Subd. 7. Population. "Population" means the most recent estimate of the population of a municipality made by the metropolitan council and filed with the commissioner of revenue as of July 1 of the year in which a municipality's distribution net tax capacity is calculated. The council shall annually estimate the population of each municipality as of a date which it determines and, in the case of a municipality which is located partly within and partly without the area, the proportion of the total which resides within the area, and shall promptly thereafter file its estimates with the commissioner of revenue.
