of information to public.** (a) The law enforcement agency in the area where the sex offender resides, expects to reside, is employed, or is regularly found, shall disclose to the public any information regarding the offender contained in the report forwarded to the agency under subdivision 3, paragraph (f), if the agency determines that disclosure of the information is relevant and necessary to protect the public and to counteract the offender's dangerousness. The extent of the information disclosed and the community to whom disclosure is made must relate to the level of danger

posed by the offender, to the offender's pattern of offending behavior, and to the need of community members for information to enhance their individual and collective safety.

(b) The law enforcement agency shall consider the following guidelines in determining the scope of disclosure made under this subdivision:

(1) if the offender is assigned to risk level I, the agency may maintain information regarding the offender within the agency and may disclose it to other law enforcement agencies. Additionally, the agency may disclose the information to any victims of or witnesses to the offense committed by the offender. The agency shall disclose the information to victims of the offense committed by the offender who have requested disclosure;

(2) if the offender is assigned to risk level II, the agency also may disclose the information to agencies and groups that the offender is likely to encounter for the purpose of securing those institutions and protecting individuals in their care while they are on or near the premises of the institution. These agencies and groups include the staff members of public and private educational institutions, day care establishments, and establishments and organizations that primarily serve individuals likely to be victimized by the offender. The agency also may disclose the information to individuals the agency believes are likely to be victimized by the offender. The agency's belief shall be based on the offender's pattern of offending or victim preference as documented in the information provided by the department of corrections or human services;

(3) if the offender is assigned to risk level III, the agency also may disclose the information to other members of the community whom the offender is likely to encounter.

Notwithstanding the assignment of a sex offender to risk level II or III, a law enforcement agency may not make the disclosures permitted by clause (2) or (3), if: the offender is placed or resides in a residential facility that is licensed as a residential program, as defined in section 245A.02, subdivision 14, by the commissioner of human services under chapter 254A, or the commissioner of corrections under section 241.021; and the facility and its staff are trained in the supervision of sex offenders. However, if an offender is placed or resides in a licensed facility, the head of the facility shall notify the commissioner of corrections or the commissioner of human services within 48 hours after finalizing the offender's approved relocation plan to a permanent residence. Within five days after receiving this notification, the appropriate commissioner shall give to the appropriate law enforcement agency all relevant information the commissioner has concerning the offender, including information on the risk factors in the offender's history and the risk level to which the offender was assigned. After receiving this information, the law enforcement agency may make the disclosures permitted by clause (2) or (3), as appropriate.

(c) As used in paragraph (b), clauses (2) and (3), "likely to encounter" means that:

(1) the organizations or community members are in a location or in close proximity to a location where the offender lives or is employed, or which the offender visits or is likely to visit on a regular basis, other than the location of the offender's outpatient treatment program; and

(2) the types of interaction which ordinarily occur at that location and other circumstances indicate that contact with the offender is reasonably certain.

(d) A law enforcement agency or official who decides to disclose information under this subdivision shall make a good faith effort to make the notification at least 14 days before an offender is released from confinement or accepted for supervision. If a change occurs in the release plan, this notification provision does not require an extension of the release date.

(e) A law enforcement agency or official that decides to disclose information under this subdivision shall not disclose the identity of the victims of or witnesses to the offender's offenses.

(f) A law enforcement agency may continue to disclose information on an offender under this subdivision for as long as the offender is required to register under section 243.166.

**Subd. 5. Relevant information provided to law enforcement.** At least 60 days before a sex offender is released from confinement or accepted for supervision, the department of corrections or the department of human services, in the case of a person who was committed under section 253B.185 or Minnesota Statutes 1992, section 526.10, shall give to the law

enforcement agency that investigated the offender's crime of conviction or, where relevant, the law enforcement agency having primary jurisdiction where the offender was committed, all relevant information that the departments have concerning the offender, including information on risk factors in the offender's history. Within five days after receiving the offender's approved release plan from the office of adult release, the appropriate department shall give to the law enforcement agency having primary jurisdiction where the offender plans to reside all relevant information the department has concerning the offender, including information on risk factors in the offender's history and the risk level to which the offender was assigned.

