Nothing in this paragraph requires the department of health to review or approve any shelter or evacuation plan developed by a park. The municipality may require the park owner to construct a shelter if it determines that a safe place of shelter is not available within a reasonable distance from the park. A copy of the municipal approval and the plan shall be submitted by the park owner to the department of health. The park owner shall provide each resident with a copy of the approved shelter or evacuation plan, as provided by section 327C.01, subdivision 1c.