**Subd. 6. Administrative review.** (a) An offender assigned or reassigned to risk level II or III under subdivision 3, paragraph (e) or (h), has the right to seek administrative review of an end-of-confinement review committee's risk assessment determination. The offender must exercise this right within 14 days of receiving notice of the committee's decision by notifying the chair of the committee. Upon receiving the request for administrative review, the chair shall notify: (1) the offender; (2) the victim or victims of the offender's offense who have requested disclosure or their designee; (3) the law enforcement agency that investigated the offender's crime of conviction or, where relevant, the law enforcement agency having primary jurisdiction where the offender was committed; (4) the law enforcement agency having jurisdiction where the offender expects to reside, providing that the release plan has been approved by the office of adult release of the department of corrections; and (5) any other individuals the chair may select. The notice shall state the time and place of the hearing. A request for a review hearing shall not interfere with or delay the notification process under subdivision 4 or 5, unless the administrative law judge orders otherwise for good cause shown.

(b) An offender who requests a review hearing must be given a reasonable opportunity to prepare for the hearing. The review hearing shall be conducted on the record before an administrative law judge. The review hearing shall be conducted at the correctional facility in which the offender is currently confined. If the offender no longer is incarcerated, the administrative law judge shall determine the place where the review hearing will be conducted. The offender has the burden of proof to show, by a preponderance of the evidence, that the end-of-confinement review committee's risk assessment determination was erroneous. The attorney general or a designee shall defend the end-of-confinement review committee's determination. The offender has the right to be present and be represented by counsel at the hearing, to present evidence in support of the offender's position, to call supporting witnesses and to cross-examine witnesses testifying in support of the committee's determination. Counsel for indigent offenders shall be provided by the Legal Advocacy Project of the state public defender's office.

(c) After the hearing is concluded, the administrative law judge shall decide whether the end-of-confinement review committee's risk assessment determination was erroneous and, based on this decision, shall either uphold or modify the review committee's determination. The judge's decision shall be in writing and shall include the judge's reasons for the decision. The judge's decision shall be final and a copy of it shall be given to the offender, the victim, the law enforcement agency, and the chair of the end-of-confinement review committee.

(d) The review hearing is subject to the contested case provisions of chapter 14.

(e) The administrative law judge may seal any portion of the record of the administrative review hearing to the extent necessary to protect the identity of a victim of or witness to the offender's offense.

## **244.09 MINNESOTA SENTENCING GUIDELINES COMMISSION.**

*[For text of subs 1 to 4, see M.S.1996]*

Subd. 5. The commission shall promulgate sentencing guidelines for the district court. The guidelines shall be based on reasonable offense and offender characteristics. The guidelines promulgated by the commission shall be advisory to the district court and shall establish:

- (1) The circumstances under which imprisonment of an offender is proper; and
- (2) A presumptive, fixed sentence for offenders for whom imprisonment is proper, based on each appropriate combination of reasonable offense and offender characteristics. The guidelines may provide for an increase or decrease of up to 15 percent in the presumptive, fixed sentence.

The sentencing guidelines promulgated by the commission may also establish appropriate sanctions for offenders for whom imprisonment is not proper. Any guidelines promulgated by the commission establishing sanctions for offenders for whom imprisonment is not proper shall make specific reference to noninstitutional sanctions, including but not limited to the following: payment of fines, day fines, restitution, community work orders, work release programs in local facilities, community based residential and nonresidential programs, incarceration in a local correctional facility, and probation and the conditions thereof.

Although the sentencing guidelines are advisory to the district court, the court shall follow the procedures of the guidelines when it pronounces sentence in a proceeding to which the guidelines apply by operation of statute. Sentencing pursuant to the sentencing guidelines is not a right that accrues to a person convicted of a felony; it is a procedure based on state public policy to maintain uniformity, proportionality, rationality, and predictability in sentencing.

In establishing and modifying the sentencing guidelines, the primary consideration of the commission shall be public safety. The commission shall also consider current sentencing and release practices; correctional resources, including but not limited to the capacities of local and state correctional facilities; and the long-term negative impact of the crime on the community.

The provisions of sections 14.001 to 14.69 do not apply to the promulgation of the sentencing guidelines, and the sentencing guidelines, including severity levels and criminal history scores, are not subject to review by the legislative commission to review administrative rules. However, the commission shall adopt rules pursuant to sections 14.001 to 14.69 which establish procedures for the promulgation of the sentencing guidelines, including procedures for the promulgation of severity levels and criminal history scores, and these rules shall be subject to review by the legislative commission to review administrative rules.

*[For text of subd 6, see M.S.1996]*

Subd. 7. After the implementation of the sentencing guidelines promulgated by the commission, the commission shall study their impact and review the powers and duties of the commissioner of corrections.

Subd. 13. **Rulemaking power.** The commission shall have authority to promulgate rules to carry out the purposes of subdivision 5.

#### 244.11 APPELLATE REVIEW OF SENTENCE.

Subdivision 1. **Generally.** An appeal to the court of appeals may be taken by the defendant or the state from any sentence imposed or stayed by the district court according to the rules of criminal procedure for the district court of Minnesota. Except as otherwise provided in subdivision 3, a dismissal or a resolution of an appeal brought under this section shall not prejudice an appeal brought under any other section or rule.

Subd. 2. **Procedure.** (a) When an appeal taken under this section is filed, the court administrator of the district court shall certify the transcript of the proceedings and any files or records relating to the defendant, the offense, and the sentence imposed or stayed, that the supreme court by rule or order may require.

(b) On an appeal pursuant to this section, the court may review the sentence imposed or stayed to determine whether the sentence is inconsistent with statutory requirements, unreasonable, inappropriate, excessive, unjustifiably disparate, or not warranted by the findings of fact issued by the district court. This review shall be in addition to all other powers of review presently existing. The court may dismiss or affirm the appeal, vacate or set aside the sentence imposed or stayed and direct entry of an appropriate sentence or order further proceedings to be had as the court may direct.

Subd. 3. **Limitation on defendant's right to seek sentence modification.** (a) As used in this subdivision, "appeal" means:

(1) an appeal of a sentence under Rule 28 of the Rules of Criminal Procedure; and

(2) an appeal from a denial of a sentence modification motion brought under Rule 27.03, subdivision 9, of the Rules of Criminal Procedure.

(b) If a defendant agrees to a plea agreement and is given a stayed sentence, which is a dispositional departure from the presumptive sentence under the Minnesota sentencing guidelines, the defendant may appeal the sentence only if the appeal is taken:

(1) within 90 days of the date sentence was pronounced; or

(2) before the date of any act committed by the defendant resulting in revocation of the stay of sentence;  
whichever occurs first.

(c) A defendant who is subject to paragraph (b) who has failed to appeal as provided in that paragraph may not file a petition for postconviction relief under chapter 590 regarding the sentence.

(d) Nothing in this subdivision shall be construed to:

(1) alter the time period provided for the state to appeal a sentence under Rule 28 of the Rules of Criminal Procedure; or

(2) affect the court's authority to correct errors under Rule 27.03, subdivision 8, of the Rules of Criminal Procedure.

Subd. 4. **Release pending appeal.** This section shall not be construed to confer or enlarge any right of a defendant to be released pending an appeal.

**History:** 1997 c 96 s 2

## 244.13 INTENSIVE COMMUNITY SUPERVISION AND INTENSIVE SUPERVISED RELEASE; ESTABLISHMENT OF PROGRAMS.

Subdivision 1. **Establishment.** The commissioner of corrections shall establish programs for those designated by the commissioner to serve all or part of a sentence on intensive community supervision or all or part of a supervised release or parole term on intensive supervised release. The adoption and modification of policies and procedures to implement sections 244.05, subdivision 6, and 244.12 to 244.15 are not subject to the rulemaking procedures of chapter 14 because these policies and procedures are excluded from the definition of a rule under section 14.03, clause (2). The commissioner shall locate the programs so that at least one-half of the money appropriated for the programs in each year is used for programs in Community Corrections Act counties. In awarding contracts for intensive supervision programs in Community Corrections Act counties, the commissioner shall give first priority to programs that utilize county employees as intensive supervision agents and shall give second priority to programs that utilize state employees as intensive supervision agents. The commissioner may award contracts to other providers in Community Corrections Act counties only if doing so will result in a significant cost savings or a significant increase in the quality of services provided, and only after notifying the chairs of the committees in the senate and house of representatives with jurisdiction over criminal justice policy.

[For text of subd 2, see M.S.1996]

Subd. 3. **Evaluation.** The commissioner shall develop a system for gathering and analyzing information concerning the value and effectiveness of the intensive community supervision and intensive supervised release programs.

#### 244.17 CHALLENGE INCARCERATION PROGRAM.

*[For text of subd 1, see M.S.1996]*

Subd. 2. **Eligibility.** The commissioner must limit the challenge incarceration program to the following persons:

(1) offenders who are committed to the commissioner's custody following revocation of a stayed sentence; and

(2) offenders who are committed to the commissioner's custody, who have 48 months or less in or remaining in their term of imprisonment, and who did not receive a dispositional departure under the sentencing guidelines.

(1) community service work placement and supervision;

(2) restitution collection;

(3) supervision;

(4) court ordered investigations; or

(5) any other court ordered service to be provided by a local probation and parole agency established under section 244.19 or community corrections agency established under chapter 401.

#### 244.19 PROBATION OFFICERS.

Subdivision 1. **Appointment; joint services; state services.** (a) If a county or group of counties has established a human services board pursuant to chapter 402, the district court may appoint one or more county probation officers as necessary to perform court services, and the human services board shall appoint persons as necessary to provide correctional services within the authority granted in chapter 402. In all counties of more than 200,000 population, which have not organized pursuant to chapter 402, the district court shall appoint one or more persons of good character to serve as county probation officers during the pleasure of the court. All other counties shall provide adult misdemeanor and juvenile probation services to district courts in one of the following ways:

(1) the court, with the approval of the county boards, may appoint one or more salaried county probation officers to serve during the pleasure of the court;

(2) when two or more counties offer probation services the district court through the county boards may appoint common salaried county probation officers to serve in the several counties;

(3) a county or a district court may request the commissioner of corrections to furnish probation services in accordance with the provisions of this section, and the commissioner of corrections shall furnish such services to any county or court that fails to provide its own probation officer by one of the two procedures listed above;

(4) if a county or district court providing probation services under clause (1) or (2) asks the commissioner of corrections or the legislative body for the state of Minnesota mandates the commissioner of corrections to furnish probation services to the district court, the probation officers and other employees displaced by the changeover shall be employed by the commissioner of corrections. Years of service in the county probation department are to be given full credit for future sick leave and vacation accrual purposes;

(5) all probation officers serving the juvenile courts on July 1, 1972, shall continue to serve in the county or counties they are now serving.

(b) The commissioner of employee relations shall place employees transferred to state service under paragraph (a), clause (4), in the proper classifications in the classified service. Each employee is appointed without examination at no loss in salary or accrued vacation or sick leave benefits, but no additional accrual of vacation or sick leave benefits may occur until the employee's total accrued vacation or sick leave benefits fall below the maximum permitted by the state for the employee's position. An employee appointed under paragraph (a), clause (4), shall serve a probationary period of six months. After exhausting labor contract remedies, a noncertified employee may appeal for a hearing within ten days to the commissioner of employee relations, who may uphold the decision, extend the probation period, or certify the employee. The decision of the commissioner of employee relations is final. The state shall negotiate with the exclusive representative for the bargaining unit to which the employees are transferred regarding their seniority. For purposes of computing seniority among those employees transferring from one county unit only, a transferred employee retains the same seniority position as the employee had within that county's probation office.

**Subd. 2. Sufficiency of services.** Probation services shall be sufficient in amount to meet the needs of the district court in each county. County probation officers serving district courts in all counties of not more than 200,000 population shall also, pursuant to subdivision 3, provide probation and parole services to wards of the commissioner of corrections resident in their counties. To provide these probation services counties containing a city of 10,000 or more population shall, as far as practicable, have one probation officer for not more than 35,000 population; in counties that do not contain a city of such size, the commissioner of corrections shall, after consultation with the chief judge of the district court and the county commissioners and in the light of experience, establish probation districts to be served by one officer.

All probation officers appointed for any district court or community corrections agency shall be selected from a list of eligible candidates who have minimally qualified according to the same or equivalent examining procedures as used by the commissioner of employee relations to certify eligibles to the commissioner of corrections in appointing parole agents, and the department of employee relations shall furnish the names of such candidates on request. This subdivision shall not apply to a political subdivision having a civil service or merit system unless the subdivision elects to be covered by this subdivision.

**Subd. 3. Powers and duties.** All county probation officers serving a district court shall act under the orders of the court in reference to any person committed to their care by the court, and in the performance of their duties shall have the general powers of a peace officer; and it shall be their duty to make such investigations with regard to any person as may be required by the court before, during, or after the trial or hearing, and to furnish to the court such information and assistance as may be required; to take charge of any person before, during or after trial or hearing when so directed by the court, and to keep such records and to make such reports to the court as the court may order.

All county probation officers serving a district court shall, in addition, provide probation and parole services to wards of the commissioner of corrections resident in the counties they serve, and shall act under the orders of said commissioner of corrections in reference to any ward committed to their care by the commissioner of corrections.

All probation officers serving a district court shall, under the direction of the authority having power to appoint them, initiate programs for the welfare of persons coming within the jurisdiction of the court to prevent delinquency and crime and to rehabilitate within the community persons who come within the jurisdiction of the court and are properly subject to efforts to accomplish prevention and rehabilitation. They shall, under the direction of the court,

cooperate with all law enforcement agencies, schools, child welfare agencies of a public or private character, and other groups concerned with the prevention of crime and delinquency and the rehabilitation of persons convicted of crime and delinquency.

All probation officers serving a district court shall make monthly and annual reports to the commissioner of corrections, on forms furnished by the commissioner, containing such information on number of cases cited to the juvenile division of district court, offenses, adjudications, dispositions, and related matters as may be required by the commissioner of corrections.

**Subd. 4. Detaining person on conditional release or probation.** (a) The written order of the court services director or designee of a county probation agency not organized under chapter 401 is sufficient authority for peace officers and county probation officers serving the district or juvenile court of nonparticipating counties when it appears necessary to prevent escape or enforce discipline, to take and detain a probationer or any person on conditional release and bring that person before the court or the commissioner of corrections, whichever is appropriate, for disposition. No probationer or other person on conditional release shall be detained under this subdivision more than 72 hours, excluding Saturdays, Sundays and holidays, without being given an opportunity for a hearing before the court or the commissioner of corrections or a designee.

**Subd. 5. Compensation.** In counties of more than 200,000 population, a majority of the judges of the district court may direct the payment of such salary to probation officers as may be approved by the county board, and in addition thereto shall be reimbursed for all necessary expenses incurred in the performance of their official duties. In all counties which obtain probation services from the commissioner of corrections the commissioner shall, out of appropriations provided therefor, pay probation officers the salary and all benefits fixed by the state law or applicable bargaining unit and all necessary expenses, including secretarial service, office equipment and supplies, postage, telephone and telegraph services, and travel and subsistence. Each county receiving probation services from the commissioner of corrections shall reimburse the department of corrections for the total cost and expenses of such services as incurred by the commissioner of corrections. Total annual costs for each county shall be that portion of the total costs and expenses for the services of one probation officer represented by the ratio which the county's population bears to the total population served by one officer. For the purposes of this section, the population of any county shall be the most recent estimate made by the department of health. At least every six months the commissioner of corrections shall bill for the total cost and expenses incurred by the commissioner on behalf of each county which has received probation services. The commissioner of correc-

tions shall notify each county of the cost and expenses and the county shall pay to the commissioner the amount due for reimbursement. All such reimbursements shall be deposited in the general fund. Objections by a county to all allocation of such cost and expenses shall be presented to and determined by the commissioner of corrections. Each county providing probation services under this section is hereby authorized to use unexpended funds and to levy additional taxes for this purpose.

The county commissioners of any county of not more than 200,000 population shall, when requested to do so by the juvenile judge, provide probation officers with suitable offices, and may provide equipment, and secretarial help needed to render the required services.

**Subd. 6. Reimbursement of counties.** In order to reimburse the counties for the cost which they assume under this section of providing probation and parole services to wards of the commissioner of corrections and to aid the counties in achieving the purposes of this section, the commissioner of corrections shall annually, from funds appropriated for that purpose, pay 50 percent of the costs of probation officers' salaries to all counties of not more than 200,000 population. Nothing in this section will invalidate any payments to counties made pursuant to this section before May 15, 1963. Salary costs include fringe benefits, but only to the extent that fringe benefits do not exceed those provided for state civil service employees. On or before July 1 of each even-numbered year each county or group of counties which provide their own probation services to the district court under subdivision 1, clause (1) or (2), shall submit to the commissioner of corrections an estimate of its costs under this section. Reimbursement to those counties shall be made on the basis of the estimate or actual expenditures incurred, whichever is less. Reimbursement for those counties which obtain probation services from the commissioner of corrections pursuant to subdivision 1, clause (3), must be made on the basis of actual expenditures. Salary costs shall not be reimbursed unless county probation officers are paid salaries commensurate with the salaries paid to comparable positions in the classified service of the state civil service. The salary range to which each county probation officer is assigned shall be determined by the authority having power to appoint probation officers, and shall be based on the officer's length of service and performance. The appointing authority shall annually assign each county probation officer to a position on the salary scale commensurate with the officer's experience, tenure, and responsibilities. The judge shall file with the county auditor an order setting each county probation officer's salary. Time spent by a county probation officer as a court referee shall not qualify for reimbursement. Reimbursement shall be prorated if the appropriation is insufficient. A new position eligible for reimbursement under this section may not be added by a county without the written approval of the commissioner of corrections. When a new position is approved, the commissioner shall include the cost of the position in calculating each county's share.

**Subd. 7. Certificate of counties entitled to state aid.** On or before January 1 of each year, until 1970 and on or before April 1 thereafter, the commissioner of corrections shall deliver to the commissioner of finance a certificate in duplicate for each county of the state entitled to receive state aid under the provisions of this section. Upon the receipt of such certificate, the commissioner of finance shall draw a warrant upon the state treasurer in favor of the county treasurer for the amount shown by each certificate to be due to the county specified. The commissioner of finance shall transmit such warrant to the county treasurer together with a copy of the certificate prepared by the commissioner of corrections.
